Chapter 1021: Love That Huo Yunshen Was Showing to Jing Xi

Even though most people could not taste the foods that Huo Yunshen had made, they still felt the sweet love that Huo Yunshen was showing to his wife when they were making the food.

Xu Xiyan was in charge of cutting the vegetables while Huo Yunshen took care of the steak.

Just as Xu Xiyan was about to slice the onions, Huo Yunshen walked over to her and embraced her from behind.

He held her hands and said, "Close your eyes."

Xu Xiyan closed her eyes, and Huo Yunshen guided her hands as she cut the onions.

Every maiden on the scene who saw that felt as if a jolt of lightning had surged through their hearts as they wished to God that they could have someone who loved them as Huo Yunshen loved his wife.

With Xu Xiyan's help, Huo Yunshen finished an entrée, a main dish, and a soup in no time.

Even though Huo Yunshen did mention that the foods were only for his wife, the special guests and judges all rushed onto the stage as soon as he finished the food, all taking a bite of his masterpiece.

"Mr. He, how's the food?" the host asked one of the special guests.

"Not bad! I can taste my jealousy in it!" Mr. He replied, making everyone laugh.

Only Shen Mengyuan's face was dark the entire time.

Even though she had gotten first place that night, it felt like Jing Xi was in the main spotlight instead of herself.

On the other side of the screen, Mo Yutian was sitting in his office at Tianyu Group's building. After seeing everything that had happened at the show, he thought for a while and called for Lei De.

Lei De came to his office and noticed that the screen was focused on Huo Yunshen.

"Sir?" he asked, thinking that Mo Yutian had finally decided to take care of Huo Yunshen.

"Go..." Mo Yutian said, pointing at the door. "Go get me some recipes."

"..." Lei De couldn't believe his ears.

A recipe? Why? Lei De asked himself. Wait. He's not trying to take care of Huo Yunshen?

"Sir... Why do you need a recipe?" Lei De asked, unable to cope with Mo Yutian's way of thinking.

"Are you dunce? Of course I want to cook something!" Mo Yutian scolded.

Mo Yutian's stare shut Lei De up, and he quickly went out to buy a few recipes.

The reason for Mo Yutian's action was that he did not want to lose to Huo Yunshen. Anything that Huo Yunshen could do, Mo Yutian also wanted to master.

Mo Yutian thought that the reason Jing Xi was attracted to Huo Yunshen was because the latter knew how to cook. With this line of thinking, Mo Yutian thought that he could capture Jing Xi's heart if he knew how to cook too.

The recording came to an end, and the couple left the studio together.

They did not go back to Shengshi Yujing and went to Qingyun Residence instead.

They had been busy the whole evening and had not have a chance to eat.

But Huo Yunshen was already prepared for that as there were a lot of ingredients in Qingyun Residence for them to fill their stomachs with. Huo Yunshen put on his apron and started cooking for his wife.

Not long after that, they had a romantic dinner.

Huo Yunshen pulled out Xu Xiyan's chair for her, and she sat down.

In front of her were foods that were made with Huo Yunshen's love.

She raised her head and saw the man taking off his apron and sitting down.

Chapter 1022: His Little Wife Wanted "That"

Xu Xiyan lifted her wine glass, giving him a toast, "Thank you for everything you've prepared for me, dear. It must be hard work."

Huo Yunshen clinked his glass with hers, then took out a long, small black box from under the table and handed it to her. "Happy birthday, dear."

"What's this?"

"Open it and take a look."

Curious, Xu Xiyan opened the box. It contained a particularly delicate and beautiful necklace.

She noticed that the pendant of the necklace was a cute little cherry, and there were two small clouds on each side of the cherry.

"Woow, what a cute necklace! You bought it?"

"I didn't buy it. I've made it myself. This cherry here represents our daughter, and these two clouds represent me. So this necklace represents that our daughter and I will always be protecting you."

"Thank you, dear, I love it!"

Xu Xiyan was so touched that tears began to well up in her eyes. She was really happy; she was happy with his sincerity, and even more happy with the significance of the necklace.

"Let me help you put it on."

Huo Yunshen went around her, took out the necklace and put it around Xu Xiyan's neck.

It could be said that the fully hand-crafted necklace he had specially made for her was very suitable for her. When the necklace was worn around her neck, it gave her a look of adorableness and playfulness.

After the two had a romantic dinner, they strolled outside around Qingyun Residence, enjoying the scenery around Yao Lake together.

At this time, they heard something explode, the sound penetrating the air and echoing above their heads.

Looking up, she saw a large bouquet of fireworks being released above the Yao Lake, blooming in the night sky, its light reflected on the water. It was really beautiful.

"It's fireworks!"

Xu Xiyan was overjoyed. She was surprised that he had prepared a fireworks show for her.

"Yeah, do you like them?"

Huo Yunshen embraced his wife from behind, resting his chin on top of her head as the two of them enjoyed the fireworks together.

"Yes, I like them very much. No matter what it is, I'll like it as long as it is prepared by you," Xu Xiyan said very seriously.

As long as Huo Yunshen did it for her, even if he had given her a feather, she would think that it must be the most special feather in the world.

The fireworks were very beautiful. As the fireworks went on, they became more beautiful and their shapes became very special.

They bloomed in the sky in the shape of a heart. There were also letters flashing past one by one, forming a romantic sentence:

I—[Heart]—U—X—

Standing under the splendid fireworks, Xu Xiyan turned around and hugged Huo Yunshen, feeling very touched. She raised her head, stood on her toes and kissed him on his lips.

After a passionate kiss, Xu Xiyan said to him, blushing, "Dear, do you have your military uniform with you?"

"Why?" Huo Yunshen was caught off guard by her question.

Xu Xiyan wrung her little hands in front of him as she said shyly, "I wanted to... see you in a uniform."

After saying this, Xu Xiyan's face flushed deep red down to her neck.

Huo Yunshen looked down and saw his little wife's ears turn blood red. Her face was glowing red, shyness in her gentle eyes.

He understood in an instant. Could it be that his little wife wanted "that" ...

Originally, he didn't have his uniform with him, but he immediately made a call and got someone to airdrop it by helicopter.

After getting the parcel, Huo Yunshen took his wife back to the residence happily.

After putting on the uniform, the man looked even taller, his perfect figure making Xu Xiyan surge with excitement as she watched him.

She swallowed, fighting down her urge to throw herself onto him as she stared at him unblinkingly.

“You like me looking like this?”

Huo Yunshen came towards her with a trace of arrogance and iciness in his eyes, his temperament completely changed.

Chapter 1023: Uniform Play

“Yes... It looks good...”

Xu Xiyan must have no idea how dumbstruck she looked at that moment, dumbstruck for her man.

Huo Yunshen picked her up and pushed her onto the wall, rougher than he usually did.

And that only made Xu Xiyan's heart even more flustered.

“I never thought you would actually like this,” Huo Yunshen teased.

And by this, Huo Yunshen meant the uniform play.

He pinched Xu Xiyan's lips and stared at her eyes as if a beast was staring at its prey.

“You found out...” Xu Xiyan whimpered as her breaths got harder.

“Didn't I tell you to stop seducing me? Did you forget again?” Huo Yunshen scolded and planted his lips on hers.

Xu Xiyan's body shivered as if electricity was running through her veins.

“Looks like I'll have to punish you,” Huo Yunshen said, getting into his role as an officer.

He removed his belt and tied her hands, treating her like a prisoner.

Xu Xiyan's heart beat even faster as she began to wonder why the rougher Huo Yunshen got, the more excited she got.

Could it be that I'm actually a masochist? Xu Xiyan asked herself in her head.

The two spent an unforgettable night, leaving marks of their fun all around Qingyun Residence.

It was Christmas the next day.

Xu Xiyan slept until she woke up naturally and realized that it was already 10 a.m.

She couldn't find any of her clothes around her as they were thrown around the house, so she simply picked up one of Huo Yunshen's white shirts and put it on.

The sun was shining and Xu Xiyan walked up from the bedroom, looking for her lover until she found him busying himself around the kitchen.

"What are you making? It smells good!" Xu Xiyan said as she stood by the door.

"You're up? You must be famished, right? I made your favorite curry..."

Huo Yunshen stopped when he turned around to see his wife standing by the door in his shirt that was too big for her. Her sexy collarbone was in full view while her messy hair rested on her shoulders.

Huo Yunshen swallowed his saliva as he stared at his sexy wife, completely forgetting what he was about to say and stopping everything that he was doing.

"What's wrong?" Xu Xiyan asked, noticing that his mind was drifting away.

Her voice pulled him back from his stare, but he quickly replaced it with a scary one and warned, "You have three minutes to put your clothes on. Don't blame me if you don't!"

"Why? Are you going to eat me?" Xu Xiyan asked, walking into the kitchen, unafraid of Huo Yunshen.

She picked up some of the food that Huo Yunshen prepared with her hand and put it into her mouth.

Even the way she ate was too tempting for Huo Yunshen. He put down the utensils and closed the door behind him.

Xu Xiyan was too hungry to notice as she took a pair of chopsticks and chowed down on the food.

But just as she was enjoying her meal, she felt a hug from behind her, and she was lifted off the ground.

"Hey!" Xu Xiyan scolded when she realized it was Huo Yunshen. "Put me down! I'm hungry!"

"Nope! I'm hungry too!"

Chapter 1024: She Started To Act Boldly Again

With his face close to her ears, he said seductively, "Didn't I just tell you to dress up? But you didn't listen, so don't blame me for helping myself now."

"I was wrong, okay? Please spare me, my lord!"

"Too late."

It was too late to say anything. She could only blame herself for wearing something so seductive and strut around in that in front of him.

The man began to attack her all over in the kitchen. He found that the benefits of wearing a shirt were too many. It was really convenient.

After Huo Yunshen was satiated in the kitchen, he came out carrying the little woman back to their room so she could dress up, then carried her back to the dining room for breakfast after she had done so.

Xu Xiyan was more behaving now; she ate her breakfast obediently and no longer dared to act inappropriately in front of Huo Yunshen.

In the afternoon, two guests came to the Qingyun Residence.

The sound of a guitar could be heard coming from afar. Xu Xiyan walked out of the house and saw a man and a woman sitting under the pergola in the garden outside.

“Wandou? Chenguang?” Xu Xiyan said, recognizing the two.

“Sister Jing Xi!”

Wandou saw Xu Xiyan coming out as though she saw her great savior arriving and rushed over to meet her. “I’m glad that you’ve come. If you hadn’t come, I might have broken down.”

“What’s wrong? Listening to Chenguang’s guitar playing will break you down?”

Xu Xiyan saw that Wandou had a hard-pressed look on her face. She looked like she was not lacking torment caused by Mu Chenguang.

“Absolutely! Usually people take money for playing music, but he takes your life by playing music!”

Wandou did not understand music; she did not have the innate ability to appreciate it. In short, Mu Chenguang had been forcing her to enjoy all kinds of music every day, which was really agonizing to her.

When Mu Chenguang heard her evaluation of him, he immediately put down his guitar, walked over to them and grabbed Wandou’s wrist. “What did you say? Say it again!”

Wandou was not afraid though the man was staring intensely at her. She pulled her hand away and immediately hid behind Xu Xiyan, making a funny face at him. “That’s what I said! People take money for playing music, but you take lives by playing music! Hmph!”

“You—Wan Xiaodou! Believe it or not, I would smash you with my fist and grind you into soybean flour!”

Mu Chenguang was at a loss on how to teach this girl a lesson. She was always rebelling against him; she would insist on going backward if he told her to go forward, and she would go defiantly east if he told her to go west.

He would be lucky if he didn’t die of anger at her rebelliousness while being his assistant.

Now that Jing Xi was here as her shield, that girl began to act boldly again.

“Alright, you two, can’t you both live in peace?” Xu Xiyan tried to persuade them as a mediator.

“No!” Wandou refused. She didn’t want to get along with Mu Chenguang peacefully—or better yet, she didn’t want to interact with him at all.

Mu Chenguang's lungs were going to blow up with anger. He ran his fingers through his hair, almost losing his mind.

If it weren't for her being a soft and weak little woman, he would've already flattened her.

"Alright, don't fight anymore. Wandou, if you have nothing to do, you could help me arrange the flowers here and water them. Chenguang, your big brother is looking for you and you should hurry to the recording room."

Fine by him. Mu Chenguang shot a fierce glare at Wandou, as though his eyes were saying, You little rascal! Just wait and see!

After Mu Chenguang left, Xu Xiyan and Wandou moved flowers to the courtyard together. While they were busy, Xu Xiyan asked by the way, "Wandou, I think Chenguang is quite a good person. Why do you have so many complaints about him?"

"Sister Jing Xi, I beg you, please stop pairing us together. I would rather look for someone like Yi Xiao than someone like Mu Chenguang."

"You like Yi Xiao?" Xu Xiyan asked.

"No, I was making an example."

"Then could you tell me what's so bad about Mu Chenguang?"

Chapter 1025: His Unknown Past

Wan Dou finally told Xu Xiyan about everything that had happened during the rainy night.

Xu Xiyan couldn't help but laugh when she heard the story. She never thought something like that had happened when they met for the first time.

It made sense to Xu Xiyan that it would be hard for Wan Dou to forgive him after leaving such a bad impression.

But as Wan Dou and Mu Chenguang's friend, Xu Xiyan really hoped they could find their happiness.

"Maybe it was just a coincidence," Xu Xiyan said. "You shouldn't judge a book by its cover. Even though he looks playful and bossy, he's really a nice person. You might not know this, but he grew up in a very strict family, and his mother left him at an early age. Ever since he could remember, his father forced him to take piano classes and would hit him every time he made a mistake. One slap from his father when he was six made him lose his hearing in the right ear too. But even after all that, he bit his lip and fought his way through to become a successful musician. The Mu Chenguang you know right now is just a mask that he's wearing. I'm sure that he wants to be loved more than any other person. He's bossy towards you because that's the only way he knows to express his care for you. Give him a chance, give yourself a chance to know the real him."

Xu Xiyan left after telling Wan Dou about Mu Chenguang, leaving her stunned.

The things that Xu Xiyan told Wan Dou had left an impact on Wan Dou's heart.

She never knew that Mu Chenguang has such a troubled past under that playful personality of his.

She never knew that he had lost his hearing in his right ear.

That explained to her why Mu Chenguang would sometimes ignore her when she was speaking on his right side.

Wan Dou had been trying to avoid Mu Chenguang, but it was as if something had changed inside her.

She began to sympathize with Mu Chenguang's past.

Huo Yunshen and Mu Chenguang began to prepare for the recording in the studio.

Xu Xiyan walked into the studio and read the lyrics before she began to record.

The first piece that she recorded was the theme song for Landscape, "The Perfect Scenery."

Xu Xiyan recorded the song a total six times and chose the best out of them.

The next was the theme song for Deep in the Shadows of the Stars, "Starry Sky," which was performed by Xu Xiyan and Huo Yunshen.

Mu Chenguang's job was to take over the recording part.

Wan Dou came into the studio when the married couple was singing, and she instantly fell in love with their voices.

Her gaze slowly turned to Mu Chenguang's back as he held the earphone onto his left ear, completely focused in the process. Wan Dou looked at his right ear and felt as if a rock was holding down her heart.

Chapter 1026: You're Hurting Me!

Without saying anything, she went straight to Mu Chenguang and sat quietly next to him.

When the song was finished, Mu Chenguang discovered someone had appeared beside him without him realizing it. It was Wan Xiaodou, his assistant who had made him so angry that he wanted to strangle her to death.

"Why did you come?" Mu Chenguang asked.

Wandou pouted her lips and said, feeling displeased, "Why can't I?"

She had probably gotten used to quarreling with him as she could not change her tone of speech at the moment yet; she just could not face him calmly.

"You smelly rascal, you said I take lives by playing music, huh?" Mu Chenguang really did not know how to make a girl happy; he directly squeezed Wandou's cheek and said to her beratingly, "I dare you to say it again!"

“Let go! You're hurting me, you despicable idiot!”

He had squeezed her cheek so painfully that Wandou slapped him with her small hand.

As a result, at the same time that Mu Chenguang released her, he passed his hand through her hair to clasp the back of her head, lowered his head and bit her on her lips viciously.

To be precise, he had kissed her twice before giving her a bite.

He let go of her. Wandou was stunned like a confused little rabbit that had been kissed. She did not react for a long time.

When she recollected her wits, she beat at his chest repeatedly with her little fists angrily. “Damn you! Give me back my first kiss! Give it back! Give it...”

Mu Chenguang was very surprised. Did he just give Wandou her first kiss?

Oh my god, this was more exciting than winning the jackpot.

“Oh, so you want it back? Here, I'll give it back!”

After finishing his words, he seized her head once again and kissed her hard.

This time, he was going to return her kiss with lots-of-lots-of-lots-of interest paid. He was going to pay her back several times fold and see whether she was still going to complain.

In the recording booth, Xu Xiyan inadvertently looked up while she was discussing singing techniques with Huo Yunshen, and happened to see the little couple outside kissing.

It seemed that Mu Chenguang had finally gotten it; he finally knew to make the first move with a kiss.

“Hey, dear, look...”

Xu Xiyan elbowed Huo Yunshen. He looked up and saw them too. He couldn't help but laugh, “Wanna try too?”

“What?” Xu Xiyan did not hear him clearly.

Without explaining, the man directly held her waist and clasped the back of her head and gave her a French kiss.

After they were done recording, they came out from the underwater recording studio. The sky was already darkening outside.

As the sun set, its golden afterglow sparkled on Yao Lake, rippling in wavy lines on the water.

The four enjoyed the beauty of the setting sun together. Noticing that it was getting late, Wandou said, “Mu Chenguang, should we be going back now?”

Mu Chenguang heard her calling his name and frowned. “Didn't I warn you before? I forbid you to call me by my full name!”

“If I don't call you by your name, what should I call you then? Mr. Mu?”

“Don't involve my surname.”

“So, just ‘mister?’”

“That's too distant.”

“Then what do you want me to call you? I can't just call you ‘Guangguang!’”

Wandou didn't know what to say. She always felt that Mu Chenguang was particularly difficult to please.

“Okay, that's it. Call me that again!”

“No! It's so cheesy!”

Wandou covered her face as she ran away. Mu Chenguang chased after her happily.

Seeing that the relationship between the two had eased, Xu Xiyan said to Huo Yunshen, “Why don't we create more opportunities for them while the iron is still hot?”

“Hmm, sounds good.”

So the couple discussed and decided to keep them here for dinner and have them camp for the night.

Huo Yunshen made dinner. Mu Chenguang finally tasted his boss's cooking—he even ate three bowls of rice during dinner.

“Thank you, Big Sis. If it wasn't for you, I wouldn't be so lucky to be able to taste his cooking.”

Chapter 1027: We'll Sleep In This

“Boss, I noticed that your food keeps getting better after you got married,” Mu Chenguang praised. “You must be on par with Michelin starred chefs now!”

“Keep your flattery to yourself! Hurry up and finish your food!” Huo Yunshen scolded and threw a napkin onto Mu Chenguang's face.

Mu Chenguang finished his food and rushed outside to set the tent up.

“Jing Xi, are you sure that the boat could not be repaired today?” Wan Dao asked, unwilling to stay while staring at the couple showing their affection all the time. “Do we really have to stay here tonight?”

“Sorry about that. The repairman could only come tomorrow morning,” Xu Xiyan said. “You and Mu Chenguang have to sleep in tents tonight.”

“Okay... I'll go check if he needs any help or not,” Wan Dou said and left.

“See, I told you that girls are easy to trick now,” Xu Xiyan said, smiling at Huo Yunshen.

“What if someone tried to trick my daughter in the future?” Huo Yunshen asked with a saddened expression.

1“...” Xu Xiyan was speechless at how Huo Yunshen was worried for a future that was still far away.

Peijing's temperature was quite low in December.

Wan Dou came to the lakeside and found Mu Chenguang setting up the tent.

“Hey, Mu Chenguang! Do you need my help?”

Since Wan Dou still viewed their relationship as employer and employee, she found it weird to call him “Guangguang,” so she called him by his full name instead.

Mu Chenguang raised his head and noticed Wan Dou was lightly dressed.

“Go back inside, there's a heater in there. The outside's too cold,” Mu Chenguang said and continued with his work.

Wan Dou felt a cringe because, for a second, it sounded like Mu Chenguang was worried about her.

Wan Dou couldn't stand the cold after standing outside for a few minutes and went back to the residence.

Xu Xiyao had already prepared a new set of clothes for her and said, “The shower's over there.”

“Thank you.”

Wan Dou grabbed the clothes and went into the shower.

When she came out from the shower, Mu Chenguang had already returned from setting up the tent.

She noticed that Mu Chenguang's nose and hands were reddened from the cold and said, “You should get a shower.”

“Good idea,” Mu Chenguang replied and got some clothes from Huo Yunshen.

After his shower, he led Wan Dou to the tent he set up after saying goodnight to the couple.

Wan Dou noticed when she arrived at the lakeside that only one tent was set up.

“You only set up one tent?” Wan Dou asked.

“Of course!” Mu Chenguang scolded. “What do we need two for?”

“Then, where am I suppose to sleep?” Wan Dou asked, worried that he might ask her to sleep with him.

“This one, of course,” Mu Chenguang pointed at the tent.

Wan Dou instantly recalled about Mu Chenguang's sleepwalking and bit back, “No way! We're not sleeping in the same tent!”

Wan Dou's rejection irritated Mu Chenguang.

He thought that at the very least he was one of the most famous celebrities and wouldn't mind getting into a scandal because of that, but Wan Dou was more worried than he was.

Even if something happened during the night, he wasn't the type of man that wouldn't take responsibility.

“Why? Do you think we're going to sleep hugging each other? We have our own sleeping bags! Don't you dare disturb me when I sleep!”

Chapter 1028: She Had Hugged Him So Tightly!

As though in spite, Mu Chenguang took off his shoes and clothes and got into one of the sleeping bags in the tent and lay down.

Wandou stood outside the tent, speechless. This was the first time she had heard a man claiming himself to be a daisy-fresh boy. She really wanted to know whether Mu Chenguang had brain damage.

She craned her neck and peered into the tent to look around. The tent was quite spacious and there were indeed two sleeping bags inside. Basically, they could not violate each other's space.

Looking at the man's back, Wandou mustered her courage and crawled into the tent, took off her clothes, lay in the sleeping bag and sleep.

Anyway, the night would quickly pass once she fell asleep, and they would be able to go home the next day.

She just had to make do with it!

Not to mention that the sleeping bag was quite soft too. The bottom was padded with several layers of thick matting; she didn't feel cold in it at all.

Laying in her sleeping bag facing away from Mu Chenguang, Wandou could not fall asleep for a long time. The main reason for her sleeplessness was that she was too shocked at what Xu Xiyao had told her during the day.

She kept thinking about it unwittingly. Whenever she thought of it, she would inevitably think of the man behind her. His ears...

No, no, no, she shouldn't think about it anymore. Time to sleep, time to sleep. Wandou hypnotized herself for a long time before she fell asleep blearily.

In the middle of the night, Wandou vaguely felt a weight pressing down on her and felt a little suffocated. She opened her eyes and saw the bastard of a man lying on top of her body like an octopus.

No wonder it felt so heavy!

She turned around, and she could see the man's handsome face very closely, his facial features perfectly well-chiseled. As the man's eyes were closed, his eyelashes looked really long, casting a crescent-shaped silhouette under his eyes.

To be honest, she used to be very obsessed with Mu Chenguang. She had a collection of discs of all the music videos he had acted in.

He had occupied the best time of her teenage girl years, but who knew that when she met him in reality, she would find out that his character was completely different from what she had imagined.

Her good opinion of him had been subverted!

With great effort, Wandou managed to kick Mu Chenguang aside, but after a while, the man rolled over and got on top of her again. She had no choice but to push him away again.

She had to say this: This guy is really a misbehaving sleeper!

Wandou was so exhausted trying to push him away as he kept rolling over. She was already sweating all over in her sleeping bag.

Wandou opened her sleeping bag to let in some air, but before she could close it up, the man rolled over again. This time, he directly hugged her and kept her in his arms. He had even snuggled his head on her shoulder.

His breath was hot on her neck. Wandou was so scared that she did not dare to move. She could only lay frozen in place.

“Hey! Mu Chenguang!”

Wandou felt that staying still like this was not a solution. She tried to wake him up, but the man did not react at all.

Suddenly she remembered what Xu Xiyan had told her: he was deaf in his right ear. So was that why she couldn't wake him up?

Forget it, let him do whatever he wants!

Seeing that he was so pitiful, she decided to bear with it and become his pillow for one night!

The next morning, Wandou slightly stirred, startling Mu Chenguang from his sleep. The two almost snapped their eyes open at the same time.

As soon as they saw each other's faces—and their hugging bodies—they screamed in horror.

“Aaaaah! Wan Xiaodou! I never thought that you would actually take advantage of me unguarded! You were hugging me so tightly!”

Mu Chenguang stared at her warily as though trying to defend himself from a hooligan.

“...”

Since when did she take advantage of him unguarded?

He was obviously trying to turn the tables around first to hide his guilt!

Wandou really felt like scoffing at him. It was obvious that he was the one “bullying” her all night, okay?

“Forget it, a big man like me will not dispute with a girl like you. I'm just going to treat it as if I have suffered for the greater good!”

After throwing out such words, Mu Chenguang got up first and went out of the tent.

“...” She was speechless.

Oh heaven and earth! The one who had been taken advantage of for the whole night was she!

Chapter 1029: Another Kissing Scene

Wan Dou sat up and shook her arm as she scolded Mu Chenguang in her head.

All four of them had their breakfast in the residence and left the island.

Everyone had their own schedules, and they parted ways once they left the ferry.

Mu Chenguang had an advertisement to shoot and had Wan Dou accompany him.

As for Xu Xiyan and Huo Yunshen, they went to the studio to finish the last scene for Deep in the Shadows of the Stars.

The movie had a happy ending.

The story ended with a kiss in the novel, but Fang Xiaocheng made some changes when she edited the script.

In the movie, Lin Ruyi was asked to substitute as a bride in a movie.

She changed into a wedding gown and went into the church with flowers in her hands only to realize that the church was empty.

She thought that she went into the wrong place and was about to leave when another person appeared at the door.

It was the protagonist, Qin Yishen, in his wheelchair.

Lin Ruyi was surprised, as Qin Yishen wore a black tuxedo that only enhanced his looks even further.

“Yishen? Why are you here?” Lin Ruyi asked.

“Because you're here,” Qin Yishen said and pushed himself up from his wheelchair.

Lin Ruyi stared at Qin Yishen in awe as he stood up.

What was more surprising was that Qin Yishen took a step forward.

Then the second step, and the third step.

He walked towards Lin Ruyi and kneeled down before her with a ring in his hand.

After telling her what he wanted, he ended with, “Yiyi, will you marry me even when I'm not perfect?”

“I do!” Lin Ruyi nodded as she cried.

She helped Qin Yishen up, and he put the ring on her ring finger before their friend jumped out from hiding and congratulated them.

It was only then that Lin Ruyi noticed that there was no movie, it was a lie to get her to the church.

Since the proposal was a success and both of them wore appropriate clothes, their friends urged them to get married right away.

The movie ended with them kissing each other with passion.

“Cut!” Lu Zeyan shouted. “That’s a wrap!”

The crew’s celebration pulled Xu Xiyan and Huo Yunshen back from their character but couldn’t help themselves from kissing each other again.

In reality, they were officially married and even had a child, but they never had their wedding.

The scene at the church was sort of compensation for their regret.

With the filming coming to an end, Huo Yunshen hosted a party for the whole crew.

Chapter 1030: The Only Time That Their Acting Was Real

They had booked a banquet hall in the most high-end six-star hotel in Peijing. Xu Xiyan did not know how her good friends had gotten the news, but they had all come.

Ma Haodong dragged Xiao Yuqian to the venue, grinning as he gave his blessing, “Congratulations, President Huo! May you have children as soon as possible!”

Huang Guoqiang and Qi Liya, as well as Mu Chenguang and Wandou and the others, had also come to give their blessings.

Ye Xun and Huo Sanyan came together. Even the elders of the Huo and Jing family had come too.

Seeing the scene was becoming more and more out of control, Xu Xiyan asked her husband, “Why have they all come?”

Huo Yunshen looked helpless. “They probably thought that we are getting married today.”

Xu Xiyan was at a loss whether to laugh or cry. “Well, okay then! We’ll just have to treat it as if we’re getting married today!”

After shooting for so long, this was the only day that their acting was real. Huo Yunshen and Xu Xiyan were just like a newly married couple, welcoming their guests hailing from all sorts of places.

Not long after, several children ran over, followed by several adults behind them. They turned out to be Tang Yichen and his wife, as well as Huo Yi Jing and her husband Lu Mingsheng. Even the rarely seen Tang Shixue had also appeared before them.

Everyone had gotten a notice from Huo Sanyan, so they had immediately come to give their blessings.

Ying Bao ran over with several little boys. When she saw her parents, she grabbed their hands and protested, “Daddy, Mommy, why didn’t you bring Baby to your wedding?”

What the little girl was protesting was this: she had heard that her parents had gotten married in a church but they did not inform her. She felt that she was being abandoned again. Sob, sob, sob, Baby is not happy.

“That's because Mommy and Daddy wanted to give you a big surprise!”

Huo Yunshen was very good at coaxing children and he managed to placate Ying Bao in no time. Once again, Ying Bao bounded off with her friends happily and they went to play.

Tang Yichen took his wife and came over to them. He bumped fists with Huo Yunshen and said, “Dude, you're really being insincere for not telling us that you're getting married.”

“Yet you still had the gall to come without invitation. Did you prepare a red packet?” Huo Yunshen scolded him deliberately.

Tang Yichen laughed, “Ha... we're buddies, why do you need a red packet? I'm here to give you face.”

“Get lost!” Huo Yunshen said bluntly.

Tang Yichen laughed out loud as he wrapped an arm around his wife and “got lost” into the banquet hall.

Lastly, Tang Shixue came in front of the couple and gave her blessing magnanimously. “I really didn't think that you two would get married without telling anyone.”

Xu Xiyan smiled and pulled Tang Shixue into the banquet hall. “I didn't think of it myself either. We were shooting a scene and for some reason it just happened.”

In fact, they were not marrying for real today. The grand wedding Huo Yunshen wanted to give Xu Xiyan would happen one day in the future.

The banquet was very lively. All friends and family who came to the banquet got to know that Huo Yunshen and Xu Xiyan had shot a romance film together in secret and they wondered when they had done it.

Needless to say, as the eldest sister, Huo Yijing directly snatched the publishing rights of this film.

She must give this film the best publicity and packaging for her own brother, and make it a meaningful commemoration for him and Jing Xi's love.

At the end of the celebration banquet, Huo Yunshen accompanied his wife to attend the premiere of Landscape.

At Yiyun Studios, the premiere was a full house.

The main actors of the film and the director and creative staff were all present. Talented artists from the film critic and media circles were also invited.

In addition, many list stars were also invited to come support the premier.

As the director of the film, Huang Guoqiang had secretly shot such a romantic love story while the historical palace drama, *The Beauty of the World*, was being broadcasted. It could be said that everyone was impressed with his feat.
