

## Priceless Baby 1171

### Chapter 1171: Bitch!

Li Ruochu believed that Bai Yanchuan must be the one spreading the rumors, telling the world that she was his girlfriend.

Li Ruochu did not wish for such scandals and misunderstandings.

“You sure are imaginative,” Li Ruochu replied. “Bai Yanchuan has nothing to do with my and Qingyu's relationship, and even if he did, who are you to scold me? Even if I really had a child, what could you do?”

Lan Ling'er realized that talking with Li Ruochu was not an option anymore.

“Bitch! You really are a bitch!” Lan Ling'er mocked and raised her hand to slap Li Ruochu.

But just before her hand could land on Li Ruochu's face, someone grabbed it from behind.

Lan Ling'er turned and noticed Jun Yan was stopping her.

Lan Ling'er knew that the Jun Yan she was seeing was Xu Xiyan in disguise and warned, “What are you doing here? Mind your own business!”

“I'll mind my own business if the person you're about to slap is not Ruochu,” Xu Xiyan said. “But I will not sit back and watch my friend getting hit!”

Li Ruochu looked at the person who suddenly appeared and was confused. The person had a face that she had never seen before, a complete stranger, and it made her wonder why he was helping her.

“Did you forget who helped you to escape?” Lan Ling'er asked. “I'll tell my brother how you switched places with Alice!”

“Fine, go ahead! I'll tell him how you helped us. If your brother learns that you're a traitor, I wonder what he'll do to you.”

“...”

Lan Ling'er was silenced by Xu Xiyan's words.

In reality, both of them were holding onto the same rope that could break at any moment.

If Mo Yutian did learn about how Lan Ling'er assisted Xu Xiyan in her escape, she would be torn to pieces.

Lan Ling'er knew how ruthless people from her bloodline could be; they could even kill their own family for their own benefit.

Just like how her father chased Mo Yutian out from the palace just for a woman.

“Afraid now? I'll drag you down with me if Mo Yutian comes for me,” Xu Xiyan said, pointing at Lan Ling'er. “If you want to live, then stay away from Li Ruochu.”

Lan Ling'er was completely overwhelmed by Xu Xiyan while Li Ruochu looked at both of them, unable to understand a word they were saying.

“You can leave now,” Xu Xiyan said.

“Fine! But I'll remember this!”

Lan Ling'er turned and left.

Li Ruochu looked at the man who had just saved her and said, “Thank you... May I know your name?”

Chapter 1172: Could She Handle This?

Xu Xiyan smiled at Li Ruochu, and applied her own voice, “I have always been...Jing – Xi.”

“You are Jing Xi?”

Li Ruochu was completely shocked. How could this handsome young man be Jing Xi?

But she knew that Jing Xi was very good at disguises. No wonder she could appear like a man.

“Jing Xi...”

Upon seeing Jing Xi, Li Ruochu reached out to her and her eyes filled with tears.

“I'm here, Ruochu. Don't be scared. I'm here!”

Xu Xiyan took her hand and sat down by her side.

Li Ruochu had gone through a lot. Therefore she could no longer hold back her tears upon seeing Xu Xiyan.

Xu Xiyan handed her some tissues and tried to calm her down, “Don't cry, Ruochu. It could be harmful to the baby.”

Li Ruochu nodded and wiped away the tears. Xu Xiyan continued, “Tell me, what happened to you?”

“Jing Xi, I never thought I would be pregnant. It's such bad timing...”

Li Ruochu told her about the conflicts between her and Helian Qingyu. Xu Xiyan understood and tried to comfort her. “The General must have some misunderstanding. And you have also mistaken him.”

“Me, mistaken him?”

Lan Ling-Er had been right here just now. How could she have mistaken him?”

“Ruochu, it was because of me that the General had to play the game with Lan Ling-Er.”

Xu Xiyan told Li Ruochu about her being kidnapped in Lstan and rescued by Helian Qingyu.

Li Ruochu found it hard to believe. "I can't believe you have gone through so much."

"Indeed. Now you should try to understand the General. Whatever was said about him and Lan Ling-Er was not true. It was nothing but Lan Ling-Er's own fantasy. I know that the General loves you."

Blunt were those concerned. Li Ruochu was confused, but the outsiders like Xu Xiyan could see it clearly.

Yet Li Ruochu thought she was merely trying to comfort her. "Even if there was nothing between them, he is never serious with me. Even if there is no Lan Ling-Er, we won't be together anyway."

"How come? Now you are conceiving his baby. You are inseparably bonded now."

Recalling what Helian Qingyu had done to her, Li Ruochu could feel nothing but heartbroken. "You didn't see how he treated me. He forced me to give up the baby. If it was not for my unique physique, the baby would already be gone by now."

"..."

Xu Xiyan could say nothing further. It seemed the misunderstanding between Helian Qingyu and Li Ruochu was more complicated than she could think about.

After all, no one but themselves could solve their problems. Others could do no good.

Li Ruochu was engaged in her grief for a while. Then suddenly she took hold of Xu Xiyan's hand and begged, "Jing Xi, can you help me? You are so good at disguises. I know you can take me out of here. Please... Help me, I want to leave Estan!"

"It's..."

Xu Xiyan was put into a dilemma. She could have a thousand ways to get her out of here. But once Helian Qingyu found out, he would definitely kill her.

"Can you bear to see me being trapped and tortured here? If I cannot leave, my baby and I are both endangered. Jing Xi, please."

Li Ruochu begged, in tears.

"..." Xu Xiyan had to think it through. Could she handle this?

Chapter 1173: Her Importance

From what Xu Xiyan was seeing, Helian Qingyu still had no idea how important Li Ruochu was to him.

If Li Ruochu were to leave, he might be able to realize it.

"All right, have some rest for the time being," Xu Xiyan said with a plan in mind. "I'll be going back to Zstan shortly, and I'll think of some way to bring you with me."

"Thank you," Li Ruochu said with tears in her eyes. "Thank you so much."

“Come on, we're friends, aren't we?”

Xu Xiyan waited until Li Ruochu fell asleep before leaving.

She went to buy her stuff and returned to Huo Yunshen's room.

She could hear Huo Yunshen talking on the phone inside, and she went in.

“Oh wait,” Huo Yunshen said into the phone. “Your mummy is back.”

“Ying Bao?” Xu Xiyan said and quickly took the phone over. “Hey, baby?”

“Mummy!” Ying Bao shouted on the other side of the phone. “I miss you so much! When are you coming back?”

“Soon,” Xu Xiyan replied. “I'll go back once the filming is finished, okay?”

“Okay! I feel so lonely at night without mummy and daddy by my side,” Ying Bao said.

Xu Xiyan felt as if thousands of needles were piercing her heart when she heard her daughter saying that she was lonely.

“Mummy? Are you still there?”

“Yes, I'm here.”

“You have to eat a lot, okay? And you have to listen to what daddy says. Take care of yourself,” the little girl said, pretending to be an adult.

“I will,” Xu Xiyan replied while wiping the tears off her face.

The man behind her got up and hugged her from behind, kissing her head to comfort her.

They hung up the phone after talking for a few extra minutes.

“Don't worry, we'll get to see her soon,” Huo Yunshen said while wiping the tears from Xu Xiyan's face.

“I know...”

The people of Lstan had been witnessing how lovey-dovey their emperor and his new queen could be for the past few days.

Mo Yutian would take his wife out on a cruise, introducing every island to her.

He was satisfied with how well-behaved his wife had been for the past few days.

“Look, I've planted that whole island with roses just for you,” Mo Yutian said while pointing at one of Lstan's island.

“Thank you... I'm really touched,” Alice smiled while imagining how Jing Xi would smile.

Yet even though she was smiling, she could feel pain deep down inside her.

## Chapter 1174: The Same Effect

The more she loved him, the sadder she became.

How she wished she could become a real human being, rather than a clone...

But Alice could not disregard the subtle changes in her body because of the cloning.

She already noticed that because she had grown up fast, she was also aging equally fast.

She was aging at a much faster speed than ordinary human beings, and was afraid that Mo Yutian would find out sooner or later.

Alice lived in profound worry and fear every day. She wondered...if Mo Yutian found out she was Alice instead of Jing Xi, would he still care about her?

When they were about to get ashore, a huge black warship came horning and caught their attention.

Seeing the Ghost sailing again after so many years, Mo Yutian was shocked and wondered what his father was planning for.

What was this warship doing here?

The Ghost came to them, and the man on board told them that His Highness Long Xie was inviting the queen to the Ghost Island.

Alice was lost. She had no idea what he was talking about.

Mo Yutian turned to her. "You've always wanted to see your mother again. Now it's time. Let's go. I'll come with you."

They boarded the Ghost and sailed toward the Ghost Castle.

The drawbridge was put down in front of the Ghost Castle, and the gate was opened.

When the warship arrived, Mo Yutian took his wife ashore and entered the castle.

Alice had no idea what she was doing here. But she tried to conceal her curiosity and followed Mo Yutian in to the gloomy castle.

It seemed different in the castle today. Mo Yutian found that the previously closed windows were wide open and abundant sunlight was let in.

How strange. Was his father no longer afraid of sunlight?

Upon entering the main hall, they saw Mo Xie on the throne. Mo Yutian asked, "Father, why do you want Jing Xi here?"

Mo Xie got down from the throne and said, "Follow me."

Mo Xie escorted them upstairs and entered a huge bedroom on the third floor. It was bright and refreshing with a sea breeze coming through. The woman lying on the huge bed was Jing Xi's mother.

Mo Yutian was shocked. He was never expecting his father to get Jing Xi's mother out of the basement.

No wonder all the windows were open. It seemed he had finally sorted things out.

They came to the bed and Mo Xie ordered, "Jing Xi, go wake up your mother."

Alice: "..."

Was this charming sleeping beauty Jing Xi's mother?

Why was Jing Xi's mother here on this island?

Seeing her not taking any actions, Mo Yutian hurried, "Haven't you always been longing to see your mother again? Go ahead!"

Alice realized who she was pretending to be and figured she had to go wake up her mother for Jing Xi.

If she kept standing here doing nothing, they would probably get suspicious.

Thinking of that, Alice walked to the bed and squatted down. She got hold of her hand and started calling.

"Mother... Wake up, mother..."

Mo Xie sat on the couch satisfyingly and waited for the moment to come.

Last time, after Jing Xi's visit, he saw Jing Ruyue open her eyes once. Now he was hoping that by doing so she could open her eyes again.

He believed that if Jing Xi could come to call her everyday, it would not take too long for Jing Ruyue to eventually wake up.

Because Alice had an identical voice to Jing Xi, it bore the same effect for Jing Ruyue.

She was lost in chaos. It seemed as if she was barely walking through a swamp and could not find a way out.

Chapter 1175: Satisfied

Yet Jing Ruyue could faintly hear her daughter calling out to her.

She searched for the source and followed the voice. As she walked closer, her daughter's voice got louder.

Alice kept calling out to Jing Ruyue, until the stage where she could feel her throat getting drier.

Mo Yutian stayed beside Alice, and suddenly he noticed something.

"Look!" Mo Yutian exclaimed. "Her eyes are moving!"

The comment made Mo Xie jump up from his couch to take a closer look. And it was as Mo Yutian had said, Jing Ruyue's eyelashes were shaking as her eyes moved slightly.

Those were signs of Jing Ruyue waking up from her deep slumber.

"It's working!" Mo Xie shouted. "Keep calling her name!"

Alice continued to call out to Jing Ruyue as Mo Xie had requested.

Even though Alice was not able to wake Jing Ruyue right away, Mo Xie was still satisfied with her performance.

"You can leave now," Mo Xie said to Mo Yutian. "The girl stays."

Mo Xie intended to let Alice continue what she did that day on the next day, and Mo Yutian understood what his father meant.

But Mo Yutian was not happy with letting his wife stay at the old castle alone.

What was more was that Alice clearly showed signs that she was afraid of Mo Xie, and there was no way she wanted to stay at the castle.

Alice grabbed Mo Yutian's hand and pleaded with her eyes.

"Do you want to go back?" Mo Yutian asked with a low voice.

Alice nodded.

Mo Yutian frowned as he recalled when Xu Xiyan had first come to the castle, she did not want to leave her mother's side.

And yet the girl in front of him wanted to leave.

"Father, I'll take my wife back now," Mo Yutian said. "I'll bring her over tomorrow."

Since Mo Xie was relying on Alice to wake Jing Ruyue up, he agreed to their demand.

And for the next few days, Mo Yutian brought Alice over to the castle every day.

Until one day when Alice noticed Jing Ruyue moving her finger and shouted, "She's awake!"

Both of the men quickly turned their heads towards Jing Ruyue; her eyes were wide open.

"Yue'er!" Mo Xue exclaimed, unable to believe that she'd woken up sooner than he'd expected.

He grabbed her hands and called out to her gently.

Jing Ruyue was indeed awake, but the one who had woken her up was not Mo Xie but her daughter.

Even though she'd opened her eyes, her mind was still a mess.

She had been sleeping for too long, and she needed a few minutes to get used to what was happening.

After struggling for a while, Jing Ruyue was finally able to see clearly.

"Do you know how long I've waited for this day?" Mo Xie cried, unlike his usual calm self.

Jing Ruyue was searching in her head, trying to remember who the man in front of her was.

“Mum?”

Jing Ruyue heard someone calling her, and she turned to see where the voice was coming from.

It was a beautiful girl, and Jing Ruyue could not believe that her daughter had grown up to become an adult.

She tried to talk, but when she tried to open her mouth, she could not make any sound.

“Hey, don't rush yourself,” Mo Xie said. “Your body is still weak, and you need to rest.”

Chapter 1176: Hope It Would Not Take To Long

Since then, Mo Xie had hired the best nutritionist to take good care of the newly awoken woman.

From eating small bites to sitting up and starting to talk, she was improving every day.

But when she remembered everything from the past, Jing Ruyue refused to talk to Mo Xie at all.

She recalled how brutal this man was to her in the past and how he forced her to leave Feng.

Speaking of Feng...

Jing Ruyue felt a sharp pain in her heart. After so many years, how was he now? Did he still remember her?

Inside the Yunjing Villa.

Xu Xiyan was not sleeping well. She dreamed of her mother being tortured by Mo Xie.

“No! Please, no!”

Xu Xiyan woke up from her nightmare, soaking wet.

Huo Yunshen heard her screaming, woke up and found her panting. He asked, “Sweetheart, bad dreams again?”

Xu Xiyan swallowed and kept panting. “Yes. I dreamed of my mother, and the freakish Mo Xie would never let her go...”

Huo Yunshen cuddled and patted her. “That's not true. It won't happen like that. Freakish as he is, he would never hurt your mother.”

Huo Yunshen only heard of Mo Xie but had never met him. But he could tell his character from Mo Yutian. They must be alike.

Despite the cruelty and cold-bloodedness, they would never harm the women they loved.

With Huo Yunshen's comfort, Xu Xiyan felt much better. But she was still worried. “Honey, I really want to save my mother. How could we do that?”

“No worries. I've been discussing this with Helian Qingyu. We will go to Lstan again to save your mother. When we are ready, when the time comes, we are definitely on it. Believe me, it won't take too long for you to see her again.”

Huo Yunshen never stopped planning for an attack on Lstan. But before that, he had to figure out a way to rescue Jing Xi's mother.

“I hope it won't take too long.”

“For sure.”

After staying for a month in Estan, Xu Xiyan and Huo Yunshen packed and got ready for heading back to Zstan.

Before they left, she went to the mountain top villa to pick up Li Ruochu.

But on her way there, she bumped into a supercar.

Seeing the big hole created on the back of that car, Xu Xiyan secretly cursed, Damn it!

Soon enough, a girl came out of the car. She wore delicate makeup and a sapphire Chanel suit. Her hair was delicately braided. She was nothing but gorgeous.

She came to the back of her car and got irritated by the sight of the hole.

It was barely three days after she'd gotten her new car. Now it was hit. How could that not be annoying?

She wondered who had dared to bump into her car.

She knocked on the window of the following car and prepared for a fight.

Xu Xiyan realized that the girl was not someone she could mess with. It was a rear-end collision and she was fully responsible. Therefore she had to get out and face it.

The girl was surprised at the sight of a handsome young man getting out of the car. Her eyes were wide open.

He looks so good... She could not believe it was such a super good-looking man who drove into her car!

For some reason, the girl's anger was washed away upon seeing this handsome man. She was even slightly excited. What was going on?

“Sorry for bumping into your car. May I have your name and contact info so that I can bear all the costs?”

Chapter 1177: Nothing Left

Not only was the man good looking, but he was also straightforward.

“Ouyang Feifei,” the girl said with her face blushing.

Not only did Ouyang Feifei not blame the man, she even thought of making friends with him.

Xu Xiyan took a better look at the girl's face because she seemed familiar, but Xu Xiyan could not remember where she'd seen the girl before.

Ouyang Feifei gave Xu Xiyan her number and asked for one in return.

“Here's my number,” Xu Xiyan said, giving Ouyang Feifei her number in Estant. “Do you need to call the insurance agency right now?”

“No, it's fine, I'm in a hurry. I'll call you when the car is fixed.”

“All right. I'm really sorry about hitting your car. I'll take my leave now.”

Xu Xiyan got into her car and left while Ouyang Feifei's eyes still lingered on her car.

Xu Xiyan had no idea that she had garnered the attention of a pretty young lady as Jun Yan.

What was more was that the young lady came from a huge background: she was the daughter of Ouyang Qing, Estant's Secretary of State.

Li Ruochu had already left the hospital and returned to Helian Qingyu's mansion.

She had been waiting patiently for Xu Xiyan to get her out of Estant.

And that day had finally arrived.

“You're finally here! I thought you abandoned me,” Li Ruochu said when Xu Xiyan came to get her.

“Of course not! I got into a small accident on my way here, that's why I'm late,” Xu Xiyan explained.

“Accident? Are you hurt?”

“No, just a small bump.”

“Thank God,” Li Ruochu sighed. “Jing Xi, are you sure you can get me out from Estant?”

“Of course I can, but I still have to ask you one more time...are you sure?”

“Yes, I've made up my mind.”

“All right then, let's go.”

Xu Xiyan helped transform Li Ruochu into a servant of the mansion and got her out safely.

When Li Ruochu got into Xu Xiyan's car and left the mansion, what she felt was freedom.

She turned to look at the mansion, a place where she had no good memories and nothing to remember.

Xu Xiyan brought Li Ruochu back to Zstant on a plane that afternoon.

It wasn't until the next day that Helian Qingyu noticed that Li Ruochu was missing.

He had been working at the military camp and had no time to return to the mansion.

When he got a call from his butler telling him that Li Ruochu was missing, he hurried back home.

"Did you find her?" Helian Qingyu asked the butler.

"No, sir. We looked everywhere, but Miss Li was nowhere to be found," the butler replied.

"What good are any of you? She's just a weak girl!" Helian Qingyu scolded, scaring all of his servants as they kneeled before him, begging for forgiveness.

"How has she been for the past few days?" Helian Qingyu questioned. "Did anyone come and visit her?"

Chapter 1178: How Could He Not Spoil His Wife!

They thought it through. Li Ruochu had been quiet and peaceful lately and made them assume that she would not run away again.

The only person she had met with lately was Jing Xi, who came yesterday afternoon. She had Helian Qingyu's special permission to come at any time. Therefore no one was paying particular attention when she came and left.

The maid was straightforward. "General, could it be Miss Jing Xi? She visited Miss Li yesterday afternoon and they had a lengthy talk."

Helian Qingyu wondered if it could be Jing Xi who took Li Ruochu away.

He supposed the answer would be no.

He heard that she and Huo Yunshen had already left for Zstan yesterday. They should have returned to Peijing by now.

He asked for the surveillance video and watched the recording during Jing Xi's visit. It looked just as usual.

Except for an hourly worker who appeared to be suspicious at the end of the recording.

Helian Qingyu asked, "What is this person doing here?"

The butler explained, "That is the hourly worker who comes every day to do cleaning and leaves in the afternoon."

Helian Qingyu did not ask anything further about that person. But he made a call to Huo Yunshen to ask if Jing Xi had any idea about where Li Ruochu could be.

The couple were back to Peijing and arrived at Shengshi Yujing. Li Ruochu was sitting right next to Xu Xiyan.

Picking up the phone, Huo Yunshen took a glance at the two women on the couch and helped them cover the lie, "I have no idea. Jing Xi is here. Would you like to talk to her?"

Huo Yunshen had only gotten to know this after they got aboard. It took him a long while to comprehend what had happened.

Since Xu Xiyan was determined to help Li Ruochu, he had to help her cover this. How could he not spoil his wife!

Huo Yunshen handed the phone to his wife. "It's Helian Qingyu."

Upon hearing the name of Helian Qingyu, Li Ruochu was startled and got hold of a cushion. She shook her head violently and begged them to keep the secret.

Xu Xiyan took the phone, recognized the voice and answered very calmly, "No, I have no idea. She was perfectly fine when I saw her yesterday. You should try searching harder."

Upon hanging up, Xu Xiyan grinned at Li Ruochu and said, "If only the General knew I had brought you here, he would definitely come and kill me. You see, I told you how much he cares about you. You just wouldn't believe it."

If Helian Qingyu did not care about Li Ruochu, how could he be so worried now?

Helian Qingyu trusted this couple and believed that Li Ruochu was probably still in Estan. He ordered, "Go searching harder and find her no matter what!"

He was certain that a pregnant woman could never run far.

In Peijing.

Xu Xiyan was finally back to Peijing. Nothing seemed to have changed. Yet everything seemed different.

The tragedy of the Huo family and the news of Jing Xi's going missing was still widely spread.

Her fans in Zstan were all waiting for further updates. They had not heard about Jing Xi for a long while after the news of her marriage and the tragedy of the Huo family.

She never posted again on Weibo. Let's Divorce, Mr. Huo had already started shooting. But she never showed up.

People were all wondering where she was.

Was she ok?

Chapter 1179: Accept Her Wholeheartedly

Xu Xiyan looked at the scandals and did not put any attention to them. As long as Alice was pretending to be her, Xu Xiyan could not show her face to the public.

She really hoped that Alice could keep Mo Yutian on his leash.

When Ye Xun knew that Xu Xiyan and Huo Yunshen were coming back, he took Ying Bao over to their place.

When the little girl saw her mother, she ran straight into her arms.

“Mummy!”

“Oh! My little girl! Mummy misses you so much!” Xu Xiyan said as she kissed Ying Bao's cheek.

Li Ruochu stood next to them as she smiled at their reunion, hoping that her child could be as cute as Ying Bao.

“Mummy, hug me!” Ying Bao requested.

“Cherry, not now,” Huo Yunshen stopped her. “Your mummy can't hug you now because your siblings are in her.”

“Oh!” Ying Bao said, understanding what her father was telling her. “Are my siblings behaving well?”

It has been three months since Xu Xiyan was pregnant, two months earlier than Li Ruochu.

Xu Xiyan rubbed her daughter's head and said, “Of course they are. You can meet them in a few months.”

“Yay! I'm going to have two little brothers!” Ying Bao smiled, eagerly waiting for her siblings to come out so that she can be a big sister to them.

After meeting up with Ying Bao, the next thing that Xu Xiyan has to do was to help Li Ruochu find a place to stay.

After contacting with Xiao Yuqian, they decided to head over to her place first.

“Yanyan, you're finally back!” Xiao Yuqian hugged Xu Xiyan the moment they met.

“I really miss you too,” Xu Xiyan smiled.

Everyone has been really worried about Xu Xiyan while she was gone, they were asking about her all the time in the group chat.

“It's really a surprise to see you here too, Chuchu,” Xiao Yuqian said, looking at Li Ruochu.

“Well, to be more precise, I'm running away from someone,” Li Ruochu smiled wryly.

“Running away?”

They began to tell Xiao Yuqian what Li Ruochu has been through, and they finally decided to let Li Ruochu stay at Xiao Yuqian's place for a while.

“Why don't you stay with me? My place is too big for myself,” Xiao Yuqian suggested.

“All right! Thank you!” Li Ruochu thanked.

“Wait, why aren't you living with Haodong yet? Which stage is the both of you in now?” Xu Xiyan asked after she learned that Xiao Yuqian was still living alone.

Xu Xiyan thought that since Ma Haodong has learned that he has a son and decided to take over the Ma Group, they would be ready to get married by then.

Chapter 1180: What A Pity

"It's way too early for this. Don't worry. I'm focusing on my career now. Getting married is not on my agenda for the time being."

Xiao Yuqian told about her plan.

Xu Xiyan mocked, "Qianqian, I think you'd better behave yourself. Dong is a rarely found good man with a blind crush on you. You should treasure him. Don't play heartbroken if he is taken by someone else in the future."

"..."

Xiao Yuqian laughed over it. She was not ignoring him. But the situation was pretty complicated now. And it was not going well between her and Ma Haodong.

Well, we'll see.

Xiao Yuqian learned that they were moving to Estan and asked, "Are you sure you are leaving Peijing?"

"Yes, for Yunshen, I have to leave Peijing even though I am not willing to."

Xiao Yuqian sighed but showed her support. "Well, Huo could suffer less if you leave Peijing."

Whenever they talked about what had happened to the Huo family, they always felt for Huo Yunshen. They were such a wonderful family. What a shock that must be to him!

Luckily Xu Xiyan came back safe and sound. If something had happened to her, Huo Yunshen would have gone crazy.

"Yes. We came back to settle some things in Peijing. Then we are leaving."

Xiao Yuqian held her hand and said, "We'll all miss you."

Xu Xiyan smiled. "With modern transportation, I could always come back whenever I want."

"Fine. Are you going to continue acting?"

Xu Xiyan had just won the Best Actress Award and was heading to the peak of her career. It would be such a pity if she chose to retire at this point, Xiao Yuqian thought.

"I don't know, probably I will. Or maybe I will try something else. Now I want to focus on my family, on my husband and children."

Now Xu Xiyan was no longer in bad need of money. Therefore she did not need to work herself to the bone.

She only wanted some peaceful time with her family. To continue acting would probably ruin it. Therefore she might not want to do it for the time being.

In terms of a future career, there was a lot she could do. She could teach violin, write novels, become a signer, or even pursue higher education. She had always wanted to study jewelry design.

In short, she had too many options.

She wanted to see Huo Yunshen recover and her mother rescued first. Then she could have further plans.

Leaving Li Ruochu with Xiao Yuqian, Xu Xiyan felt very relieved.

On the following day, Xu Xiyan and Huo Yunshen went to the cemetery with their daughter.

They could not hold their tears upon seeing the portraits of the three seniors and thinking of them lying in the cold underground tombs right now.

They did not tell Ying Bao about their death. She kept asking for great grandfather and grandparents. And they could only say that they were on .

Now seeing the portraits on the gravestones, she was confused and asked, "Daddy, mommy, aren't great-grandpa, grandpa and grandma on vacation? Why are their photos here?"

They could no longer hide it from her. Xu Xiyan squatted down, pressed her forehead on her daughter's and said, "Sweetheart, great-grandpa, grandpa and grandma are all gone. They will be staying here forever.
