

Priceless Baby 2017

Chapter 2017: Can't Throw Me Away Just Because Of One Candy

At the lakeside villa.

When Ma Haodong returned, he saw that Xiao Yuqian was preparing dinner in the kitchen.

Xiao Yuqian heard sounds, came out, and saw he was back. He had an expression of dejection and she could already guess that there was an eighty percent chance that he suffered a major blow.

Just before, she received a call from her boss, President He. He tactfully advised her that President Ma of the Rongma Group already knew about her and Ma Haodong. He hoped she could control herself and not get romantically tangled up with the artists.

Xiao Yuqian came over and asked with concern, "You really went to see your father?"

"Of course I really went!"

"He doesn't approve, right?"

"How did you know?"

"I can tell just by looking at your expression. It is written all over your face!"

"Sigh..." Ma Haodong sighed and collapsed onto the sofa.

Xiao Yuqian sat down beside him, pulled his hand over and comforted, "It's actually fine. Your father opposes it because you are too young. Once three or five years pass and you grow up and mature, he naturally won't interfere with you."

Ma Haodong heard this and immediately threw himself over onto her lap. He said, "After three or five years, I'm afraid you won't wait for me."

"How could that be?"

"What if you meet a guy who is more mature, charming, and outstanding than me and you don't like me anymore because you have a new choice?"

"Are you stupid. Am I the kind of woman who changes whenever they see someone new? Li Muhao had a platonic love with me and I dated him for three years. We are already in a relationship so I even more so can't leave you.

"The one who should be afraid is me. If three or five years pass and you meet a girl who is younger, more beautiful and more suitable, would you complain that I am too old?"

After all, Xiao Yuqian was older than him. The one who should feel a lack of security should be her.

"I don't know. I only know that I, Ma Haodong, belong only to a woman called Xiao Yuqian in this life. I want to hold her hand for all my life until my hair turns white with old age."

Ma Haodong nestled in her embrace like a big boy who had been wronged. Xiao Yuqian touched his head and lowered her head to smile lightly. "You are really so easy to trick. You can't throw me away just because of one candy?"

Ma Haodong suddenly lifted his head. "You remembered the incident with the candy?"

"Yeah."

Xiao Yuqian smiled as she nodded and vaguely recalled, "At that time, you were sniveling like a small little kitten."

Ma Haodong's hurt heart was slightly comforted. "I remember you were wearing a princess dress at that time. You were as beautiful as a fairy."

The two of them started to recall the past together. Ma Haodong's mood got better again and he said to Xiao Yuqian, "Qianqian, I've finished thinking about it. Why don't we get a certificate first, okay?"

Ma Haodong didn't want to do it with his father's approval. He wanted to be with Xiao Yuqian and no one could interfere with his decision.

"We'll talk about it later. This isn't urgent. You just took root in the entertainment industry and haven't stood still yet. Talking about marriage now is too early."

Xiao Yuqian could also understand why Ma Hangcheng opposed it. After all, the age gap between her and Ma Haodong was very big. Moreover, her mother was Ma Hangcheng's first love in the past. That's why it was probably very difficult for Ma Hangcheng to accept his son being with her.

"Are you complaining about how I don't have my own career yet?"

"Could it be that you don't think men should have their own careers before they get married?"

Xiao Yuqian liked men who were ambitious. She always felt men should at least have a stable career before they get married. It was only then that they could talk about marriage and family. Otherwise, all of it would be a house that was built upon bubbles; there would always be a chance of collapse at any time."

"This is easy. As long as I am willing, I can take over the family business at any time."

Chapter 2018: Going Too Far

Ma Haodong could achieve what he just said easily. Being the sole heir of the Rongma Group, he could take over the company any day.

"No, that's not what I meant," Xiao Yuqian said. "It's true that taking over your dad's company can shorten your road towards success by 10 years, but that is his success, not yours."

Xiao Yuqian hoped that Ma Haodong could achieve success and wealth through his own hard work.

Ma Haodong did not expect Xiao Yuqian to say that. She wasn't proud that Ma Haodong was the heir of a large corporation. Instead, she thought that wasn't supposed to be his.

If Xiao Yuqian wanted Ma Haodong to gain everything with his two own hands, then he was determined to do that.

“Alright, then. Since I've chosen the entertainment business, then I'll focus on that,” Ma Haodong said. “Will you promise me to marry me if I win the Best Actor award?”

Realizing that she managed to change Ma Haodong's mind, Xiao Yuqian smiled and nodded.

“I promise you.”

Ma Haodong stared at Xiao Yuqian as he smiled confidently. He had made up his mind to give his all to his acting career.

As long as he could win the award, then he could marry the girl he loved the most.

Xiao Yuqian and Ma Haodong arrived at the company together.

Since they always arrived and left the building at the same time, people were starting to gossip about them dating. But both of them denied the accusation.

When Xiao Yuqian and Ma Haodong got into the building, they ran into Niu Jiang.

Niu Jiang looked at them and smiled. “Miss Xiao, you're looking great.”

Xiao Yuqian returned a cold smile.

Niu Jiang then turned to look at Ma Haodong.

“Looks like our Miss Xiao is treating Mr. Ma here pretty good,” Niu Jiang insulted. “I can see you two together all the time. That's why people have been saying that Miss Xiao here is a cougar.”

Xiao Yuqian glared at Niu Jiang. “Mr. Niu! You're going too far with your words!”

“Oh? Did I say something wrong?”

Niu Jiang smiled at both Xiao Yuqian and Ma Haodong, his tone filled with insults.

Xiao Yuqian gritted her teeth as she tolerated Niu Jiang, but Ma Haodong did not hold back. Insulting a young 20-year-old man was a mistake that Niu Jiang had made that day.

Plus, Niu Jiang had insulted Ma Haodong's woman too.

Without any warning, Ma Haodong kicked Niu Jiang, sending him flying into the wall.

“Argh!”

Niu Jiang screamed in agony as he gasped for air.

That wasn't the end of Ma Haodong's wrath. He then closed in on Niu Jiang and punched his face.

Xiao Yuqian quickly grabbed Ma Haodong from behind to stop him from ruining his image.

“Hey! Stop! We're in the company!”

If not for Xiao Yuqian, Niu Jiang would've ended up in the hospital that day.

But that did not mean Niu Jiang wasn't injured. His face was covered in blood, and there was a cut above his eyes.

Xiao Yuqian pulled Ma Haodong back to her office and slammed the door shut.

“Why did you do that?”
