

Priceless Baby 1411

Chapter 1411: Taking Up 3/4 Of Her Life

Jing Ruyue couldn't hold in her laughter when she saw who was listed as the first contact.

"How did you even order this? By name? Why are you even in the first one?" Jing Ruyue laughed.

"What? Can't I always be the first in everything related to you?" Helian Wei laughed and kissed Jing Ruyue on her cheek.

"You're always the first."

In Jing Ruyue's heart, Helian Wei had always been the most important in her life, so vital that he could even take up to 3/4 of her life.

Helian Wei was satisfied with Jing Ruyue's answer and began to teach her how to use the chatting application on the phone.

"You just have to touch my profile and type in whatever you want. I can receive your message instantly," Helian Wei said.

Jing Ruyue followed what Helian Wei had taught her and typed [Hello].

Helian Wei's phone rang the moment Jing Ruyue touched the send button.

When Jing Ruyue noticed Helian Wei had set her nickname in the chat as My Dear Little Moon, she couldn't help but laugh again.

"Hey! Why are you using that name? The kids will laugh at us until they die."

"Let them laugh, I'm not going to take responsibility if they die from it. I'm going to use this because I like it, end of discussion!" Helian Wei said and send her a message.

[I love you, Little Moon.]

Jing Ruyue was touched when she saw the message.

She turned to look at Helian Wei and pulled him down by his necktie.

"I love you too, Feng," Jing Ruyue said and kissed him.

"Now, I'll have to teach you about the camera function," Helian Wei said after the kiss. "Not only can this phone take photos, but it can also record videos."

It took Jing Ruyue more than half an hour to learn how to use the camera function.

Helian Wei stood up and said, "Come on, let's go take a walk in the garden and try the camera."

"Okay."

The two walked out from the castle hand in hand and went to the Rose Garden.

“Stand there,” Helian Wei said and pointed at a place where he could capture both the roses and the castle. “I’ll take a photo for you.”

Jing Ruyue stood in front of the bushes with the Moon Castle and a vast blue sky as her background.

It was as if Helian Wei was looking at an oil painting of an angel.

He took photos of her from different angles.

“Let me take some photos of you too,” Jing Ruyue offered as she took her phone out.

“Okay!”

Helian Wei stood tall in front of the camera as Jing Ruyue took photos of him.

“I guess any person would look good in photos if they are good looking,” Jing Ruyue complimented as she checked the photos.

“I’ll get arrogant if you keep on praising me like that.” Helian Wei smiled and walked towards Jing Ruyue.

“Let’s take a photo together.”

Helian Wei turned on the front-facing camera, and they stuck their heads together.

“I’ll use this as my wallpaper.”

Helian Wei sent the same photo to Jing Ruyue’s phone and set it as her wallpaper too.

“Look, we have matching wallpapers now.”

Helian Wei showed both phones to Jing Ruyue proudly.

Chapter 1412: Be In Love Once Again

“I don’t think we old people should do this.” Jing Ruyue laughed at Helian Wei for following the youngster’s trend.

“So what if we are older than them? We can still live like we are 18 years old and be in love once again. Then I can repay you all the time we’ve lost.”

Helian Wei felt like he was 18 years old once again ever since he started living with Jing Ruyue. The power of love made him energetic yet again.

“All right, I’ll play with you then.”

Both of them left the castle for a walk in the rose garden. Helian Wei plucked a rose and put it behind Jing Ruyue’s ear.

“Pretty. You’re beautiful.”

They then noticed a car coming from outside, and Jing Ruyue recognized it.

“That's Yunshen's car, right?”

“Yup, looks like it.”

They waited for the car to stop near them. Ying Bao was the first to jump out of the vehicle.

“Grandpa! Grandma!” Ying Bao shouted.

“There's my little granddaughter.”

Jing Ruyue smiled as she bent down to hug Ying Bao.

Ying Bao ran into her grandmother's arms and kissed her on the cheeks.

She noticed the rose behind Jing Ruyue's ear and complimented, “Grandma is both pretty and fragrant today!”

“What a sweet mouth.” Jing Ruyue smiled as she touched the little girl's nose.

Jing Xi and Huo Yunshen got down from the car.

“Are you two talking a walk?”

“Yes. The weather's perfect today. I have to exercise as much as I can,” Jing Ruyue explained.

Jing Xi realized that her mother had gotten better, both physically and mentally. She even noticed that Jing Ruyue had gained some weight.

Huo Yunshen also came to greet the old couple. Helian Wei noticed that Huo Yunshen was carrying a cage with three puppies in it.

“You bought a few puppies?”

“Yup. They are for Ying Bao.”

“They are my new friends!” Ying Bao smiled.

“But we might have to trouble the both of you to take care of them until Jing Xi gives birth,” Huo Yunshen explained.

“Sure, why not? This place is huge anyways, and the air is good too,” Helian Wei said. “Come on, Ying Bao, do you want me to give you a piggyback ride?”

“Yes!”

Helian Wei bent down, and Ying Bao jumped onto his back.

“Let's go!”

“Yay!”

“Mum, let's go too,” Jing Xi said as she pulled Jing Ruyue towards the castle while Huo Yunshen followed them with the cage in his hand.

“How's antenatal care?” Jing Ruyue asked.

“Everything is going smoothly. Don't worry.”

“Okay. I can't wait to meet them! I've even made some clothes for them. I'll show them to you later.”

Chapter 1413: Trying To Forget Her Past

“Don't stress yourself too much, mom. You should use your spare time with dad more,” Jing Xi said, hoping that her mother could lead a comfortable life.

Huo Yunshen had already prepared everything for the unborn babies. He got everything in pairs, even their beds.

They went back to the castle, and Helian Wei asked his servants to prepare them lunch.

Huo Yunshen let the puppies out so that Ying Bao could play with them.

He talked with Helian Wei in the living room while Jing Xi and Jing Ruyue went to Jing Ruyue's room.

Jing Ruyue showed her the clothes she'd made, and Jing Xi was amazed by how well made they were.

“Mom! These are really cute! You're really good at this!”

“I just followed some instructions online.”

“But it's really well made! You even made them shoes!”

Jing Xi set a pair of blue shoes in her palm. They were only the size of her palm, so they looked adorable.

“Your grandma used to be really good at this,” Jing Ruyue sighed. “My only regret was not being able to make some for you...”

“At least you can make them for your grandchildren. You'll be very busy once they are born.”

“You're right,” Jing Ruyue nodded. “Hey, Yanyan, do you know how to trim hair? Can you help me?”

“I can, but are you sure you want to trim it? Is dad okay with it?”

Jing Xi knew how much her father treasured every part of her mother, even if it was just a strand of hair.

“Yes, I've already told him, and he's okay with it too.”

“Okay then, I'll go find a pair of scissors.”

Jing Xi put the clothes down and went to get herself a pair of scissors. They sat in front of the mirror as Jing Xi began to cut Jing Ruyue's hair.

“How long do you want your hair to reach?”

“Shoulder length.”

She had the same hair length when she was deeply in love with Feng in the past.

“Okay, leave it to me.”

Jing Xi smiled and started.

When she noticed that her mother had a few strands of white hair, she couldn't help but feel a little saddened by it.

“It's done. What do you think?” Jing Xi asked after she'd finished cutting Jing Ruyue's hair.

Jing Ruyue looked at herself in the mirror and smiled.

“It's perfect, just what I wanted. You're just as good as the stylists out there!”

“Do you want to keep the trimmed hair?” Jing Xi asked.

“No, throw it away. Those are part of a past that I want to forget.”

Trimming her hair off meant leaving all her past behind for Jing Ruyue. It signified a fresh start for her.

“Okay.” Jing Xi nodded and helped her mother back to the living room. “Let's go and let dad see your new style.”

Both of them walked down the stairs, and Jing Xi saw that her father was sitting on the couch.

“Dad! Look!”

The two men who were talking raised their heads together.

Chapter 1414: One-Sided Love

Helian Wei couldn't hide his surprise when he saw Jing Ruyue with the new haircut.

Jing Ruyue had the same haircut 20 years ago.

It was as if they had gone back to the past, when they'd first met each other.

Jing Ruyue strolled towards Helian Wei and stopped in front of him.

“How do I look?” Jing Ruyue asked with a smile.

“Pretty...”

“Yanyan helped me cut it. We don't have to hire a stylist anymore.”

“Yes. Looks like our daughter is really talented, huh?”

“Stop with the compliments, dad,” Jing Xi laughed.

Jing Xi sat down next to Huo Yunshen on the couch, and Huo Yunshen moved closer towards her ear.

“Hey, how about you cut my hair too?”

“Sure. Maybe I'll give you a buzz cut!”

Jing Xi then laughed at her own joke when she thought of how Huo Yunshen would look with a buzz cut.

Ying Bao came back with the three puppies and saw that her mother was laughing really hard.

“Mommy, what are you laughing at?”

“I'm thinking about how your daddy would look if he had a buzz cut. It would be hilarious,” Jing Xi explained as she continued to laugh.

Ying Bao stared at her father for a while and said, “Daddy would still be the most handsome person, even without hair!”

And her words made the adults laugh happily.

Huo Yunshen pulled his daughter into his arms and kissed her cheek.

“That's my girl!”

Huo Yunshen and his family left after having their lunch at the castle.

On their way back, Jing Xi got a call from Ouyang Feifei asking if she was free.

Jing Xi asked for the address Ouyang Feifei wanted to meet at and asked Huo Yunshen to drive her there. Jing Xi realized it was a wedding dress store when they arrived.

Ouyang Feifei was waiting for Jing Xi outside the store. Jing Xi then asked Huo Yunshen to take Ying Bao back home.

“What are we doing here?” Jing Xi asked Ouyang Feifei.

“I need you to help me pick a dress. I'm getting engaged next month.”

“What? Engaged? To who?”

“The son of my father's friend.”

Ouyang Feifei did not really know her to-be fiance well. The engagement had been decided on by the adults a long time ago.

“Can you accept this?” Jing Xi asked.

“I can't do anything, even if I can't.”

Ouyang Feifei had wholly given up on Jun Yan. That was why she had accepted her father's engagement proposal.

“But... You really have to think this through. This is one of the biggest moments in your life, you know?”

“I know, but I've already given my consent, and I can't take back my words easily.”

In Ouyang Feifei's eyes, she thought that she could never obtain happiness. Even if she were to decline the proposal, another would just come knocking on her door.

Chapter 1415: Rely on Her Luck

Ouyang Qing and Ren Meixin's marriage had also been arranged, and they got along well.

Ouyang Feifei could only rely on her luck to get a good husband.

“Let's go in. I need you to help me choose a dress,” Ouyang Feifei said.

Since Jing Xi could not think of any way to persuade Ouyang Feifei, she decided to go in with her first.

After selecting the dress, Ouyang Feifei bought Jing Xi some coffee. While they were talking, Jing Xi was pondering whether she should tell Ouyang Feifei the truth about her pretending to be Jun Yan.

Jing Xi still hoped that Ouyang Feifei could be together with Jun Yan. After giving it a lot of thought, Jing Xi decided to tell her the truth.

“Feifei, I have to tell you something, but I'm afraid you might hate me after.”

“What's that?”

“Do you still remember how you first met Jun Yan?”

“Yes...” Ouyang Feifei was stunned as Jing Xi suddenly brought Jun Yan up. “I accidentally hit his car...”

“That's the secret I wanted to tell you. That wasn't his car, but mine.”

“What do you mean?”

“What I mean is that the Jun Yan you met that time wasn't the Jun Yan you know now,” Jing Xi said apologetically while holding Ouyang Feifei's hands. “That was me in disguise. I'm really sorry. I should've told you about it sooner, but I never thought that it would only make things worse...”

“...”

Ouyang Feifei couldn't close her mouth after learning the truth.

She tried to recall the Jun Yan from when she'd first met him and compare him to the Jun Yan she knew now.

It wasn't hard to tell the difference.

The first Jun Yan was kind to her, they were like best friends.

While the second Jun Yan treated her like a stranger.

It wasn't because Jun Yan had a change of attitude towards her, but because she thought of Jing Xi as Jun Yan.

It meant that the person that Ouyang Feifei had actually fallen in love with at first was Jing Xi.

Ouyang Feifei stared at Jing Xi, still unable to make out how she could disguise herself as Jun Yan.

"I'm really sorry. I know I might lose you as my best friend after telling you this, but I can't sit still if I don't tell you."

Jing Xi apologized, deciding that she would not do something similar again in the future.

"It's not your fault, is it?" Ouyang Feifei sighed. "If that's the case, then Jun Yan and I have nothing more to say. In the end, he's just another stranger, and we are still best friends."

"Thank you for understanding."

Jing Xi looked at Ouyang Feifei as she sighed in her head. She really wished that such a pure and kind girl could be one of her family.

After talking for a long time, Ouyang Feifei drove Jing Xi back to the Yunjing Manor.

Jing Xi did invite Ouyang Feifei into her house, but Ouyang Feifei declined, saying that she would visit another day.

On her way back, Ouyang Feifei received a call. A man's voice, which was cold and unemotional, sounded on the other side of the phone. It was Ouyang Feifei's fiancé, Mo Beichen.

Mo Beichen said that he wanted to meet with Ouyang Feifei.

Even though Ouyang Feifei had no idea what Mo Beichen wanted to talk about, she drove straight to the location given by him.

Chapter 1416: Low EQ

Ouyang Feifei walked into the Mingjue Bar. It was not as crowded and noisy as Ouyang Feifei had expected. A bar that only the most prestigious people could enter.

She told Mo Beichen's name to the server, and she was guided to a private room.

Ouyang Feifei had her head down the whole time and did not notice the two people standing on the second floor.

Ye Xun noticed that Ouyang Feifei had just walked through the front door. He remembered her because Jing Xi had introduced him to her during Jing Xi's parents' wedding.

"Hey, isn't that Miss Ouyang?" Ye Xun said to Jun Yan.

Jun Yan looked at where Ye Xun was pointing and also saw Ouyang Feifei in an elegant green one-piece.

“Why is she here? Did you invite her?” Ye Xun asked, thinking that Jun Yan was the one who had invited her.

“No.” Jun Yan shook his head. He had no idea why Ouyang Feifei was at the bar either.

“Should we go say hello?”

“There's no need for that.”

Jun Yan believed that he should mind his own business.

Ye Xun could not help but shake his head. He thought that if Jun Yan remained as he was, he would never get married.

If neither party was going to make the first move, nothing would happen.

Ouyang Feifei walked into the private room and met with Mo Beichen. The man sat on the couch with his legs folded. It was clear that he was an arrogant man from the way he acted and looked.

That man was the president of the Mo Group, a man who could do anything he wanted in Estan's business circle.

He was handsome, but he wasn't Ouyang Feifei's type.

“Mr. Mo, why did you call me here?”

Mo Beichen raised his head when he heard Ouyang Feifei's voice.

“Please, have a seat.”

Mo Beichen pointed at the empty seat.

Ouyang Feifei walked with her back straight and sat down opposite Mo Beichen.

Mo Beichen scanned Ouyang Feifei from top to bottom and said, “I have something to clarify. I accept the engagement proposal, not because I like you.”

Mo Beichen would not have agreed to it if not for the elderly in his family lying in their death beds and wanting to see him have a family.

“I know.”

“So, even if we were to be engaged, you would have no right to stop me from doing anything.”

It was clear that Mo Beichen was a man who always had his way.

“Anything else?” Ouyang Feifei asked, having already prepared for what Mo Beichen would say.

Her voice was calm and cold, as if she were not a person that was about to be engaged.

“Even if I say that we still have to act like a happy family in front of the elders, okay?”

"I get it. Is that all?"

Chapter 1417: Unusually Calm

"That's all," Mo Beichen concluded.

"Can I take my leave then?" Ouyang Feifei asked.

"Yes."

Ouyang Feifei left the room immediately.

She took a deep breath once she was outside as her broken heart was broken even more.

At that time, she had already accepted the fact that her future had nothing to do with happiness anymore.

This must be my fate... Ouyang Feifei sighed.

When Ouyang Feifei was leaving, she bumped into a man's shoulder.

"What the hell is wrong with you? Can't you see..."

The man scolded but stopped.

His eyes lit up when he saw the person who had bumped into him was a pretty lady.

"I'm sorry."

Ouyang Feifei apologized and tried to leave, but the man grabbed her arm.

"Do you think you can leave just by saying sorry? I'll let you go if you have a few glasses with me," the man said and dragged Ouyang Feifei into another private room.

There was no way Ouyang Feifei could free herself from the man's sturdy grip. She tried to, but she was dragged into the room in the end.

Ye Xun and Jun Yan both saw Ouyang Feifei being brought into the room.

"Hey, isn't that Miss Ouyang? And who's that man? Why is he dragging her?" Ye Xun asked.

Jun Yan did not answer. He thought Ouyang Feifei was at the bar looking for someone.

And now, seeing that Ouyang Feifei was dragged into the room, he thought that the man was one of her friends.

He decided that he should not mingle with her business.

"Are you sure you don't want to take a look?" Ye Xun asked.

"What's there to look at?" Jun Yan asked. He was unusually calm.

Ye Xun couldn't believe his own ears. He really wanted to pry open Jun Yan's head and see for himself what was inside his brain. He wondered if he could find a hint of compassion towards women in his head.

Ouyang Feifei was thrown onto the couch. She tried to get up but was pushed back down by the man with three glasses of alcohol in front of her.

"I'll let you leave if you drink all three glasses here."

"I can't drink."

Ouyang Feifei knew that the man was up to something. His eyes were giving it all away. Making her drink was just an excuse.

She scanned the room and noticed other guards were standing by, and they were all men.

She realized that she has no chance of escaping if the man wouldn't let her go.

Ouyang Feifei tried to take her phone out while striking up a conversation with the man.

But as soon as she got her phone out, the man snatched it away from her.

"What? Trying to call the police? It's useless, you know? I literally own the police around here," the man said.

"Do you know who I am?" Ouyang Feifei asked, trying her best to keep herself calm.

"Oh? Why don't you tell me?"

"I'm the Secretary of State's daughter! My father will never let you go if you try to harm me!"

"The Secretary of State? You're his daughter? This must be my lucky day!"

Chapter 1418: Take Good Care of You

"My fiancé Mo Beichen is in this bar right now! He will never let you go if I'm hurt!" Ouyang Feifei warned.

"Mo Beichen? We've never heard of him getting engaged to anyone! Well, it's not like it matters. You will drink all three glasses, even if we have to force you to do it!"

The man waved his hand, and two of his guards grabbed Ouyang Feifei by her arms and forced the drinks down her throat.

"No! Stop..."

Ouyang Feifei struggled but was no match for the two guards. They forced her to drink so much that the excess wine wet her dress.

The dress turned almost transparent under the liquid, and her perfect body shape could be seen.

The man was glad to see that the wine, which was drugged, had been drunk by Ouyang Feifei.

He knew that there was no way that the lady could keep her calm after taking the drug.

Ouyang Feifei could feel her body heating up, and her head was spinning.

“There... I've drunk them... Can I go now?”

Ouyang Feifei tried to get up, only to fall back down because of her dizziness.

The wine was stronger than Ouyang Feifei had thought. Ouyang Feifei was never able to take in alcohol from the beginning. Her body would itch whenever she drank alcohol.

She felt terrible and wanted to puke but couldn't do so. Her mind was going blank.

“What a lucky day for me!” the man laughed when he realized the drug was taking effect. “Don't worry, I'll treat you really well.”

The man took off his jacket and started to touch Ouyang Feifei's leg.

Jun Yan finished his last glass and got up.

“Let's go,” Jun Yan said to Ye Xun.

“Aren't you going to take a look?” Ye Xun asked as he chased after Jun Yan. “What happens if Miss Ouyang is in trouble? I still think that guy looks shady. Even if you don't do it for yourself, do it for Jing Xi.”

Jun Yan stopped and thought about it.

He persuaded himself that he was doing it for Jing Xi's sake and turned back, walking towards the private room.

The guards that were standing outside the room noticed the two of them and stopped them.

“What do you want?” one of the guards asked.

“We're looking for someone. A young lady walked into this room just a few minutes ago, right?”

“So what? That's Master Qin's woman! You two better leave right now!”

Upon hearing what the guard had just said, Jun Yan was more unsure of Ouyang Feifei's relationship with the man inside.

Jun Yan was worried that they might really be a couple, and it would've been bad if they barged in.

Ye Xun saw that Jun Yan was hesitating and decided to help him a little.

Just as Jun Yan was about to leave, Ye Xun kicked the door down.

The guards tried to stop Ye Xun but were all taken down in an instant.

What they saw then angered them. A middle-aged man was pushing Ouyang Feifei down on the couch. Most of Ouyang Feifei's dress had been torn apart, and she was screaming for help with her remaining consciousness.

Chapter 1419: The Best Chance

Even an idiot could understand that the man was trying to force his way with Ouyang Feifei.

Seeing the sight, a fire was lit up in Jun Yan's gut, and there was no way he could ignore it.

Just as the guards were trying to block them, Jun Yan threw a kick towards one of the guards while Ye Xun tagged along with him in sync, taking out the guards one by one.

When the man, who was called Master Qin by the guards, turned around to look, all he saw was two strangers taking his guards down.

"Who the hell are you two? How dare you ruin my fun!" Master Qin scolded.

"Us? We're here to take your life!" Jun Yan scolded back and punched Master Qin in his face, throwing him backward.

Master Qin fell and crushed the glass table beneath him, shattering it to pieces. Master Qin struggled to get up while he cursed.

But before he was up, Ye Xun followed up and kicked Master Qin in his gut, sending him flying again.

"Leave this guy to me! Go and check on Miss Ouyang!" Ye Xun said to Jun Yan.

Jun Yan looked at the lady who was on the couch. It seemed to him that she was already drunk as she couldn't speak clearly. Her clothes were wet, and parts of them were ripped.

"Miss Ouyang!"

Jun Yan slightly tapped Ouyang Feifei's face. He could smell the alcohol coming from her, but he had no idea how much she had drunk to become that drunk.

"No..." Ouyang Feifei let out a low moan.

It was clear that Ouyang Feifei was being mistreated by Master Qin. Jun Yan could not care less about what relationship the two of them had; he knew that he had to save Ouyang Feifei.

Jun Yan took off his jacket and put it on Ouyang Feifei. He took her back and picked her up from the couch.

Ye Xun was also finishing with Master Qin. With one last kick, Master Qin fell unconscious.

"What should we do? Should we take her to your place first?" Ye Xun asked, thinking that it would be the best time for Jun Yan to be alone with Ouyang Feifei.

"What the hell are you talking about? We're taking her home!"

“...”

Ye Xun was dumbfounded, thinking that Jun Yan would be lucky if he ever got married.

Ouyang Feifei opened her eyes slightly while they were on their way to Guangming Residence due to the shaking of the car. Even though she couldn't see who it was, she could feel that someone was carrying her. The aroma of the man, the male hormone, was exciting her nerves.

Her heart was beating faster than usual, and it felt like she was suffocating.

She felt an urge that she had never felt before. She needed something desperately.

“...”

Ouyang Feifei suddenly hugged Jun Yan, and it stunned him. He had no idea what to do, and he was panicking.

The worst part was that the lady lifted her head up to try to kiss him. He quickly turned his head away to avoid the kiss.

“Ye Xun! Hurry up! I can't hold it any longer!”

Ye Xun looked at them in the rearview mirror and could see that, even though Ouyang Feifei was only half-awake, her hands were going up and down over Jun Yan's body.

Ye Xun wanted to laugh, but he held it in as he thought of something.

“I think she's drugged,” Ye Xun said.

“What?”

Jun Yan had never seen anyone being drugged before and had no idea what was happening.

Chapter 1420: Danger For Her

“You know, the kind of drugs that can make a person go crazy. Do you think she would hug you like this with her personality?” Ye Xun explained.

Jun Yan knew that Ouyang Feifei was a proud lady, and there was no way that she would be so out of her mind.

Ye Xun's explanation could be the only reason.

“Then what should we do now? Can't you think of something?”

It was Jun Yan's first time encountering such a troubling situation. He tried to keep Ouyang Feifei's hands locked.

“What can I do? You're the only one who can help her.”

Jun Yan knew what Ye Xun meant and did not want to comply.

“There's no other option?”

“If you don't want to, we can find another man to help her.”

There was no way Jun Yan would give Ouyang Feifei to another weird man after saving her from one.

He'd already realized that the condition of the lady in his arms was getting worse. Her breathing became faster, as if she was suffocating.

Ouyang Feifei frowned as if she was in pain.

Jun Yan noticed that a lot of red spots were starting to appear on her pale skin.

“Ye Xun, I think she's also allergic to alcohol! Look at her neck!”

“Then we should go to the hospital,” Ye Xun said, unable to see the red spots from the rearview mirror.

Ye Xun made a quick U-turn and drove straight to the military hospital.

Jun Yan could go in and out of the hospital freely as the General, and they quickly found a doctor for Ouyang Feifei.

Examination showed that Ouyang Feifei was under the effect of a type of love drug, but she was showing symptoms of being intoxicated by alcohol.

Most people would not have problems when mixing those two symptoms together, but Ouyang Feifei was another matter. It was a danger to her life.

Ouyang Feifei was burdened with a very complex heart problem. She had to keep herself calm and steady all the time. But the after-effects from the drug and alcohol made her heart beat faster and shocked her into a heart attack.

It would be life-threatening if Ouyang Feifei did not get treated immediately.

The doctors managed to save Ouyang Feifei after proceeding with gastric lavage.

While Ye Xun went to take care of Ouyang Feifei's hospital admission, Jun Yan stayed in the room with her.

He looked at the lady who was lying on the bed. Her face was as pale as a ghost. Jun Yan could not imagine how much he would blame himself if Ouyang Feifei were to die because of his ignorance.

They were lucky that Ye Xun had noticed her at the bar and persuaded Jun Yan to go take a look at her.

All that Jun Yan could do at that moment was wait for Ouyang Feifei to wake up.

While he was waiting, he wondered why Ouyang Feifei would take in such a massive amount of alcohol if she knew that she was allergic to it.

He wondered why she would still go and meet with the middle-aged man.

Ouyang Feifei finally woke up at around 9 in the morning. The first person she saw was Jun Yan, and she thought she was hallucinating.

She closed her eyes and opened them again, only to see Jun Yan still sitting next to her. She couldn't help but widen her eyes to express her surprise.

"You're finally awake," Jun Yan said.

"I..." Ouyang Feifei started to recall what had happened after she met with the middle-aged man.

But she had no recollection of what had happened after she drank the wine.
