

Priceless Baby 2007

Chapter 2007: You Can't Mess Around!

Ma Haodong finished spreading the cushions and mat. He patted the seat and said, "Come, Qianqian. Rest early!"

Xiao Yuqian didn't say anything either. She took off her shoes, walked into the tent, and sat down.

Nighttime on the island wasn't hot at all. The sea breeze caressed them, the temperature was cool, sleeping inside the tent felt quite good.

The windows on top of the tent could be opened. They could still see the night sky on top while they lay inside the tent.

"Qianqian, when would you be willing to go home with me?" Ma Haodong suddenly asked.

Xiao Yuqian felt surprised in her heart. "Go home? What do you mean?"

"What do you think it means? It means to bring you back home to see the parents."

"Are you joking?! We have only known each other for how many days?"

Xiao Yuqian felt Ma Haodong was definitely joking. They had only just confirmed their relationship but he already mentioned meeting the parents. It was really so outrageous.

"We have known each other for many years. To be accurate, I've already known you for many years."

Ma Haodong lay sideways and looked at her. He grabbed her small hand.

"That's not okay. You are still studying. We still have a long road we need to walk. Talking about meeting the parents right now is too soon. We need to wait until you graduate university before talking about it again. If you still like me then!"

Xiao Yuqian thought about even further in the future. Moreover, her thinking was mature in every aspect, unlike the young Ma Haodong, who was easily impulsive.

"Okay, okay, okay. I will listen to you."

Ma Haodong was already prepared to date her for several years. He would wait until whenever she wanted to get married, and he would then bring her home to meet his parents, making the matter certain.

Right now, the only thing he was worried about was that she interacted with so many male celebrities every day while in the entertainment circle. He was very worried she would fall in love with another man.

While the two of them lay in the darkness, they started talking about all sorts of things again. Ma Haodong started talking about the interesting things at university. Xiao Yuqian listened to it with interest.

Unwittingly, someone stretched out a hand and it was caught by Xiao Yuqian. "What are you trying to do?"

“Don't you know what I want to do? Come over! Come to my embrace!” Ma Haodong commanded.

“No! It's too hot!” Xiao Yuqian rejected getting close. Sleeping with him was really too dangerous.

“Being disobedient again, huh?”

Ma Haodong brandished his long arm and pulled her body to his embrace straight away, holding her tightly.

“Hey! You can't mess around! Lanlan and he are nearby!”

Xiao Yuqian was especially afraid of the sounds leaking out when he did those things to her. How embarrassing would it be if someone heard?

“What are you afraid of? They are all experienced. Moreover, how do you know they aren't doing it?”

Ma Haodong already couldn't help but starting to kiss her.

“No! In any case, this isn't good!”

“Then what is good?”

He had already stopped giving her a chance to nag. He pressed down on her straight away, sealing her mouth with a passionate kiss.

The tent's window was open but she could still feel the temperature rise nonstop.

Hot, the passion kept on raising like fire, and it was about to spread completely all over the beach.

In the tent not far away, Nie Zhenglan and Su Jimo lay down together. However, Nie Zhenglan's back was facing Su Jimo.

Su Jimo wanted to chat with her a few times but she kept using the excuse of wanting to rest to reject him. It wouldn't be good for Su Jimo to say anything.

Not long after, a type of stifled and vague sound could be heard. When Su Jimo heard it, he immediately knew what was going on. He intentionally asked Nie Zhenglan, “Lanlan, listen, what do you think that sound is?”

Nie Zhenglan wasn't actually sleeping. She said, “The sounds of the waves?”

“Wrong. Listen carefully.”

Nie Zhenglan lifted her ears to listen for a while. After she heard what it was, her entire being felt bad. The people in the neighboring tent was actually doing those embarrassing things. My god, how could they fall asleep?

Chapter 2008: A Kiss

The moans did not stop until four in the morning.

Ma Haodong and Xiao Yuqian woke up when the sun was high.

Su Jimo and Nie Zhenglan had prepared breakfast for everyone. When the couple got out of the tent, Su Jimo told them that the food was ready.

Ma Haodong helped Xiao Yuqian get her serving.

“Here, you need to reenergize.” Ma Haodong smiled. “Thank you for your hard work last night.”

Xiao Yuqian stared at Ma Haodong angrily, warning him not to say unnecessary things. She then turned to look at Nie Zhenglan and Su Jimo awkwardly. Lucky for her, they didn't show any response to it.

After they had their breakfast, all four of them decided to go back.

Even though Su Jimo wasn't sure if he'd managed to mend his relationship with Nie Zhenglan even by a little or not, he was confident that Xiao Yuqian and Ma Haodong were officially dating. At least it was worth the trip.

Xiao Yuqian went back to the lakeside mansion with Ma Haodong. As soon as they stepped into the building, Ma Haodong picked her up and carried her.

“Hey!” Xiao Yuqian shouted. “What are you doing? I'm too tired to do that.”

“I know, that's why I'm going to carry you.”

Ma Haodong carried Xiao Yuqian to the second floor and into the master bedroom.

“But we can take a shower together. Then we take a rest and get ready for work tomorrow,” Ma Haodong said.

Thinking that nothing was wrong with Ma Haodong's plan, Xiao Yuqian agreed to shower together. But it was during the shower she found out Ma Haodong wasn't going to stay still as he started to touch her in the bathroom. They then slowly paced their way back to the bed and continued there.

Xiao Yuqian realized that wanting to shower together was just a fluke. It was as if Ma Haodong was a high horsepower motor as he never stopped moving even after the tiring night they had last night.

The still young and energetic Ma Haodong didn't even feel any exhaustion from it, as he was happy.

For the next few days, they had the happiest time of their lives.

Dating Ma Haodong made Xiao Yuqian realize that life was full of surprises. They would go out together while holding hands and shop like an average couple would.

Ma Haodong would take Xiao Yuqian to every corner of Peijing to find delicacies that she never knew existed.

They would go to the movies together, eat popcorn, and share one straw for their drink.

They would also wear matching clothes like every married couple would as they went to the supermarket to buy daily necessities.

When the day was cold, Ma Haodong would help Xiao Yuqian put on her scarf and give her a warm cup of milk before going out.

And during the weekends, Ma Haodong would take Xiao Yuqian out on his bike.

Xiao Yuqian was never that happy before in her life. She was happy from her head to toe.

Ma Haodong was able to let Xiao Yuqian realize that being in a relationship was beautiful. She was able to do things that she never did when she was dating Li Muhao.

They could even feel each other's love when at work.

Yet, they did not express their love towards each other openly at work since they couldn't let their colleagues know that they were dating.

They kept on their professional relationship as manager and celebrity during work and would revert to dating when they were in private.

When Xiao Guohua finally got discharged from the hospital, Xiao Yuqian had to go home to visit him. Ma Haodong drove Xiao Yuqian back. When Xiao Yuqian was about to get out of the car, Ma Haodong grabbed her head and kissed her.

After their lips separated, Xiao Yuqian gently hit him.

“Hey!” Xiao Yuqian scolded. “Can you please restrain yourself when I'm home?”
