C501 You Are the Most Important to Me

Zhan Shishen's words caused Gu Yun's expression to become awkward again. This was clearly not letting him have a good time.

He didn't try to protect her. "Alright, go back to your office if you don't have anything to do! Don't forget your identity. Don't just gather in places you shouldn't be in the future. Don't do such immature things again."
