

Priceless Baby 1191

Chapter 1191: Careless

"I'm here to save you," the teen explained. "I'm going to take you back to your family now."

"Okay! Thank you," Ying Bao smiled, showing the dimples on her face.

"Cherry Baby, can I have your autograph?" the teen asked.

Is he my fan? Ying Bao asked herself.

The teen wasn't in any way scary to the little girl. On the contrary, she thought that he was friendly.

"I don't know how to write my name yet," Ying Bao said. "Can I draw you a picture instead?"

"Of course," the teen smiled and gave Ying Bao a pen and his notebook.

Ying Bao drew something on the notebook and gave it back to the teen.

"Here, it's done."

The teen looked at the drawing, it was a cute girl with two cherries at the bottom.

"Thank you, it's pretty," the teen said while rubbing Ying Bao's head.

After a few minutes, they arrived at the zoo. The teen remained in the car while he asked his butler to take Ying Bao to her family.

"Thank you, uncle," Ying Bao turned and said while waving her hand.

"Goodbye." The teen smiled back as he watched Ying Bao leave.

Ye Xun and Huo Sanyan had looked everywhere, but they still could not find Ying Bao.

After the zoo's management was informed that a kid was missing, they had been putting extra security at the gates to make sure no child left with strangers.

The management had also been broadcasting about a missing kid, but no report had come in.

"What should we do now?" Ye Xun asked himself, wondering what to tell Huo Yunshen about the situation.

"What now?" Huo Sanyan asked while she broke down. "She must've been abducted. How could I be so careless? I shouldn't have left her alone..."

Just as they were about to contact Huo Yunshen and JS, they suddenly got a call from the management office.

The moment Ye Xun hung up the call, he grabbed Huo Sanyan by her hand and ran towards the management office.

"Hurry up!" Ye Xun said. "They found her."

They ran as fast as they could to the office and found a kid sitting in it.

The kid was Ying Bao, the girl they'd been searching for.

"Ying Bao!" both of them shouted.

Ying Bao heard Ye Xun's voice and jumped down from the chair, running into Ye Xun's arms.

"Where have you been? We were so worried!" Ye Xun asked as tears rolled down his cheeks.

Ying Bao was like a daughter to Ye Xun, losing her was traumatizing for him.

Huo Sanyan was also equally worried as the strength left her legs and she sat down on the floor.

"Someone took me when I was playing," Ying Bao said. "They took me away in a trash bin."

"What? Then how did you come back?" Ye Xun asked as a chill ran down his spine.

"An uncle saved me and brought me back."

"What uncle? What's his name?"

Chapter 1192: You Little Face-Judger!

He had saved Ying Bao and sent her back. Ye Xun felt like he would do anything for this man.

Ying Bao shook her head and said, "No idea. I only know the uncle is so good-looking!"

Ye Xun: "..."

Huo Sanyan: "..."

You little face-judger!

Since she was back, the two of them were finally relieved and decided to bring her home.

On their way back Ye Xun warned her again and again. "From now on, whoever in charge of the kid can never let her get out of our sight! Not even for one second!"

Huo Sanyan had learned her lesson and nodded obediently, "I know."

"That's it. We will not tell your mommy and daddy when we are back, OK? We don't want them to worry," Ye Xun reminded Ying Bao.

"I see, Uncle Tree-Leaf. I won't tell."

Recalling having been kidnapped several times, Ying Bao asked, "Uncle Tree-Leaf, do you know why the bad guys always want to take me away?"

Ye Xun turned to her and answered seriously, "Because you're worth a lot of money!"

“How much am I worth?” Ying Bao asked seriously.

“Hmmm, my girl, you're worth a lot, you know? Even a wisp of your hair is worth a lot.”

Ye Xun wanted her to know that she was priceless.

“Seriously?” Ying Bao got hold of her pigtail and asked, “Then can I trade it for lollipops next time?”

How naive! Ye Xun smiled back, “Whatever you want, just tell daddy and daddy will get it for you. Never trade your hair, OK? You'll no longer look pretty if you pull yourself bald!”

“Ok, Ok!” Ying Bao answered.

They got home safe and sound. Xu Xiyan tried to invite them for dinner. But Ye Xun and Huo Sanyan excused themselves tacitly.

They left in a hurry after bidding goodbye. Because they were afraid to be punished by the boss for what had happened today.

Ying Bao also kept her promise and did not tell her parents about the kidnapping. They had their dinner and went to bed soon after.

On the following day, Huo Yunshen and Xu Xiyan took her to the school.

The little girl was dressed in a bright red and green plaid suit with a brand new schoolbag. She looked gorgeous in the British style outfit.

Seeing her mother always disguised as a good-looking uncle, Ying Bao asked, “Mommy, why do you pretend to be a boy every day?”

Xu Xiyan equated and told her seriously, “Because there are bad guys who want to take mommy away. Mommy has to dress like this in order to hide from them. You know, my darling, you can also call me Uncle.”

“I see, mommy. They will never know my mommy is a magician. She can be either a girl or a boy.”

Xu Xiyan was flattered by her daughter.

Ying Bao recalled her own situation and asked, “Mommy, can you make me into a boy too?”

“Why do you want to dress like a boy?” Xu Xiyan asked.

“So that no one can recognize me and no bad uncles could take me away!”

Xu Xiyan pinched her cheek and said, “No worries. With Uncle Tree-Leaf and Auntie Three-Eyes around, no one could take you away.”

“But I was yesterday!”

Ying Bao had promised not to tell yesterday. But she could not help telling it now.

“What? Who took you away?”

Xu Xiyan felt a twinge in her heart upon hearing this.

Chapter 1193: Connecting Bridges For Her

“A bad uncle!” Ying Bao said. “But another handsome uncle saved me after that!”

“What kind of handsome uncle?” Xu Xiyan asked, unable to understand the situation as Ye Xun and Huo Sanyan had not mentioned it.

“He's very young and very good looking. He has eyes like mummy's ring!”

Ying Bao was trying to say that the uncle's eyes were as bright as jewels.

“Then do you know who he is?”

“No,” Ying Bao replied, as she had forgotten to ask the teen's name.

“All right, it's almost time. Let's go,” Xu Xiyan said, stopping the conversation as she did not find anything informative.

“Daddy!” Ying Bao shouted as she turned towards the stairs.

Huo Yunshen came down from the stairs and opened his arms for Ying Bao.

“Come on, let's go!” Huo Yunshen smiled.

“Okay!”

Ying Bao followed her parents to her new school and went into it with them.

None of them noticed that a luxurious car was waiting near the gate, with a pair of eyes inside looking at them.

The eyes belonged to the teen who had saved Ying Bao.

“My prince, shall we go back now?” a man in a blue suit sitting in the car with the teen asked.

“When does her class end?”

“4 p.m.”

“Then we'll come back around four.”

“Yes, my prince.”

Not long after the car left, Huo Yunshen and Xu Xiyan came out from the pre-school.

They were talking about how decent the school was and that it was a good place for Ying Bao to study.

They went straight to the hospital to meet with Gu Yici for Huo Yunshen's therapy session.

With the pass given by Helian Qingyu, they went into the military hospital with ease.

When they were waiting for Gu Yici to finish with his patient, Xu Xiyan got a call from an unknown number.

The call was from Ouyang Feifei, the girl that Xu Xiyan had gotten into an accident with.

Ouyang Feifei asked Xu Xiyan if she was free and said that she wanted to talk about something.

Upon mentioning Ouyang Feifei, Xu Xiyan couldn't help but think that she was an angel sent to help connect bridges for her.

Xu Xiyan did not recognize Ouyang Feifei when she first met her, but after looking her up online, Xu Xiyan finally realized that she was Estan's Secretary of State's daughter.

What Xu Xiyan was excited about was not who Ouyang Feifei was, but who her mother was. Ouyang Feifei was also Ren Meixin's daughter, the current president of the Lancha Society. Xu Xiyan was eager to meet with her to talk about Lady White Tea.

With that in mind, Xu Xiyan accepted Ouyang Feifei's invitation.

Chapter 1194: He Looked Weird

When Huo Yunshen's treatment was finished, Xu Xiyan told him, "Honey, I have an appointment. Can you go home by yourself?"

That "honey" threw Gu Yici over the moon. He could not stop laughing and complained, "Can you stop calling him honey while you're dressed like this?"

Xu Xiyan realized that it was indeed weird because she was dressed up like a man.

But her own husband was fine with it. Why should she care about what he thought?

Huo Yunshen did not find it weird. He cuddled her and asked, "What appointment? A man or a woman?"

"A woman, a woman."

Xu Xiyan explained to leave him a peaceful mind.

"A woman?"

Huo Yunshen stared at her handsome face and felt somewhat worried. "What if she falls in love with you?"

"Puff..."

Xu Xiyan could no longer control herself. "What are you talking about? I bumped into her car last time. It's to settle the claims."

Huo Yunshen finally felt relieved and handed her his black card. "Here, take it."

Xu Xiyan did not refuse it, and placed a firm kiss on his face. "Off I go. See you tonight."

"OK."

Seeing his wife gone, he felt that someone was holding his arm. It was Gu Yici.

He was still laughing. "Mr. Huo, what are you thinking about? Why does she have to dress up like a man? Are you fine with her being such a hot boy now? You know there are gays everywhere in Estan. You'd better be careful."

Huo Yunshen frowned and warned, "Get your hand away from me!"

He would rather believe that Gu Yici himself was gay.

He always looked weird, especially whenever he touched him.

"Hey, are you thinking I'm gay?"

Gu Yici pulled back his hand and laughed awkwardly.

Huo Yunshen did not comment on that and said, "If we're done, I'm leaving now."

It was time to close. Gu Yici got hold of his coat and keys, and followed Huo Yunshen out of the office. "Mr. Huo, why in such a hurry..."

Xu Xiyan arrived at the Sunshine Coast Club on time.

She parked and saw Ouyang Feifei hurrying toward the door of the cafe, when two men in black came and blocked her way.

"Miss Ouyang, our Master Chen wants a word with you."

Ouyang Feifei answered coldly, "Sorry. Tell your master that I'm busy."

"Miss Ouyang, it's your honor our Master Chen likes you. You should appreciate it."

They tried to threaten her.

Ouyang Feifei crossed her arms and laughed, "So what? What will he do if I'm not coming?"

"Then our apologies for being rude."

Upon uttering these words they came for Ouyang Feifei.

When his hand was about to reach Ouyang Feifei's arm, the man was kicked away by an unexpected force, thrown down the stairs and pounded on the road.

The other was surprised to see a young man interfering and came to attack him.

The young man grabbed his wrist and gave it a twist. With a crack the man's arm was broken and he was also thrown down the stairs to lie side by side with his partner.

Ouyang Feifei was surprised yet excited to see that the courageous young man was Jun Yan. "Thank you indeed, Mr. Jun!"

Chapter 1195: Ruining His Plan

"No worries!" Xu Xiyan replied.

"You! Do you think you can just walk away like this?" one of the men scolded and pointed at Xu Xiyan. "We work for Young Master Chen! He'll never forgive you for what you did to us!"

"So what? You guys are threatening a young lady in broad daylight, you're no different than a robber! I don't even care who this "Chen" is, but he still has to follow Estan's laws, doesn't he?"

Just as Xu Xiyan finished what she was saying, a group of people in black suits arrived with a man that looked noble in the middle of them.

The man was around his 30's and, from his look, he was not a person that ordinary people would want to deal with.

"Young Master!" the men shouted.

"And who's here ruining my plan?" Chen asked.

Ouyang Feifei quickly ran and hid behind Xu Xiyan.

"Who is he?" Xu Xiyan asked in a small voice. "How can he be so arrogant?"

"He's Helian Chen, son to Helian Xiang, Estan's Minister of Finance," Ouyang Feifei explained. "Which means he's also the President's nephew."

Ouyang Feifei had met Helian Chen once by chance and now Helian Chen was trying to make her his girlfriend but was refused.

Xu Xiyan understood instantly that Helian Chen was trying to force Ouyang Feifei by using his background.

"It's him!" one of the men shouted as he pointed at Xu Xiyan. "He's the one who beat us!"

"Beat you?" Xu Xiyan smirked and turned to Helian Chen. "With all due respect, I'm just teaching your men to abide by the law."

"And who gave you the permission to punish my dogs?" Helian Chen scolded. "How dare you touch my men!"

Helian Chen turned to Ouyang Feifei and continued, "Feifei, is this the type of man you like? He's so girly! You dare refuse me and go with him instead?"

"His name is Jun Yan, and he's a hundred times better than you!" Ouyang Feifei bit back.

"Oh, really?" Helian Chen smirked and ordered his men. "Get that bastard and teach him a lesson!"

Arrogant Chen was trying to raise his rank by marrying Ouyang Feifei, but he did not expect that a man would stand in his way.

Ouyang Feifei screamed as dozen men rushed towards Xu Xiyan.

But Xu Xiyan did not stand still and do nothing. She took down the bodyguards in almost an instant.

Xu Xiyan was the only person who remained standing in the fight.

"Anyone else? Come on!" Xu Xiyan shouted as she cracked her knuckles.

Helian Chen's face darkened instantly as he could not believe that the man he had called girly took down all his bodyguards without breaking a sweat.

"I'll remember this!" Helian Chen roared. "You better hope we never cross paths again!"

Chapter 1196: Mastering the Opportunity

"Let's go!" He led his men away.

When Helian Chen and his men left, Ouyang Feifei came out and asked with deep concern, "Mr. Jun, are you OK?"

"I'm fine."

"Your hand is bleeding."

Ouyang Feifei saw the cut on Jun Yan's hand and cried, "Let me take you to the hospital!"

"No need."

Xu Xiyan would only need a bandage over the cut. She hid her hand behind and did not want to blow her disguise.

"No way! It's bleeding. It'll be worse if it gets infected."

Ouyang Feifei saw the cut as a huge wound. It could be life-threatening.

Last time she had a tiny cut on her finger, her mother forced her to stay in the hospital for a week!

Xu Xiyan found the prissy Ouyang Feifei somewhat cute. Her father was the Secretary of State. But she was not putting on any airs.

"I'll take care of it."

In order to stop her from further crying, Xu Xiyan went to the car and put a bandage over the cut. "Now we are fine. No more bleeding."

"Good, good."

Ouyang Feifei was relieved. She was obsessed with him. How courageous and handsome he was when he defeated those people just now.

After the episode, Xu Xiyan said, "Now, Miss Ouyang, aren't we here for the claim?"

"Oh, there's no need to hurry about that. You just saved my life. Let me buy you lunch!"

"Er..."

Leaving him no time for hesitation, Ouyang Feifei pushed him toward the car. "That's your car, right? Get in! You got hurt. I'll drive."

Xu Xiyan was speechless. It was just a minor cut.

Ouyang Feifei had already sat in the driver's seat. So Xu Xiyan had to sit next to her. Seeing her starting the car, she asked, "Miss Ouyang, where are we going now?"

"You'll know when we get there."

The young lady drove pretty well. She raced back to the Guangming Residence of the Secretary of State.

Xu Xiyan was shocked upon the sight of the dazzling golden title of "Guangming Residence." Did she just take me home?

They parked outside. Xu Xiyan looked at the grand mansion and asked, "Miss Ouyang, this is your home, right? Why did you bring me here?"

"You saved my life. I have to take you home and let my dad and mom show some appreciation!"

"There's no need. It was indeed no big deal."

Er... but how did she save my life?

But since Ouyang Feifei already took her home, she could take the opportunity to meet Lady Camellia.

Ouyang Feifei got out of the car and entered the mansion, and so did Xu Xiyan.

Xu Xiyan took a closer look at the mansion along their way to the main hall. A middle-aged man and a charming woman were sitting on a European style couch.

Since the middle-aged man was Ouyang Qing, the Secretary of State, the woman by his side must be his wife Ren Meixin, namely Lady Camellia.

"Dad, mom, I'm back."

They turned to them upon hearing her voice.

Ren Meixin beckoned her daughter to come closer and asked, "Feifei, is everything settled? Do you need mom to have someone take care of it?"

Ren Meixin obviously loved her daughter dearly and spoiled her.

Chapter 1197: Courting

Ouyang Feifei sat beside her mother and smiled. "Don't worry, I've taken care of it. Oh, did you know that Helian Chen came to harass me today again?"

"Again?" Ren Meixin frowned and turned to her husband. "Hey, can't you think of something to handle this situation? He might even start harassing your position one day."

"Indeed, he's gone too far this time!" Ouyang Qing scolded.

Ouyang Qing understood that Helian Chen and his father, Helian Xiong, were trying to increase their ranks in the government by marrying Ouyang Feifei, and that was why Ouyang Qing had been rejecting the proposal.

"Are you all right?" Ouyang Qing asked his daughter.

"I am. Luckily, Mr. Jun came to save me," Ouyang Feifei explained.

"Mr. what?" both Ouyang Qing and Ren Meixin asked.

"Mr. Jun Yan, he's over there," Ouyang Feifei said as she pointed at Xu Xiyan, who was standing at the door. "He risked his life to save me, and he even got hurt while doing that. You better thank him for saving your precious daughter."

Ouyang Qing and Ren Meixin turned their heads and saw a young man standing at the door.

"Mr. Jun, please," Ouyang Qing invited.

"Oh my! Is your hand all right?" Ren Meixin asked when she saw the band-aid on Xu Xiyan's hand. "Do you need to go to the hospital?"

"Thank you for your concerns, but I'll be fine," Xu Xiyan said with a smile.

Xu Xiyan realized that Ouyang Feifei and her mother were not people that would like to put up acts in front of people, and they both had personalities that Xu Xiyan did not hate.

She began to think that her idea of Ren Meixin being Lady White Tea was wrong, as Ren Meixin did not look like the person who would separate her and her brother.

But Xu Xiyan might be wrong, and she still had to look further into Ren Minxin.

Because Xu Xiyan had saved their precious daughter, both Ouyang Qing and Ren Meixin were extra friendly towards Xu Xiyan. They even told her that if she was in any trouble, she was free to contact them for help.

In the midst of their conversation, Xu Xiyan brought up the topic on Ren Minxin's Lancha Society, asking about the requirements for joining it. Ren Meixin explained that the requirements weren't high, as long as the member was a woman who felt like giving back to the society and had a decent amount of money.

From the requirements, an idea suddenly came to Xu Xiyan's mind. She believed that she could get into the society as Jing Xi.

The only problem was that she was posing as Jun Yan at that moment.

She noticed that the Jun Yan she was playing had left an excellent impression on Ouyang Feifei. Since Ouyang Feifei had taken a liking to the fake her, Xu Xiyan thought of continuing the relationship, which in the end might benefit the real Jun Yan.

Since that was how Ye Xun was able to have a relationship with Huo Sanyan too.

The only thing that worried Xu Xiyan was that Huo Yunshen might get jealous.

After Huo Yunshen had finished his therapy, he was about to leave the hospital when Gu Yici invited him over to a bar.

Huo Yunshen rejected at first, but when Gu Yici told him that Helian Qingyu was waiting for him there and that he wanted to discuss something he was in the midst of, Huo Yunshen decided to go.

Chapter 1198: As Long As He Could Pull Himself Together

In Mingjue Pub, they opened the door to the private room and were immediately overwhelmed by the smell of liquor.

Empty bottles were scattered on the table, and a person was lying pickled on the couch. His collar was loosened, his hair tangled and his beard unkempt.

It was completely unlike the self-disciplined Helian Qingyu.

“Hey, Qingyu, why are you so drunk again?”

Gu Yici came to him and snatched the liquor and glass.

Helian Qingyu tried to get up for his liquor. “Give me my liquor... I want one more...”

“Look at yourself! Where is our general? If the enemy attacked Estant right now, how could you lead your army to defend the country? Listen to me! No more liquor! Time to wake up!”

Gu Yici murmured like an old maid and tried to pull him up.

“Gu Yici! I order you to hand me the liquor!”

Helian Qingyu yelled and burped. How drunk he was.

Gu Yici ignored his request, found a clean glass and poured some for Huo Yunshen. “Bro, take a seat.”

Huo Yunshen sat down by Helian Qingyu. Sensing the sinking on the couch, Helian Qingyu turned to realize that Huo Yunshen was there.

“Bro!”

The drunkard placed his hand on his shoulder and asked, “When did you come? Perfect timing. Let's drink together.”

Huo Yunshen turned to shoot a glance at him. “I didn't come here for liquor. I came for business. But do you look like you can talk business?”

“No... no business. I'm not in the mood.”

Upon saying so Helian Qingyu lay back into the couch and closed his eyes.

Ever since Li Ruochu went missing, Helian Qingyu had been mentally broken. He was extremely depressed and could only indulge himself in liquor.

“You are acting like this just because of Li Ruochu?”

Huo Yunshen knew he was trapped in love. He took a sip and asked him deliberately.

Helian Qingyu reopened his eyes and sat up to his own defense. “How couldn't I? You are not me. You have no idea how important she is to me.”

“Since she is so important, why did you do nothing but hurting her when she was around?”

“...”

Helian Qingyu could not even think of one argument.

Now that she was gone, he had the chance to see through his feelings, and started to feel regret.

But what's the point now?

He had no idea where Li Ruochu was hiding. He had searched throughout Estan but found no clues at all.

But Huo Yunshen did. It was he and Jing Xi who had helped her get away.

In Huo Yunshen's opinion, the main reason for Li Ruochu's running away was Helian Qingyu himself.

If only he had been slightly nicer to her, how could she have run away?

Right now he had better reflect on himself. Otherwise, even if Li Ruochu would come back he could never win her heart again.

After two rounds Huo Yunshen was about to leave. Before he stepped out of the room, he said, “Should you still want to find Li Ruochu, help pull yourself together. If you keep giving up on yourself, I can't help you any longer.”

“...”

Hearing his words, Helian Qingyu was immediately half awakened.

What did Huo Yunshen mean?

Was he saying that as long as he could pull himself together, he would help him find her?

For sure! His JS forces were all over the world, and they could definitely find people. He should seek out Huo Yunshen's help!

Thinking of that Helian Qingyu got up right away and begged, "Bro, wait for me..."

Chapter 1199: Hitting On Girls

Gu Yici shook his head as Helian Qingyu hurried after Huo Yunshen as he left.

Helian Qingyu was the type of person that only followed his own agendas and beliefs, he never listened to other people except for Huo Yunshen.

It only made Gu Yici understand how influential Huo Yunshen was.

He thought of Huo Yunshen's handsome face and perfect body, and then he slumped.

I would've hit on him if he wasn't married...

After leaving the bar, Helian Qingyu, who was completely drunk, ran after Huo Yunshen.

"Looks like you aren't fit to go to the border today," Huo Yunshen said.

"Of course... of course I can..." Helian Qingyu replied as he shifted his body to one side. If Huo Yunshen had not held him up, he would've fallen and hit his head.

"Don't force yourself. Lend me your badge," Huo Yunshen requested.

"Sure. Here," Helian Qingyu replied and gave Huo Yunshen his badge without any hesitation.

The badge that Helian Qingyu held, shaped like a tiger, represented the highest order in the military and had complete control over them.

It was an essential item that never left Helian Qingyu's side, and yet he just gave it to Huo Yunshen without batting an eyelid.

It had shown just how much Helian Qingyu trusted Huo Yunshen.

"Send him home," Huo Yunshen turned to Helian Qingyu's guards and said with the badge in his hand.

Yet the guards were stunned as they had never received orders other than from their own general.

"What are you doing? Did you not hear him?" Helian Qingyu scolded. "Send me back!"

The guards were intimidated and quickly rushed over to help Helian Qingyu to his car.

"I'll take my leave now," Helian Qingyu said to Huo Yunshen. "Let's meet up tomorrow."

Huo Yunshen smiled and shook his head as he watched Helian Qingyu leave.

When Helian Qingyu's car was finally out of sight, Huo Yunshen got into his vehicle and left too.

He called Xu Xiyan and asked where she was so that he could pick her up.

Xu Xiyan told him that she was in the Guangming Residence, which Huo Yunshen remembered was the mansion that the Secretary of State resided in.

He wondered why his wife was there as he drove towards the mansion.

When he reached the mansion, he was greeted with two girls at the gate.

One was his wife disguised as Jun Yan, while the other was a stranger to him.

He recalled that Xu Xiyan had mentioned that she left to discuss the accident, and wondered if the other girl was the other party in it.

Xu Xiyan, as Jun Yan, was talking with Ouyang Feifei as the latter invited Xu Xiyan over when she had the time.

Huo Yunshen looked, as his wife was quite close with Ouyang Feifei, and it felt weird.

He wondered if his wife was hitting on other girls again.

"Here's my ride," Xu Xiyan said. "Thank you for today."

"The pleasure was mine. Can we meet again when you're free?" Ouyang Feifei asked.

Chapter 1200: Jealous Because of a Girl

Ouyang Feifei asked eagerly.

"Sure."

Xu Xiyan answered when Huo Yunshen pulled over right in front of her. She opened the door, got into the car and waved to Ouyang Feifei.

On their way back, Huo Yunshen was holding the wheel and looking straight forward while he asked, "Who was that girl?"

"Ouyang Feifei, daughter of Ouyang Qing, the Secretary of State. It was her car I bumped into last time."

Xu Xiyan hid nothing from him.

"It seems she really likes you."

Huo Yunshen sounded weird when saying so.

Xu Xiyan was surprised. How could her husband be jealous because of a girl?

"How could that be possible! Even if she liked me, it was my disguise that she liked."

"What if she really likes you?"

Huo Yunshen got hold of her hand and seemed worried.

“Then I'll ask my Eldest Brother to take care of her.”

Xu Xiyan stated it as if it was as simple as eating or drinking.

If only Jun Yan was aware of this, he could have tried to kill her.

Huo Yunshen said nothing further. Xu Xiyan realized that they were not heading home to Yunjing Villa.

“Honey, where are we going?”

“A place.”

Huo Yunshen did not tell but simply continued driving.

They reached the northwestern border of Estan. It was intensively guarded by national defense.

They pulled over.

There was nothing but vast snowfields on the other side.

It was said to be the site of the Dragon Kingdom that had vanished a few decades ago.

The relics were right there under the thick snow. People said the Dragon Kingdom had been covered by snow since the devastating war. The snowfields and glacier had never melted ever since.

It was warm inside the car, but chilly outside in the roaring wind.

Huo Yunshen did not take her outside, but waited in the car.

Xu Xiyan looked at the vast white outside and asked curiously, “Honey, what are we doing here across the border?”

“Finding someone.”

“Is there anyone out there?”

Xu Xiyan doubted it. There was not even a bird out there in the snowfields. How could there be any human beings?”

“Yes.” Huo Yunshen was certain. He took a look and said, “There they are.”

Following Huo Yunshen's direction Xu Xiyan saw another military jeep pulling over next to them.

There came her Eldest and Second Brother.

Seeing her Eldest Brother, Xu Xiyan tried to cover her face immediately. If he saw her disguised as him, she would be doomed.

Unfortunately, Jun Yan and Ye Xun were already knocking on their window before Xu Xiyan could get rid of her make up.

Huo Yunshen opened the window and Jun Yan reported, “Boss, everything is ready. We can set off at any time.”

“Good.”

Huo Yunshen glanced at the clock and nodded. “We are leaving in 10 minutes.”

“Yes.”

Jun Yan took the order and happened to see someone identical to him sitting next to his boss. He was shocked. “Boss, that man...”

Xu Xiyan knew she could never escape hence she greeted him right away, “Ha, Eldest Brother!”

“Hm?”

Jun Yan recognized the voice and wondered, “Why are you pretending to be me, Little Xi?”

Ye Xun came from behind and patted Jun Yan on his shoulder. He sounded well experienced. “Eldest Brother, as far as I know you are going to have a girlfriend soon.”

Jun Yan: “...”

Xu Xiyan: “...”

Huo Yunshen: “...”
