

Priceless 2481

Chapter 2481 Ying Bao (The End Part 1)

Ying Bao just wanted to finish her high school and university classes in this way. She did not want her life to be exposed to the media.

Other than going to school, as long as she had the time, she would occasionally host a live-stream to repay her fans.

However, she spent most of her time on her family. Her babies and her husband had become the most precious assets of her life.

When the children were three years old, there was good news from the Royal Hospital of the Northern Kingdom. They had found a suitable donor for Huangfu Xuanye's heart transplant surgery. The couple was very happy when they heard the news. This meant that if the surgery was successful, Huangfu Xuanye would no longer be plagued by heart disease and would be able to live a normal life.

However, the surgery was also very risky. The success rate was 50%, so Ying Bao was very worried.

One morning.

Ying Bao helped the children get dressed and helped Huangfu Xuanye tidy his tie. The family of five left the Hua Er Palace together.

Today was the day of Huangfu Xuanye's surgery. Ying Bao took a leave of absence and stayed by his side with the children.

Everything had been arranged at the Royal Hospital. After Huangfu Xuanye had his checkup, he changed into a patient's uniform.

Before entering the operating room, he squatted down and looked at his sons.

"Babies, you must listen to me when I'm not around. Don't be naughty. I will prepare a huge reward for whoever is the most obedient, okay?"

"Okay," the three handsome princes replied at the same time.

Huangfu Xuanye touched the children's cute little faces and hugged them one by one. He kissed their little faces and was full of reluctance.

In the end, he turned to Ying Bao. He had a lot to say to her, but before he could say anything, his eyes were already full of tears. "Honey, if something happens to you, don't be too sad. It's human nature to live and die."

"You're still young. If I'm not around, you can go and find a new happiness." "I hope... you can always be happy." It was as if Huangfu Xuanye was giving his last words. He was afraid that if the operation today failed, he would not even have the chance to speak.

as

He had already made a will that the throne could be passed to his eldest son.

He would bequeath a massive amount of wealth to his and the right to remarry. He had arranged everything perfectly except for himself.

Ying Bao burst into tears and threw herself into his arms. "I don't want anything. I won't leave you either. I'll wait for you until you come back. You won't leave me, right?"

"I won't. I will work hard for you."

"Our son has yet to be named. We'll name them after your surgery."

"Yes. I love you, honey."

"I love you too."

Huangfu Xuanye was reluctant to leave until the doctor came to inform him to enter the operating theater.

The man's back disappeared from the operating theater and the door closed. Ying Bao began to wait for a long time.

An hour passed...

Two hours passed...

Five hours passed... The surgery that took nearly ten hours was finally completed. The lights in the operating room went out.

"Doctor, how is my husband?" Ying Bao asked as soon as the doctor came out.

Chapter 2482 Ying Bao (The End Part)

"Don't worry, Your Majesty. His surgery was a success."

After hearing this, Ying Bao finally felt relieved.

After Huangfu Xuanye passed his critical period, Ying Bao stayed by his side during his hospitalization.

He used to take care of her when she was little, but now he was like a crow feeding itself to her. She was the one who took care of him in every detail.

One month later, Huangfu Xuanye was discharged from the hospital. Ying Bao brought her sons home with her.

"Honey, the five of us are home." Huangfu Xuanye put his arm around his wife's shoulder and pulled the three children out of the Royal Hospital.

"No, it's the six of us," Ying Bao corrected. "What? Are you expecting again?" Huangfu Xuanye was pleasantly surprised. This was really good news after his discharge. "Yes, I want a little girl this time," Ying Bao promised.

Huangfu Xuanye pinched her little face affectionately. "I want a daughter too. She'd better be as cute as you."

“Okay.”

The family boarded the royal car and returned to the palace.

Along the way, Huangfu Xuanye and Ying Bao had grown together. They had gone through thick and thin together. From now on, they would be together forever.

In the Northern Kingdom, a romantic story about their king and queen circulated.

In the past, people thought that the idea of the prince and the princess living happily ever after existed only in a fairy tale. However, Huangfu Xuanye and Ying Bao had a genuine love story.

The prince became the king, the princess became the queen, and they would live happily in the palace.
[End Of Ying Bao's Story] [Feng Yunan and Qiao Ruoxi] [Love Comes Like The Northern Breeze]

In a luxurious private manor, a grand birthday party was being held.

On the balcony, there was a secret conversation. “Later, you have to act according to the situation. Place this medicine in Feng Yunan's cup. When he passes out, send him to the rooms with the blue doorplate on the second floor. Remember to leave the door open.”

“What benefits will you give me in return if I succeed?”

“Haven't you always wanted Qiao Ruoxi? She's still a virgin! I'll let her stay in the Wen family's house tonight. When the time comes, you can hide in her room in advance. Once she goes back to her room, you... hehe, I don't have to teach you anymore, right? Her room is also on the second floor with a pink doorplate.”

After they left, Qiao Ruoxi, who was hiding in the dark, slowly walked out. She stared at the man's back, her beautiful eyes filled with starlight, and a hint of disbelief and intense hatred appeared in them.

The woman who had just spoken was her former best friend, Wen Ke'er. In order to get Feng Yunan, she didn't mind using her as a bargaining chip. Is this my best friend?

You treated her sincerely, but she bit you unexpectedly!

Qiao Ruoxi took a deep breath and decided to do something

The party was coming to an end. Qiao Ruoxi, who was hiding in the dark, noticed a short, ugly fat man with a face full of blemishes. He helped Feng Yunan up the stairs.

After sending Feng Yunan to a room with a blue doorplate, the fat man went into the room with a pink doorplate.

Noticing that there was no one around, Qiao Ruoxi went forward and replaced the blue and pink doorplates before returning to her room.

Qiao Ruoxi stood in front of the bed and stared at the man on the bed. Her heart was beating non-stop.

This was Feng Yunan.

He was the king of the business world who helmed the Fengtian Group. He must be God's favorite. Not only was he capable, but he also had a good family background. He also had a perfect and handsome face.

There was always a coldness in his sharp and deep eyes. He wondered how many girls were infatuated with him but could not get close to him. Qiao Ruoxi was one of them.

Perhaps it was because of the drug in his body, Feng Yunan pulled his shirt open, revealing his sexy chest.

His brows were tightly furrowed and his cheeks were flushed red. The veins on his forehead were bulging as if he was in pain.

Qiao Ruoxi had heard that a person who had been drugged with an aphrodisiac could either be sent to the hospital or get intimate once to alleviate the effects of the drug on his body.

She could not send him to the hospital, and she did not want to take advantage of Wen Keler either. There was only one solution she could think of now.

Chapter 2483 Love Comes Like The Southern Breeze (1)

She had never thought that she could give her precious virginity to her favorite person on her eighteenth birthday.

Qiao Ruoxi had no regrets.

The party outside had already ended. After Wen Ke'er sent off the last wave of guests, she hurried back to the villa and went upstairs. She walked towards the room with the blue doorplate and pushed open the door.

The room was pitch black. Before Wen Ke'er could turn on the lights, a wall of flesh blocked her way.

Wen Ke'er was secretly delighted. The medicine was indeed more effective. Even the usually cold and unapproachable Prince Charming could not resist the drug and was about to bow down to her.

As she took a closer look, Wen Ke'er realized that the man's body was completely different from her impression of Feng Yunan.

He was short and chubby, and his waist was full of fat. There were also lots of blemishes on his fat face...

Thinking of a certain possibility, Wen Ke'er felt like her head was about to explode.

'What is going on?'

'Tell me that this person is not the ugly and fat man who has been pestering me.'

'Ahhh... no...'

Wen Ke'er felt goosebumps all over her body. She resisted the disgust and tried to push the fat man away.

However, it was useless.

Qiao Ruoxi and Feng Yunan spent the night together. Before the sun rose, she had to leave the Wen family. She could not let anyone find out what she had done last night.

Opposite her, Wen Ke'er finally kicked the sleeping fatty away and tidied herself up as fast as she could. She planned to escape from the blue room unnoticed and pretend nothing had happened.

Just as she opened the door, she saw someone coming out of the pink room. She looked closely and saw that it was Qiao Ruoxi.

Seeing that she was tidying her clothes and was about to leave quietly, Wen Ke'er rushed up angrily and stopped her.

She grabbed Qiao Ruoxi's arm and pulled her back. She then pried her collar.

She questioned furiously, "Qiao Ruoxi, did you sleep with Feng Yunan last night?" "I slept with my man, what does it have to do with you?"

Qiao Ruoxi replied with a cold smile and a look of disdain.

"What do you mean your man? Qiao Ruoxi, why are you so shameless? I treated you as a good friend and invited you to my birthday party. In the end, you seduced Feng Yunan in my house. Aren't you too shameless?"

Wen Ke'er was so angry that her face was pale. She had spent so much effort to invite Feng Yunan over and planned everything, but in the end, she had unexpectedly helped Qiao Ruoxi. How could she not be angry? The most infuriating thing was that not only did her plan fail, but she also let the damn fatty take advantage of her. It was like trying to steal a chicken only to end up losing the rice used to lure it.

has

Qiao Ruoxi's eyes remained cold as she asked, "Wen Ke'er, have you ever treated me as a friend? If you had treated me as a friend, why would you scheme against me behind my back? You were the one who wanted to get Feng Yunan, but you used me as a bargaining chip. I should be the one asking you, when did you become so shameless?"

"How dare you call me shameless?" Wen Keler scolded. "Qiao Ruoxi, don't you know who you are? Who do you think you are to covet Feng Yunan? Let me tell you, he's going to marry me in the future. You'd better stop dreaming."

Chapter 2484 Love Comes Like The Southern Breeze (2)

The angrier Wen Ke'er got, the calmer Qiao Ruoxi became.

She sneered. "I don't know if he will marry you in the future. I only know that he is now my man. I've already stamped my seal."

"Bitch!"

Wen Ke'er could not outargue Qiao Ruoxi. She was so angry that she wanted to slap her. Qiao Ruoxi quickly blocked her wrist.

A sharp glint flashed in his cold eyes. He gave her two hard slaps almost instantly, making Wen Ke'er stagger two steps before she could steady herself. "You... you bitch! How dare you hit me!"

Wen Ke'er covered her face and stared at her in disbelief.

How dare the weak and gullible Qiao Ruoxi hit someone?

"What's wrong with hitting you? I've always been a person who would not attack unless others attack me. If someone attacks me, I would pay them back in double. You've been plotting against me behind my back. I should repay you well."

A cold and sharp glint flashed in Qiao Ruoxi's indifferent eyes.

He was ruthless, arrogant, and proud. Even if he was down, he would not change his pride.

"So what if you're trying your best? You're the third party between me and Feng Yunan!"

"Who's the third party? If it's you, then you're the third party!"

Wen Ke'er was a little hysterical, like a mad dog that had lost control.

Qiao Ruoxi sneered. "Really? Do you dare to tell him that your jade pendant and diary were stolen from me?"

Wen Ke'er choked as panic rose in her heart.

After their identities were swapped, Qiao Ruoxi went back to the Qiao family home but she had forgotten to take the diary and jade pendant with her so she asked her to help take them.

She had read through the diary and learned that Qiao Ruoxi had a crush on Feng Yunan. Therefore, she took the jade pendant and diary and met Feng Yunan first.

But she would not admit it. "It's only a matter of time before I get together with Feng Yunan. It's not because of the jade pendant or the diary. I've never seen your diary or the jade pendant. You must've remembered wrongly... Ah... Why did you hit me again?"

"How can you say 'again'? Did I hit you just now? I really remembered wrongly. Now I have to make it up to you. Does your face hurt?"

Wen Ke'er's face was extremely swollen. She could only glare at her angrily, but she did not dare to touch Qiao Ruoxi again.

Qiao Ruoxi stared at her and warned her word by word, "Listen up! This slap is a lesson for you.

"Don't blame me for being heartless.

"From now on, scram as far as you can."

"I don't want to be friends with a thief like you!"

She had always treated her best friend sincerely, but she did not expect their friendship to be so fake. Since that was the case, she would draw the line completely. Wen Ke'er was losing her rationality. A ferocious look appeared on her face as she shouted at her fiercely.

"I know you can't become the daughter of the Wen family, so you've always hated me. You're not willing to go back to the Qiao family. You don't have the status and security that you used to have, and you're even more jealous of me. You can't bear to see me being better than you."

Qiao Ruoxi had finally seen Wen Ke'er's true colors. Back when she was still Wen Ruoxi, Qiao Ke'er had tried her best to curry favor with her. Now that she had become the daughter of the Wen family, she was actually this arrogant and vicious.

"You can think whatever you want. Anyway, I will take back everything you stole from me one day."

"Who stole from you? Who stole from you? I'm the real daughter of the Wen family. This is an undeniable fact. You tried to steal everything from me and even seduced Feng Yunan to sleep with him. You're a jinx. Whoever meets you is unlucky. Who wants to be friends with you? Qiao Ruoxi, you're too disgusting. Get out of my house now!"

Chapter 2485 Love Comes Like The Southern Breeze (3)

"Don't worry! This is no longer my home! I don't even want to come here!"

Wen Ke'er was like a shrew. There was no need for Qiao Ruoxi to argue with a shrew. She glared at her coldly and left without looking back.

Her back was straight and strong.

From now on, she could only rely on herself. If Wen Ke'er came to find trouble, she would accompany her to the end!

Behind her, Wen Ke'er stared at Qiao Ruoxi's back as she disappeared into the distance. Her heart was filled with hatred. She couldn't just let her go like this. She couldn't just let her go like this.

If Qiao Ruoxi told Feng Yunan about the diary and the jade pendant, she would be finished. Feng Yunan knew that she had lied to him and would definitely not bother with her anymore.

Thinking of this, Wen Ke'er immediately made a call and told the person on the other end, "You can do it now. I want her to taste the taste of losing everything and then completely disappear from this world."

Qiao Ruoxi walked out of the mansion, worried about the man who was still sleeping upstairs. She was worried that Wen Ke'er would take the chance to sneak into the room and pretend to sleep with Feng Yunan.

With her understanding of Wen Ke'er, she would definitely do something like that.

Thinking of this, Qiao Ruoxi tried to think of a way to defend herself. She happened to see Feng Yunan's car parked beside the fountain.

beside the car.

“Are you Mr. Feng's assistant?” Qiao Ruoxi scurried forward and asked.

Xiu Yi nodded and looked at her suspiciously. Qiao Ruoxi continued, “Mr. Feng is in a very bad condition right now. He asked me to pass on a message to you. He is currently in a pink room on the second floor. Please quickly go and take him away.”

“Oh, thanks.”

Xiu Yi stepped on the cigarette butt and ran towards the mansion.

Qiao Ruoxi let out a sigh of relief as she watched Xiu Yi leave.

Just as she stepped out of the gate of Wenjing Garden, a black car drove over and stopped in front of her. The window rolled down, revealing a gentle and handsome face.

Qiao Ruoxi saw that it was her father's personal assistant, Qin Xuming, but she did not ponder about why he would suddenly appear at the door.

“Miss Ruoxi, I'm here to pick you up,” Qin Xuming said anxiously. “Please get in the car. Something happened to Sir.”

Something happened?

Qiao Ruoxi's heart skipped a beat. Suddenly, an ominous feeling filled her heart. She couldn't care less and directly opened the door and got into the car.

“My father...”

Ever since Qiao Ruoxi had returned to the Qiao family, she had never called Qiao Rennian “daddy.” Even though she had called him “daddy” for the first time, she was choking with emotion.

“The company's capital chain was broken, and the banks and suppliers were begging for money. Sir was unable to cope with it and eventually jumped off from the Zhongtian Tower... He is now being sent to the hospital and is being resuscitated...”

Financial chain rupture?

The Qiao family's business had always been very stable. How could they suddenly have a cash flow problem? Qiao Ruoxi really could not understand.

Qin Xuming sighed and looked at Qiao Ruoxi through the rearview mirror.

Qiao Ruoxi sat in the car with a blank look on her face. She felt her blood freeze in an instant.

Her father jumped down from the Zhongtian Tower... She couldn't imagine what kind of miserable scene that would be.

Qin Xuming sent her to the hospital. The lights in the emergency room were still on and there were many people gathered outside.

Qiao Ruoxi looked around and saw her second uncle, Qiao Renkang, her second aunt, Du Lan, and her aunt, Qiao Lirou. However, she did not see her mother.

“Uncle, Aunties, how is my father now?”

Qiao Renkang looked at her and replied coldly, “He's still in the emergency room.” “Ruoxi, where did you go? I couldn't get through to you,” Du Lan chided.

Chapter 2486 Love Comes Like The Southern Breeze (4)

“I went to Wenjing Garden,” Qiao Ruoxi answered truthfully.

“Wen Jingyuan? What are you going back to Wen Jingyuan for?” Qiao Lirou said sarcastically. “You're no longer the heiress of Wen Jingyuan. Don't keep coming to her. It's as if our Qiao family is mistreating you. Why are you only here now after such a big thing happened to your father? How are you fit to be a daughter?”

Qiao Ruoxi knew that none of the Qiao family liked her. Ever since she came to the Qiao family, she had become an isolated person.

The Wen family was no longer her home, and the Qiao family could not tolerate her.

The only person who was good to her was her biological mother, Su Hui. Thinking of her mother, Qiao Ruoxi asked, “Where's my mother?”

“You still know that you have a mother?”

Just as Du Lan opened her mouth to speak, she was stopped by Qiao Renkang. “Enough, stop talking.”

He then turned to Qiao Ruoxi and said, “After your mother learned that your father had jumped off a building, she suffered a blow and wanted to take a drug to commit suicide. Fortunately, she was found in time and she's going through emergency rescue.”

As soon as her uncle finished speaking, her aunt, Qiao Lirou, began to bombard her. “What a misfortune to the family! Have you seen what happened to the Qiao family ever since you returned? Calling you a jinx is an act of flattery. In my opinion, you are a scourge.”

Du Lan also added, “That's right. A perfectly good family was broken up. Are you satisfied now?”

Qiao Ruoxi stood where she was without saying a word. Her heart was so cold that it was as if she had fallen into an ice cave in the North Pole.

She looked at the Qiao family's parasites coldly. They were a large part of the reason for their incompetence. When the lights in the emergency room were turned off, the doctor came out and announced, “I'm sorry, Mr. Qiao has sustained multiple fractures. There are bone spurs piercing the artery, and his internal bleeding is serious... We've tried our best.”

Then, the nurse pushed Qiao Renian's body out. Qiao Lirou and Du Lan started to cry when they saw his body.

Qiao Ruoxi followed behind him in a daze. There was no expression on her face, not even a single tear.

Qiao Lirou turned around and saw that she was stunned. She pushed her angrily. “What are you still doing here? You useless thing! Your father is already dead, and you don't even shed a single tear. You

cold-blooded thing! It's all your fault! If you didn't go back to the Qiao family, nothing would have happened to my brother! It's all your fault! Hurry up and get lost! Go back to your Wenjing Garden.”

Qiao Ruoxi's footsteps were as heavy as lead as she stood still on the ground. She didn't even have the courage to follow him.

Who said she wasn't sad?

After all, he was her biological father!

Sometimes, when she was really sad, tears would flow into her heart.

Thinking that her mother was still in the emergency room, Qiao Ruoxi turned around. Not long after, her mother, Su Hui, was also pushed out.

The doctor told her that her mother had already washed her stomach after taking the poison, but the poison had ruined her throat. She might never be able to speak again. “Mommy...”

In the ward, Qiao Ruoxi held her mother's hand as tears fell like rain.

How did it become like this?

The Qiao family was like a sailing ship. It was originally fine, but it seemed to have suddenly experienced a huge storm. In one night, their family slipped into chaos.

There were reports of the Qiao Group going bankrupt everywhere. The president of the Qiao Group, Qiao Rennian, committed suicide by jumping off a building. Everyone was talking about how surprising it was that the Qiao Group had suddenly gone bankrupt when it was doing well before.

Some said that it was because of Qiao Rennian's mismanagement that led to the Qiao family's demise.

There were also people who said that it was because of the vicious competition that the Qiao Group was pushed to the point where it had nowhere to stand.

There were even rumors that it was because Qiao Rennian had offended someone and was being punished. He had no idea why.

The Qiao family was gone.

Their only property was confiscated by the court.

Chapter 2487 Love Comes Like The Southern Breeze (5)

After taking care of her father's funeral, her second uncle and aunt, who had been crying at the hospital, split the final insurance money and ran away.

Qiao Ruoxi was taking care of her mother in the hospital when she received a call from Qin Xuming. “Miss Ruoxi, Sir has left a few things for you. Can you come to Zhongtian Tower to retrieve them?” “Okay, I'll go there in a while.”

Qiao Ruoxi went to Zhongtian Tower and took her father's belongings from Qin Xuming. They were all things that her father usually used.

“Thank you, Assistant Qin,” Qiao Ruoxi said.

“You're welcome. This is what I should do,” Qin Xuming said politely.

After Qiao Ruoxi left the office, a dark light flashed across Qin Xuming's eyes. He took out his phone and made a call. “She's leaving soon. We can start now.”

Qiao Ruoxi left the Zhongtian Building and stopped outside the building. She turned to look at the top of the tall building and her eyes couldn't help but become teary.

Her father had jumped down from the top of the building and landed on the ground. The blood on the ground had been cleaned up and there was nothing left. When a person dies, there would be nothing left.

Qiao Ruoxi sighed and left with her father's belongings. When she was crossing the road, she did not notice a car driving by.

The car sped towards her. By the time she realized it, it was already too late.

With a bang, she was sent flying. Her body was like a light butterfly, drawing an arc in the air. Her belongings were scattered all over the ground, and she finally fell into a pool of blood...

Five years later.

Yin Zun was the best and most expensive private club in Yun City.

A slender girl walked out of the changing room. Qiao Ruoxi had light makeup on and her hair was tied up in a high ponytail.

She wore a white V-neck shirt, a black waist-length skirt, and a fitted vest. She looked clean and neat, and her waist was slim.

Ever since the incident with the Qiao family five years ago, her life had also fallen into the doldrums. She had gotten into a car accident, and when she woke up, she had nothing. Even her memories were no longer complete. Now, in order to make a living, she had no choice but to work in a place like Yin Zun, where there were all sorts of people.

we

When it was time to go to work, Qiao Ruoxi hung up her work pass and walked towards Room 999.

She was not supposed to be in charge of this private room, but her colleague suddenly had a stomachache and had to go to the washroom. He asked her to help temporarily take care of the situation.

Qiao Ruoxi took a deep breath and pushed the door open. Before she could see what was inside, she was suddenly pressed down by a huge object.

A strong arm was placed on her shoulder, pinning her down.

It should be a tall man. The tip of her nose was at the same height as the third button of his shirt.

It was too dark to see his face.

“Take me back to my room. Here's a tip...”

His alluring and cold voice was mixed with a strong smell of alcohol and suppressed hormones.

Even though she could not see the man's face, she could still feel the cold aura emanating from his body. It was an invasive aura unique to the strong

His aura was strong and cold, like a king who was not to be violated.

Before Qiao Ruoxi could think further, the man had already given her a room card and a few bills.

“Slow down, sir.”

Since the guest was drunk and had a room card to the room upstairs, Qiao Ruoxi had to send him back.

She finally managed to get the man back to his room and helped him onto the bed. Half of Qiao Ruoxi's shoulder was numb from the pressure.

She was about to leave when the man suddenly grabbed her. “Ah!”

Qiao Ruoxi screamed and fell over uncontrollably.

Chapter 2488 Love Comes Like The Southern Breeze (6)

The man muttered incoherently, “Keler...”

Qiao Ruoxi tried to break free from the awkward situation. “Sir, if you're thirsty, I'll get you some water.”

“Ke'er... don't go...”

“Sir, I'm not leaving. I-I... I'll get you some water.”

Qiao Ruoxi's hair stood on end and her heart was in her throat.

“I don't want water... Keler...”

He kept saying that he was thirsty but he didn't want water. Was he crazy?

When Qiao Ruoxi struggled to get up again, she was caught off guard. “Keler, I only want you...”

'Wrong, wrong... Qiao Ruoxi finally understood that he was thinking about a person's name.

'Is he mistaking me for the person he misses because he's drunk?'

“Sir, I'm not... Please let me go...” Qiao Ruoxi was terrified.

The morning light shining into the room was blocked by the heavy curtains. The room was still dark, and the girl in his arms moved slightly because of her sleeping posture.

Feng Yunan opened his tired but deep and good-looking eyes.

He couldn't help but kiss her forehead. “Ke'er, you're finally my woman.”

The girl was still unconscious. Feng Yunan turned on the bedside lamp and gasped when he turned to look at the girl in his arms.

At first glance, he thought that the girl he loved had undergone plastic surgery but when he took a closer look, he realized that he did not recognize her at all.

“Get up!”

Qiao Ruoxi was woken up by the noise. Her delicate eyebrows were furrowed together and she felt annoyed.

She was so tired that she only wanted to sleep and not open her eyes.

But someone was shaking her shoulder forcefully. It would be weird if she could continue sleeping.

She opened her eyes and saw a handsome but murderous face that made her heart shudder.

'What a handsome man. Have I seen him somewhere before?'

“Who are you?” he questioned coldly.

This was also what she wanted to ask. Who was he?

“Why are you in my room?”

Feng Yunan's face was so hostile that it was scary. He stared at her coldly.

Qiao Ruoxi got up and covered herself with the blanket. “Sir, I'm the waiter here...”

Before she could finish, the man interrupted her coldly and arrogantly. “Who gave you the guts to climb into my bed?”

Compared to the man's anger, Qiao Ruoxi calmed down. “You... you gave me the room card.”

Feng Yunan could not remember how much alcohol he had drunk last night, let alone when he had given away his room card.

He reckoned that the waiter must have taken the opportunity to steal his room card and tried to climb onto his bed to get intimate with him.

After all, with his status, there were countless women who wanted to have sex with him.

“Do you think I would believe such a low-level reason? You drugged me and offered yourself to me. Do you dare say that you have no motive?”

“No, I didn't.”

Qiao Ruoxi tried her best to clarify, her expression innocent.

“Of course not.”

Feng Yunan did not want her to act innocent in front of him. He snorted. “Tell me, how much money do you want?” Last night, Feng Yunan was stood up by the woman he liked, Wen Ke'er. He was in a bad

mood and came to his friend's club to drink. He did not expect that the waiter would dare to drug his drink.

The man's ridicule was like a fine needle that ruthlessly pierced into her heart.

Her heart was in pain and tears were welling up in her eyes. 'I didn't want the accident last night to happen either, okay?'

Now, everything was ruined. There was no turning back.

"I don't want money. Please forget about last night and pretend nothing happened," Qiao Ruoxi said.

Chapter 2489 Love Comes Like The Southern Breeze (7)

She only hoped that this was a nightmare and that everything would be the same when she woke up.

Qiao Ruoxi found her clothes and put them on.

'Forget last night?'

'Pretend nothing happened?'

'This should be my line, right?'

Feng Yunan lowered his eyes and stared at the woman's slightly stubborn back. The darkness in his eyes deepened.

He did not believe that she had spent so much effort to climb into his bed for nothing. If it was not for money, what else could it be?

Was she trying to play hard to get with him?

"Is two million enough?"

Qiao Ruoxi's back trembled as she turned her head in disbelief. What did he take her for? A hooker?

There was a flash of sadness in her eyes. She lowered her head. "Thank you for your generosity, Sir. I really don't need it. I don't want money."

Feng Yunan looked at her thoughtfully and couldn't help but recall the scenes from last night.

He could not deny that she had made him very happy last night.

"I'll give you five million. Just pretend nothing happened last night. If you dare to spread this matter, you'll have to bear the consequences!"

As Feng Yunan warned her, he took out a checkbook and signed a check for five million.

Five million.

To Feng Yunan, who had the huge Fengtian Empire, it was like a drop in the ocean.

But to Qiao Ruoxi, it was an astronomical figure.

With this money, perhaps her mother and brother's illnesses could be treated, and she wouldn't have to separate from her family.

The three of them would be able to get out of the predicament of living under someone else's roof. She would also have the chance to study abroad and major in design as she liked.

But if she really did take his money, then what was the difference between her and hookers?

It was true that she was a waitress, but she would not sell her body. Every penny she earned was based on her own hard work.

Thinking of this, Qiao Ruoxi did not take the check. She only started to look around for her work pass. "Qiao... Ruo... Xi?"

Feng Yunan's voice was harsh.

Qiao Ruoxi raised her head and saw that the man was shaking her work pass. His eagle-like eyes were filled with mockery.

No matter what, this was Yin Zun. She was a waiter and he was a guest. She could not offend him.

"Sir, can I have my work pass back?"

Feng Yunan wanted to see how long she could keep it up. He held the work pass in his palm and held the check between his index and ring finger with his other hand.

"Stop acting. Take it!"

Qiao Ruoxi took a glance and let out a sigh of relief. She had rejected his check. Did he think she was putting on an act? She had seen all kinds of people in Yin Zun, but this was the first time she had seen a man who looked down on her as if he was a god.

Her heart was filled with bitterness. She walked in front of him and looked at him calmly. "Will you give me back my work pass if I take the check?"

"That's right."

Feng Yunan looked at her coldly.

In his eyes, she was just a clown or a beggar.

Qiao Ruoxi quietly took the check from between his fingers. As expected, the man kept his promise. He opened his palm and returned the work pass to her.

Qiao Ruoxi picked up her work pass and placed the check in his hand. She smiled.

"I'm really sorry about last night. Take this five million yuan check as a gift from me to buy some supplements for you. Take good care of yourself. Goodbye."

Qiao Ruoxi turned around and ran out of the private room.

Tas

She was afraid that if she was a second late, she would be killed by the man's murderous gaze.

Looking at the check lying in his hand, Feng Yunan was stunned for a few seconds. His money was back in his hands, but why did he feel like he was the one being slept with?

For the first time in his life, he was played by a woman.

Damn it!

Chapter 2490 Love Comes Like The Southern Breeze (8)

Qiao Ruoxi came down from upstairs and went back to the changing room as fast as she could. She had to change her clothes to cover her sorry state.

Qiao Ruoxi was about to change her clothes when she noticed someone pushing the door behind her. She turned around abruptly and slapped her face hard.

The slap made her head tilt to the side and a few bright red finger marks appeared on her fair cheeks.

Qiao Ruoxi covered her stinging face and looked at the furious Yao Lili. "Yao Lili, why did you hit me?"

"Why did I hit you?"

Yao Lili was about to slap her again when Qiao Ruoxi grabbed her wrist and slapped her back.

"Yao Lili, don't you think you've gone too far by beating someone up for no reason?"

"I'll return this slap to you. I don't owe you anything."

"You were the one who begged me to help you last night, and now you're accusing me of stealing your guest?"

"Also, did you write your name on your guest?"

Yao Lili's face turned pale after hearing her words.

"Anyway, I was the one who targeted him first. I've already drugged him. As long as I come back from the bathroom and not you, why did you have to seduce him first?"

Yao Lili already knew about Feng Yunan's identity, so she did not hesitate to break Yin Zun's rules and secretly drug the guest.

Once the drug was successfully administered and she climbed onto Mr. Feng's bed, she might be able to become Mrs. Feng. Even if she couldn't become Mrs. Feng, she could at least get a large amount of compensation.

But she did not expect that Qiao Ruoxi, that bitch, would get the job before her.

"You're blaming me now? You drugged our guest? Yao Lili, why did you do this? Do you know what the consequences are?"

Qiao Ruoxi was furious. Yao Lili had drugged a guest. Didn't she know the rules of Yin Zun?

No wonder she felt that there was something wrong with that man.

She had heard from Yao Lili before that there was a drug that had a strong hallucinogenic effect. Once a person took it, they would lose their mind and treat any woman as the person they loved.

No wonder that man kept calling her “Keler.”

Yao Lili laughed sinisterly. “Of course I know the consequences. The consequence is, Qiao Ruoxi, you can get lost soon.” “Why?”

“I've already told Manager Tao that you drugged the guest in Room 999. He wants you to go over now.”

Yao Lili laughed smugly, folded her arms and left.

Qiao Ruoxi stood rooted to the ground, her heart beating wildly as she shivered, as if she had fallen into an ice cellar.

If Yao Lili were to blame it on her, she would have no evidence to clear her name.

She would definitely be fired for breaking the rules of the system in Yin Zun.

Qiao Ruoxi did not want to lose this job. She needed the generous salary here to support her family.

Her mother and brother were waiting for her to earn a living. What would she do if she lost her job?

It was Yao Lili who had drugged her and implicated her. Why did she have to bear the consequences?

They arrived at the manager's office. Yao Lili was also there, waiting to watch a good show.
