

## Priceless Baby 1181

### Chapter 1181: An Impact

Ying Bao has already learned about life and death. She had been to Jing Ruyue's grave, and her mother had explained to her what passing to the afterlife was.

She also knew that the sinful would be punished in hell while the good would be sent to heaven.

"I get it," Ying Bao said. "They have gone to heaven with grandma, right?"

The little girl was right for the most part.

Jing Ruyue was still alive, but Xu Xiyan could not explain such a complicated matter to a six-year-old kid. As so, she could only nod her head to Ying Bao's question.

"Then they can play mahjong together now!" Ying Bao clapped.

What a pure mind... Xu Xiyan thought as she rubbed her daughter's head before turning to look at the grave. She prayed to God that the deceased would have a calm and peaceful afterlife.

Just as they were praying, Huo Yunshen was kneeling on the ground, hugging his head.

"Daddy? What's wrong?" Ying Bao asked, noticing that her father was in pain. "You can cry if you want to... I won't laugh at you."

Ying Bao understood that what Huo Yunshen had lost was far greater than what she had. They were his parents and grandfather.

Visiting the graveyard had caused a higher impact on Huo Yunshen's brain, and it felt as if someone was splitting his head open with an ax.

When his daughter tried to comfort him, he could not control his rage as he grabbed Ying Bao by her neck.

"Mu... mummy..." Ying Bao cried out with fear in her eyes.

She had no idea why her father was hurting her, or why his eyes were so scary.

Xu Xiyan heard her daughter's cry and turned to look, only to see her husband's disoriented face while he lifted Ying Bao off the ground by her neck.

"Hubby! Let go! You'll kill our daughter!" Xu Xiyan cried while pulling Huo Yunshen's hands apart.

"Wake up!" Xu Xiyan continued to shout while she interlocked with Huo Yunshen from behind. "Please! You have to calm down. Please..."

Xu Xiyan had forgotten how long she had been calling Huo Yunshen's name, but she managed to calm him down as his rage died down.

“Let's go home, okay? Let's leave here...” Xu Xiyan said, and they left. She was worried staying at the graveyard any longer would only worsen Huo Yunshen's condition.

They went back to Shengshi Yujing, and Xu Xiyan put Huo Yunshen down on the bed to rest.

She waited until he was asleep before she left, closing the door quietly behind her.

“Mummy... What's wrong with daddy? Why is he so scary?” Ying Bao asked.

“Your daddy lost his daddy and mummy,” Xu Xiyan explained. “Their death made him sick, and when his condition worsened, he could not recognize anyone. Until he becomes better, let's not talk about them, okay?”

Chapter 1182: That's It

Ying Bao understood and nodded. She sighed while her eyes were filled with tears. “Poor daddy!”

“...”

Xu Xiyan cuddled her daughter in grief. Indeed, her poor husband.

She hoped he would recover soon!

In Estan.

After a week of searching, they had found no trace of Li Ruochu.

Helian Qingyu was outraged and smashed almost every piece of furniture in the house.

After the blow he suddenly realized it might be Bai Yanchuan who had taken Li Ruochu away.

Upon realizing this he drove immediately to look for Bai Yanchuan.

When he found him, Bai Yanchuan was hanging out with some friends at Mingjue Pub.

He kicked open the door and startled everyone in the private room.

Upon seeing Helian Qingyu and his armed guards at the door, the women in the room started screaming and hiding.

“Everyone, get out! Except for Bai Yanchuan.”

Upon hearing Helian Qingyu's order, they ran away as fast as they could.

Except for one man – he was still sitting on the couch and sipping his wine, and only took one quick glance at the outraged man at the door.

He asked carelessly, “What brought you here, General Helian, with all these gentlemen? What do you want? I doubt that I could have broken any law of Estan by enjoying my own wine.”

Helian Qingyu dispelled his men and closed the door, then asked, “Did you take Li Ruochu away? Hand her over! Do you hear me?”

Bai Yanchuan finally raised his head and looked right into Helian Qingyu's eyes. "Do you mean Chuchu is missing?"

Helian Qingyu ordered coldly, "Don't pretend you know nothing. Hand her to me!"

Bai Yanchuan stood up. He looked no less lofty than Helian Qingyu in his haute couture.

He asked calmly, "It was you who took Chuchu away and had her imprisoned. It should have been me asking you to hand her over. Don't you find yourself ridiculous coming to me to ask for her?"

"Li Ruochu is missing. No one but you called her before that. Who else could it be if it was not you?"

Helian Qingyu was so sure that Bai Yanchuan was the reason why Li Ruochu went missing.

"General Helian, it is you who lost her. Why are you asking me now? I suppose you should rather examine and question yourself. Why did Chuchu want to leave you? Why has she been trying to run away? If you were so good to her, how could she keep running away? It has always been you. You are the one to blame. Now you are making a fool of yourself by blaming others."

Helian Qingyu never thought he was wrong. "How I treated her is none of your business. I don't want to hear your excuses. Just hand her over. And that's it."

"Ha... Now I understand why she didn't want to be with you. You are such a headstrong and arrogant man. Someone like you never deserves Chuchu. If only I could find Chuchu, I would never leave her with someone like you!"

Bai Yanchuan got ready to leave after the scorns.

But his words had already provoked Helian Qingyu.

No one ever dared to speak to him like this. Headstrong? Arrogant?

What was Bai Yanchuan thinking!?

He had always wanted to teach him a good lesson. Now it was the time. Helian Qingyu said nothing further but got hold of his collar and pounded on his face.

Chapter 1183: Going Crazy

Not giving Bai Yanchuan any time to react, Helian Qingyu threw him onto the glass table, crushing it.

When Bai Yanchuan climbed up with a lot of broken glass on the ground, he was met with Helian Qingyu's raining punches.

"And what good have you done to her?" Helian Qingyu shouted. "You're the one who ruined her family! If not for me, she would've been suffering in some alley!"

Helian Qingyu was indeed telling the truth. He had been kind to her most of the time.

Li Ruochu had servants serving her the whole day, and he would give her everything she wanted.

She was the first girl that made him do that.

Bai Yanchuan was caught off guard when Helian Qingyu first threw his punch, but now that he had straightened his form, he was not prepared to go down without a fight.

The two men fought each other in the VIP room, destroying everything in their way.

In the end, Helian Qingyu was victorious thanks to his military training.

"I'll ask you one more time! Where is Li Ruochu?" Helian Qingyu asked as he pinned Bai Yanchuan down by pushing his leg on his neck.

"I don't know..." Bai Yanchuan gasped. "I wouldn't tell you even if I did..."

Upon hearing the answer, Helian Qingyu punched Bai Yanchuan in the face without hesitation.

The punch was powerful enough to knock Bai Yanchuan out.

After seeing that Bai Yanchuan was unconscious, Helian Qingyu left with his guards.

Judging from Bai Yanchuan's reaction, Helian Qingyu was sure that Bai Yanchuan was not the one who had taken Li Ruochu away.

Yet it only made him more suspicious as to how far a pregnant woman could run.

That was the first time Helian Qingyu actually felt agitated because of a woman.

She was the first that could make him lose himself every time.

Helian Qingyu had been telling himself that Li Ruochu was just a woman who had cheated on him and got pregnant with another man's child.

Yet he still was not able to let her go.

And it was driving him crazy.

Xu Xiyan and Huo Yunshen took some time off their schedule to visit the Jing mansion with Ying Bao.

Jing Huaduo finally let out a breath of relief when he saw Xu Xiyan coming home.

He'd already heard of what happened to Xu Xiyan from Jing Zhannan, and he was glad that he had a grandson-in-law that was willing to throw everything away just to save her.

Xu Xiyan told Jing Huaduo of their decision to move to Estan during lunch.

Jing Huaduo understood their reasons and was even supportive of their decision. The only regret for him was that he would miss his great-granddaughter.

"What should I do? When will I be able to see Ying Bao again?" Jing Huaduo voiced his worries.

"Don't worry, I'll video call you every day!" Ying Bao smiled.

"Really? Thank you," Jing Huaduo laughed.

“Why don't you come with us?” Xu Xiyan asked, worried about her grandfather's safety. “At least we can take care of you.”

“I would've left if I wanted to,” Jing Huaduo said. “Your uncle has been trying to get me to move to Estan for years, but I just can't find myself leaving this place.”

Xu Xiyan understood what her grandfather meant. Jing Huaduo had been living in Peijing for his whole life, and there were too many memories there that he could not give up on.

“All right then,” Xu Xiyan said. “Take care of yourself, grandpa. Come and visit us in Estan when you have the time.”

Chapter 1184: A Completely Different Person

“Well, well, I'll wait for my two great-grandchildren!”

Getting out of grandfather's home, Xu Xiyan and Huo Yunshen went to take care of their own matters respectively.

Huo Yunshen assigned the Jingyue Group completely to Xiao Yuqian, and the Huo Group to Tang Yichen. They were both given the title of CEO in order to run the companies on his behalf.

Xu Xiyan handed Jinxi Studio over to Lu Zeyan. After all these years, the studio was handed back to Lu Zeyan again.

He had already won some fame after directing the last two films. It would bring a lot more business for the studio.

Upon finishing all these matters, the husband and wife called a few friends for a party.

Their friends in Peijing had not even had a proper meal because of the bombing at their wedding.

Huo Yunshen and Xu Xiyan called them together today for a makeup.

They saw Ma Haodong at the party. He looked like a completely different person now.

He seemed charming and well-established in his tailored suit, much more responsible than his previous wild self.

“Jing Xi, Mr. Huo, finally.”

They had all been worried since the tragedy of the Huo Family. Ma Haodong tried to inquire about Jing Xi but never heard anything. Fortunately, she was back now.

“It has not been a long while. But President Ma must have been doing great! And the Rongma Group must be thriving under your guidance!” Xu Xiyan praised.

“Well, I'm just working hard for my family!”

Ma Haodong glanced at Xiao Yuxian and tried to cuddle her. But she sneaked away.

Xu Ziyan was worried about this quarrelsome couple. When could they get married?

“Dong, you have to work harder!”

Xu Xiyan patted him on his shoulder and warned.

“For sure. No worries. Wait for our wedding invitation,” Ma Haodong stated confidently.

Following them came Huang Guoqiang and Qi Liya. They had always been an admirable and affectionate couple.

Xu Xiyan escorted them to their seats, then Mu Chenguang and Wan Dou arrived.

“Sister Jing Xi!”

Wan Dou darted into her arms upon seeing Jing Xi.

God knew how she had missed and worried about her.

“Wan Dou, let me see. Wow, you are even prettier after such a short while. Love is indeed a woman's best friend!” Xu Xiyan smiled.

She held Wan Dou's shoulder and looked at her for a good while.

“Hush, what love? Don't make fun of me!”

Wan Dou and Mu Chenguang had been seeing each other for a while and the chemistry was building up. It might not take long for them to officially become a couple.

Then Fang Xiaocheng and Tang Yichen, as well as Ye Xun, Ni Xue and Huo Sanyan all arrived.

All their friends were here. But it seemed a bit sad as they knew it was a farewell party.

They all wanted to know if Jing Xi would continue pursuing her acting career.

Xu Xiyan's answer was that she would not consider it for the time being. Her focus would be on her family now.

When the gathering came to an end they were all reluctant to say goodbye.

Then Xu Xiyan returned to Shengshi Yujing and went to Room 103 to see little Beibei together with Fang Xiaocheng.

Chapter 1185: Don't Leave

Yi Xiao was left back at home to take care of the baby while Fang Xiaocheng went to the dinner.

“Let me look at my godson!” Xu Xiyan said when she finally saw the baby. “Looks like you've grown a lot since I last saw you!”

“It's all thanks to Yi Xiao,” Fang Xiaocheng said. “If not for him, I really would have no idea how to raise the kid.”

“You're right, we really have to thank him,” Xu Xiyan agreed.

Yi Xiao was laughing awkwardly as he thought that it was all thanks to the kid being very sweet and obedient.

“It'll be hard to meet with you and Ying Bao once you leave,” Fang Xiaocheng suddenly said.

“We have no choice... I don't want to leave Peijing either...”

“Yi Xiao will leave with you too, right?” Fang Xiaocheng asked as she looked at Yi Xiao.

“Yes.” Xu Xiyan nodded, since Yi Xiao was Huo Yunshen's right-hand man.

“I won't know what to do if he really leaves,” Fang Xiaocheng sighed.

Fang Xiaocheng was worried that she would not be able to take care of the kid alone if Yi Xiao really left.

“How 'bout you come to Estan with us?” Xu Xiyan suggested.

“No, I don't want to give you more troubles than you already have.”

Since Fang Xiaocheng insisted on not leaving, Xu Xiyan did not persuade her any further and decided to discuss the matter with Huo Yunshen.

When they went back to Room 101, Xu Xiyan told Huo Yunshen the matter and they both came to an agreement that Yi Xiao could stay behind.

Since Huo Sanyan would be following Ye Xun to Estan, Juxing Entertainment would lose its CEO. They both believed that Yi Xiao was the perfect man for the job.

And so they decided to let Yi Xiao stay behind.

After taking care of everything in Zstan, the family was finally set to leave the country for good.

All of their friends came to say goodbye at the airport.

Ever since Tang Feimo had learned from his parents that Ying Bao would be migrating to Estan, he had been unable to eat for days.

He was worried that Ying Bao would forget about him and find herself a new boy.

“Cherry... I will miss you a lot...” Tang Feimo cried.

“Brother Feimo... Me too...” Ying Bao said as she walked into Tang Feimo's arms and hugged him.

They hugged each other as if they were a couple, not wanting to leave each other.

After they separated from each other, Tang Feimo took the jade necklace from his neck and hung it on Ying Bao's neck.

“This is my treasure,” Tang Feimo said. “It's yours now. you have to take good care of it, okay?”

When Tang Yitan noticed that his son was giving the Tang family's heirloom to Ying Bao, he could only look at Liang Lan with looks of despair.

"I will!" Ying Bao smiled as she looked at the necklace.

Chapter 1186: A Lifetime Promise

"From now on you will think of me everyday. Promise me you'll never forget me, and call me whenever you can, OK?"

"Sure."

"Most importantly, when I'm not around, do remember you cannot hang out with other boys! You have to remember you are only mine!"

"Sure, brother."

"That's not enough. We have to do a pinky swear."

Tang Feimo was so worried that his cute little girl would be stolen from him. He had to make her promise.

"OK."

Ying Bao kept nodding and agreeing to whatever he suggested, more than ready.

The two little ones locked their pinkies and swore, "We'll keep this promise for a hundred years. Whoever breaks it sucks!"

Upon finishing the swear, the little girl drew Tang Feimo closer and placed a firm kiss on his cheek.

In return, Tang Feimo got hold of Ying Bao's little head, and kissed her on both cheeks, then her lips.

Although they had no idea why people should kiss, they followed whatever their parents did.

When one fell in love with another, it meant a lifetime promise to place a kiss upon each other's lips.

"Remember, you can only kiss me from now on. Understand?" Tang Feimo urged once again.

"I know, I know."

The conversion of the little ones amused their parents. Tang Feimo was already acting so dictatorially now. What would he do in the future?

When Ying Bao was gone, Tang Feimo seemed completely absentminded. He kept sighing on their way home.

The couple felt helpless seeing the little boy acting like this.

When being asked why he sighed, he answered, "Daddy and mommy, could you understand my feelings? How can I live without Ying Bao?"

His parents were speechless. "..."

Tang Feimo was so worried that he seemed to have grown up all of a sudden. After a long while, he seemed to have found a solution. "Daddy! Let's move to Estan and be neighbors with Ying Bao again. Shall we?"

Tang Yichen almost passed out upon hearing those words.

My boy, are you assuming it would be as easy as buying groceries to move to another country?

They had already moved for Ying Bao once and that had cost them a lot!

Although they could not do as he wished, Tang Yichen told the boy, "We can always visit Ying Bao in Estan during your summer vacations."

Fine, if that's the only option.

At the airport, Xu Xiyao and her family got pleasantly aboard. But it was not the case for another couple.

Ye Xun dragged Huo Sanyan to the airport and wanted to take her to Estan as well. But Huo Sanyan refused to leave. "You go by yourself. Why do I have to go? I'm happy staying in Peijing, and won't go anywhere."

"You can't stay here. I would be so worried to leave you in Peijing by yourself."

Ye Xun had come to Estan not only to pick up his sister, but also Huo Sanyan. He could not leave her here alone.

But Huo Sanyan saw it as being more dreary to leave with Ye Xun.

This man was a dictator. He wanted a say in whatever she did, and set a lot of restrictions. She longed for freedom.

Huo Sanyan's resistance was not a problem for Ye Xun. He picked up Huo Sanyan, held her by the shoulders and went forward.

She was startled. "Hey, you! Let go of me! Damn you! Let go! I'll call the guards..."

Chapter 1187: Depends On Him

Even though Huo Sanyan refused to leave, she was still carried into the plane by Ye Xun.

Ni Xuelin followed them and found the way her brother was expressing his love to be interesting.

She believed that her brother and Huo Sanyan would become a couple, but everything depended on how Ye Xun chose to proceed.

After a long flight, the plane landed at Estan's Lin City International Airport.

Cars had been prepared to take them to the Yunjing Manor.

“Oh my god! This place is beautiful!” Huo Sanyan exclaimed when they arrived.

“A garden! I love gardens!” Ying Bao shouted happily as she ran in front of the adults.

When they entered the mansion, the others noticed that the decoration was almost the same as their place in Shengshi Yujing.

“Daddy, mummy, where is our crystal door?” Ying Bao asked when she could not find it.

“Oh, baby, this is not Peijing,” Xu Xiyao explained. “There's no crystal door here.”

“Oh, then where will Uncle Treeleaf and Aunty Three Eyes live?”

“I have my own place,” Ye Xun said as he hugged Ying Bao up. “You can come over if you want to.”

“Okay!” Ying Bao smiled. “I hope it's not too far away! It would be better if it's right next to us.”

But Ying Bao's wish would not come true as the manor was a large estate and there were no other houses near them.

But Ye Xun had spent a lot of money and bought a seaside mansion for Huo Sanyan and his sister.

“It's not that far away,” Ye Xun said and turned to Huo Sanyan and Ni Xuelin. “We should head back too. We still have a lot of things to do.”

Ni Xuelin picked her bags up and was ready to leave while Huo Sanyan sat down on the couch.

“You two can leave! I'll be staying here!” Huo Sanyan said, not wanting to live with Ye Xun.

“You know you're going to cause trouble for your little brother, right?” Ye Xun asked.

“So what? What's wrong with staying with my brother? At least it would be better than staying with you!”

“What should we do?” Ye Xun turned to Huo Yunshen and asked. “If you want her to stay here, I'll respect it.”

Huo Sanyan was smiling, thinking that Huo Yunshen would definitely let her stay.

But her happiness did not last as Huo Yunshen scolded, “You! Go back with Ye Xun!”

“What?” Huo Sanyan jumped up from the couch. “You're not letting me stay? Aren't we family?”

“You'll be a hindrance if you stay here!” Huo Yunshen said as he grabbed his wife by her shoulder.

“...”

Chapter 1188: How Could He Do That To Her!?

She was his own sister. How could he always be on Ye Xun's side?

How did Ye Xun buy him over his own sister?

“You heard the boss. Now come with me!”

Ye Xun was excited secretly, but still tried to pretend to be calm.

Huo Sanyan was so reluctant and got hold of Ying Bao to try her luck. “No worries. I promise I won't be in your way. I can stay with my dear nephew as long as you let me stay here.”

She also said to Ying Bao, “Sweetheart, do you want auntie to stay with you?”

Ying Bao was such a smart girl. She had seen uncle Ye's wink earlier on and curled her lips to pretend to be sad.

“Auntie Three-Eyes, I do want you to stay. But I can't! I promised Brother Feimo that I could not sleep with anyone else. So I guess you have to go with Uncle Tree-Leaf. You are adults. You can sleep together.”

“...”

Huo Sanyan almost passed out upon hearing this.

My God! Even my dear niece was bought off!

Since the three of them were not giving her a chance, Huo Sanyan felt so sad and regretful for having come to Estan with them.

It seemed that she had to go with Ye Xun for the time being, and seek out a chance to sneak back to Peijing later.

Ye Xun had bought a seaside villa with a garden and private beach. It was only two or three miles away from Huo Yunshen's place.

Huo Sanyan had no expectations before coming here. But when they arrived she was amazed by the charming villa.

It was classic and delicate, as romantic as her dream home.

Some servants opened the gate and Ye Xun escorted her in. “How do you like it?”

Huo Sanyan indeed liked it. But she refused to admit it. “Not the worst.”

Ye Xun felt relieved. He was already grateful as long as she could come.

When they entered the villa, Ni Xuelin stood behind them and wondered if she was no longer needed here.

With her sister-in-law's presence, she felt like a third wheel now.

She did not like it, and decided to move out once she found a job.

It must be better for her to live by herself, especially when she wanted to see Qi Fang.

She had never told her brother about Qi Fang. She would not dare to.

When they were settled, Huo Yunshen and Xu Xiyan started to look for a kindergarten. Ying Bao needed to continue school here.

They picked a well-known kindergarten downtown and got her registered.

Ying Bao would be back to school in three days.

In Lstan.

The emperor was in his study in the Palace Fillieres on Central Island.

Mo Yutian sat behind his huge quadrant desk and asked, "What is Huo Yunshen up to lately?"

Lei De reported, "We found that after he settled his business in Peijing, Huo Yunshen took his daughter to stay in Estan. He seems to be in touch with the president of Estan."

"I see. Keep watching him."

"Yes. Your Majesty."

"And also, give out my order to heighten our military alert."

Mo Yutian was afraid that Huo Yunshen would come for revenge.

Based on his recent move to Estan and getting in touch with the president, he was probably planning an attack on Lstan to take back Jing Xi!

"Yes, Your Majesty."

Lei De took the order and was about to leave. But Mo Yutian called him back.

"Is there anything else, Your Majesty?"

Chapter 1189: Grab The Kid

"Bring me Huo Yunshen's daughter!" Mo Yutian ordered.

Lei De was stunned by the order, as he thought his master would be satisfied once he got his hands on Jing Xi.

He was worried that Huo Yunshen would do anything to destroy Lstan if they took both his wife and daughter.

"What are you standing there for? Go!" Mo Yutian scolded.

"Yes, sir!"

The reason Mo Yutian wanted to bring Ying Bao to Lstan was so that he could give Xu Xiyan more reasons to stay.

Before Ying Bao started going to her new school, Ye Xun and Huo Sanyan brought her to Lin City's Zoo to play.

Since the zoo was crowded, Ye Xun let Ying Bao sit on his shoulder so that he wouldn't lose sight of her.

They played for the whole morning until they were tired. Huo Sanyan was a little thirsty, and Ye Xun went to get her something to drink.

"What do you want?" Ye Xun asked Ying Bao.

"Boba!"

"Okay. Wait here, I'll be right back," Ye Xun said and took off.

Huo Sanyan and Ying Bao waited on the bench for Ye Xun to come back.

"Hey, Ying Bao, do you want to go to the bathroom?" Huo Sanyan asked, as the bathroom was just a few meters away from them.

"No."

"Then do you want to come with me?"

"No, I can wait here," Ying Bao said, focusing on her portable gaming console.

"All right then," Huo Sanyan said. "Then wait for me here, okay? I'll be right back. Don't leave on your own."

"I get it," Ying Bao said without raising her head. "No man will want you if you keep on nagging like this all the time."

"..." Huo Sanyan was utterly beaten by the little girl and had nothing to bite back with.

When Huo Sanyan returned from the bathroom, she was shocked when she could not find Ying Bao on the bench.

The only thing that was left on the bench was her gaming console.

Huo Sanyan had just left for two minutes, and the kid was gone.

She could feel the pain in her heart and the fear in her head.

Her niece was missing, and she had no idea what to do.

"Ying Bao!" Huo Sanyan shouted and began to search near the bench, thinking that Ying Bao might've wandered off somewhere near.

When Huo Sanyan was looking around, Ye Xun came back with the drinks and noticed Huo Sanyan was really flustered.

“Sanyan? What's wrong? Where's Ying Bao?” Ye Xun asked, as he could hear Huo Sanyan calling Ying Bao's name.

“Ye Xun! I can't find Ying Bao!” Huo Sanyan said, tears in her eyes.

“What? Slow down!”

“She was sitting here playing her game when I went to the bathroom,” Huo Sanyan explained, her heart beating really fast. “I told her to wait here, but she was gone when I came back. What should I do? She's everything to Yunshen...”

Chapter 1190: Pure Luck

Getting no response from Ye Xun, Huo Sanyan kept swinging his arm and rushed him.

“Ye Xu! Mr. Ye! Master Ye! ... Do something! Do something, please...”

“What else can we do!? Let's go looking for her separately!”

Ye Xu threw away the drinks and left Huo Sanyan in search of Ying Bao separately.

He ran to the service center to broadcast for Ying Bao.

The broadcast repeated while Ye Xun and Huo Sanyan searched for the kid desperately.

On the other side of the zoo, several men disguised as cleaning staff kidnapped Ying Bao and hid her inside a huge blue trash bin. They were about to sneak her out of the zoo.

“We are purely lucky! We got her with no effort!” the driver said excitedly.

“Indeed. When we finish this task, we are definitely getting a promotion!” the man sitting next to him added, while the rest in the back smiled in satisfaction and fancied their promotion.

They thought they had succeeded and accelerated to take the kid to the wharf.

But they were unexpectedly stopped and encircled by a few cars on their way to the wharf.

“What's going on?”

The driver asked around while everyone else looked at him no less confused.

Then they saw a slim young figure getting out of the car in front of them. He was merely sixteen or seventeen, but seemed aristocratic and determined.

He waved for his retainers to get out of the cars and immediately encircled the people in the vehicle.

The door was pulled open, and the people in the vehicle were dragged out before they could take out their guns to counter.

They took them down at lightning speed.

The vehicle was stopped, and they found the kid inside the trash bin.

“Your Highness, here she is.” the butler reported to the young man.

The slim young man came over and saw a little girl huddled in the dead twigs and leaves.

“Your Highness, shall we bring her back to Northland?” the butler asked.

“No.”

The young man refused without hesitation. He picked up the girl from the dead twigs and leaves, held her in his arms and helped her clean her hair.

His clear and chill gaze fell upon her little face, while his lips slightly curled up.

She was as cute and warm as he had seen in the live streaming.

She was the first ray of sunshine in his life. How he wished he could take her back to Northland. But if he did so, how would he be different from the kidnappers?

“So what shall we do now?” the butler asked again.

“Head back.”

Upon giving the order, the young man got the girl into the car and they headed back to the zoo.

On their bumpy way back Ying Bao was gradually awakened and saw a young stranger in front of her eyes.

“Hi, you.”

The young man saw her awake and spoke gently.

Ying Bao tried to get up from his arms and looked around in panic. But upon a second look at this young man, she found that he did not seem to be a bad guy.

Ying Bao thought it was him who had her kidnapped, and asked, “Uncle, why did you take me away?”

The young man was stunned.

This little girl saw him as an uncle. Did he look that old?

He was merely 12 years older than her.

But for a four or five-year-old, he was indeed an uncle generation, not to mention he always seemed older than he was.
