

## **Poor Husband 681**

### **C681 What a Joke**

"Hsu Yan, are you still in the mood to laugh at me at a time like this? Heh! You don't care about my lover, but what about your lover? You are still giving birth to his child in the delivery room, so he holds onto someone else's waist. He's attending the Su family's Chamber of Commerce? Haha

### **C682 Who Is the Clown**

Hsu Yan's heart hurt when she heard the words spoiled in the golden house.

This was the topic that she had been unable to understand and least wanted to hear.

"Ning Wei, you like to make yourself lose your reputation so much. Are you ready to make a move? Fu Heng's black wound split open. Without the antidote, it would be difficult for him to escape with you

### **C683 Hiding It from Him**

Hsu Yan only put away her phone when the nurse came in to examine her again.

She still only turned on one finger. It would not happen tonight. Hsu Yan could move freely and meet people who were accompanying her outside, but she could not leave the room.

She suddenly called Hsu Zhi in.

"Hsu Zhi, help elder sister buy a few newspapers. They must be the latest in the next two days

### **C684 Discovered**

Hsu Yan's expression did not change. She put down the useless newspaper. "Nothing. Is Qii Zhan here? You let him in. I know your brother-in-law is on a business trip and is rushing back. If there is anything, I want to talk to Assistant Qii."

"Okay, sister."

Hsu Zhi did not doubt it.

Now Hsu Yan giving birth was the most important thing, even if she was not satisfied..

### **C685 His Phone Couldn't be Accessed Online**

One night passed.

Hsu Yan knew that Su Wen would most likely not give her a new phone.

Sure enough, the next day, Su Wen had a problem with the internet in the room and needed time to repair it. The phone itself was not a problem and she returned the old phone to Hsu Yan.

Fortunately, the phone could be used to make calls.

She took the phone and contacted Zhao Tongtong

### **C686 The Tip of the News Had Been Discovered**

Zhao Tongtong also nodded seriously. Just as she was about to ask Hsu Yan for details, she heard a nurse coming in from outside.

"Hello, Miss Zhao. According to the rules, you cannot visit here for too long. Mrs Zhan needs to do another finger opening examination and then need to rest. Please understand. This is what every visiting person has to abide by

#### **C687 He Was Having a Heart-to-heart Talk with Sun Ruiqiu**

Su Wen saw that Sun Ruiqiu did not bring her phone in and that it was another old man, so she agreed to go out.

Sun Ruiqiu and Hsu Yan were alone and suddenly asked her, "Yan, where is my grandson-in-law? You tell grandma, did the two of you quarrel?"

The old lady was currently in a very energetic state and actually understood very well in her heart

#### **C688 Angry**

"Actually, don't look at me like I'm old. My heart is as clear as a mirror. I'm old now, so I'll just turn a blind eye. The days passed in a daze. I know that you have suffered a lot! But you must remember one thing. We don't owe anyone else anything. If Zhan Shishen fails to live up to your expectations, even if you don't want to give birth to a child, Grandma won't say anything about you

#### **C689 He Didn't Want to be a Captive**

She was about to go in and give birth, but Zhan Shishen had yet to appear.

She couldn't contact him on her phone.

She couldn't contact him on the internet either.

The people around her were deliberately separated to prevent Hsu Yan from finding out about the news outside.

Even if it was cooperation

#### **C690 Zhan Shishen Said That He Didn't Know Her**

Su Wen anxiously advised, "Madam, the most important thing for you right now is your own body. Don't joke about your body with the child. Leave the matters outside to us to settle... Director Zhan will not see you now."

Hsu Yan's gaze was like fire. "Haha, Su Wen, you said that we are friends. I know that you are entrusted by someone to be loyal and I will not make things difficult for you
