

Priceless Baby 2041

Chapter 2041: You Have Me In Your Heart!

“Humph!”

After Xiao Yuqian came in, she cast a cold glance at him. She sat down on the chair that was facing him.

Ma Haodong felt quite dispirited before so he had a few drinks with his friends. However, even just doing that ended with him being in a police station, giving him a new experience.

Initially, he was hoping his dad could come to bring him out after he ran into trouble. However, his father went overseas for business and hadn't come back yet. Right now, he'd already canceled his contract with Huayin Entertainment and he didn't have his own workshop. There was no one to help take care of him behind the scenes.

He never would've thought it would be Xiao Yuqian who came in the end. He knew he hadn't loved the wrong person.

This woman had always had a sharp tongue but a soft heart. Her heart was very deep.

Because of Xiao Yuqian's arrival, Ma Haodong's dispirited mood was swept clean. His entire being changed into becoming somewhat excited and emotional.

He moved his body upright and said, “I knew it, you have me in your heart!”

“You are thinking too much.”

Xiao Yuqian replied unkindly and then suddenly let out a breath, saying, “I am only here to help you because of Jing Xi. Tell me the entirety of what happened so I can help with your PR.”

“Hehehehehe...” Ma Haodong laughed like an idiot. He fixed his gaze on Xiao Yuqian and couldn't get enough of looking at her. “Qianqian, you are the one who loves me the most.”

Xiao Yuqian couldn't help but give a big eye roll. She deeply felt a certain someone was definitely at the later stages of narcissism disorder.

“Mister Talkative, if you don't get serious I will leave!”

Her posture looked like she was about to stand up and leave and Ma Haodong promptly urged her to stay. “Hey, hey, hey. Don't leave, don't leave. I was wrong. Is that enough?”

Xiao Yuqian sat back down again but Ma Haodong was in no hurry to explain. Instead, he continued to stare at her. “Qianqian, why did you get thin again? But you also look very good thin. I like it.”

“Ma Haodong, do you know where you are right now? Do you know what wrong you committed? Are you going to say it or not? If you aren't, I'm really going to leave!”

Xiao Yuqian simply couldn't stand

Ma Haodong's frivolous attitude.

It was already the moment where her brows were burning but he still had the mood to tease her.

It seemed he wasn't anxious at all. Perhaps, it would be for the best if he were locked up here for a month to control his temper.

“Qianqian! President Xiao! Don't be in such a rush to leave! I will explain honestly. Is that enough?”

Ma Haodong clasped his hands together like he was about to pray.

He'd definitely stayed up overnight. Both his eyes were red and there was a Manchu-style beard stubble underneath his chin. His hair was also a bit messy. Facing such a pitiful Haodong, she really couldn't bear to reprimand him.

Afterward, Ma Haodong reverted back to being serious and told everything that happened to Xiao Yuqian bit by bit.

After Xiao Yuqian understood the situation, she stood up and left. Ma Haodong promptly shouted at her, “Hey, President Xiao, am I considered yours right now?”

Xiao Yuqian suddenly turned back to cast a glance at him. Ma Haodong quickly changed his tone. “I mean, can I be considered to be one of Jingyue Entertainment's people?”

“In your dreams!”

Xiao Yuqian said, not feigning politeness, “You have negative scandals plaguing you right now. Which company would dare to have you? We will discuss it again after you get through this!”

“Qianqian, does it mean you are willing to take me in as long as I can prove my innocence?”

Ma Haodong shouted at her back. Xiao Yuqian stopped her steps for a while but she didn't turn her head back and didn't answer.

“If you don't speak I will consider your silence as approval!”

She left and Ma Haodong stared at her far away back until she disappeared. Only then did he withdraw his gaze.

He felt extremely happy in his heart. He couldn't help but feel the misfortune he ran into couldn't really be considered misfortune. At least he could tell Xiao Yuqian still cared about him. Otherwise, how could she possibly come to see him?

In fact, when being pestered by Ma Haodong for so long, even those with stone hearts would still have times where they would get warmed up

Chapter 2042: Move Her

When Xiao Yuqian heard that Ma Haodong was in trouble, a small part of her was worried. But most of her feelings were overtaken by anger.

She couldn't believe that a 26-year-old man would still act like a spoiled brat even though he was a famed celebrity too.

Is he trying to ruin his future?

But the incident made Xiao Yuqian realize something.

She still could not let Ma Haodong go.

She was upset when Huo Yunshen asked her to help Ma Haodong, but deep down in her heart, she was worried about him.

When Xiao Yuqian left the police station, she immediately contacted Guan Hao, who was in charge of the PR department at Jingyue.

After asking where he wanted to meet, Xiao Yuqian drove to the location.

The Memory Restaurant. Xiao Yuqian arrived just in time for dinner.

After telling the waiter her name, she was led to the table Guan Hao was sitting at.

Guan Hao was in full suit mode. He even styled his hair tidily.

“Are you going on a blind date later?” Xiao Yuqian couldn't help but joke.

Guan Hao only replied with a smile.

But he was anxious as he held a wedding ring in his hand.

He'd planned to propose to Xiao Yuqian on a better date. But since Xiao Yuqian had asked to meet, he decided to do it on that day.

Guan Hao was wondering what he should say when he proposed to move Xiao Yuqian's heart.

“Guan Hao, do you know what happened to Ma Haodong?” Xiao Yuqian asked as she sat down.

Hearing Ma Haodong's name irritated Guan Hao. He didn't want to talk about Ma Haodong as he was about to propose.

“I do. Let's not talk about him. What do you want to eat?”

Guan Hao handed Xiao Yuqian the menu.

“Whatever. Just help me order something,” Xiao Yuqian replied without taking the menu.

“Sure thing.”

Having worked with Xiao Yuqian for a few years, Guan Hao already knew what Xiao Yuqian liked and didn't like.

After Guan Hao finished ordering the food, he smiled at Xiao Yuqian as he took out a bouquet of roses from behind.

“What... Why are you giving me flowers?” Xiao Yuqian asked in surprise.

“I'm trying to date you. Isn't it obvious?”

Ever since Guan Hao told Xiao Yuqian that he liked her, he stopped pretending and started to try and date her openly.

“Please... Don't do this...”

Xiao Yuqian had already told Guan Hao that they could never be a couple.

“Can you at least listen to what I have to say first?” Guan Hao asked. “We’ve known each other for eight years, and I think you know what kind of person I am. Do you know what I like about you? I like your tenacity, your seriousness, your tolerance. I love everything about you. I want you to be happy every day, and I really hope that I can be the one that can give you that happiness. I hope that from today onwards, I can be the shoulder that you can rely on.”

Chapter 2043: Actually Asked For Her Hand In Marriage

When he'd spoken up till this point, Guan Hao took out the ring. He opened the box and placed it in front of her. “Yuqian, give me a chance. I want to be a family with you and give Yuan Bao a complete home. Marry me, okay?”

“...”

She suddenly saw a bright diamond ring. Xiao Yuqian was shocked but also already understood what was going on. It turned out Guan Hao didn't wear a suit for a blind date but, instead, to propose.

He actually asked for her hand in marriage?

Sigh... what a headache!

It wasn't that she never considered Guan Hao before. Instead, she always told herself in her heart, why not just put up with it and be with Guan Hao?

However, there would always be another voice in her heart that opposed it. No. If it is a person I don't like, I won't be able to accept it, even reluctantly.

After countless careful deliberations, in the end, she could only define Guan Hao as:

Colleague, friend, a good partner, a male confidant.

Apart from these things, she had no way of giving him any other titles.

It could be said that the relationship between her and Guan Hao was more than friends but less than lovers.

There was an invisible ditch that couldn't be seen, couldn't be touched, but also couldn't be passed over no matter what.

“Forget it, Guan Hao. I already said it before. I am already unable to accept a new relationship. Thank you for your love. I'm sorry, but I have no way of accepting this surprise.”

Xiao Yuqian pushed the ring back to him and spoke very apologetically.

Guan Hao had already expected there would be such an ending. His heart overflowed with an agonizing feeling. He swept his eyes over to look at the rejected ring and a hidden hurt appeared slightly on his expression.

However, he was only desolated for a short while. He lifted his head again and smiled. "I know I am not outstanding enough. That's why I am not good enough to touch your heart. Just wait. I will continue to work hard. One of these days, I will put this ring on your finger."

Guan Hao took back the ring and it was as if none of this had ever happened.

"But why should you do that?"

Xiao Yuqian felt that he was basically wasting his time on her. She really wanted to wake him up. Wouldn't it be better if he went to find some other lady?

There was an abundance of good women in the world. Why would he waste precious time on a single mother like her?

If a person placed a lot of effort into an insignificant endeavor, it would be very hard to pull themselves out of it.

Xiao Yuqian knew saying too much right now was useless. She didn't forget the official reason why she came to see Guan Hao. "Guan Hao, the reason I wanted to see you is actually about Ma Haodong's problem."

When Guan Hao heard Ma Haodong's name, he frowned subconsciously. He instinctively rejected this topic.

Xiao Yuqian lifted her head to look at him and continued to say, "We are rushing to help him with his PR. The first step is to announce to the public he is already a celebrity at Jingyue Entertainment."

What did she say?

She was already willing to accept Ma Haodong joining Jingyue Entertainment?

What did this show?

It showed that she was already willing to give Ma Haodong a chance?

When Guan Hao thought of this, it was as if a bucket of cold water was poured all over him. His entire body was surrounded by a chilliness.

As her most considerate friend, Guan Hao needed to remind her, "Yuqian, is it because of him that you cannot accept me? Can you be more rational and clearly see this person's character? Besides giving you trouble and hurting you, what else does he know how to do?"

Xiao Yuqian was thinking about work but Guan Hao did not understand. He thought she was planning on forgiving Ma Haodong.

"It is not because of this. I am talking about work right now. Don't mix the two things together."

Xiao Yuqian explained the reason.

The anger in Guan Hao's heart rose up straight away and he asked, "Yuqian, don't tell me that you plan on accepting him again?"

"I never said I wanted to accept him. Group leader Guan, isn't your reaction a bit too much?!"

Chapter 2044: Not A Fake Name

“Helping Ma Haodong is not my decision,” Xiao Yuqian replied. “It's the boss's idea.”

Huh... What do you mean by boss?

Do you think I'm a fool?

Guan Hao's excitement was also dampened. “Fine, just take it that I'm being paranoid! I just want to remind President Xiao not to make the same mistake again. Also, regarding Ma Haodong, you should ask someone else to take over!”

The conversation ended unhappily.

Guan Hao refused to help Ma Haodong with public relations. In the end, Xiao Yuqian could only go on stage herself and release an artist statement to the public.

They claimed that Ma Haodong was an artist under Jingyue and that they would hold a press conference to clarify the truth behind the case.

Ma Haodong's press conference was held as scheduled.

Guan Hao was absent and it was Xiao Yuqian who was leading the public relations team today.

The venue of the press conference was packed with people. All the reporters and media were here for Ma Haodong. His fame as a popular young actor was not just for show.

It was time. Xiao Yuqian picked up the microphone and started the introduction. The reporters below the stage began to get restless and rushed to ask questions.

“May I ask if Ma Haodong really did take drugs?”

“Ma Haodong is the ambassador for anti-drug publicity, yet he took drugs. Isn't he ruining his own reputation?”

“Why is Jingyue Entertainment protecting a druggie?”

“How is Ma Haodong now? Will he be sentenced?”

“Thank you for your concern. Thank you for taking the time to attend Mr. Ma Haodong's press conference.”

“What happened that night? Is Ma Haodong really involved in the drug abuse case? I will answer all of your questions later.”

The scene was a little quieter. Xiao Yuqian's public relations team began to provide evidence. The evidence appeared on the big screen.

“As you can see, this is a unique test report. The first thing the police did after Ma Haodong was arrested was to test him. This report should be sufficient to show that Ma Haodong does not have any substances in his body. This means that he did not participate in the taking of drugs.”

One of the reporters asked, "Since they said he wasn't involved, why is the police still refusing to release him?"

What the reporter meant was that being detained by the police meant that he wasn't innocent.

"Good question. It's exactly because Ma Haodong is the ambassador that he volunteered to stay behind and help the police solve the case. He will return when the real perpetrator is caught."

After Xiao Yuqian explained, she asked the team to play the next piece of evidence. "This is the surveillance footage from the bar room on the night of the crime."

From the complete surveillance footage, it could be seen that after Ma Haodong went in with his friend, he sat down on the sofa and drank and chatted.

In the end, some people started to take drugs, and some friends tried to persuade him to give it a try. But he waved them off and stood up to leave.

Just as he was about to leave, the police barged in and caught everyone inside, including him.

"The truth is that Ma Haodong was not involved. He encountered the police raid when he was leaving.

"Right now, he has already provided the police with a list of the people involved in the drug abuse case that night. The police have already arrested those involved in the case.

"Why didn't the police release him if he is innocent?"

"You've misunderstood him regarding this.

"The real reason is that the unique product involved in this case is different from the one circulating on the market. It's a very new type of substance. The police want to find out source of this unique substance and require Ma Haodong's help."

Chapter 2045: Unbelievable

That was the whole story. Xiao Yuqian had explained everything, but the reporters still found it hard to believe that Ma Haodong had not been released.

The press conference ended, but many reporters were still unwilling to leave. There were still many questions.

Xiao Yuqian knew that the PR was not a success this time. Just as she was in a difficult position, the door of the venue opened again. The first to enter was Jingyue Public Relations Group's leader, Guan Hao.

Behind him, a few police officers in dark uniforms came in, followed by Ma Haodong, who everyone wanted to see the most.

Ma Haodong had a new look on his face. He did not look like he was in a sorry state from beginning to end. He walked past the crowd of reporters and smiled at the camera. He walked up to the podium calmly.

When Xiao Yuqian saw Guan Hao appear, she was a little surprised. The night before yesterday, he had said to not ask about Ma Haodong. Why was he here now?

There was also Ma Haodong. He looked handsome and elegant, completely different from the first time he went to the detention room to see him.

After Guan Hao went on stage, he took the microphone and began to explain why Ma Haodong was late. He asked the police representative to speak.

The truth was that the unique product that was involved in the case this time was different from the one that was circulated on the market. It was a very new kind of unique substance. The police wanted to find out the origin of the unique substance from the source and needed Ma Haodong's help.

Ma Haodong had never participated in the drug abuse. Not only that, but as a spy, he had successfully helped the police solve the case.

He had caught more than 20 people who were involved in the case in one fell swoop. He had also successfully helped the police obtain 1,500 grams. Everyone should learn from him.

With this, the press conference was a success.

With the publicity and reports from various media outlets, people finally learned that Ma Haodong was innocent. The people who had criticized him before were also slapped hard in the face.

After the press conference, Ma Haodong was in a very good mood. Not only did this incident not affect his reputation, but it also allowed him to successfully join Jingyue Entertainment.

This way, he could see the woman he loved every day.

After the New Year, there was a slashing incident at the amusement park. Xiao Yuqian's mother, Wen Lanying, went to the amusement park with Yuan Bao and was caught up in this incident. By chance, she met Ma Haodong, who was playing with his nephew.

It was Ma Haodong who had acted bravely in the nick of time, blocking the knife for Yuan Bao and Wen Lanying and subduing the criminal.

Even though Ma Haodong wanted to keep a low profile, his act of acting bravely for a just cause was highly praised by the city government and the police. He was also awarded the "acting bravely for a just cause" medal.

Before Ma Haodong was discharged from the hospital, his deeds had already spread throughout the media.

Ma Haodong's fans were proud again. They liked their idol even more now. They all spontaneously organized themselves to visit him at the hospital.

Ma Haodong was very bitter about this. Who was the one that leaked all this information? He had no time to be alone with Xiao Yuqian.

But it was also a blessing in disguise. Xiao Yuqian and Jing Xi went to the ward to visit him.

On the third day of admission, the media came to interview and report about the incident. Even the person in charge of the amusement park management came to pay their respects. At the same time, the parents of the injured children also came.

The parents expressed their gratitude to Ma Haodong. In the crowd, Ma Haodong saw the boy called Little yuan Bao.

The little guy was injured on his left arm and was wrapped in bandages. He was only five years old and had handsome facial features. He gave off a very polite and well-mannered feeling.

Chapter 2046: Father And Son's First Meeting

“Uncle Ma, you were the one who saved yuan Bao that day.”

As soon as Ma Haodong heard “yuan Bao,” he thought of his friend's yuan Bao. “So you're yuan Bao!”

“Uncle Ma, do you know me?”

The little boy inclined his head, his black eyes big and clear. She had the innocence of a child.

“Yes, I've heard of you.”

“Thank you for saving me, Uncle Ma,” yuan Bao said.

“You're welcome.”

Ma Haodong reached out to touch yuan Bao's head, then carefully looked at the child's facial features. It felt so familiar. Had he seen it somewhere before?

He then looked at yuan Bao's grandmother. She looked very much like Xiao Yuqian's mother!

After the interview, the reporters and the other parents and children left. yuan Bao did not leave. He could not explain why he liked this uncle.

“yuan Bao, it's time to go back. Let Uncle rest!”

Wen Lanying wanted to pull the child away, but yuan Bao begged, “Grandma, yuan Bao wants to play with Uncle for a while. Is that okay?”

Ma Haodong was not bothered by the child at all. He spoke up for him. “Auntie, just let yuan Bao stay here. He can accompany me. I'm also very bored.”

Wen Lanying eyed her grandson and then looked at Ma Haodong. She could not describe what she was feeling.

One of them had an injured left arm while the other had an injured right arm. If it were said that the two were father and son, probably no one would even doubt it..

It was rare for yuan Bao to want to interact with outsiders, so Wen Lanying did not stop him. “All right, you stay here with uncle. When you're done playing, come back by yourself. Grandma will go prepare food.”

“Alright, grandma.”

Only Ma Haodong and yuan Bao were left in the ward. yuan Bao held his chin with one hand and stared at Ma Haodong. Then he couldn't help but sigh. “Uncle Ma, you are a brave hero.”

“Hahaha, thank you for the compliment.”

Ma Haodong was amused by yuan Bao's serious look. He asked casually, "Are you usually with your grandma? Didn't your parents come to see you?"

"I don't have a father," yuan Bao answered. "I only have a mother."

This was partially why yuan Bao wanted to hang out with Ma Haodong. He wanted to have a heroic father.

He really liked Ma Haodong. He even hoped that Ma Haodong could become his father. He wondered if his mother would agree.

No one would have thought that the two of them had become good friends in the ward. Neither of them knew about the relationship between them, but blood ties were so wonderful that they were drawn together.

Xiao Yuqian felt that there were many inconveniences for the two of them being the same hospital. She would sneak around each time she came to visit yuan Bao, afraid that she would bump into Ma Haodong.

Just that on a day when she was on a stroll with yuan Bao, Ma Haodong was feeling bored and glanced out the window, noticing two figures in the garden.

It was Xiao Yuqian and that little yuan Bao!

Ma Haodong felt as if a bolt had struck him when he saw how close the child was with Xiao Yuqian. Could it be...

In order to confirm his guess, he ignored the wound on his arm and ran out of the ward.

He went to the garden downstairs and forced himself to calm down. Finally he walked towards them.

Little yuan Bao was the first to notice Ma Haodong. He said to his mother, "Mommy, look, it's Uncle Ma."

Chapter 2047: I Need An Explanation

Xiao Yuqian turned around and realized it was Ma Haodong. She froze. Even if she wanted to hide yuan Bao, there was nothing she could do.

"Xiao Yuqian! I need an explanation!"

Ma Haodong stood in front of them and stared at yuan Bao's little face.

He had previously felt a sense of familiarity from the child. Now, he finally knew why.

"You've already seen it. What else is there to explain?" Xiao Yuqian sighed.

"Haa..."

Ma Haodong smiled. As he smiled, his eyes got a little wet. God knew how happy he was right now. It was hard to describe how excited he was.

yuan Bao was Xiao Yuqian's child. Judging from his age, he was indeed his son.

Ma Haodong squatted down and opened his arms. “yuan Bao, come to daddy!”

When yuan Bao heard his uncle calling him “daddy,” he felt a little excited and happy. Just like he had thought, he really wanted to pounce on him, but he still turned to ask his mother for her opinion.

“Mommy, can I go over?”

Xiao Yuqian could no longer stop the bond of blood. She rubbed the child's head and said, “Go!”

“Uncle Ma!” yuan Bao jumped at Ma Haodong like a little swallow.

Ma Haodong picked yuan Bao up and spun a few rounds on the spot. Xiao Yuqian was worried that she would touch his wound and said, “Okay, stop spinning. Put him down. His arm is injured!”

Ma Haodong listened to her and put the child down. He touched and touched the child. He looked at it again and again and liked it very much. Then he gave the child a big kiss.

“yuan Bao, from now on, call me daddy. Don't call me Uncle Ma anymore, okay?”

“Okay, okay. But I'm afraid Mommy won't agree.”

“No, your mother has already agreed. Uncle will be your father from now on. He can protect you and your mother.”

After Ma Haodong finished speaking, yuan Bao jumped up excitedly. “Oh, this is great! I have a father! I finally have a father! My father is a great hero!”

Ma Haodong was even happier when the child was happy. He gazed at the woman beside him. Xiao Yuqian also had a faint smile on her face, but her eyes were sparkling with tears.

Ever since he had reunited with his son, Ma Haodong's attitude had changed drastically.

From now on, he was no longer alone, but a man with a lover and a child. He had to do something for the mother and son.

After a while, Ma Haodong and yuan Bao recovered from their injuries and Xiao Yuqian came to pick them up.

She wanted to send Ma Haodong back, but he insisted on following them to their place.

Xiao Yuqian brought them back to her family home. Ma Haodong saw that Xiao Yuqian's mother lived in a simple and renovated house. The surrounding environment was also not very good. He felt very sorry that it was not easy for them to take care of their child.

Now Ma Haodong already knew that Xiao Yuqian's mother, Tang Qingyuan, had been using Wen Lanying's alias ever since the divorce.

No wonder his father had been searching for her for so many years.

On the way back, he said to Xiao Yuqian, “Qianqian, move back to the lakeside villa! Bring yuan Bao and your mother along and let me take care of you.”

Xiao Yuqian did not reject him. It basically meant that she agreed and accepted him.

Ma Haodong was very happy. After he went back, he had his men prepare everything and tidy up the house.

On the weekend, Ma Haodong personally drove to pick up yuan Bao and the others. Xiao Yuqian also communicated with her mother in advance and also obtained her mother's approval.

Chapter 2048: Willing to Give Up Everything

They arrived at the lakeside villa together. Xiao Yuqian was filled with emotions. Nothing seemed to have changed here. It was still the same as it was six or seven years ago, but what had changed was the state of mind of a person.

yuan Bao came to his new home and looked at the beautiful big house in surprise. He asked his father, "Daddy, is this yuan Bao's home from now on?"

"Yes."

"Can yuan Bao stay here forever?"

"Of course."

"This is great! I love this place! I have my own home now! I also have my parents and grandmother! I can finally be the happiest child in the world!"

yuan Bao ran around the house happily. He no longer had to envy other children. From now on, he had a family to live with.

Ma Haodong was also happy to see the child happy. He silently said in his heart that staying here was only temporary. He would give the child and Xiao Yuqian a better life in the future.

After settling down, Tang Qingyuan continued to take care of the child while Xiao Yuqian went to work.

As long as Ma Haodong was not busy, he would stay at home with the child. He began to find a kindergarten for the child and arrange for yuan Bao to go to school.

He hadn't told his father about yuan Bao yet. He planned to wait until the time was right.

After that, it would be a busy period. After the release of "Those Beautiful Bygone Years", what followed would be the annual Golden Goose Awards ceremony.

On the night of the awards ceremony, the conference announced that the winner of the Best Actor Award was Ma Haodong, representing "Those Beautiful Bygone Years" and "Root of Evil."

Ma Haodong went on stage to receive the award and took the opportunity to announce a piece of news:

From that day onwards, he would officially leave the entertainment industry.

As soon as he said that, everyone was in an uproar. No one knew why Ma Haodong would suddenly announce his retirement when his acting career was at its peak.

In fact, it was not a spur of the moment decision. He had made this decision after careful consideration.

After leaving the entertainment industry, he would go home and take over his father's business. He would inherit Rongma Group and become the new CEO of the company.

In the past, he hated doing business the most. He thought that businessmen valued profit more than separation. But now, he had changed his mind. He wanted to become a capable and capable businessman.

That was the only way to guarantee a stable life for the people he cared about.

It was Xiao Yuqian and her son, Yuan Bao, who had been hidden for five years.

From now on, everything he did was for his woman and son.

Xiao Yuqian, who was watching the award ceremony with her child, was shocked when Ma Haodong announced his retirement.

He said that he was willing to give up everything for her.

Back then, she had asked out of fun, "Will you be willing to give up the glory of being an actor?"

Ma Haodong had not said anything at that time, but he had answered her with his actions today. How could she not be touched?

Ma Haodong became the CEO of Rongma Group not only for Xiao Yuqian and her child, but also because of his father.

It was only a while ago that he learned that his father had liver cancer. No wonder he had been hoping that Ma Haodong could grow up quickly and take over the family business.

It turned out that Ma Hangcheng already knew that he didn't have much time.

After Ma Haodong learned about this, he discussed it with Xiao Yuqian. After obtaining approval, he told his father about Yuan Bao.

When Ma Hangcheng heard that he had a five-year-old grandson, he was not only surprised, but also happy. He kept saying that he wanted to meet this grandson that he had never met before.

Ma Haodong arranged for Ma Hangcheng to meet Yuan Bao at the lakeside villa.

Chapter 2049: Agree To This Marriage

Ma Hangcheng was overjoyed when he first saw the child. The little boy looked like a member of the Ma family. He rubbed the child's head and sighed with emotion. He hadn't expected his son to hide such news from him. His grandson was already so big.

"Who is the mother?"

Ma Hangcheng really wanted to meet her. He wanted to know which lady had helped the Ma family extend its lineage.

He would never have guessed that it was Xiao Yuqian. After all, that girl had left the country and left his son for many years.

However, when Ma Hangcheng hobbled into the villa with his cane and saw Xiao Yuqian, he was shocked and couldn't help but lament at fate.

Back then, he had wanted to stop it, but he did not expect that it would come to fruition.

Now that he didn't have much time left, his attitude towards the children had become much more lenient. He apologized to Xiao Yuqian after seeing her again.

"I'm sorry. I shouldn't have lied to you like that before."

Xiao Yuqian did not argue with an elder who was suffering from a terminal illness. She shook her head. "I understand. It's normal for you to object."

"Alright, that's enough now. Since the child is already so big, hurry up and settle the matter. Don't let my Ma family's bloodline wander outside again."

Ma Hangcheng reminded Ma Haodong and Xiao Yuqian to proceed with the marriage.

Ma Haodong held Xiao Yuqian's hand happily. The two of them gazed at each other happily.

At the lakeside Villa, Ma Hangcheng saw his grandson and also the woman he had missed for many years, Tang Qingyuan.

He had sent his men to look for her for so many years. Now he knew that she had always lived in Estan under the alias of "Wen Lanying."

The two elders choked up with emotions when they met. The misunderstanding between them was also cleared up. Tang Qingyuan learned that Ma Hangcheng was suffering from a terminal illness and encouraged him to face the disease proactively.

Everything that had happened in the past was gone. Now, they were best of friends.

Xiao Yuqian knew her mother's biggest regret was being separated from Ma Hangcheng and losing a child.

In order to fulfill her mother's wish, she decided to let Tang Qingyuan stay by Ma Hangcheng's side during the last few days.

After that, Xiao Yuqian told her mother about this in private. Tang Qingyuan did not object. In fact, she was also worried about Ma Hangcheng.

In order to take better care of Ma Hangcheng, Xiao Yuqian suggested to Ma Haodong that the whole family move back to the Ma family mansion.

Ma Haodong was more than happy to do so. He immediately started moving.

Later, Xiao Yuqian even proposed a wedding for the two elders to make up for their regrets when they were young.

But when it came to weddings, Ma Haodong couldn't agree more. He asked, "Qianqian, what are you thinking? If we let your mother and my father get married. Then, what about us?"

"I just hope that they won't have any regrets for the rest of their lives. We can talk about our own matter in time. What's the hurry?"

Xiao Yuqian held his arm and asked, "Do you not want my mother to be with your father? If you don't agree, then we can move out right away."

"Haa, I'll listen to you!"

Even though he was reluctant, Ma Haodong still listened to her.

With the two of them trying to matchmake, they finally prepared a simple and private wedding ceremony for the two elders.

The happiest person was none other than Ma Hangcheng. After waiting for a lifetime and dreaming it for the longest, his wish finally came through.

Xiao Yuqian had been back in the country for a long time. Her father, Xiao Guohua, had called her several times, but she had not picked up.

On this day, Xiao Yuqian saw the old Xiao Guohua at the ground level of Jingyue Entertainment.

Chapter 2050: Retribution

Seeing her father, Xiao Yuqian looked at him as if he was an ordinary person. She asked, "Why is President Xiao looking for me?"

"Qianqian, I've tried to contact you many times but you never called me back. I had no choice but to come and see you."

Xiao Guohua was no longer as robust as he used to be. Now, he was just an old man.

"Why are you here? I'm doing very well!" Xiao Yuqian said coldly.

"I miss you too much. I have a lot to say to you and I want to apologize to you."

Xiao Guohua regretted maintaining that relationship with Xiao Lan. He had lost Tang Qingyuan because of Xiao Lan and her daughter.

Later, when he learned that it was Xiao Yuxin who killed his only son, he became aware that he had raised a group of vicious women.

After Xiao Yuxin was imprisoned, Xiao Lan was afraid that Xiao Guohua would reprimand her and secretly fled.

In the end, he was the only one left all alone in the Xiao family.

Xiao Guohua had worked hard his whole life, and in the end, Xiao Yuqian was his own daughter remaining who was qualified to inherit his family business.

However, he had broken his daughter's heart back then. Now, he didn't know any way to resolve her hatred for him.

"I have nothing to say to you. Please leave!"

Xiao Yuqian was determined not to acknowledge Xiao Guohua as her father anymore. Ever since she learned about her father and Xiao Lan, she had never thought of acknowledging him as her father again.

“Qianqian! I know you hate me. Even God has punished me for always being rebellious. Xiao Che is dead, Xiao Xin has been caught, and Xiao Lan has fled. You are my only daughter now, but you aren't even willing to acknowledge me.”

Tears of regret rolled down Xiao Guohua's cheeks, but he could not arouse Xiao Yuqian's sympathy.

“It's all your fault. You deserve it!”

“I know. I've let you and your mother down. I heard that she has returned to the country and is staying with you, right? Can I see her?”

It was only now that Xiao Guohua realized how stupid he had been to abandon Tang Qingyuan and choose Xiao Lan.

He wanted to meet Tang Qingyuan and apologize to her.

Xiao Yuqian sneered in her heart. When he hurt her mother, he probably never imagined a day would come where he would come back begging!

Since Xiao Guohua had not given up on her mother, Xiao Yuqian would fulfill his wish and let them meet.

“Okay, I'll arrange it.”

Xiao Yuqian agreed, but she did not smile at Xiao Guohua. She did not even consider him inviting her back to the Xiao family.

Three days later, they agreed to meet at the place where their parents met. Xiao Guohua tidied himself up and waited for Tang Qingyuan to come. He hoped that he could take the chance to redeem her, his daughter, and their family.

Finally, he saw Tang Qingyuan. She was still as gentle and beautiful as before.

But Xiao Guohua was only happy for a few seconds. When he saw Tang Qingyuan appear with Ma Hangcheng's arm, he realized what had happened.

“Long time no see, President Xiao.”

Tang Qingyuan came in front of him, her tone as distant as her daughter's.

“Qingyuan, you...”

Xiao Guohua stood up, his fingers trembling.

“Let me introduce you. This is my husband, Ma Hangcheng. You guys should know each other.”

After Tang Qingyuan finished her introduction, Xiao Guohua felt as if he had been dealt a huge blow. He fell onto his seat in disbelief. “You two are already married?”

“That's right. We're already married. Thanks to you, we broke up and lost our child. But after so many years, we're still together.”
