Chapter 1997: Have A Hard Time Swallowing His Resentment

“It was him!”

Danni pointed at Ma Haodong and started to complain to Li Muhao.

Li Muhao looked over and realized the person Danni pointed at was that brat who beat him up before. A flame couldn't help but emerge in his heart.

He saw he was with Xiao Yuqian again. They appeared to be getting along well and it really made Li Muhao feel so irritated that he could die.

When he dated her in the past, he never felt Xiao Yuqian looked good. That's why he didn't even have the interest to touch her.

Now that they broke up, why did he feel Xiao Yuqian became prettier the more he looked at her?

If he had known, he would've played with that woman Xiao Yuqian until she was spoiled during the three years they dated. But it ended up with that brat getting the benefits.

He had actually found some people to take revenge on Xiao Yuqian last night but he never would've thought someone would unexpectedly show up and ruin the plan. Now it seemed that there was an eighty percent chance that it was probably that brat.

Li Muhao's heart would have a hard time swallowing his resentment whenever he thought about how he was sorted out by that fella. Just wait until Li Muhao had him in his hands.

Ma Haodong was also looking towards where Li Muhao was. Moreover, he even fearlessly pointed two middle fingers in Li Muhao's direction.

Fire shot out of Li Muhao's heart immediately when he saw it. However, he didn't dare to do anything because he was quite afraid of Ma Haodong. To put it frankly, he was scared of being beaten.

Li Muhao and Danni didn't dare to do anything. On Xiao Yuqian and Su Jimo's side, they were communicating about what they should do next. Ma Haodong sat at the side and waited for her.

Su Jimo saw Ma Haodong and he looked unfamiliar. He asked, “Who is this? Your younger brother?”

Su Jimo heard that Xiao Yuqian had a younger brother who was in university and he thought this was him.

Ma Haodong heard Su Jimo's question and cast a glance at him. Mister, please...did he look so young?

Xiao Yuqian turned to look at Ma Haodong and explained in a relaxed manner, “He is not my younger brother. He is Ma Haodong, a new artist that I took on.”

“Oh. Has the company decided to let me go, trying quickly to train someone new?”

Su Jimo made a joke. He had also heard about the company assigning a newcomer to Xiao Yuqian after his incident. It turned out this was him.

“No, no, no. No one is touching your position. He was assigned by President He as a special case. Don't take it to heart!” Xiao Yuqian quickly explained.

“I understand. I was just joking.” Su Jimo stretched out his hand in a friendly manner. “Nice to meet you, Brother Ma.”

“Senior Su, just call me Little Ma.”

Although he didn't want other people to call him things like brother or bro, Su Jimo was a two-time best actor winner and his senior. He took the initiative to shake hands, so Ma Haodong had to show him respect.

“In that case, don't call me Senior Su either, just call me big brother.” Su Jimo was very amiable. He wasn't arrogant like people said and kept a low-profile.

“Okay. It is my honor.” The two of them shook hands and could now be considered as knowing each other.

Both Li Muhao and Danni heard Xiao Yuqian when she introduced Ma Haodong.

Danni said softly next to Li Muhao's ear, “Brother Hao, I think that fella's name is Ma Haodong.”

“Ma Haodong? How many Ma Haodongs are there? Wait for a while, I'm going out to make a call!”

Li Muhao left the backstage and found a quiet spot outside. He called his lackeys on the phone. “Hey! Go look up Ma Haodong... yeah... yes... after you check and if he doesn't have a good background, help me do...it has to be neat and clean...”

After Li Muhao made the call, he went back beside Danni again as if nothing had happened.

He calculated in his heart. Brat, you won't be able to live well for long. You shouldn't have crossed me!

About ten minutes later, Li Muhao's phone rang and he picked up the call.

However, after he heard his lackey's report, the more he heard, the more his heart went cold. By the end, a cold sweat broke out straight away.

“Brother Hao, what's wrong?” Danni saw that he almost fell down from his chair.

Chapter 1998: A Mistake

Li Muhao struggled to stand. The way Li Muhao looked at Ma Haodong, who was sitting across from him, had changed.

Li Muhao realized he'd almost made a huge mistake.

The man who had beaten Li Muhao up a few times wasn't an average nobody, he was the young master of Rongma Group. Ma Hangcheng was one of Li Muhao's most significant money sources, which made Ma Haodong the same too.

Li Muhao's real estate company had dealings with Rongma. Without the giant conglomerate, his company would've closed down long ago.

Just the thought of almost taking out the son of Ma Hangcheng was enough to send chills down Li Muhao's spine. He was lucky that he'd asked someone to search Ma Haodong's background before taking action.

On the other side, Xiao Yuqian was talking to Su Jimo, and she brought Nie Zhenglan up in the conversation.

Su Jimo hoped that Xiao Yuqian could help her change Nie Zhenglan's mind.

"I will," Xiao Yuqian said. "I believe that Lanlan still has feelings for you. Just try harder. I'll find a way to get the two of you to meet."

"Hmm... Why don't I book a camping site?" Su Jimo suggested. "Try and invite her and don't tell her that I'm going too. Let's just say that me being there is a coincidence."

"That's a good idea. Let me know when you've booked the place, and I'll contact her."

Xiao Yuqian smiled. She couldn't help but think that the two-time Best Actor winner in front of her was going crazy because of his wife.

After the break had ended, Su Jimo went back on set with other celebrities.

Xiao Yuqian waited for a while before leaving with Ma Haodong.

It was the weekend, and the weather was great.

Xiao Yuqian picked Nie Zhenglan up and took her to the island that Su Jimo had booked.

When Nie Zhenglan saw Xiao Yuqian arriving with a good looking man, she couldn't help but think that they were dating.

Nie Zhenglan asked Xiao Yuqian about it, but she denied it.

Ma Haodong drove them to the port while the two women chatted in the back seat.

They took the yacht to the island and prepared their camps.

While Ma Haodong set the tents up, Xiao Yuqian and Nie Zhenglan rested under the shade.

Nie Zhenglan noticed that Ma Haodong kept looking at Xiao Yuqian, and Xiao Yuqian was looking back.

"Just admit it," Nie Zhenglan said. "You two are dating."

"Not at all. He's just one of the new actors working under me. Plus, he's around my little brother's age."

Xiao Yuqian quickly explained as she blushed.

"You know, age isn't a problem at all," Nie Zhenglan said. "The most important thing in a relationship is how you feel about him. If you're happy and he's able to make you feel safe, then that's the right person. Don't wait until he's gone, or you'll start to regret it."

Nie Zhenglan's words woke Xiao Yuqian up.

Nie Zhenglan was right. Xiao Yuqian had been locking her heart up, never giving in to the thought that someone younger than her would actually suit her.

Li Muhao was older than her, but reality showed her that being older did not mean being more responsible.

Xiao Yuqian looked at Ma Haodong, who was working hard to set up the tent. She thought about the question that he'd asked the other day. She suddenly realized something.

What if he's the right person for me? Would I regret it if he left?
