### Chapter 2591: Love Comes Like The Southern Breeze (109)

It was to make him worry. That was why she had deliberately worn such a thin dress. This was just Wen Ke'er's usual method.

Behind her, Qiao Ruoxi stared coldly at the couple in front of her. They were a loving couple, and there was no need for her to continue wasting her time here.

When Feng Yunan turned his head, he saw that Qiao Ruoxi had already turned and walked in another direction.

She was alone, and the street lights made her lonely back look very long.

Her straight and stubborn back revealed an indescribable loneliness.

At that moment, Feng Yunan's heart seemed to have been hit by something. He couldn't help but call out her name. "Hey, Qiao Ruoxi..."

She never turned back and was as determined as a passerby.

They had agreed to be strangers. She had done well.

However, Feng Yunan felt strangely frustrated.

This woman didn't even say goodbye and just left. She didn't even bother to call her. She was too arrogant.

Feng Yunan wanted to grab her back, but Wen Ke'er stopped him. "Brother Nan, Miss Qiao is gone. Let's go back too! It's really cold outside!"

Feng Yunan had no choice but to send Wen Ke'er back.

The moment she turned around, Wen Ke'er looked in the direction where Qiao Ruoxi had left. A sinister look flashed across her eyes.

'Just wait and see, Qiao Ruoxi. I will not let you have it easy.'

'I will never let you take Feng Yunan away.'

'If you fall into my hands, you will never be able to recover.'

She would teach her a lesson when she came to the set tomorrow.

"Are we going back to Wenjing Garden?" Feng Yunan asked.

"Brother Nan, take me to my apartment."

Wen Ke'er was not going back to the Wen family home today. If she went to the apartment, she wanted to have more alone time with him.

Feng Yunan sent Wen Ke'er back to her apartment. He said goodbye to her downstairs and turned to leave.

"Brother Nan, aren't you going in? Your hand is injured. Let me help you bandage it."

Wen Ke'er wanted him to stay.

In order to whet Feng Yunan's appetite, she had deliberately kept a mysterious distance from him and occasionally stood him up.

It made him unable to understand her heart and unable to grasp her person. He thought that by doing so, he could continue to attract him and make him love her so much that he could not extricate himself.

Because she had saved his life before, she dared to test his patience.

But now she realized that she could not use the same move again.

It was because of her negligence that Qiao Ruoxi was able to take advantage of the situation.

She regretted that she had always pretended to be a pure and reserved girl in front of him, causing him to respect her and never touch her.

Maybe she should change her plan now. She should have sex with him first and make sure their relationship was solid before she could tie his heart.

"No need. It's a little late. I'll get going now. You should rest early."

Feng Yunan rejected her kindness and patted her on the shoulder before turning to leave the apartment.

After the man left, a look of disappointment flashed across Wen Ke'er's eyes.

She hated Qiao Ruoxi.

If it wasn't for Qiao Ruoxi, Feng Yunan would've been willing to stay in her apartment. Sometimes, he couldn't even chase her away.

But now, she could no longer keep him. His heart was slowly changing.

As she thought of this, Wen Ke'er's eyes darkened and her nails dug into her flesh.

'Qiao Ruoxi, it's all your fault. I hate you!'

On the way back, Feng Yunan contacted Xiu Yi and asked him to do two things.

Chapter 2592: Love Comes Like The Southern Breeze (110)

Firstly, he wanted to check if the incident at the Huangtu Hotel was real.

Second, order the project department to acquire Tiffany.

He wanted to get back at Tiffany for humiliating him.

After he took over, he had to put a sign at the entrance of the shop that said “Mu and dogs are not allowed in.”

She returned to the Ocean Pavilion and walked into the huge villa. It was the first time she felt that the house was empty and cold.

Even though Qiao Ruoxi had only stayed here for a few nights, she could still feel her presence in the air.

She took a sniff and could smell a faint fragrance.

He closed his eyes, and the image of her sparkling eyes and face appeared in his mind.

Feng Yunan took a deep breath and tried his best to chase away Qiao Ruoxi's shadow. He could not let a woman continue to influence his thoughts.

Xu Xiyan came out of the shower and reported to Xu Xiyan.

In the study, Feng Yunan sat in front of the desk and played what he had found on the computer.

“This video was taken from the surveillance camera at Huangtu Hotel. It was taken two nights ago.”

The video began to play after Huo Yunshen finished his introduction. The screen was showing Huangtu Hotel's lobby.

At that time, many guests came in and out. Suddenly, a woman fainted. Many people came to watch, but no one came forward.

A familiar figure appeared on the screen. It was Qiao Ruoxi.

She walked into the hall through the revolving door and saw someone watching something in the hall. She pushed through the crowd and saw the woman lying on the ground.

She walked over and checked the woman's condition. Then she performed CPR on the woman until she was pulled up by two strange men.

“We've already gone to the hospital to check,” Huo Yunshen explained. “The woman is indeed Mu Yunli's mother, and the two men are her bodyguards. At that time, they thought that Miss Qiao had caused the woman to faint and insisted that she bear the responsibility. They even took her photos and documents as evidence.”

After watching the video and listening to the explanation, Feng Yunan frowned deeply.

In other words, this was indeed the first time Qiao Ruoxi and Mu Yunli had met. The reason for their meeting was because she had really saved Mu Yunli's mother.

She wasn't lying.

Realizing that he had misunderstood Qiao Ruoxi, Feng Yunan could not describe his feelings.

Not only did he not listen to her explanation, but he even said so many hurtful words.

He felt like a bastard.

This was probably the first time he realized his mistake.

Feng Yunan waved his hand and signaled for Xu Xiyan to leave. He wanted to be alone.

Now that it was confirmed that Qiao Ruoxi and Mu Yunli were not lovers, Feng Yunan felt a little excited.

please keep reading on MYBOXNOVEL.COM

He should have realized earlier that Mu Yunli must have said that on purpose to hurt him.

Because he was too angry, he lost his rationality and fell into a trap.

Feng Yunan did not think too deeply about it. If it wasn't because he cared too much about someone, how could he have fallen into Mu Yunli's trap?

He opened the drawer and took out a black velvet ring box. He opened the lid and inside lay the "destined" diamond ring.

Actually, he thought it was ridiculous. He had only gone to buy the ring as an excuse.

In fact, if he wanted to buy jewelry, he didn't even need to do it himself. His subordinates could do it for him.

But that day, he actually went to the flagship store. Even he himself did not know why he wanted to go to the store.

Perhaps it was because his grandfather had ordered him to visit Qiao Ruoxi more often and to quickly register their marriage.

He had always listened to his grandfather. That was why he went, right?

He closed the box as he became firmer about a certain idea.

Chapter 2593: Love Comes Like The Southern Breeze (111)

He decided to register their marriage tomorrow.

'Let's see if she still dares to threaten me with the matter of not registering their marriage.'

It was almost 8:30 AM when they arrived at Dirui Ling's flagship store.

Bao Juhua came over and reminded her, "Ruoxi, have you delivered Miss Wen's items to her?"

"Right away."

Qiao Ruoxi did not forget to deliver the items to Wen Ke'er. She had already packed up and was about to leave.

On the other side of the flagship store, a black Rolls-Royce stopped by the roadside. Xiu Yi looked at the girl running out of the store and said, "Mr. Feng, isn't that Miss Qiao?"

Feng Yunan didn't say anything. He turned to look out the window and saw a girl in an orange wool coat rushing out of the shop.

He had seen her wearing the orange wool coat last time. It was an old coat, but it did not affect her temperament at all.

Especially in this cold winter, seeing a touch of orange would inevitably make one feel warm.

She stood by the side of the road and waved for a taxi.

“It's working hours now. Where is she going?”

Feng Yunan asked.

If it wasn't for the traffic jam, he could've asked the driver to drive the car over.

Xiu Yi thought that Feng Yunan was being paranoid again and asked carefully, “President, do you want me to go and investigate?”

After saying that, he turned back to look at Feng Yunan's face. He had a feeling that something was wrong with him today.

Usually, when he went to the office, he would take the outer ring. If the road wasn't blocked, it would be faster. However, today, she had to walk through the congested inner ring and she had to pass by the flagship store.

The reason was to enjoy the hustle and bustle of the city.

Xiu Yi felt that Feng Yunan wanted to take the chance to look at Miss Qiao, but he refused to admit it.

“Find out what she's up to!”

Feng Yunan wanted to know Qiao Ruoxi's every move and see if she had the chance to meet another man behind his back.

“Yes.” Xiu Yi got out of the car.

Qiao Ruoxi hailed a taxi and rushed to the film studio.

On the way, she heard the news in the car. It said that Jiahe Company had declared bankruptcy yesterday. The president of Jiahe Company, Wang Jianghai, had jumped off a building to his death.

Qiao Ruoxi's heart sank when she heard the news.

Wasn't Jiahe Corporation the company that Feng Yunan had negotiated with that night?

please keep reading on MYBOXNOVEL(.)COM

It had only been three days. Why did he suddenly declare bankruptcy?

‘Did President Wang commit suicide?’

‘A functioning company went bankrupt just like that.’

Qiao Ruoxi had a feeling that the bankruptcy was not that simple.

Every time she heard about bankruptcy and suicide, it would evoke the pain in her heart.

The Qiao family had gone bankrupt five years ago. Her father, Qiao Rennian, had also jumped off a building and died.

Her father was gone, and her life felt as if she had plunged from heaven to hell.

It was the darkest, most desperate, and most helpless period of Qiao Ruoxi's life.

Later on, she heard that the Qiao Group had been running very steadily. The bankruptcy was caused by someone maliciously. Perhaps her father had offended someone in the business world.

She had asked Qin Xuming to find out the truth, but she could not find out who had secretly done something to the Qiao family.

After so many years, the Qiao family had long disappeared from the list of famous families in Yun Cheng.

However, Qiao Ruoxi had never given up on the idea. If she knew who the mastermind was, she would do anything to get justice for her father.

The taxi stopped at the entrance of the film studio. Qiao Ruoxi got out of the car and went to the address where Wen Ke'er was at.

It was said that Wen Ke'er was starring as the Lotus Princess in the drama. Qiao Ruoxi really felt that the name "Lotus" suited her.

Chapter 2594: Love Comes Like The Southern Breeze (112)

After entering the set, Qiao Ruoxi asked the staff, "May I know where Miss Wen Ke'er is? I'm here to deliver something to her."

After checking her identity, the staff brought her in and pointed to a dressing room. "Wen Ke'er is inside."

"Okay, thank you."

Qiao Ruoxi knocked on the door of the lounge. It was Wen Ke'er's assistant, Little Cannon.

Qiao Ruoxi walked into the lounge and saw Wen Ke'er sitting on a swivel chair, drinking coffee.

Little Cannon reported, "Sis Ke'er, the delivery is here."

Wen Ke'er turned her chair around and asked, "What time is it now? Why are you so late?"

Qiao Ruoxi was late. She was supposed to complete the delivery before 9:40 am.

She quickly handed it over and explained, "I'm sorry, I'm sorry. There was a traffic jam on the road, and I'm not familiar with the roads around the film studio, so... ah..."

Before she could finish her words, Wen Ke'er threw the coffee in her hand at her.

Qiao Ruoxi was wearing a coat on the outside, and a black smock shirt with a white business suit on the inside. Her neck and chest were exposed.

The hot coffee was splashed all over her neck and her chin was also stained quite a bit. It was so hot that she quickly used her hands to randomly push it away.

Her clothes were instantly stained and her skin was scalded. It was extremely painful.

“Miss Wen, why are you doing this?”

Qiao Ruoxi frowned.

“Do you know how precious my time is? In order to wait for the necklace to arrive, I've already wasted 40 minutes and missed the opportunity to attend an event. Why do you think I splashed water on you? Who asked you to deliberately harm me?”

Wen Ke'er had splashed some water on her and yet, she was still arguing.

Qiao Ruoxi had never seen such an unreasonable person like Wen Ke'er. She had already apologized, and she did not mean to be late. Why was she being so aggressive?

It was a fact that she was late, and she had no choice but to endure it.

“Miss Wen, I never thought of harming you. I've already delivered the goods. Please check the goods!”

Qiao Ruoxi only wanted to leave this troublesome place as soon as possible, to get away from the vicious and pretentious Wen Ke'er.

Wen Ke'er ordered her assistant, “Little Cannon, open the box.”

Little Cannon opened the jewelry box and took out the diamond necklace. He looked at it and was not sure if it was real or fake. “Sis Ke'er, I can't tell if it's real or fake.”

“If you can't tell, why don't you go look for Mr. Zheng?” Wen Ke'er said impatiently. “Mr. Zheng is a famous jewelry appraiser. No matter what kind of person he is, he can tell at a glance whether it's real or fake.”

“Oh, okay. I'll go find Mr. Zheng right away.”

Little Cannon ran away. A few minutes later, he came back with a middle-aged man wearing black-rimmed glasses.

Little Cannon took the jewelry box and asked, “Mr. Zheng, please take a look. Is this necklace genuine??”

The man named Mr. Zheng picked up the necklace and used a magnifying glass to examine it.

After looking at it for a while, he said with certainty, “This necklace is fake. At most, it's a high-quality imitation. It's not embedded with diamonds, but zirconium.”

“How is that possible? We can't sell fake goods.”

Qiao Ruoxi immediately denied it. The authenticity of the necklace was related to Di Ruiling's reputation and her job.

It was a package that she had wrapped herself. She had never opened it on her way here. How could it be fake?

Teacher Zheng said in a professional tone, "I've been appraising jewelry for decades. I can tell at a glance whether it's real or not. Miss, this is fake."

Qiao Ruoxi took the necklace and examined it carefully. She also found some clues.

Chapter 2595: Love Comes Like The Southern Breeze (113)

She clearly remembered that the workmanship of the necklace was exquisite. There was even the name Di Ruiling engraved on it. However, the workmanship of the necklace had obviously become a little rough. Moreover, the engraving of Di Ruiling's symbol was not clear enough.

'What is going on?'

The necklace never left her sight. How could it be fake?

Qiao Ruoxi thought hard.

Wen Ke'er stood up and sneered, "Qiao Ruoxi, did you secretly change the necklace on your way here? Are you trying to trick me with a fake necklace?"

"No, I never opened the box. The necklace can't be fake."

Qiao Ruoxi could not think of a reason. Her brain was about to explode. What was wrong with her?

But Wen Ke'er insisted, "Now that the fake is in front of you, what else do you have to say? I really couldn't tell that you would dare to swap my necklace for your own benefit."

Qiao Ruoxi did not even care about the pain on her neck. "I don't know what happened, but I can guarantee that what I put in the box is definitely real."

"You said that what you put in the box was real, but what you've brought over is fake. How do you expect us to believe you?"

Wen Ke'er smiled mirthlessly.

"How could this be?"

Qiao Ruoxi looked at the replica in her hand and felt completely stunned.

If it was really confirmed that she had made a mistake and she had to pay for it, what should she do?

Wen Ke'er suggested, "If you want us to believe that you didn't arrange it, then take off your clothes in front of everyone and pour out your bag for us to check."

"Yes, we'll find out after searching," Little Cannon agreed.

She took off her clothes in front of everyone and searched her bag. This was a violation of her privacy. Qiao Ruoxi refused. "No, I didn't transfer anything. You have no right to search me."

"If you don't cooperate, it means the necklace is with you. Then I'll have to get someone to do it."

Wen Ke'er's plan was perfect. First, she would search her body and take a photo of Qiao Ruoxi.

Even if she couldn't find the necklace, she could still hide it and accuse her of being a thief. Then she could find someone in private and send her to jail for a few years.

If she was released from prison and still dared to cause trouble for her, she would at least, still have her nudes in her hands. She could ruin her reputation in a matter of minutes. Let's see how she could fight with her.

"Search!"

Wen Ke'er smiled and waved her hand.

Little Cannon immediately rolled up his sleeves and tried to take off Qiao Ruoxi's clothes.

"No! It's against the law for you to frisk someone else!"

Qiao Ruoxi hugged her clothes tightly and took a few steps back.

Just as Little Cannon was about to pull on Qiao Ruoxi's clothes, someone shouted from outside the door. "Stop!"

Little Cannon's hands trembled from the impact. When he raised his head and saw who it was, he was so frightened that his legs went limp and he almost fell.

When she suddenly heard Feng Yunan's voice, Qiao Ruoxi felt as if she was struck by lightning. She turned her head in panic and saw a tall and handsome man walking towards her.

Her heart skipped a beat.

Luckily, it was Feng Yunan.

Although she did not want to see him at all and did not want to have anything to do with him, his appearance now was like a life-saving straw for her.

With his crazy possessiveness and male chauvinism, he would definitely not be able to tolerate someone taking off her clothes. Thinking of this, Qiao Ruoxi felt an inexplicable sense of relief.

She was no longer as panicked as before. She had already calmed down. What would Feng Yunan say when he came?

Chapter 2596: Love Comes Like The Southern Breeze (114)

After Feng Yunan came in, he walked past Qiao Ruoxi and saw that her clothes were stained with coffee. He frowned slightly and a dim light flashed in his eyes.

He said nothing and walked past her towards Wen Ke'er.

Wen Ke'er did not expect Feng Yunan to suddenly come. In the past, whenever he came to look for her, he would always call her first to confirm if she was free and whether she was busy filming.

This was the first time she had come without warning.

But as an actress, she was best at acting. She could handle any special scene with ease.

A second ago, she had a vicious look in her eyes, but the next second, she put on a pure and harmless face. She held his arm intimately and asked sweetly, "Brother Nan, why are you here? You didn't even call to inform me."

"Just passing by. I came to see you."

Feng Yunan sat down on the couch and crossed his legs elegantly. He took a sweeping glance across the room before landing on Qiao Ruoxi.

"Isn't this the staff of Di Ruiling Jewelry's flagship store? Qiao Ruoxi, what are you doing here during work hours?"

"Mr. Feng, I'm here to deliver the goods."

Qiao Ruoxi replied expressionlessly.

Feng Yunan pretended to be unhappy and asked, "As an employee of Dirui Ling, where is your basic manners? What's up with those coffee stains?"

Just as Qiao Ruoxi was about to answer, Wen Ke'er was afraid that she would complain, so she quickly said, "Brother Nan, it's like this. Your staff from Di Ruiling came all the way here to deliver the goods to me. In order to thank her, I wanted to treat her to coffee. In the end, my hand shook and I accidentally spilled the coffee, soiling her clothes. I'm really sorry."

She was the one who had splashed the water all over her, and now she was the one who had spilled it on her.

Qiao Ruoxi cursed in her heart. Wen Ke'er was indeed amazing. She had the ability to distort the truth.

Feng Yunan raised his eyebrows and looked at Qiao Ruoxi. "Is that so?"

"Yes, Mr. Feng," Qiao Ruoxi said calmly. "It's true that Miss Wen didn't mean to pour coffee all over me. She might have shaky hands. It's similar to those old women I saw when I was living in town. Their hands were shaking too, and they couldn't even put thread through a needle. Miss Wen, you should take this seriously. This is an illness that needs to be treated. If the treatment is delayed and it develops into Parkinson, it will be too late."

Teacher Zheng and Little Cannon wanted to laugh, but they didn't dare to and had no choice but to hold it in.

"Brother Nan, look at what she's saying! She actually said that there's something wrong with me!"

Wen Ke'er was furious.

Qiao Ruoxi was mocking her for acting like an old woman. She was obviously beating around the bush and calling her old. She even said that she had a disease that needed treatment.

How infuriating.

Feng Yunan was secretly amazed. He thought that this woman was as weak as a kitten, but she was unyielding and strong. When she was forced into a corner, she would show her claws.

Today, he got to know her again. She was not an obedient domestic cat, but a wild kitten with a temper.

Wen Ke'er thought that Feng Yunan would defend her and blame Qiao Ruoxi if she complained to him.

But she never expected Feng Yunan to take it seriously. "I know what Parkinson's is. It causes hands to shake. She needs to be treated in time. I'll ask an expert to take a look at her."

"..." Wen Ke'er thought she was hallucinating. Not only did Feng Yunan not speak up for her, he even believed Qiao Ruoxi's words?

please keep reading on MYBOXNOVEL(.)COM

Most importantly, she wasn't sick...

When Qiao Ruoxi heard Feng Yunan's words, she couldn't help but somehow feel elated.

She had only casually made up an excuse to disgust Wen Ke'er, and Feng Yunan. Was his brain damaged?

Chapter 2597: Love Comes Like The Southern Breeze (115)

The man's aura was too strong. As he sat there, the atmosphere in the lounge completely changed. It became his home ground.

Little Cannon and Mr. Zheng stood respectfully at the side, not daring to make a sound.

"I heard you guys arguing just now. What happened?"

Wen Ke'er glared at Qiao Ruoxi and explained to Feng Yunan.

"Brother Nan, do you still remember the necklace I saw last time? I went to the store yesterday and ordered someone to send it over today. But who would've thought that Qiao Ruoxi would actually swap my necklace for a fake? This is clearly a theft, and I have to take legal responsibility. I'm considering whether I should call the police."

Wen Ke'er pouted and handed the necklace to Feng Yunan.

Feng Yunan looked at the necklace. It was indeed fake.

The current situation was a bit tricky. If he also confirmed that the necklace was fake, then Qiao Ruoxi would definitely not be able to get rid of the charge of stealing. She might even be sentenced to jail.

Qiao Ruoxi was an employee of Di Ruiling Jewelry. If something happened to her employee, it would definitely affect the company's reputation.

Outsiders would definitely think that Di Ruiling Jewelry was selling counterfeit goods. In the long run, it would be harmful to her development.

But if he lied and said that the necklace was real, it would not escape everyone's eyes. After all, the craftsmanship of this fake was really bad.

Because of Feng Yunan's identity as the president of the Fengtian Group and Di Ruiling Jewelry, everyone was waiting for him to make a decision.

Even if Feng Yunan was an expert in jewelry, he could not change the fact that the necklace was counterfeit.

Whether it was true or not, it concerned Qiao Ruoxi's future and fate. At this moment, she was so nervous that her heart was in her throat.

She had no confidence at all. She did not believe that Feng Yunan would speak up for her.

After all, he was so angry last night that he even wanted to kill her. Now that he had the chance, he might take revenge on her.

Moreover, he was on such good terms with Wen Ke'er. If he was biased towards her and took the opportunity to deliberately mess with her, wouldn't she have nowhere to seek justice?

Sigh...

Qiao Ruoxi secretly crossed her heart, hoping that God would bless her.

Wen Ke'er saw that Feng Yunan was silent and felt a little uncomfortable, but she still smiled. "Brother Nan, say something! Do you think this necklace is fake?"

Feng Yunan raised his cold eyes and glanced at Qiao Ruoxi, who was standing not far away in silence.

She retracted her gaze and said calmly, "Yes, it's fake."

With joy in her eyes, Wen Ke'er said smugly, "Brother Nan, even you can tell that the necklace is fake. I don't think she has anything else to say. She has to take responsibility for her actions."

Feng Yunan looked up at the calm girl and asked, "Qiao Ruoxi, what do you have to say?"

What could she say?

No matter how much she explained, he would not believe her.

After having learned her lesson multiple times, Qiao Ruoxi sighed with disappointment. "I have nothing to say."

Feng Yunan's heart skipped a beat. She didn't even want to defend herself?

Just because he had hurt her before and never trusted her, she had nothing to say in front of him?

Wen Ke'er took the opportunity to fan the flames. "Brother Nan, you have to handle this matter fairly. You can't let her off just because she's your employee."

"Okay, I will."

Qiao Ruoxi sighed in her heart as she listened to the two of them echoing each other. Sigh, she was probably doomed today.

However...

Chapter 2598: Love Comes Like The Southern Breeze (116)

No one could guess what Feng Yunan was going to do next. He actually broke the counterfeit necklace with his bare hands.

"Brother Nan, you..."

Wen Ke'er was shocked. What was he trying to do?

Was he deliberately damaging the evidence to help Qiao Ruoxi?

Feng Yunan threw the broken counterfeit into the bin and said, "Ke'er, this has nothing to do with her. I asked someone to change the necklace on purpose."

"???" Qiao Ruoxi was deeply surprised. What was Feng Yunan talking about?

This had nothing to do with her?

Did he ask someone to make the necklace?

Why did he do that?

Was he happy that she was innocent?

"Brother Nan, what are you talking about? Why did you change the necklace? You can't protect her just because she's one of your employees. If you let her do what she wants, who knows what she might do in the future."

Wen Ke'er knew very well that the process of changing the necklace was definitely not Feng Yunan. Why did he admit it was him?

Could it be that Feng Yunan was trying to cover up for Qiao Ruoxi's crime? Was he trying to protect her to the point where he had to take the blame himself?

"Of course I'm taking this chance to punish someone who doesn't know the immensity of heaven and earth. The real necklace is with me."

When Feng Yunan said this, he had already taken out a genuine diamond necklace from his pocket. It was exactly the same as the one Wen Ke'er had ordered.

Wen Ke'er was puzzled. How did Feng Yunan find the real necklace?

If he wasn't the one who made the transfer, why would he lie through his teeth?

Could it be that he was doing this for Qiao Ruoxi?

Feng Yunan put the necklace around Wen Ke'er's neck. His eyes were gentle. "I'm sorry. I was just joking with you. You won't mind, right?"

Wen Ke'er forced a smile. "I don't mind!"

Even though she knew that he was not the one who had been replaced, she did not dare to point it out. Otherwise, if he kept asking, she might expose herself.

It would be weird if she didn't mind.

His "little joke" wasted all of her hard work.

He had almost convicted Qiao Ruoxi, but it was all gone now.

Wen Ke'er was even more certain that he was doing this for Qiao Ruoxi.

He was willing to take the blame for her.

He had changed.

He was no longer the man who had always protected and protected her. Now, his heart was leaning towards Qiao Ruoxi.

As she thought of this, Wen Ke'er became even more jealous of Qiao Ruoxi. She was so jealous that she was about to go crazy.

Qiao Ruoxi finally understood.

"Someone who doesn't know the immensity of heaven and earth" was referring to her, right?

It was all Feng Yunan's fault. He was the one behind it. In order to punish her, he had deliberately swapped the necklace.

It was to deliberately create trouble for her. It was to embarrass her and to make her constantly suffer in her heart.

His little joke almost made her a thief.

This man was really too evil. He was simply a big baddie who would seek revenge for the smallest grievance!

Qiao Ruoxi scolded him in her heart and her hatred towards him deepened.

But today, she had wronged Feng Yunan.

Feng Yunan was just helping her.

If Huo Yunshen had not asked Xiu Yi to go check on her, he would not have known that she was coming to the set to deliver something.

Originally, she had the possibility of being detained, but because of his joke, the crisis was easily resolved.

Chapter 2599: Love Comes Like The Southern Breeze (117)

Moreover, the necklace was not his. It was the same as the one that Wen Ke'er had chosen.

That time, Wen Ke'er told him that she had her eyes on a necklace, so he got someone to prepare one.

He had planned to give it to her as a birthday present on her birthday, but he did not know that she had already bought one at the store.

As for who had secretly bought the necklace, he would find out.

“Qiao Ruoxi, what time is it? Aren't you going back to work?”

Qiao Ruoxi did not want to stay any longer and turned around to leave without another word.

Wen Ke'er could only watch helplessly as Qiao Ruoxi left. Her plan had been ruined by Feng Yunan's arrival.

He could only wait for another chance.

When the woman's back disappeared, Feng Yunan looked away and asked, “Ke'er, are you going to start filming next?”

“No, I don't have any scenes to shoot for today.”

Wen Ke'er hoped that she could spend more time with Feng Yunan. Unfortunately, the stage manager came to inform her at the wrong time. “Sister Wen, the director wants you to prepare quickly for your next scene.”

“...”

Wen Ke'er looked awkwardly at Feng Yunan, who was staring at her with a guilty look.

What would he think of her if she was exposed for lying just now?

“I won't hold you up. I'm leaving.”

Feng Yunan looked at her meaningfully and stood up. He straightened his clothes and walked out.

“Brother Nan...”

Wen Ke'er was afraid that Feng Yunan would misunderstand and not believe her anymore. She quickly chased after him and explained, “I just said that I had no chance. I just wanted to stay with you for a while longer. I have no intention of lying to you. Please believe me.”

No matter what Wen Ke'er had done or what mistakes she had made, Feng Yunan would always forgive her and dote on her.

Because she was the most important person to him.

She had saved his life, and he would repay her with his life.

However, there was a prerequisite. She could not cross his bottom line.

"I know."

Feng Yunan walked out of the lounge and said, "Ke'er, don't do that again. Don't provoke her. I don't want it to happen again."

"..."

As she watched the man's back disappear, Wen Ke'er clenched her fists tightly, her nails digging into her flesh.

Feng Yunan was actually warning her to protect Qiao Ruoxi?

What was so good about Qiao Ruoxi?

What did she feed him to bewitch him?

Why were all the men surrounding her?

Wen Ke'er was furious.

She pulled the necklace from her neck and threw it on the ground.

'Qiao Ruoxi, I hate you...'

Qiao Ruoxi left the set in a hurry. She had to walk a distance from the set to the place where she could hail a cab.

Her clothes were dirty and wet. When the cold wind blew over, she couldn't help but shiver.

However, no matter how cold it was outside, it was still not as cold as her heart.

Her heart turned cold.

The more she thought about it, the more wronged she felt. She really wanted to cry.

The last time she had been framed by Yao Lili at Yin Zun and had no evidence to prove her innocence, she could not describe how wronged she felt.

It was the same this time. Wen Ke'er had accused her, and there was no way she could clear herself of the suspicion. The feeling of not being trusted by others was terrible.

When she learned that it was all Feng Yunan's doing, she really hated him to the bone.

She hated it...

She hated Feng Yunan's ruthlessness...

The cold air entered her nose and Qiao Ruoxi felt her stomach cramping up because of the cold.

She felt like vomiting. It was so disgusting.

The recent pregnancy symptoms seemed to be acting up more frequently than before.

When they were almost at the entrance of the film studio, Qiao Ruoxi could no longer tolerate the pain in her stomach. She rushed to the greenery beside her and vomited.

However, her stomach was empty and she could not vomit anything. She only felt nauseous.

While she was retching, she noticed a pair of clean leather shoes beside her.

She admired herself for being able to recognize the owner of the leather shoes.

Qiao Ruoxi wiped her mouth and straightened her back. Without even looking at him, she walked straight ahead.

"Qiao Ruoxi!"

Feng Yunan called her name, but she did not stop. Right now, she only wanted to stay far away from the devil man.

The man took a few steps forward and grabbed her wrist with his large hand.

Qiao Ruoxi was forced to stop. When her eyes met his, they were filled with hatred.

This was something that had never happened before. In the past, when she looked at him, she was at most indifferent and emotionless.

"Get in!"

He ordered.

Qiao Ruoxi pushed him away and laughed. "Why should I listen to you? Who do you think I am? Even if I don't get in the car, what can you do to me?"

Feng Yunan could already tell that Qiao Ruoxi was a woman with a strong personality. She was very stubborn and strong-headed. Once she set her mind on something, it would be very difficult to change it.

She must have hated him because he said that he had deliberately swapped the necklace.

Feng Yunan didn't know how to explain it. Now, he realized how difficult it was to gain the trust of another person.

There was no trust between him and Qiao Ruoxi. Their relationship was as fragile as a piece of paper.

Should I apologize for what happened just now?

He would not apologize because he did not think that he had done anything wrong.

In order to protect her, he had dealt with her that way. It was reasonable, but it was also not to let others know. It was considered the best solution.

Seeing her shivering in the wind with her face as pale as a sheet, her lips trembling and her eyes red, he actually felt a little heartache.

“I order you as your superior.”

Since she said that they were not husband and wife without a marriage certificate, it shouldn't be a problem for him to use the relationship between his superior and his subordinate to restrain her.

Qiao Ruoxi stared at him with reddened eyes. She had no intention of following his orders.

She kept thinking to herself, ‘What a stupid boss, what a wicked boss! I've never seen a boss like him who would take revenge for the smallest feud.’

A stubborn person could not be persuaded with words. To a stubborn person, one could only use domineering methods to forcefully change her mind.

Feng Yunan did not waste his breath on her. He lifted her up and walked towards the car.

“Ah...”

Qiao Ruoxi did not expect him to suddenly do this. Being hung upside down on his shoulder, her heart was filled with unwillingness and panic.

She kept hitting his back and scolded, “Put me down, you bastard! Put me down...”

No matter how hard she struggled, Feng Yunan did not let her down. He carried her to the front of the car in one breath, stuffed her into the passenger seat, and buckled her seatbelt.

“I want to get out of the car! I don't want to sit in your car! You have no right to restrict my personal freedom...”

Qiao Ruoxi tried to unbuckle her seatbelt, but Feng Yunan grabbed her hand and pressed her down onto the seat.

“If you move again, I'll...”

“What are you doing? Don't think that you can do whatever you want just because you're my boss. You're a pervert for disrespecting women. I can sue you...”
