

Priceless 2581

Chapter 2581: 2581

Feng Yunan frowned when he saw that the seats had changed. "Why isn't it a diamond private room?"

People who often came to eat knew that Tiffany's seats were divided into different levels. The most luxurious was the diamond private room, followed by three different levels of jade, white jade, and crystal.

Feng Yunan always reserved a diamond private room. There was only one diamond private room in the whole restaurant. The highest class private room represented status.

He thought that Xiu Yi had also booked a diamond private room for him tonight. But now he was told that the diamond private room had been booked by someone else. He found it somewhat unacceptable.

"Who booked the diamond room?"

Feng Yunan wanted to know who dared to steal his preferences.

"I'm sorry, Mr. Feng, but the guests have to keep it a secret, so..."

The waiter apologized, not daring to offend Feng Yunan.

Wen Ke'er did not mind where she sat as long as it did not stop Feng Yunan from proposing to her.

She pulled Feng Yunan's arm and said, "Brother Nan, why don't we sit in the Jadeite VIP seat? That seat is by the window. I think it's pretty good."

It would be bad if they were in a private room. If Feng Yunan proposed, no one would be able to see it. It would be better to have a private room.

The Jadeite booth wasn't too far away. It was more eye-catching and could be seen from all directions in the dining room. Wen Ke'er hoped that when she was proposed to, she would be the center of attention.

'My Ke'er has always been so considerate and understanding.'

Since she had already said so, Feng Yunan did not insist further. After all, it was a matter of first come, first serve.

The diamond private room was usually too expensive because of the service. Other than a wealthy president like Feng Yunan who was willing to spend a lot of money, very few people would reserve it.

He wanted to see who was ahead of him.

Not long after they sat down, Feng Yunan noticed a man in a wine-red suit entering the restaurant. He was brought to the diamond private room by a waiter.

From the moment he came in, Feng Yunan squinted slightly and leaned back, coldly sizing him up.

Mu Yunli, president of the Mu Group.

Feng Yunan knew that Mu Yunli was his rival in business.

Recently, he had settled down in Yuncheng. He had also opened a flagship store opposite the Diruiling flagship store. The domestic market was expanding rapidly, as if it wanted to compete with the Fengtian Group.

Not only that, but the 1.5 billion worth of diamond sources that Fengtian Group had been purchasing were intercepted by the Mu Group.

Feng Yunan's face darkened.

Wen Ke'er also saw Mu Yunli. She had seen him on the news before. She did not expect him to look even more handsome in person than in photos.

It turned out that he had booked a diamond private room. But who was he meeting tonight?

Qiao Ruoxi walked into the dining room and was immediately surrounded by warmth. As she walked, she looked around the restaurant.

It was indeed different in a high-class restaurant. The heating was especially strong and the environment was also very good.

According to what the driver asked, she told him the number of the private room and her surname. The waiter then took her to the diamond private room.

Feng Yunan saw Qiao Ruoxi entering the diamond private room. He had noticed her the moment she entered.

He had been wondering why she had come back. Could it be that she had come to look for him? In the end, she had actually come to look for Mu Yunli.

She was even more curious. How did she know Mu Yunli? What was their relationship?

Chapter 2582: 2582

His woman was eating with his competitor?

Thinking of this, Feng Yunan felt an indescribable disgust in his heart. He couldn't help but wonder if Qiao Ruoxi and Mu Yunli had known each other since long ago.

She drugged him and forced him to marry her. Could it be all Mu Yunli's scheme?

He wanted to use Qiao Ruoxi as a pawn to get close to him, just like a spy?

After all, Mu Yunli was a difficult opponent.

The diamond supply that he had suddenly received a while ago was a good example.

They had sent someone to investigate him, but they found out that he had a secret background and was rooted outside the country. It was not easy to shake the Mu family.

No one knew that Feng Yunan had already come up with a complicated commercial spy drama plot in his mind.

The diamond private room was a private room. After Qiao Ruoxi entered, Feng Yunan's vision was blocked and he could not see what was happening inside.

For some reason, the thought of Qiao Ruoyi and Mu Yunli being alone made him feel even more disgusted.

Sitting on the seat, she felt like she was being made a cuckold.

Unknowingly, Feng Yunan's mood was greatly affected. The goblet in his hand was almost crushed by him.

With her back facing the door, Wen Ke'er did not notice that Qiao Ruoxi had entered the diamond private room.

She raised her head and saw Feng Yunan's sinister face and the hand that was holding the glass. His veins were bulging and his knuckles were white. She was a little shocked. "Brother Nan, what's wrong?"

Only then did Feng Yunan realize that Wen Ke'er was sitting opposite him. After suppressing the anger in his heart, he said, "Nothing. Do you want something else?"

"No need," Wen Ke'er replied elegantly with her elder chin resting in her hand.

Actually, it didn't matter what she ate. She was waiting for Feng Yunan's surprise.

Why was there no movement until now?

Wen Ke'er was secretly anxious, but she could not remind him. She could only ask indirectly, "Why did you suddenly think of treating me to a meal today, Brother Nan?"

Feng Yunan did not seem to have heard her question. After a moment of silence, he said, "I ordered your favorite mousse cake."

Wen Ke'er looked at Feng Yunan suspiciously. She didn't understand what was going on with Feng Yunan today.

Upon entering the Diamond private room, Qiao Ruoxi was immediately attracted by the gorgeous environment inside. This room was really too dazzling.

The walls were all inlaid with diamond-shaped lights. It looked like a vast starry sky. No wonder it was the best western restaurant in the city. It was so unique.

Qiao Ruoxi looked at the table in surprise. There was only one table in the room.

Flowers, candles, and melodious music were placed on the table.

What a suitable occasion to propose!

Qiao Ruoxi was speechless. It was just a meal. There was no need to make it so shocking.

If she had not seen the handsome man sitting at the table in the morning, she would have thought that she had come to the wrong place.

Qiao Ruoxi came closer and bowed slightly. "I'm sorry, Sir. I'm late. Sorry to keep you waiting."

Qiao Ruoxi smiled apologetically.

"It's okay. Have a seat."

When Mu Yunli saw Qiao Ruoxi, his mood immediately brightened up. He stared at her with his charming peach blossom eyes full of interest.

After Qiao Ruoxi sat down, she took off her thick jacket and looked down at the work clothes she was wearing. It was out of place in such a high-end restaurant.

She felt a little embarrassed. "Sir, if I dress like this, will it lower your class?"

"Of course not. You look very elegant in your work clothes."

Mu Yunli praised her sincerely.

Chapter 2583: Love Comes Like The Southern Breeze (101)

In Huo Yunshen's eyes, Qiao Ruoxi was the kind of beauty that had a special temperament. She had a good figure, and her curves were very well-proportioned. When she wore a body fitting suit, her slender waist looked even more attractive.

"Thank you. May I know your name?"

"My surname is Mu."

"Oh, hello, Mr. Mu."

Qiao Ruoxi smiled back and extended her right hand.

Mu Yunli squeezed her hand and said half-jokingly, "You can call me Yunli."

'Oh? Yunli? His surname is Mu...'

Qiao Ruoxi pulled her hand back in panic and widened her eyes in shock. "Huh? Don't tell me you're really the president of the Mu Group..."

"Yes."

Mu Yunli's lips curved into a playful smile. Seeing her shocked look, he found it even more interesting.

He was Muyun Li?

In the morning, one of her colleagues asked her if the man was Mu Yunli. She said that it was impossible. She did not expect it to be true.

Mu Yunli...

Qiao Ruoxi suddenly realized a very serious problem. The Mu Group's Simu Jewelry had opened a store opposite Di Ruiling. The two families were in a competitive relationship.

And now she was having dinner with the big boss of a rival company. Was this appropriate?

"I really didn't expect you to be the president of the Mu Group. Simu Jewelry is located opposite our store. To put it nicely, we are in the same industry. To put it bluntly, we are competitors. Now that I'm sitting in front of you, I'm afraid..."

Before she could finish her words, Mu Yunli interrupted her and said, "What? Does the competition in the business world have anything to do with our dinner?"

"No."

Qiao Ruoxi thought about it and thought that she was overthinking it. He had invited her to dinner because she had saved his mother.

Thinking of the woman with the ugly scar on half of her face, Qiao Ruoxi was curious.

Why did Mu Yunli's mother have such a terrifying scar on her face?

'Mu Yunli is so rich. Has he never thought of helping his mother get plastic surgery?'

"Qiao Ruoxi, thank you for saving my mother last time," the man said in a clear, gentle, and alluring voice while Qiao Ruoxi was letting her imagination run wild.

Qiao Ruoxi was pulled back to reality. She smiled and waved her hand. "You're welcome, Mr. Mu. It's really nothing."

"Here's a toast to you."

Mu Yunli had already raised his wine glass towards her.

Qiao Ruoxi quickly picked up the lemonade on the table and asked, "I don't know how to drink. Can I use water instead of wine?"

"Sure."

Mu Yunli's actions were elegant and gentlemanly. He took a sip and put down his wine glass. "No matter what, if you weren't willing to act bravely for a just cause, my mother's life might have been in danger. Qiao Ruoxi, in order to express my gratitude, I can fulfill one of your wishes. No matter what you request, I will agree to it."

Mu Yunli's words were sincere and earnest. He still remembered how panicked he was when he was told by the bodyguards that his mother had fainted and was sent to the hospital.

The doctor said that the CPR had fortunately been done in time and extended the rescue time. Otherwise, the consequences would have been unimaginable.

After asking around, he learned that it was a girl who had saved his mother. He saw her photo and credentials from the bodyguards and learned that she was a shop assistant at Di Ruiling Jewelry.

No matter who she was, she was still his benefactor.

"It's okay, it's really okay. It's just a small favor. Mr. Mu, you're too kind. I'm already flattered that you invited me to such a high-end place to eat."

Qiao Ruoxi smiled and shook her head. She did not want to take the chance to ask for anything. She had not thought about the future when she was saving him.

Her rejection made Mu Yunli feel extremely touched.

Chapter 2584: Love Comes Like The Southern Breeze (102)

It was rare for her to be so kind-hearted and not ask for anything in return.

He could feel that she was sincere, kind and compassionate. The quality of her body was shining brightly like that diamond.

Even though she didn't want anything, Mu Yunli still insisted, "Okay then, I will keep this chance for you forever. No matter when or where, from now on, if you encounter any difficulties or need help, I will help you without hesitation."

"Thank you, Mr. Mu."

His words were touching.

Qiao Ruoxi nodded and thanked him. In her heart, she felt that she might not need such an opportunity.

After this meal, she could no longer interact with the big boss of the Mu Group.

But the world was unpredictable. The current Qiao Ruoxi could not have predicted that in the near future, she would fall into despair to the point where she could only ask Mu Yunli for help.

As the waiter served the food, Mu Yunli thoughtfully handed her a knife and fork. "Come on, try Tiffany's steak. It tastes really good."

"Okay, thank you."

Qiao Ruoyi realized that Mu Yunli did not have the arrogance and indifference of a big boss. Instead, he gave her a very approachable feeling.

He was very polite. Just thinking about him made her feel comfortable.

This kind of man was much easier to get along with than Feng Yunan.

Feng Yunan was cold, arrogant, cruel, domineering, and violent. He was headstrong, petty, and a huge male chauvinist. Anyway, he had no merits. Every time she saw him, she would feel a chill down her spine.

No, no, no. It was the thought of him that sent a chill down her spine.

'Sigh, I don't want to think about it anymore. I can't think about that guy anymore. How annoying.'

If the man in the jade seat knew that he had such a horrible image in Qiao Ruoxi's mind, he would probably strangle her to death.

Tonight's dinner was a little tasteless. After the waiter removed the plate, Feng Yunan took out a lighter.

Whenever he was in a bad mood, he would always want to smoke one cigarette. But he remembered that he could not smoke in the restaurant and could only play with the lighter.

The expensive diamond-studded lighter moved between the man's long fingers. He was irritated and puzzled. He tugged at his tie, his patience almost exhausted.

Her mind was filled with thoughts of the Diamond private room. What were Qiao Ruoyi and Mu Yunli doing?

That woman didn't listen to him and actually dared to go around seducing men. It was simply outrageous.

When the waiter served the mousse cake, Feng Yunan couldn't take it anymore. He stood up and said, "I'm going out for a smoke."

Wen Ke'er looked at the exquisite mousse cake and smiled brightly. "Okay, Brother Nan. Go quickly."

After Feng Yunan left, Wen Ke'er eagerly picked up a spoon and began to rummage through the mousse cake. She searched all over the top and bottom. The round cake was completely disfigured, but there was no sign of the ring.

Wen Ke'er was a little disappointed. Was he not planning to propose tonight?

Was he waiting for her birthday?

After Feng Yunan left the private room, he did not go out to smoke. Instead, he walked towards the Diamond private room.

In the Diamond private room, after Qiao Ruoxi finished eating, she smiled and said, "Mr. Mu, thank you for your hospitality tonight. I've also eaten and drank some wine. I plan to go back early."

"Okay, I'll drive you there."

"No worries."

Mu Yunli smiled and said, "When a man invites a lady to dinner, especially at night, he must send the lady home safely. This is the most basic gentlemanly behavior."

Chapter 2585: Love Comes Like The Southern Breeze (103)

His gentlemanliness was indeed hard to refuse. Qiao Ruoxi did not refuse. "Okay then, thank you, Mr. Mu."

Qiao Ruoxi stood up. Mu Yunli picked up her jacket and helped her put it on her shoulders.

Right at this moment, the door to the private room was kicked open with a bang. Qiao Ruoxi's heart trembled.

She and Mu Yunli turned towards the sound at the same time and saw Feng Yunan at the door, looking furious.

Feng Yunan came.

Seeing Feng Yunan, Qiao Ruoxi immediately distanced herself from Mu Yunli. "Mr. Feng..."

She could neither stand nor sit. She could not help but feel a little afraid.

God knows how suspicious Feng Yunan was by nature. Seeing her with Mu Yunli, he might suspect her again.

She was right.

Feng Yunan kicked the door open and the first thing he saw was Mu Yunli hugging Qiao Ruoxi's shoulder.

The two of them were really intimate. If he didn't come, wouldn't they be hugging and kissing next?

She then looked at the dining room. It was a candlelight dinner and roses. It was so damn romantic.

At this moment, Feng Yunan's chest was heaving up and down. He was so aggressive that he could no longer think calmly. His whole body was burning with anger and he was about to explode.

Before he could say anything, Mu Yunli smiled elegantly and said, "Huh? What brought you here, President Feng?"

Feng Yunan ignored Mu Yunli and kept staring at Qiao Ruoxi.

Mu Yunli followed his gaze and looked at Qiao Ruoxi. He was puzzled. Could it be that Qiao Ruoxi and Feng Yunan knew each other?

It made sense. Qiao Ruoxi was an employee of Di Ruiling, a subsidiary of the Fengtian Group. It was normal for her to know her boss.

However, did Feng Yunan come here today for Qiao Ruoxi?

Thinking of this, Mu Yunli's eyes had a hint of playfulness in them. It seemed that it was impossible not to get involved in this mess.

"When I invited President Feng to meet with me, he said that he had something to do. I didn't expect President Feng to be so kind today. But please don't scare my partner with your exaggerated actions."

Mu Yunli put his arm around Qiao Ruoxi's shoulder and smiled.

Qiao Ruoxi was greatly frightened by his actions. She wanted to push him away instinctively. "Mr. Mu..."

"Don't worry, I'm here."

Mu Yunli did not let her go and only whispered these few words into her ear.

"..."

Qiao Ruoxi knew that he was trying to protect her, but she didn't want Mu Yunli to get involved in this situation. Otherwise, it would be even harder to explain.

Although he couldn't hear what Mu Yunli had said, he could clearly see the intimate gesture. She was biting her ear in front of him. Was she deliberately trying to embarrass him?

Feng Yunan was so angry that he wanted to destroy everything.

However, he quickly calmed down because Mu Yunli was his competitor. If he easily exposed his emotions in front of his opponent, it would be very easy for the other party to have something on him.

Even though he wanted to strangle Qiao Ruoxi to death, he pretended to ask, "May I ask what is the relationship between President Mu and my employee, Miss Qiao Ruoxi?"

"As you can see."

Mu Yunli was not afraid of Feng Yunan at all. He hugged Qiao Ruoxi even tighter.

"Mr. Feng, it's not what you think. Mr. Mu and I..."

Qiao Ruoxi wanted to explain, but Mu Yunli interrupted her. "Ruoxi, don't be afraid. Your boss will not interfere with the employees' romance. Besides, it's after work now. It's your private time."

In other words, Feng Yunan had no right to interfere.

Qiao Ruoxi was speechless in her heart. 'Please don't explain the relationship so ambiguously, okay?'

Chapter 2586: Love Comes Like The Southern Breeze (104)

'What is love? Oh my god...'

This would kill her.

'Ruoxi?'

'Why are you calling me so intimately?'

Feng Yunan took two steps closer and looked at the two of them. "If I remember correctly, President Mu has a girlfriend abroad, right?"

She was a little surprised that Feng Yunan could investigate his private affairs so thoroughly. Indeed, this opponent was very strong.

"Same here. Don't you also have someone you like, Miss Wen Ke'er?"

Mu Yunli raised his eyebrows and scolded her back. He turned to look at Qiao Ruoxi and said, "You're a man. How could you not have a few close female friends?"

"..."

Qiao Ruoxi was Mu Yunli's confidante?

He couldn't tell that she was hiding something.

Feng Yunan clenched his fists and tried to control his anger.

He looked at Qiao Ruoxi with anger and coldness in his eyes.

Mu Yunli could already tell from Feng Yunan's eyes that he had an extraordinary relationship with Qiao Ruoxi, a junior employee.

Very good, very good.

Mu Yunli had been looking for Feng Yunan's weakness and thought that Wen Ke'er was his weakness. But now it seemed that Feng Yunan had more than one weakness.

“Ruoxi, aren't you going back? Let's go. I'll send you back.”

Qiao Ruoxi really wanted to leave and get away from this suffocating atmosphere.

Feng Yunan's aura was too strong and oppressive. If she stayed another second, she might suffocate.

“Okay.”

She nodded and walked towards the door.

She had planned to explain it to Feng Yunan, but when she thought of their secret marriage agreement, if she explained it, it would expose their relationship.

Qiao Ruoxi followed Mu Yunli out the door. When she brushed past Feng Yunan, she felt her wrist tighten.

She had only taken a few steps when she was caught by him.

Feng Yunan's face was sullen as he stared straight ahead. However, his strong hand grabbed Qiao Ruoxi's wrist firmly.

Mu Yunli turned his head and saw this scene. He said indifferently, “Hey, Mr. Feng, did you catch the wrong person? Your sweetheart, Miss Wen Ke'er, should be waiting for you in the dining room, right?”

Mu Yunli had already noticed Feng Yunan and Wen Ke'er when he entered the dining room, but he did not greet them.

At the mention of Wen Ke'er, Feng Yunan finally regained his senses. Yes, Ke'er was still waiting for him in the dining room. Why was he here?

Just for Qiao Ruoxi?

Hmph, what's there to be angry about?

She was just a contractual wife. Wen Ke'er was the woman he liked.

At this thought, Feng Yunan finally let go of Qiao Ruoxi's hand. Mu Yunli smiled and left the private room with Qiao Ruoxi.

After the two of them left, Feng Yunan returned to the Jadeite private room and returned to his usual cold self. He looked like he was fine.

“Guess who I just saw?”

Wen Ke'er couldn't wait to tell Feng Yunan about Mu Yunli and Qiao Ruoxi when she saw him return.

Qiao Ruoxi was Feng Yunan's wife in name, but she was with Feng Yunan's competitor.

She wanted Feng Yunan to know that he would not let Qiao Ruoxi go.

In order to create some trouble for Qiao Ruoxi, Wen Ke'er deliberately added fuel to the fire. “Brother Nan, why is she with Mu Yunli? The two of them seem to be very close. Are they in a relationship? If that's the case, wouldn't she be cheating on Brother Nan?”

Chapter 2587: Love Comes Like The Southern Breeze (105)

It seemed like she was concerned about Feng Yunan, but in reality, she was deliberately trying to sow discord between Feng Yunan and Qiao Ruoxi. She wanted Feng Yunan to know that Qiao Ruoxi was an indecent woman.

As long as Feng Yunan misunderstood Qiao Ruoxi and took the initiative to annul their marriage, then wouldn't Feng Yunan be hers alone?

She had already told him what she had seen, but his expression was cold and indifferent. This meant that he did not care about Qiao Ruoxi at all.

Wen Ke'er was counting her chickens before they were hatched. Unfortunately, before she could celebrate for a few seconds, she saw him jump up, pick up the keys on the table, and leave.

Wen Ke'er quickly asked, “Hey, Brother Nan, Brother Nan, where are you going?”

Feng Yunan stopped and said, “Ke'er, I have something to do. Get a cab and head back home on your own.”

He left without looking back at all.

Looking at Feng Yunan's determined and cold back, Wen Ke'er felt a deep sense of panic for the first time.

Was he in such a hurry to chase after Qiao Ruoxi?

He wanted her to go home in a cab on her own?

He didn't even have time to send her home?

They had been together for so many years, but he had never abandoned her like he did today.

Outside the restaurant, Mu Yunli and Qiao Ruoxi were still waiting for the driver to drive them over.

When the car arrived, Mu Yunli personally opened the back door for Qiao Ruoxi and invited her into the car. He even considerably blocked the top of the car to prevent her from meeting him.

“Thank you,” Qiao Ruoxi said and bent down to get into the car. But just as she was about to step out with her right foot, someone suddenly grabbed her arm.

“Ah!”

A strong force pulled her back. With a scream, Qiao Ruoxi could not help but fall backward and hit a wall of flesh.

The situation was too sudden. Mu Yunli looked up and realized that it was Feng Yunan who had grabbed Qiao Ruoxi. His expression changed. “President Feng, what are you doing?”

“It's none of your business!”

Feng Yunan scolded aggressively.

“Come with me!”

Feng Yunan dragged Qiao Ruoxi away without hesitation.

Mu Yunli watched them leave and narrowed his eyes.

She was even more certain of her guess.

The relationship between Feng Yunan and Qiao Ruoxi was not simple.

Qiao Ruoxi could only see the man's cold side profile against the light.

There was no time to talk at all. The man's legs were very long and his strides were very large. He was so fast that she could barely keep up.

She tried to break free from his grip, but he was too strong for her.

He only stopped when he was pulled to a corner nearby.

Feng Yunan shook her hand off and stared at her viciously as if he wanted to kill her. “Tell me! What's your relationship with Mu Yunli?”

“It's okay.”

Qiao Ruoxi knew that Feng Yunan cared about his reputation, so she tried her best to explain, “This is the first time I'm meeting Mr. Mu today. He's doing this for...”

Feng Yunan did not have the patience to listen to what she had to say. He interrupted her angrily, “Do you think I'm blind? You hugged him the first time you met him? If that's the case, I can only say that you're really shameless, Qiao Ruoxi!”

He deliberately emphasized the word “shameless”.

Qiao Ruoxi was so angry that her lungs hurt. “Mr. Feng, your eyesight is really not that good. At that time, Mr. Mu was only helping me put on a jacket, but in your eyes, it was hugging? Don't you think you should go to the Ophthalmology Department to get your eyes checked?”

“Qiao! Ruo! Xi!”

Who gave her the courage to speak to him like this?

“Oh, oh, oh. You can also apply for a psychiatric appointment and look at my brain. Otherwise, Mr. Feng always loves to let his imagination run wild.”

“You...”

Feng Yunan was so angry that his lungs hurt.

Looking at her fearless expression, he thought about how she seduced a man behind his back. Not only did she not repent, but she even mocked him.

She must be tired of living!

Chapter 2588: Love Comes Like The Southern Breeze

The man glared at her with his red eyes and grabbed her chin with his big hand. He shouted angrily, “Have you forgotten how I warned you? I told you not to be embroiled with other men. Why didn't you listen?”

Qiao Ruoxi sighed. “Feng Yunan, you've really misunderstood me. Mu Yunli and I are not what you think. We have nothing to do with each other. He only treated me to a meal to thank me for saving his mother.”

Isn't this excuse too ridiculous?

It was impossible for Feng Yunan to believe it. He snorted and said, “Really? I never knew you were so great. You even saved people? Why didn't you say that you saved the earth? You even made up such a lousy excuse. Do you think I'm a three-year-old child?”

Qiao Ruoxi cursed in her heart. ‘Feng Yunan, you are so childish. You are not even comparable to a three-year-old. Your EQ is only two and a half years old.’

Qiao Ruoxi tried to persuade herself not to argue with a two-and-half-year-old man. She tried to speak as calmly as possible. “I'm telling the truth. If you don't believe me, you can get someone to investigate. It was on the day you met me at the Huangtu Hotel.”

She hoped that he would believe her for once.

She stared straight at him with a faint hope in her big, black and white eyes.

But in the next second, the man's answer sent her straight to hell.

“That's right. It was my appearance that ruined your relationship with Qian Yong that night. I've already given you money to behave yourself, but you still dare to seduce men behind my back.”

He wouldn't believe it even if she told him the truth. There was nothing Qiao Ruoxi could do.

She lowered her eyes and said helplessly, "I've already told you the truth, but you don't believe me. Also, I didn't seduce a man. What else do you want me to do?"

Feng Yunan suddenly grabbed her wrist and pushed her against the wall as he mocked her.

"It was Qin Xuming, then Qian Yong, and now Mu Yunli. How many men do you have?"

"I..."

He almost blurted out that he only had one man, but Qiao Ruoxi did not say it. Even if she did, he would not believe her.

Talking to such an arrogant man was like talking to a wall.

"I don't know, because you're a fickle woman from head to toe. You've always worked at nightclubs, and you've been in contact with many men. Who knows who you've given your virginity to? Maybe you don't even know how many men you've slept with!"

His words were like daggers piercing through her heart.

She pushed him away and slapped him hard.

Slap!

She hit him as hard as she could.

Her hands were numb and trembling from the pain.

Her heart hurt even more. It hurt so much that tears were in her eyes, but she stubbornly refused to let them fall.

She only wanted to tell him that no matter how cheap she was, she still had her dignity.

This slap stunned Feng Yunan because this was the first time he had been slapped since he was young.

He was the heir to the Feng Group and was born with a silver spoon in his mouth. Being able to walk freely was his privilege.

He had always been the one to teach others a lesson, not the other way around.

How dare this woman hit him?

"How dare you hit me?"

Feng Yunan was furious.

Qiao Ruoxi lowered her head and looked at her red and numb right hand. She was a little panicked. She knew that she had offended this man.

Chapter 2589: Love Comes Like The Southern Breeze (107)

Qiao Ruoxi knew that those who offended him would not end up well.

But she still had to say some things.

“Who told you to insult me? I'm also human. I have feelings and dignity. When you insult me, I will get angry too. Now, I've already hit you. Can you kill me?”

Qiao Ruoxi looked at him with her sparkling eyes, as if she was not afraid of death.

Feng Yunan had never seen a woman who was so self-righteous after hitting someone. He wanted to strangle her to death.

He had already grabbed her slender neck, but he couldn't bear to do it.

“Damned woman!”

It made him hate her.

He retracted his hand and threw a fist at her.

“Ah...”

However, only the wind from the punch brushed past her face, followed by a muffled bang.

Instead of hitting her, he hit the wall next to her.

When he moved his fist away, a few of his joints were badly mutilated and the walls were stained with blood.

Qiao Ruoxi was secretly shocked. That punch was so powerful. If it really hit her face, her face would be disfigured in no time.

Feng Yunan had never hit a woman before. That punch was just to vent his anger.

He was too angry. He was angry that Qiao Ruoxi had repeatedly challenged his bottom line and deliberately offended him.

“Mr. Feng, your hand...” Qiao Ruoxi's heart clenched up and she asked worriedly, “Mr. Feng, your hand...”

“None of your business!”

“Tell me, what's your relationship with Mu Yunli? Did you give him your virginity?”

He could not understand why he was so bothered by her and Mu Yunli. Even if it was Qin Xuming or Qian Yong, he had never cared so much.

Qiao Ruoxi frowned. “Feng Yunan, what's wrong with you? How could I have sex with him? Only you did that to me.”

Feng Yunan felt much better after hearing that she hadn't slept with Mu Yunli. “I'm not sure. I only remember that I was drunk that night and you drugged me.”

Qiao Ruoxi felt her head hurt again. Why was the question going back to the beginning?

“I told you I wasn't the one who drugged you.”

“Who else could it be? Don't forget that you're the only one who climbed into my bed.”

No matter how good her temper was, there would be times when she would be worn out by the man's aggressive gaze and overbearing behavior.

Since he never believed her, why waste her breath explaining?

Didn't he think that she was the type of woman who liked to hook up with men?

She would just admit it.

Qiao Ruoxi forced a smile. “Yes, it's me.”

Good. Very good.

She finally admitted everything.

But Feng Yunan was not satisfied at all.

He was furious when he heard her admit that she had been with a lot of men. Whenever he thought about how another man had taken her virginity before him, he... couldn't take it anymore.

Feng Yunan gritted his teeth. “You're even more despicable than I thought.”

Her heart ached when she heard the insult again.

Anyone could scold her, but not him.

What right did he have to call her shameless and despicable?

If not for him, how could her life have changed so drastically?

The bitterness in Qiao Ruoxi's heart spread, and she forced a smile. “Since I'm so unbearable and worthless in your eyes, cancel the agreement if you're unhappy!”

Chapter 2590: Love Comes Like The Southern Breeze (108)

This kind of loveless marriage was a humiliation and burden to her.

She only wanted to be free and live her own life.

Another termination agreement?

Was she deliberately threatening him?

Feng Yunan did not fall for her tricks. “Don't always threaten me with the divorce agreement. You must be sure that Grandpa will not agree to our divorce. That's why you dare to be so presumptuous.”

Qiao Ruoxi did not know how to express her determination. “Mr. Feng, so what if Grandpa doesn't agree? Haven't we already signed a one-year agreement?”

“We haven't even registered yet. We can end the contract now. As long as you send us another termination agreement, I promise to sign it and leave immediately.”

She said it too lightly.

What would happen to the child if she left?

How was she going to explain it to her grandfather?

Who was going to take responsibility if he was angered?

‘Want to make me a cuckold? Don't even think about it.’

Anyway, he would not cancel the contract for the time being. He would not let her go so easily.

Feng Yunan finally regained his senses and came to a sudden enlightenment.

“I finally understand. You wanted to break off your relationship with me because your lover, Mu Yunli, has returned, right? You can't wait to throw yourself into his arms. Don't think that I don't know that you are a chess piece that Mu Yunli deliberately planted beside me.”

The man said firmly.

He was really impressed. Why didn't he become a screenwriter with that rich imagination of his?

‘Oh, I remember now. Fengtian Group has a film company under it. He is the boss of a film company. No wonder he is so imaginative.’

Qiao Ruoxi did not argue and went along with him. “Mr. Feng, you guessed right. Impressive.”

Feng Yunan moved closer to her again and whispered into her ear, “Hmph, let me tell you, the more you want to cancel the contract, the more I won't let you. If I don't torture you properly, won't I be letting down Mu Yunli's painstaking efforts?”

What a pervert!

Qiao Ruoxi cursed in her heart.

She gave off a unique fragrance.

He couldn't help but want to get closer. Suddenly, a woman's voice came from behind. “Brother Nan.”

Suddenly hearing Wen Ke'er's voice, Feng Yunan felt as if someone had poured a bucket of cold water over his head. He instantly woke up and quickly shook off Qiao Ruoxi.

“Ke'er?”

Feng Yunan turned around and saw Wen Ke'er standing alone in the cold wind. She was only wearing a thin dress and looked weak and pitiful.

He was worried that she would catch a cold. He turned around and walked towards her, putting his jacket over her shoulders. "Didn't I tell you to go back first? Why are you still here? It's so cold outside. What if you catch a cold?"

His concerned tone was extremely gentle.

"I'm worried about you."

Wen Ke'er sounded like she had been wronged. In fact, she had seen them from afar and heard their conversation.

He saw Qiao Ruoxi hitting him and he was so angry that he wanted to kill her, but he would rather smash the wall than hurt her.

At that moment, Wen Ke'er was terrified.

She could clearly feel that Qiao Ruoxi was slowly eating away at Feng Yunan's heart.

She was afraid that Feng Yunan would really fall in love with Qiao Ruoxi soon.

No, she would never allow that to happen.

Realizing that Feng Yunan's hand was bleeding, Wen Ke'er pretended to be surprised and cried out, "Oh my, Brother Nan, why is your hand injured? It's bleeding. Quickly go to the hospital and bandage it!"

"No worries," Feng Yunan replied.

She really felt sorry for Feng Yunan. He definitely did not know what kind of woman Wen Ke'er was.
