

Priceless Baby 1999

Chapter 1999: Her Heart Had Already Changed

Perhaps she should give him a chance and give it a try?

Xiao Yuqian didn't know it but her heart had already changed at this moment. She was finally willing to give Ma Haodong a chance.

The tent had been raised and the barbeque equipment had been set up. Ma Haodong did the work of four people by himself.

Although it was a bit tiring, he was full of vigor and was happy. It was because the woman he liked was beside him and kept looking at him as he worked.

"Everything is done! Can the two of you beauties see if there is anything we're still lacking?" Ma Haodong came over beside them after he finished working.

"Everything is quite good. Have a drink!"

Xiao Yuqian gave him a glass of fruit juice and Ma Haodong sat beside her. He lifted up his head and drank all of the fruit juice.

His body was already drenched in sweat. His upper body was naked, exposing his strong and rugged muscles and his perfect figure. Such a good looking figure would make people feel embarrassed when they looked at it.

Ma Haodong finished drinking the fruit juice and turned his head to look at the fruit juice in Xiao Yuqiao's hand. He asked, "Why aren't you drinking?"

"I already drank some."

"Do you want me to help you to drink the rest?" He asked.

"I've already drunk from this cup. Why don't I help refill your cup?"

"No. I want the one you already had."

Ma Haodong acted childishly and took the cup in her hand. He turned it around and looked for the spot where she had placed her lips. He pointed at it, placed his mouth over it, and drank it in one go.

He gave her back the empty cup after he finished and said, "Yours is sweeter than mine, what's going on?"

Xiao Yuqian didn't say anything. She couldn't help but cast a glance at him. This fella really knew how to sweet talk and take advantage of others.

The camping started. In addition to the camping equipment Su Jimo prepared, Ma Haodong also brought out a few of his own things. He'd even brought his beloved electric guitar and amplifier.

Ma Haodong played some relaxing music. The entire island was filled with beautiful sounds. Xiao Yuqiao and Nie Zhenglan walked barefoot on the sandy beach.

Suddenly, a boat appeared not far away. Xiao Yuqiao pointed at it. "There's a boat coming from over there. It seems like it is coming our way."

"I reckon they are also here for a holiday." Nie Zhenglan said.

The boat docked not long after and a familiar figure stepped out of the boat. When Nie Zhenglan recognized him, the smile on her face froze up.

She turned to look at Xiao Yuqiao and said slightly angrily, "So you guys planned this all along? This holiday was already planned long ago!"

Nie Zhenglan got angry. She was angry that even though she was good friends with Xiao Yuqian, she was actually helping Su Jimo behind her back.

She had already divorced Su Jimo. Was it appropriate to put them together right now?

"Lanlan, don't get angry! It was Brother Mo who asked me where I was. I said I am on vacation. He said he wanted to come and I couldn't reject him. It's fine, right? Even if you guys are divorced, you guys should still generously wish each other well when you guys see each other, right?"

Xiao Yuqiao explained the reason.

"I really don't want to see this person." Xiao Yuqiao's attitude toward Su Jimo was extremely cold and her good mood had also been ruined.

"Okay, okay. If you don't want to see him, just pretend he doesn't exist, okay? We will have our own fun." Xiao Yuqiao pulled her hand and led her back.

"You guys play. I want to go back."

Nie Zhenglan had already made her decision in her heart. She would leave as long as Su Jimo was present. She didn't want to have any sort of relationship with this person anymore.

"But you can't go back now! The boat already left," Xiao Yuqian said helplessly.

Nie Zhenglan looked and, indeed, their boat was no longer where it had been. The boat carrying Su Jimo had also left after it brought him here.

Nie Zhenglan cast a glance at Xiao Yuqian. She already knew they did it on purpose. They blocked her way of escape and made it so that she didn't have anywhere to go.

Chapter 2000: Throw Away Your Pride

"Don't stare at me!" Xiao Yuqian laughed wryly. "I'm also the victim here. Come on, he's coming, let's go over there."

Xiao Yuqian quickly pulled Nie Zhenglan away.

Su Jimo came over and saw Ma Haodong had already laid everything out. He thanked Ma Haodong for helping.

Seeing that Ma Haodong was tending to the barbeque, Su Jimo joined in.

When Xiao Yuqian and Nie Zhenglan got back, they saw both men were standing by the barbeque rack.

“Miss Xiao, come here and have a taste,” Ma Haodong said as he waved at Xiao Yuqian.

When Xiao Yuqian got to Ma Haodong's side, he handed her a grilled sausage.

Xiao Yuqian took a bite and praised, “Not bad at all!”

While Xiao Yuqian was talking to Ma Haodong, Su Jimo tried to strike up a conversation with Nie Zhenglan.

“Lanlan, do you want some?” Su Jimo asked. “I have some that are done here.”

Nie Zhenglan ignored Su Jimo and lay down on the beach chair. She sipped on her drink, not giving Su Jimo any chance to talk to her.

The atmosphere was very awkward for Su Jimo as his hand hung in mid-air while holding the cooked sausage.

Xiao Yuqian also lay down on the chair, waiting for the rest of the food to be cooked.

Seeing Su Jimo feeling down, Ma Haodong went to his side and whispered.

“Bro, if you want to get her, you have to let go of your pride. Throw everything away. Trust me.”

Su Jimo looked at Ma Haodong and smiled. “Even though you're still young, you sure have a lot of weird ideas.”

Su Jimo also realized that he had been too strict, never taking risks when needed. When Nie Zhenglan was cold to him, he would stop himself from taking measures.

That was how their relationship slowly broke apart.

Nie Zhenglan had given everything to their relationship, and Su Jimo was used to taking it for granted. He finally panicked when he lost her.

Su Jimo was not giving enough into the relationship, and he knew that.

Now that Ma Haodong had given him a tip, Su Jimo thought that it was time that he let everything go and get his wife back.

“I'll try!”

Su Jimo got up quickly. He had decided to throw away his identity as the Movie King and go back to who he was. The moment he made that decision, it felt like he had become younger.

Su Jimo sat down next to Nie Zhenglan and handed her the sausage.

“Lanlan, try some. It took me quite some time to get it cooked.”

“I'm not hungry.” Nie Zhenglan declined, hiding her face with her beach hat.

“Please, listen to what I have to say,” Su Jimo said. “I'm sorry... You've given me everything, and yet... what have I ever given you? I thought that was how it's supposed to be, but I was wrong. I was the one

who singlehandedly caused the situation that we are in today. It wasn't until I lost you that I realized how important you are to me... You've taken care of me ever since we got married. Without you, I can't even take care of myself anymore. Look at me... I can't even find a pair of matching socks...”

To prove himself, Su Jimo pulled his pants up a little. Nie Zhenglan could not hold back her urge to look at his legs. When she did, she realized that he really was wearing two different colored socks.

How stupid are you? Can't you even do this on your own?

Even though Nie Zhenglan was scolding Su Jimo in her head, she was also worried. She couldn't help but shake the thought of how Su Jimow was going to live if she wasn't in his life anymore.

But then again, she thought of what she'd lost in the marriage.
