

Priceless 2431

Chapter 2431: Ying Bao (34)

It was on this day that the evil witch Maleficent suddenly appeared in the main hall and cursed Princess Aurora to be stabbed to death by a spinner needle on her 16th birthday.

'When Stefan saw his old flame, not only did he not have any feelings for her, but he also ordered his guards to arrest her.

'When the witch escaped, she took Princess Aurora away in order to take revenge on Stefan for hurting her.

Little Princess Aurora grew up carefreely in The Moors and regarded the witch as her mother. In The Moors, she unexpectedly met a handsome prince.

The good times did not last long. In order to save his beloved daughter, King Stefan once again embarked on the journey. He led the human army to defeat the fairies, trampling The Moors with his iron hooves and saving Princess Aurora.

However, when Princess Aurora returned to the human castle, she missed her witch mother. On the day of her 16th birthday, the curse was fulfilled. She was stabbed by a spindle and fell asleep.

The witch Maleficent quietly came to the human castle just to see little Aurora. The daughter she had been with for 16 years had become an important part of her life.

Seeing the princess fall into a deep sleep and feeling repentant for the curse she had put on her, the witch gently touched her forehead in front of the bed and kissed her.

Miraculously, the kiss that woke the princess was not from the prince's true love, but the witch's own motherly love.

The climax of the story began. In order to eradicate the witch, King Stefan ordered his troops to surround her and finally captured her. He wanted to completely destroy her.

However, the kind Aurora had helped the witch recover the wings she had once been cut off by the king. The witch regained her magic and power, and finally, with the fairies, she completely destroyed Stefan's kingdom.

After the hatred was gone, the curse on the witch was removed and she returned to her original appearance as the fairy princess.

In the end, Princess Aurora returned to The Moors with her mother and the prince to live happily ever after.

After the performance ended, the audience came back to their senses from the feelings of love and hatred they had created and applauded enthusiastically.

Their stage play could be said to have surpassed the original work. It was very innovative. In comparison, all of the other participating clubs had performed the original story. Only Ying Bao and her drama club

had achieved true innovation and perfect acting.

In the end, the competition ended and Ying Bao and the others won the championship for Sleeping Beauty.

Perhaps in the beginning, none of them had expected to win the award in the end. If Ying Bao had not participated and chosen the role of the witch, they might have acted according to the original plot.

They had changed the script for Ying Bao's role.

Ying Bao also won the Best Young Actress Award because she played two roles and performed outstandingly as the witch.

Ying Bao put on her beautiful crown and waved at her parents on the second floor.

Jing Xi, Huo Yunshen, and the others all saw their daughter's wonderful performance and cheered for her.

Ying Bao stood on the stage and looked around for Huangfu Xuanyan.

However, there were too many people and she could not see clearly!

The competition ended and Ying Bao went backstage to remove her makeup.

Yi Rou'er stared at Ying Bao with jealousy and hatred in her eyes. She hated Ying Bao to the core. She was the main character, the Sleeping Beauty, and she should have been the limelight of the show.

Chapter 2432: Ying Bao (35)

But now that the plot had been edited, the main character was no longer "Sleeping Beauty," but "The Dark Witch."

In the end, she was just a supporting role for the witch and she had to keep calling her 'Mother' in the drama. The thought of it disgusted her.

At this moment, Yi Rou'er was sitting in her costume of a kind fairy and removing her makeup. She thought for a while and saw a glass of fruit juice beside her hand. She developed an evil idea.

She picked up the fruit juice. She planned to walk behind Ying Bao, and then deliberately splash the juice all over her body to embarrass Ying Bao when she wasn't paying attention.

Unexpectedly, Ying Bao noticed Yi Rou'er in the mirror.

Ying Bao knew that Yi Row'er disliked her, so every time Yi Row'er appeared, she would pay special attention to her.

Yi Rou'er walked towards her with the fruit juice in her hand. She knew without thinking Yi Row'er would not be so kind as to treat her to some juice.

'When Yi Rou'er approached Ying Bao, Ying Bao deliberately stood up and shouted, "Oh my, I don't have time!"

She raised her hand and knocked over the juice in Yi Rou'er's hand. Yi Row'er screamed in pain. She turned her head and saw that her face and her beautiful princess dress were all covered with yellow juice that flowed down her cheeks. It was disgusting.

Ying Bao pretended that she did not know what was going on. "I'm sorry, Yi Rou'er. I didn't see you standing beside me. I accidentally dirtied your clothes. What should I do? Should I help you wash them?"

Just as Yi Rou'er was about to flare up, the person-in-charge of the drama club came over to ask about the situation. Ying Bao explained briefly and the person-in-charge said to Yi Rover, "Her Highness didn't do it on purpose. Yi Rou'er, hurry up and wash up! I'll get someone to find you a change of clothes!"

She then turned to Ying Bao and said, "Your Highness, if you're in a hurry, you should leave first!"

"Okay, thank you!"

Ying Bao smiled smugly and turned to leave while carrying the hem of her dress.

Yi Rou'er was so angry that she was about to explode. She had really gone for wool and come home shorn.

Ying Bao did not change out of her clothes. She was still wearing the princess costume. She ran away from the backstage and saw Tang Feimo waiting for her.

"Cherry!"

"Brother Feimo!"

Ying Bao ran over happily and they hugged each other.

Tang Feimo carried her around and put her down. He praised her, "Oh my, our Little Cherry, your acting is so good!"

Ying Bao was very happy. She waved the trophy in her hand and said, "I didn't expect it either. Let's go. I want to show Daddy and Mommy my trophy."

"Okay, let's go."

Tang Feimo accompanied her to the private room. When Ying Bao saw her parents, she immediately jumped into her mother's arms. Huo Yunshen also came over to hug her, and so did her younger siblings.

Even Ye Xun's two little imps joined in the fun and huddled together.

"Daddy, Mommy, I didn't embarrass you guys, did I?"

Ying Bao raised her head and asked.

"No! You're our pride and joy!"

Jing Xi and Huo Yunshen rewarded their daughter with a kiss on her cheek.

The next few children also vied to kiss her. Ying Bao squatted down and stretched her cheek towards them to let them kiss her one by one.

Ye Xun and Huo Sanyan did not forget to send their congratulations. Everyone was present, but Ying Bao did not see the king.

“Daddy, Mommy, is Uncle here?”

Jing Xi told her, “He's here. He watched your performance and praised your acting.”

“Where is he now?”

Chapter 2433: Ying Bao (36)

“He's going back to his hotel first.”

“Is it his usual haunt, the National Hotel?”

Ying Bao knew that every time Huangfu Xuanye came to the Dragon Kingdom, he would be arranged to stay in the best presidential suite in the hotel if he did not stay in the Triumph Palace. She knew his room number and after confirming it with her mother, she said, “Then I'll go look for him now.”

“Sigh...”

Jing Xi wanted to stop her and tell her something, but the girl ran out.

Seeing Ying Bao run out, Tang Feimo quickly chased after her and drove her to the hotel.

When they arrived at the National Hotel, Ying Bao went up to look for Huangfu Xuanye. Tang Feimo did not go up but waited for her downstairs.

Ying Bao took the stairs up to Huangfu Xuanye's presidential suite. She stood in front of the door, her heart beating wildly.

It had only been a while since they last met, and she was already feeling a little nervous. What was going on?

It was a feeling she had never felt before.

Ying Bao suppressed the excitement in her heart and adjusted her breathing. After taking a deep breath, she rang the doorbell.

After a while, the door opened from the inside. Before she could see the person's face clearly, Ying Bao made a “Surprise” gesture.

But the next second, Ying Bao was stunned.

Because the person standing in the doorway was not the king, but the daughter of the king's steward, Shen Wanxin.

She knew Shen Wanxin. She often saw her when she visited the Northern Kingdom.

Shen Wanxin was standing inside the room. She was wearing a white bathrobe and her hair was wet. It was obvious that she had just taken a shower.

Ying Bao suddenly felt a little depressed. Why was Shen Wanxin in the king's room?

Seeing Ying Bao appear, Shen Wanxin smiled charmingly and said, "Your Highness, long time no see."

Ying Bao pouted and looked her up and down. She asked unhappily, "Shen Wanxin, why are you here?"

"I haven't introduced myself yet. I'm now Xuanye's fiancée."

Shen Wanxin had deliberately pulled one side of her bathrobe downwards to reveal her shoulders. It was not hard to imagine what the man and woman had done in the room.

"You? Fiancée?" Ying Bao couldn't describe how shocked she was.

(If you have problems with this website, please continue reading your novel on our new website myboxnovel.com THANKS!)

'She's Uncle's fiancée?

'Why is it Shen Wanxin?

'He can get married, but why does it have to be Shen Wanxin?'"

Ying Bao did not like Shen Wanxin, because the gaze in her eyes was often very unsettling. She always felt that she was a scheming woman.

Ying Bao really wanted to go into the room to look for Huangfu Xuanye. But now, she was no longer qualified to go in. On the night of her birthday, she had personally told Huangfu Xuanye not to waste anymore time and to go back and marry a good woman.

Now that he had found her, what else could she do?

Just as Ying Bao was feeling conflicted, Huangfu Xuanye appeared in the room. He was also wearing a white male bathrobe, and he looked like he had just taken a shower.

"Cherry, you're here!"

'When he saw Ying Bao, he greeted her generously and put his arm around Shen Wanxin's shoulder. "I wanted to introduce you to Wanxin."

"There's no need to introduce her. I know her. She's now your fiancée. Heh..."

Ying Bao looked at the couple in their bathrobes and forced a bitter smile.

"Come in and have a seat! Wanxin and I watched your performance today. You did really well."

Huangfu Xuanye invited her into the room to talk, but Ying Bao did not go in. "Thank you, but I won't go in. Brother Feimo is still waiting for me downstairs. I just came to see you... Now I'll get going!"

Chapter 2434: Ying Bao (37)

Ying Bao took a few steps back and waved at them smilingly.

After taking a few steps back, she turned around and left but the moment she turned around, her heart hurt!

Tears welled up in her eyes immediately. It was an indescribable pain. She felt as if someone was holding her heart. It was unbearable.

After a few steps, she practically ran out of the floor and hid in the elevator.

'When the elevator door closed, her tears fell.

Ying Bao could not help but scold herself. 'Why am I crying?

'shouldn't I be happy that he finally has a fiancée?

"He finally doesn't have to live alone anymore. This is a good thing!"

"Huo Yinyin, can you buck up? Don't cry, silly!"

In fact, she was not the only one who was heartbroken. The moment Ying Bao ran away, Huangfu Xuanye was heartbroken. He wanted to call out to her, but he could not do so.

He might be visiting her for the last time.

He had brought Shen Wanxin here to let Ying Bao know that he had promised her that he would find a woman to marry. He also hoped that she could be together with Tang Feimo in the future.

"Your Majesty, what's wrong?"

Shen Wanxin noticed that Huangfu Xuanye was grabbing his heart. He looked like he was about to have a heart attack.

"I'm fine... Help me into the room..."

Huangfu Xuanye's heart was in pain because of the emotional fluctuation just now.

He asked Shen Wanxin to help him into the house and found some medicine to take. Only then did he feel better.

After his body was fine, he said to Shen Wanxin, "Okay, you can go back now! It was hard on you just now!"

"Your Majesty, this is nothing."

Shen Wanxin knew that he just wanted her to stage an act with him in front of Princess Cherry but regardless of whether it was acting or not, she had already become Huangfu Xuanye's prospective wife.

It was only a matter of time before she became the empress of the Northern Kingdom!

The elevator door opened and Ying Bao walked out.

'When she saw Tang Feimo in the hotel lobby, she had already wiped her tears dry.

"Why are you crying?" Tang Feimo asked. "Did you find him?"

“Yes.”

Ying Bao avoided Tang Feimo's gaze and pretended to be indifferent. “I saw Uncle and his fiancée. I'm really happy for him. He finally doesn't have to be alone anymore.”

Ying Bao smiled, but Tang Feimo felt that she looked worse than crying.

“Where are we going now?” Tang Feimo asked.

“Brother Feimo, let's go have some barbecue and beer! I'm happy today!”

Ying Bao wiped her tears and forced a smile.

“Okay.” Tang Feimo took her out of the hotel and found a barbecue restaurant. They ordered barbecued meat and beer.

Tang Feimo was in charge of cooking the meat. Ying Bao looked at the sizzling meat that was being cooked by the charcoal fire, but the images of what she had seen in the hotel kept replaying in her mind.

Tang Feimo noticed that she was crying again and asked, “Cherry, why are you crying?”

“No! I'm just happy for the king. He finally found someone to marry. I don't even know when it happened. It was so sudden.”

Ying Bao began to drink, trying hard to stop herself from crying.

“Actually, it happened a while ago. I saw the news in the Northern Kingdom and knew that Huangfu Xuanye was looking for a woman in the country to marry.”

Tang Feimo told Ying Bao about it. Ying Bao burst into tears, but she forced a smile on her face and raised her glass to him. “Since Uncle can find a wife, we should all wish him well. Come on, Brother Feimo, let's wish him well together!”

Chapter 2435: Ying Bao (38)

The two of them drank and ate barbecue together. Ying Bao felt a strong urge to cry. She made an excuse, “Wow, this chili sauce is so spicy! It's so spicy that I'm about to tear up!”

Ying Bao was already drunk after drinking a few cans of beer. She could not control what she was saying. She punched her chest and asked Tang Feimo, “Brother Feimo, tell me... why am I so happy.

Tang Feimo's heart ached for her. He comforted her, “Your heart is fine. You're just overjoyed. Okay, Cherry, stop drinking!”

“I can still drink... I'm not drunk... I remember what happened ten years ago... When Mommy went missing, I felt the same way every day. My heart hurts...”

“Maybe it's because... I've long treated him like family...”

“I should be happy to see him well...”

Ying Bao's cheeks were flushed red, and her eyes were glazed. She seemed to be overwhelmed with sadness.

She drank beer and talked about the past, crying and laughing.

In the end, she finished the last mouthful of wine and poured it on the table.

“Cherry... Cherry...”

Tang Feimo called her several times, but there was no response. He looked at the girl lying on the table and sighed.

He knew that Ying Bao was upset because she liked Huangfu Xuanye and saw him getting married to another woman.

She was sad, but she still didn't know why she was sad or why she was crying. She had no idea that it was because she liked someone that she felt pain in her heart.

Tang Feimo could understand her feelings because he also loved Ying Bao. He had experienced this feeling the most.

He had reached an agreement with Huangfu Xuanye that he would protect Ying Bao and take care of her for the rest of her life.

And Huangfu Xuanye had found a marriage partner so quickly because he wanted to help him and Ying Bao. So from now on, Tang Feimo could only treat Ying Bao better.

but it hurts here? Is there.

something wrong with my heart?”

He believed that Ying Bao's sadness was only temporary. As time passed, she would slowly forget her feelings for Huangfu Xuanye. As long as he was by her side, they would be together day and night. In the end, she would definitely fall for him.

After paying the bill, Tang Feimo carried Ying Bao out of the barbecue shop and drove her back to the palace.

In the morning, Ying Bao woke up quietly in her princess room. She could feel her head hurting.

She opened her eyes and looked at her surroundings. She recalled that she had gotten drunk last night and could not remember what happened after that. She guessed that it was Tang Feimo who had sent her back.

She was lying in a daze under the blanket when the door opened. Her mother came in from the door and saw her head popping out. She walked over and sat by the bed. “Ying Bao, you're awake? How do you feel?”

“Mommy.

Ying Bao called out aggrievedly.

“You were drunk last night. Feimo sent you back and you cried so badly. Are you okay?”

She did not even tell her daughter that she had gotten drunk last night and cried so badly that her makeup had smudged. When she came back, she even vomited all over the place. It was all personally cleaned by her.

“I’m fine, Mommy. I just feel a little sick in my stomach and my head hurts.”

“That’s because you drank too much. Don’t drink anymore next time, do you hear me?”

Jing Xi touched her head and face and said with heartache.

“I know, Mommy.”

Ying Bao nodded and hid the misery in her eyes.

Chapter 2436: Ying Bao (39)

“Alright, you can continue to lie down and rest. I’ve already applied for leave for you. You don’t have to go to school today. Xuanye and his fiancée will come to the palace to visit at noon. When the time comes, you will be responsible for receiving them!”

Ying Bao felt like she was being forced to stomach her agony. She did not want to welcome Uncle King and his fiancée, but her mother had already made arrangements and left the room.

Ying Bao lay back on the bed, but she was not sleepy at all. She forced her eyes open and lay there for an hour before finally getting up.

The king was coming to the palace. She could not let him see her dispirited look. She had to show her confidence.

At least, she could not let Shen Wanxin look down on her.

With this thought in mind, Ying Bao got the motivation to get out of bed. She washed up and changed into a beautiful dress. She looked at herself in the mirror and felt that she still looked youthful and lively, but her eyes were swollen like walnuts. What should she do?

While they were eating breakfast, Ying Bao’s brothers saw her coming and laughed at her. Ying Bao asked gloomily, “Stop laughing, what’s so funny?”

“Sis, you don’t look like Princess Cherry. You look like a frog princess! Croak...”

Ying Bao :”...”

Apple quickly corrected him. “No, no, I should call her Princess Walnut, hahaha.”

Ying Bao was so angry that she knocked their heads with her chopsticks. “Who told you two to gloat? Hurry up and eat!”

Only Little Strawberry was her sister’s most loyal fan. She said enviously, “Wow, sister’s eyes are good friends. I also want walnut-like eyes.”

” “Ying Bao rubbed her sister's little head. She really didn't know whether to be angry or laugh. “Don't be anxious. You will have a pair when you grow up.”

“That's great!” Little Strawberry said excitedly. “Sis, Mommy said you don't have to go to school today. Can you play with me?”

“Can you play on your own? I don't feel like playing games today,” Ying Bao said apologetically.

Strawberry pursed her lips and said, “Okay then. Mommy also said that Brother Feimo will come to our house. I can play with him

“Oh.”

Ying Bao did not say anything else. She thought that if Brother Feimo came too, she would not feel awkward when she saw Huangfu Xuanye and Shen Wanxin in the afternoon.

The whole morning passed very slowly. Ying Bao had never felt so miserable waiting for someone. She wanted to see the king, but she was also afraid to see him. She was in a dilemma.

It was around 9 am when Tang Feimo arrived at the palace.

The moment he saw Ying Bao, Tang Feimo stared at her eyes for a long time and asked, “Why are your eyes like this?”

“Are they ugly?” Ying Bao asked.

“Alittle.”

Every time he spoke, he would save her from embarrassment. So Ying Bao felt that her eyes should be really ugly.

'What should she do?

How was she supposed to face anyone with her ugly appearance today?

“Theard that the king of the Northern Kingdom is coming. Should we prepare something?” Tang Feimo asked.

“You're doing great. The problem lies with me me. I don't have the face to face anyone now. Why don't you wait for me for a while? I'll go back to my room and dress up.”

Ying Bao then ran back to her room.

Tang Feimo stood where he was and was about to find a place to sit and wait for Ying Bao. Just as he was about to jump, he felt his thighs tighten.

He lowered his head and saw that it was the little devil, Little Strawberry. The little girl had a cute little face and her big eyes were glistening in a lively manner. Her eyelashes were thick and long, and she had really inherited all the good genes of her parents.

Chapter 2437: Ying Bao (40)

'This little kid is extraordinarily cute!'

Tang Feimo looked at Little Strawberry as if he was looking at Ying Bao from ten years ago.

He was 22 years old, and she was 10 years old. They were 12 years apart, just like Ying Bao and Huangfu Xuanye. Tang Feimo was probably an uncle in Little Strawberry's eyes.

"Strawberry! Aren't you going to school today?"

'Tang Feimo squatted down and talked to Strawberry.

Little Strawberry smiled and shook her head. She was a shy little girl. When she saw someone she liked, she would only smile and look at them without saying much.

"Don't be shy. Tell me, are you not going to school today?"

'Tang Feimo grabbed the little girl's arm and stared at her blushing face.

"Yes."

Little Strawberry became even more shy. She felt that Brother Feimo was as tall and handsome as her father.

Every time she saw Brother Feimo with her sister, she would feel envious!

She wished that she could grow up faster so that she could be like her sister and play with Brother Feimo.

"What are you going to do now?" Tang Feimo asked.

Little Strawberry didn't say anything. Instead, she grabbed his hand and pulled him towards the garden.

Since Tang Feimo had nothing to do, he followed her to the garden. He then saw Little Strawberry laying a few small plates, bowls, spoons, and forks on the round table, as if she was playing a game of house.

She felt bored playing alone, so she wanted to invite Tang Feimo to play with her.

"Strawberry, are you cooking? You're so capable! You made so many tasty dishes, are you going to have guests over?" Tang Feimo asked as he looked at the flowers and leaves on the plate.

"Okay." Little Strawberry nodded and let Tang Feimo sit down on the stool. Tang Feimo asked in surprise, "Oh, Strawberry, you want to invite me to dinner, right?"

Little Strawberry did not say anything. He only blushed and smiled. He placed the small bowl and spoon in front of him and began to help him "scoop" the food.

"Thank you."

'Tang Feimo began to play house with the 10-year-old girl.

After playing the game for a while, Ying Bao came out of her room and saw Tang Feimo playing with her sister in the garden. She also walked over.

“Strawberry, are you treating Brother Feimo to a meal?”

Little Strawberry and Tang Feimo turned their heads when they heard Ying Bao's voice but when they saw the person in front of them, they were stunned.

Ying Bao had changed into a black suit and was dressed as a handsome boy. She even wore a short wig and a pair of big sunglasses.

That way, no one would be able to see her swollen eyes.

“Cherry, where are you going?”

Tang Feimo asked.

“I'm not going anywhere. I'm staying at home!” Ying Bao came over and sat down on another empty stool.

Little Strawberry also helped her sister get a bowl of “rice.” Ying Bao thanked her and said, “I saw it. I can't even cover my eyes with makeup. I might as well wear sunglasses.”

In order to match her sunglasses, she changed into a handsome suit. Ying Bao was especially suitable for cross-dressing as a man. Usually, when she disguised herself as a man, no one would recognize her.

The two adults played house with Strawberry until 10: 30 pm. A servant came to inform them that the king of the Northern Kingdom had arrived.

Ying Bao's hand trembled and the empty wine glass in her hand fell onto the table. Little Strawberry cried out in surprise, “Oh my, Sister, you spilled your wine.”

Chapter 2438: Ying Bao (41)

“It's alright, it's alright.”

Ying Bao realized that she shouldn't be so nervous. It wasn't as if she didn't know the king. It was just that he was going to bring his fiancée with him.

After all, this was her home, her home ground. What was there to panic about?

“Let's go, Ying Bao. It's time to greet the guests,” Tang Feimo said. He then said to Strawberry, “Strawberry, you can play here by yourself. We're going to entertain the guests. I'll play with you when I have time later, okay?”

Little Strawberry did not say anything. She just stared at Tang Feimo, hoping that they would not leave and continue to play with her.

Looking at the reluctant gaze in her eyes, Tang Feimo reached into his pocket and found a lollipop, which was a gift from the salesperson when he passed by the convenience store on his way here.

“Little Strawberry, how about I give you this lollipop?”

Little Strawberry had a good upbringing. She never asked anyone for anything, even if she really wanted it.

Ying Bao knew that her sister wanted the lollipop. She took the lollipop from Tang Feimo's hand, peeled it for her, and handed it to her. "Okay, Strawberry, have a lollipop! Go play with Grandma Lan first! I'll play with you later!"

Little Strawberry nodded.

Ying Bao left with Tang Feimo. The little girl stood where she was and watched them leave.

'When will I grow up to be as big as my sister?'

In the main hall of the palace.

Huangpu Xuanye brought Shen Wanxin here and was welcomed by Jing Xi and Huo Yunshen.

Jing Xi looked at the woman beside Huangpu Xuanye and smiled. "Is this Xuanye's fiancée?"

"Yes, her name is Shen Wanxin," Huangpu Xuanye said.

"Hello."

Jing Xi shook his hand.

"Nice to meet you, Your Majesty. You're even younger and prettier than you were on TV," Shen Wanxin praised.

"Thank you. We are very happy that you are able to visit our palace today. Don't stand on ceremony here!"

"Yes, Your Highness."

They drank their tea and Huo Yunshen asked Huangpu Xuanye, "When do you plan to hold the wedding?"

"We'll start preparing when we get back. We'll hold it next month at the latest."

"Yes, we will go and celebrate your wedding together," Huo Yunshen said.

"Thank you."

While the adults were chatting, Tang Feimo and Ying Bao walked over together. When they saw them coming, especially when they saw Ying Bao dressed like a tomboy, they could not help but be stunned.

"Ying Bao, are you going out with Feimo?" Jing Xi asked.

Ying Bao patted the side of her pants. "Oh, I do. But I'm not going now!"

She turned to Huangpu Xuanye and Shen Wanxin. "Uncle, you're here!"

She could still greet him with the same tone as before, but the feeling in her heart was completely different. A faint sour feeling filled her heart, and her eyes felt a little hot.

Fortunately, she was wearing sunglasses. Otherwise, she probably would not be able to control her emotions.

“Since you're not going out now, you should accompany Xuanye and Miss Shen to the palace!” Jing Xi felt that since they were both young people, they should be able to chat well together.

It was better than being together with an adult.

“Okay, Mommy.”

Ying Bao agreed and invited Huangpu Xuanye and Shen Wanxin on a tour around the palace.

The garden of the Triumph Palace was exquisitely decorated and it looked like spring all year round.

Chapter 2439: Ying Bao (42)

Flowers bloomed here all year round, and the most beautiful ones were the beds of chamomile planted by the king for the queen.

In the past, Shen Wanxin had only heard about the love story between the king and queen of the Dragon Kingdom. Now that she was here, she could confirm with her own eyes that the couple was indeed very loving. The whole palace gave people the feeling of a very warm and beautiful family.

“The palace of the Dragon Kingdom is so beautiful,” Shen Wanxin said.

“Of course. My daddy loves my mommy very much. He built this beautiful garden for her, and many of the plants in it were planted by my daddy,” Ying Bao introduced proudly.

In fact, Shen Wanxin did not want to visit the palace. Standing here would only make her feel how lowly her status was. Compared to princes and princesses, she was simply incompatible.

The adults thought that they would be able to chat with each other since they were about the same age, but in fact, it was even more awkward when they were together.

In the past, Ying Bao and Huangfu Xuanye would talk about anything under the sun but now, there was an invisible ravine between them.

The two of them were very close to each other, but they could only watch from afar.

However, Tang Feimo and Huangfu Xuanye used to be loggerheads but now, they had become friends.

The two girls walked in front. Tang Feimo and Huangfu Xuanye were actually talking about national affairs and politics behind them. They looked just like good friends.

There wasn't much interaction between Ying Bao and Huangfu Xuanye. They walked around the palace's garden and soon, it was lunchtime. The servants came to ask them to go for lunch.

In the dining hall of the palace, Huo Yunshen sat at the head of the table. The distinguished guests sat at the seats of honor. Ying Bao and Tang Feimo sat on the other side of the table with their mother. Little Strawberry was eating with them and sitting beside Tang Feimo.

Shen Wanxin was seated opposite Ying Bao. Every time she raised her head, she would see a face that she did not like very much. She could only see Huangfu Xuanye when she looked sideways.

They would occasionally make eye contact, but Ying Bao would always look away in time.

That made Huangfu Xuanye feel very uncomfortable. It was as if he could no longer live happily with Ying Bao like before.

Ever since he had a “fiancée,” Ying Bao seemed to have been hurt and was always avoiding him.

However, this was Huangfu Xuanye's goal. Only by doing this could he push Ying Bao away from him.

It was indeed a cruel thing to cut off years of dependence, but what else could he do?

Ying Bao acted as if nothing had happened during the meal but there were a few times when she felt so sour that she wanted to cry. She could only try her best to convince herself to let it go.

After lunch, Ying Bao realized that she could no longer continue to pretend. She found an excuse and pulled Tang Feimo out of the palace.

She had been wandering around Mo City with Tang Feimo for the whole afternoon and her heart felt empty.

Tang Feimo wanted to treat her to a movie, but she did not want to. She was not interested in skating either.

'When she returned to the palace at night and saw her mother, the first thing she asked was, “Mommy, has Uncle... left?”

Jing Xi was preparing dinner. She did not turn around and answered directly, “Yes, they left but he left you a gift. It's in your room.”

“Okay.”

Ying Bao was curious. What would the king give her after he left?

Chapter 2440: Ying Bao (43)

Ying Bao ran back to her room. She opened the door and looked around.

Finally, she saw a dark brown oaken box on the bed.

Ying Bao closed the door and walked over. She picked up the box from the bed. It felt heavy. She shook it, but there was no sound. She didn't know what was inside.

She took a deep breath and opened the box. It was a book-like item.

'The texture was very good. The cover was solid in color, and in the middle, there was a cherry symbol made of pure gold. After flipping it open, she saw a line of beautiful English handwritten words written on the first page.

[To My Favorite Little Princess]

'When she flipped the page, Ying Bao realized that it was filled with photos of her. They were all cut into various interesting shapes with beautiful illustrations and comments.

After looking through the whole book, she realized that it was a scrapbook full of photos of her that were taken throughout her childhood and adolescence.

It was a thick book of photos that Huangfu Xuanye had collected over the past ten years.

Traces of wear and tear could be seen on the edges of the notebook and she knew that it must have been read countless times.

She could almost imagine Huangfu Xuanye sitting alone in the empty Hua Er Palace on every lonely night, flipping through these photos.

It turned out that he had been his time like this all these years when she was not by his side.

After she finished reading the whole scrapbook, Ying Bao hugged it in her arms and cried sadly.

Now that the king had given her the scrapbook, it meant that he would not need her company in the future.

He had a fiancée now. Someone would help him get rid of his loneliness.

'There was no need for her to worry anymore!

This was what Ying Bao had hoped for. She had hoped that someone would accompany him so that he would no longer be lonely. But why was she so sad now that he finally had someone by his side.

She could not be so selfish as to not let the king get married forever!

'Right? I can't be a selfish girl!"

'That night, Ying Bao was alone in her room and she flipped through the scrapbook several times.

She wanted to call Huangfu Xuanye several times, but she didn't have the courage to do so.

'The next day, Ying Bao went to school.

She was in a bad mood. She would also get distracted during class. Whenever she thought of Huangfu Xuanye, her heart would hurt.

She lowered her head and looked at the book. The wind outside the window blew up the pages of the book, and she could not help but think of Huangfu Xuanye's fluttering clothes.

She wrote and doodled. When she came back to his senses, he had already written a lot of "Ye" characters.

'What is wrong with me?

She had never felt so lost before!

Ying Bao was about to go crazy from her frustration!

“Stop writing! It's so annoying!”

Ying Bao pushed all the books in front of her onto the ground. The sound of the books falling to the ground and her screams shocked all the students and teachers in the class.

Ying Bao came back to her senses and realized that she had done something stupid.

Under the stunned gazes of the teachers and students, she quickly picked all her books and arranged them neatly again, pretending to listen to the class seriously.

“Huo Yin, are you okay? Is there something wrong with what I wrote?”

The teacher thought that his writing had “annoyed” the little princess and quickly asked about the situation.
