She's got a temper that's been settling down for a long time, and now she's breaking it.

Hsu Yan was too lazy to argue and Lan spoke up for her, "Madam, it is not like that. Madam has been working very hard during the later stages of pregnancy. She still insisted on working with Director Zhan. Because when sleeping, her leg often cramps and the doctor says that she needs more nutrition

Hsu Yan saw the expression on the bodyguard's face and her eyes sparkled. She felt that something was very unusual and subconsciously wanted to avoid it.

"Madam, be careful!"

Lan immediately blocked in front and pushed the waiter

His observational ability can naturally think of this level.

Therefore, he immediately found the Zhan mansion.

Old Master Zhan didn't like Hsu Yan, but for the sake of his great-grandson, he wouldn't really make a move.

Hsu Yan closed her eyes tiredly, "No! I'm tired. Anyway, before the matter was investigated thoroughly, I was a criminal, right? I want to rest

C566 I Want to Add Sin

Hsu Yan had to answer, "I dreamt that Hsu Zhi, Fu Heng and my grandmother had black wounds all over their bodies. They were all begging me to tell them the address of the island. Let me find the medicine to save them. I'm afraid... I'm really a little scared. "

She recalled the dream, "Zhan Shishen, you said that my grandfather's experiment failed

C570 He will Personally Protect His Wife

Hsu Yan had no feelings for her. "Isn't there a master behind her? Then I'll trouble you guys to tell the expert behind her.
