

## Priceless 2201

### Chapter 2201: A Slap in the Face

Wen Zhehan, who had been worried all this while, felt his jaw drop when he heard his daughter's piano playing.

Li Meien, who had wanted Wan Dou to expose her birth in front of everyone and embarrass her, felt like she had been slapped in the face.

How could she have imagined that a girl who grew up in such a family could play such exquisite music?

All of this was originally prepared for her daughter Shiyu, but it was all taken away by this girl!

At this time, Wen Shiyu was hiding in the shadows at the corner upstairs, secretly watching Wan Dou playing the piano downstairs.

Seeing everyone applauding and cheering for her, her heart was filled with hatred. Her nails dug into her flesh.

Damn little bitch!

She had hurt her, and stolen the limelight for herself!

She could not take this lying down!

She thought of the plan that she and her mother had hatched. The first plan had failed. She was not afraid. They had a second plan.

Wen Shiyu decided that she could not just sit there and wait for death. She had to attend the banquet tonight in order to carry out the second plan.

The moment Wen Shiyu changed into her dress and put on her high heels, her right foot hurt.

The hot blisters on her feet burst when she put on her shoes. Every time she walked or rubbed her feet, it would hurt so much that her teeth would tremble. Even so, she gritted her teeth and insisted on going downstairs.

Wen Shiyu appeared at the top of the stairs. When she came downstairs, no one noticed that she was there. Everyone was surrounding Wan Dou and listening to her play music.

When the song ended, the banquet hall was filled with applause. Wan Dou stood up and thanked them politely.

Seeing Wen Zhehan waving at her, Wan Dou walked over obediently and let him introduce her to his friends.

Wen Zhehan called Wan Dou over to give her a formal introduction. The first person he introduced was Mu Kangan.

"Brother Kang'an, this is my precious daughter, Wen Qianxi. I'm sure you guys already know each other before I introduce you!"

“Nice to meet you, Mr. Mu.”

“Good, good.” Mu Kangan smiled awkwardly. As long as he thought of what had happened in the past and how he had made things difficult for Wan Dou, he could not help but feel ashamed.

How could a poor girl suddenly become the daughter of the Wen Family?

Wen Zhehan was also a straightforward person. When he faced Mu Kangan, he said, “Brother Kangan, our two families have always wanted to have a marriage alliance, but we've been postponing it for various reasons. Since everyone is present today, why don't we settle the matter? What do you think?”

Mu Kangan looked at his son, Mu Chenguang, standing next to Wan Dou. What else could he say?

“That's good. Let's go with the plan!”

Mu Kangan finally agreed to them being together. Mu Chenguang and Wan Dou looked at each other and were very happy.

“Then let me announce the good news,” Wen Zhehan said.

“Sure, sure.” Mu Kangan nodded.

At this moment, Wan Dou boldly said, “Mr. Mu, why are you able to accept me after I changed my identity and name?”

No one expected Wan Dou to directly ask Mu Kangan this question. When Mu Chenguang heard it, he could only hold back his laughter and look at her.

Mu Kang'an's expression suddenly changed when he heard this. He was completely embarrassed.

Wan Dou smiled and told him, “Actually, whether you agree or not, Chenguang and I will be together. Also, I hope you won't attend our wedding.”

Wan Dou did not want to care about Mu Kangan's face. She would tell him the ugly truth now.

Chapter 2202: Regret

Moreover, she was now qualified to talk to him. She had told him as the eldest daughter of the Wen family that she did not need him to attend her wedding.

Even though he was Mu Chenguang's father, he had hurt her so much back then. Don't think that she had forgotten about it!

Some of the wounds were healed, but the scars in her heart could not be erased.

Mu Kangan was speechless. He was filled with regret, but there was nothing he could do.

It was all his own fault. He could not blame anyone else!

The atmosphere was a little awkward. Wen Zhehan took the initiative to greet Mu Kangan. “Brother Kangan, let's go to the side to discuss the children's matters. Let them talk by themselves.”

It was as if Wen Zhehan had given Mu Kangan a way out and the two elders left.

When Wan Dou saw Xue Yating beside Xue Zhengrong, she took the initiative to greet her. "Miss Xue, hello! Do you still remember me?"

Xue Yating was already sizing her up. She felt that she was like the Wan Dou who had saved her together with Jing Xi. She remembered that she had even stayed at Wan Dou's place for a night.

Now that she had taken the initiative to talk to her, she was sure that it was her.

"Are you Wan Dou?" Xue Yating asked in surprise.

"Yes, I am Wan Dou."

Xue Yating was so happy that she seemed to have met an old friend. She held her hand and said, "I heard your name was Wen Qianxi just now. I really didn't associate you with the name Wan Dou. What a coincidence!"

"Yeah, I didn't expect it either."

Wan Dou was chatting with Xue Yating while Wen Zhehan was talking to his friends. The atmosphere was very harmonious.

The crowd dispersed and everyone praised Wen Zhehan and Li Meien for their outstanding daughter.

Wen Shiyu stood outside the crowd and stared viciously at Wan Dou. She endured the hatred in her heart and walked into the crowd with her dress in hand.

"Oh my god!" someone shouted. "Who is this? She's so beautiful!"

Many people were attracted to her. Someone recognized her as Li Meien's daughter and said, "It must be Miss Wen Shiyu! Mrs. Wen's daughter. She's so elegant!"

Li Mei'en turned around and saw his daughter. He was shocked. She still had injuries on her feet. Why did she come down?

"What are you doing here?"

"Mom, I just want to come down," Wen Shiyu said in a fit of pique. She looked at Wan Dou, who was next to her father, unwillingly.

"Fine, I'll take you there."

Li Meien doted on her a lot and had to bring her to meet those people.

After Li Meien's introduction, many people praised her. Not only did Wen Shiyu want to join her mother's circle, but she also wanted to get to know her father's circle of friends.

So she walked away from Li Meien and walked towards her father.

At this moment, Wen Zhehan was telling his friends about the legend of Wan Dou, his daughter. She had died young for no reason when she was young, and now she was miraculously alive. Everyone felt like they were listening to a bizarre story.

"Daddy!"

Wen Shiyu's voice suddenly interrupted him.

“Xiaoyu, why are you here?”

“Daddy, it's Mommy's birthday today. Of course I have to come. You're chatting with the uncles! Uncle Mu and Chenguang are also here!” Wen Shiyu said generously.

Wen Shiyu looked at Mu Chenguang, but he did not look at her. His eyes were fixed on Wan Dou.

Wen Shiyu realized that Wan Dou and Mu Chenguang's cousin, Xue Yating, were chatting so amiably. She couldn't help but feel jealous.

Regardless if it was Mu Chenguang's sister or cousin, why were they not on good terms with her?

Chapter 2203: Embarrassed In Public

Wan Dou was only wearing a dress that cost 320,000 yuan, while Wen Shiyu was wearing a dress that cost more than a million yuan. If this was a matter about looks and temperament, they should at least be friends with her instead.

Wen Shiyu was determined to beat Wan Dou. She endured the pain in her leg and walked over from behind Wan Dou.

“Sister Wan Dou, Sister Tingting, what are you two talking about?”

Wan Dou did not expect Wen Shiyu's voice to come from behind her. She took a step back in shock, and the heel of her shoe happened to step on the back of Wen Shiyu's right foot.

“Oh, why are you behind me? I'm sorry, I didn't see you.” Wan Dou turned around and apologized.

Wen Shiyu's foot was already hurting to death. Now that she had stepped on it, she felt like her entire foot was about to become crippled.

She gritted her teeth so hard that she almost broke them. Only then did she stop herself from shouting in front of everyone.

When Wan Dou saw Wen Shiyu, she subconsciously looked at her foot. Could it be that her burn had healed so quickly? What kind of miraculous medicine had she used?

“Sister Xiaoyu, why are you downstairs? Is your leg not hurting anymore?” Wan Dou asked with 'concern'.

“No... it hurts...”

Wen Shiyu gritted her teeth and muttered these two words. She hated Wan Dou to the core, but there was nothing she could do.

“Oh, Sister Yating, why don't we go to the side and chat? The air here is a little stuffy.” Wan Dou did not want to waste her breath on Wen Shiyu.

“Okay, let's go!” Xue Yating pulled Wandou's hand and the two of them went to the side to get something to eat.

Seeing them leave, Wen Shiyu shouted anxiously, "Wait for me, I'll come too."

Just as she was about to take a step forward, she felt a sharp pain in her right foot. It was so painful that she fell forward.

Wen Shiyu had definitely deliberately pretended to fall, but in order to embarrass a certain someone, she went all out. Just as she was about to fall, she directly grabbed Wan Dou's skirt.

She pulled hard.

A tearing sound of fabric cut through the air. It was clear, loud, and attracted people's attention.

Wen Shiyu fell to the ground with a graceful posture. No one noticed a flash of joy in her eyes. She didn't even need to raise her head to imagine what it meant to be standing in the banquet hall naked.

At this moment, everyone turned to look at him. The scene was a little awkward.

Wen Shiyu fell and accidentally pulled on Wandou's skirt. The straps and back of Wandou's skirt were all torn open and the skirt fell to the ground.

She was lucky that she was wearing a black underskirt inside.

However, she did not expect this to happen. For a moment, she did not know what to do.

"What's going on?"

Li Meien ran over from the group of rich ladies and immediately asked about the situation. He then called the servants to help lift Wen Shiyu up and send her back upstairs.

Wen Shiyu's face was full of tears. She said apologetically, "I'm sorry. I didn't do it on purpose. I was careless."

When she peeked through the gaps between her fingers at Wan Dou's embarrassed look, she was surprised to find that she was wearing another one underneath.

"Okay, okay, that's enough. Qianxi, you should go back to your room and change too!" Li Mei'en said.

At this point, Wen Zhehan saw that one of his daughters had fallen and the other's clothes had been torn off. He subconsciously wanted to come over and help her, but someone was faster than him.

When Mu Chenguang saw that Wan Dou's skirt had fallen off, he did not hesitate at all. He rushed forward and covered her with his own jacket. He directly lifted her up and sent her upstairs.

The two girls were sent upstairs. Li Mei'en picked up the microphone and informed them that it was just an accident. The banquet continued.

Mu Chenguang took Wan Dou back to her room and placed her on the bed. He asked with concern, "Wan Dou, are you okay?"

Chapter 2204: Wanting to skin her alive

"I'm fine. Luckily we bought a dress together. Otherwise, I would've been so embarrassed today."

Wan Dou smiled.

“Yes, but you look even better in the dress. You look so sexy!”

Mu Chenguang looked at her intensely, as if he wanted to eat her alive.

“You're so annoying. Get out. I'm going to change.”

“How about I help you change?” Mu Chenguang joked.

“No!”

She pushed him out of the door and was about to close it when Mu Chenguang said, “Okay, okay, okay. You have to hurry up. Uncle Wen will announce the good news later.”

“Got it.”

Wan Dou closed the door and found a dress that wasn't very expensive but was also very beautiful.

In the other bedroom, Wen Shiyu was carried back by the servants. She lay on the bed while the servants helped her with her slippers. However, her shoes were stuck together with her skin and flesh. If she moved even a little, it was as if she was being skinned and cut. It was very painful.

“Get lost!”

She kicked the servant away.

The servants did not dare to provoke her and could only leave.

Wen Shiyu looked at her bloody foot and cried in pain.

Not only did she not hurt Wan Dou, but she also made herself look so miserable.

At the last moment, Wan Dou had Mu Chenguang to protect her, but she could only be carried upstairs by the servants.

How did this happen?

She could not accept it!

After Wan Dou had changed her clothes, Mu Chenguang brought her back downstairs.

When they both appeared, Wen Zhehan was giving a speech.

“I hereby announce that the Wen Family and the Mu Family will be connected by marriage. My daughter, Wen Qianxi, and Mr. Mu Kangan's son, Mu Chenguang, will be holding an engagement ceremony in the near future. At that time, I welcome all of you to come.”

After the announcement was made, everyone applauded enthusiastically.

When Mu Chenguang appeared with Wandou, everyone applauded and gave their blessings.

Li Mei'en was the only one who kept forcing a smile. When she thought of her precious daughter upstairs, her heart was bleeding.

The birthday party finally ended and the guests dispersed. Mu Chenguang also left the Wen family with his father.

After sending Mu Chenguang to the door, Wan Dou turned around and greeted her father before going back to her room.

After Li Meien sent off the last batch of guests, she quickly went upstairs to see Wen Shiyu.

After entering the room, Li Meien saw that Wen Shiyu's eyes were red and swollen from crying. His heart ached terribly. "Look, why didn't you listen to me? I told you not to go out, but you insisted on going out. Look at your feet... Ouch! I have to take you to the hospital!"

"Mom, I don't want to go to the hospital..."

Wen Shiyu could not stop crying.

It wasn't just her feet that hurt. Her heart hurt even more.

The news of her father announcing the engagement between Mu Chenguang and Wen Qianxi was the biggest blow to her.

Everything was ruined!

Everything was gone!

"Okay, okay. I know you're not feeling well, but no matter what, you have to treat your leg first. You still have a long way to go!"

After Li Meien's persuasion, Wen Shiyu felt better.

Li Mei'en called the butler, Li Hou, and asked her to carry Wen Shiyu downstairs.

Downstairs, Wen Zhehan saw that his daughter's ankle was seriously injured and had to accompany her to the hospital.

"Zhehan, you should stay at home! It's not a big problem. Let Butler Li send us there."

Li Meien did not ask Wen Zhehan to accompany her.

"Okay, call me if you need anything." He then comforted his daughter. "Don't cry, Xiao Yu. You have to be strong! Daddy will wait for you to come back."

Chapter 2205: Let Her Hurt Herself While Causing Harm To Others

The few of them left together. Wen Zhehan did not think too much about it and went upstairs.

He went to Wan Dou's room and knocked on the door. Wan Dou opened the door and saw that it was him. She invited him into the room.

"Are you okay?" Wen Zhehan asked.

"I'm fine."

"I think Xiaoyu didn't do it on purpose. Please don't take it to heart."

"I know."

"That's good. You must be tired too. Rest early."

Wen Zhehan was about to leave when he remembered something and said, "Oh right, I'm going to attend an academic conference abroad tomorrow. I might not be back for a few days. When I come back, I'll start planning your engagement with Chenguang. When I'm not around, you can ask Auntie Li if you have any questions. Take care of yourself."

"Got it."

"Good night, then."

"Good night."

In the middle of the night, Wan Dou, who was sleeping lightly, heard someone talking in the corridor. It seemed to be Li Meien's voice.

She guessed that she had brought Wen Shiyu back from the hospital.

When she thought of how Wen Shiyu had pulled her dress at the end, Wan Dou felt that she had done it on purpose. But she definitely did not expect that she was still wearing a matching skirt underneath.

Hmph!

Let her harm herself while hurting others!

Wen Shiyu returned to her room. Her foot injury had been treated, and one of her feet was wrapped like a dumpling. She was already numb and unconscious from the pain.

Li Meien asked Li Hou to put her on the bed while she helped her daughter build her past life.

The two of them stood in front of the bed and looked at their sleeping daughter, feeling very upset. No one knew how much Wen Shiyu had suffered in the hospital just now.

The doctor said that if she continued to struggle, her leg might be amputated.

"My poor daughter!" Li Mei'en cried.

Li Hou put his arm around her shoulders and patted her. "Tell her not to mess with Wandou in the future. Xiaoyu is too innocent and is no match for her."

"Got it."

"By the way, Sir is going abroad for a few days tomorrow," Li Hou said as he twirled Li Meien's earlobe.

"Isn't that better? It's time to get ready. You should go and rest early too!"

Li Meien pushed him away and urged him to leave.

The next morning, after breakfast, Wen Zhehan had to rush to the airport.

Before she left, she especially told Li Meien, "I'm not at home. If Wan Dou needs anything, you have to take care of her."

Wan Dou, Wan Dou, Wan Dou, always Wan Dou, and not Shiyu!

Li Mei'en thought to himself hatefully. He smiled and nodded. "Okay, leave it to me. I will take good care of her."

"Is Xiaoyu okay? Tell her to rest more and not run around!"

"Okay."

Wen Zhehan got into the car and left. As soon as he left, Li Mei'en felt as if a huge burden had been lifted from his shoulders.

"Doudou, where are you going?" Li Meien asked.

"Principal Wen is not at home," Wandou said. "I'm going back to Bi Gui Garden for the next few days. Don't prepare meals for me, I'm leaving."

Wan Dou drove her Porsche and left the Wen family home.

"Even better! Don't bother me!"

Li Meien muttered as she watched Wan Dou leave. Now that Wen Zhehan and Wan Dou were not around, she had the authority in the family.

She could do whatever she wanted, and no one could control her.

Wan Dou went out in the morning because Yi Xiao and Fang Xiaocheng had come back from a holiday. Yi Xiao had officially taken over Yunhai Entertainment and she had to rush to the company to report.

As for Mu Chenguang, it was only temporary. She didn't have to go to work anymore.

Wan Dou first went to Yunhai Entertainment to settle the paperwork, then drove to Shengshi Yujing and went to Fang Xiaocheng's house.

Chapter 2206: Find Out Who the Adulterer Is

Fang Xiaocheng opened the door and invited her into the house. When she saw her for the first time, she smiled and congratulated her. "Wan Dou, shouldn't I call you Miss Wen now?"

"Sigh, call me Wan Dou. I'm still used to that"

Fang Xiaocheng took her hand and said with a smile, "Your background is too bizarre! Yi Xiao and I couldn't believe it when we heard about it."

"I'm still confused!"

"This is great! You and Mu Chenguang are also going to get engaged!" Fang Xiaocheng was very happy for her.

"I hope it's settled this time."

"Of course. Let me know when the engagement is."

"Sure, you and President Yi have to be there."

In the afternoon, Fang Xiaocheng had lunch with Wan Dou at her place. Yi Bei was at his grandmother's place, so it was very easy for them to cook.

After lunch, Fang Xiaocheng left Bi Gui Garden.

If nothing went wrong, Wan Dou would have to go to work tomorrow.

However, she realized that she had forgotten to bring her ID card with her when she arrived. Wan Dou planned to go back to the Wen family home at night to retrieve her ID card.

At night.

In the Wen Family villa, Li Meien asked all the servants to go back and rest.

After she went upstairs, she took a look at her daughter and saw that she was already sound asleep before returning to her bedroom.

Not long after he lay down, a figure flashed in from the darkness. He came to the bed and whispered, "Enen..."

"I'm here... come up..."

The woman's voice was charming.

"Will my daughter hear it?"

"She won't. I've added something to help her sleep in her milk. She won't hear it."

The shadow climbed onto the bed and crawled under the blanket. Soon, the two bodies were entangled together.

Even though Li Mei'en was trying very hard to control her voice, the sound of their breathing and her moans could still be heard outside.

They did not expect someone to come in at night.

Wan Dou came back to get her ID card. When she returned to the Wen Mansion, she saw that it was pitch-black inside.

She guessed that he was already asleep, so she did not turn on the lights.

In order not to disturb him, she took off her shoes, put on her socks, and went straight into the house, using the light from her phone to go upstairs.

But when she came to the second floor and passed by the master bedroom, she heard some movement.

It was already so late and Li Meien was still awake?

Wan Dou stopped and listened, but she felt that something was wrong. Why did it sound like there was activity on the bed?

Could it be that Wen Zhehan was not at home and Li Meien was pleasuring herself?

Whatever... Wan Dou was about to leave when she heard a man's voice.

It was indeed the man's voice.

In the quiet night, she could clearly hear the man's rough breathing and the woman's seductive cries. It was ear-piercing and confusing.

Oh my god!

Wan Dou's first reaction was that Wen Zhehan was currently abroad while Li Meien was brazenly having fun with a man at home.

If she had not come back today, she would not have encountered such a situation.

Wan Dou had to find out who Li Meien's adulterer was!

Not long after, the two of them reached the peak. The man finally said faintly, "Enen, am I better or is Wen Zhehan better?"

"Of course you are! He can't!"

After listening to Li Meien's words, the man was very excited and kissed her again.

After a while, the man spoke again, "You're a seductress... You've always fascinated me... I still want you... I'll only be satisfied if I have you..."

Chapter 2207: I Have To Do It As Soon As I Can

Following that, another disgusting melee began. Wan Dou held back her disgust and wanted to throw up. She squatted at the door and started recording with her phone.

"Ah... Brother Hou.... Faster..."

The woman called out her lover's name.

When Wan Dou heard "Brother Hou," she guessed that it was the butler, Li Hou.

Even though it was muffled, the voice sounded like Li Hou's.

After some time, the two of them finally stopped. Li Mei'en said in a satisfied voice, "That's great, that's great. I hope I can have sex with you here every day."

The man's voice came. "It won't be long. As long as that stupid guy dies, the whole property will be ours."

"But I'm worried that he will make a will and give all his assets to that little bitch Wan Dou."

"Don't worry, I won't give him the chance to make a will!"

"Yes, we have to do it as soon as possible. It's best if we can take advantage of this opportunity when he returns to the country!"

"No problem. Leave it to me. Once it's done, you, me, and our daughter will never be separated again."

"Yes, I've been looking forward to this day..."

The voices at the back were unclear, but the first part of the conversation was shocking enough.

It turned out that Li Meien had long had evil intentions. She had long hooked up with Li Hou in order to murder Wen Zhehan and replace him.

And their daughter, Wen Shiyu, was raised by Wen Zhehan as his own daughter.

How could they be so shameless?

Wan Dou forced herself to calm down and quietly put away her phone. She did not even bother to look for her identity card and directly left the Wen Family villa.

The two of them were already plotting how to take Wen Zhehan's life!

If she stayed, they would definitely kill her.

The best way to deal with them was to pretend that they did not know anything.

Fortunately, Wan Dou did not drive the car directly to the villa and did not alert the two people upstairs.

She frantically ran out of the gate and into the night.

She ran out of the Wen family mansion and started the car in a panic. Her trembling hands failed to turn on the ignition several times.

Wan Dou finally started the engine and drove away.

Behind her was the dark mansion of the Wen Family. It lay in the darkness like a beast that was baring its fangs, as if it wanted to chase and bite her.

Instead of going back to the Bi Gui Garden, she drove straight to Mu Chenguang's apartment.

He rang the doorbell in the middle of the night. Mu Chenguang came to open the door. He looked through the peephole and saw that it was Wandou. He quickly opened the door.

“Wan Dou, why are you...”

Wan Dou did not say anything. She jumped into his arms and hugged him tightly.

Her body was cold and she was shivering. He realized that she was not even wearing shoes and was only wearing socks.

“What happened?”

Mu Chenguang closed the door and carried her into the house. Under the light, he saw that Wan Dou's face was full of tears.

“Wan Dou, did something happen? Did someone bully you? Speak!” Mu Chenguang asked worriedly.

“Chenguang... I'm so scared...”

Wandou hugged him tightly again, still in a state of shock.

“Don't worry, don't worry. I'm here to protect you. Just tell me if you need anything. I'll help you!”

“Yes...”

The person Wan Dou trusted the most was Mu Chenguang. She had come to him to discuss a countermeasure.

After she calmed down, she slowly told Mu Chenguang everything she had seen and heard. She even recorded it for him.

“Isn't Li Hou Li Meien's relative?” Mu Chenguang asked.

Chapter 2208: Take Precautions

“I don't know. I only know that they've colluded with each other.”

“It seems that the situation is very unfavorable for Uncle Wen.”

“How about this, Wan Dou?” Mu Chenguang suggested. “You should find a chance to call Uncle Wen tomorrow and tell him everything so that he can take precautions.”

“Mm, alright.”

“I'll arrange for someone to secretly monitor their movements in the villa.”

“Okay.”

With Mu Chenguang's help, Wan Dou's heart calmed down a lot. She was no longer in a state of panic and fear.

“Okay, it's late now. I'll carry you to take a shower and get some rest!”

“Okay.” Wan Dou was very obedient and let him carry her to the bathroom.

They took a shower and went back to bed. Wan Dou lay in Mu Chenguang's arms for a long time before she finally fell asleep.

It was a new day.

Wan Dou woke up early to go to work. Mu Chenguang drove her to Yunhai Entertainment. Wan Dou opened the door and got out of the car. She walked around the front of the car and ran into the company's main entrance. She waved at him and said, “Go back quickly!”

“Okay, I'll come back at noon.”

Mu Chenguang rested his arm on the car door and waved at her before driving off.

Wan Dou had finished her application yesterday and was reporting to the department today.

She used to be a senior at Juxing, but after coming to Yunhai Entertainment, she was directly promoted to department head.

Wan Dou, who was at work, was completely different from her usual self. She also had a neat and experienced style of working.

Wan Dou used her enthusiasm to drive the employees of the department, who were originally lifeless, into a thorough baptism.

She got used to her work very quickly. Mu Chenguang specially drove over to pick her up for lunch. After lunch, the two of them separated again.

Wan Dou attended an important meeting in Yunhai in the afternoon. It was also Yi Xiao's inauguration speech. After the meeting, their department still had a small meeting.

Since Wan Dou had just taken over the company, she spent more time learning about Yunhai Entertainment than anyone else.

They spent the whole afternoon working non-stop. Wan Dou finally had some private time in the evening after work.

After the crew left, Wan Dou called Wen Zhehan in her office.

After calculating the time, Wen Zhehan should be awake by now.

The phone rang twice before it was picked up. A familiar voice came from the other side. "Hello? Is this Doudou?"

She could hear the surprise in Wen Zhehan's voice. He probably did not expect his daughter to call him when he was abroad.

"Yes, it's me," Wan Dou replied.

"What's the matter? Are you in trouble?" Wen Zhehan asked.

Wan Dou could not describe her feelings. She was facing her closest family, but she hesitated and did not know what to say.

She was even worried that telling him the truth would affect the academic conference.

"Nothing. I'm just asking when you'll be back. Which flight?"

Wan Dou covered her sore chest and asked calmly.

"We have a meeting tomorrow and a flight the day after tomorrow. It's 464A," Wen Zhehan told her truthfully. But he had not heard Wan Dou's voice for a long time. Wen Zhehan thought she had hung up. "Hello, Doudou. Are you still there?"

"Yes. Don't take this flight. Dad, can you change to another flight?"

"What... you called me..."

Wen Zhehan was very surprised. If he had heard wrongly the last time, then today, he had clearly heard his daughter call him dad.

Chapter 2209: Touched To The Point Of Crying

Wen Zhehan could not help but tear up. He was so excited that he could not speak. After a while, he asked, "Why did you let me change my flight?"

“Because... because I had a nightmare. I dreamed that your flight was on fire. That's why I called you. I hope you can change to another flight. After you change your flight, don't tell anyone. Send it to me first. When the time comes, I'll personally pick you up at the airport.”

Wan Dou instructed.

“Okay.”

It was rare that his daughter was thinking for him. Wen Zhehan was so happy that he could not wait to agree. “I'll send it to you after I change it.”

“Okay. Be careful.”

After hanging up the phone, Wan Dou sighed. She couldn't say anything about the dirty things between Li Mei'en and Li Hou over the phone. She could only wait until Wen Zhehan returned to the country to explain it clearly.

When she thought about how she had called her father over the phone just now, Wan Dou's heart felt sour. She was so touched by herself that she felt like crying.

She had thought that she would never call Wen Zhehan her father, but it seemed that many things could change.

She finally called him “dad”, and it didn't seem to be too difficult.

She was afraid that if she did not shout, she might not have another chance in the future!

For the past few days, Wan Dou had been staying at the Bi Gui Garden at night. For her own safety, she did not return to the Wen family home.

A day later, Wen Zhehan sent a message to Wandou. He had already changed his flight and returned a day earlier. He did not tell anyone about this, not even his wife Li Meien.

He hoped that when his daughter went to pick him up, they could have a private chat.

Wan Dou went to work during the day. On the day that Wen Zhehan returned to the country, she specially applied for the afternoon off and drove with Mu Chenguang to pick up Wen Zhehan.

Wan Dou and Mu Chenguang were waiting outside the airport.

It was probably because Mu Chenguang's image was too dazzling. He had only been standing there for less than two minutes when the reporters and fans near the camping site recognized him and came to take photos with him.

Mu Chenguang was being held back by a group of little girls. Wan Dou stood outside the crowd and looked at Mu Chenguang, who was overwhelmed. She wanted to laugh.

At the exit, she finally saw Wen Zhehan. He was wearing a shirt and pants, a gray suit jacket on his arm, and a suitcase in one hand. He walked out slowly.

With his sunglasses on, he started to look for Wan Dou in the crowd.

The father and daughter noticed each other through the crowd. Wan Dou waved at him, and he also waved at her.

Wen Zhehan pushed the suitcase towards him and Wan Dou ran forward to take it.

“Doudou, have you been waiting for a long time?”

“No, I just reached a while ago.”

Wan Dou and her father looked at each other. Although she did not call him dad again, Wen Zhehan could clearly feel that his relationship with his daughter had become closer.

She no longer rejected him.

“I'll take the luggage myself!”

Wen Zhehan was about to push the luggage, but Wan Dou did not let him. “Let me push it. Please take a rest.”

Seeing how considerate his daughter was, Wen Zhehan did not insist further and the two walked out together.

Mu Chenguang saw Wan Dou and Wen Zhehan leaving through the fans. He quickly apologized to the fans, explained a few words, and ran out of the crowd.

Wan Dou brought Wen Zhehan to the car. Wen Zhehan asked, “Didn't you drive your Porsche?”

“No, this is Chenguang's car.”

“Where's Chenguang?”

“He's surrounded by fans!”

As they were talking, Mu Chenguang ran over and greeted, “Uncle Wen! I'm sorry! Let me drive!”

Chapter 2210: Don't Bicker With Her

Mu Chenguang opened the trunk first and helped him put his luggage in. Then he invited the two of them to get into the car. Today, he would be their driver.

After receiving Wen Zhehan, Mu Chenguang drove back.

Back in the city, Wen Zhehan realized that the car was not heading towards the Wen family home. He asked, “Where are you taking me?”

“To tell you the truth, Uncle Wen, I plan to invite you to my apartment. Wan Dou said that she will personally cook for you tonight,” Mu Chenguang said.

“Oh, really? I'm so honored!”

Wen Zhehan was surprised by the change in his daughter's attitude towards him. Not only did she call him dad, but she would also be cooking for him.

He really wanted to know what had changed her mind so much.

He couldn't help but wonder if his daughter had suddenly changed her attitude towards him because she wanted something from him.

The car finally stopped in front of Mu Chenguang's house. The two of them invited Wen Zhehan into the house. Mu Chenguang accompanied Wen Zhehan as they chatted and drank tea. Wan Dou was in charge of washing the vegetables and cooking.

At night, Wan Dou made a huge table of dishes and the few of them sat down. Wen Zhehan looked at the table full of dishes and his heart was filled with emotions. He was so touched that his eyes were wet.

Mu Chenguang invited him to eat. "Come on, Uncle Wen. You should eat more. Wan Dou's cooking is especially good!"

"Yes, it is indeed very good. Just like her mother, her cooking is especially good."

Wen Zhehan thought of his ex-wife's cooking and couldn't help but feel sentimental.

"Then you must eat more!"

Wan Dou helped dish more food to him. Wen Zhehan could clearly feel that the two children in front of him had something to say to him and was too embarrassed to say it.

Wen Zhehan was an understanding person. He said directly, "Did you invite me to dinner tonight to talk about your engagement? Don't worry, I've already announced it in front of everyone. I definitely won't regret it. When I go back, I'll call your father out too. Let's have a good meal and talk about it."

"No, Uncle Wen, that's not what we wanted to talk about," Mu Chenguang said and looked at Wan Dou.

Wan Dou looked up at her father.

"Then what do you want?" Wen Zhehan asked. "Just tell me! We're family."

"Actually..."

Wan Dou lowered her gaze and raised her head again. She said with a complicated expression, "I want to talk about Auntie Li."

"Is it because I'm not at home?" Wen Zhehan asked.

Wan Dou shook her head. She realized that she could not say those things in front of Mu Chenguang. She was afraid that Wen Zhehan would be embarrassed. "Forget it. I'll tell you on the way back later. You guys eat first! The food is getting cold!"

The more Wan Dou kept him in suspense, the more curious Wen Zhehan became. But if she did not say it now, there was nothing he could do.

After the meal, Mu Chenguang and Wan Dou drove Wen Zhehan home.

On the way, the father and daughter were both silent.

After a while, Wen Zhehan asked, "Doudou, what exactly do you want to tell Daddy?"

Wan Dou turned to look at Wen Zhehan and finally said, "Daddy, do you know what kind of person Auntie Li is?"

"She's just a short-sighted woman. Don't be so calculative with her."

Wen Zhehan's focus was not on Li Meien, but on how she addressed him. "Doudou, you're finally willing to call me dad. Do you know how happy dad is? I thought I'd never hear you call me dad in my life. I'm so happy."

"If you want to hear it, I'll call you that in the future. But do you know that you're in a dangerous situation right now? There's a snake and a wolf hiding beside you. They want to take your life at any time."
