

# My Poor Husband Turns Out To Be Rich

## Chapter 9 - A Special Wedding Night

### C9 A Special Wedding Night

Hsu Yan blurted out in surprise. Luckily, the sound of the firecrackers was loud enough!

Under the watchful eyes of the crowd, Zhan Shishen did not reply. Instead, he first carried the bride and sat in the back seat.

He approached the woman's ear and said faintly, "Miss Xu is really heartless. She ran away after eating and wiping. She did not even make a phone call. So it turns out that she is going to fly to the branches and become a phoenix!"

The breath that entered his ear was indescribably bewitching.

Hsu Yan had never been so embarrassed before. She hurriedly lifted her veil. She could not care less about the situation outside. "Sir... It's not what you think! That matter... I will use money to compensate you! Today I am married, and I don't care why you are here, the other party is a very difficult person to mess with, you must not cause trouble!"

She had been imprisoned and forced to marry by her father these past few days, so it wasn't that she had no conscience.

Seeing the woman's extremely beautiful appearance, a hint of ridicule appeared in the man's black eyes that was invisible to the naked eye!

He actually wanted to use money to bribe him?

It was indeed interesting.

Zhan Shishen suddenly covered the woman's head with a veil and raised his eyebrows as if he was angry. "If it wasn't for the fact that you hired my boss, it would be Ninth Master from the Zhan family. I'm afraid Miss Xu will never think of me again. I'm just a nobody, right?"

Hsu Yan was instantly petrified, "What, what did you say? "

As soon as she finished speaking, there was joy outside again.

Zhan Shishen looked at the woman again with an expression that said, We are not finished!

Then, his figure perfectly exited the car, leaving Hsu Yan alone who was even more horrified than being struck by lightning.

The wedding car drove towards the richest area in City J and stopped in front of a luxurious villa.

Until she was helped out of the car, Hsu Yan still did not recover from her shock! The driver who gave it to her first night was actually her husband's subordinate?

No wonder... he could enter and exit that kind of large hotel...

The heavens really liked to tease her!

But she still calmed down, even if she died earlier or later, it would still be a death! She could only take one step at a time!

"Madam, Ninth Master is waiting for you inside!"

An old servant led Hsu Yan inside. Hsu Yan nodded and handed over the memorial tablet in her hand.

Separated by the veil, she looked at the door that was opening and her ten fingers subconsciously tightened.

"Boss, when did you get addicted to acting? If I were a bride, I might have been tricked by you!"

The moment Hsu Yan entered the villa, the special assistant, Qii Zhan, appeared from behind the man with a surprised expression.

Zhan Shishen actually had such a boring side! Playing roles with his own bride!

And this was still that business giant, the cold-blooded emperor, Zhan Shishen?

"You like to watch the show?" Zhan Shishen returned to his serious appearance. He glanced coldly at Qii Zhan, but there was a smile on his lips that had yet to disappear. He was still looking in the direction the woman had just walked past.

"No, I dare not!"

"They will make a move tonight. Set up the station!"

Zhan Shishen looked at the bedroom upstairs. He originally wanted to play with the wild cat...

In the blink of an eye, the man coldly sat in a black business car.

"Ah, what about this side?" Qii Zhan also hurriedly entered a car. A person who looked like a servant chased after him and asked, "Special Assistant Qi, are you going to treat tonight's bride the same as before?"

"No instructions. Then, just do as usual!"

Qii Zhan quickly replied. The few cars were as fast as horses, and they went into the darkness from the front to the back.

It was gloomy and dark. He could not even touch his fingers!

This was the legendary place where Ninth Master lived!

Hsu Yan was arranged to enter the new house alone. She was even warned not to turn on the lights! This ugly person, as expected...

With the intention to die, she carefully walked in the darkness.

Suddenly, there was a strange movement. Hsu Yan's feet seemed to be grabbed by something!

"What are you doing? Don't try to act mysterious!"

She suddenly pulled open the curtains! When she saw what was on the bed, she shuddered!

Under the moonlight, there was a fierce bark of a dog. It barked at Hsu Yan, "Woof! Woof!"

There was no one in the room. There was a cage placed on the bed, and this cage actually contained a little Tibetan Mastiff! It revealed the fierce fangs of the milk, and it bit onto her wedding dress!

If it was an ordinary woman, she would have fainted from fear long ago.

Hsu Yan's eyes were covered with a layer of frost.

Her future husband actually let her spend the night with a beast.

What a good Ninth Master Zhan!
