### **C581 Just Take It That She Was Jealous of Bai Xin**

Perhaps it was because she was too stimulated, Hsu Yan actually said it.

In front of Zhan Shishen!

The moment the word divorce came out, the entire room became cold.

The man's face was immediately covered in dark clouds. It was as if Hsu Yan's words were more stimulating than the words of everyone here combined.

Zhan Shishen did not remain silent anymore. He lifted Hsu Yan's hand again

### **C582 Intentionally Faking It**

Since this man could not let go of Bai Xin, the two of them could not focus on loving each other.

Then let her be the bad guy and the one who quit.

Of course Zhan Shishen did not want to believe it so easily.

However, Hsu Yan just wanted to play a one-time trick. "Mr. Zhan does not know that a woman's jealousy is very scary?"

"If I can't get it, I don't want others to get it too

### **C583 Threatening the Driver**

This smile has a sad sense of beauty. It was also the first time Hsu Yan smiled at Zhan Shishen like this.

With just a glance, Zhan Shishen wanted to grab this hand and change his mind.

But Hsu Yan pulled out her hand. Her words were cold to the bottom of the pond. "After giving birth to the child

Back then, Zhan Shishen treated Bai Xin well, and everyone in Zhan family knew about it

She had never thought that one day, she would have to bear Zhan Shishen's child and find another man to cause a misunderstanding!

She also wanted to find another man to make things difficult for him.

The old man had already given her a hint, and Zhan Shishen's jealous personality would definitely not tolerate Hsu Yan getting close to another man

### **C586 Jealousy Burned in His Heart**

It's like a specific answer to have the only answer.

The man's indifference and the determination in his eyes were like a heavy blow to the heart of a person in a hospital bed.

Bai Xin's hands tightened the blanket under her and her eyes flashed with a sparkling luster. She turned her head and smiled awkwardly, "Shishen

### **C587 Fu Heng and Ning Wei**

"But does my fracture matter to him?"

"Look at me. Do I still look like a normal person now?"

She looked at her bandaged leg as if she was looking at a joke.

The designer... model, who was once a glorious figure, had all been destroyed.

Faang Rui said, "We can rely on him! The person who made the call and instigated you to do this, he could even design such a scene

### **C588 It Didn't Take Much Effort to Get It**

Ning Wei did not notice Hsu Yan coming in. She leaned gracefully against Fu Heng. In her strong arms, she said, "Fu Heng, the Gu family is safe now. When we find the location of the island, we can use the Gu family as a cushion. Let's go to the island and spend some money and adventure! It had been a long time since anyone had explored Treasure Vault Island

### **C589 Ning Wei Admitted It**

Sure enough, he couldn't give this photo to Gu Yun publicly. Otherwise, he would lose an important target to use.

Hsu Yan smiled and said, "Yes, and I quickly set up the photo. If you dare to harm me, the photo will be sent to the public network in half an hour. Only I know the password."

It was not that she did not know how to be treacherous

Hsu Yan's mood could not calm down for a long time after hearing these secrets, but when she thought of the reason why she came this time, she held it in.

Ning Wei left the place.

After that, Hsu Yan followed Fu Heng in the car and went to his private residence alone. The two of them started a formal discussion
