Chapter 2009: Afraid Of Receiving Corporal Punishment From Him

"No! I want to kiss you when I see you! If you don't get out of the car, I think I might want you again." Ma Haodong's eyes were burning as he finished speaking.

Xiao Yuqian heard this and she quickly got out of the car while red in the face. She was afraid he would catch her and give her corporal punishment once again.

Once Ma Haodong drove the car away, Xiao Yuqian got ready to head back. Before she turned around, she felt someone pat her right shoulder. She turned around and didn't see anyone. It was when she turned her head to the left that she saw it was her brother Xiao Yuche who was playing around.

"Xiao Che!" She stretched out her hand to hit him and called him naughty.

"Sis!" Xiao Yuche smiled as he dodged it. He then asked, "Who sent you back just now?"

"A colleague."

Xiao Yuqian felt embarrassed to say it was Ma Haodong. However, Xiao Yuche was able to guess. "Then why does that person look similar to that guy called Ma at our school? Moreover, was he kissing you just now?"

Xiao Yuche probably saw something. It wouldn't be good for Xiao Yuqian to continue hiding it. "Yes, it is that fella. However, he wasn't kissing me. You saw it wrong! He is only one of the artists I'm managing. It was just that he was on the way so he sent me back."

"That fella became one of your artists?" Xiao Yuqian shouted out. "Sis! Why are you willing to sign him but not willing to sign me?"

"You haven't graduated yet!"

"He hasn't graduated either!"

"..." Xiao Yuqian actually had no words to counter him. After staying silent for a while, she told him, "I don't care! You are my brother and I don't want you to enter the entertainment industry too early. It is for your good. Stop asking me why. In any case, you are not allowed!"

After Xiao Yuqian finished speaking, she walked straight into the Xiao house. Xiao Yuche followed her in while feeling upset.

Xiao Yuxin had also come back today. She saw Xiao Lan and Xiao Yuxin sitting in the living room right after she walked through the door. Xiao Guohua's body recovered and he was sitting in his main seat and reading the newspaper.

"Dad! We are back." Xiao Yuqian greeted him.

"Yo, Qianqian and Xiao Che came back." Xiao Lan quickly got up and welcomed them enthusiastically. Moreover, she said to Xiao Guohua, "It's so hard for the entire family to be together. Let me go to the kitchen and prepare lunch."

Why did it feel so awkward when she heard this?

What did she mean the entire family together?

Xiao Lan and Xiao Yuxin had always been outsiders!

“Sis Qianqian, Brother Xiao Che!” Xiao Yuxin stood up and greeted them.

After Xiao Yuche saw her, she asked, “I heard you already changed your name to Ning Xin?”

“This is the celebrity name the company requested I change it to.”

“It doesn't sound good at all.” Xiao Yuche spoke frankly.

This put Xiao Yuxin in an awkward spot. However, it wouldn't be good to say anything. She could only change the topic and say to Xiao Yuqian, “Sister Qianqian, let me tell you some good news. I already got President Mei's role from last time. Shooting will start next Monday.”

Xiao Yuqian's reaction was indifferent when she heard her. She only said “Congratulations,” and then prepared to go upstairs.

Xiao Yuxin still had something to see her about. She followed her upstairs and came to her bedroom.

Xiao Yuqian turned her head to look at her. “Why are you following me?”

Xiao Yuxin closed the door and said with a smile, “Sis Qianqian, I have something I want to ask for your help with.”

“What is it?”

“Sis, can you help arrange for me to see Ma Haodong? I want to chat with him but I never had the chance.” Xiao Yuxin stated her reason.

Xiao Yuqian knew Xiao Yuxin liked Ma Haodong. If it were before, she would definitely happily agree. However, ever since she'd established a relationship with Ma Haodong, she would never agree to help her do anything.

“I'm sorry. I can't help you.”

“Why? Sis Qianqian, didn't you say you would help introduce me? I like Ma Haodong. It's not like you don't know.”

Xiao Yuqian stared at her for a while and then said to her seriously, “It's not that I don't want to help you but I really can't. With regards to Ma Haodong, he might become your future brother-in-law. Tell me, how am I supposed to help you?”

Chapter 2010: He's Mine

Xiao Yuxin was stunned for a moment and couldn't react.

“Are you... and Ma Haodong...?” Xiao Yuxin asked in awe. “Impossible! There's no way this will work out! You are older than him... and you two live in two different worlds.”

“Why won't it work out?” Xiao Yuqian asked with a smile. “I finally realized that age has nothing to do with love as long as it's the right person. But let me tell you this: that man you trying to land, he's mine.”

“Why? Why do you want to take everything away from me?”

Xiao Yuqian was on the verge of collapsing. She couldn't believe that Xiao Yuqian was actually dating Ma Haodong.

“What do you mean by taking everything from you? You've been staying at my home for years now, eating our food and using our stuff. Don't you think you're the one taking things from me?”

“You're doing this on purpose, aren't you?! You just want to take everything I like away from me! Even the guys I like. From Li Muhao back then to Ma Haodong! You just want to take them away from me!”

Xiao Yuxin cried.

But deep down, Xiao Yuxin knew she was wrong.

Xiao Yuxin first fell for Li Muhao, but Li Muhao showed no interest in her. Even though Li Muhao ended up dating Xiao Yuqian because he lost a bet to his friend, Xiao Yuqian did not snatch Xiao Yuxin's chance away from her.

As for Ma Haodong, it was he who had pursued Xiao Yuqian from the beginning. Xiao Yuqian did not snatch Ma Haodong away from Xiao Yuxin either.

On the other hand, Xiao Yuxin took away the role that was supposed to be given to Xiao Yuqian from Mr. Mei after all the hard work she'd done for it.

Xiao Yuqian wasn't going to turn a blind eye just because Xiao Yuxin was her cousin. She wasn't going to let go of things that would benefit her.

“You're an adult now; I hope you can know what's right and wrong,” Xiao Yuqian warned as Xiao Yuxin was about to leave while crying. “Do you think your mom or my dad will be able to help you forever? You better pray to God that you never tell them about Ma Haodong and me, or I'll end your career forever.”

Xiao Yuqian's warning managed to scare Xiao Yuxin. With Xiao Yuqian's power in Huayin Entertainment, ending Xiao Yuxin's career would be an easy feat for her.

Xiao Yuxin did not say anything and went to the first floor.

But the humiliation from Xiao Yuqian was forever engraved in her heart.

Xiao Yuxin hated Xiao Yuqian.

She hated how Xiao Yuqian was always standing above her.

From that moment onwards, Xiao Yuxin began to have thoughts of ruining Xiao Yuqian's life.

Before Xiao Yuqian could even have lunch, she had to return to Huayin because an emergency came up.

And the emergency was Su Jimo.

With the secret marriage scandal calming down, Su Jimo was slowly gaining his fame back.

But just as one tide died, the other rose. News of him being divorced was spread online.

Xiao Yuqian really wanted to know who was behind all of it.

It seemed like someone wanted to end everything Su Jimo had achieved.

Xiao Yuqian rushed to the company as she tried to assess the situation.
