

Priceless Baby 2001

Chapter 2001: He Was Caught Unprepared

The more she contributed, the less she received. He was so busy that she couldn't see him for the entire day and he didn't contact her at all. Even her wedding anniversary and birthdays were spent by herself. Experiencing many times of getting disappointed after waiting would make people feel despair and sadness.

Their marriage had already changed. When he went home once it was as if he was staying at a hotel. And she, on the other hand, was like his diligent full-time, twenty-four hours a day nanny. She couldn't feel love or care. That's why she felt disappointed time after time. In the end, she chose to give up.

The last time it happened, the time that caused her to suggest getting a divorce, was when she got sick. She was very sick. She called him and begged him to come back. However, he said he would go back after he finished attending an award ceremony.

At the time when she needed him the most, he didn't come back immediately. In the end, she had to beg for help from her neighbor before she was finally sent to the hospital.

By the time he came back, it was already a few days after. Her sickness had already gone.

She didn't tell him what happened. However, she kept the disappointment in her heart all the while. When she saw him, she suggested a divorce.

She was a woman who had always loved him to death. Su Jimo was already used to her so when she suggested divorce to Su Jimo, he was caught unprepared.

Right now, he had already somewhat come to the realization. He hoped to save this relationship and that it was not too late.

No matter whether Nie Zhenglan listened to him or not, he prattled away again, saying many apologetic words.

Nie Zhenglan didn't want to get confused by his flowery words again. She got up from the recliner straight away and went to the tent.

Su Jimo realized his method was not really effective. He looked helplessly at Xiao Yuqian and Ma Haodong and both of them gave him a sympathetic gaze.

Xiao Yuqian said encouragingly, "Brother Mo, don't despair. Three feet of ice can't be formed within a day. If you want to melt Lanlan, you need at least three years."

"I know. I won't give up."

Su Jimo was determined to get his woman back. There would definitely be a journey. He had already gotten ready for a long battle.

Nie Zhenglan wasn't willing to eat the food Su Jimo brought over. It was only after Xiao Yuqian pulled her over that she ate some.

After the meal, all of them decided to swim in the water. Xiao Yuqian asked Nie Zhenglan, "Did you bring your swimsuit?"

"I brought it but I don't really want to swim. You guys go ahead!"

Nie Zhenglan only wanted to hide far away from Su Jimo. She didn't want to participate in any activities he took part in.

"Don't be like this! It was so hard for you to come out and have fun. The worse your mood is the harder you should play. You behaving like this will only make him think that you can't let him go, that you have lingering feelings towards him."

After Xiao Yuqian's persuading, Nie Zhenglan wanted to show that person she didn't care, so she stood up and said, "Okay! Let's go together!"

"That's it! The important thing is how happy you are!"

Xiao Yuqian and Nie Zhenglan went back to the tent to change into their swimsuits.

Ma Haodong and Su Jimo also changed into their swimming trunks. Both of their figures were extremely good. When they stood on the beach, they naturally turned into beautiful scenery.

Once both the women also finished changing into their swimsuits, when the four of them were facing each other, both sides were stunned.

Perhaps it was the first time all of them saw each other wearing their swimsuits. The two men's eyes showed a stunned expression. The only word that echoed in their head was the word, "sexy."

The swimsuit Xiao Yuqian wore was a tankini. It was black and it showed her sexy figure. Looking at it made Ma Haodong burst out in restless anxiety.

Faced with the men's naked gaze, Xiao Yuqian felt embarrassed by their staring. If she had known, she would've worn a one-piece swimsuit.

Chapter 2002: Pushed Her Down

It was Su Jimo's first time seeing Nie Zhenglan in a swimsuit. Even though she wore a one-piece swimsuit, it was still aesthetically pleasing.

Su Jimo knew how conservative his ex-wife was. Even when they were having sex, she would always turn the light off because she was too shy to show her naked body to him. But seeing Nie Zhenglan in the swimsuit was like an invitation to Su Jimo.

If it wasn't for them not being a couple anymore, or if there wasn't any misunderstanding between them, or if there weren't any friends near them, Su Jimo would've pushed Nie Zhenglan down the moment he saw her.

The two ladies walked over to the guys while holding hands. When Xiao Yuqian saw Ma Haodong staring at her, she immediately kicked him in his leg.

"Hey! Can you stop staring already? Your nose is bleeding."

If Xiao Yuqian had not told Ma Haodong about it, he never would have even realized that his nose was really bleeding.

"You... you can't blame me. Look at how sexy you are," Ma Haodong scolded, his eyes never leaving Xiao Yuqian's body.

"Hey! Don't blame me. You're the one that's staring!"

"I am blaming you. You're like a succubus right now, trying to take my soul."

"What? Who are you calling a succubus? Get back here!"

Xiao Yuqian scolded and chased after Ma Haodong, who ran away.

Nie Zhenglan and Su Jimo were left standing where they were. Su Jimo's eyes never left Nie Zhenglan either.

"I never thought you could look so sexy in your swimsuit." Su Jimo smiled pervertedly. "It's like you're trying to seduce me."

"I'm changing back then!"

Nie Zhenglan turned and was about to go change. But Su Jimo stopped her by grabbing her wrist.

"Don't. You look really good like this."

"Let me go!" Nie Zhenglan scolded and pulled her hand back. "Don't come anywhere near me!"

After giving out her warning, Nie Zhenglan ran after Xiao Yuqian and Ma Haodong. Su Jimo stared at Nie Zhenglan's back and smiled before running after her too.

With everyone ready, it was time for a swim in the sea.

They went into the ocean until the water was up to their waists. Ma Haodong stopped right next to Xiao Yuqian and swam around her.

"My lady, do you need any swimming lessons?" Ma Haodong asked.

"No, thank you! I know how to swim!"

Xiao Yuqian had known how to swim ever since she was a kid; there was no need for Ma Haodong's guidance.

"Yup. You're really hot." Ma Haodong exclaimed as he kept looking at Xiao Yuqian's half-naked body.

"Get lost!"

Realizing that Ma Haodong was staring at her chest, she splashed him with water.

Ma Haodong blocked with his hands, and Xiao Yuqian kept on splashing. When Xiao Yuqian slowed down a little, Ma Haodong took the chance and splashed her back.

Nie Zhenglan was staring at them from not far away. She realized that both Xiao Yuqian and Ma Haodong were really suited for each other. They looked like they were still in high school when they were together, and Nie Zhenglan admired that in them.

Unlike them, Nie Zhenglan's heart had been broken down until she was like an old woman. The youth was already long gone from her.

Su Jimo got closer to Nie Zhenglan, wanting to talk to her. When Nie Zhenglan realized that, she quickly swam away.

"Hey! Don't go too far!" Su Jimo shouted, but Nie Zhenglan ignored him.

After swimming and playing for an hour, Xiao Yuqian and Ma Haodong got out of the water. Su Jimo wanted to get out too and called for Nie Zhenglan.

Since Nie Zhenglan was keeping her distance from Su Jimo the whole time, she never realized she had already swum too far from them. When she saw her friends were getting out, she decided it was time to swim back also.

But the moment she turned, she could feel something pulling in her calf. Not expecting a cramp at that moment, Nie Zhenglan panicked.

She wanted to shout for help. But before her sound could escape her mouth, a wave drowned it out.
