

Priceless Baby 1841

Chapter 1841: Really Provoked Him

Once Huo Sanyan heard he was here to interfere with her freedom again, she really couldn't speak amiably with him anymore. "I say, Mr. Ye, aren't you trying to control too much? Or is it that your old bad habit has a delayed reaction? We already broke up, so who are you to control who I am with? What right do you have to ask about my affairs? Who made you boss?"

Ye Xun: "..."

She stifled him up to the point where he was speechless and almost vomited blood.

After pausing for a long while, he tried his best to control his emotions and said, "As... your ex, I am just giving you a word of advice. If you are just randomly going out with any guy because you are mad at me, then, Huo Sanyan, I really pity you."

It could be said Huo Sanyan and Bai Yanchuan being together really provoked Ye Xun. At least Ye Xun now believed it to be true.

The thing he was worried the most about was that Huo Sanyan might just get together with any other guy, even to the point of...sleeping with them.

Whenever he pictured his woman in such a scene with a man, his heart would start to go crazy.

If it weren't for him listening to Jing Xi's plan, he might have told her the truth a long time ago.

Right after Ye Xun said those words, Huo Sanyan stayed silent for a while before finally letting out a cold laugh. "Ye Xun! Anyone can criticize me but you! Because you don't have the right! Just control your own self! Do unto others as you would have them do unto you! Do you not understand this principle?! Ye Xun, I have nothing left to say to you right now. Take care of yourself!"

Huo Sanyan finished speaking, lifted up her skirt, turned around, and walked back to the party.

Ye Xun stood where he was by himself as he looked at the woman he loved moving further and further away from him. He felt as though a kind of invisible force was gripping his throat.

He wanted to take her away, wanted to tell her everything was fake. The person he loved was her and that had never changed.

However, he didn't have the ability and didn't have the strength. The time wasn't right yet. If he ruined the plan on his own, it would only cause Huo Sanyan and his relationship to drift further and further apart.

That's why... the only thing he could do was to endure.

In the end, Ye Xun punched the wall with his fist. This was the only way for him to vent his frustration.

Not having Huo Sanyan really made him feel like he was about to go crazy!

Huo Sanyan went back to the party and went back beside Bai Yanchuan again. Ning Luoxiao saw she came back by herself and asked, "Where's Ye Xun? Didn't he come back with you? President Huo?"

"I don't know." Huo Sanyan didn't want to mention that name.

Before, she kept holding on to the hope that Ye Xun would come back to look for her and reconcile with her. But now it seemed she was wrong!

That man already found a new girlfriend but he still liked to interfere with other people's affairs. He even had to get involved with who his ex-lover's boyfriends were.

Ye Xun only showed his face after a long time. He didn't seem to have any emotion after he came back.

The party continued and there were some fiery performances. However, each of them was preoccupied with their own thoughts and didn't have the heart to watch them.

After that, Huo Sanyan shuttled around the party with Bai Yanchuan. Tonight, she was like the main character at the party, shining brilliantly.

No matter where she stood, there would be men following her with their gazes.

Ye Xun saw this in the crowd and really couldn't take it. If it were before, he definitely wouldn't have allowed her to dress so revealingly.

If their relationship were like the past, at least he could stand next to her and put his jacket over her shoulders to block her from outside gazes.

However, with so many lustful eyes on her right now, he could only be a stranger. This was such a terrible feeling.

Chapter 1842: Not Having Enough Feelings

Since there was another event the next day, the host even booked rooms for his guests after the party so that they could stay.

Coincidentally, Ye Xun and Ning Luoxiao's room was just across from Bai Yanchuan and Huo Sanyan's.

Ye Xun could only stare at Huo Sanyan going into her room as Bai Yanchuan followed after her. Bai Yanchuan even threw Ye Xun a victorious look before shutting the door.

The look was enough to hurt Ye Xun.

How he wanted to go in after them, but Ning Luoxiao pulled him back.

"Don't. You'll ruin everything," Ning Luoxiao whispered.

Ye Xun understood what Ning Luoxiao meant. He wholly regretted dragging Huo Sanyan out from the party moments before. Now, he could only follow Ning Luoxiao into their room.

Ye Xun undid the first two buttons of his shirt and paced back and forth in the room.

"Seriously! Can you just sit down? Calm the hell down!" Ning Luoxiao scolded.

"Didn't you see that bastard going into the room with my wife? What if they are going to... you know..."

Ye Xun was going crazy. He couldn't even start to describe how depressed he was.

"Why do you have to think of the worst possible scenario? What if they are just going to talk, just like we are doing? A person as independent as Ms. Huo isn't as impulsive as you think."

"Wait... You're right! She's not really into having sex!" Ye Xun exclaimed.

"Really?" Ning Luoxiao expressed her surprise. "Could it be that she just didn't have enough feelings for you?"

Ning Luoxiao's words broke Ye Xun's heart once again.

Because Ning Luoxiao might have been right.

Huo Sanyan never liked Ye Xun enough, which resulted in her not wanting to have sex.

But what if her boyfriend wasn't Ye Xun anymore and was the charming Bai Yanchuan?

Thinking of what could happen, Ye Xun could feel himself going crazy.

He only had one last choice, and that was to call Jing Xi.

Jing Xi had just finished her shower and was lying in her husband's arms. Just when Huo Yunshen was about to do something, her phone rang.

"Xiaoxi! What should I do? She went in with that Bai guy!" Ye Xun wailed and explained everything.

"Why did you have to go and ruin everything?" Jing Xi sighed after hearing Ye Xun's story. "Didn't I tell you not to do that no matter what happened? You're just pushing her into another man's arms right now... All you can do now is just wait for the right time."

"When is the right time? It's killing me!"

After hanging up the phone, Ye Xun could still feel his heart tightening. Yet, he had no other choice but to wait.

He then took his jacket and was ready to leave.

"Hey! Where are you going?" Ning Luoxiao asked.

"I need to get some air...," Ye Xun said and left.

Bai Yanchuan was lying on the bed watching television while Huo Sanyan sat on the couch thinking of what Ye Xun was doing.

"Hey... what do you think they're doing right now?" Huo Sanyan asked.

Chapter 1843: Touched A Nerve

Bai Yanchuan shot a glance at her. "They are a man and a woman sharing a room. What else can they do?"

That was true. With Ye Xun's ability, there was no way they wouldn't do it until the sky was covered in darkness. Just picturing Ye Xun being with another woman brought Huo Sanyan close to crumbling.

"Are you men really so obsessed with those kinds of things? Then why do I feel those things are not at all meaningful? I never want to do that with him. Why do you think that is?"

"Because you don't love him. Or, you don't love him enough."

Huo Sanyan: "... He touched a nerve!

She did, in fact, feel that she didn't give Ye Xun enough love. Was it because of this?

After being silent for a while, Huo Sanyan asked again, "Then what should I do now? Are we just going to stay here tonight?"

"What else do you want to do?" Bai Yanchuan asked.

"I can't accept this! Why is he able to live freely and cheerfully on the other side while I have to stay here and sulk!"

Huo Sanyan suddenly stood up and threw caution to the wind. "Why don't we do this!? How about we try it and see if I will treat you more passionately?"

Huo Sanyan walked towards Bai Yanchuan as she spoke and when he saw her walk over, he was a bit stunned. "Hey! What are you trying to do? You can't be serious, right?"

"I only want to try it to see if I am only indifferent to Ye Xun or if I'm indifferent towards all men." Huo Sanyan said her reasons. She wanted to see if there was something wrong with her body.

If she was sick, she needed to quickly go treat it. It was only after she was treated that she wouldn't brush aside Ye Xun's interest when she was doing that with him.

Huo Sanyan came over and held Bai Yanchuan straight away. The two of them faced each other and sank into silence. Huo Sanyan suddenly shouted, "Oh my god. I'm eighty percent sure I am sick! I also can't kiss you!"

"That's enough, auntie. Stop thinking nonsense and go wash up and sleep soon! I will head out for a drink now!"

Bai Yanchuan quickly pushed her away, picked up his coat, and headed out.

He was the type of man who wouldn't let a leaf touch his clothes while passing through a bed of flowers. He didn't like to get tangled up in a relationship with a woman. That's why when Huo Sanyan wanted to use him to experiment, it was best if he quickly slipped away.

After Bai Yanchuan left, Huo Sanyan finally realized her problem. She really might be sick!

She quickly searched online on her phone and a phrase popped up: indifference towards sex.

Huo Sanyan looked at the description of indifferent towards sex and she felt like she was infected!

She was finished!

She really was sick! And it was severe as well!

And so, she decided to make an appointment with a doctor the next day to examine her body for problems.

In the hotel's small pub.

When Bai Yanchuan came over for a drink, he found Ye Xun sitting there by himself, drinking to drown his sorrows.

Bai Yanchuan sat down beside him and placed the room card on the table. He asked the bartender to mix him a Bloody Mary.

“Hey, why are you drinking here?” Bai Yanchuan asked.

Ye Xun turned his head and saw him. He regained his senses and his eyes lit up. “You! Why are you also here?”

“Oh, I really couldn't stand Yanyan's enthusiasm. I am really about to collapse! That's why I came out for some air!” Bai Yanchuan said it as if it was expected as a matter of fact.

When Ye Xun heard this, his brain would naturally imagine the scene where Huo Sanyan and Bai Yanchuan finished being passionate. He suddenly felt like a thousand arrows had pierced through his heart.

The hurt Ye Xun could only drink to dispel the pain.

Bai Yanchuan's Bloody Mary was finished and the two men started to drink together.

After drinking for a while, Ye Xun suddenly grabbed Bai Yanchuan's collar, warning him severely, “Bai Yanchuan! If you dare to bully Huo Sanyan, I will never forgive you!”

“You can't let her go?” Bai Yanchuan wasn't afraid as he knew the truth. “Since that is the case, then why did you find another girlfriend?”

Chapter 1844: Doing Something Wrong

Ye Xun pushed Bai Yanchuan back a little and chucked down a half glass of his cocktail.

He then put his glass down and said, “She's not my girlfriend... We're just friends. I asked her to help me, to pretend to be my girlfriend so that I could irritate Huo Sanyan.”

Ye Xun then finished his cocktail before continuing.

“You have no idea... I'm the one who got abandoned... the one who got forgotten... Three years...”

Perhaps because of the alcohol, Ye Xun began to tell Bai Yanchuan about the story between him and Huo Sanyan.

It was only then that Bai Yanchuan understood what had really happened between them.

Huo Sanyan was the one who was crazy about Ye Xun at the beginning, while Ye Xun was cold to her.

Then Hawaii happened, and Huo Sanyan lost her memories. It was then that Ye Xun began to realize that he'd fallen for her.

Then their roles switched. Ye Xun had been trying to win Huo Sanyan over ever since the incident. But throughout the three years, Huo Sanyan never fell for him.

Huo Sanyan had lost the love she'd had for him.

Bai Yanchuan comforted Ye Xun by patting his shoulder and stayed with him for a few more drinks.

They drank until they were both drunk and walked back to their rooms.

"Where's the door?" Ye Xun was trying to open the door, but he felt like the door in front of him was climbing up the wall.

Bai Yanchuan fell down and sat by the door.

"You're a good drinker... Let's... Let's have a match next time...," Bai Yanchuan said.

He then closed his eyes and fell asleep. The president of Baisi Group was just sitting there, sleeping on the floor.

Ye Xun finally opened the door and went into his room.

He located the bed and fell straight onto it.

Bai Yanchuan was left outside in the corridor. Ning Luoxiao was in her room and could hear someone talking outside moments before. She thought Ye Xun was back and opened the door for him. She jumped in surprise as a man fell into her room after she pulled the door open.

She then took a peek at who the person was, and she could feel her heart beating really fast when she saw his face.

It was her prince charming.

Ning Luoxiao quickly peeked outside the corridor like she was about to do something wrong and made sure no one was there.

She then decided to pull Bai Yanchuan into her room.

She closed the door and looked at Bai Yanchuan, who was now sleeping on the floor in her room.

She began to panic, as she had no idea what to do next.

She knew that she couldn't let him sleep on the floor, so she carried him to the bed.

Ning Luoxiao then helped take Bai Yanchuan's shoes off and stared at him.

The more she looked, the more handsome he seemed to her.

Ning Luoxiao's story with Bai Yanchuan went way back when they were little.

When she did the interview with Bai Yanchuan, he had no idea that they used to live in the same welfare center before.

They were like siblings, and Bai Yanchuan would protect Ning Luoxiao from anything.

Then, she was taken back to the Ning family and changed her name.

Ning Luoxiao had been looking for Bai Yanchuan for ten years since then. But when she found him, she also learned that he had someone he loved. Realizing that, Ning Luoxiao decided to hide her affection for him.

Chapter 1845: Sneak A Kiss

Ning Luoxiao waited until Bai Yanchuan was single again. She asked Ye Xun to help introduce her to him.

She wasn't going to let the rare chance to spend a night with him slip away.

She quickly grabbed her phone and started to take selfies with Bai Yanchuan.

She jumped in excitement when she looked at the intimate photos she took.

Ning Luoxiao then put her phone down and looked at the sleeping man. She could smell his faint cologne as she moved closer towards him.

She stared at his eyebrows, then his nose to his sexy lips.

Wondering what his lips tasted like, Ning Luoxiao lowered her head, wanting to sneak a kiss.

But the moment their lips touched, it was as if something was pulling Ning Luoxiao in, and it turned into a long kiss.

Bai Yanchuan had been keeping his distance from women for quite some time. But the alcohol and the kiss woke his primal instinct up as he grabbed Ning Luoxiao's waist and deepened the kiss.

Realizing the sudden change, Ning Luoxiao's eyes widened.

She tried to pull herself back, but it was already too late for her.

In just a few seconds, she was being drowned in happiness.

Huo Sanyan came out from the bathroom and realized a man was lying on the bed. The first thought that came to her mind was that Bai Yanchuan had returned.

But the more she looked, the more she realized something was off.

The man on the bed was wearing a familiar uniform.

Huo Sanyan crept towards the bed and could smell that the man reeked of alcohol.

She turned the man over and gasped.

The man lying there was Ye Xun.

She began to wonder why Ye Xun was in her room.

And the explanation she could think of was Bai Yanchuan. She thought Bai Yanchuan must've made Ye Xun drunk and brought him to her room because that was what she wanted.

But the truth was that the two drunk men accidentally switched their room cards.

Ye Xun had no idea he was in the wrong room.

Wondering what to do next, Huo Sanyan sighed as she looked at the completely drunk man.

Then she thought of the pain he'd put her through in the past few days. Enraged by the thought, Huo Sanyan raised her leg and kicked Ye Xun.

"Hot..." Ye Xun murmured as he was slightly woken up by the kick.

He started to pull his jacket off as the alcohol in him was making his body hot.

"Serves you right!" Huo Sanyan scolded.

But Huo Sanyan then did something that she didn't even think she would do. She started to help Ye Xun take his jacket and shoes off.

But as she was doing that, Ye Xun suddenly grabbed her wrist.

"Yanyan... don't go..."

Stunned by what Ye Xun had just said, Huo Sanyan stared at him, wondering if he was really drunk or if he was just pretending.

She was confused. She couldn't understand why Ye Xun would still call her name when he already had a new girlfriend.

"Let me go!"

Huo Sanyan tried to pull her arm back, but Ye Xun's firm grip prevented her from doing so.

Ye Xun then pulled her in, and she fell into his arms.

Chapter 1846: Miss Him

Huo Sanyan fell onto Ye Xun's body, and Ye Xun hugged her softly.

With the alcohol influencing him, Ye Xun started to kiss Huo Sanyan as he undressed her.

Huo Sanyan was completely sober. Even though she was still being forced, she had changed.

She did not feel disgusted, Ye Xun's aggressiveness even excited her.

After being away from Ye Xun for quite some time, Huo Sanyan began to miss him too.

In the end, they had no idea which one was moving anymore.

All Huo Sanyan knew was that Ye Xun managed to send her to heaven the whole night. She was able to feel the happiness of being a woman.

They made out the whole night and fell asleep in each other's arms.

Huo Sanyan was the first to wake up the next day. Realizing that she was lying in Ye Xun's arms, she felt a little frustrated.

She'd had sex with him even though the complications in their relationship weren't solved yet.

What was more was that Huo Sanyan still thought Ye Xun was dating Ning Luoxiao.

Huo Sanyan crept out of bed, cleaned herself up, and left the room quietly.

She went to the public toilet to put her makeup on.

Just as she was putting her makeup on, another woman came in. Huo Sanyan looked at the woman in the mirror and realized it was Ning Luoxiao.

Ning Luoxiao was holding her makeup bag, planning to do her makeup in the bathroom too.

"Ms. Huo? Good morning!"

The moment Huo Sanyan saw Ning Luoxiao, she felt like she'd just had an affair.

"Good... Good morning. Are you doing your makeup too?"

"Yup. Oh, do you have eyeliner? I forgot to bring mine."

"Here, use mine." Huo Sanyan smiled.

The two women quickly finished their makeup and went to the restaurant for their breakfast.

Bai Yanchuan woke up in the room and hugged his head, as it hurt.

He checked his surroundings, and his eyes shot wide open.

He realized he wasn't in his room.

He quickly pulled the sheet off, and he couldn't believe what he saw.

There was blood on the covers.

Thinking that he'd just taken away someone's virginity while he was drunk, he almost went mad.

Bai Yanchuan had vowed to stay single forever and not mingle with any woman.

He quickly climbed out of bed and put his clothes on before dashing out the door.

He ran all the way to the elevator and realized he was on the right floor.

He then circled back and found his room. He reached for his pocket and realized his key card was gone.

Luckily for him, one of the cleaners passed by. Bai Yanchuan quickly showed the cleaner who he was and asked the cleaner to help open the door to his room.

Bai Yanchuan quickly went in and closed the door shut.

It was then that he realized Huo Sanyan wasn't in the room. Instead, a man was lying on the king-size bed.

After making sure of who the man was, Bai Yanchuan let out a long sigh.

He then sat down by the bed and shook his head.

Bai Yanchuan's movement woke Ye Xun up. He could feel his head cracking apart as he tried to recall what had happened the night before.

Chapter 1847: Mistake

The first thing Ye Xun saw when he opened his eyes was a man arranging his shirt.

The first thing that came to Ye Xun mind was that he had slept with a man.

Bai Yanchuan turned around and looked at Ye Xun. The sight of Bai Yanchuan's smile made Ye Xun jump out from the bed.

“Bai Yanchuan!”

Realizing Ye Xun might've misunderstood the situation, Bai Yanchuan smiled cunningly and did not explain what happened to him.

“Yesterday... You... What.... No!”

Ye Xun grabbed his head as he couldn't believe he had slept with Bai Yanchuan.

Bai Yanchuan got up and put his coat on before saying, “You are really bad in bed.”

“...”

Ye Xun could only stare at Bai Yanchuan speechlessly.

He always knew Estan was famous for a lot of gay people, but he never expected the president of Baisi Group to be one.

Ye Xun began to think that Bai Yanchuan could be bi-sexual, someone who could have a relationship with either a man or a woman.

Bai Yanchuan did not plan to explain himself. He wanted to help Huo Sanyan get some revenge on Ye Xun for ignoring her.

“I'm going to get my breakfast. Think about what you've done yourself.”

Bai Yanchuan laughed and left, leaving Ye Xun alone in the room.

Ye Xun thought of the soft skin he'd touched the night before and began to wonder if it really belonged to a man.

In the end, Ye Xun convinced himself not to think about it. With Bai Yanchuan's status, he would never tell anyone about it. Ye Xun would just have to think about it as a mistake he made.

If he never talked about it, Huo Sanyan would never know.

After calming himself down, Ye Xun cleaned himself up and went down to the restaurant too.

Huo Sanyan and Ning Luoxiao were having breakfast when a man walked in.

The moment Ning Luoxiao noticed it was Bai Yanchuan, she quickly lowered her head. She was worried that the man would know what she did the night before and would have her pay for it.

But Bai Yanchuan just approached them and greeted, "Good morning, my two beautiful ladies."

Since Bai Yanchuan ran out of the room without checking which room it was, he could never find out which room it was again as every door looked the same in the hotel.

"Good morning!" both Huo Sanyan and Ning Luoxiao greeted back.

"I'll go get my food," Bai Yanchuan said and left for the buffet table as Ning Luoxiao let out a sigh of relief.

"Ms. Ning, is something wrong?" Huo Sanyan asked as she realized Ning Luoxiao seemed a little pale.

"What... Oh... It's nothing." Ning Luoxiao smiled.

Bai Yanchuan got his food and sat down next to Huo Sanyan.

Bai Yanchuan didn't start eating right away. Instead, he just looked at Huo Sanyan.

"Wh... Why are you staring at me?" Huo Sanyan asked.

"Did you have a great night last night?" Bai Yanchuan asked with a low voice.

Realizing that it was Bai Yanchuan's plan all along, Huo Sanyan rolled her eyes and ignored him.

Chapter 1848: Bad Technique

Ning Luoxiao managed to hear what Bai Yanchuan was saying, and it made her jump a little. She was convinced that Bai Yanchuan thought that he'd made out with Huo Sanyan the night before.

Ning Luoxiao was relieved that Bai Yanchuan did not find out it was her, but at the same time, she was a little disappointed too.

They ate their breakfast as Ye Xun came in a dozen minutes later.

The first thing Ye Xun looked for was the table Huo Sanyan was sitting at. Noticing that Bai Yanchuan and Ning Luoxiao were with Huo Sanyan too, Ye Xun frowned and walked over to them, sitting down next to Ning Luoxiao.

The atmosphere at the table was very awkward.

Ye Xun kept his head down throughout breakfast and did not interact with anyone.

Huo Sanyan had also kept her mouth shut ever since ye Xun arrived.

What happened the night before made Huo Sanyan embarrassed for herself, and she had no idea how to face Ning Luoxiao.

She hoped that Ye Xun would not mention the incident so that it could be kept a secret.

Huo Sanyan and Bai Yanchuan left after breakfast, leaving Ye Xun and Ning Luoxiao at the table.

“Where were you last night?” Ning Luoxiao asked.

“I got drunk and slept in one of my friend's rooms. Nothing bad happened, right?”

“Of course not,” Ning Luoxiao laughed awkwardly. “Come on, let's go outside. I see a lot of people are already heading out.”

“Okay.”

The morning event at the resort was golfing, so both of them went to the golf course, where a few of the guests already were.

Ye Xun noticed Bai Yanchuan and Huo Sanyan were also there.

Bai Yanchuan was at a professional level in golfing, while Huo Sanyan, being the food lover and exercise hater she was, was terrible at the sport.

Bai Yanchuan was teaching her how to swing the club.

Ye Xun frowned and stared at them.

“Hey, stop staring. Let's get changed,” Ning Luoxiao urged.

After changing, they chose their clubs and walked onto the course too.

Since both Ye Xun and Ning Luoxiao were good at the sport, they didn't need any teaching and started playing.

The two of them were placed next to Bai Yanchuan and Huo Sanyan.

Ye Xun's frown never subsided, as now he could clearly see Bai Yanchuan was teaching Huo Sanyan while holding her arms.

Ye Xun sighed as he blamed himself for not teaching Huo Sanyan the sport before that.

With his emotion in play, Ye Xun hit his ball, and it flew off the target.

“You're so bad!” Ning Luoxiao shook her head. “I thought you told me you could hit every target?”

Ye Xun turned to look at Ning Luoxiao, and his pain clearly could be seen on his face.

He recalled how Bai Yanchuan had commented on how bad he was in bed too.

He then began to wonder if Huo Sanyan had left him because of that.

Bai Yanchuan noticed how Ye Xun's expression worsened and tried to hold back his laughter.

“Mr. Ye, I've heard you are really good at this sport. How about it? Let's have a match,” Bai Yanchuan challenged.

Chapter 1849: The Worst It Gets

With every mention of how good or bad Ye Xun was, he flinched.

Ye Xun cursed as he thought of how people kept saying he was terrible in bed. He'd only touched Huo Sanyan for the past few years, there was no way he could go out and have fun.

He also scolded Huo Sanyan in his head for not telling him that sooner.

He could've found some materials and studied about it.

The more Ye Xun thought about it, the worse it got. He recalled when he was still in JS, his brothers would offer him some porn to watch, but he rejected all of it.

“Hey!” Bai Yanchuan's voice pulled Ye Xun back. “Are you afraid of losing?”

“Like I would be scared of a gay person!” Ye Xun scolded.

After accepting the challenge, both of them stepped onto the driving range.

Huo Sanyan even stopped what she was doing to watch the match between them.

Even though it was a friendly match, it still attracted a lot of attention because the two players were excellent.

Ning Luoxiao approached Huo Sanyan and asked, “Who do you want to win? Ye Xun?”

“I bet he's going to lose,” Huo Sanyan scolded.

“Really? I bet he's going to win, though,” Ning Luoxiao smiled. “Why don't we bet 100,000 dollars? If Ye Xun wins, you'll have to give me 100,000 dollars. But, if he loses, I'll give you the money.”

As the two women came to an agreement, the two men in the match had no idea they'd become the deciders of a bet.

Bai Yanchuan got a high score in the first round of the match. He had a confident smile on the whole time. As for Ye Xun, he scored a meager score.

“How about forfeiting if you can't win against me?” Bai Yanchuan challenged.

“Forfeit is not a word in my dictionary!” Ye Xun scolded.

Ye Xun then noticed Huo Sanyan was also watching their match. Since he did not want to lose his pride in front of the woman he loved, he decided to go all out.

Ye Xun managed to catch up with Bai Yanchuan's score in the middle of the match and won by a great length in the second half.

“Not bad! You're as good as they say.” Bai Yanchuan smiled as he offered a handshake.

Ye Xun looked at Bai Yanchuan's hand and turned away. He wasn't going to shake a gay man's hand.

“Well, I'm sorry, but my Ye Xun won.” Ning Luoxiao smiled at Huo Sanyan. “I hope the 100,000 won't hurt you too much.”

“Of course not. Give me your account number, and I'll transfer it to you.” Huo Sanyan smiled back.

After getting the money from Huo Sanyan, Ning Luoxiao tried to hide her excitement as much as possible.

Since Ning Luoxiao agreed to help Ye Xun without asking for anything in return, she was happy that she could at least get something out of it.

When Ye Xun and Bai Yanchuan returned, Bai Yanchuan noticed both of the women had their phones out and asked what they were doing.

“Oh, we had a small bet on your match,” Ning Luoxiao answered.

“What was the bet?” Ye Xun asked.

Chapter 1850: Restless

“We bet on whether you'd win or lose,” Ning Luoxiao explained. “If you won, Ms. Huo would have to give me 100,000 dollars.”

Ye Xun took a quick glance at Huo Sanyan and wondered if he should've lost the match on purpose instead.

After golfing, the next event was horseback riding.

Since Huo Sanyan already knew that Ning Luoxiao was good at a lot of sports, when she saw Ning Luoxiao jump onto the horse elegantly, she wasn't surprised at all. Instead, she thought that Ning Luoxiao was an attractive woman.

And most men were always attracted to woman like Ning Luoxiao.

She then thought about herself. She was a woman who only liked food and nothing else. Compared to Ning Luoxiao, she was nothing.

The depressing thought made Huo Sanyan not want to ride on horses so that she wouldn't embarrass herself even more.

That was why Huo Sanyan only walked alongside her horse.

Ning Luoxiao was on her horse, and she realized Huo Sanyan was afraid to jump onto hers.

Since Ye Xun went to the bathroom too, and Bai Yanchuan was the only other person on a horse, she steadied herself and asked, "How about a match, Mr. Bai?"

"Why not?" Bai Yanchuan accepted the challenge and turned to Huo Sanyan. "What are you going to do? Do you need me to call the coach for you?"

"I'm fine. Go have fun." Huo Sanyan shook her head.

"Okay."

Bai Yanchuan urged his horse to steer and went into the field with Ning Luoxiao.

As the horses galloped away, Huo Sanyan thought that she should at least try and learn how to ride a horse.

After making her decision, Huo Sanyan asked her coach to start teaching her.

Ye Xun came back from the bathroom and realized everyone was gone. Only Huo Sanyan was still at the stable.

A male coach was with Huo Sanyan as he taught her how to ride.

Ye Xun was irritated when he saw the coach put his hands on Huo Sanyan's waist. If it were in the past, he would've just charged in and kicked the coach down.

But he couldn't afford to do that now.

He approached them and told the coach, "I'll teach the lady."

The coach instantly recognized who Ye Xun was. Just as the coach was about to jump down from the horse, Huo Sanyan, who lost her balance since the coach took his hands away, shrieked.

Ye Xun caught her just in time so that she wouldn't fall from the horse.

The moment Ye Xun's hands touched her waist, Huo Sanyan felt as if a jolt of electricity ran through her body.

It was something that she never felt when the male coach touched her waist.

Ye Xun did not jump onto the horse and started to instruct Huo Sanyan.

"Hey! Loosen up! It's too tight," Ye Xun suddenly said.

Huo Sanyan quickly turned around as what Ye Xun had said was way too familiar to her.

Ye Xun would always say the same thing whenever they were in bed. Thinking about that, Huo Sanyan's face instantly turned red.

Realizing that he'd said something wrong, Ye Xun quickly corrected himself.

“I... I'm telling you to loosen the grip... Wait... That sounds wrong too...”

Ye Xun would always become restless when he was with Huo Sanyan, and it wasn't different this time either.

He quickly shook the thought away and guided the horse by its lead rope.

Listening to Ye Xun's advice, Huo Sanyan loosened her grip on the horse, and she finally found her balance.
