

Priceless Baby 1951

Chapter 1951: So Angry She Was About To Explode

“Ahhh!!!” The old women all shouted out.

“Who dares...” Just as Xiao Lan was about to get angry, she turned around and saw it was Xiao Yuqian. Her heart suddenly felt guilty and she said, “Qianqian, you are home. Why didn't you greet us and instead flip our table straight away?”

Xiao Yuqian showed a cold expression and didn't say anything. Xiao Lan quickly asked her friends to head back home. It was only after they were gone that she said, “Qianqian! Aren't you being a bit too much? You flipped our mahjong table right after you came into the house. What do you mean by doing that?”

Xiao Yuqian turned her head and said, “Auntie, can't you tell what I meant by it? Our family business is already in such a state but you still have the heart to invite people over to play mahjong? If you have the ability to do that why don't you go to the hospital to take care of my dad?”

“I'm not used to the smells of the medicine at the hospital. It's not like you don't know. I am busy looking after the house at home. It also wasn't my idea to play mahjong. My sisters came over to see me, how could I reject them?”

Xiao Lan cast an unhappy glance at her and thoroughly pushed away all of the blame.

“Okay, let's not talk about any of this. Auntie, I will tell you this right now. I am planning on selling our Xiao family house.”

Xiao Lan's mouth opened wide in shock when she heard this. “Huh? What? You want to sell this house?”

“Yes, I've already exhausted all of my options right now trying to save the company. Houses and cars are just worldly possessions. Once the company is saved, we can still buy them back.”

Xiao Yuqian stated her decision and opinion.

“You can't do that! If you sell the house, where would Yuxin and I live?” Xiao Lan was extremely selfish and only cared about herself and her daughter.

“That's why I'm telling you in advance right now. Quickly discuss it with Yuxin and go and find somewhere else to stay!”

Xiao Yuqian turned around and headed upstairs after she finished speaking. Xiao Lan was very angry and shouted at her back, “Qianqian, let me tell you, you cannot sell this house! You also don't have the right to sell it! Xinxin and I will not move out from here! We won't leave unless your father says it himself.”

Xiao Yuqian stopped at the stairs and turned around. She said, still sounding as determined as ever, “Auntie, my father is unconscious right now. I am the eldest daughter of the family and I have the right to make decisions on my father's behalf. And you, you are just a guest here. What right do you have to not leave and stay here? This is all I have to say. I hope you guys get ready to leave soon and that you won't blame me for not giving you an early notice when the time comes!”

After Xiao Yuqian finished saying all this, her back disappeared around the corner upstairs. Downstairs, Xiao Yan was so angry she was about to explode.

This Xiao Yuqian was really too much. She didn't respect her elders and her actions were also so vicious. She was simply just being ruthless.

When Xiao Lan thought about the things she would have to face later, her heart became very anxious. She quickly made a call to her daughter Xiao Yuxin and notified her to quickly come back.

Right after Xiao Lan finished her call, someone arrived at the house. It wasn't a stranger who came, but Xiao Guohua's assistant, Liu Yu.

"Assistant Li, why did you come to our house?" Xiao Lan welcomed Liu Yu.

Liu Yu said, "Madam, I am here to see Xiao Yuqian. I have something to say to her."

"Can't you just tell it to me?" Xiao Lan hated it the most when people did things without her knowledge, treating her as an outsider.

"Oh, I can tell you. It is good news. Licheng Group has already canceled its acquisition. Moreover, the danger at the Xiao company has already passed."

"Really?" Xiao Lan found it hard to believe, "Why did it suddenly pass?"

"The details are classified as company information. Forgive me but I can't reveal it. Please help me go get Miss Xiao. I have something I need to personally report to her."

Chapter 1952: Because Of Him?

Liu Yu rushed over the moment he got the news without even calling them first.

"I'll go get her," Xiao Lan said and turned towards the stairs. Her expression changed almost instantly. Seconds before that, Xiao Yuqian was about to chase her away from the mansion. But now, the Xiao family's crisis was over.

It was great news.

When Xiao Yuqian heard the recent development from Xiao Lan, her face was full of surprise too.

She quickly changed and went to meet Liu Yu.

Since a lot of things could not be discussed with Xiao Lan around, Xiao Yuqian and Liu Yu left the house.

They came to a café, and Liu Yu showed Xiao Yuqian the termination of the purchase. It was then that Xiao Yuqian fully believed that they were finally saved.

The only confusing part was why Li Dacheng would call the purchase off.

Xiao Yuqian wondered if it was because Li Dacheng was beaten by Ma Haodong.

Other than that, there was more good news. The company had also secured themselves a fund.

A company called Xingmang was willing to invest in their company. All that was left was for Xiao Yuqian to sign the contract.

If Xiao Yuqian signed it in Xiao Guohua's place, the investment would be approved.

Xiao Yuqian read through the contract and was surprised how much it could benefit them.

"Have you met with the president of this company?" Xiao Yuqian asked.

"No," Liu Yu shook his head. "They only sent a representative over. They also mentioned that the president wants to stay anonymous."

Xiao Yuqian thought about it and came to the conclusion that the president of Xingmang might have his own concerns about revealing his identity. But since he was willing to help the Xiao Group out, Xiao Yuqian guessed that he was one of her father's friends.

Xiao Yuqian quickly signed the proposal in her father's name and gave it back to Liu Yu.

"I'll leave the company to you and the board for the moment."

"Don't worry. We're just doing our job," Liu Yu smiled.

After taking care of everything, they went their separate ways.

The moment Xiao Yuqian got back home, Xiao Lan came greeting her with questions.

"How did it go? We are saved, aren't we? See? Didn't I tell you everything would work out in the end?"

Xiao Yuqian looked at her aunt and said, "Yes. Since we don't have to worry about a thing now, you will have the time to spend time with dad, right?"

"What? Why me? Can't we hire someone to take care of him?"

"Having a family member with him is always better!" Xiao Yuqian scolded. "He's your brother, what's wrong with taking care of him for a few days? My dad took you and Xinxin in, and you never paid us anything. And now that he's in trouble, you won't even spend some of your time to take care of him?"

Xiao Yuqian took a deep breath and continued, "Let me tell you this, our family is not capable of letting you live here without doing anything anymore. If you want to stay here, then you will have to earn it!"

"Qianqian! You..."

"I don't care what you think of me! This is my final warning!"

Xiao Yuqian then turned and went back to her room.

Xiao Lan stared at Xiao Yuqian as she went up the stairs, her body shaking from anger.

Chapter 1953: Pressure Lessened Considerably

She was the daughter of the family but she acted as if she was the head of the family. She even dared to dictate what she, her elder, should do.

Just wait and see!

It still wasn't set in stone who would have the final word in this family!

The pressure in Xiao Yuqian's heart lessened considerably now that the danger to the company had passed.

The only thing left that she needed to focus on was her father's surgical fees. Once she sold off the car, she should have about enough.

There was good news the next day. The used car dealers quickly contacted Xiao Yuqian and said there was a buyer who was interested in her car and was willing to offer thirty-thousand to buy it.

Xiao Yuqian became very happy when she learned of this news. She immediately asked the car dealership to process the change of ownership.

Now that the car was sold, it meant she had enough money for her dad's surgery. The weight in Xiao Yuqian's heart finally could be lifted.

And so, she wouldn't need to sell the house for now. Xiao Yuqian contacted Tang Yichen and wanted to tell him that there was no need to contact the auction house.

However, before she could say it, Tang Yichen spoke first. "Qianqian, I already helped do an estimation of the house's market value and also checked the property's records. However, I found out you might not be able to sell it right now. It is because the property owner isn't your father, you, or your brother."

"What? The family's house doesn't belong to my father? Then whose is it?"

"It says that it belongs to your auntie, Xiao Lan."

"Huh?"

Xiao Yuqian was extremely shocked when she heard this. Why would Xiao Lan's name be listed as the owner of the Xiao family house?

Could it be that their grandfather secretly gave it to Xiao Lan when he was dividing up his inheritance?

And that Auntie Xiao Lan might not know about this?

The house couldn't be sold and, coincidentally, also didn't need to be sold. Xiao Yuqian told the good news to Tang Yichen.

Tang Yichen let out a sigh of relief on her behalf when he learned their family had gotten through this difficult time. "That's good, you don't need to worry anymore. Just take care of your father in peace!"

"I understand. Thank you, Brother Chen."

After the call was finished, Xiao Yuqian went downstairs and ran into Xiao Lan, who was about to go to the hospital.

Xiao Yuqian didn't bring up the house when she saw Xiao Lan's back. She wanted to wait until her father was awake and then ask specifically about what was going on.

If she said it now, once Xiao Lan knew she was the owner of the house, she would definitely use it to hound her and her brother and kick them out straight away.

Xiao Lan waited at the door for the driver to drive over. Xiao Yiqian waited with her. When Xiao Lan saw her, she jumped up in shock and said, "Why are you looking at me? I'm not going to play mahjong! I'm going to the hospital!"

If Xiao Lan said this, it must mean she listened to what Xiao Yuqian said yesterday.

The car arrived and Xiao Lan got in. Xiao Yuqian also opened the car door and got in.

Xiao Lan saw that she followed her and shouted, "Hey! I'm really going to the hospital. Do you not believe me to the point where you even want to follow me?"

"I'm not following you. I'm also going to the hospital. Can't I do that?"

"You can drive your own car if you are going!"

Xiao Lan touched a sensitive spot. If Xiao Yuqian had a car, would she be sitting in her father's car?

"Start the car!" Xiao Yuqian didn't want to waste time talking to her and instructed the driver to start the car straight away.

The car arrived at the hospital. Xiao Yuqian asked Xiao Lan to stay at the hospital and she led her brother Xiao Yuche away.

She brought Xiao Yuche back home and asked him to bathe. She then asked the servant to cook something for him. After he ate, she said to him, urging him, "Xiao Che, you should go back to school! There are no problems with the family for the time being. There also won't be any issues at the company."

"Really?"

"Yeah."

"That's great!" Xiao Yuche let out a long sigh of relief. "Then I will go upstairs to pack."

Chapter 1954: Fate

Xiao Yuche was about to leave when he thought of something and stopped.

"Oh, right. Sis, are you free tomorrow? We have a basketball tournament. Can you come?"

Xiao Yuqian checked her phone and realized it was the weekend the next day.

"Sure. I'll be there."

"Thank you!"

Xiao Yuche hugged his sister and jogged up the stairs. Xiao Yuchen looked at her brother and couldn't help but smile. In her heart, Xiao Yuche would always be her little brother that would never grow up.

The annual college basketball tournament was held on the next day at Peijing University.

Xiao Yuqian entered the stadium with the ticket her brother got her and found her seat.

Her seat was in the third row from the court, which had a great view of the whole game.

When the time for the match was about to begin, the players were introduced onto the court.

Xiao Yuqian found her brother mixed in Peijing University's The Dream Team. All the players from that team wore white and blue uniforms.

After the dean of the university finished his speech, the lottery for the group stage began.

The Dream Team won through the group stage and the main stage, all the way to the finals.

They would be going up against the former champion, The WIN Team.

The players of WIN wore black jerseys as they stood opposite their opponents.

Xiao Yuqian noticed a familiar person in one of the black jerseys. When she focused on that person, she almost choked herself. It was Ma Haodong.

Ma Haodong was standing right in front of Xiao Yuche. Xiao Yuqian could not believe the fate she had.

Xiao Yuche stared at the captain of WIN and captain of the Dream Team. They were well acquainted with each other, as a fight had broken out between them when they last met on the court.

Both Xiao Yuche and Ma Haodong stared at each other with killing intent.

The final was the main event of the day as people were betting on whether WIN would defend their title or the Dream Team would strip them of their honor.

Before the match started, Xiao Yuche turned and found his sister sitting in the crowd. Knowing that his sister was there gave him strength.

Xiao Yuqian noticed her brother was waving at her and waved back.

Ma Haodong noticed the exchange between his rival and Xiao Yuqian.

He was surprised to learn that Xiao Yuqian was there to see the match. But what shocked Ma Haodong the most was that Xiao Yuqian was Xiao Yuche's older sister.

But Ma Haodong wasn't going to go easy on Xiao Yuche just because he was Xiao Yuqian's brother.

Xiao Yuqian also noticed Ma Haodong staring at her. Ma Haodong then kissed his palm and blew the kiss towards Xiao Yuqian, which made her blush.

Even with the distance between them, Xiao Yuqian could still feel Ma Haodong flirting with her.

The match finally began. It was a match between the white Dream Team and the black WIN. To Xiao Yuqian's eyes, it was like a match between good and evil.

Chapter 1955: Cause Her To Get Hurt

The basketball-loving boys all looked tall and handsome. On the court, they passed the ball smoothly and dashing. Every one of their movements was brimming with so much coolness that it caused the girls watching to scream nonstop.

Xiao Yuqian realized Ma Haodong looked pretty cool and charming when he played basketball.

When Xiao Yuqian realized what she was thinking, she felt her cheeks get hot.

Both sides were strong and it felt very evenly matched. They caught up in points and were tied. Xiao Yuqian quietly cheered for her brother's team in the audience.

She hoped they could beat Ma Haodong's team!

The first half of the game remained at a tie and the match quickly moved to the second half. After playing intensely, the WIN team showed their unmatched techniques, especially Ma Haodong. By the end, their skills with the ball had already reached perfection.

They scored again and again, quickly creating a lead.

The screams at the match became more intense. They were all cheering for Matthew, Ma Haodong's English name.

The match was about to end and they basically had already won. Ma Haodong only needed to shoot for the last time before the referee ended the match.

However, no one could've imagined Ma Haodong would throw the last ball towards the audience.

The ball flew over at a very fast speed. By the time Xiao Yuqian saw it and wanted to dodge, it was already too late.

The basketball hit her directly in her face. Xiao Yuqian screamed out in pain and covered her face. It hurt!

At this time, she couldn't describe how much pain her nose and face were in. It was so painful that even her tears came out.

When she removed her hand to take a look, her hand was filled with blood.

Because of this ball suddenly going out of bounds, it created a small chaotic scene in the audience. Many people were looking at her as she bled and they all started gossiping about it.

On the court, Xiao Yuche saw Ma Haodong use the basketball to hurt his sister. In a fit of anger, he threw a punch at Ma Haodong's face straight away.

After he hit him, Xiao Yuche went over the guardrail straight away and rushed towards his sister.

After Ma Haodong was hit, he massaged his sore lips. His teammates came to ask what was going on and ask him why he threw the last shot towards the audience.

The match was going well and they were initially going to win it perfectly. But now, the match was forced to cease.

Ma Haodong also didn't know what happened. It was as though he was suddenly possessed and he actually threw the ball at Xiao Yuqian. Perhaps he only wanted to attract her attention. Who knew it would cause her to get hurt?

Xiao Yuche pushed the crowd away and came in front of her. "Sis, are you alright?"

Xiao Yuqian was still bleeding nonstop right now. Xiao Yuche helped her up and led her away from the court.

Ma Haodong saw Xiao Yuche taking Xiao Yuqian away and, without any hesitation, he ran after them.

Xiao Yuche didn't know how serious his sister's injuries were. He was worried her nose was broken so he needed to rush her to the hospital right now.

The brother and sister waited at the Peijing University entrance for a car. At this time, a convertible suddenly stopped in front of them. Ma Haodong got out, ran three steps over, picked up Xiao Yuqian straightaway, and put her in the passenger seat. He then jumped into the car and quickly drove away.

"Hey!" Xiao Yuche realized his sister had been snatched away in broad daylight by Ma Haodong. He immediately chased after the car. However, how could his two legs beat four wheels?

Ma Haodong's sports car quickly left him behind.

Xiao Yuqiao used her scarf to hold her nose and it was already dyed with blood. Just now, when she wasn't paying attention, Ma Haodong suddenly took her away. Her brother definitely didn't know what was happening right now.

"Ma Haodong! Stop the car!"

Chapter 1956: Scold

Xiao Yuqian wanted to leave, but Ma Haodong wouldn't let her. Instead, he sped up and opened the top of his car.

No matter how Xiao Yuqian scolded him, Ma Haodong didn't care and drove straight to the hospital.

When they arrived, Ma Haodong opened the door for her and asked, "Do you want me to carry you in?"

Not wanting him to do that, Xiao Yuqian got out of the car and went into the hospital.

Ma Haodong locked his car before following Xiao Yuqian and helping her register at reception.

Xiao Yuqian let Ma Haodong do whatever he wanted since he had to pay for the injury he inflicted on her.

After checking with the doctor, Xiao Yuqian was lucky that she didn't break her nose. The bad news was that she got a concussion and the doctor advised her to stay in the hospital.

There was a significant bruise on her face too. She lay on the hospital bed with a lifeless expression.

Ma Haodong got back from helping her with the admission registration and sat down next to her, staring at her.

Xiao Yuqian turned her face to the other side, not wanting him to see how dispirited she was. If not for the throbbing pain in her face, she would've scolded him.

"I'm sorry... It's all my fault," Ma Haodong apologized with a smile.

"Just leave me alone..."

"I swear, it wasn't on purpose!"

Ma Haodong walked over and sat on her bed before pulling her into his arms.

"Not on purpose? What? The ball flew to my face on itself?"

Xiao Yuqian scolded him and pushed him away.

"I... I just wanted to say hello..." Ma Haodong tried to explain as he scratched his head.

It was the first time in his life that he actually apologized for something he had done.

Seeing her bleed made him want to make up for it.

"Say hello? More like trying to kill me!"

"Why would I do that? If you died, then it would be my loss."

"Just go away!"

Xiao Yuqian tried to hit Ma Haodong, but he evaded it.

"Just lie down. I'll come back soon," Ma Haodong said and turned to leave.

"Don't ever come back!"

After Ma Haodong had left, Xiao Yuqian got a call from her brother.

"Sis? Where are you? Did that guy do anything to you?"

Xiao Yuche thought that Ma Haodong hurt his sister because of the fight they had when they last met. He thought Ma Haodong was seeking revenge.

"I'm in the hospital. They say I have to stay here just in case," Xiao Yuqian replied and told Xiao Yuche which hospital she was at.

Ma Haodong came back a few dozens of minutes later.

He had two shopping bags in his hands, and he placed them in the small wardrobe next to the bed.

"I got some clothes for you. You should put them on," Ma Haodong explained.

"Don't need them! The nurse will get the hospital gown for me."

"Those are too ugly. You can wear these."

"I said I don't want too!"

"Look at yourself. Your shirt is covered in blood. What's wrong with buying you new ones?" Ma Haodong scolded and sat down next to her. "Or, are you waiting for me to help you put them on?"

"..."

Xiao Yuqian was completely defeated by the person in front of her. She wondered if he was ever taught what respect meant.

Chapter 1957: Kissed Until Satisfied

Her heart was unwilling but she was afraid he was being serious. And so, Xiao Yuqian had no choice but to change her clothes like a good girl.

“How can I change with you looking at me?”

“Okay, I will turn around.”

After he turned around, Xiao Yuqian had no choice but to grin and bear it and change her clothes as fast as possible. “I’m done.”

In actuality, she didn't notice but there was a glass in front of Ma Haodong. He could see the entire process of her changing her clothes.

After admiring her good figure, he turned around and smiled at her. “What did you eat to grow up so beautiful?”

“...” Xiao Yuqian momentarily couldn't react. By the time she came back to her senses, his head was lowered and looking at her chest. She was so angry that she raised a fist to hit him.

Unfortunately, her fist was caught by his hand. Moreover, he couldn't help himself again as he took advantage of the situation. He pushed her hand down and then kissed her on the lips.

“Mmmmm...”

Xiao Yuqian realized he was acting like a hooligan again. She wanted to push him away but it was no use.

He was pushing down on both her hands. And just like this, he ignored everything and was engrossed in the kiss.

She was really about to die from his torment. Her nose hurt and even breathing was painful. Now that he sealed her lips, how was she supposed to breathe?

After Ma Haodong kissed her until he was satisfied, he let go of her and said, “This is my reward for sending you to the hospital!”

Xiao Yutian angrily rolled her eyes at him.

While the two of them were looking at each other face to face, Xiao Yuche coincidentally caught a glimpse of them in the corner of his eyes while he was rushing over.

He saw the whole scene where Ma Haodong kissed his sister just now. Xiao Yuche scolded him when he saw him bully his sister.

“Bastard.” He rushed over, held Ma Haodong, and then threw another punch at his face.

Xiao Yuqian saw Xiao Yuche suddenly rushing over to hit Ma Haodong and she shouted, “Xiao Che!”

“You bastard! You dare to bully my sister! I'm going to beat you to death!”

When Xiao Yuche's second punch came, Ma Haodong dodged it. Xiao Yuche didn't stop and threw another punch. However, Ma Haodong didn't tolerate it and returned a punch to him, not holding back, knocking him down onto the hospital bed.

“Xiao Che!” Xiao Yuqian shouted anxiously when she saw Ma Haodong hitting Xiao Yuche. “Ma Haodong, you better stop! You are not allowed to bully my little brother!”

“He started it!”

Ma Haodong withdrew his fist and didn't continue to hit him. Xiao Yuche glanced at him fiercely like a little wolf dog protecting its food. “It was because you were bullying my sister.”

“How was I bullying her? So impolite. Before taking action, you should at least ask to clarify my relationship with your sister, right?”

Ma Haodong spoke unhappily.

Xiao Yuche turned to look at his sister when he heard this. Xiao Yuqiao was in a difficult spot. She lowered her head and didn't know how to explain it.

Xiao Yuche saw his sister was in a difficult position and he questioned Ma Haodong directly. “What is your relationship with my sister?”

Ma Haodong smoothed out the hair in front of his forehead and told him confidently, “Your future brother-in-law.”

“What dogshit brother-in-law? Ma Haodong, you intentionally approached my sister to get revenge on me!”

Xiao Yuche couldn't believe it. Ma Haodong was the same age as him and studied at the same university. They had friction with one another before and both of them disliked each other. How could Ma Haodong possibly have a relationship with his sister?

After he finished speaking, he turned his head and asked his sister, “Sis, aren't you together with Li Muhao?”

Xiao Yuqiao's heart was currently in a mess. She really didn't know how she could explain her situation. If she wasn't willing to say, Ma Haodong would tell him on her behalf. “You might not know it, but your sister already dumped that Li guy. Right now she is with me.”

“Sis, is that true? You already broke up with Li Muhao?” Xiao Yuche asked in disbelief.

“I did break up with Li Muhao.” Xiao Yuqian nodded to admit it.

Chapter 1958: Unprepared

“But why him? Do you know he's one of the biggest dandies in all of Peijing?” Xiao Yuche sighed.

Ma Haodong did not get angry about being called a dandy and smiled instead.

“I admit that I'm a dandy, but I'm not like all those people out there who play with women's feelings. I don't do that.”

Ma Haodong then turned to look at Xiao Yuqian.

Xiao Yuqian cursed silently as it made her recall the nights she had with him.

Xiao Yuche was still stunned as he couldn't accept the fact that his sister was dating his rival.

"Well, whatever. I'm leaving now," Ma Haodong said.

Ma Haodong was still in his jersey. When he turned around, his muscular back that was drenched in sweat could be seen. It made him seem manlier than his age.

But Xiao Yuqian ignored it and waited until he left.

Xiao Yuche then pointed at the door and asked, "Sis, how did you two meet?"

"Bad luck..."

"You do know he's a famous playboy, right? You better not fall for him."

"I know. Nothing will happen between us."

"I bet you that he's doing this to get his revenge on me! Just run away from him if you ever meet him again."

"Okay."

Xiao Yuqian didn't need her brother to remind her. She would not even want to get close to Ma Haodong ever again.

Since there wasn't much going on, Xiao Yuche left after Xiao Yuqian had fallen asleep.

Xiao Yuqian was supposed to stay in the hospital for a few more days, but she got a call the next day, saying one of the celebrities under her management was in trouble. She had to be discharged earlier to take care of the situation.

Xiao Yuqian took a cab back to Huayin and realized the door was crowded with reporters.

The moment the reporters saw her coming, they began to flood her with questions.

"Xiao Yuqian, can you explain the truth behind Su Jimo's hidden marriage?"

"Did you know about this from the beginning and decide to hide it?"

"Can we get an interview on Su Jimo?"

The reporters blocked Xiao Yuqian's way into the company. Luckily, her colleague, Guan Hao, came out and opened a way into the building.

"Are you all right?" Guan Hao asked once they got in.

"I'm fine. Thanks."

"Don't worry about it. You should go and take care of the problem."

Xiao Yuqian nodded and went back to her office. A man was already in there sitting on the couch.

Xiao Yuqian instantly recognized the person just from his back. He was the two time Best Actor winner, Su Jimo, the face of Huayin Entertainment.

Just as the company was promoting him as a single person, news of him being married spread throughout the media.

Even the company didn't know that he was married, and the outcome affected them hard.

Chapter 1959: Have A Beautiful Turnaround

Bang.

Xiao Yuqian smashed down on the office table. She turned around to face him and stroke her hair. She said very angrily, "What is going on? I want to ask you, what exactly is going on?"

If it were any other normal celebrity, Xiao Yuqian might've already started scolding. However, he was Su Jimo, the most valuable celebrity she was in charge of. Moreover, he even lent her a million during her most difficult time of need. She was really reluctant to scold him because of that one million dollars.

"Su Jimo, can you please consider others before you do something? I am your agent and you are a celebrity that I've single-handedly brought out. Even if you want to announce the secret wedding, couldn't you tell me about it first? At least that way I can prepare some netizens to guarantee not all of the comments on the internet would be attacking you! Look at what you've done!"

Xiao Yuqian was the only one in the company who knew about Su Jimo's secret wedding. It was because she also knew Su Jimo's wife, Nie Zhenglan. Moreover, she was also good friends with Nie Zhenglan. She was sure Nie Zhenglan wouldn't do anything that would harm Su Jimo. That's why she never stuck her hand into this.

However, she really never would've imagined that even though Nie Zhenglan didn't announce it, this mister couldn't hold it in and announced it himself.

Su Jimo was in deep thought all this while. He suddenly lifted his head and lightly sighed. "I'm sorry, Yuqian... she wants to divorce me."

Su Jimo's tone of voice was filled with helplessness. The reason he did this was that he had no other choice.

Ever since he debuted and till now, all these years, he would do everything exactly how his company and his agent planned. The only scandal he was ever involved in was the fake scandal the company manufactured to create hype. And that scandal could be cleared up promptly when the company wanted to. Besides this, he had always had a clean image and he never had any complicated rumors surrounding him.

Strictly speaking, he could be considered as having zero scandals since his debut.

However, because of this, because of how much effort he put into his work, it caused their relationship as husband and wife to deteriorate. Only then did he find out what it meant to lose something.

He did not regret that he announced his secret message. He only felt sorry for Xiao Yuqian because of the help she gave him.

"I understand. It isn't easy between you and Lanlan."

Xiao Yuqian sighed. "Since it already happened, we need to find a way to solve it. You haven't seen how many reporters there are outside waiting for you to explain. That's why we first need to subdue the gossip."

Sigh...

Su Jimo looked as if he was done with the world; he looked completely dejected.

"Can you not be like this? The situation hasn't reached the stage where it can't be saved. I saw the news. Your confession of love towards Lanlan touched a lot of people. By using the goodwill you accumulated with the audience in the past and together with sincere words, perhaps we could even have a beautiful turnaround."

From what Xiao Yuqian could see, there were two sides to this situation. On one hand, the secret marriage would definitely cause Su Jimo's fame to drop and he would lose a lot of fans.

However, there would definitely be many fans who would be touched by his truthfulness and bluntness.

He had a good public image and was considered as cautious and conscientious within the industry. He relied on his pure talent to win multiple awards. Him announcing he was already married to the public and confessing to his secret wife couldn't really be considered as doing something wrong.

"You just handle it in whatever way you think is right!"

Right now, Su Jimo was in a completely dejected state. After he announced his secret marriage, he no longer cared about losing fame. It was because he felt that no matter how much he achieved, it was pointless. To him, losing Nie Zhenglan meant losing the entire world.

Chapter 1960: Dominance

Su Jimo always wanted to protect his wife. Yet, in the end, their relationship slowly broke apart over time as his job began to interfere with their daily lives.

"I know what to do..." Xiao Yuqian sighed. "Let me contact her. I'll try and convince her."

After Su Jimo left, Xiao Yuqian was called in by her higher up. She had to take responsibility for the scandal as well.

No matter how much her boss scolded her, Xiao Yuqian just kept on promising that the scandal would be taken care of soon.

After leaving the boss's office, Xiao Yuqian went to the PR department to come up with a plan.

She stayed at the office until night fell and came up with a solution.

Xiao Yuqian then packed her stuff and left.

"Yuqian!" Guan Hao called out as he chased after her. "It's already late. Let me drive you home."

"Sure thing. Thanks."

Now that Xiao Yuqian had sold her car, she had to find another way home. Since going back alone late at night would be dangerous, she was glad that Guan Hao offered her a ride.

Thinking that the reporters must've left, they left through the main door. The moment they stepped out of a building, a luxurious supercar that was parked outside caught their eyes.

Xiao Yuqian instantly knew who that car belonged to. Only Ma Haodong would drive a limited edition car like that.

Knowing that Ma Haodong was there to look for her again, Xiao Yuqian tried to hide.

But before she could do anything, Ma Haodong had already gotten out of the car.

"Xiao Yuqian!" he shouted.

Xiao Yuqian frowned as she heard him shouting her name while Guan Hao was surprised. Guan Hao had no idea who the person was, as Ma Haodong wore a face mask to hide his face.

"Who's that?" Guan Hao turned and asked Xiao Yuqian, who was now hiding behind him.

"No one. I don't know that person."

Xiao Yuqian pretended not to know Ma Haodong and left. But Ma Haodong ran up and grabbed her wrist.

"Hey! Why are you ignoring me?"

Seeing that Ma Haodong was grabbing Xiao Yuqian, Guan Hao turned and scolded, "Who the heck are you? Let go of her!"

"Who am I? I'm her boyfriend!"

Ma Haodong stared at Guan Hao as a warning while pulling Xiao Yuqian into his arms to show his dominance.

"Wha... Let me go!"

Xiao Yuqian tried to break free, but Ma Haodong hugged her tightly.

Ma Haodong then turned and pulled Xiao Yuqian to his car.

Guan Hao did not believe Ma Haodong, as he thought Xiao Yuqian was still dating Li Myhao.

"Hey! I told you to let her go!" Guan Hao shouted as he strode towards Ma Haodong.

But before Guan Hao could do anything, Ma Haodong turned and punched Guan Hao to the floor.

"Hey! Stop!" Xiao Yuqian yelled and tried to go and help Guan Hao up.

But Ma Haodong grabbed her tightly and would not let her go.

"Another word, and he will have to stay in the hospital for days!" Ma Haodong threatened.
