

## Priceless Baby 2061

### Chapter 2061: Wishing He Could Destroy Anything And Everything

“Then who do you love? Lu Zeyan?” Yi Xiao lost his mind again. He rolled up his sleeves and wanted to go back to his office. “You like him, right? I'm going to let him know the consequences of stealing my wife. I won't let him off!”

“Yi Xiao! You're crazy! Don't go!”

Fang Xiaocheng stopped him in time, preventing him from going in and hitting her.

At this moment, the ambulance arrived and stopped beside them. The paramedics who came out of the ambulance saw them and asked, “Is this your company's emergency call?”

“Yes, please follow me!”

Fang Xiaocheng let go of Yi Xiao and brought the paramedics back to the company.

Yi Xiao was left standing where he was. He watched as Fang Xiaocheng brought her men to look for Lu Zeyan. He felt even more frustrated and angry, wishing he could destroy anything and everything.

Not long after, the rescue team came out with a stretcher. Lu Zeyan lay on the stretcher bed, and Fang Xiaocheng ran out with him.

The group passed by Yi Xiao without stopping. Fang Xiaocheng waited until the rescue team put Lu Zeyan to the ambulance before turning to Yi Xiao and saying, “Go back quickly! Don't do anything stupid again!”

After saying this, Fang Xiaocheng also got into the ambulance. She had to go and pay for her boss's medical bills.

After the ambulance left, Yi Xiao watched as Fang Xiaocheng chose to leave with Lu Zeyan. His heart could not stop bleeding.

He felt a sense of defeat in his heart. Losing Fang Xiaocheng made him feel very sad. It was as if his heart had been hollowed out. It hurt so much.

After that, Yi Xiao went to the Deep Blue Bar. He was in a bad mood and wanted to drown his sorrows.

He was still immersed in his own sad world and did not notice a woman with red lips in the corner who had been secretly observing her.

This woman called Guan Mei was also an artist from Juxing. She was just a nameless actress and no one would recognize her on the streets.

She really wanted to become famous. She really wanted to become a big star. Even in her dreams she hoped to soar like a phoenix.

But she had always lacked that opportunity. Within her company, she had unfortunately offended her manager and so the manager didn't arrange any resources for her. She had a contract tying her down and she couldn't not leave Juxing.

She could only spend her days in Juxing's 'cold storage'.

Today, she had unexpectedly met her company's highest executive, Mr. Yi Xiao, at Deep Blue Bar. To Guan Mei, this was undoubtedly a great blessing from heaven. It was even more exciting than winning the lottery.

She had been in the company for a long time. Besides the annual meeting, she rarely saw President Yi. She really admired a mature and charming man like Yi Xiao. He was 10,000 times better than her own boyfriend.

Guan Mei observed Yi Xiao drinking one glass after another and came up with an idea.

If she could take advantage of today's opportunity to make something happen with President Yi and a scandal, wouldn't she be able to rise through the ranks with President Yi tied to her?

She also knew that Yi Xiao had a wife and child. She also knew that Yi Xiao was very loyal, especially towards his Gu family. They were in the entertainment industry, but they had never had any scandals.

Today, she had to do her best to achieve the desired effect.

Guan Mei used the phone to secretly contact her paparazzi friend. After making arrangements, she went up to the drunk Yi Xiao as he was about to leave and helped support him.

"President Yi, are you okay?"

Yi Xiao eyed the woman before him and raised an eyebrow. "Get lost!"

He pushed aside this unfamiliar woman and walked out of the bar. But Guan Mei did not give up and chased after him again.

Chapter 2062: Image of a Married Couple

"President Yi, you're drunk! Let me take you home!"

Guan Mei "kindly" helped them hail a cab and helped Yi Xiao into the car. Yi Xiao had drunk too much and fell asleep in the back seat.

"President Yi? President Yi?"

Guan Mei called him several times, but there was no response. After confirming that he was drunk, Guan Mei smiled smugly.

"Sir, please send us to the Hilton Hotel."

When they arrived at the hotel, Guan Mei asked the doorman to help her carry Yi Xiao in. She then found his wallet and used Yi Xiao's identity card to check in.

After everything was done, she asked someone to send Yi Xiao upstairs.

After the doorman left, Guan Mei eyed the man lying on the bed as if she was gazing at a heap of gold.

She rubbed her hands gleefully and came to Yi Xiao's side. She helped him take off his shirt and covered him with the blanket, revealing some of his muscles.

After that, she told her paparazzi friend to come and wait to take some photos of them leaving the room tomorrow.

She then found Yi Xiao's phone and unlocked it with his fingerprint.

She looked through Yi Xiao's contact list and found his "wife" number. She wrote a message and sent it over.

She then took off her clothes and went to the bathroom.

In the hospital, Lu Zeyan had checked and found that his arm was fractured. The doctor had given him a cast and bandages and he was temporarily unable to drive.

Fang Xiaocheng apologized again and again. "I'm sorry, Mr. Lu. I didn't expect my husband to come to the company and cause you trouble! I'm really sorry... causing you to get hurt like this!"

Lu Zeyan also guessed that the couple might have gotten into a fight. He said, "I'm fine. Go back and speak with President Yi. Don't stay here with me. I'll get my assistant to come over later."

"Alright then! I'll go back first. Call me if you need anything!"

Fang Xiaocheng rushed back from the hospital and was about to call her jealous lover when she received a message from Yi Xiao.

It read: [Honey, I'm drunk and my clothes are dirty. Please send me a set of clean clothes. I'm in room 6288 in Hilton Hotel.]

He went to drink again?

He even asked her to help him deliver his clothes?

Fang Xiaocheng really did not want to care about him, but she could not bear to be ruthless to him. She went straight back to get his clothes and drove to the Hilton Hotel.

Fang Xiaocheng followed the room number on the message and found the door with the bag of clothes.

After verifying everything, she rang the doorbell.

No one opened the door for a while. She wondered if Yi Xiao was drunk and had fallen asleep. Did he not hear the doorbell?

Just as she was thinking of calling him to wake him up, the door suddenly opened. It was not Yi Xiao, but a strange woman.

The woman had just taken a shower. Her hair was dripping with water and she was wrapped in a white towel. She could see the alluring scenery in front of her.

There were also quite a few hickeys on her fair skin. It was obvious what she had experienced.

"Who are you?" Guan Mei asked.

She felt that she was much prettier than President Yi's wife. She wondered why President Yi loved his wife so much.

“This is room 6288. I'm here to deliver clothes to my husband. Who are you?”

Even though Fang Xiaocheng was divorcing Yi Xiao, she still maintained her image as a married couple in front of outsiders.

Chapter 2063: Unbearable

When she saw the unfamiliar woman, her eyes widened in disbelief. Yi Xiao had asked her to deliver clothes, but why was there an unfamiliar woman in the room?

Who was this woman?

“Okay, Mrs. Yi. Just give me the bag. I'll give it to Mr. Yi.”

Guan Mei said charmingly.

“Is Yi Xiao in his room? Tell him to come out!” Fang Xiaocheng was provoked by this woman. She also experienced the feeling of having someone of the opposite sex around her man. It was really unbearable.

The reason why Yi Xiao hit Lu Zeyan was probably because he saw her talking with Lu Zeyan and misunderstood. He could not take it anymore and attacked.

At this time, Fang Xiaocheng also wanted to hit someone!

Guan Mei did not call Yi Xiao. Fang Xiaocheng could not take it anymore. She pushed Guan Mei away and strode into the room.

The moment she entered the room, she saw the mess on the floor. The man's clothes and the woman's underwear were all jumbled up. She saw Yi Xiao lying on the bed, half-naked.

This scene made her heart ache and she wanted to cry.

Was Yi Xiao deliberately taking revenge on her?

He must have done so to provoke her!

Since he had already found a woman, there was no longer any need for her to stay.

Fang Xiaocheng threw the bag in her hand away and left the hotel room without looking back.

Just as she was about to leave, she glared at Guan Mei and slapped her twice. “B\*tch!”

When Guan Mei was delighted to see Yi Xiao's wife take it for real and leave in a huff.

Even though she had been slapped, at least the first step of her plan had been successful. Now she began implementing the second step.

That was to establish a solid relationship with Yi Xiao.

Guan Mei lifted the blanket. The man's clothes under the blanket were still intact. She helped Yi Xiao take off all his clothes and her gaze finally stopped at a certain place.

She was shocked!

She felt that President Yi's size was much bigger than her boyfriend's.

Guan Mei suppressed the joy in her heart and prepared to attack Yi Xiao. However, she sadly realized that their President Yi seemed to be lacking in a certain aspect.

No matter what she did, he did not react and slept like a dead log.

Yi Xiao could not be blamed. He had spent the night with Fang Xiaocheng and spent the rest of the day looking for her. He was exhausted from the lack of sleep and was now under the influence of alcohol. Thus, he slept especially soundly without any reaction.

After fiddling around for a long time, Guan Mei finally gave up completely. She observed the delicious-looking man and shook her head regretfully.

What a pity!

Such a powerful person actually had a problem!

Since there was no way to confirm their relationship, Guan Mei did not waste any time that night. She used her phone to take many intimate photos of herself and Yi Xiao.

The next day.

Yi Xiao finally woke up. He had a splitting headache.

After two consecutive nights of drinking, the hangover was really uncomfortable.

When she opened her eyes, she was greeted with the sight of an unfamiliar environment. It looked like a hotel room.

He couldn't help wondering why he was at the hotel.

It was only when he turned his head that he noticed a woman lying beside him with her back to him. The blanket was placed around her waist, exposing her fair back.

He could tell from her figure that it was not Fang Xiaocheng. He knew that there was a mole on Fang Xiaocheng's back and shoulders, but the woman in front of him did not have it.

After realizing what had happened, Yi Xiao was scared out of his wits.

Who was this woman?

Chapter 2064: Not His Intention

What happened between him and this woman last night?

But upon closer inspection, Yi Xiao felt that he had not done anything.

It was impossible for him to not remember or feel anything after a night of hard work. The fatigue that lingered on his body was from when he had sex with Fang Xiaocheng last night.

Now...

Yi Xiao got out of bed immediately and found his clothes to put on. Just as he was putting on his clothes, the woman on the bed also happened to 'wake up'.

"President Yi..."

"Last night..."

Yi Xiao put on his shirt and buttoned it up. He turned around and asked coldly, "Who are you? Why are you here?"

"President Yi, my name is Guan Mei. You were drunk last night. I sent you to the hotel out of kindness."

Kindness?

She would not have created such a fake image if she had kindness!

Yi Xiao snorted. "I don't care who you are. You should know that nothing happened last night. I never touched you at all. Why are you acting like this?"

Guan Mei's face froze. She hadn't expected Yi Xiao to see through her plan at first glance. That was fine too. Guan Mei smiled even more charmingly. "Yi Xiao, I'm a woman and you're a man. We were in the same room for a night and nothing happened? Would other people believe you?"

"Spit it out! What's your motive?"

Yi Xiao had already put on his clothes and found his phone.

Guan Mei also got out of bed and picked up her clothes. "President Yi, actually, I'm also an artist under Juxing. I was really lucky to have met you by accident last night. I've always admired you, President Yi. I'm willing to do anything for you. I don't even ask for anything in return."

Hearing this, Yi Xiao already understood what this so-called artiste under his company was up to. She was definitely trying to climb up in status.

"If that's the case, I don't want to hear any groundless scandals. Nothing happened between us. If I hear anything bad, don't blame me for anything that happens to you!"

Yi Xiao took his jacket and left without hesitation.

"President Yi... President Yi..."

After Yi Xiao left, Guan Mei, who had changed her clothes, quickly chased after him. But Yi Xiao's strides were too big and he quickly disappeared around the corner.

Guan Mei did not chase after them, but she had already achieved her goal. The paparazzi friend camping at the door had gotten evidence of her and Yi Xiao leaving the room one after another.

When Yi Xiao came out of the hotel, the first thing he did was to call Fang Xiaocheng. Although he didn't do anything to let her down, he still felt guilty.

It was not his intention to spend the night at the hotel with a stranger. Now, he only wanted to find Fang Xiaocheng and ask for her forgiveness.

Fang Xiaocheng's phone was off.

Yi Xiao was even more confused when he heard the notification that the phone was off. If she did not pick up the phone, it meant that she could still look at his phone. But if the phone was off, he could not even call her.

The frustrated Yi Xiao contacted his assistant Lu Nan and asked him to check if there was a woman named Guan Mei in the company.

Lu Nan quickly replied that there was indeed an unknown artist named Guan Mei.

“Good! Blacklist her!”

Yi Xiao ordered.

He would never tolerate artists who had ulterior motives and wanted to use him to climb up the ranks.

After that, Yi Xiao went to Beibei's kindergarten to wait. He guessed that even if Fang Xiaocheng did not want to see him, Beibei still had to go to school.

Fang Xiaocheng would definitely send Beibei to school!

While waiting, he had ordered a subordinate to send his car over from the bar.

Chapter 2065: She Could Not Bear It

But after waiting for half an hour, he realized he was wrong. The person who had sent Beibei to school today was not Fang Xiaocheng, but Fang Xiaocheng's assistant, Peach.

“Mr. Yi!” Peach greeted him.

“Miss Peach, thank you for sending my son to school,” Yi Xiao said.

“It's nothing,” Peach explained with a smile. “I was just helping out.” She also knew that something had happened between Fang Xiaocheng and her husband.

Yi Xiao greeted Peach and shouted excitedly, “Beibei!”

“Daddy!”

It had been more than a day since Yi Bei had seen his father, and he had not been able to return to his home. He missed his parents very much.

“Daddy, where did you go? Why didn't you come to pick me up?”

The child still did not know what had happened between the adults. Yi Xiao coaxed, “Daddy has been on a business trip recently and is a little busy. After this period, I'll come back to accompany you and Mommy, okay?”

“Okay.” Yi Bei nodded.

Yi Xiao wanted to find out about Fang Xiaocheng from his son and see if he could find a breakthrough.

“Beibei, tell me, where is your mother?”

“Mommy said she's going on a business trip too. She wants me to follow Auntie Peach.”

Hearing this, Yi Xiao felt very upset. It turned out that they could be a happy and peaceful little family. But now, because of his broken relationship with Fang Xiaocheng, this innocent child was about to lose his family happiness.

The child would be the one to suffer the most when parents fought and divorced.

Yi Xiao touched Yi Bei's little head and his little face. He held him in his arms and looked at him again and again. He kissed him again and again, feeling very reluctant.

He loved Beibei. This was the son he had raised himself. He did not want to be separated from him.

The so-called blood relations were just ideological feudal thoughts. He felt that being able to be with Fang Xiaocheng and Beibei was a kind of happiness that was hard to come by.

He did not want to lose this happiness.

“Okay, Peach, I'll send Beibei in. Could you wait for me, I have something to ask you.”

Yi Xiao took his son's hand and escorted him into the kindergarten. After waving goodbye to his son, he turned and left.

“Peach, I'm sure you already know about me and your Xiaocheng. I just want to know if she has been living with you recently?” Yi Xiao asked.

Seeing that Yi Xiao was in low spirits, Peach sighed. “Yes, President Yi! Last night, Sister Fang cried for a long time and asked her, but she didn't tell me anything.”

“I know I'm an outsider and it's not convenient for me to interrupt, but I hope that you can talk things out with Sister Fang as soon as possible and cherish your current life. Whether it's Sister Fang or Beibei, they both need a home.”

“I know. I'll try my best. Can you give me your number? I'll call her now, but her phone is off. I can't contact her.”

“Sure.” Peach gave Yi Xiao a number.

“Is she still with you?” Yi Xiao asked.

“Yes. She slept very late yesterday. I didn't wake her up this morning. She should still be resting.”

“Okay, I'll go with you. Get in!”

After Yi Xiao made his decision, he drove Peach out of the kindergarten.

Elsewhere, Guan Mei left the hotel with her paparazzi friends.

Following that, they went through the photos and began planning on how to create a scandal.

Guan Mei set everything up and returned to her rented apartment excitedly. She felt that she would be able to get rid of the awkward situation of her career very soon.

Chapter 2066: It Was Her Bad Luck

As long as the scandal got out, a huge amount of resources would definitely come knocking on her door. Yi Xiao was in a high position, and he would give her many benefits to keep her mouth shut.

At that time, she would be able to choose any film she wanted to take on.

Just as Guan Mei was feeling pleased with herself, someone knocked on the door. She opened the door and saw that it was her boyfriend, Li Song.

Li Song looked like a mess. Seeing his bloodshot eyes, Guan Mei guessed that he must have stayed up all night to gamble again.

“Were you gambling again?”

Guan Mei could not stand Li Song anymore. She had found such a good-for-nothing boyfriend who was always idling around and gambling like his life. He even wanted her to earn money to support him.

“It was just a few rounds. Don't make such a huge fuss!”

Li Song went back into the house and started to look around. “Do you have money? Give me a little more. I'll win the money back!”

“No. It's not like I have a job right now. Where would I get the money from?”

Guan Mei usually did not have any jobs. In order to support herself and her boyfriend, she would go to the bar to wait for the nightclub and take on private jobs.

If she was lucky enough to meet a rich man, he would give her a lot of money at one go. But no matter how much she earned, she could not satisfy Li Song's gambling needs.

If this man did not gamble for a day, his hands would get itchy. If he lost a gamble and did not pay up, he would be chased and beaten up. His gambling addiction would not change even if he were to get a finger chopped off.

“Then hurry up and think of something. Go get a job and earn more money.” Li Song encouraged her to go out and be an escort.

“Li Song, are you still a man? I'm your girlfriend, not a prostitute. How could you say that when you want me to take on such a job?”

Guan Mei was really angered by him. It was also her bad luck to have such a boyfriend.

“It's not like you haven't done it before! Stop pretending to be pure in front of me. You're sleeping with those generous old men. They must've given you a lot of money! Where did you put all the money? Give it to me!”

Li Song went crazy and tried to take Guan Mei's bag.

“I told you, I have no money!”

Guan Mei protected her bag, preventing him from getting his hands on it.

When she thought of her previous plan, she felt that she would be able to achieve success very soon. That way, she wouldn't have to live in a small house with Li Song.

Therefore, Li Song was useless to her now. He was just a burden.

Guan Mei made up her mind to break up with him. She pushed Li Song away and slapped him hard. "Li Song! If you don't change your mind, let's break up! I've had enough!"

Li Song was even more furious after being hit. "Damn woman, how dare you hit me when you're not paying? Watch how I'll teach you a lesson!"

Li Song then hit Guan Mei back.

He had some brains. He did not hit the woman's face but the parts of her body that could not be seen easily.

Guan Mei could not move. Li Song found some money from her bag and ran out with it.

Guan Mei got up from the ground. She had already given up all hope on Li Song. She planned to move out of this place as soon as her life could improve. She would cut all ties with Li Song.

She was waiting for her scandal with Yi Xiao to shoot her to fame.

Yi Xiao came to Peach's place.

Just as he got out of the car, he happened to see Fang Xiaocheng coming out from inside. It looked like she was going to work at the company.

"Mr. Yi, Miss Fang is out," Peach reminded him.

"Okay. Thank you."

After Yi Xiao got out of the car, he ran over and shouted, "Orange!"

Fang Xiaocheng stopped in her tracks and looked up to see him. She subconsciously took a detour and left.

"Orange, don't go. Orange, can you not be so cold to me?"

Chapter 2067: Wanting To Pick Her Up

Yi Xiao grabbed her wrist, forcing Fang Xiaocheng to stop in her tracks. She turned around and sneered, "Why is President Yi here?"

Yi Xiao could not stand Fang Xiaocheng's coldness. He suppressed the pain in his heart and said, "Orange, let's find a place to talk. Give me another chance, okay?"

"What else is there to talk about? You already have a new lover, so you should cherish your life! You don't have to look for me anymore!"

Fang Xiaocheng shook off his hand and turned to leave.

Yi Xiao stopped her again. "Make yourself clear! When did I find a new lover? I have no other woman. You are the only one in my heart."

"Don't lie to me again! Last night in Hilton Hotel Room 6288, did you spend the night with a beautiful woman? How do you explain that?" Fang Xiaocheng questioned.

“How did you know?”

“So you do have one. How do I know? I went to give you clothes and bumped into her. You've always been a good person in front of me, but I didn't expect you to be no different from other men. I can understand you. You're in the entertainment industry, surrounded by women, and it's easy for you to lose yourself. I don't blame you. Anyway, we're about to get a divorce. I don't care who you're with!”

When Fang Xiaocheng said these angry words, she felt as if her heart was pierced by needles and was filled with pain.

There was probably no wife in the world who could remain indifferent when she saw her husband with another woman, unless she did not love him.

But Fang Xiaocheng had already fallen in love with Yi Xiao. She was sensitive, suspicious, jealous, and sad because of him.

“You gave me clothes? Why didn't I know?”

When Yi Xiao woke up in the morning, he didn't see any clean clothes in the room. Moreover, he didn't even know how he got to the Hilton Hotel and how Fang Xiaocheng found her.

“You were the one who sent me the message to deliver the clothes. In the end, you wanted me to see you with another woman. Why do you have to do this, Yi Xiao? Do you think you can provoke me by doing this? I don't love you. You can't hurt me by doing this.”

Fang Xiaocheng said those words against her will. Her heart hurt so much that she could not breathe. She kept trying to control her tears.

“I sent you a message? I didn't send you any messages? Wait!”

Yi Xiao took out his phone and realized that he had not sent any messages last night. “Look, this is empty. I didn't send you any messages!”

Fang Xiaocheng did not want to say anything. She directly opened her phone and showed him the contents of the message he had sent. “You can deny it, but it might be because you were drunk. It's also possible to delete it after sending it, but I have all the records here. See them clearly? What else do you have to explain?”

“...”

Yi Xiao was in a state of shock. He saw that Fang Xiaocheng's phone indeed had a message from him, but he had no memory of it.

When he thought of that strange woman, Yi Xiao suddenly realized that things were not as simple as he thought. He thought about it carefully and was very afraid. It was most likely that Guan Mei wanted to take advantage of the situation and deliberately create such trouble.

Damn it!

“Don't say anything else! From now on, President Yi, you can lead a happy life. Beibei and I will live alone. It's best if we don't have anything to do with each other. Let go! I still have to go to work!”

Fang Xiaocheng shook off his hand and got into her car.

Chapter 2068: Worry Finally Completed

No matter how difficult the situation was, she would not give up the job that she depended on for survival. In the future, she needed to support Beibei by herself. Therefore, no matter what, she would continue to work.

Seeing that Fang Xiaocheng had left just like that, Yi Xiao was completely defeated. How did things become like this between him and Fang Xiaocheng?

The family he wanted to protect was about to fall apart. What should he do?

After a few hours, Yi Xiao's worries finally came true.

A scandal about the president of an entertainment company and a female celebrity staying in a hotel quickly spread online.

The photo in the scandal was of Yi Xiao and a woman getting out of a taxi and entering the hotel, and then leaving the hotel room in the morning.

As soon as the scandal was released, it quickly set off waves in the entertainment circle.

Although there was no name in the scandal, the photos were obvious.

The news about the president of the entertainment circle on the internet was quickly updated. The comparison confirmed it was Yi Xiao, the president of Juxing Entertainment.

As for the woman, she was also described as "scheming". She was a small artist under Juxing Entertainment.

Originally, it was nothing new for the upper echelons of the entertainment circle to have sex with celebrities. It could also be said that Juxing had produced and sold herself, so it was not surprising.

But the problem was that Yi Xiao had a family.

Everyone in the circle knew that Juxing Entertainment's president had a wife and son. Yi Xiao loved his son and doted on his wife.

But now that something like this had happened, it was like slapping himself in the face, ruining whatever image and reputation he had accumulated before.

Very soon, the news about Yi Xiao's affair was trending.

She turned on the internet search engine and saw all the scandals about Yi Xiao.

# Juxing CEO Yi Xiao Cheating #

# Yi Xiao and Female Artist's Nightside Hotel #

# The woman behind Yi Xiao is her #

# Yi Xiao Cheating Guan Mei #

# Yi Xiao and his wife are not on good terms

The hot search was filled with doubts and doubts about Yi Xiao. Because of this, he was pushed to the forefront.

Yi Xiao was informed by his assistant, Lu Nan, that he had called to tell him. He asked if he had seen the news and how he was going to handle it.

On the way back to the company, Yi Xiao had yet to see the news and did not know what had happened. He only learned of his scandal after listening to his assistant.

It was indeed the work of that woman called Guan Mei!

Not only was the entire entertainment circle talking about him, but they had also studied Guan Mei.

She was originally an ordinary celebrity, but now she had changed into "Yi Xiao's woman," "the woman behind Yi Xiao," and so on.

It could be said that she was trending!

She had successfully relied on him to ascend the throne!

But Yi Xiao was having a hard time. When he arrived at the company building, he was surrounded by reporters and reporters as soon as he got out of the car.

"President Yi, are the rumors online true?"

"Mr. Yi, did you spend the night at a hotel with a woman last night?"

"Mr. Yi, if you have a scandal with a female actress, does it mean that your relationship with your wife is bad?"

"Mr. Yi, can you explain?"

No matter what the reporters asked, Yi Xiao did not answer them. His bodyguards quickly came down to help him get rid of the reporters and escorted him into Juxing.

As soon as Yi Xiao got rid of the reporters, he immediately informed them, "Call the public relations department head to my office."

When she returned to the president's office, the head of the public relations department arrived before she could even sit properly.

Wandou, who was dressed in a black business suit, appeared at the door. She was no longer young and inexperienced. She was no longer My Chenguang's personal assistant. Instead, she had joined Juxing Entertainment and become the public relations department head.

Chapter 2069: Trapped

This lady was very eloquent and especially good at public relations. She could solve all the cases very well.

"President Yi, are you looking for me?"

“Yes, sit.”

Yi Xiao gestured for her to sit down. “Have you seen the news? I'm in some trouble.”

Wandou nodded but still asked curiously, “Mr. Yi, are those rumors true?”

“Do you think I'm that sort of person?”

“That's not it. You were obviously set up!”

Wandou also knew the inside story of the entertainment industry and knew everything about Yi Xiao and Fang Xiaocheng. When she saw the news, her first reaction was that it was purely falsified.

“That's why I'm leaving this matter to you. I hope to eliminate the negative effects as soon as possible.”

When Yi Xiao said this, he tugged at his tie in frustration and leaned against the leather seat. His thoughts were not relaxed at all.

“I see. Can you tell me what happened?”

“Yes.”

Yi Xiao probably told Wandou everything that happened yesterday. After Wandou understood the situation, she said to him, “President Yi, don't worry. Leave this to me. You don't seem to be in a good state. You should take a shower and rest for a while!”

Wandou saw that he was in a somewhat dispirited state. There was a stubble on his chin and his eyes were filled with blood. It was obvious that he was exhausted.

“Thank you.”

After Wandou left, Yi Xiao went to the bathroom in his office and took a shower. He really should wash off the “moldy” smell on his body.

He took a shower and changed into his spare clothes. He thought of Fang Xiaocheng going to the hotel to deliver his clothes to him. He thought of Fang Xiaocheng's disappointed expression and his heart ached.

Since it had already happened, he had no choice but to wait for the public relation department to work on it before he could give an explanation to the public.

Before the company's troubles could be resolved, something even worse came from home.

After the scandal with Yi Xiao was spread, Guan Mei did not stop. After being beaten up by her boyfriend, she put on makeup and tidied herself up. Then, under the pretext of returning Yi Xiao's clothes, she went to the Yi family.

It took Guan Mei a lot of effort to find the Yi family household.

She carried the bags of clothes and knocked on the Yi family's door. The Yi family's nanny notified Old Lady Yi and Old Master Yi.

Old Madam Yi had no idea what kind of clothes she was getting. She asked someone to invite her in and was surprised to find that it was a beautiful woman.

“May I know what you are doing at my house, young lady?” Old Madam Yi asked.

Guan Mei explained generously, “Auntie, it's like this. President Yi left his clothes at my place, so I came to return them. Look, these are all his clothes. I've already washed them clean.”

The clothes were originally clean. After Fang Xiaocheng left, the clothes fell to the ground and Guan Mei picked them up and hid them. That was why Yi Xiao hadn't seen the clothes bag when he woke up in the morning.

She put on a virtuous look and handed the clothes to the old lady.

Old Madam Yi was no fool. What did a woman returning clothes mean?

At the very least it meant that her son had stayed with this woman before!

Could this woman have something to do with her son?

But she rejected her doubts when she thought about it. After all, she knew better than anyone else the sort of character her son had.

Guan Mei was smart enough not to stay for too long. She returned her clothes and asked to leave.

Chapter 2070: Hurt By That Woman

Coincidentally, she ran into Yi Hanyue running back from outside. Yi Hanyue had wanted to show her parents the scandal about her big brother's affair. In the end, she ran into the “female lead” in the scandal.

At first glance, Yi Hanyue found her somewhat familiar. However, Guan Mei simply greeted her and left the Yi family.

Yi Hanyue stared at the leaving Yi Huanyue for a while, still feeling puzzled. She went in and asked her mother, “Mom, who was that woman just now?”

“I don't know either. She said she was returning your brother's clothes.”

Old Madam Yi was also fretting about this. However, she believed that her son was not this kind of person, and didn't assume too much.

“Oh, I remember now!”

“What did you remember? You gave me a scare!”

Old Madam Yi glanced at her daughter.

Yi Hanyue hurried over and held her mother's hand. “Mom, I remember who that woman was. She's Big Bro's outside lover.”

“What? Your brother has a woman outside?”

“Look, the news broke today. Let me show you.”

Yi Hanyue was eager for the world to be in chaos. She found all of Yi Xiao's scandals and showed them to the old lady. The old lady could not see the small words on the screen, but she could see the pictures clearly.

After listening to her daughter's brief, she learned that her son had spent the night at a hotel with a woman named Guan Mei.

And wasn't Guan Mei the woman who had just come to deliver clothes to her son?

Grandma Yi felt like she had been slapped in the face. How could her son do such a thing?

"Aiyo, what kind of sins have they committed? Each one is more worrisome than the other!"

Old Madam Yi was furious. She had initially blamed her daughter-in-law for not being good, but now it seemed that her son was also problematic.

It took two hands to clap. It seemed that both of them were responsible for what had happened.

Yi Hanyue continued, "The way I see it, Big Brother probably knows that Sister-in-law is a woman who acts improperly. He's cold towards her and that's why he went out to look for her. This must be my sister-in-law's fault. My brother was forced to do this."

"All right, it doesn't matter if he was forced or not. This is not something to be proud of. Quickly call your brother and ask him to come over! This is simply outrageous! It's a disgrace to the Yi family!"

Yi Hanyue immediately called her brother.

As Yi Xiao was busy dealing with the scandal, he saw a call from his family. He guessed that it might be his family who had seen the news and came to ask about his situation. But when he answered the call, he realized that it wasn't only because of the scandal.

He heard from the phone that the rumored woman named Guan Mei had come to the house looking for him. After learning about this, Yi Xiao immediately rushed back home.

He had already been ruined by that woman, and now she still had the guts to come to him?

If his parents were to misunderstand, it would be even more troublesome.

Yi Xiao left through the back door of Juxing and drove back home. When he entered, he did not see Guan Mei. He asked, "Mom, where's that woman?"

"Look at what you've done!" Old Lady Yi scolded. "She even came to you! She said she was here to return your clothes but it didn't seem like it! How could you do something like that?"

Yi Xiao saw the bag of clothes on the table and recognized it as his clothes. He then realized what was going on.

It was Guan Mei who had secretly sent Fang Xiaocheng a text message using his phone. Fang Xiaocheng had sent the clothes over and had misunderstood and left. The clothes had been hidden by Guan Mei and she had used them as an excuse to visit.

He could not underestimate Guan Mei anymore. She was so scheming!
