

Priceless Baby 1801

Chapter 1801: Stunned

Without any other choices left, Ye Xun thought of phoning someone for help.

But his phone was on the bedside table, and his arms were still tied.

Unable to reach the table with his hands, Ye Xun turned and used his legs. Luckily enough, he had long legs and was able to grab his phone.

Ye Xun laughed as he thought he finally could get free...until he found out the battery was drained from excessive gaming the day before.

Ye Xun stared at his phone helplessly as he was left with one choice left: JS's distress call device.

As soon as the device was activated, the HQ of JS was notified that one of their VIPs was in distress. They immediately sent out a team that was deployed in the Dragon Kingdom to perform a rescue mission.

When the best of JS kicked Ye Xun's door down, they were all stunned by what they saw.

What did they see?

The former JS First Platoon Vice Commander, Dragon Kingdom's General, tied to the bed naked. The first thought that came to the rescuers' heads was that Ye Xun had been raped.

Ye Xun was finally saved, and he quickly put on his clothes as he thanked the mercenaries.

He even ordered them to keep what they saw a secret.

It would be a disaster if the world knew what had happened to Ye Xun. His fame and heroic stories that he risked his life countless times for would all go down the drain.

After tidying himself up, Ye Xun went to look for Huo Sanyan for two reasons. One, he was worried about her wound, and two, there was no way he was letting her meet Bai Yanchuan alone.

But he had no idea where to look for her, and he knew he couldn't call her. That was why Ye Xun decided to ask Jing Xi for help.

The moment Jing Xi heard that Ye Xun wanted her to ask where Huo Sanyan was, she could guess that they were fighting again. Thus, she agreed to help him.

Not long after Ye Xun ended his call with Jing Xi, he got a call back from her, telling him that Huo Sanyan had gone to the hospital and was on her way to meet Bai Yanchuan.

The second part made Ye Xun anxious as he began to worry that Huo Sanyan might leave him for Bai Yanchuan.

To stop that tragedy from happening, Ye Xun quickly jumped into his car and drove to Blue Mountain Café, where Huo Sanyan and Bai Yanchuan were going to meet.

Huo Sanyan went straight to the café after leaving the hospital. The waiter guided her in, and she noticed Bai Yanchuan sitting by the table next to the window.

“Sorry to have kept you waiting.”

Huo Sanyan apologized as she sat down and put her bag on the seat beside her.

“No worries.” Bai Yanchuan smiled. “I just arrived, myself. What do you want to drink?”

“Anything.”

Bai Yanchuan then called the waiter over and helped Huo Sanyan order a latte. When he turned back, he was shocked to see a band-aid under her bangs.

“What happened to your forehead? Did you get hurt?”

“Oh... yeah... I just came from the hospital. Is it that obvious?” Huo Sanyan replied as she took her small mirror out to check.

“What happened? Didn't you say you were exercising this morning?” Bai Yanchuan asked.

“Yeah, I kinda slipped and hit my head. What luck.”

The question reminded Huo Sanyan of what Ye Xun had done to her and she scolded him in her head.

That moron! He better not bother me today!

Bai Yanchuan did not question any further, and they began to chat over cups of coffee.

Bai Yanchuan told Huo Sanyan about his development plan and asked for her advice.

Chapter 1802: Unacceptable

Huo Sanyan thought that if Bai Yanchuan's Bo'si Picture could establish a subsidiary company in the Dragon Kingdom, Kaidi could co-invest in projects with the new company.

Just as they were discussing, a man came into the café.

The man took off his sunglasses, and his eyes landed on a man and woman sitting by the window.

He frowned the moment he saw them.

Ye Xun was jealous of Bai Yanchuan for being flirty with Huo Sanyan.

Ye Xun never even had the chance to talk with Huo Sanyan like Bai Yanchuan did. Seeing Huo Sanyan laughing so naturally hurt him.

He was furious, yes, but he still kept his cool. He suppressed his anger as he approached them.

Just as Bai Yanchuan was immersed in his conversation with Huo Sanyan, he realized a man was standing behind him. He turned around to see a man in a black military uniform smiling at him.

Realizing Bai Yanchuan had stopped talking, Huo Sanyan raised her head up and was shocked to see Ye Xun by her table.

“What... Why are you here?”

Huo Sanyan recalled tying Ye Xun to the bed.

She was worried that Ye Xun might cause a scene to get his revenge on her.

But to her surprise, Ye Xun remained calm and greeted, "How are you, babe?"

Ye Xun then sat down next to Huo Sanyan and rested his arm on her shoulder.

He turned to Bai Yanchuan and said, "So, it's Mr. Bai who my girlfriend is meeting. How are you?"

"I'm doing great, thank you. It's been a while, hasn't it, Mr. Ye?" Bai Yanchuan greeted.

The two men shook hands with fake smiles on their faces.

"Do you have nothing to do recently? Seeing that you have the time to visit the Dragon Kingdom..." Ye Xun smiled.

Ye Xun was implying Bai Yanchuan should stay away from his girl.

"I was thinking of setting up a company here. I needed Yanyan's help," Bai Yanchuan replied.

He would usually address Huo Sanyan as Ms. Huo, but he intentionally called her Yanyan this time just to annoy Ye Xun.

And it was effective.

Ye Xun was holding back his urges to hit him.

"All right! How long are you two going to shake hands?" Huo Sanyan scolded.

The men took their hands back, and the tension lightened a little.

"Mr. Ye, you look like you have a lot of free time, too," Bai Yanchuan joked.

"And what does that have to do with you?" Ye Xun snorted.

"Oh, I'm just curious." Bai Yanchuan smiled and turned to Huo Sanyan. "So, where were we?"

"Right. We were talking about the approval of the company. That's easy. I have someone I know that can help you."

Huo Sanyan and Bai Yanchuan continued where they left off but were cut off by Ye Xun again.

"Yanyan, what do you want to eat tonight? I'll go and buy some ingredients."

"We'll talk about it later." Huo Sanyan simply brushed the question off.

Chapter 1803: Protection Detail

Huo Sanyan picked up her cup and was about to drink her coffee when Ye Xun took it away from her.

"Didn't I warn you not to drink coffee? It's bad for your body since we're planning to have a baby," Ye Xun said. "I'll get some warm milk for you."

Ye Xun then called the waiter over and ordered a glass of warm milk for Huo Sanyan.

Huo Sanyan just stared at Ye Xun the whole time, wondering what the man in front of her was up to.

She was furious but had no idea how to scold back.

“Go home now!” Huo Sanyan scolded. “I still have some business to talk about with Mr. Bai.”

Huo Sanyan wished that Ye Xun could give her space to make her own friends.

“Oh, don't mind me. Just think of me as your protection detail. It would be bad if something happened to you.”

Ye Xun purposely said this in front of Bai Yanchuan.

“Yanyan, are you pregnant?” Bai Yanchuan asked.

“What... Cough!”

Bai Yanchuan's sudden question startled Huo Sanyan, causing her to spill some of the milk that she was drinking onto Bai Yanchuan's shirt.

She almost choked on the milk too. Seeing Huo Sanyan having a hard time, Ye Xun patted her back to help soothe her.

Huo Sanyan scolded Ye Xun in her head, wondering what the man next to her was trying to lead to.

He even faked that she was pregnant in front of another person.

“No, no! I'm not pregnant! Don't believe him!” Huo Sanyan quickly corrected Bai Yanchuan as she handed him a napkin. “I spilled some milk on you, right? Let me clean it for you.”

“It's fine. Excuse me, I'll need to use the restroom,” Bai Yanchuan said, leaving for the restroom.

As soon as Bai Yanchuan was gone, Huo Sanyan turned to Ye Xun and pulled his ear.

“What the hell do you think you're doing?”

“Ouch! Honey, that hurts!”

“I'm not your honey!” Huo Sanyan scolded as he let Ye Xun go and turned to the other side.

“I'm sorry... I just don't want to see you with that person...,” Ye Xun explained.

“Since when am I WITH that person? We're just talking about business! Can't you be more trusting?”

“Okay... Then I won't interfere with your conversation, I promise!”

“How did you even get out? Didn't I tie you down already?”

Huo Sanyan was mildly impressed by Ye Xun's ability to free himself from those belts.

“I didn't even need to try. It's my house and my belts, how hard could it be?”

Ye Xun was never going to let Huo Sanyan know that he had actually asked JS for help.

“Come, let me take a look at you,” Ye Xun said as he gently moved Huo Sanyan's fringe to the side.

“Don't touch me! It hurts!”

Huo Sanyan slapped Ye Xun's hand away.

“Why don't you go back with me and get some rest? Let me take care of you.”

Ye Xun was trying to make up for what he had done to her.

“Can't you see I'm busy? Go back on your own!”

“Fine. I'll be taking my leave then.”

Ye Xun got up from his seat.

“Oh, I'm not going to be back for dinner tonight,” Huo Sanyan said.

“Where are you going?”

Chapter 1804: A Couple

“...” Huo Sanyan did not reply and just gave Ye Xun a warning stare.

“Fine, fine! I won't ask. Call me when you want to go back. I'll come and fetch you.”

“Okay.”

Ye Xun turned to leave. But before he reached the door, he decided to take a detour to the bathroom.

Bai Yanchuan was washing his hands when Ye Xun appeared in the mirror.

Bai Yanchuan's lips arched up a little and he wiped his hands before turning to face Ye Xun.

“Do you need to use the bathroom too?” Bai Yanchuan asked.

Ye Xun stared at Bai Yanchuan for a few seconds before grabbing him by his collar and pushing him to the wall. Ye Xun then formed a fist and punched the wall next to Bai Yanchuan's face.

“This is my only warning. Stay away from my wife!” Ye Xun warned.

“Oh, are you two officially married?” Bai Yanchuan asked with a smile.

“Why do you care? Official or not, she's my woman! And stop calling her Yanyan!”

Ye Xun's warning was filled with killing intent.

“I've never thought of going anywhere with Ms. Huo.” Bai Yanchuan smiled. “But then again, she's fascinating. At least she has the charm to make you go mad.”

“You bastard!”

Ye Xun threw a punch at Bai Yanchuan's face, but his fist was caught in mid-air.

“Are you sure you want to do this?” Bai Yanchuan asked. “If you hurt me and Ms. Huo sees it, how will she react? What if she becomes worried about me?”

Ye Xun was a person who would always give in to his impulse and never think of the outcome. Bai Yanchuan's words woke Ye Xun up, and he realized he was right.

He would definitely be hated if Bai Yanchuan were to get hurt.

Two good looking men were now next to the bathroom door. Bai Yanchuan had his back to the wall as Ye Xun had one of his hands next to Bai Yanchuan's head. People would mistake them for a couple if they suddenly came into the toilet.

And unluckily, a guest walked into the toilet and saw them there.

“Oh, I'm so sorry. Please continue...,” the guest apologized and quickly left.

Ye Xun quickly pulled his arm back.

“Consider yourself lucky today!” Ye Xun scolded and turned to leave.

“Mr. Ye, is it okay if I ask Ms. Huo to a party tonight as my date?” Bai Yanchuan asked before Ye Xun left the bathroom.

“What?” Ye Xun stopped and turned back around.

He then realized that Huo Sanyan wasn't planning to have dinner at home because she had a date with Bai Yanchuan.

“Are you trying to challenge me?” Ye Xun scolded. “Do you need me to beat you half to death so that you can remember who you're talking to?”

“You do know that your impulsivity is the reason you still haven't gotten her heart, right?” Bai Yanchuan laughed. “If you're so worried about your woman, why don't you join us tonight too?”

Stunned by Bai Yanchuan's invitation, Ye Xun began to wonder what Bai Yanchuan was planning.

Chapter 1805: Dress Up

Ye Xun stared at Bai Yanchuan, as if he was telling him to not challenge his limits.

“9 tonight, at Shengjing Hotel. I'll see you there.”

Bai Yanchuan said this and left, leaving Ye Xun staring at him.

Huo Sanyan was still sitting by the table waiting for Bai Yanchuan to return. They did not converse any further and were about to leave.

“Let me drive you to your company,” Bai Yanchuan offered.

“Oh, thank you, but I brought my own car today.” Huo Sanyan politely declined as she shook her car keys in her hand.

“I see. Then I'll come and pick you up tonight.”

“Okay. Let me know beforehand.”

Huo Sanyan and Bai Yanchuan left the café and got into their own cars.

Ye Xun was hiding in the dark and let out a sigh of relief when his woman got into her own car instead of another man's car.

He then thought of the party that night and knew that he had to dress well, at least better than Bai Yanchuan.

He had to think of ways to get his woman to look at him.

Huo Sanyan went back to her office and started to focus on work.

But just as she flipped open the document in front of her, a message came in. She peeked at her phone and saw that it was from Ye Xun.

[How's the wound? I didn't have the chance to ask you just now. (worried emoji).]

Huo Sanyan sighed. She knew Ye Xun well enough to know that if she didn't reply, he would just keep spamming her, or even worse, he might just show up at the office.

[I'm fine. Stop texting me. I'm busy!] Huo Sanyan replied.

She picked the pen up, and before she could write a word, she got another message.

[Can you forgive me? It really was an accident...]

Huo Sanyan scolded at her phone as she texted back.

[I'm not mad anymore! I forgive you! Now buzz off!]

This time, another message came in before she could put her phone down.

[Come to the window.]

Wondering what Ye Xun was planning again, Huo Sanyan got up and went to the window wall.

She could see the plaza that was in front of her company from the window.

And on the plaza, she spotted Ye Xun looking at her.

When Ye Xun saw Huo Sanyan by the window, he pointed to his side. Huo Sanyan's eyes followed where Ye Xun was looking at and saw a huge red heart on the floor.

Inside the heart was her name.

Not only did Huo Sanyan notice it, but the whole company could also clearly see it.

“Look! Is someone confessing to our president?”

“Oh my! Are those all tomatoes?”

“I've seen people do it with candles or roses, but using tomatoes is definitely a first!”

“But it's still romantic, isn't it?”

Almost none of Kaidi's employees had any idea about what Huo Sanyan's love life was like. They had no idea that she even had a boyfriend.

They always thought of her as a strong independent woman, and no one was able to win her heart.

Ye Xun then made a heart with his arms, telling Huo Sanyan that he loved her.

Then he took out a flag from behind his back, and “Sorry” was written on it.

Chapter 1806: Embarrassing

Ye Xun was trying to tell Huo Sanyan five words.

[I'm sorry! I love you!]

As the man kept waving the flag under the building, he began to attract more and more attention. Huo Sanyan began to wonder if the man that was known as the country's general had any pride or not.

Even if Ye Xun wasn't embarrassed by his actions, Huo Sanyan was. She quickly took out her phone and called him.

Ye Xun had been waiting for her call and quickly answered it.

“Hello?”

“That's enough. I'm begging you, please stop. Don't interrupt my work. Hurry up and take those things away. You have 20 minutes. That's an order!”

Huo Sanyan said what she wanted to say and hung up the call.

Ye Xun was utterly stupefied. He was puzzled as to why Huo Sanyan wasn't touched by his actions.

He had seen people proposing using the same method, and the women would always end up in touching tears. Some would even run into their men's arms.

But Huo Sanyan was different.

She wasn't even slightly moved.

Just as Ye Xun was thinking of how to dispose of all the tomatoes, a cleaning lady walked past him. Ye Xun stopped the cleaning lady and gave her all the tomatoes he'd bought, which made the cleaning lady really happy.

Huo Sanyan looked at Ye Xun giving the tomatoes to the cleaning lady and then stabbing the flag into the grass next to him before leaving without turning back.

She looked at his lonely back, and she felt like she was being stabbed in the heart.

She began to question herself as to why she was treating Ye Xun poorly.

She admitted that Ye Xun was a great person, and she wanted to have a good relationship with him. But the point was that she couldn't.

And the most likely reason she could find was that she wasn't that deeply in love with him.

Huo Sanyan had her company's stylist help her style her hair after work for the party.

She then changed into a black dress with a jacket over it.

She walked out of the building and found a car already waiting for her. She guessed that it was Bai Yanchuan's car.

Bai Yanchuan had called her beforehand, telling her that he would send his driver because he had an urgent matter to attend to.

Huo Sanyan walked towards the car, and the driver, who was standing in front of the car, opened the door for her.

"Ms. Huo, Mr. Bai has ordered me to pick you up," the driver greeted.

"Thank you."

Just as Huo Sanyan was about to get into the car, a military off-road vehicle rammed into the back of the luxury car.

Bai Yanchuan's car was instantly pushed away. When the driver came to his senses, the car was already not in front of him anymore.

The window of the off-road vehicle rolled down, and behind it was a man in a pair of sunglasses. Even though part of his face was covered with sunglasses, it wasn't hard to tell he was good looking.

Huo Sanyan just stared at the man as she was still recovering from what had happened.

The man then took his sunglasses off and smiled at her.

Huo Sanyan's expression immediately changed as the man was Ye Xun, and he'd almost killed her.

Chapter 1807: Surprised?

Ye Xun opened the door and looked at the stunned driver.

"I'm sorry. Tell Mr. Bai that I'll pay for the repairs," Ye Xun said and handed the driver his card before turning to Huo Sanyan.

"Come on, my love, let me drive you there."

Ye Xun winked.

"Why are you here? Didn't I say I would be back late today? I have a party to attend."

Huo Sanyan scolded Ye Xun and did not get into his car.

"I know. That's why I'm here."

"Can I just get another car? I'm not going to the party in that."

Huo Sanyan pointed at the off-road vehicle that Ye Xun drove.

"You can try, but you are definitely not going into another person's car other than mine tonight."

Ye Xun stared at Huo Sanyan as if he was telling her that she was his and could only be his.

Huo Sanyan then looked at Bai Yanchuan's white car. The car's back bumper was trashed so badly that it was a pain to look at. Not wanting to ruin another car, Huo Sanyan agreed to ride with Ye Xun.

Ye Xun got into the driver seat after helping Huo Sanyan into the passenger's seat. He then moved towards Huo Sanyan, which shocked her, as she thought he was about to kiss her.

But he was just helping her with the seatbelt.

After helping Huo Sanyan put her seatbelt on, he kissed her cheek and complimented, "You smell so nice."

"It's perfume."

Huo Sanyan snorted and rolled her eyes.

But she was thankful that Ye Xun did not kiss her on her lips, or else she would have had to reapply her lipstick again.

Ye Xun started the engine and said, "No perfume for you in the future."

"Why?"

Huo Sanyan could tell Ye Xun was going to give some crazy reasons again.

"Do you know how attractive you are with perfume? Only I am allowed to smell you with perfume on!"

"Why do you have to control everything I do?" Huo Sanyan scolded.

"It's not I want to control you, but I don't want you to attract other men."

Perhaps because of her beauty or the aura she gave off, Ye Xun was always worried.

He was worried that she would meet some pervert and get assaulted or that she would just attract other men.

“So, you're saying that I should cover myself up like all those Muslims?”

“That would be great!”

“You're impossible!”

Huo Sanyan roared and stopped talking to Ye Xun.

The hardly talked on the way to the hotel. When they reached it, Ye Xun helped Huo Sanyan out of the vehicle.

“You can go back now,” Huo Sanyan said.

“Back where? I canceled all of my plans so that I could attend the party with you. Are you surprised?”

“You? Attending the party?” Huo Sanyan asked and wondered if she was having a hallucination. “You always said that you hated this kind of place.”

“Yes, but I'm willing to do anything for you.”

“Or you're just afraid that I will run off with another man...”

Chapter 1808: Jealous

Yes, you're right!

Ye Xun agreed quietly and showed his arm to Huo Sanyan.

“Come on.”

But Huo Sanyan did not grab his arm. When Ye Xun turned and looked, Huo Sanyan was already walking into the hotel.

“Hey! Wait up!”

Ye Xun chased after Huo Sanyan and caught up with her in the lobby. Huo Sanyan stared at Ye Xun coldly with clear signs that she was annoyed.

“Come on, don't be angry. It'll ruin your good looks.” Ye Xun smiled as he grabbed Huo Sanyan's hand.

Huo Sanyan then let out a sigh. She had given up on arguing with Ye Xun.

“Fine. But don't you dare interrupt me when I'm talking at the party, you hear me?” Huo Sanyan warned.

“Not a problem!” Ye Xun promised.

“And I'm going in alone too. We'll just pretend that we don't know each other!”

“Okay.”

Ye Xun willingly agreed to all of Huo Sanyan's conditions, as long as she was willing to let him stay.

Huo Sanyan walked into the main hall first and found Bai Yanchuan talking with a few hotshots in business and politics.

Bai Yanchuan was the host of the party. He was planning to gain more contacts in the Dragon Kingdom for further developments in the country.

Huo Sanyan garnered a lot of attention as soon as she walked into the hall due to her being the president of Kaidi and royalty.

Bai Yanchuan also noticed Huo Sanyan coming and quickly greeted her.

A lot of Bai Yanchuan's guests were also eager to become acquainted with Huo Sanyan.

A few minutes later, shrieks of maidens could be heard near the door.

Everyone, including Huo Sanyan, turned to look at what the commotion was. What they saw was six military men guiding Ye Xun into the venue.

To Huo Sanyan, seeing Ye Xun was her everyday life; but to other women, he was a legend.

Ye Xun was the youngest General in the world. Not only was he good looking, but he had also achieved a lot for the Dragon Kingdom in the past three years.

He was one of the men that women in the Dragon Kingdom dreamt of having as their husband.

"It's Ye Xun! General Ye!"

"It's such an honor to be able to meet him!"

"I'm so getting his autograph later!"

"Count me in!"

Huo Sanyan's lips twitched as she heard the women beside her discussing Ye Xun. She secretly laughed inside her head, as they had no idea what kind of person Ye Xun really was.

He was the type of person who would pick his nose and fart everywhere. If people knew that their prince charming was like that, they would never shriek for him.

Huo Sanyan had been staying with Ye Xun for long enough to know all his shortcomings.

But when Huo Sanyan saw Ye Xun being surrounded by girls, she became a little jealous.

She regretted permitting him to join her at the party because he would become the center of attention for every girl present.

"Oh, it's Mr. Ye." Bai Yanchuan smiled. "Come on, let's go greet him."

"What for? Didn't we just see him this morning?" Huo Sanyan pouted.

Chapter 1809: Weird Phenomenon

"Fine, I'll go. He's my guest after all," Bai Yanchuan said.

He went and greeted Ye Xun and brought him back to Huo Sanyan and joked, "Do you two know each other?"

Huo Sanyan stared at Ye Xun, and Ye Xun quickly chased the girls that were trying to get close to her.

Ye Xun then extended his hand and said, "Isn't this the queen of Kaidi that's beloved by the people of the Dragon Kingdom?"

"You and your sweet talk!" Huo Sanyan scolded. "And here I was thinking about why you wanted to come. You're just here because there are a lot of pretty ladies here, aren't you?"

Ye Xun smiled and lowered his head to whisper into Huo Sanyan's ear.

"What? Did you get jealous because I was talking to other girls?"

"Me? Jealous? That's funny!"

Huo Sanyan scolded him and drank her glass of champagne in one go.

Ye Xun smiled and got a glass for himself from the waiter too. Seeing Huo Sanyan jealous because he was talking to other girls, Ye Xun was glad, because it meant she still cared about him.

Since a lot of people didn't know that Ye Xun and Huo Sanyan were a couple, a few ladies still tried to get Ye Xun's autograph from him.

"General Ye! Can... can I have your autograph? I'm a fan of yours..."

A teenage girl stood in front of Ye Xun and begged him. Ye Xun smiled and signed his autograph for her.

"Can... can I take a photo with you too?"

Ye Xun looked at Huo Sanyan. If Huo Sanyan did not mind, Ye Xun was planning to fulfill the girl's wish.

Since Huo Sanyan seemed like she wasn't going to say anything, Ye Xun was about to accept but was abruptly cut off by Huo Sanyan's voice.

"I'm sorry, little girl, but taking a photo of the General is a violation of the country's law."

Disappointed, the girl sighed and left.

Huo Sanyan then turned and saw that Ye Xun was smiling at her.

"What are you smiling at?"

"Well, because you're cute," Ye Xun replied.

Huo Sanyan just stared at him and didn't say anything.

Even Huo Sanyan herself had no idea what had just happened to her. She thought that she didn't care about the man in front of her, but when she saw him talking to another woman, she felt dejected.

It was as if her heart was telling her that the man in front of her was hers.

What Huo Sanyan had no idea about was that Ye Xun's heart was also telling him the same thing. After that, a weird phenomenon occurred.

All of the men that tried to flirt or talk with Huo Sanyan were interrupted by Ye Xun. He used all kinds of reasons to help Huo Sanyan decline all invitations.

Huo Sanyan was getting furious as the whole point of attending the party was to get to know more people and do some business.

Since Ye Xun wasn't going to let her talk with other men, Huo Sanyan did the same thing back to him.

All of the ladies that tried to invite Ye Xun to dance were all declined by Huo Sanyan.

Not long after that, most of the people that came in pairs were already dancing on the dance floor.

Bai Yanchuan came back from greeting all his guests and could see some tension between Ye Xun and Huo Sanyan.

"Ms. Huo, how about a dance with me?" Bai Yanchuan asked with a smile.

Chapter 1810: Too Tight

Since Huo Sanyan did not want to stay with Ye Xun, she took her jacket off and replied, "Sure thing."

But before Bai Yanchuan could take Huo Sanyan's hand, Ye Xun pulled her back.

"Mr. Bai, why don't you rest a little? I can dance with my woman." Ye Xun smiled and pulled Huo Sanyan onto the dancefloor.

It was as if Ye Xun had become another person as he walked onto the dance floor. He grabbed Huo Sanyan by her waist and pulled her into his arms until their bodies were touching.

Huo Sanyan quickly arched her upper body a little and scolded, "Hey, you're hugging me too tight!"

"I'm worried that you might fall."

Ye Xun made a lousy excuse and began to lead the dance.

Huo Sanyan was surprised that even when Ye Xun was more like a rude and stern person, he danced very well.

Ye Xun and Huo Sanyan moved their bodies with the music. They hugged, then parted a little, made a spin, and then hugged again.

Ye Xun was leading the whole dance as Huo Sanyan followed his lead. As they became more immersed in the dance, the other guests evacuated the dance floor for them.

A dashing man in military uniform and an exquisite woman in a black dress. Their dance was flawless.

Huo Sanyan slightly bent back a little as Ye Xun supported her by her waist at the end of the dance. The man stared at her affectionately from above as the music stopped.

Claps and cheers could be heard from the crowd as Ye Xun pulled Huo Sanyan up and they left the dance floor together.

Huo Sanyan was already sweating a little from the dance and grabbed her glass from Bai Yanchuan to rehydrate herself a little.

But Ye Xun stopped her from drinking and swapped her glass of champagne for a glass of lemon water instead.

“Here, drink this.”

“What? Do you even have to control what I drink now?” Huo Sanyan scolded.

“No, I'm just worried that Mr. Bai might have drugged your drink.”

“You're just paranoid!”

Huo Sanyan knew that all Ye Xun was trying to do was to not let her come in any form of contact with Bai Yanchuan.

“Mr. Ye, are you questioning my integrity?” Bai Yanchuan asked as he shrugged.

“Yes. You look like a villain to me,” Ye Xun replied.

“That's a good one!” Bai Yanchuan laughed. “Come, let's have a drink.”

Bai Yanchuan raised his glass to cheers with Ye Xun.

Even though Ye Xun said that Bai Yanchuan looked like a bad person, he still clinked glasses with him generously.

“Ms. Huo, a few businessmen are interested in the project, and they want to meet you later,” Bai Yanchuan then said.

“Oh, no problem,” Huo Sanyan nodded.

A few minutes later, Bai Yanchuan guided a few men back.

Bai Yanchuan introduced Huo Sanyan to them.

As one of the men shook hands with Huo Sanyan, he was gazing at her from top to bottom as if he was looking at tasty prey.

Ye Xun quickly pulled Huo Sanyan's hand back and shook hands with that man instead.

Bai Yanchuan introduced who Ye Xun was, and the man expressed his honor to be able to meet him.

Ye Xun kept a poker face and increased the strength in his grip.

“Ge... General Ye...” The man was in pain.

Huo Sanyan noticed what Ye Xun was doing and lightly elbowed him. It was only then that Ye Xun let the man's hand go.

After the businessmen left, Huo Sanyan scolded, “What are you doing? Is that how you're supposed to shake hands?”
