

Priceless 2311

Chapter 2311: Finding His Past Feelings

Xue Yating also introduced her to her daughter. "Su Su, call her Auntie Orange. This is Brother Yi Bei. Hurry up and greet him. Be good friends, right?"

Su Su was very generous. She greeted him politely and took the initiative to run up to Yi Bei. She gave him a big hug and even kissed his face very friendly. Then she ran back to her mother.

Yi Bei was kissed on the face by her little sister. His little face was flushed red and he kept wiping his face with the back of his hand.

"Mommy, does brother Yi Bei think I'm dirty?" Su Su asked.

"No, he's just shy," Xue Yating explained.

Seeing her son like this, Fang Xiaocheng couldn't help but say, "Hey, Beibei, this is very rude. Sister Su Su kissing you means she likes you a lot. Why are you ignoring her?"

"Forget it. That's how kids are. Beibei is a little shy. It's understandable," Xue Yating smiled.

"I'm really sorry. Why don't we bring them for lunch now? I'll treat you! It mustn't have been easy since you guys just returned back to the country!"

Fang Xiaocheng generously offered a treat. The two women took the children to eat together.

After a meal, Yi Bei and Su Su finally became familiar with each other and could play together happily.

After a happy and fun-filled afternoon, Xue Yating and her daughter parted with Fang Xiaocheng and her son.

After they separated, Yi Bei was not willing. He pestered his mother. "Mommy, can you make Sister Su Su not go home?"

"Where do you want her to go?" Fang Xiaocheng asked.

"She can come to our house!"

Fang Xiaocheng glared at her son. "If you want to keep her, why didn't you go earlier? Next time! You might see her at school tomorrow."

Now that her daughter's school was settled, Xue Yating had one less thing to worry about. What she had to do next was to return to the music industry.

Her career had been interrupted for more than four years, and people had almost forgotten about her, the former violin goddess, in a corner of the galaxy. It might be a little difficult to make a comeback now, but she still wanted to give it a try!

She had an appointment with her cousin, Mu Chenguang. Mu Chenguang was currently working in a music company, and it was just the right time for him to help her pack and build.

When Mu Chenguang learned that she had returned to the country to develop her career, he was very happy and came to the appointment happily.

He knew what had happened to Xue Yating in the past few years. He wanted to help, but he could not.

“Don't worry, Tingting. I'll take care of it. I'll make sure you get back on the stage and shine.”

“Thank you, brother.”

“You're welcome.”

Xue Yating did not forget to care about Mu Chenguang. “Are you still alone after all these years? When are you planning to get married? I heard that your father has arranged an engagement for you, the daughter of the Wen family.”

After Mu Chenguang and Wandou broke up, they had yet to reconcile. He smiled and said, “I have no plans to get married for the time being. I won't get married until I meet someone suitable.”

“Yes, I'd rather not have any.”

Xue Yating really wanted to know what kind of little vixen could subdue her cousin.

The concert was about to enter the preparation stage of the proposal. Xue Yating only needed to spend more time practicing her violin.

In the past few years, she had been teaching at the Doremi Music Center in Rongcheng, which meant that she had not fallen behind in her professional skills. As long as she practiced a little, she would be able to find her former self.

It was just that she lacked a good violin.

Chapter 2312: Rebirth

She had spent tens of millions of dollars on an Artemis violin. It was Jing Xi's mother's violin. Later, she gave it to Jing Xi and Huo Yunshen as a wedding gift.

Therefore, right now, she had to find another good violin.

Xue Yating went online to check on the market for the violin auction. She saw that there was an upcoming musical instrument auction at the Jiaside Auction House.

One of them was a violin made by a world master. After seeing the description of the violin, she was tempted.

She was not in need of money now. She decided to buy the violin no matter how much it would cost.

The auction was scheduled for Saturday night, and there were still a few days left. For the time being, she would practice at home with an ordinary violin.

She spent most of her time in the practice room.

In the Xue family's villa, melodious music was playing again. Xue Zhengrong was very happy to hear it.

Being able to see his daughter being reborn from adversity and having her fighting spirit rekindled made him happier than earning billions.

It was soon the weekend. Xue Yating handed the child to her father and the servants at home to take care of him. She had to go to the auction house at night.

The auction house.

Xue Yating was dressed in black and appeared quietly at the scene. After getting the number plate, she entered the venue and waited patiently.

At eight o'clock, the music-themed auction officially began.

Most of the people participating in the auction were musical collectors and music lovers.

The auction began with a few antique instruments, including saxophone, accordion, and piano. Each of them was a perfect collection and was worth keeping.

The last item was a violin.

It was made by the world-famous Italian violinist Antonius-Stradivari (Antonio-Stradivari). It also had a similar name to Jing Xi's mother's violin, Artemis.

It also had a beautiful name in Greek mythology—Hecate. Hecate represented the goddess of the night in Greek mythology. She was also a goddess of ghosts and magic.

The violin was as beautiful as the name itself. It had an unforgettable charm to it.

When Xue Yating had read the introduction online, she had already recognized the violin. Now that she saw it live, she was even more satisfied.

If not for the violin being protected, she would have pounced on it and hugged it, touching it.

The auction finally began. The starting bid was 100,000.

Xue Yating was the first to raise her number without hesitation. The auctioneer called her number, and then many others followed suit.

Xue Yating's heart was filled with sweat as she looked at the signboards and the rising price. Why were there so many people who wanted to snatch this violin tonight?

Xue Yating continued to fight for the violin. The price of the violin had already soared to 8 million.

The price was getting higher and higher, and there were fewer and fewer people bidding. She noticed that the number 7 bidder was bidding for almost every round, and the price was just right above hers.

In order to get her hands on the piano, Xue Yating kept bidding.

The price shot up to 25 million, far exceeding what Xue Yating could bear. Just as she was considering whether to continue bidding, the other party raised the bid to 30 million.

30 million...

She remembered that she had spent 30 million on Artemis a few years ago. Now, the market price for the violin was even higher, and the auction price was much higher than it was a few years ago.

Xue Yating gritted her teeth and raised the price to 31 million. After more than 30 million, only she and Mr. No. 7 were left bidding. Everyone watched with bated breath

Chapter 2313: Being Rich

Moreover, Mr. No.7 was not playing by the book at all. Every bid was a huge jump in price.

When it came to the 40million mark, Xue Yating still bid a conservative price of 41 million.

She took a look at Mr. No.7. He was an unfamiliar young man. She did not know which company he was from or which family he was from, but he was willing to spend money without batting an eyelid.

Xue Yating kept telling herself to stop following him. As long as Mr. No.7 gave up, she would definitely get the violin.

However, the worst thing was that the other party directly raised the price to 50 million.

Everyone was shocked.

Xue Yating was also amazed. There was no way she could follow him anymore. She could not afford the money now.

Just like that, she could only watch helplessly as the violin was taken by Mr. No.7.

The auctioneer announced his name: Qin Yanzhi.

After the auction ended, Xue Yating did not leave. She stayed at the back and waited for Qin Yanzhi to finish paying the bill. She mustered her courage and asked, "Mr. Qin, how are you? May I ask what this violin is for?"

Xue Yating wanted to ask if she would have the chance to exchange something for this violin in the future.

Qin Yanzhi looked at her and smiled. "I didn't take it for myself. I was entrusted by a friend to get it."

"Your friend... could you tell me what he does?"

Qin Yanzhi looked at Xue Yating suspiciously. Xue Yating immediately explained, "Oh, please don't misunderstand. I just want to know where this violin is going. I hope to see it again in the future. To be honest, I really like this violin."

"It was just a whim of my friend. Maybe he'll sell it in a few days. Or maybe not."

Xue Yating felt that Qin Yanzhi's friend was really rich.

"Can you tell me where he is?" Xue Yating asked. "I want to talk to your friend. If he doesn't like it one day, can you ask him to give it to me first?"

Qin Yanzhi thought for a few seconds. "Okay then. Miss, please wait a moment. I'll call my friend to ask."

“Thank you!”

After waiting for a few minutes, Qin Yanzhi hung up the phone and told her, “My friend said that you can go directly to him. There's still room for discussion about this violin.”

“Really? That's great! Thank you so much!”

“If you trust me, why don't you come with me and talk to him in person?”

“Sure, sure.”

Xue Yating felt that it was better for Qin Yanzhi to bring her along than for her to go alone.

At the Royal Jazz Hotel.

Xue Yating followed Qin Yanzhi to a presidential suite. Qin Yanzhi told her to wait outside while he went in to greet her.

After Qin Yanzhi went in, Xue Yating waited patiently outside. Her heart was also beating like a drum. Just now, she was hot-headed and followed the other party. What if the other party made unreasonable requests?

After some thought, Xue Yating felt like giving up. Qin Yanzhi left the room and said, “Miss, please. My friend is inside. He is willing to give you 10 minutes.”

“Okay, thank you.”

Xue Yating mustered her courage and walked into the presidential suite. The door behind her closed and locked automatically.

Xue Yating did not see anyone in the suite. She could only hear the sound of water splashing. Through the misty glass, she could vaguely see a tall man bathing.

Oh my god!

Didn't he say that he would only give her ten minutes?

Don't tell me the time to take a shower is also included?

Chapter 2314: Tricked Her

At this moment, the violin case was placed on the coffee table. Xue Yating clearly wanted to leave, but she unexpectedly sat down and waited.

Xue Yating was too embarrassed to turn around when she heard footsteps.

The footsteps were getting closer and closer. She could even hear that he was standing behind her.

At the same time, an invisible pressure came with it. Xue Yating was a little flustered. She mustered her courage and turned her head. She saw a man with a towel around his waist walking over.

She lowered her head, embarrassed to look at him.

“You want that violin?”

He sat down in front of her and asked in a deep voice.

“That's right, sir. I just wanted to discuss it with you. If you don't want this violin, can you let me have it?”

Xue Yating raised her head and saw a mask on his face.

She couldn't see his face clearly, but his body was really good. He had strong chest muscles, strong arms, and a perfect eight-pack. His body was so good that it made her blush.

The other party was probably sizing her up. “I can give it to you, but as long as you can fulfill one of my conditions!”

“What condition?” she asked.

“I spent 50 million on this violin. If you're willing to sleep with me for a night, I can give you this violin as a gift!”

The man said softly and observed her reaction.

Xue Yating's face turned red. Although she had thought of such unreasonable conditions beforehand, she was still very angry when she heard it from the other party.

Did he think she was a prostitute?

Xue Yating was furious. She stood up and said, “I'm sorry! I'm not the kind of woman you think I am! I have a husband and a child. I love my husband very much. I won't do anything to betray him! Forget about this violin. I don't want it anymore! Excuse me!”

After Xue Yating finished her words, she walked towards the door. But unexpectedly, the other party chased after her. Just as she was about to open the door, he reached out and closed it in time.

“What... what are you doing?”

Xue Yating panicked and subconsciously took two steps back.

“You can't come and go as you please in my territory!”

He wrapped his arm around her and pinned her against the wall. He said in a frivolous tone, “Think about it carefully. It's just a sleep. You can have a famous violin worth 50 million.”

“I really don't need it anymore! Please let me go! Otherwise, I'll call the police!”

“Okay, hold me tight!”

Xue Yating pushed him away and punched him in the stomach.

“Ouch...” Xue Yating took the chance to remove the mask from his face.

The next second, their eyes met. Xue Yating was shocked speechless. Why... Why was it him?

“You—An Jichuan!”

“Tina!”

After An Jichuan's identity was exposed, he changed back to his own voice and smiled at Xue Yating.

“You bastard! You bastard! I'll hit you... I'll hit you...”

Xue Yating was livid. She was angry at him for playing with her while wearing a mask and making such a shameless request.

She raised her fists and her bag and kept hitting him and kicking his legs. He would never be able to get rid of his hatred.

An Jichuan did not dodge or avoid her punches until she was done. He lowered his eyebrows and asked, “I was just joking with you. Are you really angry?”

Chapter 2315: Fascinating

“Not funny at all!”

Xue Yating complained angrily.

Just because she had rejected his “unreasonable request” just now, An Jichuan was in a very good mood. Indeed, he had not misjudged her. Her loyalty to love was admirable.

He had used her most beloved violin to tempt her, but she was not moved. It was clear that she was a very good woman.

An Jichuan took her arm and said, “Don't be angry. I came all the way here. Is this how you treat me? I'm so sad!”

“You asked for it!”

Xue Yating was furious when she thought of how pretentious he was.

Not wanting to get too close to him, Xue Yating opened his hand and looked at him. She said coldly, “I'll give you one minute. You better put on your clothes, or else I'm leaving!”

“Okay, wait for me!”

He pulled her back into the suite and let her sit on the sofa. He then turned around and found a bathrobe to put on.

He sat down beside her and asked, “Do you like this violin?”

Was that even supposed to be a question?

Why would she come here if she didn't like it?

Seeing that she was silent, he opened the cover and took out the violin. He handed it to her and said, “Could you help me try it? Is this violin worth 50 million? If it's not worth it, I'll throw it away!”

“You are crazy!”

Xue Yating glared at him and took the violin carefully.

A world-class violin was indeed different. It felt very different compared to a normal violin. Xue Yating was excited to finally touch her beloved treasure.

Almost instinctively, she stood up, put the violin under her chin, put on the bow, and began to test the sound.

The first note jumped out. Wow, it was perfect and moving. It was indeed a good violin.

Xue Yating couldn't help but pull a few strings. She was almost intoxicated. When she was playing the violin, An Jichuan rested his chin on one hand and admired her.

What he loved the most was her confident look when she played the violin. It was too fascinating.

Xue Yating played for a while and tried the violin. Then she carefully put it back into the box and asked, "Why did you get this?"

She was implying that he was the one who was going against her!

"I wanted to buy it for you as a birthday present, but now that you've found it, I can give it to you in advance. Do you like it?"

An Jichuan directly stated his intentions.

Xue Yating liked it too much, but she did not show it because the other party was An Jichuan. She did not want to accept his gift. "Forget it, you should keep it for yourself! I can't accept such a valuable thing!"

"I spent so much money to buy it back, and you don't want it? Then wouldn't I have wasted my money?"

An Jichuan picked up the violin and frowned. In the next second, he stood up and walked towards the window. "You don't even care about it. To me, it's useless. I'm going to throw it away!"

The man had already opened the window. Xue Yating quickly ran over and hugged him. She begged, "Don't throw it away! Please don't throw it away! This is Master Antonius Stradivari's masterpiece. If you destroy it, you won't be able to find the same violin in the world!"

"Is it really that good as you say it is?"

An Jichuan stopped what he was doing and looked at her suspiciously. He saw that her little face was filled with anxiety and he was secretly happy.

In order to give away the gift, he could only go along this unorthodox path!

"Of course! You also study music, so you should understand the importance of musical instruments!"

Chapter 2316: A Little Conspiracy

"Then why don't you want it? If you don't want it, I'll throw it away! I'm not a violinist anyway!"

"No! No! I want it! I want..."

Xue Yating was about to go crazy from being tortured by him. She had never seen him give away anything like this!

An Jichuan retracted his body and looked at her calmly. "Then, do you want it or not?"

"I want it..."

In the end, Xue Yating chose to give in. Who asked her to love that violin so much?

An Jichuan held back his laughter and handed the violin to her. "Take it! From now on, you are the owner of this violin!"

With the violin in her hands, Xue Yating was very excited. It could be said that she was overjoyed. She caressed the violin gently, and a smile appeared on her face involuntarily.

She did not know how beautiful she looked when she smiled. In short, An Jichuan rarely saw her smile in front of him. Every time, she would always pull a long face at him.

Seeing the sincere smile on her face, An Jichuan couldn't help but be moved. He lowered his head and kissed her on the lips.

Xue Yating was stunned. When she realized what was going on, she tried to dodge, but the man waved his long arm and pulled her into his arms.

"Why did you run away? You didn't even say thank you?"

"Thank you," Xue Yating said.

"Not sincere enough!"

"What else do you want?"

She raised her head and questioned him.

An Jichuan stared at her angry little face and couldn't help but hold the back of her head and kiss her deeply.

After the kiss, Xue Yating was almost paralyzed in his arms. She was so angry that she raised her leg and kicked him. "You're being a hooligan again, An Jichuan!"

"Isn't it natural for you to act like a hooligan towards your own woman?"

An Jichuan licked his lips and said proudly.

"Shameless!"

Xue Yating glared at him and struggled out of his arms. She put the violin into a box, closed the lid, and left.

"Hey, aren't you staying with me?"

An Jichuan shouted behind her. Xue Yating did not even turn her head and directly opened the door and left.

She really didn't dare to stay here for a second longer. She had to leave the wolf's den as soon as possible.

As for the violin, it was hers from now on. She would not thank him.

In short, when the An family was in trouble, the Xue family had helped them. Now that he had returned her a violin, they no longer owed each other anything.

Xue Yating carried her precious violin and left the Royal Jazz Hotel in a hurry.

As she drove back, she thought of a serious problem. Why did An Jichuan come to Peijing?

What was he doing here?

Just to film a violin for her?

She had a feeling that An Jichuan's sudden appearance was a conspiracy.

Sigh, she couldn't be bothered anymore. She shouldn't worry about anything that had to do with him. Anyway, she had gotten her most beloved violin. There was nothing more exciting than this.

Xue Yating took Su Su to school the next day.

Just as the car left the Xue family mansion, she saw a silver luxury car parked by the road. In front of the car stood a man with one hand in his pocket. He looked elegant and noble.

The man saw their car coming out and waved to stop it.

Xue Yating was talking to her daughter in the back seat when she suddenly felt the car stop. She raised her head and asked the driver, "Why did you stop?"

"Miss, a gentleman is blocking our way!"

"What?"

Chapter 2317: Unable To Calm Down

Xue Yating looked out of the car. Oh, so it was An Jichuan. He actually came to her house to stop her.

"Mommy, it's Daddy!" Su Su was excited to see her daddy.

Xue Yating opened the door and got out of the car. She looked at the man opposite her and asked unhappily, "An Jichuan, what are you doing here?"

"Of course I'm here to send my daughter to school." An Jichuan smiled handsomely and opened the door of the back seat. He bent down and greeted, "Su Su, do you miss daddy?"

"Daddy, Su Su misses you so much!"

Su Su crawled over and opened her little hands to hug her. An Jichuan picked his daughter up and raised her above his head. He spun several times on the spot.

Su Su laughed happily and hugged her father tightly.

“Su Su, do you want a ride in Daddy's car?”

“Sure!”

“Hey! Put Su Su down!”

Su Su lay on her father's shoulder and turned to wave at her mother. “Mommy, come along too!”

“An Jichuan, do you know where Su Su's school is?”

“I don't know,” An Jichuan replied matter-of-factly.

“How are you going to send her if you don't know?”

Xue Yating had no choice but to let the driver head back alone as she followed An Jichuan.

An Jichuan got into the car and started the engine.

According to Xue Yating's directions, An Jichuan successfully located them and sent them to the school gate.

“Wait for me in the car. I'll send her in myself!”

Xue Yating opened the door and got out of the car with Su Su, refusing to let him follow her.

An Jichuan was not in a hurry. He waited patiently in the car and did not forget to wave goodbye to Su Su.

Xue Yating led her daughter into the kindergarten and sent Su Su to her class. Just as she was about to leave, she happened to meet Chu Yifeng, the director.

“Su Su's Mom, why are you so early today?”

Xue Yating heard the voice and realized it was Principal Chu greeting her. She quickly smiled and greeted, “Yes, Principal Chu, good morning! Are you going out?”

“Yes, I have something to do. Let's go together!”

Chu Yifeng held his black briefcase and adjusted his gold-rimmed glasses. He smiled warmly and did not forget to care about the child. “Oh right, I haven't asked you yet. Is Su Su used to our kindergarten?”

“She's doing well. Tell me when you get back. She's very happy. She loves her new school.”

The two talked about Su Su all the way out of the kindergarten.

An Jichuan, who had been waiting in the car, finally saw Xue Yating coming out of the kindergarten. But who was the man with her?

The two of them chatted and laughed. It seemed like they were very close.

Seeing this, An Jichuan could no longer remain calm. He immediately opened the car door and got out.

On the other side, Chu Yifeng's car was parked near the door. He said to her, "Are you going back now? Why don't I send you back? I happened to pass by your house when I was working."

Before Xue Yating could say anything, An Jichuan's voice came from the side. "Tina! Come here!"

They were separated by a fence to pick up the child. An Jichuan stood there and shouted at her.

Chu Yifeng raised his head and saw An Jichuan. He frowned slightly. "Mother Su, is that man calling you?"

Xue Yating did not want to have anything to do with An Jichuan, so she said to Chu Yifeng, "Mr. Chu, I don't know that person. He's not calling me. Let's go!"

She took the initiative to sit in the front passenger seat. Chu Yifeng got into the car and drove out slowly.

Chapter 2318: Irritating

He watched as his woman got into another man's car and left with another man. That feeling was even more infuriating than slapping his face.

It was useless for An Jichuan to call her. He was so angry that he punched the guardrail with his fist. He had no choice but to quickly run back to the car and start the engine to chase after her.

On the way, Chu Yifeng would occasionally steal a glance at the woman sitting next to him. He tried to find something to say. "Su Su's Mom, I remember that you used to love playing the violin and often performed it. I wonder when I'll have the chance to listen to you play the violin again?"

"It won't be long before I have a comeback concert," Xue Yating told him truthfully.

"Really? I'm really looking forward to it then. I'll definitely go see your performance!"

Chu Yifeng was a music fan. Even though he didn't know how to play instruments, he loved listening to music.

He had attended Xue Yating's past concerts and got tickets from his friends. He liked her performance.

"If Mr. Chu is willing to go, why don't I give you a ticket?"

Xue Yating wanted to thank Principal Chu for his concern for her and her child. Therefore, the tickets to the concert should be nothing.

"How could I?"

"It's fine. It's my honor to have you there."

Xue Yating did not have any other thoughts in her mind. She just wanted to build a good relationship with the director. In the future, Su Su would have someone to take care of her in school and she would not be afraid of being bullied.

Just as the two of them were chatting, they suddenly heard a loud bang. Xue Yating was caught off guard. Her body leaned forward and her head almost hit the front. Luckily, Chu Yifeng was quick to react and reached out to block her head.

“What happened?”

Xue Yating covered her chest and asked.

Chu Yifeng looked back and said, “I’ve been hit in the bumper. Wait for me, I’ll go down and take a look.”

Chu Yifeng opened the door and got out of the car. The owner of the car behind also opened the door and got out of the car. He looked at the person in front of the kindergarten just now.

Chu Yifeng looked at the front of his car and then at the back of his own car. The two cars were perfectly stuck together. Chu Yifeng said, “Sir, your car bumped into mine!”

After An Jichuan came down, he took off his sunglasses and looked at the situation. He said, “I did it on purpose! You can call the police or inform the insurance company. I will pay for all the damages.”

“Why?” Chu Yifeng asked.

“If you want to know why, you can ask the lady in your car!”

Chu Yifeng thought of Xue Yating. It seemed that this man and Xue Yating knew each other, but he did not know what their relationship was.

Xue Yating had already noticed An Jichuan and figured out that he was the one who was chasing after Chu Yifeng. She quickly got out of the car to check on him.

Xue Yating knew that he was doing it on purpose. “An Jichuan, what are you doing? Do you know how dangerous it was just now?”

“I know. I was shouting for you yet you ignored me!”

An Jichuan did not think that he had done anything wrong.

Chu Yifeng knew An Jichuan's name, but he didn't know much about him.” Su Su's Mom, do you know each other? What's going on?”

“I'm really sorry, Mr. Chu,” Xue Yating apologized. “He's my brother-in-law. He might have something urgent to discuss with me, and he crashed into your car.”

“Oh, it's fine. Just leave it to the insurance company.”

Chu Yifeng finally figured out the relationship between An Jichuan and Xue Yating. When he heard that he was her brother-in-law, he was secretly relieved.

“What should we do now? Will it take up too much time?”

"It's fine. I can take a cab."

As soon as he finished speaking, An Jichuan helped Chu Yifeng hail a taxi.

Chapter 2319: Uncomfortable

The taxi stopped in front of them and An Jichuan said, "Mr. Chu? Your car is here. You can leave now."

Chu Yifeng looked at the car next to him and then looked at An Jichuan. Their eyes met in the air, creating a silent tension.

Chu Yifeng could sense the hostility in An Jichuan's eyes.

Chu Yifeng did not want to leave Xue Yating here alone. He said, "No hurry. I can wait for the traffic police to come."

"Thank you, Mr. Chu. We'll be leaving now!"

An Jichuan decided to get into the car. Not only did he get into the car, but he also grabbed Xue Yating and stuffed her into the back seat. He also got into the car and ordered the driver to drive.

Chu Yifeng was in a mess. In the blink of an eye, the other party had taken Xue Yating away and left two cars for him to handle?

Of course, An Jichuan would not stay behind to deal with a traffic accident. He could let his assistant come over to handle it. His main task was to stick to Xue Yating.

"Hey! An Jichuan! What are you doing?"

Xue Yating's head hit the door. She sat up straight and glared at him angrily. She was angry at him for being so rude and forcing her into the car without her consent.

"What do you think I'm doing?"

An Jichuan asked with a dark face. To be honest, he was not in a good mood. He had not even asked her why she had ignored him and insisted on leaving with another man. Yet she still had the nerve to question him?

"How could you do that?"

Xue Yating could not understand his intentional behavior. How old was he? Did he not know the traffic rules?

"If you didn't run when I called you, would I have chased after you?"

"Are you blaming me?"

He leaned towards her slightly and Xue Yating subconsciously moved back. She felt uncomfortable sitting next to him.

The man was tall to begin with. Now that he was squeezed in the back seat, the space in the back seat became very narrow. The air seemed to have become much thinner.

“If you had been more obedient, would this have happened?”

Xue Yating was too angry to speak. She turned her head to the side and looked outside.

Knowing that she was angry, An Jichuan tried to find a way to apologize. “Okay, okay, don't be angry!”

He held her hand quietly, but she pulled her hand away. He pulled it back again, and she pulled it away again.

In the end, he exerted a little force and she could not break free. The two of them played Tai Chi for a while and Xue Yating finally gave up struggling.

She sighed in her heart. It was not scary to meet a hooligan. What was scary was that a hooligan was cultured. The person beside her was a typical hooligan dressed in good clothes. His ability to pester her was at the highest level possible!

“Why did you suddenly come to Peijing?”

Xue Yating calmed herself down and asked.

“To see my daughter.”

Is this an excuse?

“When are you leaving?”

“It depends.”

An Jichuan was supposed to be on the plane in the afternoon, but he decided not to leave for the time being when he saw what had unfolded today.

He had come to Peijing to set up the An Group's Asian branch company. He wanted to expand his territory in the city where Xue Yating was.

If possible, he was willing to give up everything in Rongcheng for her and choose to settle down here.

The taxi stopped outside the Xue family mansion. Xue Yating opened the door and ran away.

“Hey, what am I supposed to do now that you're gone?”

Chapter 2320: Furious

“I don't care! Go back to Rongcheng!” Xue Yating waved her hand and ran back home.

They had not rested for long when a servant came in and reported to Xue Zhengrong, “Master, the second young master of the An family is waiting outside!”

Xue Zhengrong waved his hand. “Invite him in!”

“Dad! Don't let him in!” Xue Yating stopped her father from inviting the guest in.

Xue Zhengrong was confused. “What's wrong? Your brother-in-law is here. Why can't he come in? Please come in!”

Xue Yating could not stop her father. She was worried that her father might not know that An Xianming was An Jichuan in disguise.

She had no idea what her relationship with An Jichuan was, nor did she know whose child Binbin and Lele were.

Just as she was panicking, An Jichuan was already brought into the villa by the servants. At this time, An Jichuan was dressed in a well-made suit. He had an imposing appearance and was full of style. At first glance, he looked a little like An Xianming, but upon closer inspection, he looked slightly better than An Xianming.

He brought a lot of gifts and handed them to the servants. Xue Zhengrong stood up to welcome him personally. "So it's Ji Chuan. Please come in and have a seat!"

"Long time no see, dad!"

The first thing An Jichuan did when he entered the house was to call him "Dad." Xue Zhengrong was stunned and could not react at all.

"It's uncle. Your address is wrong," Xue Yating reminded him.

"I'm not wrong..."

An Jichuan wanted to explain, but Xue Yating interrupted him. "Dad, uncle is here on a business trip. He also came to our house to see how Su Su is doing here."

After Xue Yating finished speaking, she shot him a look, implying that if he continued to spout nonsense, she would not hold back.

"Oh, okay, okay. It's rare for Ji Chuan to come. Why don't you stay at our house for a few more days?"

"Is that appropriate?"

"Why not? Aren't we a family? How can staying in a hotel be more convenient than staying at home?" Xue Zhengrong did not think too much about it.

"That's right. We're family. Then I'll accept it."

An Jichuan was still worried that he could not find a suitable reason to get close to Xue Yating. Xue Zhengrong was simply providing him with a favorable position.

Xue Zhengrong invited him to sit down and chat. He got someone to prepare tea and started to chat.

The two men were talking about business matters. Xue Yating could not interrupt and found an excuse to go upstairs to practice her violin.

When Xue Yating went downstairs for lunch, she realized that An Jichuan was very good at winning people's hearts. Now, even her father was chummy with him. They were very familiar with each other. Moreover, the two of them even played chess. It was hard to separate them.

Xue Zhengrong kept praising An Jichuan's chess skills. It was the right decision to let him stay in the Xue family. He did not have to worry about not having anyone to play chess with him.

Oh my god!

Xue Yating held her forehead. How should she get rid of this person?

While they were eating, the two men raised their glasses and drank. After three rounds of drinks, they began to talk about An Xianming.

In front of her, An Jichuan said to her father, "Brother Xue, don't worry. Although my brother is no longer around, I, An Jichuan, will take over the responsibility of the An family. I will take good care of my brother's wife and children. Their children are my biological children. I will definitely give them a stable and complete family in the future."

"Good, good. You're a talent. You're responsible, you're bold, and you're good at managing the company. You don't lose to the young me. With you taking care of Tingting and the child, I can be at ease."

Xue Zhengrong was full of praise for him. If not for their relationship, he would have thought that he was very suitable to be his son-in-law.

Xue Yating was furious. She glared at An Jichuan and stomped on his feet under the table.

What utter nonsense!
