

Priceless 2461

Chapter 2461 Ying Bao (64)

She hung up the call and blocked Princess Cherry's number before switching off the phone. Not only that, but she also deliberately soaked the phone in water for a while, dried it, and put it back in its original place.

This time, no one could disturb him!

Outside the palace, Tang Feimo looked at his phone screen and said gloomily, "He didn't pick up the call and hung up."

Ying Bao was very anxious. 'Why didn't Uncle pick up when he saw my number?'

"Let me try again."

Tang Feimo called again. The phone was turned off. "His phone is off!"

Ying Bao's face turned sullen. A huge sense of loss overwhelmed her, making her want to cry again. There were many things that could not be undone.

She thought that Huangfu Xuanye definitely did not want her to interfere with his decision. That was why he did not pick up her call.

This was the only ending they could have!

"Ying Bao, don't be sad. I have another way! Follow me!"

Tang Feimo then took Ying Bao to the weakest part of the Hua Er Palace and planned to climb over the wall.

Ying Bao looked at him suspiciously. She really wanted to ask if this would work. What if someone found out and treated her like a bad person?

"No! We'll be fine if we're careful. Even if someone catches us and takes us to the king, wouldn't it be easier?"

Ying Bao believed Tang Feimo's rotten idea. Tang Feimo bent down and let Ying Bao climb on top of him.

Ying Bao had already reached the top of the wall. Just then, a bright light shone over and she heard a stern shout. "Who are you!"

Soon, guns were pointed at them and they were treated as thieves.

Because of the sudden appearance of the guards, Ying Bao fell down in shock. She and Tang Feimo both fell down.

Tang Feimo stood up and quickly raised his hand to explain, "Don't shoot! We're not crooks!"

"Who are you guys?"

"We are friends of the king and are here to see him. This is the princess of the Dragon Kingdom, Princess Cherry! Please tell the king that Princess Cherry wants to see him!"

Tang Feimo tried his best to explain and showed them Ying Bao's passport.

However, after taking a look, the guard exclaimed, "Take these swindlers away!"

No one would believe that a princess would climb over a wall in the middle of the night!

Tang Feimo and Ying Bao were both brought to the Northern Kingdom Police Station. They were detained for fraud and trespassing on the palace at night. No matter how Tang Feimo explained, no one believed him.

Now, they were in a detention cell with a fence between them.

Tang Feimo blamed himself. "I'm sorry, Ying Bao. It's all my fault for coming up with such a bad idea! Now that all our stuff has been confiscated, it's hard to contact anyone outside."

Ying Bao shook her head and comforted him with her eyes. Don't worry.

She believed that the law in the Northern Kingdom would not wrong a good person. As long as the police were given time to investigate their identities and confirm that they were not liars, they would definitely let them go.

ere

They had no choice but to wait quietly.

There was a small window in the detention room that allowed them to see the moon outside.

Ying Bao leaned on the bed and looked at the bright moonlight. She wondered what Huangfu Xuanye was doing. Did he see the same moonlight as her?

Huangfu Xuanye came out from the bathroom and went back to his room. He picked up his phone out of habit but realized that the screen was black and he could not turn it on.

Chapter 2462 Ying Bao (65)

He couldn't figure out what was going on. He asked his assistant to take his phone to be checked. It would be best if it could be fixed. Many of the numbers and Ying Bao's photos were very important to him.

The wedding was tomorrow, but Huangfu Xuanye was not happy at all.

He walked to the window and looked at the pure white moon in the sky. He thought of Ying Bao's cute and beautiful little face.

He wondered how she was doing now. 'Did her treatment in Estan work?'

'Would she attend my wedding?' 'Cherry– I really miss you–'

On Saturday morning, in the Dragon Kingdom, Jing Xi and Huo Yunshen were already ready with the children.

Apple and Grape put on their suits and ties, turning into two handsome princes. Little Strawberry Princess also put on her white fluffy dress. She was so happy that she couldn't stop laughing "Okay, everyone is ready. We are about to set

off."

Jing Xi led the children out.

Little Strawberry held her mother's hand and asked, "Mommy, where's Sister? Is she going?"

"Your sister and Brother Feimo have already gone ahead of time. You'll be able to see them then," Jing Xi explained.

"Oh, I can see Brother Feimo again!"

Little Strawberry was very happy. The whole family set off together and boarded a private plane to the Northern Kingdom.

When the plane landed, a car from the Northern Kingdom came to pick them up to go to Hua Er Palace.

The Hua Er Palace had been renovated. The wedding was held in the main hall. Many officials and leaders who had come to attend the wedding were gathered in the hall, waiting for the wedding to begin. Jing Xi and Huo Yunshen brought the children to the venue and sat down according to the Northern Kingdom's arrangements.

Little Strawberry scanned the room and didn't see Ying Bao and Tang Feimo. She asked her mother, "Mommy, where are Sister and Brother Feimo?"

Jing Xi looked around but did not see them. "Maybe they're not here yet! Let's wait and see!"

No one thought that it would be bad. Jing Xi thought that Ying Bao and Tang Feimo had come early and might be helping out in the palace of the Northern Kingdom. It was not convenient for them to look for them now. She wanted to see if they would appear when the wedding ceremony began.

It was almost noon, and most of the guests had arrived. It was almost time for the wedding.

The priest who presided over the wedding was already standing on the altar. After reading a passage of the Bible, the priest invited the king of the Northern Kingdom, Huangfu Xuanye.

After that, Huangfu Xuanye appeared in front of everyone, escorted by two rows of guards.

He walked up to the main hall and towards the altar. The scenes of the past flashed in his mind.

The path he had taken was a path stained with blood.

Ever since he returned to the country at the age of 17 and became the king, he had contributed to the country's development in the past 13 years.

The current Huangfu Xuanye had become a wise, steady, and capable king. He was also the hope of the entire Northern Kingdom.

Today was his wedding day. The whole country was sitting at home or crowded in front of the palace to watch the wedding.

In front of the camera, there was not the slightest smile on Huangfu Xuanye's slightly pale face. It was still a cold and serious expression.

He stood on the altar and looked down at all the guests present. He first gave a speech of thanks to the wedding guests and all his friends who had come from afar.

Following that, under the priest's lead, the beautiful bride was invited onto the stage.

Chapter 2463 Ying Bao

Shen Wanxin wore a white wedding dress and a 12-meter long veil behind her. She slowly walked up to the main hall and walked towards the altar amidst the praises.

She looked dignified, virtuous, gentle and graceful, but no one knew what she was thinking at that moment. She was cheering in her heart with indescribable joy.

They had already confirmed that Princess Cherry of the Dragon Kingdom did not attend the wedding with the king and queen of the Dragon Kingdom. This meant that she was sensible and didn't have the cheek to come.

With no one causing trouble, she could finally become the queen smoothly.

On the altar, Huangfu Xuanye looked at the white-garbed Shen Wanxin walking towards him. In the white light, he could vaguely see that the person wearing the white-garbed was Ying Bao.

He had imagined countless times what it would be like if Ying Bao married him.

It would definitely be romantic, sweet, and ecstatic. It would not be as bitter and desolate as it was now.

He thought to himself: 'Cherry, I can't grow old with you in this life. I hope that I can meet you sooner in my next life.'

'I don't want to be a king and you don't want to be a princess. Let's just be a normal couple, okay?'

At the same time, a police car was speeding along the road to the capital of the Northern Kingdom.

The police detained Ying Bao and Tang Feimo for the whole night. After verifying their identities, they finally confirmed that they were not illegal intruders.

Not only did they release them, but they also apologized to them and sent them to the palace to attend the king's wedding. On the way there, Ying Bao was very anxious. Tang Feimo kept comforting her. "Don't worry, Cherry. There will definitely be time."

However, the closer they got to the palace, the more people there were on the road. They were all people who were rushing to watch the king's wedding. The speed of the car was also forced to slow down.

In order to ensure that the Dragon Princess could be sent to the wedding in time, the police turned on the alarm and used a loudspeaker to inform the people on the road to make way.

The central square in front of the palace was already packed with people. The huge advertising screen was displaying the progress of the king's wedding.

Ying Bao watched as Shen Wanxin walked out of the main hall. Her heart was filled with anxiety. She wished that she had a pair of wings that could bring her past the many people so that she could arrive at the scene earlier.

The police car could not continue to pass through, but a few policemen got out of the car and personally helped them open up the way. They escorted Ying Bao and Tang Feimo all the way. "Make way! Make way... Please make way..."

It was as if they were walking through a crowded crack and finally arrived at the entrance of the Hua Er Palace.

Ying Bao and Tang Feimo finally entered the Hua Er Palace.

Tang Feimo pulled Ying Bao and ran all the way. The two of them had long stopped bothering about their image. They had been locked up for the whole night and had not rested well. They were already in a sorry state.

When they arrived in front of the main palace, Ying Bao had already lost one of her shoes. Her hair was messy and she was sweating profusely. Tang Feimo was not any better.

He tried his best to calm himself down. He helped Ying Bao smoothen the messy hair on her face and said, "Okay... hurry up and go up... now... there should still be... time..."

Ying Bao looked at him gratefully. Tang Feimo smiled at her and said, "Go, Cherry!"

Tang Feimo was very upset that he had personally sent the girl he loved the most to another man but when he thought about how she could find happiness from now on, he felt that everything was worth it.

Ying Bao could not care less anymore. She turned and ran up the stairs but was stopped by Tang Feimo. "Wait, Cherry!"

Chapter 2464 Ying Bao (67)

Ying Bao stopped and turned to look at him. Tang Feimo ran over again and took out a pen from his pocket. He took her right hand and wrote three words on her palm.

(I love you]

"Show him your hand and let him know you love him! Go!"

He smiled.

These three words were the last blessing he could give her.

Ying Bao's eyes turned red as she looked at the words in her hand. She was very grateful for everything Tang Feimo had done for her and for the selfless love he had given her. She would remember it forever.

Ying Bao gave him one last hug and ran up the stairs.

In the main hall, the priest was hosting the wedding.

Jing Xi whispered to her husband, "Why aren't Ying Bao and Feimo here yet?"

"Why don't you call Feimo and ask him where he and Ying Bao are?" "Okay."

Jing Xi lowered her head and called Tang Feimo. Tang Feimo told her over the phone that Ying Bao had already arrived.

Jing Xi quietly ended the call and told her husband, "Feimo said Ying Bao is here, but I don't see her!"

"They might be sitting in some corner. Don't worry, we'll look for them after the wedding."

"Yes."

The couple continued to watch the wedding.

The priest was reading the vows. "Today, we are gathered here under the watch of God and in front of this group of people to witness the holy wedding of His Majesty Huangfu Xuanye and Miss Shen Wanxin. This is a glorious moment, a moment of devotion and solemnity. Now, two newlyweds are about to become one in this holy wedding. If anyone has a legitimate reason to prove that their union is not legal, please step forward!"

The priest scanned the crowd and saw that no one was standing up. Just as he was about to read the following vows, there was a commotion outside the main hall.

The priest raised his head again and saw someone standing at the entrance of the main hall.

SO

neo

Everyone turned around and saw a thin figure in the white light at the door.

Huangfu Xuanye turned around and saw an almost illusory figure standing there. The light was so strong that only a thin and transparent figure could be seen.

But when the figure slowly walked in and he could vaguely see the outline of the figure, his heart throbbed deeply. That was

The wedding was suddenly interrupted. Shen Wanxin frowned and turned around. When she saw who it was, she was shocked speechless. At this time, on the live broadcast of the entire Beijing Television Station, as well as on the huge screen in the Hua Er Palace Square, there was a commotion because of the sudden intrusion of this girl.

"Who is she? She looks like a lunatic!"

“Why did she suddenly barge into the wedding venue?”

“Why didn't anyone take her away? Don't let her ruin the king's wedding!”

The commoners were all very anxious. In front of their eyes was a sorry-looking woman who was barefooted and looked like a lunatic who was disturbing the solemn and sacred atmosphere of the wedding venue.

At this time, Ying Bao was very tired. She kept panting. Sweat had already soaked through her clothes. Her hair was indeed messy like a madman's.

Her other shoe was also left on the stairs. She ran over barefooted. One could imagine how disheveled she looked.

When she saw Huangfu Xuanye standing on the altar, tears of grievance surged from her heart. There was nothing but tears that had long blurred her vision.

She could not see anything and could only wipe her tears with her hands.

Chapter 2465 Ying Bao (68)

She had forgotten that there were still words written on her hand. When the ink touched her tears, they quickly smudged and stained her face, making her seem like a mess.

At this moment, she was as sad as a child who had lost her way in the wilderness. She stood dumbly in the main hall.

Everything she wanted to say was stuck in her throat as she was unable to express it.

Now that she was faced with all the criticism and dirty looks, she realized how ridiculous it was to want to stop a wedding!

The guests were all talking about the dirty girl who had suddenly barged in. Jing Xi could not believe it when she recognized it was Ying Bao. What had her daughter gone through to become like this?

“It's Ying Bao! What happened?”

Jing Xi wanted to go out and take care of her daughter, but Huo Yunshen stopped her.

Huangfu Xuanye apologized to Shen Wanxin and asked the priest to cancel the wedding.

He walked down from the altar and towards the girl in front of him.

He had already recognized that it was Ying Bao who had come. The little girl had made herself look like a mess and had come from thousands of miles away to look for him. She had appeared at the wedding with tears streaming down her face. What could it mean?

No matter what it meant, under such circumstances, Huangfu Xuanye could not abandon Ying Bao. He could not do it again.

“Your Majesty! Your Majesty...”

Shen Wanxin had no idea that Princess Cherry would appear at the last moment and ruin their wedding

She wanted to stop Huangfu Xuanye, but the man did not stop.

The people outside the frame were all stunned by the scene in front of them. "What's going on?"

"Is His Majesty not going to get married?"

"He's actually walking towards that woman!"

"Who is that woman? Is she here to snatch the groom? Oh my god!"

That's right. Ying Bao might be the first princess in the world to "snatch" the groom away. Moreover, she had successfully done so without saying anything.

Huangfu Xuanye strode towards her and stopped a meter away from her. He looked her up and down and asked in disbelief, "Cherry, it's really you! What's going on?"

She could not speak and could only look up at him with tears in her eyes.

She remembered the three words that Tang Feimo had written for her. She quickly opened her palm for him to see them, but she realized that the words were already blurred.

She could not tell him how much she liked him. What should she do?

She cried even harder.

'Uncle, I've never loved someone so much.'

'My heart hurts as I watch you get married.'

Huangfu Xuanye saw her open her palm and realized that her hand was also stained. He did not know what she had gone through to make herself so disheveled but at this moment, he just wanted to bring her back to the palace and take good care of her.

"Cherry, come with me!"

He took her hand and led her out of the wedding venue, ignoring the puzzlement of the guests. The ministers of the Northern Kingdom were all going crazy. What was going on? Their wise and mighty king would never do anything stupid. But today, at such an important occasion, he actually abandoned his bride and the group of guests, and took that little girl with him... to run away from the wedding?

"Mommy, is that sister?" Little Strawberry asked.

Jing Xi and Huo Yunshen looked at each other as Huangfu Xuanye took Ying Bao away. They were both shocked by their daughter's actions.

What Huo Yunshen wanted to ask was if his daughter had chosen Xuanye over Feimo.

Chapter 2466 Ying Bao (69)

Jing Xi raised her eyebrows. It seemed that her daughter had already made up her mind.

She felt that her daughter had inherited her acting skills. Her acting was really good!

She had come early yesterday and had chosen to appear at the wedding today. She had even made herself look so miserable. This sympathy card was well played. The couple was more open-minded. They did not feel embarrassed just because Ying Bao had interrupted the wedding to snatch the groom. They both believed that they should follow their own choices when it comes to marriage.

If they were truly in love, what could stop them?

However, the wedding was live-streamed on national TV channels. The king's sudden escape from the wedding shocked the whole country.

The one who felt the worst was Shen Wanxin. Being abandoned by the king in public, how could she still have the cheek to continue staying?

The priest probably did not expect such a thing to happen today. He came back to his senses and announced to everyone according to Huangfu Xuanye's instructions, "This is the guidance of God. The two parties did not reach the final step of marriage in front of God. This means that they still have the right to choose again."

The priest said a lot. The general meaning was that Shen Wanxin and Huangfu Xuanye were not blessed by God. Now that the king had left, the wedding was over.

The wedding ended just like that, and the whole country saw the groom running away.

A lot of people were speculating about who the woman who had snatched the groom was.

The unreasonable thought that she was a third party and had ruined the marriage between the king and Miss Shen. Therefore, Shen Wanxin became the subject of sympathy of the public. Even though the wedding was not completed, Huangfu Xuanye still treated all the guests according to the etiquette. All the guests who came from faraway places were properly arranged.

Huo Yunshen and Jing Xi left the palace with the children and met Tang Feimo outside.

Tang Feimo had been waiting for them. When he saw them coming out, he came up to them and asked, "Mrs. Jing, you're all out? Is Ying Bao inside? Did the wedding not happen?" "Yes, Xuanye took her away. Let her stay here and we'll go back first. Do you want to go back with us?" Jing Xi asked.

"Okay, let's go back together."

Ying Bao had successfully stopped the wedding and was now with Huangfu Xuanye. There was no point in him staying here. He might as well go back with them.

"Brother Feimo, hold my hand!"

Little Strawberry was very happy to see Tang Feimo and insisted that he take her little hand and walk with her.

Tang Feimo pulled the little girl up and walked out of the Ware Palace with them. At the same time, he told them what had happened last night.

Jing Xi and her husband finally realized that their daughter was not playing a trick to gain sympathy. She had really suffered the whole night. All the guests, including the priest, left the main hall, leaving only Shen Wanxin behind.

From the moment Huangfu Xuanye apologized to her, she had become the laughing stock of the whole country.

The hatred in her heart had already reached its peak, but she grabbed her skirt and tried her best to control her emotions.

She would remember the humiliation Princess Cherry had brought her today!

She could not stomach this!

Just wait and see!

She would never let those two live happily ever after!

Huangfu Xuanye left the main hall with Ying Bao and also walked out from the frame of the camera.

Ying Bao walked around the main hall barefooted and accidentally stepped on something that looked like a hard rock. The soles of her feet hurt as she stumbled and frowned.

Huangfu Xuanye picked her up without hesitation.

Chapter 2467 Ying Bao (70)

Suddenly, her body felt light. Being hugged by the man, Ying Bao's heart almost jumped out of her throat. She subconsciously hugged him with her arms.

It was a strange feeling to be suddenly picked up by him. Her heart was thumping non-stop. She was nervous and shy. She wanted him to put her down, but she could not say a word. Ying Bao remembered that a long time ago, Huangfu Xuanye used to hug her too but at that time, she didn't know anything. She didn't know anything about romance, so she only treated his embrace as a fatherly hug.

But it was different now. Ever since she realized her feelings for Huangfu Xuanye, she felt embarrassed to be in contact with him.

Huangfu Xuanye carried her back to the princess bedroom in the palace that was exclusive to her, and gently placed her on a chair. He knelt on one knee in front of her and looked at her gently. "Little fool, why are you in such a disheveled state? Are you hurt anywhere?"

Ying Bao shook her head. She wasn't hurt. She was just a little dirty.

"I'm glad you're not hurt. Wait for me. I'll put some water in for you. Come and take a bath!"

Ying Bao nodded. Huangfu Xuanye personally went to the bathroom and helped her fill the tub with water. After he was done, he came out and picked her up again. He said, "Now take a good bath."

Ying Bao was very obedient.

Huangfu Xuanye smiled as he looked at the obedient girl in his arms. He sent her into the bathroom and said, "Everything you use is in place. If you need anything, press this bell." He found a call button and placed it on the countertop.

"Do you want me to call a maid to help you wash?" Huangfu Xuanye asked, considering that she couldn't move her right hand well.

Ying Bao shook her head.

"Okay, I'm going out now. You take your time and I'll come find you later."

Huangfu Xuanye closed the door and left.

Ying Bao finally let out a sigh of relief. She scanned the sparkling and gorgeous bathroom and finally looked at herself in the mirror. When she first looked at herself, she was shocked by her appearance. 'What the hell? How did I end up looking like such a mess?'

It was easy to imagine how shocking it was for everyone when she appeared in the main hall like this. Even her parents probably did not recognize her.

Ying Bao could not stand her dirty self. She took off her clothes and started to shower.

After sending Ying Bao back to her room to take a shower, Huangfu Xuanye came out and ordered someone to take care of the wedding.

His assistant, Sheng Yi, came back and reported to him that the wedding venue had already been settled. All the guests who were willing to stay had already arranged accommodations. As for canceling the wedding, Sheng Yi wanted to ask the king what he thought about it.

"No matter what, I'm the one who canceled the engagement first. As for the Shen family, I'm willing to compensate them and ask Butler Shen and Shen Wanxin for their opinion. In regard to the response to the public, instruct the news team to release an announcement and explain it to the media and the whole country."

"Understood. I'll make the arrangements right away."

"Are Princess Cherry's parents still here?"

"They've already returned to the country."

"Okay." Huangfu Xuanye did not say anything else and turned to look for Ying Bao.

After washing herself clean from head to toe, she wrapped a towel around her body and gently opened the bathroom door. She took a glance outside and saw that there was no one outside. Only then did she feel relieved and walked out.

This was the room she used to stay in every time she came. Everything in it was still the same. It looked very familiar.

Ying Bao went to the closet and opened the door. She wanted to find a suitable set of clothes to wear. It was inconvenient for her to search with her right hand, so she could only press down on the towel in front of her chest and reach in with her left hand to search.

Chapter 2468 Ying Bao (71)

She stood on her toes and searched for her clothes. The clothes on the wardrobe fell down and hit her head. She subconsciously released her right hand to take them.

As soon as she let go of the towel, it fell from her body and she could not catch any of the clothes she wanted to take.

Huangfu Xuanye came in from outside. He thought that she might not have finished washing up, so he did not knock on the door and went straight into the room.

However, the moment he entered the room, he saw the clothes on the cabinet fall off together with the towel wrapped around Ying Bao's body. Flustered, Ying Bao quickly grabbed her clothes.

“Cherry!”

Suddenly hearing Huangfu Xuanye's voice, Ying Bao frantically picked up her clothes from the ground to cover herself. She felt extremely awkward and her cheeks were as red as a cooked shrimp.

“I'm sorry, I didn't see anything... Are you looking for clothes? Do you need my help?”

Huangfu Xuanye tried his best to look to the side. He walked over and took out a piece of clothing suitable for this climate. He then took out a small piece of clothing. “Here!”

Ying Bao took it and bit her lip, feeling extremely shy.

“I'm not looking. Hurry up and change. Don't catch a cold!”

Huangfu Xuanye turned around and Ying Bao began to put on her clothes awkwardly. After trying to button her clothes for a long time, she still could not button them up.

He found a dress for her and put it on. Unfortunately, she could not even button the back of the dress. She could only ask him for help. Ying Bao poked him lightly with her finger. Huangfu Xuanye asked, “Is it done? Can I turn my head now?”

The man turned his head and saw the girl in a dress. Her face was bright and clean, and she looked clean and fresh again. She blushed and smiled at him.

“Do you want me to help you button your shirt?” Huangfu Xuanye asked when he saw her pointing her finger at her back.

The girl nodded and turned around. Huangfu Xuanye saw that not only was her dress not buttoned up, but even her inner shirt was not buttoned up. The skin on her back was as smooth as the finest silk. It was so beautiful that one could not take their eyes off her. Huangfu Xuanye took a deep breath and cleared his mind of all distracting thoughts. He raised his hand and helped her button up her dress.

“It is.”

He held Ying Bao's shoulder and turned her around. He looked at her carefully. "Do you want to rest?"

Ying Bao shook her head. It was not easy for her to meet him. She really could not bear to close her eyes now, even though she had been running around for an entire day and night.

"Then let's take a walk outside. I've asked the cooks to prepare some food." Her stomach growled at his reminder. She hadn't eaten anything since last night. She was really hungry. Huangfu Xuanye brought her to the dining room. The chef prepared a sumptuous lunch and served it to the table. Huangfu Xuanye sat at the dining table with Ying Bao and ate together with her. From time to time, he would help her pick up some of her favorite dishes.

At the mention of his wedding, Huangfu Xuanye said, "I thought you wouldn't come today. I didn't expect you to appear in the end. Cherry, do you know how surprised I was when I saw you appear? You came especially for me, not for the wedding, right?"

Huangfu Xuanye wanted to figure out the little girl's purpose so that he could make the next step.

Ying Bao nodded.

"Are you planning to stay in the Northern Kingdom for a few days? Or..."

Even now, Huangfu Xuanye still felt like he was in a dream. He was always worried that his hopes were all for nothing.

Chapter 2469 Ying Bao (72)

Ying Bao knew what he wanted to ask. She could not tell him how much she loved him now.

However, she thought of a good idea. She pulled his palm away and used her left hand to draw a few letters on his palm.

I-L-O-V-E-Y-O-U

Huangfu Xuanye could not immediately tell what she was drawing. It seemed to be a few letters, starting with I.

After Ying Bao finished writing, she realized that Huangfu Xuanye did not have any reaction. He probably did not understand, so she thought of another way to express it.

She leaned closer and kissed him on the cheek. Then she looked at him with bright eyes. 'Do you understand, Uncle?'

"Cherry..."

Huangfu Xuanye was stunned by the sudden kiss.

The little girl actually kissed him!

He thought about the long string of letters that she had just written on his palm. 'It starts with an I, is she telling me that she loves me?' "Cherry... Are you... Are you trying to say... you love... me?"

Huangfu Xuanye gestured and asked.

Ying Bao nodded seriously.

After getting an affirmative answer, Huangfu Xuanye was so excited that he wanted to jump up. What he had never dared to hope for was actually realized now.

Ying Bao loved him!

"I... Cherry, I'm so happy... I love you too... Cherry..."

Huangfu Xuanye happily picked her up and spun her around in the room. It was only when he felt his heart aching from the excitement that he had to let her go.

Huangfu Xuanye put his hand over his heart and tried to calm himself down.

Ying Bao was worried and asked if he was okay.

"It's okay, it's okay. I was just too happy and excited. Ying Bao, do you know? I haven't been as happy as I am today for a long time. I thought we would never be together in this lifetime. But now, you've finally come to my side." Huangfu Xuanye was excited. He thought of his condition and frowned worriedly.

"But you know my health. I might not be able to live for long. Even though I love you very much, I don't want to hold you back, do you understand, Ying Bao!"

Ying Bao shook her head sadly and jumped into his arms, hugging him tightly.

She would never leave him again!

She could not care less. She only knew that she had fallen in love with Huangfu Xuanye and she had to take care of him for the rest of her life.

Whether it was ten years, five years, or even a year, she hoped that she could be by his side.

"Silly girl!"

Huangfu Xuanye hugged her lovingly. At this time, Sheng Yi came in from outside because he had something to report to the king.

Huangfu Xuanye let go of Ying Bao and told her, "Ying Bao, you should rest here first. I'll go to the study and come back for you later."

Ying Bao nodded. Huangfu Xuanye rubbed her head before leaving the seat.

In the study, Butler Shen and his daughter, Shen Wanxin, were both there. Shen Wanxin had already taken off her wedding dress and changed into her usual clothes. She stood quietly by the side.

Huangfu Xuanye walked in. Butler Shen and his daughter bowed to him.

"No need, Butler Shen. I was just about to look for you. I'm very sorry about what happened today. As for the impact on Wanxin, I'm willing to make up for it. You can directly state your conditions."

Although Butler Shen was resentful, he had no choice but to suck it up because of Huangfu Xuanye's noble status. "Your Majesty, the royal family has been kind to the Shen family for generations. We don't dare to have any ill intentions. Now that you've found someone you like, the marriage between you and my daughter, Wanxin, will naturally be canceled. Since Wanxin can't marry you to serve you, it just means she's not blessed enough. The only reason I'm meeting you now is to show our sincerity. The Shen family is willing to continue serving the royal family."

Chapter 2470 Ying Bao (73)

Huangfu Xuanye was more satisfied with Butler Shen's attitude. They did not make a scene, and this should be the best outcome.

"Your Majesty, you don't have to worry about me. I'm fine. I just hope that I can continue to serve you in the future. I will continue to serve the royal family with my father."

"Thank you so much for your understanding. Don't worry, I won't mistreat your family in the future."

Butler Shen finished what he had to say and left the study with his daughter.

When Shen Wanxin left, she turned back to look at Huangfu Xuanye one last time. Although she did not say anything, her heart was filled with resentment and unwillingness.

She was only one step away from becoming the queen. Now that everything was gone, she could not accept it!

When the father and daughter walked out of the palace, Butler Shen told his daughter, "Wanxin, listen to my arrangements. Daddy will help you with the procedures to go abroad. You will live abroad for a while!"

"Daddy, why should I leave the Northern Kingdom?"

Shen Wanxin did not want to leave. The person who left was a failure, and she did not think of herself as one.

As long as the king and Princess Cherry were not together, she still had a chance.

"Do you think no one will know what you've done in Zstan?" Butler Shen asked sternly. "Have you thought about it? What if they find out one day? Do you think the king of the Dragon Kingdom will let you go? Will His Majesty forgive you?" "Daddy, no one will know!"

Shen Wanxin knew that her father was talking about her framing Ying Bao for the car accident. However, the incident was done in a very secretive manner and would definitely not be found out. Moreover, the case at Zstan had already been closed long ago. No one would suspect her.

After taking care of the Shen family, Huangfu Xuanye asked about the doctor. Ever since Ying Bao's throat was hurt, Huangfu Xuanye had been looking for a specialist to help treat her.

"Good news, Your Majesty," Sheng Yi replied. "We've found an authoritative doctor. They've already rushed to the capital and are waiting for Your Majesty's arrangements."

"Okay, then we'll arrange it tomorrow."

Huangfu Xuanye could not be delayed for a day. Ying Bao's throat had to be treated early to have a chance to recover.

News of the king's wedding being canceled had already spread throughout the entire Northern Kingdom.

Ying Bao read the news on the internet in her room. Those online comments were all pitying the prospective queen, Shen Wanxin. At the same time, they were also asking who the third party was.

Ying Bao was upset that she was accused of being a third party.

No matter what, it was her appearance that had ruined Huangfu Xuanye's wedding and made Shen Wanxin a laughing stock in public. She felt very bad.

If she could see Shen Wanxin, she would definitely apologize to her.

Huangfu Xuanye returned to Ying Bao's room and saw the little girl browsing the news on the internet. He was worried that the negative news would affect her mood. He walked over and said, "Don't look at Ying Bao anymore. I'll take you out for a walk."

Ying Bao nodded and followed him to the palace garden for a walk. Huangfu Xuanye was the one talking the whole time, and she listened quietly.

He told her about the doctor's appointment tomorrow and asked for her permission. At the same time, he also called her parents and asked them to take Ying Bao out of school temporarily.

The two of them walked side by side and did not notice a pair of eyes in the dark, secretly peeking at them.

Shen Wanxin went back to being a palace maid. The huge difference made it hard for her to accept. Seeing the king and Princess Cherry together made her even more excited. She swore that she would not let Princess Cherry off easily.

If Princess Cherry wanted to be with the king, she would definitely have to give birth to a child for him. Then she would have to watch them become infertile and have them die without descendants.
