

## Priceless Baby 1331

### Chapter 1331: The Outcome

“Okay,” Jing Xi replied, pushing Su Wanqin out of the apartment.

Huo Yunshen and Mo Yutian were the only two left in the room.

They used to be enemies, but now, it was as if fate had made a joke out of them.

Huo Yunshen circled around Mo Yutian to make sure that he wasn't pretending to be crazy.

But nothing Mo Yutian did showed any signs of acting.

Huo Yunshen suddenly grabbed Mo Yutian by his collar and picked him up.

“Stop acting! Do you think you can run away from what you've done by acting stupid?” Huo Yunshen scolded. “You should take responsibility for what you've done! For the people you've harmed and killed! If you think that I'm forgiving you by not killing you, then you're wrong! If I did that, then I'd be no better than Mo Xie! I'll let you live in the pain and regret that will fill you for the rest of your life! But let me warn you of this: if you ever think of harming another human being, I'll end you myself!”

Huo Yunshen threw Mo Yutian back to the floor.

Everything had finally ended. The war between Huo Yunshen and Mo Yutian had finally come to a close.

Huo Yunshen, who represented justice, won, while Mo Yutian, who served evil, lost everything.

Being locked inside the apartment was not much different from being in jail.

Huo Yunshen was dead silent on his way back home.

“Hey, cheer up,” Jing Xi comforted. “Look on the bright side, you finally found your long lost mother and brother. That's something to celebrate, right? At least your family is still alive.”

“I know...” Huo Yunshen sighed. “It's just that I still can't believe this is all happening. I'm not dreaming, right?”

It felt almost too good to be true for Huo Yunshen to find his mother and brother in the war.

“No, this is all real. Want me to prove it?”

Jing Xi bent forward and bit Huo Yunshen on his lip.

“Can you feel the pain?” Jing Xi asked.

“Not enough.”

Huo Yunshen pulled Jing Xi's face forward and kissed her.

The kiss did not end until they were back at the manor. Huo Yunshen lifted his wife up and headed back into their home.

“Hey, I can walk on my own!”

“No! You always do things so rashly! You even ran just now! If I don't do this, you are prone to do something like that again!”

Huo Yunshen put Jing Xi down on the couch and he lay by her belly, listening to the babies inside her.

“How long do we still have to wait to meet them?”

“Three more months.”

“That's good. Luckily I can be there this time,” Huo Yunshen said as he kissed Jing Xi on her forehead.

“What do you want to eat tonight? I'll cook.”

Chapter 1332: Let Him Rest

“Let me do it. You just got up,” Xu Xiyan said, worried that Huo Yunshen's body could not take it since he just woke up.

She wanted him to have more rest.

“I've had enough sleep. I'll do it. You are the one who needs the rest. Just stay here and play some games or watch some TV. You have to take care of your body for our sons.”

“How are you so sure that the twins are boys? What if they are girls?”

“There's nothing bad about that. I'll have three daughters then.”

Huo Yunshen smiled and went to the kitchen.

But when he got up, everything in front of him went black for a moment. It was just an instant, and his eyesight recovered right away.

Huo Yunshen did not pay attention to it because he thought that he'd gotten up from the couch too fast.

While Huo Yunshen was preparing dinner in the kitchen and Xu Xiyan was waiting in the living room, Ying Bao came back from school.

“Mommy!” Ying Bao greeted.

“Welcome back,” Xu Xiyan smiled.

“Yes! Today was tiring at school,” Ying Bao said as she threw the bag onto the couch and lay on her mother's lap.

“Why's that?”

“We practiced badminton today. Guess how many I got today?”

“Two?” Xu Xiyan guessed.

"Of course not!" Ying Bao pouted. "28!"

"Wow! That's great!" Xu Xiyan said as she hugged the little girl.

"Are my brothers behaving today?" Ying Bao asked.

"Yup, they are."

"Then I'll give them the lollipop I got!"

Ying Bao took out the lollipops she had asked Ye Xun to get for her and showed them to her mother.

"You have them. Your brothers are still small, so they can't eat them yet."

"Then I'll give it to daddy," Ying Bao said as she slid down from her mother's lap and was about to run upstairs.

"Hey, your daddy is not up there. He's in the kitchen," Xu Xiyan said.

"In the kitchen? Did daddy wake up?"

"Why don't you go look for yourself?"

Upon hearing that, Ying Bao quickly ran to the kitchen and saw her daddy in an apron.

"Daddy!" Ying Bao shouted.

Huo Yunshen stopped what he was doing and looked at the little girl.

Ying Bao ran towards her father and into his arms.

"Daddy! You're finally awake! I was about to shout through a loudspeaker through your ears."

"Of course," Huo Yunshen laughed. "You were always calling out to me. That's why I had to wake up."

"Yay!"

"Go out and wait with your mother. Dinner's almost done."

"Okay! I'll call Brother Feimo first!"

And the little kid ran out of the kitchen.

Tang Feimo returned to his home with his head down. He threw his bag to one side and lay down on the couch.

He sighed, as it was another day without any news of Ying Bao.

Chapter 1333: Regret

Tang Feimo missed Ying Bao so much that he almost asked his parents to get him on a plane to Estan.

Just as the little boy was thinking of Ying Bao, Liang Lan came into the living room with a tablet in her hand.

“Hey! Look! Little Cherry is calling you!” Liang Lan said.

Tang Feimo quickly jumped up from the couch when he heard Ying Bao's name.

“Cherry? Where is she? Let me see!”

Tang Feimo took the tablet from his mother and saw the cute little girl's face on the screen.

“Cherry!”

“Brother Feimo!”

“Oh! I miss you so much! Do you miss me too?”

“Of course! What are you doing?”

“Thinking about you? And you?”

“Cherry is thinking about Brother Feimo too!”

Tang Feimo had a lot to talk about with Ying Bao, but he did not want to speak in front of his mother. He then took the tablet and ran back into his room.

“Hey! Can't you talk in the living room? I want to talk to Ying Bao too!” Liang Lan shouted and sighed because she couldn't stop her son.

Tang Feimo was so happy when he lay down on his bed and looked at the little girl's face on the screen.

“Are you behaving well when I'm not with you?” Tang Feimo asked.

“Yes!”

“Then did you make any new friends at your new school?”

“Yes, a lot of new friends!”

“Then... Any new brothers?”

“No new brothers,” Ying Bao replied after thinking for a while.

Tang Feimo was happy with the answer, but it did not last long.

“But I met a handsome uncle! He even saved me once!” Ying Bao continued.

“...”

Tang Feimo's face quickly turned sour as he couldn't help but wonder who the handsome uncle was.

He regretted only telling Ying Bao to be wary of other little boys but completely forgetting about people that were older than them.

“Brother Feimo, why aren't you saying anything?”

Ying Bao stopped describing the handsome uncle she met when she realized Tang Feimo was quiet.

“Cherry, can you promise me one thing? Can you not talk to that handsome uncle when you meet him again?” Tang Feimo sighed.

“Why?”

“Because only I can be your future husband. You cannot make friends with him, okay?”

“Okay! I'll listen to Brother Feimo!”

They two little kids continued their conversation after that until it was dinner time.

“I have to go eat now. We'll talk again next time, okay?” Ying Bao said.

“Okay! Think of me every day, okay?”

“I will!”

“Hey! Don't hang up first. Aren't you forgetting something?”

Ying Bao thought for a few seconds and waved at the screen.

“Goodbye, Brother Feimo!”

“And...?”

Chapter 1334: Kiss Until Satisfied

“I know! Kiss!”

Ying Bao kissed the camera, sending her love to Tang Feimo.

Feeling satisfied, they ended the call.

Liang Lan came into Tang Feimo's room, asking if he had finished his call.

Tang Feimo handed the tablet to his mother and began to think about something.

The Tang family had their dinner, and Tang Feimo suddenly suggested something.

“Dad, mom, can we move to Estan too?”

Tang Yitan looked at Liang Lan, surprised by the question.

“It's not that easy,” Liang Lan said. “Your dad has to help Ying Bao's daddy take care of his company.”

“But, Ying Bao got to know a very handsome person in Estan. What if she was cheating with him? What's the point of living if Cherry's not here...”

“We know that you miss Cherry, but you have to know that she won't be taken away by someone,” Liang Lan said. “Plus, we've already talked to her parents. We decided to let her marry you once both of you are older.”

“Really?”

“Of course. That's why you have to study hard, okay? Only a successful man can marry Cherry. If you have good grades, you can go to Estan to further your studies too. Then you will be able to see her every day.”

With that, Tang Feimo decided to become successful.

He quickly finished his food and said, “I'm going to study now! Please do not disturb me.”

From the moment that Tang Feimo decided to study with everything he had, he got the best scores in the whole school.

When everyone got the news about Huo Yunshen waking up, they sighed and felt relieved.

Xu Xiyan still had to go to class, and Huo Yunshen drove her to the school.

When they finally arrived, the couple kissed in the car before Xu Xiyan left.

But the kiss was long, and Huo Yunshen did not let Xu Xiyan off until he was satisfied.

“Hey! Look at what you've done,” Xu Xiyan scolded as she gasped heavily and tried to punch Huo Yunshen in his chest.

Huo Yunshen caught the punch and looked at Xu Xiyan.

“How about you skip class and we go home?”

Huo Yunshen wanted to spend some quality time with his wife.

“No! It's still morning! I'm going to class!”

Xu Xiyan jumped out from the car as if she was running away, afraid that Huo Yunshen would really drive her back home.

Huo Yunshen did not leave until Xu Xiyan was no longer in his sight.

Chapter 1335: A Huge Sacrifice

Qiao Ruoyi was already sitting in her seat when Jing Xi reached the class.

“Hey, Jing Xi,” Qiao Ruoyi greeted.

Since students could sit freely in the class, Jing Xi sat down next to Qiao Ruoyi.

“Oh, right! I found the thing you asked me about,” Qiao Ruoyi said. “Here, have a look.”

Qiao Ruoyi had made a huge sacrifice just to get her hands on Lady White Camellia's information.

She had to go ask Feng Yunan for help, and in return, she had to serve him for the whole night. She was kept in his house until it was time for school.

She could even feel the ache on her body after having pleased the man for the whole night.

“Really?”

“Yes. This is Diruiling's classified information. This is the list of the client's requests over the past few years.”

Jing Xi took the file from Qiao Ruoyi and began to read through it.

There wasn't a lot of information on Lady White Camellia, only records of what she had purchased.

The information did mention that Lady White Camellia was from the Northern Kingdom, but there was nothing about her actual address or age.

“This is not enough...” Jing Xi sighed.

“There's more,” Qiao Ruoyi said. “I've found out that Lady White Camellia has requested our lead designer to design her a unique piece. It's called Hera's Tear. I think if you can find the owner of that piece, then you should be able to find out who Lady White Camellia is.”

“You're right. What does Hera's Tear look like?” Jing Xi asked.

“It's shaped like a droplet. Here, I'll draw it for you.”

Qiao Ruoyi quickly drew the design of Hera's Tear.

“Oh my! It's gorgeous!” Jing Xi couldn't help but gasp at the design of the ring.

“Yes, it really is pretty.”

With the clue on the ring, Jing Xi had new hopes that she could find Lady White Camellia soon.

“Thank you so much! I'll buy you dinner when we have the time.”

“No, don't worry about it. I'm glad that I could help,” Qiao Ruoyi smiled.

“Oh, did you know? My husband woke up yesterday,” Jing Xi said.

“Really? That's really great!”

“Looks like you can get his autograph after all.”

“Yup!”

With everything set in place, Huo Yunshen started to make public appearances.

He attended the United Nations' Peace Summit and was awarded the Peace Award.

The Secretary-General of the United Nations even made a proposal to promote JS as a peacekeeping group around the globe.

Huo Yunshen accepted the proposal, as it would give JS a better cause.

After the summit ended, the United Nations issued a statement to promote JS into a worldwide peacekeeping group, and announce that Huo Yunshen would be its leader.

Other than that, Huo Yunshen even met with his friends, visited Jing Huoduo and the Moon Castle. He also went to the Dragon Kingdom to meet with his mentor, Qi Zhengming.

He started to prioritize rebuilding the Dragon Kingdom and could be seen coming back and forth between the kingdom and Estan.

Chapter 1336: A Barrier

But no matter how Huo Yunshen was, he would always do a few things for his family without fail.

First, he would send Jing Xi and Ying Bao to school every day.

Then, he would always accompany Jing Xi to all of her check-ups.

And finally, he would go fetch his wife and daughter back from school and make dinner for them.

He also did what he promised Su Wanqin. He found them an apartment near Yunjing Manor for Mo Yutian and her.

That was the best he could do for her. If Su Wanqin had not gotten on her knees and begged, Huo Yunshen would've never done it.

Even though Huo Yunshen had acknowledged Su Wanqin as his mother, there was a barrier between them that was hard to break.

It might be because Huo Yunshen never knew of him being in a foster family from the beginning.

Unlike Jing Xi, who had known her parents for some time, Huo Yunshen hadn't.

As soon as Huo Yunshen came back from the border, he went to attend Jun Yan's inauguration.

After meeting with Jun Yan, Helian Qingyu officially appointed him to become the General.

Huo Yunshen and Xu Xiyao met Jun Yan in the Blue Palace's resting room.

Jun Yan was wearing the General's uniform, which enhanced his already charming looks.

"Congratulations!" Xu Xiyao smiled.

"I wouldn't be here if not for Boss... I really have to thank you for this," Jun Yan said and bowed.

"Don't worry about it, I'm just making sure that your talents aren't wasted."

Jun Yan also knew about Huo Yunshen's responsibility for rebuilding the Dragon Kingdom and sighed.

“The only regret I have is not being able to follow you to the Dragon Kingdom...”

“I get you, but you staying in Estan is for the best. I'm sure it will also benefit the Dragon Kingdom in the long run.”

“I see... I won't disappoint you!”

Helian QIngyu was already addressing the parliament.

“That's all on Estan's current development,” Helian QIngyu concluded. “I have another thing to announce. From today onwards, Jun Yan will be Estan's new General, effective immediately.”

His announcement shocked the whole parliament.

In everyone's head, no one was a better choice than Helian QIngyu.

They had always thought that Helian QIngyu would take on both roles together and did not expect that he had a candidate.

They were also suspicious of Jun Yan because they'd never heard of him.

“Now then, let's invite Jun Yan up here to give his speech,” Helian QIngyu said.

Xu Xiyan tapped on Jun Yan's shoulder outside the door.

“It's your turn now. We'll be rooting for you from the second floor.”

“Thank you.” Jun Yan nodded and pushed the door open.

Chapter 1337: Changed Opinions

Jun Yan walked into the meeting room under eyes that were filled with suspicion and curiosity. He walked up to the stage and saluted the President before addressing the crowd.

Huo Yunshen and Jing Xi sat in the spectator seats on the second floor to witness Jun Yan's ceremony.

Jun Yan stood in front of everyone and gave the most important speech of his life. The crowd remained silent after he had concluded his speech.

Jing Xi was the first to applaud for Jun Yan, and others followed.

But the remarks from the senators made it clear that they couldn't trust Jun Yan.

Some even interrupted Jun Yan and asked, “Mr. Jun, how can you prove your capabilities since you're not one of us?”

“That's an excellent question,” Jun Yan replied. “It's true that I'm not a part of Estan's army and haven't done anything for Estan yet, but I was the commander for JS1 and took part in more than 100 battles with the Dark Zone. I hope everyone can put their trust in me and give me a chance to prove my worth.”

Jun Yan's words shocked the crowd.

Every person in the room knew about JS. They knew that JS was a group that fought for justice that had led most of the battles with Dark Zone. They were a vital part of taking down Lstan.

The people's opinion about Jun Yan changed after learning that he was a commander in JS, and it boosted Jun Yan's self-confidence.

It was Helian Qingyu's words after that gave Jun Yan the support he needed.

"I know that most of you here don't know who Jun Yan is, but I believe that you are familiar with his grandfather," Helian Qingyu said. "Jun Yan is the grandson of Estan's former General, Jun Che. Jun Che was by my grandfather's side when he was the President, and now, I would like his grandson to be my right-hand man. I hope that all of you can give him a chance and let him show what he can accomplish."

Most of the older senators changed their opinions almost immediately after learning of Jun Yan's background.

The ceremony proceeded smoothly. Jun Yan left with Huo Yunshen and Jing Xi after it ended.

They ran into Ouyang Feifei at the Blue Palace. When Ouyang Feifei noticed that Jun Yan was with them, she ran to them excitedly.

"Brother Jun! Jing Xi! Mr. Huo! Hi!" Ouyang Feifei greeted.

Ouyang Feifei was at the palace with her father and did not expect to run into Jun Yan there.

"Feifei! What a coincidence!"

Jing Xi greeted back. Even though she was smiling on her face, she was actually a little worried. It was the first time Ouyang Feifei was meeting the real Jun Yan, and she was worried that Jun Yan might ignore her.

"Right? Should we get lunch together?" Ouyang Feifei asked.

"Oh, I'm sorry, but I have to go home with Yunshen. Why don't you two go?" Jing Xi said and pulled Huo Yunshen back to their car.

Only Jun Yan and Ouyang Feifei were left at the gate. Ouyang Feifei kept staring at Jun Yan and couldn't help but notice how good Jun Yan looked in his military uniform.

While Ouyang Feifei was staring at him, Jun Yan was searching through his head, trying to figure out who the lady in front of him was.

But no matter how hard he thought, he couldn't remember ever meeting her.

"Brother Jun, let's go and get something to eat! I know a perfect place!"

Chapter 1338: All In Her Head

Ouyang Feifei thought that she was close to Jun Yan, that they were good friends.

But Jun Yan could only stare at the girl that he did not know and pull his hand back.

"I'm sorry, miss, but I really don't know you," Jun Yan said coldly.

"Brother Jun, what's wrong with you?"

Ouyang Feifei realized that Jun Yan was completely different from before. He had become cold and ruthless.

"Nothing's wrong with me. You must have the wrong person."

Jun Yan turned and walked down the stairs.

"Why are you doing this? Why are you turning me away?" Ouyang Feifei asked as she caught up with him.

Jun Yan stopped and frowned as he looked at her.

"Since when was I close with you?"

Ouyang Feifei was stunned by him. It was as if he was another person, a person that she did not know.

"Aren't we best friends?" Ouyang Feifei asked.

But the question from the stranger was like a joke to Jun Yan.

"This is my last warning! Do not follow me!" Jun Yan scolded and left without stopping.

Ouyang Feifei watched as Jun Yan slowly walked away. She could feel the pain in her heart as tears began to roll down her face.

"I thought you loved me too! But it looks like I'm the stupid one!" Ouyang Feifei shouted.

She was a girl that had been raised up in a caring family. Her heart was pure, and she had never even dated another person. She thought that Jun Yan was her white prince.

But, in the end, it was only in her head.

Jun Yan was about to get into his car when he heard Ouyang Feifei shouting at him, and he could suddenly feel a shock going through his heart.

He turned to look at the girl who was crying at the top of the stairs. He was confused as he had no idea what he felt.

He could only tell himself that she was a stranger and was of no importance to him.

Jun Yan's car disappeared from Ouyang Feifei's sight as she cried even harder.

Xu Xiyan was on her way back with Huo Yunshen.

She was worried when she thought about Jun Yan's meeting with Ouyang Feifei.

"I don't know how he will react to Feifei... He's something of a blockhead when it comes to relationships," Xu Xiyan said, voicing her concerns.

"You better stop pretending to be someone else or you might just bring them unwanted problems," Huo Yunshen said. "My sister was lucky since Ye Xun fell for her in the end, but it was all thanks to her personality. And not many people have the same personality as her."

"You're right. I'm worried about Feifei now. I'm afraid that Jun Yan might hurt her... I think I should explain everything to them."

"You should. If they really become a couple, then good. But we shouldn't force them if it doesn't go the way we want."

"I know..."

They talked all the way back to Yunjing Manor.

When they got out of the car, they could hear their daughter's playful voice. They looked and found Ying Bao playing with Su Wanqin at the door.

Chapter 1339: Abide His Throne

Huo Yunshen and Jing Xi only realized that Ying Bao was riding on someone's shoulders when they got closer.

"Faster!" Ying Bao shouted as she laughed happily.

They initially thought that it was Ye Xun's shoulders that Ying Bao was riding on, but they were wrong. It was Mo Yutian.

The couple couldn't help but feel a chill down their spines. The first thing Jing Xi did was run forward to try and get Ying Bao away from Mo Yutian.

But she was stopped by Huo Yunshen. Huo Yunshen signaled her to look at Mo Yutian.

With his mind like a little kid, Mo Yutian was playing happily with Ying Bao and had no capabilities to hurt the little girl.

Huo Yunshen would feel terrible if they were to interrupt them.

"Faster, Uncle Dragonbeard! Let's run up the hill!"

Ying Bao patted Mo Yutian's head and navigated with her hand. She even gave Mo Yutian a funny nickname, Uncle Dragonbeard.

Mo Yutian acknowledged where Ying Bao wanted to go and ran forward.

The couple sighed at what they saw.

Mo Yutian was the ruler of evil, a killer that could kill without batting an eyelid. But now, he willingly abided his throne to play with a little girl.

They believed that Mo Yutian would never do such a thing if he hadn't injured his head.

Ying Bao was the first to notice that her parents were back.

“Daddy! Mommy! Look! Uncle Dragonbeard is really fun!” Ying Bao shouted.

The couple did not reply and looked at each other, wondering when Ying Bao had given Mo Yutian a new nickname.

They could only shrug at Ying Bao's courage as one really needed it to ride on Mo Yutian.

“Sorry, I didn't know you two were coming back so early. You don't mind if I let Xiao'er play with Ying Bao, do you?” Su Wanqin asked.

“Well, we can't say no after this...” Jing Xi sighed and shouted to Ying Bao, “Hey! Do you want to come into the house and have some snacks with me?”

Jing Xi did not want Ying Bao to come in contact with Mo Yutian any further. She was worried that Mo Yutian might try to hurt her.

But Ying Bao had taken a liking to Mo Yutian and refused. “No! We still want to play! Can mommy bring some snacks out?”

Ying Bao was still a kid, and a kid would never let the things that they found interesting go easily.

Unable to persuade Ying Bao, Jing Xi went back into the manor alone to get some snacks.

Huo Yunshen looked at Mo Yutian, realizing that he still couldn't forgive him.

The best that he could do was let him live because of his mother, and because they were related by blood.

Huo Yunshen accompanied Su Wanqin until Jing Xi came back out. He went back into the manor after that to finish some work.

Jing Xi brought her homemade snacks and a jug of orange juice for the kid and the guests.

“Here comes the snack!”

Chapter 1340: Sad

Ying Bao climbed down from Mo Yutian and ran to take a piece of the snacks. She did not eat it straight away, and instead ran back to Mo Yutian and gave it to him.

“Here, Uncle Dragonbeard, have some.”

Ying Bao looked at Mo Yutian with her pure and gentle eyes. Mo Yutian almost cried out when he saw it. He never thought that he could one day play with Jing Xi's daughter at her home.

He played with Ying Bao willingly so that he could at least repay some of the evil things he had done to Jing Xi's family. But even if he were to become an animal, he still felt like it was something that he would owe them forever.

Mo Yutian was no longer a cold-blooded murderer. The only thing that kept him living on was the resolve to pay for his sins.

He owed it to Jing Xi and Huo Yunshen. He owed them a lot.

Only then did he realize that loving someone was to wish for their happiness.

He no longer wanted anything. It was enough for him to be able to protect the ones he loved.

"Try my mommy's snack. It's delicious!" Ying Bao smiled and said when she noticed Mo Yutian was not taking the snack.

Mo Yutian held back his urge to decline as he had to act like a child.

He took the snack and gobbled it down.

Ying Bao was happy that Mo Yutian liked the snack. She ran back to her mother to get more for him.

"Take some for yourself, too," Xu Xiyan said.

Xu Xiyan was not happy that Ying Bao was good to Mo Yutian because he had tried to kidnap her once. She could not find a way to forgive him, even if he had lost his mind.

Ying Bao gave one to Su Wanqin before eating her own portions.

"Thank you, little one, but I'm not hungry. You can have mine." Su Wanqin smiled and gave the snack back to Ying Bao.

Su Wanqin checked the time and realized it was time to leave.

"Xiao'er, come on, it's time to go," Su Wanqin said as she got up.

Mo Yutian climbed to her mother, and they were about to leave when Ying Bao pulled on her mother's hand.

"Mommy, can they stay and have dinner with us? It's sad to see Uncle Dragonbeard living alone," Ying Bao said.

In truth, Ying Bao wanted Mo Yutian to stay so that she could play with him some more.

Xu Xiyan did not reply and stared at Mo Yutian.

Mo Yutian was afraid to look Xu Xiyan in the eyes and pretended to be scratching his head so that he could avoid eye contact.

“Pretty please?” Ying Bao asked.

“Okay, okay. They can stay,” Xu Xiyan said, finally giving in.

Su Wanqin was happy that her daughter-in-law agreed and took Mo Yutian into the manor.

“Come, I'll help you wash your hands,” Su Wanqin said to Mo Yutian and turned to Ying Bao.

“Do you want to come with us?”

“Okay!” Ying Bao smiled and ran up to Mo Yutian, grabbing his hand as they walked into the manor.

Xu Xiyan was unhappy and confused about the situation they were in.
