"White Coast House. That was a house built by Director Zhan for Miss Bai! This place, I have never heard of it before, right? Maybe it's time for you and your wife to have a good chat, hahaha! "

Hsu Yan, on the other hand, did not flinch. She even turned the phone in her hand. She turned on the camera and aimed it at Tan Yucha. She secretly took pictures of his face, which was completely different from his face in public.

"Tan Yucha, our Big Star Tan, I'm afraid you should say this to yourself!"

"Hsu Yan, you dare to secretly take pictures! Give me your phone..

Sitting in his room, Zhan Shishen called a video conference as soon as he came in. It seemed like he was very busy.

"If you don't eat, then there's no need to talk! I'm very busy. "

The man's tone was cold, solemn, and irresistible.

What does it look like? A primary school student who made a mistake?

"Hey! Zhan Shishen..."

Hsu Yan stayed at the wonton stall
