

## Priceless Baby 2051

### Chapter 2051: Waiting For The Proposal

The biggest reason Tang Qingyuan had misunderstood Ma Hangcheng back then was because Xiao Guohua had secretly plotted against him. Otherwise, they wouldn't have broken up and there wouldn't have been such a freak combination of factors.

She had come here together with Ma Hangcheng to show Xiao Guohua how happy they were together.

After they met, Tang Qingyuan and Ma Hangcheng left hand in hand. Xiao Guohua sat in a daze for a long time.

Less than a week later, Xiao Guohua passed away from a heart attack.

Xiao Yuqian attended his funeral as his daughter. She attended the funeral because she was still a daughter.

The lawyer announced Xiao Guohua's will on the spot, saying that all of the Xiao family's assets were under Xiao Yuqian's name.

However, Xiao Yuqian did not accept it. She entrusted her lawyer to donate all of the Xiao family's assets to the welfare business and did not take a single cent.

The matter came to an end.

Xiao Yuqian and Ma Haodong's lives were on the right track. When their parents were still alive, they never mentioned marriage, but they lived together as husband and wife.

After Ma Haodong took over the family business, he focused on running the Rongma Group, pushing the company's development to a new peak.

Xiao Yuqian had been managing Jingyue Entertainment for a long time. This husband and wife pair were the CEOs of the corporation. They were a strong alliance.

They maintained this balanced relationship until three years later, after Jing Xi and Huo Yunshen's wedding, Ma Hangcheng and Tang Qingyuan suggested that they get married.

Initially, the two of them thought that his father was suffering from an incurable disease and hoped that their elders could fulfill their dream of being together. In order to fulfill their wish, they could wait a few more years.

But now, the two elders were very apologetic to inform them that Ma Hangcheng's cancer was a misdiagnosis in the hospital. His liver was a little ill, but it was not terminal.

He was always in high spirits after getting married to Tang Qingyuan and his body got better by the day. After the doctor's follow-up examination, he told Ma Haodong and Xiao Yuqian that his body had recovered. If this medication was continued, he could live for another ten years or more.

Therefore, the two elders did not want to drag them down anymore. They hoped that they could settle down soon.

Under the urging of his elders, Ma Haodong finally proposed to Xiao Yuqian.

Almost everyone in Peijing knew that Ma Haodong, the president of the Rongma Group, had proposed to Xiao Yuqian.

When Xiao Yuqian gazed down from the window of the building, Jingyue Enterprise was already covered in flowers.

On this day, Ma Haodong had brought all the employees of the Rongma Group to help in his marriage proposal and it was a spectacular scene. Everyone was holding large bouquets of flowers in their hands and they filled up the entire square.

The man standing in the middle of the huge heart gazed back up at her.

Ma Haodong used a method that shocked everyone and confessed.

He bought a loudspeaker from the uncle who was collecting the waste products and shouted in the direction of the building's president's office, "Xiao Yuqian, listen to me! I, Ma Haodong, must marry you! If you don't agree, I will take your son away with me!"

His voice startled all the employees in the building, as well as other passersby. Everyone was looking at them, awaiting the outcome of the proposal.

Jing Yue's employees were even more excited!

"Boss Ma must be crazy! How much does it cost to advertise all around the entire city?"

"Boss Ma is rich! It's nothing! What I'm concerned about is whether our President Xiao will agree to it."

Chapter 2052: Do You Dare To Agree?

"Of course! They've been together for so long. Is there a need to propose?"

"Not necessarily. I don't think our President Xiao likes Boss Ma that much!"

"Then let's wait and see!"

Xiao Yuqian heard his confession. It was just so childish.

"Xiao Yuqian! Hurry up and say that you're marrying me!"

"Xiao Yuqian! I love you! Let's get married!"

After shouting for a while, Ma Haodong finally saw a glimpse of that someone.

When Xiao Yuqian walked out, all of the employees who were holding flowers made way for her, and the path extended all the way to Ma Haodong.

Seeing his goddess come out, Ma Haodong finally stopped shouting and stared at her.

Xiao Yuqian walked through the crowd and finally stopped in front of him. She did not smile and asked, "Ma Haodong! What are you doing?"

"I'm proposing. Can't you tell?"

Ma Haodong was suddenly stunned by her strong aura. He was a little afraid of being criticized by her. Unexpectedly, Xiao Yuqian said, "Do you dare to repeat what you just said?"

"Uhh?"

The goddess was not angry. She wanted him to shout again?

Ma Haodong picked up the loudspeaker and repeated what he had just said. Finally, he asked, "Xiao Yuqian, let me ask you this. Are you willing to marry me, be my wife, and be my son's mother? Do you dare to agree?"

Xiao Yuqian laughed. "What's there to be afraid of?"

With that, she went up to him and took the initiative to embrace Ma Haodong and gave him a passionate kiss.

Ma Haodong happily picked her up. Xiao Yuqian sat on his waist and kissed him while spinning a few rounds.

Everyone who saw this scene applauded and gave their blessings.

After the passionate kiss, Ma Haodong picked her up and carried her out.

"What now?" Xiao Yuqian asked, puzzled.

"To register our marriage of course."

Ma Haodong put Xiao Yuqian in the car and drove straight to the Civil Affairs Bureau.

The place had already been prepared in advance. Ma Haodong had also brought all of his identification documents. At this moment, the two of them came here and successfully registered their marriage.

After getting the marriage certificate, it was time for the wedding.

Xiao Yuqian felt that it was a little rushed when she changed into a wedding gown at the last minute. "Isn't it too soon for us to get married now?"

"Too soon? I've been waiting for this day for years. Do you know how much hair I've lost?"

He tilted his head and snuggled into her arms.

Xiao Yuqian pushed his head away and said with a smile, "Okay, quit fooling around. They're watching!"

After they were done playing, Ma Haodong held her hand and looked at Xiao Yuqian, who had changed into her wedding dress. This wedding dress had also been custom-made for her since early in the morning. Everything was ready, except for today's wedding.

"Honey, you look so beautiful in your wedding dress! You're the most beautiful bride in the world! Do you know how honored I am to be able to marry you?"

"Being able to marry you is my greatest fortune."

The two of them stared at each other for a moment. Ma Haodong said, "Alright, time to go to the church!"

Their wedding was held in the largest Catholic church in Peijing. When they arrived, Xiao Yuqian saw that many of her friends were already there.

Even Huo Yunshen and Jing Xi, who were far away in the Dragon Kingdom, rushed back to the country to attend their wedding.

The wedding went very smoothly. Under the lead of the priest, they became husband and wife, exchanging rings, and finally kissing each other.

Chapter 2053: Something To Tell Her

After the wedding concluded, Xiao Yuqian stood in front of the church and threw a bouquet of flowers at Fang Xiaocheng.

Fang Xiaocheng smiled sheepishly when she caught it. She wanted to hand the flowers to Wandou but she refused to take them.

Fang Xiaocheng smiled awkwardly at Jing Xi. Jing Xi hugged her and whispered into her ear, "Orange, this is fate! Looks like you should give Yi Xiao an explanation."

Fang Xiaocheng turned to glance at the man not too far away. Yi Xiao, who was in a dashing silver suit, was also smiling at her.

[The extra story of Ma Haodong and Xiao Yuqian ends here. The happiness baton has been passed on to Yi Xiao and Fang Xiaocheng. Let's see what kind of story this fake couple, who has gone through five years of hardship, will have! The next story might unfold in a spicy skewer method.]

After the wedding, Yi Xiao had to return to Juxing for work. Fang Xiaocheng drove to the kindergarten to pick up her son, Yi Bei, from school.

Yi Bei was already five years old and had gone to kindergarten. The little boy's facial features had grown. Half of him looked like Fang Xiaocheng, and the other half looked like Wang Dazhi when he was young.

He wasn't particularly good-looking, but he was still very good-looking.

Fang Xiaocheng was busy every day. The happiest time was when she picked her son up from school. The moment she saw her cute son running towards her with his little school bag on his back, she could forget all her worries.

"Mommy!"

Yi Bei saw his mother in the crowd. She flew into his mother's arms like a little swallow that had spread its wings.

Fang Xiaocheng hugged her son tightly and kissed him on his cheeks.

"Baby, are you happy in kindergarten today?"

"I'm happy. Our teacher taught us how to play games."

“Oh, what sort of game? Tell mummy all about it.”

Fang Xiaocheng held her son's hand as the mother and son pair chatted all the way to the parking lot.

Just as she was about to start the engine and head home, she received a call from her mother-in-law. Fang Xiaocheng picked it up immediately. “Hello, Mom. I've already received Beibei's call.”

Fang Xiaocheng thought her mother-in-law was asking if she had forgotten to pick up the child. Her mother-in-law was very meticulous and would remind them every day not to forget about picking up the child.

“Then hurry up and come back. I have something to tell you.”

Her mother-in-law's tone was not as friendly as usual. It was a little cold. After saying that, she directly hung up the phone. Fang Xiaocheng looked at the screen that ended the call. Her intuition told her that her mother-in-law seemed a little angry.

Fang Xiaocheng wondered if something had happened at home and quickly drove back to the Yi family home.

Ever since Yi Xiao took over Juxing Entertainment and became the president of Juxing Entertainment, the living conditions of the Yi family had improved.

Yi Xiao had his own villa in Peijing. He took his parents and sister from their hometown and lived with them.

Most of the time, Fang Xiaocheng and Yi Xiao would go back to the Yi family's house for dinner on weekends or at night.

The relationship between Fang Xiaocheng and her mother-in-law had always been quite good. Her mother-in-law liked Yi Bei, and she also liked her very much. She had never blushed over big or small matters. No matter which aspect, the old man had done it very well. There was nothing wrong with him.

Today, her mother-in-law told her to go back. She brought Yi Bei into the Yi family's house. When she entered, she saw her father-in-law, mother-in-law, and sister-in-law sitting in the living room. However, the atmosphere was obviously not right.

“Dad, mom, we're back.”

Fang Xiaocheng greeted her as she entered.

Her mother-in-law raised her head and stared at her sternly. She turned to her sister-in-law, Yi Hanyue, and said, “Xiaoyue, take Beibei outside for a while. We have something to tell your sister-in-law.”

Chapter 2054: Because of Yi Bei's Background

“Got it,” Yi Hanyue said as she got up and walked over to Fang Xiaocheng. She threw a dirty look at Fang Xiaocheng, then took Yi Bei's hand and led him out.

Yi Bei did not want to go out with his aunt and tried to break free from her grip. Yi Hanyue frowned. “Who does this child look like? Why is she so disobedient?”

Fang Xiaocheng persuaded her son. "Beibei, listen to your aunt. Go out for a while and come back later."

Little Yi Bei finally obeyed and followed Yi Hanyue out the door.

Only Fang Xiaocheng and the two elders were left in the room. Fang Xiaocheng walked in and asked, "Mom, what's wrong? Did something happen at home?"

"What do you think happened? How dare you ask me!"

Her mother-in-law stood up and stared at her. She asked angrily, "Tell me honestly, whose child is Yi Bei?"

Hearing her mother-in-law's question, Fang Xiaocheng felt as if a bolt of lightning had struck her heart.

Could it be because of Yi Bei?

Fang Xiaocheng would not admit it immediately. "Mom, Yi Bei is my child with Yi Xiao..."

Before she could finish her words, her mother-in-law gave her a hard slap and pointed at her nose, scolding, "You shameless bitch! To think that I've treated you like my own daughter all these years. But look at you, you went behind Yi Xiao's back and got pregnant with someone else's child. You pretended to be the child of our Old Yi family. How could you do such a thing!"

"Mom, let me explain..."

"What else is there to explain? I didn't notice anything when Beibei was young, but now that he's grown up, he's becoming less and less like a member of the Yi family. Whether it's his facial features or his personality, they don't look alike at all. When I brought him out, everyone said that your grandson and your son didn't look alike at all. I even scolded him back then. Later on, there were more and more people talking about it, so I thought that something was wrong. That's why I got Han Yue to do a test on Yi Xiao and Beibei. This is the result! See for yourself! How long do you want to hide it from us?"

Her mother-in-law threw the report at Fang Xiaocheng's face and sat down on the sofa angrily.

Fang Xiaocheng looked at her angry mother-in-law and then at her silent father-in-law. Her father-in-law was usually afraid of her mother-in-law. Even if they quarreled now, he would not interfere.

Fang Xiaocheng did not expect her father-in-law to help her say anything. She knew that there would come a day when the paper could not cover up the fire. Now that the evidence was in front of her, she did not intend to continue lying to her parents.

"Dad, Mom, I'm sorry. It's true that Beibei is not Yi Xiao's child. I've lied to you. I'm sorry. For the past five years, you've treated Beibei like your own grandson. I've always wanted to muster up the courage to tell you the truth, but I was afraid that you would no longer love Beibei after knowing the truth. I'm also very conflicted. I was wrong in this matter. I'm sorry!"

Other than a sincere apology, Fang Xiaocheng did not know what else to do.

"What's the use of apologizing? It's been five years! If it wasn't for you, my son wouldn't have been made a cuckold. He treated Beibei like his precious treasure, but what happened to him in the end?"

“The child is not even his own. How could he be wronged? If it wasn't for you, I would have let him take the girl from his hometown back then, he might have had two children in five years. Our Yi family wouldn't be without a child now! Don't you feel guilty!”

Her mother-in-law was so angry that tears kept falling from her eyes. Fang Xiaocheng was also in tears.

She knew that she had misled Yi Xiao, but what could she do now?

Chapter 2055: Unacceptable

“Mom, I know that even if I apologize ten thousand times, it won't make up for the harm I've done to the Yi family. The person I'm most sorry for is Yi Xiao...”

“Enough! Don't say anything! Just leave! Our Yi family doesn't want a daughter-in-law like you who doesn't know her place. Return and divorce Yi Xiao! Please let him go! My son can still find another suitable partner, at least a girl with a clean family background, and not a woman like you who's just here to make up the numbers.”

Fang Xiaocheng could not stop her tears from falling.

She knew that this day would come sooner or later and was slightly prepared mentally. At this time, she bowed deeply to the two silent old men in the room.

With tears in her eyes, she said, “Dad, Mom, no matter what, thank you for taking care of me and Beibei for the past five years. I will always remember it. Thank you!”

After finishing her words, Fang Xiaocheng turned and left. Just as she was about to reach the door, her mother-in-law called out to her again, “Make a decision if you want to leave. Take Beibei away too!”

Fang Xiaocheng turned to look at her mother-in-law but did not say anything in the end. She resolutely walked out of the Yi family's gate.

After she left, Yi Xiao's mother covered her face and cried. The grandson she had doted on for five years turned out to be someone else's child. How unacceptable!

Now that she had chased Fang Xiaocheng and Beibei away, her heart was in pain.

Fang Xiaocheng came out of the Yi family's gate and saw Beibei playing with Yi Hanyue in the courtyard. She called out to him, “Beibei.” When the child turned to look at her, she reached out to her. “Let's go, Beibei. Let's leave this place together.”

Yi Bei ran over and held hands with her mother. She looked up and asked, “Mommy, are we not having dinner at Grandma's?”

“No, let's go back!”

Fang Xiaocheng had already dried her tears. Her eyes were red, but the little girl could still see it. She asked, “Mommy, why are you crying?”

Fang Xiaocheng squatted down and explained, “Mommy isn't crying. There's only sand in her eyes.”

“Beibei, let me blow on it for you,” the little girl said.

“Okay, okay. Let's go!”

Fang Xiaocheng picked up her son and walked towards the car. Yi Hanyue stood behind them and watched them leave. She did not say anything to stop them.

To be honest, she did not like this sister-in-law of hers from the beginning.

Now that her mother had found out about what she had done, no one would sympathize with her if she was chased out of the Yi family.

Fang Xiaocheng left the Yi residence with Beibei. Beibei realized that they were not heading back to their home. “Mommy, where are we going now?”

“Mom will take you to Sister Peach's house to play for a while. I have something to take care of. I'll pick you up when I'm done, okay?”

“Sure!”

The little girl agreed and Fang Xiaocheng drove straight to the neighborhood where her assistant, Peach, lived.

They contacted each other in advance. When they arrived at Peach's house, Fang Xiaocheng left the child with her. Peach promised that she would take good care of Beibei for her. Only then did Fang Xiaocheng leave in peace.

Fang Xiaocheng returned to his and Yi Xiao's place. They had been staying at Shengshi Yujing 103 and had not changed places.

She took a glance at the familiar surroundings. There were scenes of her happily interacting with Yi Xiao and the children everywhere. Her heart was filled with sorrow.

It had been five years and she was about to leave. She really couldn't bear to leave!

Fang Xiaocheng resisted the urge to cry and walked into the room. She found the luggage and began to pack.

After packing her luggage, she dragged her luggage out of the room. Coincidentally, she heard the door lock turning. Soon, the door opened and Yi Xiao appeared at the door.

Chapter 2056: He Could Not Provoke Her Anymore

“Orange, I'm back!” Yi Xiao looked around the house and asked, “Where's our son? Did he go to his grandmother's place?”

Yi Xiao had a few drinks during the dinner and was a little intoxicated. He used the alcohol to bolster his courage and planned to confess to Fang Xiaocheng so that they could become an official couple soon.

He had attended Ma Haodong and Xiao Yuqian's wedding that day, and it moved him deeply. The two of them had gone through so many hardships, and it was finally achieved after ten years. Fang Xiaocheng and himself had already been training for five years so it was time for them to develop further.

Yi Xiao walked towards Fang Xiaocheng with light steps. When he got close to her, he pulled out a bouquet of flowers behind him like a magic trick.

“This is for you, Orange!”

Fang Xiaocheng only looked at the flowers and did not reach out to take them. Yi Xiao felt something was wrong with her and asked, “What's wrong? Why don't you want my flowers?”

Fang Xiaocheng lowered her head and was silent for a few seconds. She raised her head and mustered her courage to say, “Yi Xiao, let's get a divorce!”

“...”

It was as if a bucket of cold water had been doused over his head, instantly quashing all his excitement.

Yi Xiao widened his eyes and stared at her. He then looked at her side and noticed that she was dragging her luggage.

“What's wrong? Orange? Why are you getting a divorce?”

Yi Xiao wiped his face and felt that half of his wine had been awakened. “It's... it's because they were joking during the day... so you...”

During the day, Fang Xiaocheng received a bouquet of flowers. Everyone joked that they should hurry up and give birth to babies. Therefore, Yi Xiao thought that it was everyone's joke that made Fang Xiaocheng unable to accept it.

Realizing this, he quickly threw the bouquet aside. He could forget about confessing to her. He could not provoke her anymore.

“No! Yi Xiao! It's my own problem!”

Fang Xiaocheng sighed softly. “Thank you for protecting Beibei all these years. You chose to be Beibei's father and gave us a warm family, but you've suffered a lot. I can't help your Yi family continue its legacy, and I don't want to waste your time. So, Yi Xiao, let's get a divorce. With your current status and status, you can definitely find a good girl with a clean family background to marry. I really... really don't want to burden you anymore.”

After saying this, Fang Xiaocheng tried her best to control the sadness in her heart. She forced back her tears and did not show her weak side in front of Yi Xiao.

Yi Xiao was hurt when he heard this. This was not what he wanted. He wanted to be a real family with Fang Xiaocheng. He wanted to protect them for the rest of his life.

He did not mind them being a burden at all. With them, this family was more like home.

What was the point of living alone without them?

“No... No... Orange...”

Yi Xiao grabbed her shoulders and stared at her eyes seriously. "Tell me why? Why did you suddenly ask for a divorce? Haven't we always been good? Last week, we even planned to take Beibei on a holiday together. Have you forgotten?"

When she did not answer, he asked again, "Why did you suddenly get a divorce? Did I do something wrong? Tell me, I can change it!"

"No, it's not your problem. I told you it's mine. You've been doing very well. You've always been very good. It's my fault. I can't be a qualified wife. I really don't want to delay you anymore!"

Deep in Fang Xiaocheng's heart, she felt that she owed Yi Xiao too much. He was such a young and handsome man, yet he ended up being tied to a woman who had given birth to a child. It was too unfair to him.

Chapter 2057: Unwilling To Open Her Heart To Him

"Don't think like that, Orange! Didn't we agree to forget everything in the past and cherish the present? I don't care what happened to you in the past. At least in my heart, you are the most perfect you. I chose to be with you and never felt that you were a burden to me. No, I love Beibei. I treat him as my biological son. Beibei loves me very much too. He has always treated me as his biological father. We are already family. How can we separate just like that?"

Yi Xiao was heartbroken. He did not know what he had to do to change her heart.

"I know that you treat him as your own son, but in the end, he is not your biological son. He does not have the blood of the Yi family on him, and he will never be a member of the Yi family."

Fang Xiaocheng finally lost control of her emotions as tears rolled down her cheeks.

"Don't talk about those useless things. Tell me, is it because you still can't forget Dazhi?"

How should she put it?

It wasn't that she couldn't forget Wang Dazhi, but that she had placed her former lover somewhere in her heart and would occasionally reminisce about him.

In the past five years, she had already gotten over the pain of losing Wang Dazhi. With Yi Xiao by her side, she had the courage to live again.

However, after being married to Yi Xiao for five years, they had been living a life of mutual respect.

Yi Xiao had always understood the pain in her heart. He respected her and gave her time to heal her wounds. So for the past five years, they had always acted like husband and wife to outsiders.

At home, other than playing the role of "parents," they were more like friends.

Neither of them had taken a step towards love. That was why their relationship had been stagnant for the past five years.

Now that Yi Xiao wanted to ask her the reason for the divorce, she could only find excuses for Dazhi. "That's right, I can't forget him. I told you from the beginning that I might never forget Dazhi."

“Then...”

Yi Xiao's eyes were also wet. “I just want to ask you. I've been by your side for so many years. Can't I be compared to someone who passed away a few years ago? Don't you have any feelings for me?”

Yi Xiao felt very defeated. He let go of Fang Xiaocheng and clenched his fists, not knowing where to vent his anger. He secretly hated himself for being useless. He had not been able to keep her heart and her person for five years.

He felt that even if Fang Xiaocheng's heart was made of stone, there would still be a day when he finally warmed her heart!

Why was she still unwilling to open up to him?

“I'm sorry...”

He didn't want an apology!

“Fang Xiaocheng! Do you not take me seriously because I've never touched you all these years?” Yi Xiao asked.

While she was speaking, he had already grabbed her wrist and pinned her against the wall. He stared at her with his red and angry eyes.

“Yi Xiao...”

Fang Xiaocheng had never seen Yi Xiao like this. Yi Xiao was always gentle and polite in front of her. He had never been so fierce.

The smell of alcohol spread across the room, and the man's face turned red and purple from anger. The veins on his forehead were bulging.

He stared at her like a ferocious lion staring at its prey. “I don't believe it... I don't believe you have no feelings for me...”

With that, Yi Xiao's broad body pressed down on her, and his warm lips blocked all of her breathing.

Chapter 2058: He Wanted Her!

Fang Xiaocheng was suddenly forced into a kiss. She could not move her body. She felt that the man's strength was extraordinary. He was so strong that her wrist was about to break.

Yi Xiao's kiss was hurried and fierce. It was not organized at all and it hurt her lips and tongue.

Fang Xiaocheng pushed him away almost subconsciously and slapped him.

After she was done, she stared at her aching palm and blamed herself. She really couldn't control herself just now.

She did not want to hit Yi Xiao. If he had been more rational, she would not have hit him.

After being beaten up, Yi Xiao felt like his pride was being trampled on. He stared at Fang Xiaocheng with a complicated look in his eyes.

After a moment of silence, Yi Xiao let out a cold laugh. "I didn't want to say it at first! They all said that you and President Lu are close, but I didn't believe it. But now, you insist on divorcing me, not because of Wang Dazhi, but because of Lu Zeyan, right?"

"It has nothing to do with him. He's just my mentor."

Lu Zeyan had already developed Jinxi Studio into Jinxi Film and Television Co. Ltd. Fang Xiaocheng had become the top screenwriter of Jinxi Studio. She had a good relationship with Lu Zeyan in private, but they definitely did not have that kind of relationship.

She did not know where Yi Xiao had heard about the commotion and how he had misunderstood her and Lu Zeyan.

"I know he is your mentor. He is more handsome and talented than me. You two are like-minded. If you choose him, I will give you my blessings."

The more Yi Xiao spoke, the more twisted his words got. The alcohol in his stomach seemed to become vinegar and his words carried a hint of jealousy.

"What are you talking about? Lu Zeyan and I are just superior and subordinate. My divorce with you is purely between us. Please don't spread rumors, okay?"

"Fine!"

Yi Xiao nodded as a bitter smile flashed across his eyes. When he raised his head again, there was a hint of ruthlessness in his eyes.

"You can leave if you want. I don't want to be someone else's shadow anyway. I'll live in someone else's shadow for the rest of my life. Since you want to leave, I can fulfill your wish. But... before you leave, you have to pay a little price for these five years!"

"What price?"

"Since I can't get your heart, I'll take your body!"

After Yi Xiao finished speaking, he came over again and tore her clothes with his big hands. He did not care what Fang Xiaocheng thought, whether she agreed or not, or whether she was ready to accept him.

He was determined to have her today!

The night was filled with savagery and plunder.

The peace that Fang Xiaocheng and Yi Xiao had built over the past five years was destroyed.

That night, the man did not stop. He fought again and again. The more he wanted her heart, the more was unable to control himself.

When Fang Xiaocheng opened her eyes again, it was already the next morning.

She felt sore all over, as if she had been hit by a car. The pain spread all over her body, and the marks left by the man were shocking.

She did not blame Yi Xiao for anything. She hoped that she could repay the debt she owed him for five years. From now on, they would go their separate ways.

Fang Xiaocheng felt like crying as she watched the man fall asleep.

She also... loved him.

It was not that she did not feel anything for the past five years, but she was already used to having him.

Her heart had already healed from his love.

But now, the Yi family could not accept her and Beibei. She would only hurt the child if she stayed.

Leaving was her only choice.

Chapter 2059: What He Had Been Worrying About For The Past Five Years Had Happened

Fang Xiaocheng quietly got out of bed, tidied herself up, and finally placed the signed divorce agreement by the door.

She opened the door and pushed her luggage out.

Bang! The sound of the door closing woke the man on the bed.

Yi Xiao woke up slowly and felt a splitting headache. He felt empty in his arms and subconsciously reached out to touch it. The bed was empty and there was still some remaining warmth.

He sat up and looked around for Fang Xiaocheng.

The scenes from last night were still replaying in her mind. It was because he wanted to keep her too much that he could not control himself and kept plundering her ruthlessly. He was afraid that he had already hurt her heart.

Yi Xiao was woken up by the faint sound of an engine coming from outside. He immediately grabbed his clothes, put them on, and ran out.

But where was Fang Xiaocheng?

She could only see the empty parking lot.

She returned to her room in a daze and found a document at the entrance. She saw the words "Divorce Agreement" written on it.

Yi Xiao grabbed it in disbelief. From the beginning to the end, he saw the signature left by the woman.

His heart was about to explode.

He crumpled the contract into a ball and threw it on the ground. He then hugged his head and squatted down. His back was sad and lonely.

He had really lost Fang Xiaocheng!

What he had been worrying about for the past five years had happened!

Yi Xiao felt sad for a while and quickly got up to tidy himself up. He could not let go just like that. He wanted to get Fang Xiaocheng back.

He could not live without Fang Xiaocheng or Beibei. He might go crazy if he left them.

Before Yi Xiao left, he called Fang Xiaocheng, but no one answered.

He had no choice but to drive out to look for her.

He looked for her in many places but could not find her. He went to her company and asked her assistant, Peach, but he could not find Fang Xiaocheng.

After a day of running, he went to Fang Xiaocheng's office at Jinxi.

He remembered Fang Xiaocheng telling him that she had to work overtime for the next few days.

According to Fang Xiaocheng's understanding, this woman would never forget her work.

He rushed to Jinxi Entertainment as fast as lightning. Previously, he had often come to pick up Fang Xiaocheng from work. Many people in the company knew Yi Xiao. When the front desk girl saw him, she greeted him warmly, "Mr. Yi, you came to look for Sister Orange again?"

Unfortunately, Yi Xiao did not have the time to pay attention to the front desk girl. He directly barged into the company. The front desk girl tilted her head and looked at him for a long time. She kept feeling that there was something wrong with President Yi today. He seemed very angry.

Since Yi Xiao was a regular customer, the front desk girl did not call him.

Yi Xiao went straight to Fang Xiaocheng's office. Seeing that there was no one in the office, he asked a colleague, "Is your scriptwriter Fang here for work today?"

"She's here. President Lu called her over."

Without another word, Yi Xiao went straight to the president's office. Through the glass door, he saw Fang Xiaocheng and Lu Zeyan whispering to each other, seemingly discussing the script intimately.

It was too glaring!

He knew that Fang Xiaocheng was now a gold medal screenwriter for Jinxi Film and Television. In the past few years, she had adapted many of the company's works and invested them into movies and TV shows. Her reputation and viewership were very good.

Lu Zeyan placed her in a very important position. Sometimes, he would discuss many company matters with her.

In Fang Xiaocheng's words, Lu Zeyan was a very charismatic and charismatic man. Moreover, he could be considered a very good friend.

Chapter 2060: She Really Had A Change Of Heart!

Now that he thought about it, Yi Xiao felt that it was ironic. Lu Zeyan was already the best confidant that Fang Xiaocheng could talk to, but his relationship with Fang Xiaocheng had been forever stagnant.

Even now, he was going backwards.

Yi Xiao couldn't stand it anymore. He kicked open the office door with a bang, and the sound shocked the two people inside.

Lu Zeyan saw Yi Xiao coming and immediately stood up to greet him. "Mr. Yi, you're here! Please have a seat!"

Fang Xiaocheng noticed that Yi Xiao was walking towards Lu Zeyan with a dark face. Realizing what he was trying to do, she quickly put down the script in her hand and stood up to block him. "Yi Xiao!"

Yi Xiao pushed Fang Xiaocheng away and rushed forward, directly punching Lu Zeyan in the face.

"Yi Xiao! What are you doing?"

Fang Xiaocheng tried to pull him away, but Yi Xiao was blinded by jealousy. How could he listen?

"Lu Zeyan! I've never liked you!"

Before Lu Zeyan could react, he began to beat him up again.

Yi Xiao kept hitting him, but Lu Zeyan did not fight back. Fang Xiaocheng kept trying to stop them, but it was no use.

Yi Xiao was full of blood lust as he kept on beating Lu Zeyan.

"Stop it! Stop it! If you continue, someone will die!"

Fang Xiaocheng kept trying to persuade him, but she could not stop the crazy Yi Xiao.

It wasn't until the chair in his hand was broken by him that Lu Zeyan lay on the ground in pain. He picked up his arm and Yi Xiao stopped.

"Lu Zeyan! If it wasn't for you, my wife wouldn't have divorced me! It's a light punishment for hitting you! I'm warning you! Don't even think about hitting my wife!"

Yi Xiao was breathing heavily. He pointed at the man on the ground and warned him fiercely.

"Mr. Lu! Are you okay? I'll call the ambulance for you!"

Fang Xiaocheng went over to check on Lu Zeyan and found that his arm seemed to be hurt. His face was also bruised by Yi Xiao.

Under such circumstances, she directly dialed 120.

After making the call, she stood up and glared at Yi Xiao.

This was too much!

How could he hit someone without knowing the truth?

Fang Xiaocheng pushed Yi Xiao away and pushed him out of the office. "Yi Xiao! Come out with me! You're so unreasonable!"

Fang Xiaocheng finally dragged Yi Xiao out of the company. She was furious. "Yi Xiao, what are you doing? How could you hit me? I already said that I have nothing to do with Mr. Lu! Can you please be more rational?"

"I'm very rational!"

Yi Xiao grabbed her arm. "I was drunk last night and lost my mind. I said some dirty words and hurt your heart. I'm sorry, Orange. Forgive me! I don't want to divorce you! I can't lose you! Come home with me, okay?"

After Yi Xiao finished speaking, he directly took Fang Xiaocheng into his arms. Fang Xiaocheng was already afraid of him now. The gentle and elegant Yi Xiao was already gone. Now, this Yi Xiao was simply a devil!

"Wake up! Yi Xiao! Stop being stubborn! I'm not a good woman!" Fang Xiaocheng shouted.

"No! You are! You always have been! The fact that you still love Dazhi means that you are a very devoted woman. Back then, I was touched by your devotion and wanted to be with you."

"But my heart has changed! I don't love Dazhi anymore!"

She had long thought of Dazhi as a person she missed. Dazhi was no longer her everything. She had Yi Bei, a new life, and Yi Xiao. She no longer missed Dazhi as much as before.

She really had a change of heart!
