

Priceless Baby 1971

Chapter 1971: Always Intentionally Teased Her

Ma Haodong gestured to welcome her and Xiao Yuqian felt like she had the wrong idea. She wasn't the one accompanying him to look at the house, but it was he who was accompanying her.

Xiao Yuqian walked into the beautiful villa and she admired the decorations inside. It looked very nice. The interior designs were all very modern and well suited for the younger generation.

Moreover, she could tell it was a very new house. There weren't any signs that it was lived in before.

Xiao Yuqian took a look around and gave a comment. "It is luxurious enough to match your young master style. I really feel President He values you very much! The other celebrities in our company, no matter how famous they are, still wouldn't be given such great benefits."

Ma Haodong laughed. "You are so stupid! Did I say this is provided by the company? I'm just joking with you. This is my own house."

"What?"

Xiao Yuqian was shocked. After going on about it for so long, it was actually not provided by the company. It made sense when she thought about it. The company wouldn't give such good benefits to a newcomer.

After looking around one more time, Xiao Yuqian twitched her mouth and said, "Okay then. Since you are home, I will get going."

"Don't be in such a hurry to leave!" Ma Haodong tried to get her to stay, "Woman, do you know how lucky you are? You are the first woman to occupy my body and also the first woman to walk into my house."

Xiao Yuqian: "..."

Hearing these words really made her feel embarrassed!

He didn't wait for her to respond and he was already holding her hand. He pulled her over to the sofa and made her sit down.

"You should sit and rest for a while. I will go pour you some water."

"I'm not thirsty."

"Okay then!"

Ma Haodong didn't go to pour water. Instead, he placed one hand on the sofa and cornered her between the sofa and him. He stared into her eyes and said, his voice sounding brilliant, "Do you know? My house is very spiritual. Once it recognizes a master, it will sign a contract with them. Congratulations, from today onwards, you are the mistress of this house. How do you feel? Aren't you happy?"

"Crazy!" Xiao Yuqian scolded him and pushed him away. "That's enough. I should be heading back."

"Don't go! Stay!"

Ma Haodong proposed an invitation and used his body to block her path. He then trapped her in between him and the sofa once again.

His glittering eyes were staring deeply into her. His eyes looked intense, as if they could burn everything down.

Xiao Yuqian didn't dare to look into his eyes. The rhythm of her heart had been thrown into chaos by him. This brat always acted so mischievously and always intentionally teased her.

“Qianqian... can you promise me?”

He changed what he called her again. When he was in front of others, he called her Xiao Yuqian. When the two of them were out together, he would call her Miss Xiao. And now at times like this, he actually softly called her Qianqian.

His voice sounded a bit unclear and his gaze grew deeper and deeper. Those hot lips kept on getting closer to her, his hot breath touching her cheeks.

It was as if Xiao Yuqian was enchanted by his gaze and she actually forgot to react. She only started to struggle after he kissed her but by that point, it was too late.

That passionate kiss caused her to have difficulty breathing and she felt like her lungs were about to jump out of her chest. Her head was also very dizzy.

Ma Haodong finally let go of her and he stared at her crystal eyes, asking once again, “Qianqian, come move in with me, okay?”

It was only now that Xiao Yuqian regained her senses. When she realized she was enchanted by him just now, she secretly slapped her lips in her head. She pushed him away once again, got up, and said, “There is no way! I'm leaving!”

She grabbed her purse and wanted to quickly escape. However, Ma Haodong swayed his phone behind her and said, “Do you think I should upload these videos? Why don't we just announce our relationship!”

Chapter 1972: Compromise

Xiao Yuqian immediately stopped when she heard what Ma Haodong said.

“Didn't you tell me you deleted all the videos? Why do you still have them?”

Xiao Yuqian turned around and asked this.

Ma Haodong had deleted all the videos, but he didn't tell her that since he wanted her to stay.

“This is an invasion of privacy!” Xiao Yuqian scolded. “I can sue you; you know that, right?”

Ma Haodong only smiled at Xiao Yuqian no matter how much she scolded him. Xiao Yuqian realized that whenever she was dealing with Ma Haodong, she could not keep her calm.

But she already knew what kind of person Ma Haodong was. He was the type of person that would do anything to get what he wanted.

Xiao Yuqian was a woman, and she cared about appearances a lot. After thinking it through carefully, Xiao Yuqian didn't have many choices left.

"Fine! I'll move in! But there are going to be rules!"

Ma Haodong's heart fluttered when Xiao Yuqian finally agreed to it. His plan had worked.

He'd never expected a fluke to actually work.

"Of course. What are the rules, then?"

"You cannot interfere with my life in any way! And no sex!"

Ma Haodong lay back on the couch and smiled, "Deal! But what if you were the one who wanted sex?"

"I would never!"

"But weren't you the one who wanted it the last two times we did it?"

"Those don't count!"

Xiao Yuqian knew that she was drugged and could not control herself before. She believed that she would never want to have any intimate contact with Ma Haodong.

"All right, then, you're moving in officially tomorrow. Why don't you stay here for the night too?"

Ma Haodong got up.

"Not tonight!" Xiao Yuqian scolded as she walked towards the door. "I have to go back home."

"At your service, then."

Ma Haodong bowed and followed Xiao Yuqian. He started his car and drove her home.

When they reached Xiao Yuqian's house, she got out of the car and slammed the door.

"Good night, Qianqian." Ma Haodong peeked his head out of the window. "I'll come and get you tomorrow."

"Get lost!" Xiao Yuqian roared and stomped back into her house.

Xiao Yuqian could not sleep that night.

She kept thinking of Ma Haodong, and the things that had happened between them.

She could help but wonder what kind of wrong deeds she'd done in her past life to deserve such treatment.

But her feeling was contradictory too. Even though she hated him, what he'd done for her touched her slightly also.

She was supposed to grieve over being dumped, but Ma Haodong's appearance was enough to make her forget about that.

He was younger than her, different, they did not have anything in common. Xiao Yuqian thought that she would never be attracted to him, but things were changing, and she could not control it.

She finally fell asleep much later. Xiao Yuqian did not set the alarm since it was the weekend, but she was woken up by a call early in the morning.

The moment she saw Ma Haodong's name on the caller ID, she immediately jumped out of bed.

Chapter 1973: Their Shared Possession

After she took the call, his slightly lazy voice transmitted through. "Hello? Have you finished packing? I am outside your house. Do you want me to come help you carry your luggage?"

"No Need!"

Without even having to think about it, Xiao Yuqian shouted to reject him. "Give me some time, I will be done very quickly."

She frantically got out of bed, quickly looked for her luggage, and started packing.

In any case, she would still be able to come back in the future. That's why she only packed some of her daily necessities and clothes. After she finished packing, she took a quick shower before changing her clothes and heading out.

She ran into Xiao Lan after she went downstairs. Xiao Lan saw her heading out while carrying her luggage and asked, "Qianqian, Xinxin came back this afternoon and she said she wants to see you. Where are you going right now?"

"Auntie, I will be moving out for a while from today onwards."

"Moving out?" Xiao Lan widened her eyes in surprise.

"Yeah. I've been really busy recently managing a few newcomers. It will kinda be like going out for a business trip for a while."

Xiao Lan really liked it when she wasn't home, so when she heard she was leaving, she had to suppress the happiness in her heart. "Okay. You have to be careful while you are out! If you need anything, you can call home anytime."

"I understand. I will go to see dad sometimes. His surgery is on Monday."

"Okay, I will also be going."

After Xiao Yuqian said goodbye, she left the Xiao house straight away. The moment she left, Xiao Lan immediately called Xiao Yuxin to tell her the situation. "My good daughter, let me tell you some good news. That annoying little shit will be moving out. We, mother and daughter, will be able to live peacefully for a few days."

Outside, Xiao Yuqian saw her old car parked on the other side of the road so she pushed her luggage over.

Ma Haodong only got out of the car after he saw her come over. He helped her put the luggage into the trunk.

Once Xiao Yuqian got into the car, Ma Haodong started driving the car back to the lakeside villa, in a good mood.

Now that Ma Haodong brought her over, he helped her move her things in. The two of them had now officially started living together.

“You can pick whichever room you want.” Ma Haodong brought her to look at the bedrooms upstairs.

“Which one is your bedroom?” Xiao Yuqian asked.

“This master bedroom is mine.”

“Then I want the bedroom over there.”

She just wanted to be away from him. The further away the better.

After her luggage was brought into the room, Xiao Yuqian started to place her things. She opened the wardrobe and saw that there were a lot of new clothes inside. She asked, “Whose clothes are these?”

“They are all yours. I prepared them for you. If you don't like them, I can ask someone to change them,” Ma Haodong said.

“No need!” Xiao Yuqian turned around and said to him, “I want to add another rule. You are not allowed to buy anything for me in the future. Don't spend one single cent on me. It is best if we don't get involved with each other at all.”

“Okay! I will do as you say.”

Ma Haodong was being very amicable. However, whether or not he would do as she said was a different story altogether.

After Xiao Yuqian finished tidying her things, she got ready to go out. “I need to go to the hospital to see my dad.”

“Okay then!”

Ma Haodong threw her the car keys. “Drive our car there.”

That car had already become their shared possession. Xiao Yuqian looked at her old car keys and didn't reject them. She grabbed the car keys and left.

While she was heading out, Ma Haodong also added one rule. “Wait a minute, Miss Xiao. I also want to add one rule. In the future, you cannot come back home later than eleven o'clock.”

Ma Haodong pointed at the watch on his wrist and looked serious.

As Xiao Yuqian was a workaholic who would constantly work overtime, this rule was a bit demanding.

“Okay. I will try my best.”

Chapter 1974: Disgusting

Xiao Yuqian drove to the hospital. Her father had already woken up, and Xiao Yuqian told him about the recent events. When Xiao Guohua heard that the crisis was over, he let out a sigh of relief.

"Sorry for troubling you..." Xiao Guohua smiled.

"It's okay. Your health is more important than anything else. The surgery is set for two days from now. You'll feel better by then."

Xiao Guohua nodded and asked, "How's your aunt and Xinxin?"

"They are doing great. Don't worry about them."

"I see. What do you know about the company that invested in us?" Xiao Guohua then asked.

"I have no idea. The president didn't want us to know who he is." Xiao Yuqian shrugged.

They chatted for a while until it was lunchtime, and Xiao Yuqian went out to buy her father some food.

Unfortunately for her, she met two of the people she hated the most in the elevator.

Li Muhao and his new model girlfriend, Danni, were standing in the elevator, flirting.

They only separated from each other when the doors opened.

"Xiao Yuqian?"

Hearing someone calling her name, Xiao Yuqian raised her head only to see the face she hated the most.

"What luck is this!" Li Muhao laughed.

"I'm scared," Danni whimpered as she hugged Li Muhao. "It looks like she wants to kill me or something."

"Don't worry! A nobody like her wouldn't be able to harm you."

Li Muhao laughed as he looked down at Xiao Yuqian. His words were clear. He wanted nothing to do with Xiao Yuqian anymore.

"Ouch! My stomach hurts!"

Danni suddenly hugged her stomach and screamed.

"What's wrong?" Li Muhao asked worriedly.

"I don't know. I think it's because I'm still in the early stages of pregnancy."

Danni said it out loud so that Xiao Yuqian could hear it.

But Xiao Yuqian wasn't even fazed by it. She was calm.

Initially, she thought that her heart would break if Li Muhao left her. But now, she was completely unaffected by it.

Perhaps because she'd never had sex with Li Muhao, she could protect her mind from breaking down.

Looking at the two people acting all lovey-dovey only disgusted her.

“Did Mr. Li not tell his new girlfriend?” Xiao Yuqian suddenly asked.

“What?” Li Muhao raised his head, wondering what Xiao Yuqian was talking about.

“That you have AIDS. You should seek treatment as soon as possible, you know? Oh, right, I've also heard that the disease can spread through saliva and sex. And the babies will get it too.”

“Xiao Yuqian! What the heck are you talking about?” Li Muhao roared.

“Why are you so anxious? Because I'm right?”

Xiao Yuqian laughed cunningly and exited the elevator.

After she was out, she could hear Danni screaming in the elevator.

“Is it real? Why did you lie to me?”

“No! Don't believe what that bitch says!”

Chapter 1975: Let Them Tear Each Other Apart

“What am I supposed to do now? I already have a child. If we are infected we are both done for! Ahhh! You bastard, why did you hide it from me...”

Humph, she would let them tear each other apart. Li Muhao would definitely have to explain himself for the rest of his life. Hahaha.

After she brought the food back, there were two other people in the patient's room. It was Xiao Lan and Xiao Yuxin. They were both currently speaking with her father.

Xiao Yuqian stood by the door and, while she looked at the three of them inside the room, she felt like she was seeing things wrong. Why did it feel like they were his real family?

“Dad!” Xiao Yuqian walked in and shouted.

Xiao Yuxin saw her come back and went over to hug her happily. “Sister Qianqian. Aren't you surprised to see me?”

“You already finished filming?”

“Yes. I've already finished filming my part. That's why I rushed back to see uncle.”

Xiao Yuqian didn't continue to say anything and just placed the food on the bedside cabinet. Xiao Lan spoke up. “Let me do it, Qianqian. You should rest for a while and let me take care of my big brother.”

Xiao Lan really knew how to act now that Xiao Guohua had woken up. Since she wanted to perform, Xiao Yuqian would do it with her.

While Xiao Lan was feeding Xiao Guohua, she kept on speaking. “Brother, we've really been so worried recently. I couldn't fall asleep and lost sleep every night. I was really worried something would happen to you.”

Xiao Yuqian wanted to laugh in her heart when she heard this. She intentionally said, "That's right, dad. Auntie was really so worried that the only way she could calm down was to play mahjong every day."

Xiao Lan's face turned white and she cast a glance at Xiao Yuqian.

The atmosphere was a bit cold. Xiao Yuxin took the initiative to hold her hand. "Sis, tell me what has been going on in our family? Have you taken care of everything? Do you need my help?"

"No need. You can just go act in peace." Although Xiao Yuqian didn't like Xiao Lan and her daughter, she didn't really hate Xiao Yuxin.

"Oh, there is another thing I need to tell you. My contract is up and my manager is transferring my contract. I am planning on signing with Huayin Entertainment. Sis, why don't I just sign directly under you?"

Xiao Yuxin was hoping Xiao Yuqian could take care of her in the future. Even now, she was just a minor unknown actress. It was because she didn't have enough resources. However, since her cousin was already a top agent at her company, she would definitely be able to get famous if she depended on her.

Xiao Yuxin wanted to sign under her but Xiao Yuqian didn't want to manage her!

After all, she wanted to avoid arousing suspicion. It wouldn't be good if people knew they were related.

Xiao Yuqian rejected her tactfully. "I'm sorry, Xinxin. I might consider taking you on if not for the fact that my company recently assigned a newcomer to me. Right now, I have to both take care of this newcomer and an elder. I really don't have the time."

"Oh, what a pity! But it's fine. If I go to Huayin Entertainment, sis can still more or less take care of me, right!"

Xiao Yuxin smiled and showed a face of "no harm done."

Xiao Yuqian's phone rang at this time. She picked it up and she saw that it was Guan Hao who had called. She reckoned that it was company business so she used it as an excuse. "Auntie, the company needs to see me about something so I will be going over. Please help me to take care of things here."

When Xiao Yuqian was about to go, Xiao Yuxin followed her. "Qianqian, wait for me. I will go to the company with you. Bring me to visit Huayin."

Xiao Yuqian couldn't reject her now that she said this. After she received Guan Hao's call and confirmed that the company needed to see her, she quickly left the hospital.

When Xiao Yuqian arrived outside the hospital, she used her keys to open the car door but she realized the door was unlocked. Moreover, there was even music coming out of the car. How strange...she'd definitely locked the door when she left. What was going on?

When she opened the door to investigate, she saw Ma Haodong sitting in the back, listening to music.

"Why are you here?"

Chapter 1976: It's Perfect

Ma Haodong turned and saw both Xiao Yuqian and Xiao Yuxin.

“Ma Haodong? Isn't that Ma Haodong?” Xiao Yuxin exclaimed as her eyes widened.

Not only did Xiao Yuxin know who Ma Haodong was, but she also followed news of him frequently. She fell in love with him after meeting him once at a party with her friend.

Xiao Yuxin pulled on Xiao Yuqian's sleeve excitedly and asked, “Isn't that Rongma Group's young master? Why is he in your car?”

Xiao Yuqian was also shocked by it. She never expected that Ma Haodong would come and look for her at the hospital, nor did she know that he has another set of keys.

But it was his car so she couldn't say anything about it either.

“He's... He's the new artist under me...,” Xiao Yuqian frowned and explained.

“What did you say?” Xiao Yuxin asked as her jaw dropped.

It was as if spring had arrived for her. She never thought that the person she admired the most would work under her cousin.

“H... Hi! Nice to meet you. I'm Yuqian's cousin, Xiao Yuxin.” Xiao Yuxin quickly introduced herself to Ma Haodong and extended her arm.

Ma Haodong looked at her hand and shook it quickly.

“Nice to meet you too.” Ma Haodong nodded and turned to Xiao Yuqian. “Miss Xiao, can we go now?”

“Right!” Xiao Yuqian sighed and ran to the driver's seat.

“Are you really going to join Huayin?” Xiao Yuxin asked as she sat in the passenger's seat. “I'm going to join them soon too! We'll be colleagues!”

On the way back to the company, Xiao Yuqian remained quiet the whole trip while Xiao Yuxin kept talking to Ma Haodong one-sidedly.

After reaching the company, Xiao Yuqian told them she had some errands to run, so she had to leave them alone.

“Don't worry! We can handle ourselves.” Xiao Yuxin smiled.

Ma Haodong stayed with Xiao Yuxin after that, mainly because he wanted to learn more about Xiao Yuqian from her.

“How close are you with Miss Xiao?” Ma Haodong asked.

“Us? We're like real sisters!”

“Really? Why is she always so serious?”

“That's how she is. She rarely smiles. You just have to get used to it.”

Xiao Yuxin was glad that Ma Haodong would start the conversation. She planned to get close to him first and slowly move her way up to his special someone.

Xiao Yuqian went to look for Guan Hao because he'd called her before that. The truth was that Guan Hao had nothing essential to tell Xiao Yuqian. He just wanted to see her.

"Here, this is the plan for Su Jimo," Guan Hao said as he handed Xiao Yuqian a file.

It was a plan for Su Jimo to participate in a variety show to regain his fame.

The plan was perfect, and all Xiao Yuqian had to do was let her boss sign it.

"Thank you. This is perfect! This is what Su Jimo needs right now."

"You're welcome. Get some rest after this is all over."

Chapter 1977: Try His Best To Attack Her Heart

"I understand."

Xiao Yuqian left while holding the project proposal and Guan Hao walked with her.

She returned to her office and Guan Hao realized that not only was Ma Haodong there, there was also another girl. The girl looked familiar, like she was a child actress.

Guan Hao remembered that Xiao Yuqian had mentioned before that she had a younger female cousin who debuted as a child star. Perhaps this was the person she was talking about?

The two of them looked quite similar!

Ma Haodong saw that Xiao Yuqian was back and that she had also brought Guan Hao here. He stood up involuntarily.

After Xiao Yuqian gave him a short introduction, Xiao Yuxin said, "Haodong and I were just talking about which restaurant we should go to. Why don't we all go get lunch together!"

Ma Haodong didn't say anything and just looked at Xiao Yuqian. Xiao Yuqian, on the other hand, turned around and exchanged glances with Guan Hao.

Guan Hao had initially wanted to invite Xiao Yuqian out alone but there were two additional people now. Moreover, Xiao Yuqian's cousin had already said to eat together so he had no choice but to go along with it. "Okay, let's go together then!"

They left Huayin together. Guan Hao had his own car so Ma Haodong said, "Xiao Yuxin, you go in Mister Guan's car. I will go with my agent. See you later at the restaurant."

Since Ma Haodong already said as such, Xiao Yuxin couldn't go with them no matter how much she wanted to. She also didn't dare to request so much, so she just went into Guan Hao's car obediently.

Ma Haodong sat beside Xiao Yuqian and put on his seatbelt. He said, "Okay, you can drive now."

Xiao Yuqian drove the car out and Guan Hao's car followed suit.

Now that there were only two of them in the car, Ma Haodong looked at her and said, "Okay, lose that poker face! If you have anything to say, just say it!"

Xiao Yuqian only said, "Why did you follow me here? You don't have any activities scheduled today."

"I know. I only came so I could be with you. That's why I'd rather sacrifice my weekend. Aren't you moved?"

Ma Haodong leaned his head against her shoulder and Xiao Yuqian immediately moved her shoulder to shove him away. She indicated that he should talk properly and not try anything funny.

"Okay. You need to remember our relationship is that of a manager and an artist. When you speak or act in the future, you have to behave properly, especially when in front of others."

"Understood. What you mean is that we can have a secret relationship. I got it!"

Xiao Yuqian almost stepped on the wrong pedal. "Who wants to get into a secret relationship with you?"

"Fine, if you don't want to admit it. I don't believe you don't feel anything towards me in your heart."

"I don't feel anything. You are imagining things." Xiao Yuqian lied brazenly. Right now, he had thrown her heart into chaos.

She really was afraid that once they spent more time alone together, this fella would really try his best to attack her heart.

Moreover, Xiao Yuqian wasn't considering getting into a relationship for the time being. She only wanted to protect her heart so that no one would have the chance to hurt her.

They arrived at the restaurant and it was a very classy Japanese place.

After they booked a room, the four of them sat down and started to order.

When Ma Haodong was ordering, he really gave off an obvious aura of being rich. He ordered all of the signature dishes straight away.

"We won't be able to finish them all. Order less," Xiao Yuqian said.

"It's fine. In any case, you are treating us!" Ma Haodong said cheerfully.

Xiao Yuqian rolled her eyes at him. If he knew she was paying, could he not be so extravagant and wasteful and put her into such a bind?

This lunch would eat up half of her monthly salary. Just thinking about it felt painful.

During this meal, it was Xiao Yuxin and Ma Haodong who spoke the most. The two of them kept the atmosphere lively. Both Xiao Yuqian and Guan Hao felt really awkward while they ate.

Chapter 1978: Hide It Well

"Did you pay for dinner?" Xiao Yuqian turned to ask Guan Hao.

"No." Guan Hao shook his head.

“Then who did?”

The waiter then told them it was paid by a Mr. Ma. They immediately realized it was Ma Haodong who had paid for it.

Xiao Yuqian decided to pay him back later, as she did not want to owe him anything.

Ma Haodong had to return to the Ma mansion after dinner. His driver was already waiting outside the restaurant to pick him up. After Ma Haodong had left, Guan Hao asked if Xiao Yuqian wanted to go for a movie, but she declined, as her father was still in the hospital.

Xiao Yuqian then drove Xiao Yuxin back to their home.

“I have a small favor to ask,” Xiao Yuqian pleaded on their way home. “Can you help introduce me to Ma Haodong?”

“I thought you two were already acquainted?”

“Not in that way... I mean... You know...,” Xiao Yuxin said while blushing.

Xiao Yuqian instantly understood that Xiao Yuxin had fallen for Ma Haodong and wanted her to help bring them together.

Seeing that both Xiao Yuxin and Ma Haodong were around the same age, Xiao Yuqian agreed immediately. If Xiao Yuxin actually succeeded in courting Ma Haodong, he would leave Xiao Yuqian alone, or so she thought.

“Alright. I'll see what I can do.” Xiao Yuqian nodded.

“Thank you so much! I'll treat you to a meal after that!”

It was Monday, and Xiao Guohua was scheduled for surgery. Xiao Yuqian, Xiao Yuche, Xiao Lan, and Xiao Yuxin were all waiting at the hospital.

The operation was a success. Xiao Guohua only needed to rest in the hospital for a few days, and he would be clear for discharge.

It was excellent news for the family. Xiao Yuqian was finally able to rest a little.

With all the things troubling her family gone, Xiao Yuqian had to focus on Su Jimo's case next.

She went to the TV station to discuss the variety show that Su Jimo was going to attend. While there, she realized that Li Muhao's new girlfriend was also on the list.

It seemed like Li Muhao got Danni on the list to boost her fame. There was no way that she could get invited to the show.

When it was the day of the shooting, Xiao Yuqian followed Su Jimo to the studio, and they were warmly welcomed.

Even though the scandal was ruining Su Jimo's image, he was still a two-time Best Actor winner. If not for the scandal, the studio would never have gotten the chance to invite someone like Su Jimo to the show.

After meeting the crew members, Su Jimo went to get his style done. While waiting for him, Xiao Yuqian met Danni backstage.

“Xiao Yuqian! How dare you lie about Muhao having AIDS!” Danni scolded the moment they met.

After Xiao Yuqian had left them in the elevator, Li Muhao went to get a checkup to prove that Xiao Yuqian was lying.

“Hey, I was just saying what I heard. You were the one who believed it.” Xiao Yuqian shrugged.

“Don't you know you should watch what you say? Aren't you in the entertainment industry too? It could ruin a person's life!”

“Do you think you're in a position to tell me that? You were the one who spread the scandal about me having a sugar daddy, am I right?”

Hearing what Xiao Yuqian had just said, Danni's face instantly turned pale. She thought she'd hid that well, but Xiao Yuqian had still found out.

“What the heck are you talking about?”

Chapter 1979: Treated It As The Barking Of A Mad Dog

“You can deny it but I know that you used unethical methods to get to where you are, to get Li Muhao. I want to congratulate you on succeeding! You succeeded in getting a piece of trash! I also want to thank you. If it weren't for your scheming, I also wouldn't be able to see what kind of trash he is. I will never feel hurt because of such a piece of shit. I sincerely congratulate you again on getting together with a shitty man! I will be waiting for the good news of you getting dumped!”

Xiao Yuqian snorted after she finished and walked away.

Danni shouted at her back, “Xiao Yuqian, you are just jealous, jealous that I have Li Muhao and that you don't! I already have his child and we will be getting married next month! We will invite you to our wedding dinner, don't you worry!”

Xiao Yuqian heard what she said and ignored her. She just treated it as the barking of a mad dog.

Xiao Yuqian walked out of the room and just so happened to run into Su Jimo, who'd just gotten his makeup done. Su Jimo heard their conversation and got an understanding of what kind of woman Danni was.

“Are you okay, Yuqian?”

“Why wouldn't I be? The program is about to start! Quickly go get ready! I will be watching you beneath the stage!” Xiao Yuqian smiled.

“Okay.” Su Jimo saw she wasn't affected and felt much more at ease.

After that, the program was about to start recording and the guests needed to choose a partner. The show's producers arranged for Su Jimo to partner up with Danni.

One was a model with beautiful long legs and the other was a talented and popular actor. If they cooperated well together, they might have a chance to unite their fanbase and have people start shipping them.

Danni was very excited. It was already not easy for her to get on this program, so now that she was partnered up with Su Jimo, she felt overwhelmed with favor.

One had to know that Su Jimo was her idol amongst male actors. When she was in front of him, she was just another girl who chased after celebrities.

“Teacher Su, I am so surprised and happy that I can partner with you! I hope you can look after me for the rest of the program.”

Danni quickly tried to worm her way into becoming friends with Su Jimo.

Unfortunately, when Su Jimo saw her stretch out her hand, he frowned slightly and asked, “Who is this?”

The program's producer felt awkward. “She is a model from Xinjin. She won third place in a previous miss world competition.”

“Oh...” Su Jimo dragged his voice and then went for another stab. “I don't know her.”

Danni felt very awkward. Her hand just floated in mid-air and he didn't know her at all. She suddenly felt like she was a clown who had no business being on stage.

However, she knew how to get herself out of an embarrassing situation. “It's fine if you don't know me now, Teacher Su. Once we get to know each other during the program, we will be familiar with each other.”

Su Jimo didn't show her any respect at all and said directly to the producer, “I don't want to be partnered with a celebrity who is a two-faced scheming bimbo. Please change my partner to a guy.”

Danni: “...”

There wasn't even a need to mention how awkward the situation was. Su Jimo called her both two-faced and a scheming bimbo directly to her face. It wasn't even clear which one she was but, in any case, the famous actor didn't want to partner with her.

The production crew couldn't afford to offend Su Jimo so they immediately changed his partner to a young and popular male celebrity.

The first day of the program's production was a bit slow. Perhaps it was because it had just started and no one was clear on what to do.

During the break at the halfway point of filming, Xiao Yuqian went backstage to see Su Jimo. Coincidentally, she ran into Li Muhao as he came to see Danni.

The two of them probably cleared up their misunderstanding and Li Muhao showed even more affection for Danni. They hugged when they saw each other. “My love, how is the program going? Are you getting used to it?”

Chapter 1980: Showing Off

Li Muhao did notice Xiao Yuqian but chose to ignore her.

“Everything's fine.” Danni smiled. “Everyone is treating me well.”

Danni was just lying to Li Muhao. Deep down, she knew how everyone else was treating her.

“Here are some flowers.” Li Muhao handed Danni a bouquet. “Do you like them?”

“Oh my god! They are wonderful!”

Danni sniffed the flowers and then winked at Xiao Yuqian, trying to show off.

Xiao Yuqian snorted. They thought they could hurt her with what they were doing, but they were wrong.

“Is Miss Xiao here?” one of the workers came in and asked.

“Yes, what's wrong?”

“There's a package for you.”

The worker then left, and in came a man with a bouquet of red roses.

“Miss Xiao, right? Please sign here,” the man, who seemed to be a courier, said.

Then in came another five people with bouquets in their hands too. Some even had teddy bears or candies with them.

Xiao Yuqian received more than 10 gifts, and she had to place them on the table.

She was stunned and had no idea what to do with them.

Just as Danni was showing off the gift she got from Li Muhao, now she was jealous of Xiao Yuqian for receiving presents more luxurious and prettier than hers.

“Who gave her all those things? Is that person trying to show off?” Danni laughed even though she was already filled with jealousy.

“How much can those things cost? I'll buy you a diamond ring later, okay?”

Li Muhao's words instantly cheered Danni up.

“I want something bigger than the two karats on my finger!” Danni said as she showed the ring. “At least three karats!”

“Of course! Anything for you, my dear!”

It was a disgusting sight to see for Xiao Yuqian. Having dated Li Muhao for three years, he had never given her anything, not even a leaf. He used to say that he only wanted platonic love.

Three years together, and it all ended as a joke.

He was just a liar.

Xiao Yuqian ignored them and turned to look at Su Jimo.

“Hey, were you the one who bought this?” Xiao Yuqian whispered.

“Me? Of course not. I was about to ask whether you have a new secret admirer or not,” Su Jimo shook his head and replied.

Xiao Yuqian was confused. If it wasn't Su Jimo, then she had no idea who would send her flowers.
