Chapter 481: Announcing to Everyone That George Is Edward's Son!

Jeanne's expression was really grim.

She looked at Jasmine coldly and asked her, "You keep saying I can't give birth to children of the Swans! Where did you get the confidence to think that only you can give them a child?"

"I-I-I... I heard Aunt saying that something was wrong with Fourth Uncle's body."

"Have you used his body before to say something is wrong with him?" Jeanne was infuriated.

She did not need them to tell her what her husband could and could not do!

"Don't insult me," Edward said.

At that, Jasmine became embarrassed.

Eden, on the other hand, was extremely angry. "Jeanne, what nonsense are you spouting?"

"Since none of you have used his body before, what right do you have to say that Edward can't do it?"

"It is because no one has used it before that we're certain that Edward has a problem." After a long time, Elaine finally could not hold it in anymore. "Don't think I don't know that the br*t, Nox, has been fooling around with women since he was in his teens. Since you have such a good relationship with him, how can you not have fooled around with girls when he's so good at it? If it's not because there's something wrong with you, what is it?"

"So, in your opinion, fooling around with women is a glorious thing?" Jeanne's eyes narrowed.

At that moment, Nox, who was still sleeping soundly, turned around and felt that his ears were a little hot today.

"Fooling around with women isn't a glorious thing, but not having been in a relationship is just abnormal! Don't talk to me about abstinence! The real reason a man is abstinent is either because he doesn't have the looks, he doesn't have a woman, or he simply can't do it! With Edward's looks and ability, women would flock to him like flies, but he was never in any relationship. In that case, there must be something wrong with his body!" Elaine was certain.

"Am I not a woman?"

"Right now, I seriously suspect that this is just a marriage of convenience and that you're both benefiting from each other. While you help Edward cover up the problem with his body, he'll help you get what you want! On second thought, the fact that Edward gave you all his shares... Is this a deal between the two of you? Otherwise, why can I not figure out why Edward gave all his shares to you?"

"I'm telling you now that there's nothing wrong with Edward's body!"

"Of course, you'd claim that there is nothing wrong with him. Would I find a woman to test Edward out? I'm not that perverted!" Elaine was extremely sarcastic.

"Edward has a son!" Jeanne was pissed off at Elaine.

She was so furious that she looked as if her people were being bullied and she wanted to beat the opposite party to death.

Edward looked at Jeanne and at Jeanne's current state. Suddenly, he smiled.

It turned out he had a son!

At that moment, the smile on his face widened!

"Where?" Elaine paused for a moment.

Jeanne's aggressive reaction surprised her for a second. She did not expect the woman to be so fierce when she was angry. Hence, after pausing for a few seconds, she asked Jeanne fiercely.

At that, Jeanne gritted her teeth.

Damn it!

An anxious person could really say anything.

Now, Kingsley might kill her for revealing that.

"Where's the child?" Elaine pressed, snarking.

Jeanne stared at Elaine.

For a second, Elaine felt that Jeanne was going to hit her.

She hissed, and at that moment, she was prepared to retaliate if Jeanne made a move.

She wanted to see which side her father would stand on!

"What? You can't say it?" Elaine was still trying to aggravate Jeanne. "You can lie about anything, but how dare you boast shamelessly that you have a son! Now, make magic happen and show us your son. If you can make that happen, I will be certain that you didn't do anything to cause Jasmine's miscarriage. From the bottom of my heart, I will be certain that it has nothing to do with you!"

Jeanne clenched her fists tightly.

"But if you can't show us your son, you'll have to accept the fact! You will be punished as you deserve, and you will get the hell out of the Swans!" Elaine was forcing Jeanne's hand and not letting her go.

She simply did not believe that Jeanne could show them her son!

"Or are you also pregnant?" Elaine looked at Jeanne's expression and became even more sarcastic. "If you are really pregnant, I will immediately call the family doctor over to verify it!"

"I'm not pregnant," Jeanne said immediately.

"Ha!" Elaine scoffed and wanted to add fuel to the fire again.

"Edward's son is already six years old!" Jeanne enunciated each word clearly.

Elaine was stunned.

“George,” Jeanne said clearly, “is Edward’s son.”

The entire hall fell silent, and everyone could not believe what they just heard.

They all looked at Jeanne and her unusually calm demeanor. It was as if she suddenly felt relieved about being conflicted for a long time.

She looked up and said again, “Edward and I conceived George seven years ago!”

Chapter 482: Jasmine’s Video Exposed, and a Slap in the Face

“Edward and I conceived George seven years ago!” Jeanne calmly told everyone at the scene.

They all just looked at Jeanne and could not believe what they just heard.

It took a long time before someone reacted.

Elaine was sarcastic. “Jeanne, your lie is flawed. You said you and Edward conceived George seven years ago? Weren’t you dating Eden seven years ago? What on earth are you talking about? You’re full of lies. Do you think we’re idiots? I can still believe it if you said George were yours and Eden’s, but to say George is yours and Edward’s... It’s ridiculous!”

Jeanne glanced at Elaine.

She picked up the phone and dialed a number. “Teddy, bring George over to Universe Garden for a while.”

“Yes.”

With that, Jeanne hung up the phone, not caring about Elaine being sarcastic.

Elaine looked at Jeanne’s calm appearance, and her heart began to pound. She had never thought that George and Edward were related.

Seven years ago, did anything happen between Jeanne and Edward?

It was impossible. Seven years ago, Jeanne and Eden were together.

As such, she turned her head and glared at Eden.

The moment she looked at Eden, she saw his twisted expression. He did not seem to believe that George was Edward’s son either.

.....

As his scarlet eyes met Elaine’s gaze, he said, “I didn’t sleep with Jeanne seven years ago. George has nothing to do with me!”

“You didn’t, but Edward did?” Elaine mocked.

Although she was a little upset, her words were still unforgiving.

Then, she turned to look at Edward and said, “Edward, did you sleep with Jeanne seven years ago?”

“Yes,” Edward replied with certainty.

“You both must’ve come up with this earlier!” Elaine did not believe it at all. She said, “You can come up with anything to clear Jeanne’s name! Did you know Jeanne seven years ago? How could you have done that to your nephew seven years ago? Edward, how could you have abandoned your most basic principles for the sake of a woman?”

“I’ve said it before. I did sleep with her!” Edward looked at Elaine and enunciated each word with a cold expression on his face.

Edward did not like to laugh, and although he was young, he gave off an overwhelming sense of oppression.

At that moment, his stern expression made Elaine feel a little afraid.

She gritted her teeth. “Anyway, you’re willing to do anything for Jeanne now, so it’s pointless for me to ask you.”

She still stubbornly refused to believe it.

Jeanne looked coldly at Elaine, who was still lying to herself, and said, “Sister, I don’t need you to tell me whether George is or not, and neither do I have to convince you of it. Technology is very advanced now. A paternity test can explain everything.”

Elaine’s heart skipped a beat because of Jeanne’s confident tone.

Even if she did not believe it or think it was possible, at that moment, she believed it because of Jeanne’s tone.

She gritted her teeth and tried her best to stop herself from having a mental breakdown. Hence, she still maintained her stance of not believing them and looked at Jeanne coldly.

The Universe Garden’s main room was a little quiet.

Most of them were still absorbing what Jeanne had said, saying that George was Edward’s son!

No one had ever thought of such a possibility.

They had never heard about Jeanne and Edward being in a relationship seven years ago.

If there was, would Jeanne have been chased out of the Lawrences? Would she have been chased out of Harken?

At that time, Edward could have protected Jeanne. There was no need for Jeanne to suffer so much!

No. It was definitely fake.

Eden looked at Jeanne with a ferocious expression.

Back then, he could not even touch a single hair on Jeanne’s head, so there was no way she would have climbed into his Fourth Uncle’s bed. He did not believe it!

Furthermore, he could not accept it!

He could tolerate Jeanne being together with his Fourth Uncle seven years later, but he definitely could not tolerate Jeanne betraying him seven years ago!

That was his greatest humiliation.

However, he could only suppress his emotions and his urge to kill her now.

Naturally, Jasmine was as angry as him. Jasmine did not and did not want to believe it either.

How could Jeanne have had a relationship with Fourth Master Swan seven years ago? If she did, how could she have been chased out of the Lawrences? As long as Fourth Master Swan put in a good word for Jeanne back then, Alexander would not dare to touch a single hair on Jeanne's head. However, from when Jeanne was whipped and sent to the hospital to when she was sent abroad, Fourth Master Swan never showed up!

Chapter 483: Jasmine's Video Exposed, and a Slap in the Face

Now, she claimed that George was Fourth Master Swan's son?

That's impossible.

It's definitely another story those two people made up on purpose, just so that she would not frame Jeanne!

Jeanne was so smart.

Since Jeanne was so smart, if Jasmine could think of using the fact that Fourth Master Swan could not have children to explain the motive of Jeanne pushing her and causing her to have a miscarriage, Jeanne would definitely be able to think of how to make it impossible for herself to have that motive!

Those two people must have colluded with each other a long time ago.

She kept cheering herself on in her heart, telling herself that George could not be Edward's child. He definitely was not.

As for the others, they were also on the fence about it.

Logically, no one believed it, but Jeanne's calm demeanor gave them no choice but to believe it.

As such, no one dared to say anything more. If they did, they might humiliate themselves.

Everyone waited quietly for George to come.

On the other hand, George thought it was a little strange.

Today was Saturday, and there was no class, so he could laze in bed. However, he was suddenly woken up by Teddy and brought here for some unknown reason.

.....

He could feel everyone's gaze on him, and it made him very uncomfortable.

“George,” Jeanne called out to him.

George looked over, hiding the unhappiness in his eyes as he walked obediently to Jeanne’s side.

Everyone’s gazes were still on George.

“Mom.” George frowned, clearly unhappy.

Jeanne said, “Do you want to meet your dad?”

“Huh?” George was surprised. “Isn’t my dad dead?”

Jeanne pursed her lips, and Edward also did the same.

“Oh, he’s not dead,” Jeanne said.

At that moment, George was a little dumbfounded.

It was already strange to be looked at like that by others, and now, what his mother said made him even more confused.

Jeanne touched George’s head.

She would explain it to George in the future.

She stood up straight and said, “Find an authoritative doctor you trust and do a paternity test!”

“Stop trying to fool us!” Elaine directly rejected Jeanne. “What authoritative doctor? Now that Edward has control over Harken, who should we find? In the end, the results will still be in your favor! I won’t accept any paternity test!”

“Right. This is complete nonsense!” Belle immediately agreed. “You said that you slept with Edward seven years ago? You’re lying! You and Eden were in a relationship back then, and you used to like Eden so much. Why would you have a relationship with Edward? What can you say about that?”

“Yeah, Eden and I were in a relationship back then, yet he still cheated on me! If he could cheat on me and sleep with Jasmine, can’t I take revenge on him in the same way?”

“What did you say? How dare you cheat on my son?” Belle was furious.

“Belle, so only your son can do what he likes, but I can’t?”

“You!”

“Besides, I slept with Edward after your son cheated on me! Do you think I should stay single my entire life since your son is already with another woman? How can you be so shameless?” Jeanne was extremely sarcastic about it.

Upon hearing Jeanne’s words, Belle’s face turned ashen.

“Sister, do you have to be so aggressive? When I was with Eden back then, at least we were together because we had feelings for each other. If you really did sleep with Fourth Uncle back then, don’t you think you were too frivolous? Eden still felt extremely guilty toward you back then, but I can’t believe you betrayed him long ago...”

“Jasmine. As a mistress, know your place. Don’t be a whore and act like a virgin. God is watching!”

“Sister!” Jasmine’s eyes reddened from Jeanne’s words.

“Don’t listen to her nonsense. In any case, I refuse to believe George is Edward’s son!” Elaine was extremely certain. She said to Edward, “Edward, no matter what relationship you have with Jeanne now or what kind of deal you have between the two of you, I advise you not to indulge Jeanne too much! If you treat her like this, it will only make her even more lawless in this family! As long as you think you’re still a member of the Swans, don’t do such a thing for a woman—”

“Originally, I thought doing a paternity test was the most direct and effective way, but it looks like I’ve really overestimated you.” Jeanne sneered and interrupted Elaine’s words.

Chapter 484: Jasmine’s Video Exposed, and a Slap in the Face

Elaine looked at her fiercely.

Jeanne was extremely sarcastic. “I originally thought that Jenifer was the best performer in the world, but now I realize that I know nothing. There’s always someone better than her! And some people can really twist things around!”

“Jeanne, that’s enough!” Elaine roared at Jeanne, “Everything I say is logical! Isn’t it natural for you to make up some stories with Edward in order to clear your name? Doesn’t everyone know Edward’s authority in Harken? What’s wrong with me suspecting that George isn’t yours and Edward’s child?”

Jeanne glanced coldly at Elaine and then turned around to face George.

George furrowed his small brows. He still could not figure out what was happening.

Jeanne said, “George, take off your glasses.”

“Didn’t you say I can’t take them off in front of outsiders?”

“What I meant was that you can’t take them off without my permission.” Jeanne smiled.

George thought for a moment before nodding and taking off his glasses obediently.

Under his glasses, there was a pair of bright and large back eyes.

He blinked as he looked at Jeanne and then at the others.

At that moment, Elaine swallowed the words she was about to say.

George was originally wearing a pair of black-rimmed glasses, which were so big that they almost covered half of his face. Moreover, George’s hair used to be a little longer and even covered his eyebrows. Today, his hair seemed to have been cut a lot shorter, exposing his forehead a little. After taking off the glasses, he suddenly looked like a different person. He was completely different from the previous George, who wore glasses.

.....

The previous George looked dull and dumb, but the current George looked distinctly handsome.

Did the pair of glasses make him look ordinary, or did it stop him from shining?

George's current appearance was even a little blinding.

No average person could compare to his good looks!

Teddy, who was at the side, could not help but exclaim, "Young Master is so handsome!"

He was so handsome that he looked somewhat familiar. Why did he think that George was ordinary back then? He was indeed blind!

Teddy was not the only one. Everyone was also flabbergasted by George's appearance.

They stared at George's facial features and found themselves speechless.

Of course, it was not because George was good-looking, but because after taking off his glasses, George looked exactly like Edward.

Jeanne was also very annoyed.

She could not understand and was even a little angry at why Edward's genes were so strong. In fact, she could not see it when George was a newborn. However, as George grew up, he started to look more and more like Edward, so she could only hide his face with a pair of glasses. She tried her best to choose from a bunch of glasses for George, and only this pair hid George's original appearance.

However, now, she still allowed him to take it off in front of everyone in the Swans.

She turned to Elaine. "Sister, do you suspect that I had plastic surgery done for George?"

Elaine looked at Jeanne. At that moment, she did not know what to say because she would only humiliate herself.

Well, she had to acknowledge George now!

Her face twisted in anger as she glared at Jeanne.

Jeanne did not waste too much time either. She looked at the others and said, "Does anyone else have any objections?"

Since Edward and George had such similar faces, what else could they say?

Moreover, the people of the Swans, especially Henry, Elaine, and Richard, including their wives, had practically watched Edward grow up. They still remember what Edward looked like when he was young, and the image they remembered of young Edward was the same as George's.

George looked exactly like when Edward was a child!

They looked so similar, yet how did they not pick it up at all? They really could not tell with those glasses on George!

If they had known earlier, they would not have humiliated themselves.

With that, everyone stopped talking because they had nothing to say.

At that moment, only Jenifer looked surprised and said, "Jeannie, why didn't you tell us earlier that George is Fourth Master's child? Then, we wouldn't have misunderstood you and said that the child was another man's. Look at how much damage it has done to your reputation!"

She was patronizing Jeanne.

Jeanne laughed sarcastically.

Jenifer's greatest ability was to be able to give herself a perfect excuse at any time.

Chapter 485: Jasmine's Video Exposed, and a Slap in the Face

It was a pity she did not appreciate it.

Without so much as batting an eye at Jenifer, she said to Elaine, "Sister, if I remember correctly, you just said that if I had Edward's son, you would believe I had nothing to do with Jasmine's miscarriage."

Elaine looked at Jeanne fiercely.

Then, she opened her mouth but did not know what to say. She said in a bad tone, "Just spit it out!"

"Sister, I hope you can answer me directly." Jeanne forced her to answer.

Elaine's expression was horrendous.

Nevertheless, Jeanne did not give Elaine a way out either. She just stared at Elaine and waited for her answer.

No one had ever forced Elaine's hand to such an extent.

Not only did the girl humiliate her at the senior management meeting yesterday but in front of so many of the Swans today as well.

The more she said just now, the more embarrassed she was now.

She gritted her teeth. "Yes, I believe Jasmine's miscarriage has nothing to do with you!"

"So next, when I clear my name, you'll shut up, right?"

Elaine's entire face twisted in anger. However, she suppressed it and tacitly agreed.

.....

Jeanne smiled smugly.

At that moment, Elaine really wanted to tear Jeanne's face off.

However, because of what she said just now, she had nothing to say. Besides, she would make a fool out of herself again.

Therefore, she simply looked at Jeanne coldly.

Jeanne's gaze was on Jasmine at that moment, and she said, "Jasmine, didn't you say I was jealous of you because I couldn't give birth to a son of the Swans? And that was why I pushed you and caused you to have a miscarriage?"

"It was just a guess." Jasmine was frightened by Jeanne's gaze.

She really did not expect George to be the son of Fourth Master Swan.

Now, she was a little flustered, but she still acted pitifully. "I don't know why you attacked me, and that was why I thought of that. Actually, I'm curious as to why you would do that to me. Is it because I stole Eden back then, and you want to take revenge on me? If you wanted to take revenge on me, you should've done it on me. Why did you have to take revenge on my child? He's innocent..."

As she spoke, her tears started to fall again.

Jeanne looked at Jasmine coldly and how pitiful the latter made herself seem.

She said, "Jasmine, I'm giving you one last chance. Tell everyone. How did you lose the child?"

Jasmine was stunned as she looked at Jeanne's cold eyes.

At that moment, it was as if she had been frightened by Jeanne and that Jeanne had evidence to prove that she had not done such a thing.

Her heart wavered.

At that moment, she definitely did not dare to admit that she had fallen and framed Jeanne. If she did, she would definitely have no place in the Swans in the future and would even be kicked out of the family. However, if she were to clash head-on with Jeanne now, she had a feeling that Jeanne would be able to expose her plot.

She weighed the pros and cons before falling into Eden's arms and said, "Eden, my head feels dizzy, I'm so upset, and I feel terrible. Let's go. I don't want to care about it anymore. Let's take it as if I fell down by myself and that I caused everything. I don't want to blame anyone. In the end, it was also my fault for being careless. In the end, it was my fault..."

It turned out Jasmine was smart enough to let that matter pass.

Jeanne looked at Jasmine and then at Eden, who was hugging her.

He nodded, "Alright, let's go. In any case, we can't win against her. She has Fourth Uncle's child now, so she can flaunt her power even more in the family. No one will believe us no matter what we say, so it's better not to embarrass ourselves here," Eden mocked.

As he mocked, he wanted to leave with Jasmine.

"Stop!" Jeanne's tone was stern.

Eden and Jasmine both turned their heads and glared at Jeanne.

Jeanne said, "Did I say you could go?"

“Jeanne!” Eden was furious, “What else do you want? We don’t care anymore. Don’t take advantage of us and pretend to be the good guy. I did it because you really did give birth to my Fourth Uncle’s child, and I don’t want to ruin our relationship!”

“Sister, we’ve compromised. Why are you still so aggressive? Do you really want me to admit that I fell on my own? Okay.” Jasmine said pitifully, “I admit that I fell on my own. I fell by accident. It has nothing to do with you.”

Chapter 486: Jasmine’s Video Exposed, and a Slap in the Face

As Jasmine admitted it, tears streamed down her face.

However, she admitted it because she was forced upon by someone. As such, she had no choice but to admit it.

Jeanne really did admire Jasmine a little.

She had always thought Jasmine was really stupid, but on second thought, having been under Jenifer’s guidance for so many years, she was pretty capable.

Jasmine looked at Jeanne eagerly. “Sister, are you okay with that? Can you let us go now? I tried to keep the baby all of last night and only had the abortion surgery this morning. The doctor said it’s easier for a woman to fall ill after an abortion, so he told me to get more rest. Right now, all I want is to take good care of my body so that I can bear another child for Eden in the future. Now that I’ve admitted to it, can you let me go?”

The look on her face said, “I’ve compromised, yet you’re still pushing me for an inch and a foot.”

That made Jeanne seem even more like a villain.

“Enough.” Eden could not stand Jasmine’s aggrieved look anymore. “We don’t need her permission. Let’s go.”

“If I say you can’t go, you can’t!” Jeanne’s face darkened.

Her presence was intimidating, and it caused both Eden and Jasmine to shudder.

The two of them stopped in their tracks because of Jeanne’s words.

Eden gritted his teeth. However, he refused to be threatened by Jeanne, so he took Jasmine and was about to leave again.

.....

At that moment, Wade stood in front of Eden.

Eden was stunned, but he looked at Wade fiercely.

Everyone knew that Wade’s every move was his grandfather’s instructions.

He gnashed his teeth, realizing that he could not show Jeanne respect, but he had to show his grandfather respect.

With that, he stood in his place and did not leave.

Jeanne said, "You guys can forget about this matter, but it doesn't mean I will forget all about it. After all, I'm the one who'll lose my reputation, not you guys!"

"Jeanne, don't humiliate yourself!" Eden was at his limit at trying to suppress his anger.

"I should be saying that to you." Jeanne looked at Eden coldly. Then, she looked to Old Master Swan and said respectfully, "Dad, can I use your computer?"

Old Master Swan nodded.

Wade left in front of Eden and walked into the hall. After a while, he came out with a laptop and turned it on.

A little nervous, Eden and Jasmine exchanged glances.

Could Jeanne have captured the scene from yesterday? How was that possible?

Jasmine was certain that no surveillance cameras were installed in the washroom of Universe Garden, and the surveillance cameras in other places could not capture the scene either. Moreover, after the incident, Eden had specially asked someone to look through Universe Garden's surveillance footage, and after making sure there was no footage of the washroom, she began to carry out the following series of plans. She had already thought through how to make it difficult for Jeanne to defend herself!

If George were not Edward's son, Jeanne would not be able to rid herself of that matter, no matter how Jeanne tried to explain herself. Even if Old Master Swan was protecting Jeanne, Jeanne would still be the "culprit". Perhaps she could not do anything to Jeanne this time, but if Jeanne had any 'suspicious behavior' in the future, Old Master Swan would not continue to protect her like that. He would not allow her to continue to be so rampant.

However, what was the situation now?

Did Jeanne really manage to capture that scene?

No. She could not be humiliated like that.

Jasmine's hand that was holding Eden was trembling.

She could not imagine what would happen to her if people saw that she was the one who fell and framed Jeanne instead.

What would happen to her?

At that moment, she suddenly had an idea and was just about to faint.

"Don't faint." Jeanne did not even turn her head. Her back was facing Jasmine, and she was plugging her USB drive into the laptop.

Jasmine was stunned.

“Because fainting is useless. If you faint, the truth will still be exposed,” Jeanne said coldly.

Now, Jasmine’s body was trembling. Jeanne’s words made her so afraid that she did not know what to do.

Eden also braced himself and looked fiercely at Jeanne.

He had a feeling that Jeanne would definitely expose something of Jasmine’s. He was even thinking about how to get rid of his relationship with her.

If Jasmine was exposed in public, how should he get rid of his relationship with her?

His face was grim as he watched Jeanne find the video file.

Just as she was about to play the video, Jeanne suddenly called out. “Teddy.”

Chapter 487: Jasmine’s Video Exposed, and a Slap in the Face

“Madam.” Teddy quickly stepped forward.

“Bring George back.”

What! He still wanted to stay and watch the highlights!

Then, Teddy felt a gaze shot at him, so he quickly brought George away.

Jeanne watched as George left before opening the video.

Everyone was staring intently at the screen. However, horror was written all over Jasmine and Eden’s face.

On the screen, a shining white scene appeared.

Elaine was watching it very seriously, and when she saw that scene, her face turned ghastly. She refused to take another look and shouted angrily at Jeanne, “Jeanne, you and Edward can save this to watch in private. Don’t you feel ashamed showing it in front of all these people?”

“Sister, why don’t you take a closer look?”

“Jeanne, why are you so shameless—”

“I’m not the shameless one!” Jeanne snickered.

Elaine’s eyes narrowed. At that moment, she also thought the contents of the video might be different, so she forced herself to look again.

She watched the two bodies tangle around each other in the room, and they kept going on exaggeratedly.

.....

Everyone was blushing from watching it, but only Jasmine’s face was ashen. It was much paler than before as if her vitality had been sucked out and only her body was left.

In the video, the two of them were buried on the bed, and their faces were unclear. Only Jasmine knew that the woman in the video was her and that the man on top of her was Sam. It was the night before her wedding when she wanted to plot against Jeanne, but unexpectedly, Jeanne plotted against her in the end!

Moreover, she had never thought that Jeanne would have the video.

She thought that if Jeanne had the video, she would have exposed her immediately. In fact, it would have been exposed before she got married.

Never did she expect Jeanne would keep it hidden for so long. It was as if she was waiting for her to walk into the trap and humiliate herself.

No. She could not allow everyone to know that the person in the video was her.

There was no way.

Hence, she suddenly pushed Eden away like she had gone mad and ran straight to the laptop, wanting to slam the computer onto the ground.

Luckily, Jeanne was quick to react. She quickly picked up the laptop and avoided Jasmine's approach.

Jasmine, as a result, lost her balance and fell directly onto the coffee table in front of her. She glared fiercely at Jeanne, her eyes turning extremely red.

Her ferocious appearance surprised everyone. In the next second, they saw the man on the screen flip over and expose the woman under him.

No!

Jasmine saw herself on the screen — her eyes were closed, and she was ravaged by the man in front of her in all sorts of ways.

No. No!

Jasmine's vision was blurry, and she was on the verge of breaking down.

Jeanne looked at Jasmine, pressed the pause button, and said, "Do you still want to continue?"

That sentence was directed at Eden. By then, the horror on his face had turned to anger, and his veins were popping.

He looked brutal.

He had probably never thought there would come a day when Jasmine would cuckold him or news about him getting cuckolded would be exposed in public.

"You said that even if you broke up with Jasmine, Jasmine wouldn't do anything to let you down, right?" Jeanne deliberately provoked Eden.

Eden's eyes were bloodshot. As he looked at Jeanne's smug look, he really wanted to kill her for embarrassing him to such an extent.

Before Eden could speak, Belle could not take it anymore.

She shouted at Jasmine, who was lying on the side of the coffee table. "You b*tch! How dare you cheat on my son? B*tch! I'm going to beat you to death. I have to!"

"Belle!" Jeanne stood in front of Jasmine.

Belle glared at Jeanne hysterically and roared, "Get out of my way. I'm going to beat Jasmine to death for seeing a man behind my son's back! What a b*tch!"

"Before we settle your family affairs, I think we should settle our matters first. Dad, Elaine, and Richard are all waiting for this matter to come to light. Belle, I think it's best not to waste more of everyone's time."

"What do you want? What do you want to do?" Belle looked like a madwoman.

Chapter 488: Jasmine's Video Exposed, and a Slap in the Face

Just a second ago, she was still bitter about losing her grandson. However, at that moment, when she realized that her daughter-in-law was actually so indecent in her behavior, she could not accept it!

"Didn't you accuse me of killing your grandson?"

"It wasn't my grandson!" Belle said firmly, "That was the bastard's thing!"

Jeanne sneered.

She knew it. To a noble family, reputation was more important than anything else.

Since Jasmine had cheated on Eden, they definitely would not tolerate it.

Even if Jasmine had suffered a great grievance, that crushing defeat would not allow her to redeem herself again, no matter what.

Jeanne was apathetic about it. Toward Jasmine, she really could not bring herself to pity her.

She said, "No matter whose it is, Jasmine used that baby to frame me, and I need to prove myself innocent."

Belle was fuming at that moment, and she glared at Jeanne.

Of course, she also hated that woman very much. Even if Jasmine had wronged Eden, Jeanne should not have used such a method to embarrass Eden.

Yesterday, he was humiliated at Snow Enterprise, and today, he was humiliated at home.

For that, she really wanted to kill Jeanne.

.....

"First of all, George is Edward's son. Does anyone have any objections to that?" Jeanne started to prove her innocence to everyone.

No one said anything because they did not want to admit it, but they had to. As such, they could only choose to remain silent.

Jeanne turned to look at Old Master Swan. "Dad?"

"Yes." Old Master Swan nodded. "George is a descendant of the Swans."

Jeanne was a little moved.

Although the truth was obvious, she did not expect that Old Master Swan would really approve of it.

Just to be safe, should they not do a paternity test?

After being stunned for a second, she said respectfully, "Thank you for your trust in me, dad."

Old Master Swan nodded his head again.

Then, she turned around and said to the others, "So, you accusing me of being jealous of Jasmine because I couldn't give birth to a child of the Swans and intentionally pushing Jasmine to cause Jasmine's miscarriage obviously doesn't stand!"

No one refuted.

Jeanne continued, "Since I have no motive, it's Jasmine who framed me. But why would Jasmine frame me? I believe after seeing the video, everyone should understand. The video was taken the night before Eden and Jasmine's wedding, and the man in the video was Sam Zimmer, Jasmine's cousin. The two of them spent the night together before their wedding. According to my calculations, Eden and Jasmine have been married for more than two months, and Jasmine was also two months pregnant. To be honest, can you guys be sure whether it was two months or more?"

"No. No, I didn't..." Jasmine still wanted to defend himself.

However, with the facts laid out in front of her now, any defense seemed futile.

Jeanne glanced at Jasmine and continued to say, "I'm afraid Jasmine didn't even know if it was Eden's or Sam's, so of course, she couldn't keep him. Since she couldn't keep him, why didn't she abort it behind our backs? Why did she choose to frame me? The reason is simple, and even Eden said it just now. She's afraid I would steal the Lawrences' assets, so she wanted to use this to get me kicked out of the Swans and the Lawrences. Since I wouldn't have a child anyway, she might as well use it to frame me. Isn't that killing two birds with one stone?"

"No, no..." Jasmine kept murmuring, wanting to refute and make people trust her.

Jeanne looked at Eden and said, "I don't know if you've also been schemed against."

She was mocking Eden.

She actually knew very well that Eden and Jasmine discussed the matter beforehand because Jasmine would not have the courage to do such a thing alone in the Swans. If it were not for Eden's support, she would not have been able to do it so confidently! Moreover, Jasmine must have done that to help Eden, who naturally felt the same. Little did he expect to learn, after the matter was exposed, that Jasmine

was using him to get rid of the child and making him feel that he should treat her better in the future since he owed it to her.

Eden's expression became extremely ferocious.

Jeanne looked at Eden's expression. With Eden's intelligence and a little bit of advice, he would be able to understand!

Once he understood, Jasmine's consequences would be tragic.

She looked away from Eden and asked the others, "Regarding what I just said, is there anything anyone disagrees with?"

Everyone remained silent, so Jeanne turned back to Old Master Swan and said, "What do you think, dad?"

"I've never doubted you from the start," Old Master Swan assured her.

"Thank you, dad." Jeanne smiled sweetly before turning around and asking Henry, "Big brother, what do you think?"

Henry's expression was ferocious at that moment.

Never in his wildest dreams would he have thought that in the end, it was his family who brought disgrace upon themselves.

He could not believe that Jasmine had the guts to cuckold Eden!

That was a fact that no man could bear.

"Big brother?" Jeanne called him again. She did not think he would let the matter rest so peacefully.

Henry looked at Jeanne coldly and said, "Since you've put it that way, how else do you want me to agree with you? You're deliberately making it difficult for me, aren't you?!"

"Big brother, it's best for you to get it clear. I'm not making it difficult for you. I'm just trying to clear my name. Otherwise, should I just accept your accusations against me as if it's a matter of course? Now that the truth is out, you won't acknowledge that I'm innocent?" Jeanne's eyes turned cold. "Should I allow you to bully me?"

Chapter 489: Jasmine's Tragic Downfall

"Should I allow you to bully me?" Jeanne asked Henry aggressively.

She really did not think of letting the matter go so easily!

Since they never intended to make her look good, she naturally did not want to spare them from humiliation.

Having been forced into a difficult position by Jeanne, Henry looked fiercely at Jeanne and said, "Jasmine's miscarriage had nothing to do with you!"

“Thank You for your trust, big brother.” Jeanne smiled sweetly.

Henry’s expression was ferocious.

Then, Jeanne immediately turned her head to look at Elaine.

Elaine had suffered enough today, having to suppress a whole lot of anger, and she was still doing so. However, because she was unreasonable, she could not say anything at that moment. She could feel Jeanne’s gaze on her, and her expression was ugly. “I said it just now. That matter had nothing to do with you.”

Jeanne did not dwell on it and turned to look at Richard.

She was going to them one by one to make all of them admit she was innocent.

Before Richard could speak, Grace hurriedly said, “I knew there was something fishy about this matter from the beginning. Jeanne, we trust you.”

“Thank you, Grace.” Jeanne smiled.

With a smile, she turned her head and looked at Alexander, whose expression was dark, and Jenifer, who was clearly panicking at that moment.

.....

When Jenifer saw the video, she had a mental breakdown because neither did she expect that Jeanne would have that video.

At that time, Jeanne had just returned and had yet to display how capable she was, so Jenifer did not think Jeanne would use such a method. Still assuming that Jeanne was as stupid as seven years ago, Jenifer even looked down on Jeanne. More importantly, she was certain that if Jeanne had any evidence against them, she would have taken it out on the wedding day instead of waiting until now.

Back then, she still had a deep-rooted feeling that Jeanne liked Eden. If she could stop the wedding, she would not have allowed it to happen.

Obviously, they were wrong about Jeanne from the start.

Jeanne had no feelings for Eden anymore, so she did not care who Eden was with.

As for why Jeanne had a video that could destroy Jasmine or why she only brought it out now, no matter how smart Jenifer was, she could not think about all of it under such circumstances.

She even found that her mind was blank, and she did not know how to deal with it.

She did not expect that the daughter, whom she had put in all that effort to raise and had finally married into the Swans, the leading family out of the twelve families in Harken, now had nothing.

Not to mention, Jasmine had been utterly humiliated.

Jenifer could not vent the anger she was suppressing right now. She looked into Jeanne’s eyes and the latter’s smug smile, wishing she could really kill Jeanne.

At that moment, the image of Jeanne's mother appeared in her mind. That year, Jeanne's mother was also just as proud and looked down on her.

She gritted her teeth hard.

"Dad, Elaine kept saying you know me the best, so I must've deliberately caused Jasmine's miscarriage." Jeanne looked at Alexander coldly and refused to give him a way out.

Alexander was also furious.

When he saw Jasmine's video, he really wanted to kill Jasmine for a second.

He had never thought Jasmine would embarrass him so much one day. Since young, she had always been gentle and amiable, so how could she do such an immoral thing? How was it possible?

However, it was precisely because he had never thought of it that when faced with such a scene, he could not accept it.

He looked at Jeanne fiercely before turning around and walking toward Jasmine, who was shocked by her father's murderous expression.

Besides him, Jenifer was also so scared that her body was trembling.

"Bam!" Alexander slapped Jasmine's face hard in front of everyone.

Half of Jasmine's face instantly swelled up.

"Dad, no! No..." Jasmine did not seem to feel any pain, as if she was drowned in her sorrows.

Her tears blurred her vision, and she was miserable.

"I have never been so angry in my entire life! Jasmine, I always thought you were an obedient and sensible daughter who had never caused me any trouble or had a fight about something at home. However, never have I thought you would do such an immoral thing! You've insulted the Lawrences and me!" Alexander's furious voice reverberated in the central room.

Chapter 490: Jasmine's Tragic Downfall

At that moment, Jasmine felt completely defeated.

Other than "no", it seemed she could not find any other words to say. However, that word was nothing but an excuse, and it was meaningless.

"To think I've been standing on your side today, thinking you would never frame Jeanne. I've been blind for so many years!" Alexander roared at Jasmine.

Jasmine looked at Alexander with tears in her eyes. She did not know what to do after Jeanne exposed her.

Hence, she turned her head to look at Jenifer.

Jenifer, however, did not even look at Jasmine and was avoiding Jasmine's gaze, for she was afraid she would be implicated if she did.

Suddenly, Jasmine laughed sarcastically.

Just now, the pitiful-looking woman with tears in her eyes suddenly burst out laughing. When she laughed, she looked like a crazy and evil woman.

"Ha! Ha! Ha..."

Everyone looked at Jasmine coldly, watching her suddenly go crazy.

She stood up from the coffee table. Her previous weakness was gone. She stood up and said, "How did I become like this? Isn't it because you guys made me?"

Alexander's face darkened. "Jasmine!"

"I'm the daughter of a mistress. If I don't fight for myself, how can I find a place in the upper-class society?" Jasmine said fiercely.

.....

At that moment, she had torn off all of her pretenses.

"Jasmine!" Alexander called out to Jasmine. He was furious at what she said.

"Isn't that right? In upper-class society, I'm considered the daughter of a mistress. How can I stand out? If I want to live a good life, what else can I do but resort to underhanded means?" Jasmine suddenly shouted angrily. It was as if she was venting out everything she had kept to herself all these years.

"H-How can you think like that?" Alexander was so angry that his body was trembling.

"It's also because of you! My mother taught me this ever since I was young. She told me that I had to snatch skillfully--"

"Jasmine, that's enough!" Jenifer suddenly gave Jasmine a hard slap on the face.

Jasmine had completely lost her mind, and Jenifer's face had turned pale from what Jasmine said.

Jasmine looked at Jenifer in a daze.

When she saw Jenifer's frightened look, she smiled again and said, "Mom, are you afraid of being implicated?"

"What nonsense are you talking about? Are you out of your mind? Y-You! I'm going to take you back and have you reflect on the mistakes you've made!" Jenifer quickly said. She was really afraid of Jasmine, who could not care less about anything right now.

She immediately pulled Jasmine up and was going to take her away.

"Mother." Jeanne called out and did not forget to remind her, "I'm afraid you don't have the right to take Jasmine away here."

Jenifer's body tensed up.

Then, she gritted her teeth and said, "Jasmine is my daughter, and it's my fault she has done such a disgraceful thing. If I take Jasmine away now, I'll definitely give the Swans an explanation..."

"Who do you think you are? You're a lowly mistress. How dare you think you can give us an explanation? Put Jasmine down!" Belle scolded. She did not care about Jenifer at all.

Jenifer suppressed her anger and endured how Belle talked to her. Now that she was threatened, she did not dare to take Jasmine away.

Jenifer did not expect that her daughter, whom she had taught, would let her down one day.

Hence, she just endured all the humiliation she had suffered today.

Jeanne looked at Jenifer and really admired her endurance. Then, she looked at Jasmine and said, "Now, you can tell everyone how you lost your child yesterday?"

"It was you!" Jasmine still insisted it was Jeanne, refusing to admit it no matter what. "You killed the child. It was you!"

"Are you sure you want to be so stubborn?" Jeanne's eyes narrowed. That cold and sinister gaze could make one's hair stand on end.

Jasmine tried his best to straighten her back so that Jeanne would not frighten her. She said fiercely, "Because you want to take revenge on Eden and me. You just can't stand to see me having a good life!"

"If I wanted to take revenge on you and Eden, I could've exposed you when you and Eden got married. Do you think you would've been able to marry into the family and take the position of Young Lady Swan?" Jeanne mocked, "Jasmine, only you think Eden is good, and only you like Eden... So, don't ruin my relationship with Edward."
