

Poor Husband 671

C671 Only Bai Xin Was a Hindrance

What she meant was that she didn't believe that Su Yushu had saved Zhan Tianwei on purpose.

It was Zhan Tianwei who trained on the island and might accidentally bring that kind of poisonous insect with him! Perhaps Su Yushu had discovered the injured Zhan Tianwei and pretended to be the person who saved Zhan Tianwei. In the end

C672 Investigating His Whereabouts

"Yeah."

Hsu Yan nodded.

She suddenly thought that if Zhan Shishen could be so honest with her, he could explain the matter with Bai Xin clearly.

The two of them might be able to truly love each other without distractions.

Hsu Yan counted the number of contractions and fetus movements. The remaining time of the day was not considered slow either

C673 Tricks

Hsu Yan paused for a while before saying, "It's fine."

"Help me look for the recent company activities and some of the company activities that are closer to the partnership. Send them to me if you have any."

"Yes, Sister Hsu Yan!"

Placing her phone on the bed, Hsu Yan fell into deep thought.

Zhan Shishen, this time, trying to trick her was obviously not intentional.

In that case, in the end.

C674 Running away from Home

Then he thought about what he had heard on the phone. Zhan Shishen was going to stay with Bai Xin. Her heart was pounding. She felt as if she was standing on the edge of a cliff!

"Of course. The Bai family that Bai Lanyi is in is also a laughing house. Originally it was a music and dance hall

C675 He's Coming for Her

"Su Wen, what did you say? Grandmother ran away from home? Didn't grandma say she was going to find Zhan Shishen? How long has it been? Why didn't she tell me? "

Hsu Yan's stomach suddenly stopped hurting," That undergarment is a gift from Zhan mansion. I just opened it. I never said I like it... "

She felt a chill

C676 He Made a Mistake and Made Sense

Even after being together for so long, as his wife who was practically invisible after marriage, there were very few times that any woman would be shy about it.

C677 Am I the Only Woman in My Heart

Hsu Yan was shocked. Did he really do something big? It was also possible that he had been hiding his strength for so long. Perhaps it was because of a certain moment.

She had a bit of a temper

Until now, neither of them had really admitted it.

They only felt that the atmosphere was stunned for a while. Just as Hsu Yan was carrying her back and the expectation in her heart dropped drastically.

The man suddenly bent down and his lips pressed against the back of her ear

C679 Entering the Waiting Room

When he looked up, he saw Sun Ruiqiu looking at him gently. Hsu Zhi was also standing by the side. He was wearing sportswear and no longer looked like an autistic person. He also seemed to have grown a lot taller.

"Grandma, Zhi!"

Hsu Yan called out, and her heart immediately warmed up.

It was nothing. It was better to see her family at this time.

Zhan Shishen had considered everything for her

C680 Zhan Shishen Wanted to Make Peace with Bai Xin?

Her heart hasn't settled since last night.

She always felt that something had happened, but everyone around her kept it from her.

Even when she took out her phone and surfed the internet, she found that the radio and signal were unstable, and she couldn't even look at the weather forecast.

At first, she thought that it was only because she had just moved into the Sea Moon
