

Priceless Baby 1881

Chapter 1881: Could Only Just Try To Guess

"I don't know either, Xiao Xi. I can't coax her no matter how hard I try. Moreover, I think she has a slight fever. Do you think we should take her to the hospital?" Su Wanqin asked.

Jing Xi took the child into her arms. Little Strawberry felt very unwell. She was jittery and restless even when in her mother's arms, crying nonstop.

She used her lips to touch the child's head and it did feel a bit hot. She used an ear thermometer to check and the temperature couldn't be considered as high. It was only at about 37.6 degrees C.

Huo Sanyan looked on from the side and asked, "Could it be she wants to have her mother's milk?"

"It can't be. I haven't fed it to her for a while. She probably isn't crying for milk."

Jing Xi then took off the child's clothes and patted her tummy to listen to the sound. Her tummy was also fine. She didn't show any signs of catching a cold. What could be the cause?

In the end, Jing Xi could only just try to guess. She took off two layers of clothes on the child as she felt that grandma had really put a lot of clothes on Little Strawberry. She had quite a few layers on her, wearing even more clothes than an adult.

After she took them off, she took off her diaper. Now that Little Strawberry felt cooler, she finally stopped crying. When she saw her mother coaxing her, she blinked her teary eyes and even laughed!

"It turned out she was wearing too much!" Jing Xi finally found the cause and told grandma, "Mom, don't let her wear too thick of clothes in the future. It is best if you don't go thicker than what an adult wears. If it is too thick, she won't be able to disperse the heat and it will also cause her temperature to rise."

"Oh, I understand. Sigh. Isn't there a saying that a grandmother will always think their grandchildren are too cold. I was also afraid she was cold, that's why I put a few more layers on her. Sigh, I'm so silly," Su Wanqin said apologetically.

Jing Xi knew she did it with good intention so Jing Xi didn't blame her. "It's fine, mom. Just be careful in the future. You are probably also tired. Quickly go and rest. Just leave the child to me!"

"Okay." Su Wanqin saw the child was now fine and felt relieved so she left the palace.

After grandma left, Jing Xi fed Little Strawberry some warm water. Now that the child felt much cooler and drank some water, lying down in the crib by herself, she fell asleep not long after.

Huo Sanyan saw that her niece was asleep and said quietly, "I'm relieved now that Little Strawberry is fine. I'll head back and come another time."

"You can have lunch in the afternoon before leaving!"

"It's fine. I won't eat. I remembered I can go ask Ning Luoxiao to go visit the wedding company with me. Don't worry and just take care of your children at home. I will contact you if I run into any problems."

“Okay. That's also fine.”

Huo Sanyan came out from the palace, and just as she was about to contact Ning Luoxiao, coincidentally, Ning Luoxiao called her.

She learned about her return to Mo City from the interview group. She wanted to ask what was going on and whether or not she had handled the situation.

Huo Sanyan arranged to meet with her and then told Ning Luoxiao the reason why she came back.

Ning Luoxiao congratulated her after she learned that she'd made up with Ye Xun. When she heard she was about to get married, she kept nagging her to invite her to her wedding dinner.

“You will definitely be invited. However, if you have the time, it would be good if you could accompany me to the wedding company.”

Huo Sanyan invited her and Ning Luoxiao gladly accepted. “Let's go, new bride. I will accompany you.”

And just like that, the previously misunderstood Ning Luoxiao actually became her good friend right now.

The two women came to the wedding company Ye Xun had picked. When they gave Ye Xun's name, they were enthusiastically invited in.

Chapter 1882: Troubling Her

The best planner then joined Huo Sanyan and Ning Luoxiao. They explained the all-in-one service that Ye Xun had ordered.

Huo Sanyan couldn't help but marvel at how well Ye Xun had paid attention to the details. There wasn't anything that Huo Sanyan really had to change. It was perfect.

Huo Sanyan and Ning Luoxiao went to a few other stores listed in the notebook. After everything was settled, Huo Sanyan treated Ning Luoxiao to lunch.

While they were eating, Huo Sanyan started to ask more about Ning Luoxiao's love life.

“Do you have anyone you like? Or perhaps a boyfriend?” Huo Sanyan asked.

“Nope, no boyfriend. I do have someone I like, though, I'm not sure if he feels the same way about me or not.”

“So, you have a crush?”

“Yes.”

“Who is it? Is he a great person?” Huo Sanyan asked as she was starting to get intrigued.

“That person... You know who he is...”

Ever since their relationship got better, Ning Luoxiao was willing to share her feelings with Huo Sanyan. Having a crush was taking its toll on Ning Luoxiao, and she needed to share it with someone.

“Someone I know? Who is he?”

A lot of faces instantly flashed through Huo Sanyan's mind. All of them were great people, but she had no idea which one was Ning Luoxiao's crush.

It was at that time that Bai Yanchuan came into the restaurant with another person.

The moment Ning Luoxiao saw Bai Yanchuan, she quickly hid her face.

“Oh, no! He's here...”

“Huh?”

Huo Sanyan turned around toward where Ning Luoxiao was looking at and saw Bai Yanchuan.

So, this girl is in love with Bai Yanchuan? Interesting...

Huo Sanyan was surprised that Ning Luoxiao actually fell for a man who was famous for staying single and never having a scandal with another woman.

She even began to suspect that Bai Yanchuan was actually gay.

But since her best friend actually liked him, Huo Sanyan made up her mind to help Ning Luoxiao.

“Girl, I'm so helping you.” Huo Sanyan laughed.

Bai Yanchuan was looking for a seat when he heard someone calling his name. He turned around and noticed it was Huo Sanyan.

“Miss Huo and Miss Ning? How are you two together?” Bai Yanchuan asked in surprise, as he still recalled that they were rivals.

“Something happened, and we're friends now,” Huo Sanyan explained. “I'm treating her to lunch now. How about you and your friend join us?”

“Oh, really? Then I'll take you up on your offer,” Bai Yanchuan laughed.

Since the foods that Huo Sanyan and Ning Luoxiao had ordered weren't served yet, they switched to a larger table.

After sitting down, Bai Yanchuan introduced the ladies to his companion.

“This here is the queen of Kaidi, Miss Huo Sanyan. And the lady sitting next to her...”

“I know who she is.” Bai Yanchuan's companion cut him off excitedly. “She's Miss Ning. The news reporter at Mo City TV Station! I always watch the news she hosts.”

“I see you already know her.” Bai Yanchuan laughed and turned to face the ladies. “And, this is my cousin, Bai Fan.”

“What...”

It was the ladies' first time hearing someone who was actually named White Rice. [1]

Chapter 1883: The Best Candidate

Ning Luoxiao spit out the tea in her mouth and quickly grabbed some napkins. “Sorry.”

Bai Yanchuan gave some more information. "It's fine. My cousin Bai Fan's name doesn't mean white rice. His last name is Bai, and his mother's last name is Fan, that's why he is called Bai Fan."

"Oh. Nice to meet you, Mr. Bai!"

Huo Sanyan and Ning Luoxiao both greeted Bai Fan.

Not long after, the waiter served their food and they all ate together. Huo Sanyan started chatting with Bai Yanchuan. Ning Luoxiao would peep at him from time to time. However, she also noticed Bai Fan, who was sitting opposite her, kept on staring at her. He didn't hide the admiration he had in his eyes for her at all.

Moreover, he was so focused on her that it felt a bit unbearable. Ning Luoxiao had no choice but to avoid his passionate gaze and pretend not to know.

Huo Sanyan was currently inquiring about Bai Yanchuan's life. "What have you been doing lately?"

"Bai Sizi Company will be having a ceremony for its completion. I would like to invite the two of you beauties to come when the time comes, do you guys have the time?" Bai Yanchuan asked.

"Of course!" Huo Sanyan glanced at Ning Luoxiao and felt that this was an opportunity that couldn't be passed up.

Ning Luoxiao was very surprised. She didn't think Bai Yanchuan would invite her.

Huo Sanyan continued to inquire, "Are you planning on moving the headquarters here or what?"

"I won't move the headquarters. I already bought a house there. In the future, I will come to stay here for a while from time to time." Bai Yanchuan had it planned out.

"That's fine. But when you are not here, you can rent out your house. You can even make some money that way. What do you think?"

"You really are clever!" Bai Yanchuan also had the same idea. "I am thinking about renting it out. I want to find a tenant with refined taste, lest they mess up my house."

He wanted someone with refined taste?

Huo Sanyan brought up Ning Luoxiao immediately and said, "What a coincidence. Why don't you rent it for cheap to Xiaoxiao! Our Xiaoxiao doesn't have a house to go back to and is really pitiful. Her house was taken back by her landlord and she is close to wandering the streets. Since you are renting out your house, why don't you rent it to her?"

"..." Huo Sanyan's sudden move made Ning Luoxiao not dare to speak. She was staying at her own place and wasn't being chased out by her landlord... Was it really a good idea to lie like this right now?

"Is that so!?" Bai Yanchuan was considering whether or not he wanted to rent his house to Ning Luoxiao.

Bai Fan wanted a chance to get to know Ning Luoxiao so he encouraged Bai Yanchuan, "Bro, just rent it to Miss Ning! Look at her, she is talented and has self-restraint. Moreover, she is also elegant and refined. She is the best candidate to rent to."

Bai Yanchuan understood the look in Bai Fan's eyes and he thought about it. He just considered it as helping his cousin so he promised, "Okay then! I will rent it to Ning Luoxiao. The rent is negotiable."

Since they already knew each other, he didn't really care much about the rent. Bai Yanchuan only wanted to look for someone to look after his house. That way, the house wouldn't fall into disrepair with someone in it.

He only wanted to rent out half of the house and wanted to keep his own room so that he could come back to stay in it in the future.

"Yanchuan, I really have to thank you. You really have been a great help."

It was only after Huo Sanyan touched the stunned Ning Luoxiao underneath the table that she regained her senses. She quickly thanked him.

"Why don't we go take a look at your house after the meal?" Huo Sanyan asked.

"Sure."

After the meal, Bai Yanchuan brought his cousin along in his car. He drove at the front and Huo Sanyan and Ning Luoxiao followed behind.

Ning Luoxiao thought for a while and asked, "President Huo, wasn't it a bit bad for you to lie so brazenly just now? Wouldn't President Bai dislike me if he learned the truth?"

Chapter 1884: Paving The Way

"He won't," Huo Sanyan said confidently. "He's a businessman; all he thinks about is earning more money. What you lack now are chances to get close to him, right? If you stay at his place, won't you have more chance of meeting him?"

It was as Huo Sanyan had said; Ning Luoxiao had no idea how to get close to Bai Yanchuan, and Huo Sanyan was paving the way for her.

They drove all the way to Bai Yanchuan's mansion that was built by the river. The mansion had a beautiful name: Above The Waves.

The mansion was well-furnished, and the surroundings were quiet. It was the perfect place to live or for retirement.

"Your little home isn't that bad at all," Huo Sanyan complimented.

"I agree. I've heard that the architecture skills here are the best, and now that I see it, it definitely lives up to its name. I don't think I'll ever want to leave this place again."

The reason Bai Yanchuan had bought a home in the Dragon Kingdom was that the kingdom was a great place to enjoy life.

"Why don't you stay then? You can marry someone and have kids, build a family," Huo Sanyan suggested.

"Me? Wife and kids? It's not in my considerations for now. Weddings are a pain in the ass, no?"

Bai Yanchuan laughed.

Hearing that made Ning Luoxiao feel a little depressed. If Bai Yanchuan did not want to get married for the rest of his life, it meant that she would have to wait for the rest of her life too.

“What's wrong with weddings? You think they're a pain just because you haven't met someone that can steal your heart yet.” Huo Sanyan smirked. “Just you wait, someday a lovely lady will come and capture your soul.”

Huo Sanyan then turned to look at Ning Luoxiao, and it made her blush as she turned away.

“Oh, really? Then I'm intrigued to see who that lady is.”

Bai Yanchuan laughed too, and it captured Ning Luoxiao's attention.

He then invited them into his house for a tour.

“Miss Ning can choose any of the guest rooms, but the master bedroom is off-limits, as I will come back from time to time,” Bai Yanchuan said.

“I see.” Ning Luoxiao nodded like nothing had happened, but deep down inside her, she couldn't keep herself calm.

Especially when she heard that he would return from time to time, it made her look forward to staying there more.

She decided that she would try to become the lady that would steal Bai Yanchuan's heart.

“Is there anything you would like to change?” Bai Yanchuan then asked.

“No, this is perfect. What about the contract?” Ning Luoxiao shook her head and asked.

“My cousin will handle it. I'll have to leave for Fstan tomorrow, so if anything comes up, you can contact him too,” Bai Yanchuan said.

The truth was, Bai Yanchuan was actually thinking about creating chances for his cousin to get closer to Ning Luoxiao.

“Alright!” Ning Luoxiao smiled. “Another thing, do you have spare time in the near future?”

“I'm not sure yet. What's up?”

“Our TV Station is thinking of hosting an exclusive interview about you. Since your company is being set up here as we speak, I think this would be the best time to ask you...”

“Oh, it would be my pleasure. I'll contact you once I come back from Fstan,” Bai Yanchuan said and took out his card. “Here, this is my card.”

After Ning Luoxiao and Huo Sanyan left the mansion, Ning Luoxiao did not forget to thank Huo Sanyan.

“Thank you so much, Miss Huo.”

Chapter 1885: At The Perfect Time

"There's no need to be so polite. You also helped Ye Xun and I a lot. I must, of course, repay you right now," Huo Sanyan joked as she drove. "Actually, I also want to see you succeed with Bai Yanchuan. That old fella's single life is really too uninteresting, so I hope you can change it up."

"Right now, I've suddenly lost my self-confidence. I don't know if I can move his heart." Ning Luoxiao couldn't help but sigh when she thought about Bai Yanchuan.

"Of course you can. Let me tell you, when going after the man of your dreams, you have to chase him using a mentality of being completely shameless. That way, I guarantee you can get him. Ye Xun also didn't like seeing me at the beginning. However, I persevered and just kept on hanging around him. It was only after I did that that I won him over!"

Huo Sanyan started to pass on her experience.

"Okay, I understand."

The car in front stopped at a red light and Huo Sanyan stepped on the brakes. However, it wasn't clear if it was because of the force from the inertia or not, but Ning Luoxiao felt nauseous in her heart and almost vomited.

Huo Sanyan heard her gagging and asked, "Xiaoxiao, what is it?"

"I feel like throwing up. Maybe it is because I ate too much for lunch."

"Okay, try to hold it for a while. After I pass this traffic light, I will stop at the curb to let you throw up."

Huo Sanyan crossed the intersection and parked the car by the curb. Ning Luoxiao got out of the car, bent over, and threw up by the side of the road.

It wasn't clear if it was because she saw her throw up, but when Huo Sanyan saw it, she also couldn't help but also feeling like throwing up.

She retched a few times but nothing came out. She helped pat Ning Luoxiao's back and asked, "Do you feel better?"

"I feel a bit better. My stomach has been feeling unbearable recently and my body also feels unwell."

"Did you go see a doctor?"

"When do I have the time?"

"This might be chronic gastroenteritis or something. I think it is better if you go see a doctor! I also haven't felt well recently, so let's go get a checkup together."

And just like that, Huo Sanyan drove Ning Luoxiao to a hospital.

The two of them took a number at the gastroenterology department. After they described their symptoms and the doctor examined them, he realized that they might not have any problems with their stomachs. Instead, he transferred them to the gynecology department.

Huo Sanyan still felt upset as they walked out of the gastroenterology department. "If you hadn't stopped me, I would've scolded him. Does he know how to diagnose illnesses? He couldn't figure it out

so he pushed us to the gynecology department. What did he mean by that? Is he cursing us to have gynecological diseases?"

Ning Luoxiao calmed her down. "Okay, okay. Don't get mad, I'm sure the doctor has his reasons for suggesting this. Let's just go to the gynecology department to take a look."

The two of them had another checkup at the gynecology department. The doctor asked some questions like when their periods came, and about the first trimester. She then did another leucorrhea routine examination and urine test.

The report came out after half an hour. Huo Sanyan's urine test came back positive.

"Mine is positive, how about yours?"

"Mine is a weak positive. What does this mean?"

"A weak positive is probably also positive. Sigh, I don't get it either. Let's go ask the doctor."

Feeling confused, the two women came back to see the doctor. After the doctor read through the report, he said expressionlessly, "Both of you are pregnant. Do you guys want to keep the children?"

Huo Sanyan: "..."

Ning Luoxiao: "..."

For two women who had never been pregnant, this news shocked them so much that they were dumbfounded.

However, after Huo Sanyan regained her senses, she felt more pleasantly surprised than anything. Being pregnant with Ye Xun's child was wonderful. Once they got married, she wouldn't have to wait long to become a mother.

It could be said that this child came at the perfect time. It was simply the best gift the heavens could give her!

Chapter 1886: An Accident

Huo Sanyan could still recall how Ye Xun always tried to persuade her to have children, but she never agreed to it. Now that she learned that she was pregnant, she couldn't wait to see Ye Xun's excited face.

While the news was a happy surprise for Huo Sanyan, it wasn't for Ning Luoxiao.

Ning Luoxiao had only made out once in her life, and that was with Bai Yanchuan at the resort.

The child definitely belonged to Bai Yanchuan.

Ning Luoxiao was depressed, as the child came at the worst possible time.

Even though Huo Sanyan was excited to hear the news, Ning Luoxiao's troubled face did not escape her sight. It was clear that an unexpected pregnancy was a problem for her.

Huo Sanyan knew that Ning Luoxiao was still single and had no boyfriend. The million-dollar question was who the kid belonged to.

Huo Sanyan had to learn about the truth first before she could do anything to help Ning Luoxiao.

The doctor was still staring at the two ladies waiting for their replies.

“We will keep the children,” Huo Sanyan said.

The doctor then told them about the precautions they should take and informed them to come back for ultrasound tests a few weeks later.

The two ladies left after that with the reports in their hands.

“Xiaoxiao, what happened?” Huo Sanyan asked the moment they got into the car. “Who's the father?”

“Yanyan...” Ning Luoxiao sighed.

“Don't keep sighing. Hurry up and tell me. I should be able to help you to some extent.”

Huo Sanyan was already picturing the story of Ning Luoxiao being violated by some random stranger.

“It's...” Ning Luoxiao opened her mouth but then paused for a few seconds before continuing. “The kid is Mr. Bai's... This shouldn't have happened... What should I do now?”

Ning Luoxiao was at the pinnacle of her career. The only thing left for her to achieve was becoming the most famous news reporter in all of Mo City.

The pregnancy would have a significant impact on her job. Not only that, her family would give her a huge scolding if they came to learn that she got pregnant before marriage.

The most troubling part for Ning Luoxiao was her relationship with Bai Yanchuan. She was just starting to get to know him, and the sudden news would throw all of her chances with him away.

“Mr. Bai? You mean Bai Yanchuan?! He's the father?” Huo Sanyan asked with her eyes wide open.

She'd only learned about Ning Luoxiao's crush on Bai Yanchuan hours before that, and now Ning Luoxiao was telling her that the kid belonged to him. Huo Sanyan couldn't believe how fast the situation was progressing.

“Yes...” Ning Luoxiao sighed again.

“When did you two... you know, do that? I thought you said he doesn't even know you have a crush on him?”

“At the resort... He came into my room accidentally, and he was drunk...,” Ning Luoxiao explained.

“I remember now! Ye Gongzi was also drunk that night! Then... That's why we got pregnant at the same time... This is a miracle!”

“What miracle? This is all a huge accident! He doesn't even know he did it with me...” Ning Luoxiao sighed once again. “Sanyan... What should I do now? I really have no idea...”

Even though the news hit Ning Luoxiao hard, Huo Sanyan did not think that the pregnancy would only bring adverse outcomes. To her, it might actually be the best reason to tie Bai Yanchuan and Ning Luoxiao together.

Chapter 1887: Don't Want Him To Look Down On Me

She held Ning Luoxiao's hand and comforted her. "Xiaoxiao, don't be anxious! Listen to me. I don't think it is a bad thing that you have a child right now. It means he is now tied up with you. Once Bai Yanchuan learns of this, he will have to marry you no matter what. You will then be able to marry him properly, right?"

"No! I don't want it like this!"

Ning Luoxiao shook her head. "Sanyan, I don't want him to misunderstand me as a scheming woman. I also don't want him to think that I trapped him by having his child. I want to have a normal relationship as a couple where we can stand as equals and respect each other instead of him looking down on me."

Huo Sanyan didn't agree with her opinion. "What you are imagining is good but reality is never so fair. There is always one side who likes the other first and that person has to be the one who puts in the effort first! You having a crush on him already shows you have already put in the effort. The way I see it, you need to use this child to get ahead! I understand Bai Yanchuan very well. If you want to have a normal relationship with him, you will have to wait until your next life!

Huo Sanyan already had a deep understanding of Bai Yanchuan since long ago. If Bai Yanchuan knew about this child, he would definitely find it troublesome and do his best to avoid Ning Luoxiao.

Right now, the only way was to not give Bai Yanchuan a chance to escape and to force him to face reality.

"Will that work? Won't he hate me?"

"You won't go wrong if you listen to me! Just let me handle this and you can just wait for the good news from me. Another thing, about the rental, you just follow it as planned. Move into his house first. You can worry about other things after you claim the house."

As things had already come this far, Ning Luoxiao had no choice but to listen to Huo Sanyan's instructions.

Huo Sanyan brought Ning Luoxiao home and then went back to the Ye Residence.

She called Jing Xi right after she came home. Jing Xi told her that there would be people coming over to the Ye Residence to do some renovations to prepare for their new house and asked her to pack her valuable possessions first.

Huo Sanyan started packing at night. She planned on packing up all of her valuable things and then placing them in a bank's safe.

Huo Sanyan heard it might take a few days to renovate the Ye Residence so she decided to go to Estan during this time.

Besides having to help Ning Luoxiao handle Bai Yanchuan, she also wanted to go see her second eldest sister. Ye Xun wrote in the notebook that he had already contacted Huo Erqi and told her about the wedding ring when he asked Huo Erqi to custom make it.

The next day, Huo Sanyan placed the things she packed into the bank's safe and then went to the airport to catch a flight.

It only took around an hour to fly from the Dragon Kingdom's capital to Estan's capital. After the plane landed, Huo Sanyan followed her planned schedule and went to Bai Yanchuan's house.

She found out Bai Yanchuan's schedule by chance and knew he definitely flew to Estan today and wouldn't be coming home. That's why she chose this time to come.

At the Bai Family Mansion.

Huo Sanyan asked Erqi to come ahead of time to pay a visit. That's why when she arrived at the Bai Family's entrance, she only needed to press the doorbell, wait for the guards to open the door, and tell them who she was. They then respectfully welcomed her in.

After Huo Sanyan entered the Bai Family's house, she saw Bai Yanchuan's parents.

Mother Bai was very gentle and generous. Father Bai was mature and steady and gave off a parental presence.

Both of them knew she was the Dragon Kingdom's king's sister, and also Bai Yanchuan's friend, so they were extremely polite to her.

Chapter 1888: The Desirable Result

It could've been because Bai Yanchuan's parents were waiting eagerly for their son to get married when the two ladies showed up at their doorstep, but they were flustered.

The two older people looked at Huo Sanyan from top to bottom, thinking that she was their son's girlfriend.

"May I know what the purpose of Miss Huo's visit is? Are you perhaps... looking for our son?" Bai Yanchuan's mother asked with a broad smile.

"No. We have something important to talk about."

Huo Sanyan spoke with a serious tone and told Bai Yanchuan's parents about Ning Luoxiao's pregnancy.

"That's the whole story," Huo Sanyan sighed after finishing the story. "Your son did that to her while he was drunk and has no recollection of it. Now that she's pregnant, I hope your family can take up the responsibility. Xiaoxiao is like my little sister, and this recent event is doing her more harm than good. She thought about abortion, but I stopped her before she could make the decision. We came here today to hear your opinions. If the two of you don't want the baby, then we'll just pretend none of this ever happened."

Huo Sanyan emphasized that Ning Luoxiao was like a little sister to her, prompting Bai Yanchuan's parents to take the situation more seriously.

But to Huo Sanyan's surprise, the two older people were already stunned by excitement when they heard that they were going to have a grandchild.

They'd always hoped that Bai Yanchuan would get married and have children, but their son never listened to them, and it worried them a lot.

Now that a lady was saying that she had Bai Yanchuan's baby inside her, it was impossible for them to not be happy about it.

They would be idiots to reject their grandchild that was already in the making.

"No, we want the child!" Bai Yanchuan's mother quickly said. "We'll head over to the lady's family tomorrow to talk about the wedding! My son will have to take up the responsibility!"

"Thank you for your understanding." Huo Sanyan smiled. "Oh, and one more thing. I hope you don't let your son know about this yet. I'm sure that he's not going to accept any of this."

"Don't worry, he doesn't have a say in this!" Bai Yanchuan's mother laughed. "Just let me handle him."

With Bai Yanchuan's parents' answer, Huo Sanyan left with a satisfied heart. She then went to look for her second sister.

Huo Sanyan found Huo Erqi at Baodilan's main store in Estan. Huo Erqi had been waiting for her arrival ever since she got the news.

"Hey, sis, how have you been?" Huo Sanyan asked as she hugged her sister.

"Good. How's everything on your end?" Huo Erqi asked.

"Are you doubting me? There's nothing I can't handle in this world, you know?"

"Yeah, yeah." Huo Erqi laughed and started to show Huo Sanyan the collections in the store.

Huo Sanyan then stood in front of a display case.

"How about this?" Huo Erqi asked.

In the display case was a diamond ring. The diamond was secured by a rose-shaped shoulder with two leaves on the side.

"It's so pretty! Let me try it!" Huo Sanyan requested eagerly, knowing that it was the ring that Ye Xun had custom made for her.

"Look at you!" Huo Erqi laughed as she asked one of her attendants to open the display case.

Chapter 1889: Heart Felt Extremely Delighted

The ring was made according to the size of her ring finger so it fit perfectly. Her fingers were already very beautiful but now that she wore the ring, her finger became even more beautiful.

The rays of light that shot out from the diamonds were particularly dazzling.

This may be the most beautiful ring Huo Sanyan had ever seen. She liked it so much that she felt reluctant to take it off.

"Do you know what meaning this ring holds?" Huo Erqi asked.

“What meaning does it hold?”

Huo Sanyan remembered that the wedding dress also had meaning. She didn't know what the meaning behind the ring was.

Huo Erqi continued to say, “Ye Xun gave me these words when he first asked me to design it. One flower, one world. One leaf, one bodhi. One life, together. This is what he hopes to have with you in the future. Hope that he can grow old with you, to spend his one life together. That's why I designed this ring using those words as a foundation. I used a leaf to contrast against the flower. You are the flower, he is the leaf. It is only by complementing each other that you are able to be together for a long time. What do you think? Isn't the meaning good?”

“Oh! I really hadn't thought about how every ring is a story. It also has a beautiful meaning. Erqi, thank you. This ring's design is just wonderful. It won my heart.”

Huo Sanyan really liked it. She really wished she could walk into church and have her wedding tomorrow.

Huo Erqi felt relieved when she heard what she said. “Initially, I was even worried I wasted my time designing this ring.”

“What do you mean?”

“Nobody knew if you were willing to marry Ye Xun! I thought you would stay single for the rest of your life!” Huo Erqi laughed.

“That was so long ago. Ever since I saw my Prince Ye, my view has already changed. Right now, I won't marry anyone else but Prince Ye!”

Huo Erqi laughed. “Have you guys already set the wedding date?”

“Not yet but our current plan is that we will get married once Prince Ye returns triumphantly.”

“That should be soon!”

“I don't know, but perhaps!”

Huo Sanyan came to Estan and stayed the night at Erqi's house. She tried on the wedding ring the next day and then flew back to the Dragon Kingdom.

The renovation at the Ye Residence was almost done. Huo Sanyan returned home, looked at the festive wedding room, and her heart felt extremely delighted.

However, she had to stay in the other bedroom until they finished renovations.

She called Ning Luoxiao straight away on the night she arrived home. She told her that the Bai family had already gone to the Ning family to arrange the marriage. Right now, their parents were talking about things related to marriage.

This was a good thing. Huo Sanyan laughed, “Maybe you and Bai Yanchuan might get married before us!”

“Don't joke. I have a bad feeling about this. My only hope is that Bai Yanchuan won't hate me too much!”

“It's fine. You just wait to become Madam Bai!”

The two women chatted happily and then arranged a time to meet.

Following this, Huo Sanyan spent most of her time being busy with company affairs while waiting patiently for Ye Xun's return. Moreover, she also kept a close watch on what was happening at the border.

Ning Luoxiao would notify her immediately when the network received a news report from the battlefield.

After a long time, Ning Luoxiao finally told her a piece of good news that excited her.

They were victorious at the border.

The dispute with Fei Country finally came to an end.

The Dragon Kingdom used the most powerful method to defeat Fei Country, expelling them to the remote far west.

This was truly news that was worth having a national celebration for!

Huo Sanyan was very happy. Victory at the border meant Ye Xun would be making his triumphant return. This was wonderful. She'd already finished preparing to welcome him from his triumphant return.

Following this, Huo Sanyan waited with concentration for everything to go smoothly. It was the same on Ning Luoxiao's side. She had already moved to Bai Yanchuan's house, Above The Waves.

The day of Bai Sizi Company's inauguration arrived. Huo Sanyan attended the ceremony. She had initially wanted to bring Ning Luoxiao along but she suddenly got cold feet and didn't dare to go.

Chapter 1890: Could Not Tell Her The Truth

When Huo Sanyan met with Bai Yanchuan, his face was telling her that something was troubling him.

“What's wrong? You look... well, different. Did something good happen?” Huo Sanyan joked, knowing well what was on Bai Yanchuan's mind.

“Good, my ass! My parents are forcing me to marry some rich girl again!”

Bai Yanchuan was scornful. Since he hadn't gone back to his mansion yet, he had no idea who his soon to be fiancé was.

“Isn't that a good thing, though? Look at how old you are now! I think it's time you have a family too.”

“Even if I should, I don't like things that are forced onto me...”

“Then... What are you planning to do?”

"I don't have the slightest clue," Bai Yanchuan sighed. "Help me think of something... Wait, maybe you can pretend to be my girlfriend then?"

"Me? No can do, I'm getting married too," Huo Sanyan said as she tried to hold back her laughter. "But, I do know someone who can help you."

"Who's that?"

"Ning Luoxiao. If you bring her to your parents, I'm sure they won't try to force you again."

"Miss Ning? Will she even agree?"

"I'm sure she will if I ask her. Just leave it to me."

"Okay. Thanks a lot."

Bai Yanchuan thought that Huo Sanyan was helping him, but little did he know that she was actually the one who planned everything.

Ning Luoxiao asked Huo Sanyan out for lunch a week later and told Huo Sanyan about her trip to Bai Yanchuan's parents' home.

When Bai Yanchuan heard that his to be fiancé was Ning Luoxiao, his jaw dropped straight to the floor.

He was thrown back even more when he learned that Ning Luoxiao was actually pregnant with his child.

When Bai Yanchuan brought Ning Luoxiao to his parents on his own accord, they were delighted.

Their wedding date was almost immediately settled.

Bai Yanchuan didn't even have a chance to refuse, nor could he.

And as Huo Sanyan had expected, Ning Luoxiao and Bai Yanchuan's wedding would happen before Ye Xun and hers.

She also got news from her brother that Ye Xun would be returning from the border soon.

She was so excited that she lost a lot of sleep.

Everything from the redecoration of Ye Manor and the church was prepared.

All that was left was the groom's return.

Huo Sanyan waited patiently for her fiancé to come back.

Just days after that, Huo Sanyan got a call from Jing Xi saying that Ye Xun had returned.

The news woke her up immediately, and she began to prepare for his return.

She waited for half an hour before one of the servants told her someone was coming.

Thinking that it was Ye Xun, she ran down to the door and saw a car parking in front of the mansion.

"Ye Gongzi!" Huo Sanyan shouted excitedly.

But when the door opened, she was disappointed to see only Jing Xi coming out.

“Jing Xi! Where's Ye Gongzi?”

Seeing how happy Huo Sanyan was, Jing Xi could not tell her the truth.

“He's... he's still outside,” Jing Xi lied.

“Outside? Where? Why isn't he back yet?”
