

## Priceless Baby 2013

### Chapter 2013: Deeply Touched Her

“Good, the question asked by our journalist friend is coincidentally what I want to talk about. Su Jimo was so overly focused on his acting career that he neglected his family and neglected his wife. And it was only when his wife suggested divorce that he gave that moving confession in front of the public at that time.

“Everyone can play that video again to relive it. As a major movie star, he is not afraid of exposing the scandal of his secret marriage and instead chose to frankly face the audience and fans. Saying those words showed he fully understood the importance of marriage and how important his wife was to him.

“During the period of time before he remarried, he worked very hard to repair the relationship between husband and wife. It is only after he put in a lot of effort that he finally has this marriage certificate today. We should send our blessing to this hard-won relationship and not be suspicious of his attitude towards marriage.

“Lastly, I only want to say, divorce doesn't actually mean there are no feelings between them. On the contrary, it is precisely because she loves him that she let him go. All of you who are suspicious, have you guys not heard of the old saying, it is better to destroy ten temples than to destroy one marriage? Let me ask you a question right now: do you hope Mister Su Jimo and his wife can get back together or do you hope they part ways?”

The words Xiao Yuqian spoke had substance. Once she finished speaking, the whole place was so silent, not even a crow could be heard.

They waited for a while and no one spoke. Xiao Yuqian then gave Su Jimo the chance to speak. “Since this is the case, let's hear what Mister Su Jimo has to say personally.”

It was Su Jimo's turn to speak. He stood up, faced the reporters in the audience, and bowed down to apologize. “Let me, Su Jimo, personally apologize to all in the entertainment circle and everyone else for the confusion I caused.

“After a period of deep reflection, from the scandal of the secret marriage to the divorce, it made me realize one thing, and that is how important my wife, Nie Zhenglan, is to me. No amount of glory can be compared to this.

“She has stood behind me for so many years, quietly waiting for me and making sacrifices for me. And I wronged her too much for the sake of acting. I don't want anything right now. From today onwards, I only want to make it up to her for the rest of my life.

“Each of our reporter friends came here today only because you want to ask for my statement. Okay, I can tell everyone right now.

“I, Su Jimo, announce, from today onwards, my retirement.

“Lastly, I want to thank all those who support and love me. I am deeply sorry for disappointing you guys.”

After he said these things, Su Jimo left the scene of the news conference straight away.

Su Jimo retiring!

This amounted to a heavy explosion!

After he annihilated all of the initial scandals, he gave a fierce slap to the ears of all those who were waiting to see him mess up.

All of those despicable nobodies who were hoping to pull him down from his high position wanted to see him in a difficult position at the press conference. However, amid skepticism, he chose to give up fame and fortune and chose marriage in the end.

Everyone was in an uproar. Even Xiao Yuqian and Guan Hao's team was caught by surprise.

The initial PR plan that was decided upon didn't include retirement. Everyone was trying their hardest to help repair Su Jimo's image.

But, the person himself was already completely unconcerned.

At this time, Nie Zhenglan was sitting in front of the TV and watching the live press conference. Seeing Su Jimo saying those words in front of everyone deeply touched her.

When she heard him announce his retirement, she felt a violent strike on her heart.

He actually announced his retirement for her sake?

Chapter 2014: Would Not Stop

Nie Zhenglan hadn't been able to believe a word that Su Jimo said for quite some time. But now, the cold expression that she always put on to protect herself was slowly breaking down.

Tears of happiness rolled down her face as she stared at the television.

She felt that the Su Jimo that used to love her had returned.

Su Jimo's fame skyrocketed after the press conference.

Almost all the media had their headlines titled around Su Jimo's retirement.

Xiao Yuqian sat in her office as she could feel her blood pressure rise.

"Seriously," Xiao Yuqian sighed. "Look at what you've done. You just singlehandedly ruined your career."

"I'm sorry. But I think this is the best I can offer."

Su Jimo only had one thing on his mind: to tell Nie Zhenglan how much she meant to him.

Xiao Yuqian then considered his options and realized it wasn't the worst outcome either.

"Well, just take this as a short break or something. When this is over, I'll help you rise to fame again if you wish to."

Su Jimo smiled. "We'll leave that to the future."

"Fine. If that's what you choose, then so be it. I'll have to come up with something to calm Mr. He down."

What Su Jimo did not know was that Xiao Yuqian was yelled at by her higher-ups because of him.

Even though Mr. He wasn't pleased with what Su Jimo had done, he didn't blame it all on Xiao Yuqian. He still believed in her ability to handle celebrities and let her go with a warning.

Su Jimo retiring wasn't the objective that the PR team had hoped to achieve. But giving up his career at its height in the name of love... Su Jimo was able to affect a lot of people's lives.

A lot of his fans were saddened by his sudden retirement. A lot of them posted online, hoping that SU Jimo would continue his career instead.

As for the insults about his divorce, they all quieted down.

With Su Jimo's retirement, all of the dramas, movies, and songs that he used to make became classics.

In the end, praises of Su Jimo managed to drown all the insults out.

Niu Jiang stared at his screen in his office. On the screen were blessings sent to Su Jimo by his fans. Consumed by his anger, Niu Jiang swept everything on his desk down to the floor.

His plan had failed once again. He had spent a considerable amount of money to put the scandal about Su Jimo out, but the outcome was not what he'd expected.

But Niu Jiang wasn't going to stop just yet. As long as Xiao Yuqian remained the best manager of Huayin, he would never stop.

Time flew, and two months had passed since then. Ma Haodong's training at Huayin had also ended.

Xiao Yuqian had helped him secure his first role in a drama. He would be playing a beggar with a considerable amount of screentime as a starring guest.

After landing the role, Xiao Yuqian asked if Ma Haodong wanted the job. She thought that he wouldn't accept a minor character, but Ma Haodong gladly accepted it.

Ma Haodong would accept any job that Xiao Yuqian land him. The reason he was at Huayin was that he wanted to date Xiao Yuqian. He would do anything that Xiao Yuqian had asked him to.

He began working as an actor not for the sake of acting, but for Xiao Yuqian.
