

Priceless Baby 1361

Chapter 1361: Hiding Her Identity (13)

With Huangpu Heng gone, there was only Helian Qingyu and Lady Rose left by the table.

Whenever she looked at him, Helian Qingyu put on a courteous smile.

It was Lady Rose who broke the ice. "President Qingyu, do you find me familiar?"

Helian Qingyu nodded instead of lying. "Your Highness, you do look very charming and familiar. It seems we have met before."

"That being said, I'll be frank with you."

Helian Qingyu was confused and wondered what she would say. "Please go ahead."

Lady Rose dispelled the servants and said, "I want to know if Lan Ling-Er is still in Estan."

"May I know why Your Highness is asking for Lan Ling-Er?"

"To tell the truth, she's my daughter."

"..."

It was shocking for Helian Qingyu. He tried to take a closer look at Lady Rose while recalling Lan Ling-Er's face.

No wonder he found her familiar. She was Lan Ling-Er's mother!

Helian Qingyu recalled everything he knew about Lan Ling-Er. It was said that her mother was called Lan Qiwei and had died many years ago.

Could she have been alive and become the queen of Northland?

In that case, it made sense why she had been wearing a veil and never showed up in public. She had to hide her identity!

"How surprising! Your Highness is Lan Ling-Er's mother!"

Helian Qingyu felt a bit sorry.

Lady Rose smiled. "I hope you can help me keep the secret. I've only got one request for you: please take good care of my daughter."

She knew that her daughter was engaged to Helian Qingyu. That was why she joined them tonight and was even willing to take off the veil.

Helian Qingyu was silenced. He was not serious with Lan Ling-Er. She had never been the woman he wanted.

With Lstan destroyed now, Lan Ling-Er was of no further use and Helian Qingyu was not going to continue with her.

Lan Ling-Er had tried various excuses to meet him. But he never gave her a chance.

He assumed that as long as he gave no response, she would eventually give up.

But now, here came her mother who asked him to take good care of her. She said it with a smile, but it seemed more like a warning.

Of course, he would not tell the truth. He had to say, "Sure. I know what I need to do."

Lady Rose nodded. She was actually thinking that if only Helian Qingyu dared to mistreat her daughter, she would never let him get away with it.

She was nothing but a stepmother right now. Yet her husband did not have much time left and his heir, Huangpu Xuanye, was no good.

The future of the Northland would depend on her. And she was ready to be the queen.

Once she was crowned and empowered with military forces, she would be able to do whatever she wanted.

Her sister, Yun Xuerou, had already come to her for help. She had asked her to kill Helian Qingyu during his visit.

She could have done it. But she refrained from doing so because of her own daughter.

Chapter 1362: Finally Talked (14)

The two talked for a while until Huangpu Heng came back with Huangpu Xuanye.

"Qingyu, thank you for waiting. My son says he wants to go to Estan with you," Huangpu Heng said with a huge smile on his face.

"That's wonderful. I finally get to have a chance to talk to Brother Xuanye."

Huangpu Heng patted Huangpu Xuanye's shoulder and said, "Xuanye, you have to listen to Brother Qingyu's words in Estan, okay?"

Huangpu Xuanye nodded.

Huangpu Xuanye had not planned to leave the castle. But his father came and asked whether he wanted to visit Estan or not.

Thinking that he could meet Cherry Baby, Huangpu Xuanye nodded without hesitation.

"All right then, off we go."

Helian Qingyu took Huangpu Xuanye with him and returned to Estan.

Huangpu Xuanye did not utter a word in the car. Helian Qingyu tried to talk with him a few times but to no avail.

But Helian Qingyu suddenly heard a little girl's voice coming from Huangpu Xuanye's phone. Helian Qingyu took a peek out of curiosity.

He realized that Huangpu Xuanye was looking at Ying Bao's video.

The little girl was dancing happily in the video and was making all sorts of weird faces.

Huangpu Xuanye was so into the video that he did not even notice Helian Qingyu moving closer to him.

"Do you like her?" Helian Qingyu suddenly asked.

Shocked by Helian Qingyu, Huangpu Xuanye quickly hid his phone away.

"I saw it. You like Cherry Baby, right? I'm a fan of her too."

Helian Qingyu smiled as he had finally found a way to communicate with the teen.

"Here, take a look. I have a lot of her photos on my phone," Helian Qingyu said and took out his phone to show Huangpu Hengye.

Huangpu Hengye could see a lot of photos where Ying Bao was really close to Helian Qingyu.

"Do you two know each other?" Huangpu Hengye asked.

The teen finally talked.

"She's my daughter," Helian Qingyu explained.

"..."

Huangpu Hengye looked at Helian Qingyu, his face full of disbelief. Everyone in the world knew that Cherry Baby was Huo Yunshen's and Jing Xi's daughter.

"Well, I'm her godfather," Helian Qingyu added. "Do you want to meet her?"

Huangpu Hengye nodded heavily.

He'd had the chance to meet Ying Bao when he snuck off to Estan and always wanted to meet her again.

"All right. I'll arrange for you to meet her once we get back."

"Thank you."

And the conversation ended.

Helian Qingyu sighed deeply in his head. He was lucky that he knew Ying Bao, or he would never have had the chance to talk with the teen.

They returned back to Estan safely, and Huangpu Hengye was arranged to stay in the President's Mansion. Helian Qingyu planned to bring him to visit Ying Bao after he had finished most of his work.

The weekend arrived three days later.

“Hey, guess who's coming to visit you today?” Jing Xi asked Ying Bao after she woke up.

“Great-grandpa?” Ying Bao guessed.

“Nope.”

“Grandpa and grandma?”

“Not them either.”

“Then who?”

“You'll know later. Hurry up and go brush your teeth,” Xu Xiyan said as she touched Ying Bao's little nose.

Chapter 1363: Long-Lost Husband And Wife (15)

“OK!”

Ying Bao jumped out of her bed, put on her little slippers and rushed to the bathroom, where she got some toothpaste and started brushing her teeth.

Even as little as five, she could already do many things by herself!

When she finished washing herself, she ran to call everyone to come for breakfast.

“Daddy, come for breakfast! Mommy, come for breakfast! Grandma, come for breakfast!”

After calling around she ran to sit down by the table and wait for her mother to bring the food.

Su Wanqin came as well. Jing Xi brought them breakfast and they sat down to eat together.

Seeing her daddy missing, Ying Bao asked, “Where is daddy? Where did he go?”

“Daddy has something to care of. Go ahead and enjoy your breakfast. We don't need to wait for him.”

“I see.”

After breakfast, Jing Xi asked Ying Bao to play in her castle in the garden.

Ying Bao went directly into the garden and Su Wanqin followed.

Sitting on top of the slide, Ying Bao did not go down. Su Wanqin asked, “What's the matter, sweetheart? Why are you not coming down?”

Ying Bao looked at her grandma and said, “It's boring playing by myself. I wish brother Feimo, Chengcheng and Mike could be here.”

She found everything great in Estan except for lacking her friends.

How she missed brother Feimo and the others!

Around nine o'clock in the morning, a car arrived. Ying Bao sat on top of the slide and recognized that it was her daddy's car.

"Daddy is back."

Ying Bao looked hard and saw her daddy coming out of the car with a man and a boy.

When she realized who that was, she rushed down and ran joyfully toward them.

"Uncle Tang! Brother Feimo..."

Yingbao was so surprised to see them here.

Tang Feimo could barely take a look around the villa before he heard the familiar voice.

That was his Cherry Baby!

Following the voice, he saw the cute little girl in a red dress running toward him all the way through the garden.

"Cherry!"

Tang Feimo also darted to her.

They ran toward each other like long-lost husband and wife, and cuddled together.

Ying Bao cuddled on his waist and kept asking, "Is that you, Brother Feimo? Am I dreaming? Brother Feimo..."

"Yes, it's me! It's me! Cherry! I asked my dad to bring me here!"

Tang Feimo was extremely excited. They came because his father had some business to do in Estan. It was also because he had taken first place in his exam and his father brought him here as a reward.

They cuddled for a while. Then Tang Feimo held Ying Bao's face and said, "My little wife is as pretty as always."

"Haha..." Ying Bao was so happy that she smiled her eyes into a pair of crescent moons.

"Did you miss me?" Tang Feimo asked.

"I did! I missed you every day! I was thinking of you just now!" Ying Bao answered seriously.

Tang Feimo was pleased and placed a firm kiss on her forehead. Then he took her hand and led her to their fathers.

Ying Bao greeted Tang Yichen. "Hello, Uncle Tang."

"My Cherry baby! You seem taller." Tang Yichen patted her on the head.

“Let's get inside.”

Huo Yunshen invited Tang Yichen in. He looked around while walking and commented, “Not bad. A nice place to live.”

Chapter 1364: Lucky (16)

“Why don't you move to Estan too?” Huo Yunshen asked.

“Are you stupid? Who's going to take care of YOUR company then? It's easier said than done!” Tang Yitan scolded, as the freedom he once had was gone.

“Thank you.”

Huo Yunshen had decided that once the Dragon Kingdom was rebuilt, he would turn over all of Huo Group to Tang Yitan to show his gratitude.

He believed that the company would thrive under Tang Yitan's leadership.

After inviting Tang Yitan into their home, Jing Xi greeted him with fruits and tea.

“Wait, isn't the due date near?”

“Yup, about two months.”

“How lucky,” Tang Yitan sighed. “You're going to be a father again. And two at once too.”

“Then why don't you make another one too?”

“I wanted to, but Liang Lan's condition isn't that good right now...”

Tang Yitan sighed again.

“What's wrong? Did you bring her to see a doctor?”

“We did, but the doctor could not find out what's wrong with her.”

Jing Xi sat down next to Huo Yunshen when they had the conversation and asked, “How about going to a Chinese medicine doctor?”

“We initially planned to visit Renjing, but ever since Mr. Jing moved to Estan, we could only go to a small Chinese clinic in Peijing. She tried the herbs that the doctor gave, but she's not getting better.”

“Then how about you bring your wife to Estan next time and visit my grandpa?” Xu Xiyan suggested. “He had a case that was far worse than Liang Lan, but he managed to cure the woman too.”

“Okay, I'm going to bring her next time.”

Tang Yitan did not mind if Liang Lan could get pregnant or not, he only wanted for Liang Lan to stay healthy.

Huo Yunshen introduced Su Wanqin to Tang Yitan while they were catching up. Huo Yunshen also told Tang Yitan about his recent developments.

While the two men were talking, Xu Xiyan got a call from Helian Qingyu asking if he could visit them.

“Of course. You can come anytime you want,” Xu Xiyan said over the phone.

She ordered the cooks to prepare lunch after she hung up the call.

The two kids were playing outside in the garden while the adults were talking.

Ever since Tang Feimo had come to Estan, it was like Ying Bao had become hyperactive and kept playing with Tang Feimo.

They were playing hide and seek in the garden.

It was Tang Feimo's turn to hide and Ying Bao was looking for him.

Her laughter could be heard throughout the manor.

They continued playing with a blindfold on.

It was Ying Bao's turn to put the blindfold on as she tried to catch Tang Feimo.

“Come on! I'm over here!”

Tang Feimo kept on shouting and running, confusing Ying Bao as to where he was.

Chapter 1365: Extremely Hostile (17)

They were playing hard and failed to see another car coming into the villa. A few people got out of the car.

Huangpu Xuanye followed Helian Qingyu and got out of the car. Standing inside the Yunjing Villa he recognized that it was Cherry Baby's home.

“Come on. Follow me.”

Helian Qingyu headed in and Huangpu Xuanye followed.

Knowing that he was about to see Cherry Baby again, he could not help getting excited.

They got closer and heard the laughter of the children. Huangpu Xuanye instantly saw the little girl who was playing hide and seek on the lawn.

That was his Cherry Baby!

Helian Qingyu also saw the kids and pointed. “Look, she's there. Don't you want to say hi?”

Huangpu Xuanye said nothing but nodded, then walked directly to her.

“Brother Feimo, where are you? I can't find you!”

Ying Bao reached out her hands high only to walk further away from Tang Feimo.

Tang Feimo could not help laughing at her.

Suddenly Ying Bao got hold of something. She thought she had caught Tang Feimo and hailed, "Yeah! I got you! I got you! Brother Feimo..."

But when she took off the scarf, she found it to be someone else...

He had a pair of very long legs. Looking up, Ying Bao saw an incredibly handsome but aloof face.

The little girl was shocked. It took her a while to realize who he was. "Wow, what are you doing here, Uncle Handsome?"

Huangpu Xuanye had to accept the title she gave him, as long as he was still "handsome."

He looked down into her eyes and smiled slightly. "Hi there."

"Hi, Uncle Handsome! Welcome to my home."

Ying Bao took Huangpu Xuanye's hand and swayed.

She was very happy to see Huangpu Xuanye again. He had saved her life last time. Therefore he was no stranger to her.

Tang Feimo stood a short distance away, waiting for Ying Bao to come for him. But when he turned around, he saw Ying Bao talking to a tall boy instead.

She was even holding his hand and calling him Uncle Handsome.

Tang Feimo recalled hearing that name over the phone last time. He hated it. So was this big boy the Uncle Handsome who had saved her last time?

No matter who he was, Tang Feimo could not bear the sight of Ying Bao talking to any other boy.

He ran to them, got hold of Ying Bao and pulled her to his side. He looked vigorously at the other boy and asked, "Who are you?"

Huangpu Xuanye looked at the little boy who stared at him and seemed extremely hostile.

Before he could give an answer, Ying Bao had already made an introduction for him. "Brother Feimo, he is Uncle Handsome, who saved my life last time. He's here!"

Seeing his little girl exited, Tang Feimo felt even more upset. He took Ying Bao's hand and dragged her away, "Let's go! We are not playing with adults. Let's go play a different game!"

Ying Bao was pulled away by Tang Feimo. She turned to look at Huangpu Xuanye and wanted to talk to him. But she could not. Because she had to obey Brother Feimo!

Seeing the little girl being dragged away by the little boy, Huangpu Xuanye stood there watching them play in the castle.

He could not help feeling jealous. How he wished he could become a boy again and play with them!

Chapter 1366: Good Impression (18)

Huangpu Hengye was spacing out again until Helian Qingyu called him.

“Come on, let's go and greet the owner first.”

Huangpu Hengye followed Helian Qingyu into the mansion and met with Cherry Baby's parents, Huo Yunshen and Jing Xi.

“Big bro! You're finally here!” Xu Xiyan greeted as she got up and looked at the teenager. “And this is...?”

“Let me introduce you. This is the prince of the Northern Kingdom, Huangpu Xuanye. He's also a fan of Ying Bao; that's why he came.”

Jing Xi quickly exchanged glances with Huo Yunshen when they heard that the teen was a prince.

“Please, have a seat,” Xu Xiyan invited.

Helian Qingyu noticed that another person was already in the living room, and Huo Yunshen quickly introduced him.

“This is my old friend, Tang Yitan. He's like family.”

“Nice to meet you, Mr. Tang,” Helian Qingyu greeted while extending his hand.

Tang Yitan never thought that he would meet with Estan's newly appointed President and quickly got up to shake Helian Qingyu's hand.

“Nice to meet you, President Helian. I've heard a lot about you.”

After everyone was seated, Jing Xi looked at Huangpu Xuanye, who was quiet the whole time.

“I've heard that Prince Huangpu is Cherry Baby's fan?”

“Yes.”

As always, Huangpu Xuanye's reply was short.

“Do you want me to bring her in so you can meet her?”

Xu Xiyan thought that since he came to meet with Ying Bao, she had to fulfill his dream.

Xu Xiyan got up and was about to go and get Ying Bao when Huangpu Xuanye also got up, intending to follow her.

“I think it's better if you come with me then. She's playing with another kid.” Xu Xiyan smiled.

They came to the garden, and Xu Xiyan pointed at the two young kids who were playing.

“Look at her go,” Xu Xiyan laughed. “Ying Bao!”

Ying Bao heard her mother calling her and ran towards her. She noticed that her mother was with another teen and greeted them.

“Mommy! Uncle Handsome!”

Jing Xi noticed that Ying Bao was familiar with Huangpu Xuanye and turned to look at the prince in shock.

Ying Bao ran into her mother's hug and raised her head.

“Mommy, this is the Handsome Uncle that I told you about. The one who saved me!”

“You mean him?”

“Yup!”

Jing Xi had always thought that Ying Bao was just joking about being kidnapped and being saved. She never thought that it was all real.

“Prince Huangpu, thank you very much.”

“You're welcome,” Huangpu Xuanye shook his head and said.

Ying Bao heard her mother addressing the teen as a prince and asked, “Uncle Handsome, are you a real prince?”

Huangpu Xuanye did not reply and just stared at Ying Bao.

Ying Bao thought that Huangpu Xuanye fit the personality that a prince should have. Tall, handsome, but also filled with a tiny bit of melancholy.

“Yay! I finally get to meet a real living prince!”

Ying Bao celebrated.

Huangpu Xuanye was laughing in his head, wondering if all the princes that Ying Bao had once met were dead.

“Come and play with us, Uncle Prince,” Ying Bao said as he pulled his hand.

“Go on, just think of this place like your own home,” Xu Xiyun said.

“Thank you.”

Chapter 1367: Choking With Rage For His Little Wife (19)

Huangpu Xuanye nodded. So Ying Bao held his hand and walked to Tang Feimo cheerfully.

Tang Feimo was not cheerful at all when watching them chatting from some distance. Seeing her talking to the big boy, he felt very upset.

Instead of going to her, he waited for her to come back.

Now she was finally coming to him, but together with that big boy.

“Brother Feimo, let me introduce you. He is a prince!”

Ying Bao looked proud when saying so. Tang Feimo sneered and folded his arms. “What prince...”

“A real prince, not one from a storybook.”

Ying Bao tried to explain but Tang Feimo still seemed indifferent. “So what? Can he ride a horse?”

Ying Bao had to turn to ask Huangpu Xuanye for an answer. “Uncle Prince, can you ride a horse?”

Huangpu Xuanye nodded. Ying Bao grinned and said, “Yes he can.”

Failing to beat him on that, Tang Feimo thought and asked again, “What about archery?”

Ying Bao turned to ask again, “Uncle Prince, can you do archery?”

Huangpu Xuanye nodded again. And Ying Bao shrugged and said, “Yes he can do that too.”

Tang Feimo could not help furrowing his handsome eyebrows. He cupped his chin and thought for a while, then he asked, “Oh, I got this. I bet he cannot sing the national anthem of Zstan!”

Ying Bao turned again and this time Huangpu Xuanye shook his head. Tang Feimo was finally pleased. “You see, I told you he could not sing it!”

However, Ying Bao suddenly suggested, “Uncle Prince, I'll teach you!”

What... Tang Feimo choked with rage. His little wife was determined to push him to hell.

Could you stop favoring that so-called prince? I am your future husband, you know?

Ying Bao proposed to teach Uncle Prince to sing. But seeing Tang Feimo being upset she lost the mood too. “Brother Feimo, what's wrong? Are you mad at me?”

“No.”

“No? Then why are you pouting?”

Tang Feimo failed to provide a proper excuse. Then Ying Bao got hold of his hand and urged, “Brother, don't be mad. Let's take Uncle Prince to play with us. If it was not for him you would have never seen me again.”

Tang Feimo seriously hated to hang out with this prince. But he could never reject her. In the end, he had to agree, “Fine, fine.”

“Yeah! Let's play together! Uncle Prince, do you want to try the slide?”

Ying Bao had already gotten to the top.

“You go ahead. I'll stay here.”

Huangpu Xuanye was already 17 years old. He could no longer play the kids games. But he was willing to stay and watch Ying Bao play.

Harmony was restored. Tang Feimo was playing happily with Ying Bao again. And Huangpu Xuanye stayed watching them quietly.

Hearing Ying Bao's gurgling, he found himself cheered up too.

How he wished that he could see Ying Bao every day and hear her gurgling constantly!

They played until noon when Jing Xi came to call them for lunch.

It was a feast. Jing Xi and Huo Yunshen treated their friend and special guest with great hospitality.

After lunch, the adults were chatting and the kids went to play again. Huangpu Xuanye watched them as a big brother.

Around three o'clock in the afternoon, Helian Qingyu had to leave to handle a lot of government affairs. He called Huangpu Xuanye to leave with him.

Chapter 1368: Steal Her Away (20)

But Huangpu Xuanye did not want to leave. He did not want to part with the cute Cherry Baby.

"I want to stay here..."

Huangpu Xuanye expressed his thought.

"What should I do..."

Helian Qingyu was a little anxious. He believed that it would be inappropriate to let him stay.

But Ying Bao liked Huangpu Xuanye very much and wanted him to continue to play with her.

"Uncle Three, can't he stay? I want to play with him..." Ying Bao begged.

Helian Qingyu smiled, but he was worried that Huangpu Xuanye staying at the Yunjing Manor would trouble the couple.

Plus, they did not have the owner's permission.

Jing Xi did notice that Huangpu Xuanye was a timid and shy person. The only time that he smiled was when he was playing with the kids.

She realized that the prince really liked Ying Bao, and him not wanting to leave was understandable.

"How about this? He can stay with us for a few days until you're finished with your work," Xu Xiyao suggested.

"Yeah, it would be a waste if he could not play more," Huo Yunshen agreed.

"I see. I do have to visit Zstan for a few days, and I can't bring him with me. Please take good care of him." Helian Qingyu nodded happily.

"Leave it to us."

“So, you'll be staying here for the next few days then,” Helian Qingyu told Huangpu Xuanye. “I'll find someone to fetch your luggage for you. But remember to tell Cherry Baby's parents if you want to go anywhere, okay?”

“Okay.” Huangpu Xuanye nodded. He was glad that he got to stay with Ying Bao.

“Yay! This means I can continue to play with Uncle Prince!” Ying Bao clapped happily, too.

The only person who was not happy about the decision was Tang Feimo. He thought that Huangpu Xuanye would leave after dinner, but he got to stay in Yunjing Manor instead.

Things became worse for him after dinner.

“Come on, we have to leave,” Tang Yitan said to his son after dinner, as he had matters to attend to.

“I don't want to! I don't want to leave!” Tang Feimo shouted angrily.

“I have somewhere else to be. What should I do...” Tang Yitan sighed.

“Then you can leave! I'm staying here!”

Tang Feimo did not want to give Huangpu Xuanye any chance to be alone with Ying Bao.

He was worried that Huangpu Xuanye would steal her away from him.

Ying Bao also did not want Tang Feimo to leave and pulled on her parents' hands.

“Daddy! Mommy! Can Brother Feimo stay too?” Ying Bao begged.

“Of course he can.”

Jing Xi thought that it would be best for Ying Bao since the little girl did not have any good friends in Estant yet.

“Why don't you let him stay then? You can come back for him once you're finished with your stuff,” Xu Xlyan suggested.

Chapter 1369: I'm Staying With You

“Alright. I'll go by myself. Feimo, behave yourself and listen to Aunt Jing and Uncle Huo, OK?”

“I see, I see. You go ahead, Dad.”

Tang Feimo was finally satisfied. He was so excited to stay with Ying Bao.

Tonight he would stay in his little wife's room!

With the two young guests staying, Su Wanqin proposed to go stay with Mo Yutian for a while in order not to be an extra burden for Jing Xi.

Jing Xi would have to take good care of the two young guests now.

It was not troublesome to cook for them. Neither of the boys was picky. They enjoyed whatever she provided.

In terms of accommodation, Jing Xi arranged a guest room for Huangpu Xuanye as well as for Tang Feimo. But he insisted that he would stay with Ying Bao.

“Auntie has made a room specially for you. You can go check it out.”

Jing Xi tried to persuade him. But Tang Feimo seemed so worried, “I cannot stay in that room. What if that boy sneaks into Ying Bao's room while I am sleeping elsewhere? I have to stay here and watch out for him!”

Jing Xi was amazed by Tang Feimo's overreacting. Little as he was, he already knew to protect his future wife.

Getting his point, Jing Xi made a compromise. “Fine. Then you stay with her. But her bed is too small for the two of you. I'll ask Uncle Huo to set up another bed for you. OK?”

“Great!”

Tang Feimo agreed readily. He would have no problem sleeping on the floor as long as he could stay with Ying Bao.

Then Jing Xi had Huo Yunshen set another bed next to Ying Bao's. He lay down satisfied.

Before turning off the light, Jing Xi told them, “We are going to the beach tomorrow. You two sleep tight, OK? I'll turn off the light now.”

“Sure. Night mommy!”

“Night Auntie Jing!”

“Goodnight.”

Seeing the two kids close their eyes, Jing Xi turned off the light and closed the door to leave.

What she did not know was, once she left, Ying Bao got up and turned on the light again, then kept hopping on her bed.

“That's awesome! We're going to the beach tomorrow! I'm making a huge sand castle!”

Tang Feimo got out from under the quilt and said, “I'll help you.”

“Yeah!”

Ying Bo was so excited. She used to go to the beach at her Uncle Tree-Leaf's house. But she always felt bored without her friends.

With Brother Feimo and Uncle Prince coming together tomorrow, she would surely not be bored again.

They both got up and hopped for a while. Then Tang Feimo realized that it was a bit late. He suggested, “Cherry, I think we'd better go to bed now.”

“OK. Brother Feimo, do you want to sleep on my bed?”

Ying Bao pointed at her own bed.

Tang Feimo was more than willing to. But he was worried. “Your bed is so small. What if I crush it?”

“You won't. It's firm. I jump on it everyday and it's never been crushed.”

“Alright, I'll sleep with you.”

Tang Feimo, of course, wanted to sleep with Ying Bao. With her invitation, he brought his pillow and got onto Ying Bao's small bed.

He placed the pillow next to her flowery pillow, lay down next to her and covered them with the quilt.

They stayed face to face and cheerfully looked at each other. Tang Feimo poked her on her cheek and slid on her little nose.

Ying Bao found it itchy and kept giggling.

Chapter 1370: The Way They Sleep

Ying Bao started to pull Tang Feimo's face until it became distorted, and it made Ying Bao laugh more.

They played for a long time until they were totally worn out and fell asleep.

They even held each other's hands tightly when they slept.

Jing Xi woke up early the next day to prepare breakfast and picnic foods.

When she realized that it was past the time for the kids to wake up, she went upstairs to Ying Bao's room

But as soon as she got to the second floor, the door to the guest room opened, and out came Huangpu Xuanye, who was fully dressed.

Unlike the suit he had worn the day before, he changed into more casual clothes.

“Did you sleep well?” Xu Xiyao asked.

“Yes, thank you.” Huangpu Xuanye nodded politely to the owner of the manor.

“Good then. Can you wait in the dining room for us? Breakfast is already prepared. I'll have to wake the kids up.”

“Okay.”

Huangpu Xuanye went down the stairs.

Jing Xi came to Ying Bao's room and pushed the door open slowly. But as soon as she saw the kids, she tried to hold her laughter in.

Ying Bao was still sleeping soundly in the bed while Tang Feimo had already been kicked to the floor, even though he was sleeping soundly too.

Jing Xi could not help but laugh at Tang Feimo, who was so worn out that he did not even realize he was on the floor.

Jing Xi took out her phone and snapped a photo of the kids before waking them up. She sent the picture to the group chat and tagged Shenlan Shuiqian, which was Liang Lan's nickname in the chat.

Without taking a few seconds, she started getting responses.

[Qianqian Quege]: Ying Bao and Feimo?

[Three Eyed Monster]: Is this today? Is Feimo in Estan?

{Mr. Jing}: He came with his father yesterday.

[Qianqian Quege]: Isn't Feimo being bullied by his future wife?

[Mr. Jing]: Yeah! I almost burst out laughing when I saw this!

[Qiufeng Shaoluo Ye]: Nice! She's just as tough as her mother!

[Mr. Jing]: Hey! I'm a soft lady now!

[Three Eyed Monster]: Yep, just like me!

[Qiufeng Shaoluo Ye]: What? Since when?

[Three Eyed Monster]: Piss off! [angry emoji][punching emoji][knife emoji]

[Qiufeng Shaoluo Ye]: I'm sorry! Forgive me! You're the most beautiful, most talented, and gentlest woman in the world!

[Three Eyed Monster]: That's more like it.

[Shenlan Shuiqian]: I just saw the photo. He's not giving you any trouble, is he?

[Mr. Jing]: No, of course not. We're taking him with us on a picnic today.

[Qiufeng Shaoluo Ye]: Then come to the beach at my house. It's clean and quiet.

[Mr. Jing]: Of course. We were planning to go there anyway.

[Qiufeng Shaoluo Ye]: Ok.

[Shenlan Shuiqian]: Thank you for taking care of Feimo. I'll repay the favor when you come back.

[Mr. Jing]: Don't worry about it. I'll have to go now, the kids are awake.

Jing Xi turned off her phone and went back into Ying Bao's room.

“Mommy!” Ying Bao greeted as she sat up on the bed.

Tang Feimo got up slowly and looked around as if he was lost.
