

My Poor Husband Turns Out To Be Rich

Chapter 5 - Reject Marriage -

C5 Reject Marriage

The Zhan family was the most prominent family in the City J. Compared to the Gu's, the Hsu's was way ahead of them.

There were many talented people in the Zhan family, and Ninth Master was the most famous one among them!

It was said that not only did he look disgusting, his legs were disabled, and he also had a strange habit of abusing women! The first eight betrothed had died, and they had gone mad!

Ning Ya had always wanted Hsu Yan to marry over so that she could monopolize the position of the Hsu family's heir. She had often played tricks on Hsu Yunshan, but she had always been rejected by Hsu Yan!

In the past, the only person she wanted to marry was Gu Yun, and she did not care that he was just an illegitimate child of the Gu's!

"Father! Do you know who caused me? Last night, the wine I drank was the woman in your arms... "

Hsu Yan did not hesitate and wanted to tell the truth.

Suddenly, Ning Ya rolled her eyes and interrupted Hsu Yan. "Yan, I know you have many misunderstandings about me! But now you are not even a virgin. You can only marry that Ninth Master... Hsu's recently needs the help of Zhan family, so you have to help your father share the burden."

It was precisely with such a considerate face that he lied to Hsu Yunshan and Gu Yun.

"Ning Ya, shut up! You are just a mistress, a slut! What right do you have to speak in my house?!"

Looking at Ning Ya, who had already planned for this, Hsu Yan wished that she could immediately tear off her green tea mask. She was obligated to say, "Dad, last night! Ning Ya carried you and was with another man. The child in her womb might not be yours!"

She did not reveal Gu Yun's name because she did not want to hurt him directly. If she mentioned it, her heart would still hurt.

Ning Ya's guilty conscience flashed." Hsu Yan, you need to talk about evidence! I am sincere to Yunshan. You cannot slander others!"

She innocently pulled Hsu Yunshan's arm and even started to sob. "Yunshan... Yan was now agitated and spoke nonsense. It's all my fault that I didn't think well of her."

Hsu Yunshan just had to take this lying down. He saw that mountain-like figure protecting Ning Ya. Chao Chao's daughter spoke heavily for the first time, "Enough, Hsu Yan! This marriage was already set! The Zhan family will come and pick you up in three days. No matter what, Ya Ya will always be your Little Mom. You're pregnant with your brother again. You have to be more respectful!"

Hsu Yan was completely stunned. Her father's favoritism was obvious.

Ning Ya had pinpointed Hsu Yunshan's weakness. No matter what her daughter said, her father believed that it was her doing!

This family... It turned out that she no longer had her position in the family. Her father was no longer the big mountain that she relied on.

Even after Ning Ya entered the house, the reality was that she, the daughter of a rich family, even needed to boil a cup of water for herself.

Why did she only realize it at this moment?

"Ha! Whoever is willing to marry in this marriage, I will not marry even if I die!"

"If you don't want to marry me, I'll call the hospital and immediately get your grandmother to get discharged from the hospital." Hsu Yunshan threatened, "If you dare to step out of this house, you will hear that your grandmother is seriously ill the next day. And she's even living on the streets. "

Hsu Yan's footsteps paused as she looked at the man in front of her in disbelief, "Dad!"

"If you still have eyes for me, this dad, then be obedient."

After Hsu Yunshan said that, he did not even look at her and carefully supported Ning Ya upstairs. Ning Ya turned around and smiled proudly, reminding, "Little Yan, you have to think about it carefully. Don't delay your marriage."

Hsu Yan wanted to rush over and tear off Ning Ya's hypocritical face but when she thought of her grandmother, she forcefully endured it.
