

## Priceless 2441

### Chapter 2441: Ying Bao (44)

Ying Bao was only annoyed with herself. She shouted at herself to stop writing the character “Ye” and did not mention the teacher. “No, no. Teacher, please continue with your lesson!”

After class, Yi Rou'er deliberately came to find an opportunity to mock her. “How is it, Your Highness? Is it super annoying to not be doing well in school? Why don't you just admit defeat? It's impossible to surpass me!”

With that, Yi Rou'er left the classroom.

Ying Bao threw her book on the table, her heart filled with anger. She decided that from today onwards, she would study hard and convert her longing for Huangfu Xuanye into motivation.

She wanted to surpass Yi Rou'er and defeat her with her capabilities. 'Let's see if she would still be so arrogant then!’

From that day onwards, Ying Bao spent all her time on her studies, forcing herself not to think about Huangfu Xuanye.

The Northern Kingdom.

After the trip to the Dragon Kingdom, Huangfu Xuanye returned and ordered his men to prepare for the wedding.

On the other hand, he and Shen Wanxin went to the hospital for a checkup to prepare for the IVF treatment.

However, due to the fact that Huangfu Xuanye had taken a heart attack drug before, the doctor suggested that he stop the drug for a month before trying again.

The news of the king's wedding had already spread throughout the entire Northern Kingdom.

All the people were celebrating for him. All the women who admired him were heartbroken.

The palace also began to prepare the decorations for the wedding. Everyone in the palace began to get busy.

The one who was the most excited was none other than Shen Wanxin. She was about to become the queen, and now she could officially live in the Hua Er Palace as her “[email protected]”

There was a designer who came to take her measurements and customize her wedding dress and jewelry. Everything was as gorgeous as a dream.

Even her father and family seemed to have been blessed by the light of God. The status of the whole family had risen considerably.

Walking in the magnificent palace, Shen Wanxin was like the mistress of the house, giving orders to the servants around her. This feeling was really great.

However, there was only one thing that irritated her.

The king's attitude towards her was always cold and indifferent.

At night, she wanted to stay in the master bedroom and serve him while he rested, but he did not allow her to enter his room.

From the beginning to the end, Huangfu Xuanye could give her the title of queen, as well as wealth and status but he had also clearly told her that he would not consummate his marriage with her.

She knew this from the beginning, but she still could not accept it!

She often saw the king standing in the garden, staring blankly at the cherry trees planted in the garden.

She knew that those trees were planted by him in the past. They had grown from little saplings to big trees. When it was summer, they would be covered with cherry fruits.

Every year, Princess Cherry would come to the palace for a short stay. Her shadow was everywhere in the garden.

Huangfu Xuanye looked at the cherry trees and missed Princess Cherry again.

Shen Wanxin was very annoyed. Her heart was filled with envy, jealousy, and hatred. She hated that Princess Cherry's position in His Majesty's heart was irreplaceable.

She hated the king even more. He wanted to marry her, but he couldn't even give her his body and heart. He only wanted her to undergo the IVF treatment to give him a baby. To put it bluntly, she was just a surrogate mother.

Looking at the cherry trees, the fire of jealousy in Shen Wanxin's heart could not be extinguished.

After the king left the palace, Shen Wanxin ordered the servants, "Cut down all the cherry trees in the garden."

Chapter 2442: Ying Bao (45)

The servant questioned, "Miss Shen, these trees were planted by His Majesty. No one is allowed to touch them without his orders."

"As the future queen, can't I order you to chop down a few trees?"

The servants did not answer, but their silence meant that they would not disobey the king's order.

"Very good! I'll remember you! When I become the queen, I'll definitely teach you a lesson!"

Shen Wanxin glared at the servants who did not obey her orders and left.

The servants exchanged looks with each other. They felt that Butler Shen's daughter had become a different person.

She used to treat people kindly in the palace. Why did she look so vicious and narrow-minded now?

She had not even become the queen yet and she was already so domineering. If she were to become the queen, who knew how much she would transform the palace.

Shen Wanxin's heart was filled with anger that she could not vent. Her father often advised her to not be too tolerant and spoil her plans, but she really could not bear it.

As she sat in the palace, she was still angry. A servant brought over a washed fruit. "Miss Shen, these are some cherries that His Majesty ordered someone to bring back by air. It has been washed. Would you like to try it?"

'Cherry, cherry, it's cherries again!'

Shen Wanxin could not stand to hear the word "Cherry" now, nor could she see any cherry symbols.

At this moment, she saw the servant bringing in a whole plate of washed cherries. Without thinking, she directly raised her hand and knocked over the fruit plate.

"Get out! Don't let me see anything related to cherries! Do you hear me?"

Shen Wanxin shouted angrily. The servant was so frightened that she knelt down, picked up the cherries, and ran away.

Shen Wanxin could not cut the cherry tree, but she had another idea.

Princess Cherry had a special princess room in the Hua Er Palace. It was very luxurious and was specially designed by Huangfu Xuanye.

Princess Cherry was no longer in the Northern Kingdom, but Huangfu Xuanye had asked someone to keep the room.

Today, Huangfu Xuanye was not at home. Shen Wanxin mustered her courage and entered the princess room.

The moment she entered the room, she was attracted by the gorgeous decorations inside. The bed alone was surrounded by many gems. The things in the room could be said to be priceless.

She opened the wardrobe and saw rows of exquisite clothes. It was simply dazzling.

She opened the jewelry box. The jewelry inside was even more unique and luxurious.

Seeing all of this, Shen Wanxin couldn't help but want to try it out. She changed into a lake blue dress that Cherry Princess wore.

She remembered that when Princess Cherry lived here, she loved to wear this dress. She also heard Huangfu Xuanye praise her for it.

Shen Wanxin changed into the dress and stood in front of the full-length mirror to take a look. She was very satisfied. She felt that she was more suitable for this dress than Princess Cherry.

At least she was well-endowed and could carry the dress well. Princess Cherry was still a young girl, and her chest was not fully developed yet. She would look too thin in it.

After putting on her clothes, Shen Wanxin put on the jewelry that Princess Cherry had worn and sat in front of the dressing table, admiring herself.

'Beautiful!'

'So beautiful!'

"These clothes and things should belong to me!'

Just as Shen Wanxin was enjoying herself in the princess bed, Huangfu Xuanye came back from outside.

When he returned to the palace, he noticed that the door to Ying Bao's room wasn't closed. He couldn't help but walk over.

But when he saw the blue figure on the other side of the crystal curtain, he thought his eyes were playing tricks on him and that he had seen Ying Bao.

'Is that Ying Bao?'

'She's in the Northern Kingdom?'

Huangfu Xuanye pushed the door open and shouted, "Is that you? Cherry!"

Chapter 2443: Ying Bao (46)

Shen Wanxin turned around and saw Huangfu Xuanye. "Your... Your Majesty..."

"Why is it you?"

Huangfu Xuanye realized that he was not looking at Ying Bao but Shen Wanxin. He was furious. "Who let you in? Who let you touch the things here?"

"I'm sorry, Your Majesty... I... I didn't know. I was just curious..."

Shen Wanxin fell to her knees in fear.

"Take off your clothes! Get out!"

Huangfu Xuanye pressed on his aching chest and ordered.

Shen Wanxin was shocked by his imposing manner. She quickly took off her skirt and changed back into her own clothes, fleeing in a sorry state.

'When she passed by Huangfu Xuanye, he stopped her. "Stop!"

"Your Majesty..."

Shen Wanxin looked at him in fear, not knowing why he had stopped her.

Huangfu Xuanye did not say anything. He just grabbed her wrist, raised her hand, and forcefully took off the jewelry on her wrist. He shouted angrily, "Get lost!"

Shen Wanxin was frightened and ran out of the palace.

After this lesson, she finally understood that she should not be too arrogant before becoming the queen.

Otherwise, if she angered the king again, the marriage might be canceled. It was better to restrain herself.

After Shen Wanxin ran away, Huangfu Xuanye endured his heartache and walked into the princess's room. He looked at the messy wardrobe, dressing table, and the messy bed, which made him even angrier.

However, he could not lose his temper. He had to calm down.

If it wasn't for the fact that Shen Wanxin was Butler Shen's daughter, he would have gotten someone to chase her out of the palace.

Huangfu Xuanye sat down by the bed and closed his eyes. He took a few deep breaths and slowly suppressed the anger in his heart. Only then did the pain in his heart ease.

During this period of time, he had not used any medicine for the sake of the IVF test. Therefore, he had to control his temper more.

After calming down, Huangfu Xuanye picked up the dress that had been tried on and sighed. He called a servant over and said, "Take this dress and send it for a wash, then put it back in the closet and tidy up the room. From now on, no one is allowed to enter without my permission. Those who disobey will be expelled from the palace."

"Yes, Your Majesty!"

The servant took the dress and left.

Huangfu Xuanye put the ring back into the jewelry box, looked at the room, and finally left.

No matter what would happen in the future, this room was specially made for Ying Bao and would not be canceled. No matter who he married in the future, Ying Bao's position in his heart would never be replaced.

After the results of the mock exam were out, Ying Bao's ranking in the class went from the last in class to the eighth. She did even better than Yi Rover, who was ranked 11th.

It could be said that she had made great progress.

The homeroom teacher deliberately talked to her and praised her. "Huo Yinyin, you've improved a lot in this exam. I can see that you've been spending all your time on your studies. Not bad. Keep working hard and keep working hard!"

“Thank you. It's all thanks to your guidance.” Ying Bao did not forget to flatter him.

After leaving the office, Ying Bao received a call from Tang Feimo. He had invited her to watch his basketball match in the afternoon.

Coincidentally, the last two periods of Ying Bao's afternoon classes were self-study sessions. Thus, she agreed and said that she would go to their school to look for him on time in the afternoon.

After two classes in the afternoon, Ying Bao applied for leave and went to Tang Feimo's school.

This time, she did not dress up like a boy. Instead, she went in her natural state.

Chapter 2444: Ying Bao (47)

As a result, from the moment she walked into the university campus, many people turned their heads and paid attention to her. Many boys could not help but take a few more glances at her. They even wanted to know which class she was from.

They also recognized her as Princess Cherry who liked hosting live-streams. They greeted her excitedly and even secretly took photos of her on their phones.

Ying Bao did not notice the gazes of the passers-by and went straight to the school field.

There were many people gathered here. The basketball league had already started for more than two hours.

Ying Bao looked for Tang Feimo on the field. She knew his jersey color and number. After a while, she finally found their team.

“Brother Feimo!”

Ying Bao shouted.

Tang Feimo, who was among the crowd, heard her voice and turned around. When he saw her, he immediately came over to welcome her.

His classmates all thought that Ying Bao was his girlfriend. They all whistled for Tang Feimo to introduce his girlfriend to everyone.

He brought Ying Bao to the crowd and took the opportunity to introduce her. “This is my girlfriend.”

His plan was that if Ying Bao did not object, he would use this opportunity to develop a relationship with her.

However, Ying Bao and Tang Feimo were not actually in a romantic relationship. She did not want everyone to misunderstand. She smiled and explained, “I'm not his girlfriend. I'm his sister.”

“Oh...” The crowd cheered again. Tang Feimo had no choice but to correct them. “Okay, okay. I was just joking. Don't make a fuss. She is indeed my sister.”

“Tang Feimo, what's your sister's name?”

“Your sister is so pretty. What's her number? Can you recognize her?”

Some of the team members wanted to get to know Ying Bao. Tang Feimo replied bluntly, “She is not someone you can covet. Don't even think of it, she's out of your league. Prepare for the competition!”

Someone saw Ying Bao taking out her phone to take a picture of the school tournament. He suddenly recognized her and exclaimed, “OMG, Tang Feimo! Is she Princess Cherry who hosts live-streams?”

“She does look like Princess Cherry! They look too similar! I've been following Princess Cherry's live-streams. Open it!”

Those people opened the livestream app and clicked onto Ying Bao's homepage. They compared the photos. 'Oh my god, it's really the princess beside us!’

All of a sudden, they realized that Ying Bao was the princess of the Dragon Kingdom. The boys who were asking for her phone number were all shocked. They were too rash. They were courting a girl who was out of their league.

'Tang Feimo ignored his teammates and arranged a seat for Ying Bao.

He and his teammates prepared to enter the venue. The match began.

Ying Bao sat quietly in the audience and watched Tang Feimo play. When the match reached the climax, she did not forget to cheer him on.

After the competition ended, Tang Feimo went back to campus to take a shower and change into a clean set of clothes. He then went to find Ying Bao and left together with her.

After dinner, Ying Bao told Tang Feimo that she had scored eighth in class. Tang Feimo gave her a thumbs up. “As long as you put your mind to it, there's nothing she can't do.”

“I want Uncle to have a normal heart, but I can't!”

Both of them fell silent after Ying Bao blurted that.

After a while, Tang Feimo thought that Ying Bao would be happy again, but he realized that she was moody and glum.

Especially after she inadvertently mentioned Huangfu Xuanye, she would sink into a sorrowful mood.

“Then give him a healthy heart. You can be a doctor and perform the transplant surgery for him in the future. Wouldn't that do?”

Tang Feimo explained.

Chapter 2445: Ying Bao (48)

Ying Bao was suddenly enlightened. “Brother Feimo, you're right! I can become a doctor! In the future, I can apply to study cardiology and specialize in heart diseases. I want to cure Uncle.”

“You can do it! As long as you have the determination, there's nothing you can't do.”

“Yes.”

Perhaps the conversation they just had had completely changed Ying Bao's mind.

From this moment onwards, Ying Bao suddenly had a direction to work towards. She usually felt bored growing up and had nothing to do. She didn't know what she wanted to do.

Now, she finally knew what she had to do.

'With a new direction in mind, Ying Bao was no longer as depressed as before. She pulled Tang Feimo's wrist and said, “Brother Feimo, let's go eat. I'm hungry. I have to eat to have the energy to study.”

“That's right.”

'Tang Feimo was happy to see her pulling herself together and cheering up again.

They had a candlelit dinner in a western restaurant.

While they were eating, Tang Feimo gave her a bouquet of cute flowers. Ying Bao received the flowers and asked curiously, “Brother Feimo, why are you suddenly giving me flowers?”

'Tang Feimo did not want to continue hiding it. Instead, he chose to muster his courage. He was ready to confess. It would be better if Ying Bao could accept him as her boyfriend. If not, they could continue to maintain their “brother and sister” relationship.

“I want you to be my girlfriend!”

Tang Feimo smiled at her.

“Brother Feimo, are you joking?”

Ying Bao was too familiar with him. She was so familiar with him that she knew where the moles on his body were. She knew him so well that sometimes, she could even guess what he meant without him saying anything. She knew him like the back of his hand.

Now that he suddenly asked her to be his girlfriend, she felt that something was off.

“I'm not joking. I'm serious. When we were young, you were my little wife. Now that we've grown up, I hope I can always be by your side to protect you... So, please think carefully. Don't be in a hurry to answer me. I'll give you two days to think about it.”

'Tang Feimo really did not want to hear any words of rejection right now. He would be heartbroken.

'The current him was no longer as domineering as he was when he was young. Perhaps the biggest factor was the difference in their identities.

He felt inferior and cautious in front of the girl he loved.

She was a noble princess, and he was worried that he was not worthy of her. He was afraid that he did not have the ability to give her happiness.

“Actually, I don't need two days. I can do it now...”

Ying Bao wanted to tell him what she was thinking. She really didn't want to date anyone now. Even if she did, there was no way she could date him.

She had always treated him as her brother and she couldn't see him as a love interest.

Even though she knew that Tang Feimo had been very good to her since they were young, she could not force herself to become his lover.

She could blame it on the fact that they had grown up or that she had had a change of heart but she could not be together with Tang Feimo like the two families hoped.

She was going to disappoint a lot of people!

“No! Not now! Let's eat first!”

Tang Feimo could already tell from the look in her eyes that she was about to reject him but he didn't want to hear the answer right away. He could only deceive himself and let her “consider it” again.

“alright!”

Ying Bao did not say anything else. They ate together. After dinner, Tang Feimo sent Ying Bao home.

Ever since Tang Feimo confessed, Ying Bao had remained silent. He could clearly feel an invisible distance between them.

Chapter 2446: Ying Bao (49)

He knew that Ying Bao had set up a barrier in her heart.

'Oh no!'

Tang Feimo felt that they would never be lovers. Not only that, but they might not even be friends.

Just as she was about to enter the palace, Tang Feimo stopped her. “Cherry!”

Hmm?”

Ying Bao turned around and looked at him quietly with her starry eyes.

Tang Feimo thought for a moment and mustered his courage to say, “If you are willing to be with me, I will do my best to be a qualified boyfriend. If you are not willing, then that's fine too. We will still be best friends like before!”

After thinking about it for a while, he said this mainly to give himself and Ying Bao a way out.

He did not want to lose Ying Bao. Even if they could only be “brother and sister” for the rest of his life, it was better than not contacting her anymore.

“L know, Brother Feimo!”

Ying Bao waved at him and walked into the Triumph Palace.

After returning to the palace, she lay in her princess room and thought about many things.

Could she and Tang Feimo become lovers?

She thought about it and drew lots of comparisons but she felt that there was something lacking between her and Tang Feimo that was preventing them from being lovers.

In her heart, he was a good partner, a good friend, and a good brother.

Other than that, she really could not treat him as her boyfriend.

Originally, she was worried that rejecting Brother Feimo would hurt him. She was worried that she would lose such a good brotherly figure.

However, he had taken the initiative to say those words in the end. It was equivalent to removing the shackles in her heart.

She spent the whole night thinking about this question. Finally, she came up with an answer and sent a message to Tang Feimo.

[Brother Feimo, you will always be my best brother!]

After sending the message, she felt relieved.

She knew that her words might hurt Tang Feimo, but people said that it was better to break it to him sooner because it's better to deal with painful things quickly. Then, he wouldn't have to waste time on her anymore.

On the other hand, Tang Feimo stayed up late to wait for Ying Bao's message or call.

When he received the message, his first reaction was to wonder if Ying Bao had answered him.

(If you have problems with this website, please continue reading your novel on our new website [myboxnovel.com](http://myboxnovel.com) THANKS!)

Really!

'Tang Feimo opened the message and his heart ached.

He finally got her answer. Just as he had expected, Ying Bao did not give him a chance. He could only be her "brother" forever.

Even though he was hurt and heartbroken, he felt lucky that he could still be Ying Bao's "brother".

At least he did not lose her completely!

At the Triumph Palace.

During breakfast, Ying Bao heard her parents talking about the summit in Zstan. They seemed to have invited many leaders of the country to the meeting.

Ying Bao suddenly thought of Huangfu Xuanye. Would Uncle King go?

"Daddy, can you take me to Zstan?" Ying Bao asked. "I haven't been to Zstan for a long time and I want to go there to take a look."

Huo Yunshen looked at his daughter. "You still have to go to school!"

"It's okay. I'll take some time off."

In order to get a chance, Ying Bao ran over and hugged Huo Yunshen's neck. "Daddy, just take me! Okay, okay?! Daddy ~"

Huo Yunshen could not help but ask Jing Xi, "Honey, can Ying Bao go?"

Jing Xi looked at Ying Bao. Ying Bao looked at her mother with pleading eyes. "Mommy, let me go, okay? I promise I won't cause trouble for Daddy. I will listen to you!"

Chapter 2447: Ying Bao (50)

Jing Xi did not want to restrict the child too much. Ying Bao was already very obedient, so he nodded and agreed. "You can go, but when you come back, you have to study harder. And you have to advance at least three places in the final examinations. Can you do that?"

"Yes! I can do it!"

Ying Bao raised her little hand and swore.

"Okay then. Go back and pack your luggage. Your daddy's flight is tonight."

"Okay. Thank you, Mommy!"

Ying Bao kissed her mother on the cheek and ran back to her room happily. She found her suitcase and started to pack her clothes.

Ying Bao had already packed her things and applied for leave from school. She didn't have time to look for Tang Feimo for the time being. She only called him and said, "Brother Feimo, I'm going to Zstan with my daddy tonight. Do you want to go home?"

Tang Feimo also wanted to go back but his schedule was a little tight recently. He could not take leave, so he could only apologize. "I might not be able to go back. Go back and have fun!"

"Yes. Do you have anything you'd like me to bring for Uncle Tang and Auntie Liang?"

"I bought a gift for my mother. I'll send it to you later. Please help me bring it back to her."

"Yes."

Tang Feimo drove to the Triumph Palace in the afternoon and delivered the gifts he had bought for his parents and family to Ying Bao.

Yesterday's incident didn't seem to have much of an impact. The two of them could still talk and laugh as usual when they met today.

Tang Feimo had already recognized his position. He no longer had any hopes of dating Ying Bao, but he would still worry about her happiness.

In the garden of the palace, Tang Feimo mustered his courage and told her, "Cherry, there's something I've been hiding from you. I want to apologize to you."

"What is it?"

"You know about Huangfu Xuanye's heart disease, right?"

"Yes."

"But you might not know that his illness will greatly shorten his lifespan. He might not live past 40 years old. In other words, he only has less than 10 years left."

"What? Ten years?"

Ying Bao thought that his heart disease would just be a long-standing ailment for the rest of his life. As long as he took good care of himself, he should be able to live until a ripe old age but she did not know that Huangfu Xuanye's hereditary heart disease would leave him only less than 10 years of life left. 'Uncle can only live for ten more years at most?'

Ying Bao's heart tensed when she heard the news. She felt sad and her eyes were filled with tears.

"I don't even know. Why... why didn't he tell me?" Ying Bao asked sadly.

"He didn't want me to tell you. He was afraid that you would be worried!"

(If you have problems with this website, please continue reading your novel on our new website [myboxnovel.com](http://myboxnovel.com) THANKS!)

Ying Bao was so upset that she could not speak. Tang Feimo hugged her and comforted her gently.

"Don't cry. If you like him, you can go and find him."

Ying Bao really wanted to look for him, but he already had Shen Wanxin by his side and they were about to get married, so it was not appropriate for her to go see him.

She could only look at him from afar and pray for him quietly.

Ever since she learned about this from Tang Feimo, Ying Bao felt as if a stone was pressing down on her heart. Her mood also became gloomy because of this.

She really wanted to see the king again. She wondered if she would have the chance to see him tomorrow when she arrived in Zstan.

At night, they boarded the plane from Mo City International Airport. Ying Bao followed her father to the private plane. After a long journey, they finally arrived at the capital airport of Zstan.

Huo Yunshen's trip was a national event. The leaders of the kingdom of Zstan had already prepared to receive him at the airport.

Chapter 2448: Ying Bao (51)

After the welcoming ceremony ended, they took a private car to the international hotel where the country's leaders were staying.

Ying Bao had just arrived at the hotel with her father when Huangfu Xuanye and the others came out of their rooms.

“Mr. Huo!”

Huangfu Xuanye saw Huo Yunshen and the others and took the initiative to greet them.

“Xuanye, you guys arrived early?”

“Yes. Two hours ago.”

The two kings shook hands warmly. Ying Bao stood behind her father, not expecting to see Huangfu Xuanye at the hotel.

He was clad in his white uniform and his face was slightly pale. He was also thinner than before. She felt very upset, especially when she thought of what Tang Feimo had told her.

Huangfu Xuanye looked past Huo Yunshen and saw Ying Bao standing behind him. He thought he was seeing things. “Is Ying Bao here too?”

“Yes. Bring her out to play.”

Huo Yunshen turned to Ying Bao and asked her to come out and greet him.

Ying Bao took two steps forward and greeted him as if nothing had happened. “Uncle, long time no see.”

“Long time no see.”

They stared at each other.

Ying Bao had been trying hard to control her emotions. She could no longer throw herself into his arms like she used to.

She could no longer enjoy his love and care.

There was an unsurmountable ocean between them. They could only look at each other across the ocean.

If she had not said those words to him on the night of her birthday, he might not have listened to her and gotten married so quickly.

She had pushed him away by force. She regretted it now, but she did not have the courage to tell him how she felt.

Huangfu Xuanye retracted his gaze and said, “Mr. Huo, you've had a long journey. You should settle down first! If you need my help, just let me know.”

“Okay. I'll see you later.”

Huo Yunshen bade him goodbye and led his men to his room.

Ying Bao also had her own room, which was next to her father's suite.

(If you have problems with this website, please continue reading your novel on our new website [myboxnovel.com](http://myboxnovel.com) THANKS!)

After arriving in Zstan, they all needed to go back on time. The real leaders' summit would be held two days later. The first two days were just right for people to rest.

Ying Bao put her stuff in the room. After familiarizing herself with the room, she lay on the bed for a while. She heard people talking outside, as well as the sound of footsteps. She quickly got up and looked out through the peephole on the door.

Coincidentally, she saw Huangfu Xuanye coming back, through the peephole. His room seemed to be opposite hers.

Ying Bao was surprised. She did not expect her room to be opposite Huangfu Xuanye's room.

It was such a coincidence that everything seemed to have been arranged beforehand.

Ying Bao actually felt a little excited. He was so close to her, just a corridor away.

She thought that it would be very convenient to talk to Huangfu Xuanye now.

After staying in the room for more than half an hour, Yin Feng came to knock on the door to look for her. "Your Highness, His Majesty asked me to invite you over for dinner."

"Okay, I'm coming!"

In order to maintain a good image, Ying Bao had been tidying up the room until now. She changed into a beautiful dress and even put on some makeup.

In the past, she had never understood the meaning of a woman dolling up for her lover. Today, she finally understood why she wanted to make herself look good in front of the person she liked.

She followed her father to the restaurant in the hotel. It was a buffet-style restaurant and the meal was very well prepared. She could eat anything she wanted.

Chapter 2449 Ying Bao (52)

Ying Bao picked up her plate and went to get her food. There was another commotion outside the door. She turned around and saw Huangfu Xuanye and his company.

She was excited for a moment, but then the joy was washed away by the scene in front of her.

She saw Shen Wanxin holding Huangfu Xuanye's arm as they appeared together. The two of them appeared to be rather intimately and the chemistry in their eye contact showed how perfect they were together.

Ying Bao turned around and pretended not to see anything. She continued to take the food. In reality, she was very upset. She really wanted to escape, but she couldn't bear to leave.

After Huangfu Xuanye came in, he joined the group and separated from Shen Wanxin.

Ying Bao browsed through the delicacies one by one, but she found them tasteless. No food could arouse her appetite.

She didn't have the appetite to eat anymore. She just randomly chose two dishes and stopped at the dessert section.

The round tray was filled with cherry pudding. It reminded her of the time when she went to the Northern Kingdom. Cherry pudding would often be served for dessert in the palace of the Northern Kingdom.

Huangfu Xuanye had said that his favorite food was cherry pudding.

Cherry pudding was delicious, and she loved it.

Ying Bao picked up her chopsticks and was about to pick up a small cup of cherry pudding. Just as her chopsticks touched the pudding cup, a pair of chopsticks also touched her chopsticks.

She raised her head in confusion and saw a tall figure standing beside her. It was none other than Huangfu Xuanye.

"Cherry, do you want to eat this? Let me help you!" Huangfu Xuanye asked as he immediately put away his chopsticks.

He helped her put one on her plate and also helped himself to one.

"Anything else?"

"No, Uncle. I've had enough."

Ying Bao shook her head and forced a bitter smile.

"Why are you eating so little? Are you trying to lose weight again? You don't need to lose weight!"

She used to complain about wanting to lose weight and become stick-thin, but Huangfu Xuanye advised her not to.

He liked the baby fat on Ying Bao's face and the way her chubby body looked. She didn't even know how cute and charming she was.

"I'm not on a diet," she explained. "I just don't know what's good."

"Here, have another one. This should be good."

Hearing that she had no choice, Huangfu Xuanye volunteered to introduce the food to her. He had not eaten much food from Zstan and had only chosen based on his feelings.

As long as it was chosen by Huangfu Xuanye, Ying Bao accepted it all. When she was done choosing, there was already a lot of food on her plate.

(If you have problems with this website, please continue reading your novel on our new website [myboxnovel.com](http://myboxnovel.com) THANKS!)

"Hurry up and eat!"

Huangfu Xuanye urged.

“Okay.” Ying Bao obediently went to look for her father.

At this point, Huangfu Xuanye watched her leave before turning around to pick out food for himself. Shen Wanxin, who was standing at the side, had already seen everything. Her heart was filled with unspeakable hatred.

She hated the fact that Princess Cherry was everywhere. She was always there to interfere and bewitch Huangfu Xuanye.

She hated her even more for being able to win Huangfu Xuanye's heart while she could only be a temporary actress. She could not accept this! She couldn't help but wonder if she would have a chance to be with Huangfu Xuanye as long as Princess Cherry was gone.

At the thought of this, a black bolt of lightning flashed across Shen Wanxin's mind. An evil idea came to her.

Ying Bao was eating with her father. When they were eating, she noticed Huangfu Xuanye and Shen Wanxin sitting not far away from them. She could see Huangfu Xuanye's handsome side profile just by looking up.

Chapter 2450 Ying Bao (53)

In the past, when she looked at Huangfu Xuanye, there was only admiration in her eyes. Now, there was not only admiration in Ying Bao's eyes, but also love and longing. This was something she had never felt before.

The more she loved and missed him, the more her heart ached.

Seeing him sitting together with Shen Wanxin and getting further away from her, she felt like crying.

“Cherry! Cherry?”

“What's wrong, Daddy?” Ying Bao asked.

“I just told you that I'm going to the cemetery tomorrow to pay my respects to your grandparents and great-grandpa. Did you hear that?” Huo Yunshen asked as he looked at his daughter. He could already sense that she was acting strangely.

He also noticed that her eyes were constantly looking in Huangfu Xuanye's direction. As someone who had been there before, he could already see something from her eyes.

“I hear you. Okay, Daddy.”

Ying Bao came back to her senses and apologized. She seemed to have been distracted when her father was talking to her just now.

"I'm done. I'm free this afternoon. We'll set off tomorrow morning."

Huo Yunshen instructed.

"Daddy, can I go see Auntie Orange and the rest this afternoon?"

"Sure, come with me. We'll go to your aunt's house in the afternoon."

Ying Bao nodded and began to eat seriously. Since Huangfu Xuanye liked her chubby appearance, she would eat more and gain more weight.

After the meal, Ying Bao left the dining room with her father. Before she left, she only stole a glance at Huangfu Xuanye and the others.

It was rare for him to return to Zstan. Huo Yunshen did not forget to visit his sister's house.

Huo Yijing knew that her brother had come back with his niece and welcomed them warmly. It had been a few years since they last met, but Huo Yijing still looked like an intelligent and capable person.

Her skin was well-maintained, and it was impossible to tell that she was close to 50 years old. Her delicate face had a faint warm glow, and a faint smile hung on the corner of her mouth. It could be seen that she must have had a very happy life after all these years.

Back then, she divorced Lu Mingsheng. After a series of twists and turns, they finally got back together.

The couple treasured their hard-earned opportunity to be together. Ever since they remarried, they had never quarreled with each other.

Lu Mingsheng doted on Huo Yijing and did his best to be a good father. Not long after they remarried, they also gave birth to a son.

His youngest son, Lu Kaiwei, was 12 years old. He looked like his father, cheerful and handsome. He was academically inclined too.

All in all, the family of four was living a very happy and perfect life now. After experiencing a storm, they finally gained true happiness.

Huo Yijing saw the 18-year-old Ying Bao and looked at her happily. "Our little baby has already grown into a big beauty! She looks exactly like Jing Xi. How beautiful!"

"Auntie, where are Brother Chengcheng and Brother Kaiwei?" Ying Bao asked, feeling a little shy.

"Kaiwei went to school. Chengcheng is at home! You should come and take your brother out for some sun."

Huo Yijing brought them into the house and the two adults sat down to chat. Ying Bao ran to the room to look for Lu Qiancheng.

Lu Qiancheng was playing a game in his room. He didn't even know that Ying Bao had entered the room. The battle was in full swing. Ying Bao suddenly covered his eyes mischievously.

Lu Qiancheng was at a critical moment of his game, and his vision turned dark. He shouted anxiously, "Hey, hey, hey... who is it? Let go! I'm dying!"

The moment Ying Bao let go, Lu Qiancheng realized to his dismay that he had really died in the game.
