

Priceless 2411

Chapter 2411

A sweet smile spread across her face as she stood in front of the armrest and looked down.

Everyone who had seen her couldn't help but be amazed by Ying Bao tonight. She had always been casual in her life, but tonight was her 18-year-old coming-of-age ceremony. She was dressed grandly and exuded a noble aura that could not be violated.

“Wow... Huo Yinyin is so beautiful!”

“A princess is a princess! She's so beautiful!”

The hall was filled with exclamations of surprise. It was as if it was the first day they had met her.

He felt that she was so beautiful, so distant and unapproachable.

At this time, the two sisters of the Yi family also saw the princess. The moment they saw the beautiful and noble princess, they immediately felt inferior to her.

A noble bloodline and a lowly status was a fact that could never be changed.

This thought made Yina want to change her mind even more.

Ying Bao looked around and saw many familiar faces in the crowd. Most of them were her classmates. She smiled and hurried down the spiral staircase.

When she arrived at the first floor, she smiled and called out the names of her classmates and welcomed them to her birthday party.

'Many of her classmates changed their usual distant attitude and took the initiative to give her their blessings.

Ying Bao was surrounded by her classmates. At this moment, there was a commotion at the door. Everyone looked over and saw a very handsome man walking in.

His appearance immediately attracted the attention of the crowd. Many girls looked over and couldn't help but ask who he was.

“Excuse me!”

Ying Bao came out from the crowd to welcome Tang Feimo. “Brother Feimo...”

“Happy birthday, Cherry!”

“Is that handsome man the princess's boyfriend?”

“I think so! Look at the way he looks at the princess. It's full of love!”

“The princess's boyfriend is so handsome!”

“Oh my god, I also want such a handsome boyfriend!”

Yi Na was a little excited to see Tang Feimo, but she was afraid that he would recognize her. She whispered something into her sister's ear and they left the banquet hall together.

They found a chance to go to the bathroom and slipped into the royal laundry room. When they came out, Yi Na had already changed into a servant's uniform.

Yi Rou'er was very worried. "Sis, what if your disguise as a servant is found out?"

"It's fine. There are so many people here tonight. No one will notice me. I'm dressed like this so that I can get close to other men."

Yi Na had already decided that as long as there was a good chance, she would definitely seize it.

Tang Feimo came to the main hall and asked someone to bring him a huge box.

Many people rushed over to see what was in the box.

Tang Feimo asked someone to open it. The gift box was divided into three layers. When he opened the first layer, there was a very delicate small box at the top. When he opened the small box, there was an expensive diamond necklace inside.

It was custom-made by him. The pendant was a cute cherry symbol.

"Wow..."

Ying Bao covered her mouth in surprise. Her heart skipped a beat when she saw the necklace.

She was so beautiful!

"Let me help you put it on!"

Tang Feimo took off the necklace and put it on Ying Bao's neck. Many people praised the necklace. Tang Feimo asked, "Cherry, do you like it?"

Chapter 2412: Ying Bao (15)

"Yes, I really like it. Thank you, Brother Feimo."

Ying Bao's face was flushed. She touched the cherry pendant on her neck, her heart filled with gratitude. She knew that he must have spent a lot of money.

The money was not from his family, but from his part-time job.

"Look down there, there's more!" Tang Feimo ordered his men to continue opening the box.

The creativity of the box was here. When the bottom layer was opened, a red rose jumped into view. Many people gasped again.

"Wow, so many roses!"

"are you planning to propose?"

Ying Bao saw so many roses in front of her and also looked at Tang Feimo. She was a little worried. She didn't know if Tang Feimo would propose like her classmates said, but she wasn't mentally prepared at all!

Isn't it too early to propose?

There were a lot of flowers, but Tang Feimo only let her pull the ribbon in the middle of the flowers.

Ying Bao did as she was told. After she pulled open the ribbon, all the roses began to spread out, and then a third layer extended out from the middle.

'When the third floor appeared, the most surprising thing was that there was a very cute little white dog squatting on it.

'When the girls saw the king, they were even more excited than when they saw Tang Feimo.

Yi Na also saw him in the crowd. She heard that the king of the Northern Kingdom had come and kept staring at him.

It was said that the king of the Northern Kingdom came to power when he was 17 years old. He was only 30 years old now. He was young, handsome, and had extraordinary leadership skills.

She had never expected to see the king of the Northern Kingdom here.

'When Yi Na saw the king, she immediately left Tang Feimo aside. She began to think about him. It would be great if she could get to know the king of the Northern Kingdom.

This was a once-in-lifetime opportunity. If she could get involved with the King of the Northern Kingdom and become the queen of the Northern Kingdom in the future, wouldn't that be like reaching the heavens in a single bound?

Huangfu Xuanye was more attractive than her classmate Tang Feimo.

She decided to find a chance to get close to him later!

'When Ying Bao heard that the king was here, she quickly handed the dog to the servant, told Tang Feimo, and went to welcome Huangfu Xuanye.

'Tang Feimo was not in a good mood. He hoped that Ying Bao would only be his princess. That guy had not come earlier or later. The moment he came, he had attracted Ying Bao away. It was really frustrating.

Especially when she saw Huangfu Xuanye's mature and steady temperament, his charm that could charm a group of girls, and his status as a king.

Tang Feimo suddenly felt that this was a realm that he could never reach no matter how hard he tried.

Just based on the conditions alone, he was far inferior to the other party.

'As he watched Cherry walk towards Huangfu Xuanye, he could only go to the side and drown his sorrows in wine.

Ying Bao greeted Huangfu Xuanye and bowed to him. Huangfu Xuanye also bowed to her politely.

“Happy birthday, Cherry!”

Huangfu Xuanye asked his guards to pass Ying Bao a gift box. “This is for your birthday. I hope you like it.”

“Thank you, Uncle. I'm already very happy that you came.”

“Can I open it?” Ying Bao asked.

“Of course.”

Ying Bao opened the gift box in front of everyone. Then, a bright and dazzling light shot out from it, piercing her eyes.

Many people saw that there was a cherry-shaped object in the box. The two cherries were heart-shaped pink diamond gems, each bigger than a quail egg.

The value of the two diamonds combined could not be measured with money!

Ying Bao smiled happily under the candlelight.

“Huo Yinyin, make a wish!”

Someone suggested. Ying Bao clasped her hands together, closed her eyes, and made a wish. After making the wish, everyone helped blow out the candles.

The moment the candles were extinguished, the lights lit up. Bang! Bang! Bang! All the confetti flew down from the sky. It was a magnificent and beautiful scene.

After cutting the birthday cake, everyone could finally have fun.

Because her parents and other adults were not participating tonight, and it was all her classmates and friends, Ying Bao got someone to change the music.

The originally soothing music quickly tured into a very lively rock song.

Ying Bao took the microphone and said to everyone, “Thank you for coming to my birthday party. My parents are not at home tonight. This is our territory. I hope everyone can have fun tonight. Don't be shy! Eat if you want to, drink if you want to, and dance if you want to!”

Ying Bao took the lead and began to dance. Soon, many people joined in. The party became a sea of dancing.

Ying Bao thought of Tang Feimo and realized that he was drinking by himself. She passed through the crowd and pulled him over. “Brother Feimo, let's dance together?”

"I don't want to dance," Tang Feimo said.

Chapter 2414: Ying Bao (17)

Ying Bao was not angry. She was just a little depressed. But she still respected him. If he did not want to jump, she would not force him.

Ying Bao was dancing with her classmates and friends. Huangfu Xuanye, who was standing outside the crowd, was quietly watching the girls on the stage.

No matter what position she was in, no matter where she was, he could lock onto her with a single glance.

Perhaps this was because she had always been in his heart and he could only see her in his eyes. Other than her, no one else existed!

At this moment, a servant came over with a tray. Huangfu Xuanye took a glass of champagne and took a sip.

His eyes were all on Ying Bao, so he did not notice the servant's strange behavior.

Yi Na had successfully delivered the spiked wine to the king of the Northern Kingdom. He had already taken a sip.

Very good. It wouldn't be long before he needed a woman to rest because of the effects of the drug. When that time came, she would help send him to the palace room to rest. Wouldn't that be natural?

Huangfu Xuanye only took two sips before putting down his cup. Ying Bao had come to look for him.

"Uncle, do you want to dance?" Ying Bao was afraid that he would be bored at her birthday party.

"No need. I won't embarrass myself anymore," Huangfu Xuanye declined politely.

Ying Bao knew that with his identity here, it was not convenient for him to dance. She thought of what her mother had told her and thought that she should find a chance to make things clear with this uncle.

"Uncle, do you want to take the balcony for some fresh air? I have something to tell you," Ying Bao suggested.

"Okay."

Huangfu Xuanye pulled at his collar and suddenly felt a little dry. Perhaps it was because the temperature in the banquet hall was higher, he really needed to go and get some air.

They left the banquet hall and went to the balcony.

Yi Na watched as Huo Yinyin took away the king of the Northern Kingdom. She was extremely depressed. She had already made the preparations. What if Huo Yinyin and Huangfu Xuanye did it tonight?

At the balcony.

The breeze blew away some of the heat and Huangfu Xuanye felt much better.

“What do you want to tell me?”

Ying Bao lowered her head and looked at it. Then she raised her head and mustered her courage to say, “Uncle, I really, really thank you for all these years of care and companionship. But you've waited for me for so many years, yet I can't repay you. I always feel like I've let you down.”

Huangfu Xuanye thought that Ying Bao had already made her choice.

“You fool, I don't want anything from you, and you don't owe me anything. I want to thank you for bringing me happiness.”

Even without her reminder, he knew that he could not give Ying Bao a happy life.

For the rest of his life, he only needed to see her well.

Ying Bao suddenly felt very sad as she stared at Huangfu Xuanye. Especially when she saw the sorrow hidden in Huangfu Xuanye's eyes, her heart ached.

All these years, she had not been able to help him get rid of that sadness. She had not been of any real help to him. Instead, he had been guiding her, accompanying her, caring for her like a father and brother.

“Uncle, I...”

It was supposed to be a happy night, but Ying Bao felt like crying when she said such a sad topic.

“I understand.”

Huangfu Xuanye did not need her to say anything. He knew what she was thinking. He smiled lightly and put his hands on her shoulders. He gently shook her hands and said with an encouraging look in his eyes, “Don't blame yourself and don't be sad. Do you know what my biggest wish is?”

Chapter 2415: Ying Bao (18)

2415,

“just want you to be happy forever and have the brightest smile every day.”

He gazed at her quietly.

Ying Bao's eyes were glistening with tears. She squeezed out a sad smile. “Uncle, do you know what wish I made just now? I made a wish especially for you. I hope that you can be happy every day, and I hope that someone who loves you can accompany you. I hope that you will not be lonely for the rest of your life.”

Two streams of tears rolled down Ying Bao's cheeks.

God knows why her heart hurt when she said those words!

It was not like they were separated by life and death. Why did she feel so sad?

She was worried that he would be lonely for the rest of his life. She would also blame herself for the rest of her life.

Seeing Ying Bao cry, Huangfu Xuanye was also very upset. At this moment, the best thing he could think of was to help her wipe her tears and coax her softly. "Okay, stop crying, Ying Bao. I will listen to you and find someone who loves me to spend the rest of my life with."

"Really?" Ying Bao asked.

"Of course!"

He looked at her tearful face gently and asked her softly, "Cherry, can I kiss you one last time?"

All these years, Huangfu Xuanye had only held her little hand, hugged her, and carried her on his back.

So she nodded.

Huangfu Xuanye's heart was beating wildly, but he could only suppress the throbbing in his heart. The doctor had said that with his condition, it was best not to have any emotional fluctuations.

He took a deep breath and slowly approached the girl. However, at the critical moment, he suddenly heard a fist wind by his ear.

"Thwack!" Huangfu Xuanye was punched in the face, causing him to stagger and fall onto the guardrail.

Ying Bao opened her eyes and saw that it was Tang Feimo who had hit Huangfu Xuanye. She quickly pulled him back. "Brother Feimo, why did you hit him?"

Tang Feimo's face darkened. He moved his fists and fingers and stared at Huangfu Xuanye warningly. "So what if I hit him?"

"It's not what you think. I allowed it. You should at least get the facts right first."

Ying Bao explained anxiously. But now it was Huangfu Xuanye who was being beaten up. She was really letting him down.

"What's there not to know? He brought you here from the banquet hall because he wanted to take advantage of you!"

'Tang Feimo was blinded by jealousy. He could not listen to any persuasion.

In the past, he was too young to deal with Huangfu Xuanye. But now, he had grown up and become a strong young man. He had the ability to fight him.

"How is that possible? What are you thinking? Tang Feimo, can you be more mature and rational?"

What Ying Bao could not accept the most was that he was too impulsive. His would be remarkable if he wasn't so hot-headed,

But when he saw Huangfu Xuanye, he was like a fighting rooster, constantly staring at him.

'When Tang Feimo heard Ying Bao's words, he was furious. "Yes, I'm not as mature and elegant as him, so no matter what I do, I'm not as good as him. But, Cherry, we've known each other since we were young. All these years, I've been working hard to grow up, hoping to become stronger one day. Now I know I was wrong. No matter how hard I work, I can never be better than him, right?"

Chapter 2416: Ying Bao (19)

"No, Brother Feimo.."

Ying Bao wanted to explain that he didn't need to compete with anyone. He just needed to be himself.

But Tang Feimo kept interrupting her and said to Huangfu Xuanye, "Huangfu Xuanye, I've tolerated you long enough! Today is Ying Bao's coming-of-age ceremony. Why don't we have a duel today? Whoever loses will get leave at once!"

Tang Feimo took off his jacket and threw it aside. He took off his tie and was ready to fight him.

Huangfu Xuanye looked at Tang Feimo indifferently. He was envious of Tang Feimo's youthful vigor and vitality. He could do whatever he wanted.

comment

Ying Bao saw that Tang Feimo was going to fight with Huangfu Xuanye and quickly pulled him back. "Brother Feimo, Uncle and I are not what you think we are. Stop making a scene. Please!"

"Uncle, are you okay?" Ying Bao asked Huangfu Xuanye.

'Tm fine." Huangfu Xuanye felt his chest tightening and his breathing shortening.

Ying Bao thought it was because Tang Feimo had hit her just now. She helped him up and said, 'Why dontt you let someone take you to your room to rest? You dont look good."

"Sure."

Huangfu Xuanye also felt that he should rest and take some medicine.

But he had only taken a few steps when he suddenly felt a rapid beating in his chest. In a few seconds, he felt a sudden stop, making him unable to breathe. He leaned into Ying Bao's arms and fell down.

Ying Bao was frightened and shouted his name. "Uncle! Uncle... wake up... Someone come."

In the end, Huangfu Xuanye's guards rushed over and called the ambulance before sending Huangfu Xuanye to the hospital.

Because of an emergency, the birthday party ended early. Ying Bao did not even bother to change her clothes and followed the ambulance to the hospital.

All the guests also left the palace on their own. Tang Feimo did not expect Huangfu Xuanye to be a paper tiger that would go straight to the hospital after receiving a single punch.

But seeing Ying Bao so nervous and caring about Huangfu Xuanye, he felt very upset.

Even though he was extremely jealous, he still drove to the hospital.

Ying Bao was waiting anxiously outside the emergency room. She was out of her wits. The first thing she did was call her parents and tell them about Huangfu Xuanye fainting.

Tang Feimo was the first to arrive. When he saw Ying Bao, he looked a little guilty.

Ying Bao saw him coming and kicked him angrily. "It's all your fault! Are you crazy? You didn't even listen to an explanation and just hit me! If anything happens to Uncle, who can take responsibility?!"

Tang Feimo sighed and said, "I didn't expect him to be so weak!"

"You still dare to say that? Brother Feimo, you're usually quite normal. Why are you acting like an unreasonable child when you see an uncle?"

Ying Bao questioned angrily.

"Because I was afraid that he would take you away."

In the end, it was all because of jealousy. He was afraid of losing Ying Bao, so he was hostile towards Huangfu Xuanye.

"Who took him away? Uncle is not that kind of person, okay? I came to talk to him tonight to make it clear to him that he should not wait for me anymore. I wanted him to find a suitable woman to marry and have children with, and not waste time on me.

"Uncle respected me and gave me his blessings. In the end, he only wanted to kiss me out of courtesy. What does that have to do with anything? But why did you come up and beat me up without knowing the truth? You bastard!"

Chapter 2417: Ying Bao (20)

Ying Bao said all this in her huff. She did not care about her dress or her image as she pounced on Tang Feimo and hit him.

Tang Feimo finally understood the reason. He knew that he had misunderstood. Now that Ying Bao had punched him, he let her vent her anger without retaliating.

"Fine! I'll apologize to him when he comes out, okay?"

The lights in the emergency room finally went out. When a doctor came out, Ying Bao immediately went up to him and asked, "Doctor, how's the situation?"

The doctor from the Royal Hospital replied respectfully, "Your Highness, we were lucky to have brought Mr. Huangfu to the hospital in time. Now, we've finally saved him with all our might."

“What's his problem?” Ying Bao asked again.

“We've checked and found that Mr. Huangfu is suffering from hereditary heart disease. He needs to recuperate. We've also found alcohol and other stimulants in his body. These drugs will cause him to be overly excited and make his heart beat above its limit. That's why he had a slight heart attack.”

“Heart attack? He had a heart attack?” Ying Bao could not help but cry when she heard the doctor's words.

It was no wonder the king looked so depressed. He was not in good health and had a hereditary heart disease. He had never told her about such a big thing.

He buried all the pain in his heart, but he always wanted to make her happy.

Damn it!

Ying Bao blamed herself for neglecting Huangfu Xuanye.

The doctor continued, “That's right. In a situation like Mr. Huangfu's, he shouldn't be provoked or have any emotional fluctuations, let alone drink alcohol. Alcohol was a direct cause of this sudden affliction.”

“Tunderstand, doctor.”

Ying Bao nodded sadly. It was all her fault. If she hadn't held a birthday party and invited him over, he wouldn't have drunk the wine at the party. Then this wouldn't have happened!

“That's enough, Cherry. Don't blame yourself. Didn't you hear from the doctor that his heart attack was caused by alcohol?”

'Tang Feimo comforted her.

“That's your responsibility too. If you hadn't hit him, his emotions wouldn't have fluctuated and he wouldn't have acted up so quickly.” Ying Bao punched him again angrily.

“Fine, fine, fine! It's all my fault! Let's think about what to do next!”

“We can only wait for my daddy and mommy to come back.”

When Jing Xi and Huo Yunshen received the news, they immediately rushed back from their vacation to Star Island.

'They arrived at the hospital and saw Ying Bao, Tang Feimo, and Huangfu Xuanye's guards.

In the ward, she saw Huangfu Xuanye in a coma.

'When Ying Bao saw her parents coming, she immediately jumped into her mother's arms. “Mommy..”

“Don't cry. What happened? Isn't it your birthday? Why did Xuanye faint?” Jing Xi asked as she wiped the tears off her daughter's face.

“Mommy, I've known Uncle for so long. I didn't even know that he had a heart disease. If he hadn't been drinking at the party tonight, he wouldn't have suddenly fallen ill.”

Ying Bao explained the situation briefly while crying.

Jing Xi and Huo Yunshen looked at each other. The couple comforted the child. "Don't be sad. Xuanye will be fine. When he wakes up, he will be fine. Later, Mommy and Daddy will go to the doctor and ask about his condition. See if there is any way to treat him. Okay, you and Feimo will stay here with him, okay?"

"Mm."

Jing Xi and Huo Yunshen left the ward and went to look for the doctor.

After the couple understood the situation, they realized that the cause of Xuanye's attack was alcohol. But the real problem was the drug in the alcohol.

Chapter 2418: Ying Bao (21)

According to the drug analysis provided by the doctor, it was a type of aphrodisiac.

Jing Xi and Huo Yunshen were both very familiar with this drug. They had been drugged with it before, and they did not expect that someone would dare to tamper with their food in the palace tonight.

And the target was the king of the Northern Kingdom!

This matter was not simple. They had to find out who did it!

Otherwise, if someone were to take advantage of it and make a fuss out of it, it might cause political trouble.

"I'll have someone investigate this immediately."

Huo Yunshen got up and gave Yin Feng a call.

Jing Xi then talked to the doctor about some problems related to Huangfu Xuanye's condition. She learned that Xuanye had hereditary heart disease and felt helpless.

His life could be prolonged only if there was a one in a million chance that he could find a donor that was compatible with Huangfu Xuanye and perform a heart transplant.

But how could there be such a good opportunity?

The couple returned to the ward. Jing Xi planned to arrange for someone to take care of Huangfu Xuanye and let Tang Feimo send Ying Bao back, but Ying Bao refused.

"How can I leave him in this state? I'm not leaving!"

Ying Bao was very loyal. When her mother was not around, it was Huangfu Xuanye who accompanied her. When she was sad, it was him who comforted her.

Now that his life was in danger, how could she abandon him?

"It's not that I don't want you to care. I just want you to go back to change your clothes and wash up before coming back. Look at you, you're so disheveled."

Jing Xi looked at her daughter's face that was covered in tears and said with heartache.

"Okay then! I'll go back and change my clothes before coming back!"

Ying Bao touched her face. Her eyeshadow was all over her hands. She really needed to go back and tidy up.

Tang Feimo stood up and walked out of the ward with her. "Mrs. Jing, I'll take Cherry back first."

"Okay. Be careful."

Tang Feimo drove Ying Bao back to the Triumph Palace. When Ying Bao got home, she realized that there was no one in the banquet hall. Only the servants were waiting there.

Since they weren't sure if the princess would come back, they didn't take the initiative to pack up. The party venue was still in the same state as before.

"Pack everything up!"

Ying Bao ordered. She would not continue hosting the party anyway.

Just as the servants were about to clean up the scene, Yin Feng came in with his men and told them to stop.

"Uncle Yin Feng, what are you doing?" Ying Bao asked in puzzlement when she saw Yin Feng coming in with his men.

Yin Feng said, "We are here on His Majesty's orders to investigate the scene and find out who secretly harmed the king of the Northern Kingdom."

"Did someone deliberately harm Uncle? Didn't he have a heart attack because he drank alcohol?"

"It's not that simple. I think they found something else in the wine."

"Oh, then hurry up and investigate!"

Yin Feng did not waste any more time and immediately led his men to begin the inspection.

Ying Bao had no idea what was going on. She could only wait for the results to come out.

She went back to her room to change her clothes and cleaned herself up before coming out to look for Tang Feimo.

Tang Feimo really did not want to send his beloved girl to another man. He said, "You still have class tomorrow. Why don't you not go to the hospital tonight? You can go see him when he wakes up!"

"No, I have to go accompany Uncle."

With Ying Bao's insistence, Tang Feimo had no choice but to send her back to the hospital.

Her parents were still in the hospital ward. Jing Xi saw that Ying Bao and the others had come and said, "Ying Bao, why don't you go back with your father later? Aren't you going to school tomorrow? I'll arrange for someone to take care of your uncle here. When he wakes up, I'll call you immediately."

Chapter 2419: Ying Bao (22)

"Mommy, I don't want to go back. I want to stay with Uncle. You guys go back first! I'll look after him."

Ying Bao felt like she had a responsibility on her shoulders. She couldn't leave Huangfu Xuanye behind.

Jing Xi couldn't persuade her daughter to leave, so she came to persuade Tang Feimo. "Feimo, why don't you go back? You can't stay in the hospital and do whatever you need to do in class tomorrow."

"Mrs. Jing, you should go back with Uncle Huo. I want to stay with Cherry."

Tang Feimo stubbornly insisted on staying. Jing Xi could not say anything else. "Okay then. I'll come back tomorrow morning to take over. Call me if anything happens."

"Okay, Mommy."

"Don't worry, I'll take good care of Cherry."

Before leaving, Jing Xi turned to look at the three people in the ward.

If Ying Bao had not made a choice between the two of them, the answer was obvious now!

Sometimes, it was hard for her to see her heart clearly. Only when something happened could she see herself clearly.

But she did not know when Ying Bao would be able to see her heart clearly.

'What would happen to the three children?

Jing Xi sighed and turned to leave with Huo Yunshen.

In the ward, after midnight, Ying Bao stayed by the bed, feeling a little sleepy. Tang Feimo was also a little tired.

Tang Feimo fell asleep on the sofa in the middle of the night. Ying Bao also fell asleep on the bed.

The person on the bed finally woke up. Huangfu Xuanye opened his eyes. The tightness in his chest had been relieved, but he felt weak and could not exert any strength.

He looked at the ceiling and the environment of the room. After recognizing that he was in the hospital, he wanted to move his arm, but he felt his arm being pressed down.

He looked down and saw Ying Bao sleeping in front of him.

Half of her face was exposed, and her soft hair covered her face. She was sleeping soundly.

'When Huangfu Xuanye realized that she had been by his side the whole time, he felt as if his heart had been struck by a soft blow. He was very touched to have her by his side.

He lifted his hand and gently helped her push a strand of hair away, but it woke her up.

Ying Bao felt an itch on her cheek. She opened her eyes and realized it was Huangfu Xuanye. She sat up in surprise. "Uncle... you're awake..."

Ying Bao rubbed her sleepy eyes and looked at him happily.

"I'm fine. Don't worry."

Huangfu Xuanye shook his head and smiled. The expression on his face was always so calm.

The moment he spoke, he said that he was fine even though he was sick.

Ying Bao was devastated and could not help but cry again.

"Why are you crying again?"

Huangfu Xuanye wiped her tears with his long fingers and comforted her, "Aren't I fine? Why are you crying?"

"You were sick, but you never told me."

"I'm sorry, I just found out. But don't worry, it's not a big problem."

The more casual he sounded, the more heartbroken Ying Bao felt.

"Uncle..."

Just like when she was little, she threw herself into his arms and sobbed.

Huangfu Xuanye stroked her hair and patted her back gently, coaxing her.

He really wanted to pull her into his arms, but when he saw Tang Feimo lying on the sofa, he quietly lowered his hand.

He shouldn't yearn for something that didn't belong to him.

Ying Bao sat up and asked, "Uncle, are you feeling better now?"

"Much better."

The two of them stared at each other. In the end, Huangfu Xuanye said, "If you're tired, you can continue to sleep on your stomach. I'll watch over you."

Chapter 2420: Ying Bao (23)

"I'm not sleepy anymore. I'll watch over you. Go to sleep!"

"I'm not tired either."

"Then let's chat!"

“Okay.”

During the time before dawn, the two of them chatted quietly. Ying Bao talked about her life in school while Huangfu Xuanye listened with great interest.

“Are you saying that the character you're playing is the Dark Witch?”

“Yes, someone is playing the role of Princess Airo, so I'm acting as the Dark Witch?”

“Oh, I really want to see you act like a witch. When will the performance begin?”

“We still have to rehearse for a while. When the time for the performance is set, I'll call you.”

“Okay.”

At dawn, Tang Feimo woke up and vaguely heard some people talking beside him. He opened his eyes and saw that it was Huangfu Xuanye. He had been chatting with Ying Bao. His first reaction was to frown.

He stood up from the sofa and came to Ying Bao's side. He glanced at Huangfu Xuanye on the bed and then turned to Ying Bao. “Ying Bao, it's about time. Shall we go first?”

“Brother Feimo, if you want to leave, you should leave first! I want to wait for my mommy and the others to come.”

In fact, Ying Bao could not bear to leave. Since that was the case, Tang Feimo did not say anything and walked out sulkily to get some air.

For some reason, he suddenly felt like his presence in the ward was redundant.

Ying Bao thought that Tang Feimo had left, but she did not expect him to only go out to buy breakfast. Not long after, he returned to the ward.

“Brother Feimo, I thought you left!” Ying Bao said.

“Why should I leave when you're still here? I bought you a toothbrush, toothpaste, and breakfast.”

Tang Feimo handed the food to Ying Bao. Ying Bao thanked him and turned to Huangfu Xuanye. “Uncle, do you want to eat something?”

“I'm not hungry. You guys go ahead and eat!”

Huangfu Xuanye shook his head. He had received a warning look from Tang Feimo and did not want him to misunderstand.

After that, Ying Bao washed up in the bathroom in the ward and ate some snacks. Not long after, Jing Xi brought people to the ward and also brought a lot of daily necessities for Huangfu Xuanye.

Upon sight of Ying Bao, Jing Xi said, “Okay, Ying Bao. You and Feimo go back first. Leave the rest to Mommy. Don't worry!”

Ying Bao had stayed up all night and was not in her best state. She did not force herself and said to Huangfu Xuanye, “Uncle, you can stay here in peace. I'll come and see you later.”

“Okay. Hurry along!”

Ying Bao was escorted back to the Triumph Palace by Tang Feimo. It was impossible for her to go to school in her current state.

She took a day off from school and went back to the palace in the morning. After a long sleep, she woke up in the afternoon and went to the hospital ward.

Huangfu Xuanye looked much better today, and his face was not as pale and scary as yesterday. After Ying Bao came, she accompanied him to chat, and Jing Xi could temporarily return to the palace to settle some matters.

Before leaving, he told Ying Bao that he would pick her up later.

Ying Bao and Huangfu Xuanye stayed together the whole time. Huangfu Xuanye was afraid that she would be bored in the ward. He said, “Cherry, if you feel bored, you can go out and get some fresh air. Don't worry about me.”

“It's fine. I'm not bored. You're a patient now. I have to accompany you to feel at ease.”

Ying Bao looked at the fruit on the bedside table and said, “Uncle, why don't I peel an apple for you?”

“Do you know how to peel an apple?”

“Why wouldn't I know how to peel an apple? Even a fool can! Just you wait!”
