

Priceless Baby 2091

Chapter 2091: A Huge Reversal

The police had already arrested him and he confessed that he was under Yi Xiao's orders.

"Nonsense! I don't even know him!" Yi Xiao pointed at the witness.

But the prosecution lawyer was not impressed. He took out the evidence provided by the witness and handed it to the jury. "Here is the evidence of the transaction between Mr. Yi and the witness, Ah De."

Ah De produced a bank transfer receipt, which showed 100,000 yuan transferred from Yi Xiao's account to Ah De. Ah De immediately proved that he had been hired by Yi Xiao.

Almost everyone was led astray by Ah De's words and evidence. At this time, Lawyer Jin raised his doubts. "Li Song being alive would be good evidence for my client. So why did my client need to have him killed?"

"Mr. Yi told me to silence Li Song if he doesn't cooperate," Ah De said. "According to my understanding, Li Song will not testify for Mr. Yi, so I have to follow Mr. Yi's instructions."

"You're lying!" Yi Xiao shouted angrily.

Lawyer Jin continued, "Since this witness kept saying that Yi Xiao was the one who ordered it and also said that Li Song would not cooperate, then let's invite the victim Li Song up and ask him himself. Wouldn't that be clear?"

Ah De was stunned. "Li Song is dead!"

"Who says that Li Song is dead?"

Lawyer Jin smiled and looked towards the door. Soon, the door opened. Li Song, who had been declared dead under the protection of the police, miraculously appeared at the door of the courtroom.

The crowd was in an uproar, and the judge had no choice but to slam his gavel again.

Lawyer Jin explained to the judge and the jury, "Your Honor, the jury, in order to protect Li Song, an important witness, we replaced him with a corpse in the detention center. This so-called witness, Ad, who is also the murderer, snuck into the detention center the night before the trial and killed the fake Li Song. Now, in order to cover up the crime, we have placed all the blame on my client. Now I want to appeal to Your Honor to let the real Li Song testify."

"Permission granted!" The judge nodded.

Everything had changed.

Below the stage, Fang Xiaocheng and her friends were extremely happy. They thought that Yi Xiao would not be able to escape this disaster. But now, they realized that there was still a chance for the case to turn around. They wanted to see what would happen next.

At this time, as an important witness, Li Song was standing on the witness stand. Because the fake Li Song was killed that night, he hid in the dark and saw everything that had happened. He was almost scared to death and chose to tell the truth.

He told her about his relationship with Guan Mei and how he had used her to blackmail Yi Xiao.

He also said that on the day of the murder, Yi Xiao had left 500,000 in his bank card. After he left, he came back and had a physical conflict with Guan Mei. He knocked her out with a bottle of wine and took her bank card away.

But Guan Mei wasn't dead when he had checked her breathing. She had merely fainted. Later on, a man in black sneakers had gone in and killed Guan Mei.

Li Song happened to see it when he was turning back.

Mr. Jin nodded. "Then, Li Song, can you still recognize the man in black sneakers?"

"Yes! It's him!"

Li Song was pointing at Ah De, who had tried to kill him in secret.

At this point, it could basically be determined that Yi Xiao was not the murderer. The crime could be cleared, and Yi Xiao himself was secretly relieved.

Everyone was happy for Yi Xiao.

Chapter 2092: A Huge Blow

The case seemed to have come to an end here, but this was far from Tang Yichen and Lawyer Jin's original intention. They still had to find out who the mastermind was.

Because Ah De was merely working under the orders of someone.

The people in the audience were discussing, but one of them was already feeling restless.

Everything indicated that the murder was Ah De's doing. So, who was the one behind Ah De?

On the stage, Lawyer Jin began to show the evidence they had gathered recently. More and more evidence showed a person's name—Lu Nan.

Lawyer Jin pointed at Lu Nan who was sitting in the audience. "According to our investigations, the person who had a secret deal with Ah De in secret and ordered Ah De to kill and silence Li Song was the newly appointed President of Juxing, Mr. Lu Nan."

Everyone turned to look at Lu Nan at the same time. Lu Nan was flustered and at a loss, but his scheming heart quickly calmed him down to deal with the tricky situation.

He stood up and said calmly, "Mr. Jin really knows how to joke. I was groomed by Mr. Yi Xiao and followed him for several years. He is the person I admire most. How could I harm him?"

"You're right. But because of your greed, you wanted to become the president of Juxing Entertainment, so you did everything you could to pull Yi Xiao down.

“The scandal between Yi Xiao and Guan Mei was just an opportunity. You had to seize this opportunity to defeat Yi Xiao and make him unable to rise again.

“No one can get close to Yi Xiao more easily than you. You know his schedule, and you can also get his bank account number and other hidden SI information. It's too easy for you to forge evidence.

“All of this was done in secret by you. I believe your honor will see it clearly. What else do you have to say now?”

After Lawyer Jin finished speaking, Yi Xiao looked at Lu Nan who was below the stage. He could not believe that his most important assistant was the one who had stabbed him in the back!

His most trusted assistant had let him down and wanted to kill him!

Being betrayed by the person he trusted the most was a huge blow to Yi Xiao.

Lu Nan tried to defend himself against the evidence, but a police officer came over and handcuffed him.

At this point, Lu Nan had nothing to say in front of the evidence. Originally, he had come to the trial because he felt that victory was within his grasp. He wanted to see with his own eyes how Yi Xiao was defeated by him and sent to prison.

But now, the case was solved.

Yi Xiao and Lu Nan, one was taken away from the defendant's seat and the other was taken to the defendant's seat. The two of them looked at each other for a moment before moving away.

Lu Nan regretted it, but it was too late.

The result of the trial was clear. The judge declared that Yi Xiao was acquitted and sentenced Lu Nan to 20 years in prison for assault and assault. Ah De was an accomplice and was sentenced to 10 years in prison.

Finally, the truth was out. Those who were wronged were pleased with themselves and those who harmed others were punished.

The moment Yi Xiao heard that he had been acquitted, tears of excitement flowed down his face. He turned to look at his family and friends below the stage.

At this time, his sister and parents came up to hug him. Many friends also came over to congratulate him.

Yi Xiao thanked everyone for their understanding and support. He did not forget to express his gratitude to Lawyer Jin. “Thank you, Lawyer Jin. If not for your help in collecting evidence, I'm afraid I wouldn't have been able to get away with my crime today!”

“Mr. Yi, you don't have to thank me. If you want to thank someone, thank Mrs. Yi. If it wasn't for her reminding us to protect Li Song, I'm afraid today wouldn't have gone so smoothly.”

Lawyer Jin told him.

Yi Xiao turned to look at Fang Xiaocheng, who was standing quietly within the crowd.

Chapter 2093: Open Her Heart To Accept This Man

At this moment, the crowd made way for Yi Xiao. His family and friends encouraged Yi Xiao to go over. Yi Xiao blinked his teary eyes and strode forward. In the end, he hugged Fang Xiaocheng tightly in his arms.

“Thank you, thank you, honey.”

He hugged Fang Xiaocheng, the gratitude in his heart indescribable.

Fang Xiaocheng also hugged him tightly. At this moment, she could finally wait for the free Yi Xiao to open his heart and accept this man.

Applause could be heard from the crowd as they congratulated the couple who had gone through hardships.

“Come on, let's go home.”

“Yes.”

After the hug, Yi Xiao hugged Fang Xiaocheng and left the court with his friends and family.

After saying goodbye, the family returned to the Yi family house.

In order to calm Yi Xiao down, Old Madam Yi prepared a huge table of food and drinks for dinner. The family sat together and had a reunion dinner.

At the dining table, the old man said to his son and daughter-in-law, “After going through so much, I've finally gotten over it. As long as our family is together, we won't be afraid of anything.”

“You're right.” Yi Xiao nodded.

“You, and Xiaofang, live well in the future! Don't live separately anymore. It won't be good for Beibei's growth. At least give him a complete family,” the old lady said.

Tears welled up in Yi Xiao's eyes. He looked at Fang Xiaocheng tenderly and said to his mother, “Mom, we won't be separated anymore. We'll help Orange move back tomorrow. Also, I have another piece of good news for you.”

“What good news?”

“Orange is pregnant. I'm going to be a father again.” Yi Xiao held Fang Xiaocheng's hand tightly under the table. The two of them looked at each other for a few seconds. The joy in their eyes told everything.

Old Madam Yi and the Old Man were both very happy when they heard the good news. “Really? That's great! It won't be long before our old Yi family has new members. This is a joyous occasion! It's worth celebrating!”

The meal was very harmonious. After the meal, Yi Xiao and Fang Xiaocheng left the child at the Yi family home and the two of them returned to Shengshi Yujing.

From the moment she got out of the car, Yi Xiao did not want her feet to touch the ground and directly carried her back horizontally.

After returning to Room 103, Yi Xiao gently placed Fang Xiaocheng on the sofa. Fang Xiaocheng pursed her lips and said, "You don't have to be so careful. I'm not made of paper."

"But you still have to be careful! You're the one who's being protected."

Yi Xiao half-knelt in front of her and held her hands. He looked up at her and said gratefully, "Honey, if you didn't have everyone's help, I wouldn't have my freedom now. I really don't know what to say."

"We don't have to be polite. I think we can invite our friends out for a meal to express our gratitude."

"Yes."

Fang Xiaocheng held up his stubbly face and said, "Yi Xiao, I also want to apologize to you. I shouldn't have not trusted you. As a wife, I also have my faults."

"No! You've already done enough. If you hadn't encouraged me at the end, I would've given up on myself long ago!"

Yi Xiao lay on her lap. Fang Xiaocheng stroked his hair and said, "Your hair and beard have grown out. Let me help you tidy them up!"

"You help me?"

"Mm, of course."

Yi Xiao was flattered.

They had been living together for five years, each doing their own things. Basically, they had never helped each other with such intimate matters.

Now that Fang Xiaocheng had volunteered to help him with his hair and beard, Yi Xiao was just over the moon. He even felt like this was a blessing in disguise.

Chapter 2094: Start From the Beginning With You

The two of them went to the bathroom hand in hand. Fang Xiaocheng helped Yi Xiao trim his hair. Usually, she would only help her son with his hair at home, but today was the first time she was helping a man with his hair. She was a little nervous.

"Yi Xiao, don't move. If you move, I'm afraid I'll cut it."

"I didn't move. You were too nervous!"

From the mirror, Yi Xiao could see Fang Xiaocheng helping him with his hair. It was clearly her nervous hand that was shaking. She thought it was his head that was moving.

Fang Xiaocheng used a pair of scissors and a child hairdresser. In the end, she accidentally shaved off Yi Xiao's hair, exposing a piece of his scalp.

"Oh my god!"

"What's wrong?" Yi Xiao asked anxiously.

“Oh no, I've pulled out a piece of your hair. What should I do now? Why don't you go to the salon now and ask the hairdresser to help you think of a way to fix it? I think I'd better not shave anymore. If I continue to shave, I'm afraid I'll shave all of your hair.”

Fang Xiaocheng did not dare to show off anymore. She put down the hairdresser and decided to wrap up.

“Then shave!” Yi Xiao picked up the shaver and pushed it on his head. Instantly, the hair was gone, revealing his white scalp.

“Ah... What are you doing, Yi Xiao?! What are you...”

Fang Xiaocheng wanted to stop her, but it was already too late. Yi Xiao's hand went down and shaved off another bunch of hair. He couldn't see the back of his head, so he handed the electric shaver to Fang Xiaocheng. “Wifey, help me clean up the rest of my hair too! I want to shave all my hair and start from the beginning with you.”

Feeling the man's determination, Fang Xiaocheng was moved to tears.

She wiped her tears and took the electric shaver from him. She started to help him shave off his hair. Then, a handsome bald head appeared in the mirror.

Fang Xiaocheng looked at the man in the mirror and smiled with tears in her eyes. “I realized that you look quite handsome with your bald head.”

“As long as you like it.”

The man's eyes were burning. Fang Xiaocheng turned her eyes away and helped him clean his hair. Then she prepared to shave him.

“You should shave yourself. I don't want to hurt you.”

After Fang Xiaocheng helped him apply the shaving foam, she did not dare to cut him, afraid that she would cut his skin.

She tidied up the tools on the countertop and said to him, “When you're done shaving, have a good shower. I'll go find some clothes for you.”

She was about to turn around when Yi Xiao suddenly grabbed her wrist and pulled her into his arms.

Fang Xiaocheng fell into his arms. Before she could open her mouth, her lips were kissed by the man.

He kissed Fang Xiaocheng until she was about to fall into his arms.

Fang Xiaocheng couldn't help but laugh when she saw the white shaving foam around their mouths. Yi Xiao said with a serious face, “Orange, I have nothing left now and you still want to follow me. Don't you regret it?”

In the past five years, he was the president of Juxing Entertainment and had both fame and fortune, but she had never approached him.

Now, when he was at his lowest, she chose to stay and wait for him. Yi Xiao would never forget the kindness she had shown him.

“Who said you have nothing? Don't you still have me and our child? It's only now that I know how much I care about you, Yi Xiao. You've never been Dazhi's shadow. You're just like him, a good man who deserves to be entrusted with my life. I'll really be a fool if I let you go again.”

Chapter 2095: No One Is This Lucky

Fang Xiaocheng had been running away for five years. It was only after experiencing these things that she finally understood her own heart. Only then did she dare to face her own feelings and choose Yi Xiao. She did not regret it.

Even if Dazhi was in heaven, he would still respect her decision.

After five years, Yi Xiao finally got the chance to hear Fang Xiaocheng confess her love for him. At this moment, he felt like the whole world was his oyster once again

That's right. With Fang Xiaocheng and the children, he became the richest and happiest man in the world!

“Orange, I love you...”

“I love you too.”

Yi Xiao pulled her into his arms again and kissed her deeply on the lips.

The mirror reflected two hot entangled figures. The two wandering souls finally collided.

The two of them took a shower together and dried their bodies. Yi Xiao carried Fang Xiaocheng back to her room and placed her on the bed. He also lay down beside her.

Thinking of how he had treated her so rudely last time, Yi Xiao felt very regretful. “I'm sorry, honey. I really wasn't human last time. You can scold me!”

“Why should I scold you? As long as you perform well in the future, you can make up for your mistakes!”

“Can I show it now? I... I can't take it anymore. I want to devour you whole!”

Yi Xiao kept holding himself back and did not dare to touch her for fear of harming the baby in her belly. But with the soft jade in his arms, he could not control himself just by looking at her alluring face.

He had been waiting for her for five years. He had only done it once, and now he had a child. No one could be so lucky.

Fang Xiaocheng grabbed his neck and said, “It should be fine as long as you are careful.”

That night, the two of them finally had a loving life together. For safety's sake, Yi Xiao only wanted one time and then hugged his wife to sleep.

It was a peaceful and beautiful morning. Fang Xiaocheng opened her eyes and realized that the seat beside her was already empty. She got up and did not see Yi Xiao. She got out of bed and realized that there was noise from the kitchen.

It turned out that Yi Xiao had woken up early to prepare breakfast.

“Hubby!”

Fang Xiaocheng appeared at the kitchen door and called out to him.

Yi Xiao turned around, his eyes filled with surprise. He finally heard Fang Xiaocheng calling him “hubby.”

Waiting five years for this hadn't been easy!

“Honey, you're awake?”

“Why don't you sleep a little longer? Why are you up so early?”

“I'm preparing a nutritious breakfast for you. I'm going to make up for the weight you have lost.”

This was Yi Xiao's new plan. He had lost his position as Juxing's president and had nothing to do. He had plenty of time to accompany his wife and child.

Yi Xiao was stirring the egg liquid in his hand, but it didn't stop him from walking to the door and quickly pecking her on the lips before returning to the stove.

“Okay, go wash up and get ready to eat.”

Fang Xiaocheng did not say anything. She pursed her lips and her cheeks began to burn.

When she went back to her room to wash up and change her clothes, he had already brought the delicious breakfast to the table.

For the past few years, whenever Yi Xiao was free, he would cook for her. Her appetite had been spoiled by him.

She was used to the food he made. She always felt that the food others made or food she bought outside just wasn't right.

Perhaps the greatest reason she couldn't leave him was because Yi Xiao had a tight grip on her stomach.

The two of them ate their breakfast and kept looking at each other from time to time. The love that could not be concealed echoed between them.

Looking at Yi Xiao's new bald head, Fang Xiaocheng said, “If your friends see you like this later, they might pretend not to know you!”

“Do you think it will scare them? Should I bring a hat or something?”

Chapter 2096: So Handsome

“No, that's quite the personality. Hurry up and eat. We'll move after eating.”

“Okay!”

After breakfast, Yi Xiao drove to Fang Xiaocheng's apartment.

Wandou was living here alone now. When they arrived, Wandou was dressed up beautifully and just about to go out.

When Wandou first saw Yi Xiao, she did not recognize him. After taking a closer look, she recognized him as Yi Xiao. She exclaimed, "Oh my god! President. Yi, your new look is so cool!"

"Don't make fun of me." Yi Xiao smiled and shook his head.

"I'm not making fun of you. You're so handsome that I wouldn't dare to recognize you on the street!"

Wandou felt that their President Yi was very handsome when he shaved his head. He had a domineering air about him.

Fang Xiaocheng saw Wandou and said, "Wandou, I'm going to move back. You can have the whole house to yourself!"

"Alright, alright. It's about time you moved back. Be happy with President Yi!" Wandou smiled.

"Are you okay staying here alone?" Fang Xiaocheng asked.

"What's wrong? I can live alone. Don't worry about me."

"Are you going on a blind date?" Fang Xiaocheng asked.

"Yes, my mother arranged for me to meet a rich and handsome man. I have to go."

Wandou was also very helpless. Now, she worried about being left on the shelf and growing old alone. Her mother was so anxious that she had only one slogan every day for Wandou: find a partner, get married, get married, get married, find a partner.

Today's blind date was a rich second-generation heir. He seemed to be the son of her mother's classmate's sister. Anyway, their relationship was quite complicated.

Initially, Wandou did not want to go, but her mother kept calling her continuously. She was so annoyed.

"Then I wish you the best of luck. Who knows, you might meet a prince charming that will move your heart!" Fang Xiaocheng said.

"Forget it. I don't believe in love anymore. It's purely an errand. Okay, I have to leave now. I'll contact you later."

Wandou greeted them and left.

Fang Xiaocheng watched as Wandou's back disappeared. She looked away and said, "Honey, do you really think that Wandou and Mu Chenguang have no chance at all?"

"I think so. Mu Chenguang is about to get engaged. I remember he said so himself when we were drinking together last time."

"Engaged? Who is he getting engaged to?"

"I don't know. He said that he would send an invitation to everyone after confirming the date."

"Sigh, what a pity. He and Wandou are really compatible. It's a pity that fate makes fools of people."

From an outsider's point of view, Mu Chenguang and Wandou should have been able to last until the end. No one would expect them to break up halfway.

Even though Wandou could smile and laugh, deep down, her heart hurt no less than Mu Chenguang's.

It was just that she had hidden her heart and covered it with a thick shell. Most people would find it difficult just to break that shell to enter her heart.

Fang Xiaocheng did not have many things in the house. Yi Xiao helped her pack a few bags and they left together.

They sent it back to Shengshi Yujing and then went back to the Yi family manor.

Fang Xiaocheng's mother-in-law had prepared a table full of dishes and specially made nutritious soup for Fang Xiaocheng. The old lady planned to give his daughter-in-law some proper nourishment.

"Mom, there's no need to make so many dishes for me. I can just eat normally," Fang Xiaocheng said.

Chapter 2097: His Heart Still Hurts

Old Madam Yi was very serious. "You are in the stage where you need good nourishment. You must take care of yourself well. This pregnant woman needs to be well-nourished during her pregnancy. It will be easier for you to give birth when you are in good spirits. Come, have another bowl of chicken soup."

The old woman was right. A pregnant woman's mood was very important.

She remembered that when she was pregnant with Yi Bei. Dazhi had passed away then and she was heartbroken and lived in sorrow. In the end, she had a difficult labor and almost lost her life during childbirth.

Fortunately, the unpleasantness had passed and she could live a peaceful and happy life again. This was indeed very helpful for the development of the fetus.

At the dining table, Old Madam Yi kept droning on and on.

In the end, the topic shifted to Yi Hanyue. The old lady despised her daughter whenever she saw her. "Yueyue, you're the only one left now. Go on a blind date tomorrow. Don't stay at home and wander around. You're already a grown woman. Why aren't you getting married?"

"Mother, I'm only 28!"

"Do you think you are still young at 28? You will be 30 in the blink of an eye. Once a woman is past 30, her value will drop drastically. Who will want you then? You're the most idle person in this family."

"..." Yi Hanyue groaned bitterly. She was being scorned by her own mother!

When Fang Xiaocheng heard the old lady mention the blind date, she thought of Wandou. She wondered how Wandou was doing on her blind date.

Elsewhere, in a Western restaurant with a good atmosphere.

Wandou arrived as promised. A tall and thin man sat opposite her. He was somewhat good-looking, but he gave off an unruly feeling.

The other party did not even look at Wandou since she sat down. Wandou guessed that the other party might have come just to comply with some elder from his family as well.

The man named Luo Fanchuan was the first to break the silence. He went straight to the point and said, "You are Miss Wan, right? I can tell you directly that I have no interest in you. I'm only here today because of my elders."

Wandou had already guessed that it would be like this. She guffawed, "What a coincidence, Young Master Luo. I'm not interested in you at all. I think we don't have to waste each other's time. I'll take my leave first!"

Wandou got up to leave, but Luo Fanchuan pressed her down on the seat. He said in a low voice, "Don't go! My mother is watching us at your 12 o'clock. We have to eat before we can leave."

Wandou : "..."

Was this really a blind date?

Why do I feel like I'm being watched?

Wandou did not notice that just as Luo Fanchuan was placing his hand on her shoulder and the two of them were in this strange position, two people entered the dining room.

Mu Chenguang walked into the dining room with an exquisitely dressed woman. He took a casual glance and happened to see Wandou sitting by the window.

She noticed that she was sitting with a stranger and they seemed very intimate. Could it be that Wandou had found a new boyfriend?

His heart was still in pain when he recalled the scene of their breakup. Now that he saw Wandou with another man, he could not calm down and ignore it.

He wanted to turn around and leave, but for some reason, he wanted to go over and take a look. Therefore, Mu Chenguang took the hand of the girl beside him and went straight to Wandou's side and took a seat.

Wandou was determined to help Luo Fanchuan until the end. Just as Luo Fanchuan retracted his hand, she saw that there were now two people that had taken a seat beside them.

Chapter 2098: Instant Warmth

She could recognize him with one look. Even though he was wearing sunglasses and a mask, she could still recognize him from his facial features.

It was Mu Chenguang!

Why was he here at this restaurant?

Moreover, he seemed to have come with a pretty girl.

Was that girl his fiancée?

Wandou could not help but feel a dull ache in her heart. She looked away and didn't pay any attention to that side deliberately. Since they had already broken up, why should she care who he was with?

Luo Fanchuan had no idea what the relationship between Wandou and the man on his left was, but he could feel that the man next to him was staring at his blind date.

He then turned to look at his blind date. Following that, he just inclined his head and stared out of the window as if his neck had been hurt.

“Hey, are you okay?”

Luo Fanchuan asked out of pure curiosity.

Wandou did not want to hide the fact that they were “working together” at the moment. “The one next to me is my ex-boyfriend.”

Upon hearing this, Luo Fanchuan immediately understood why Wandou's expression became so terrible. It was because of the man beside her.

He took a glance and saw that the other party had also brought a girl to eat. It seemed that he already had a new lover and was still staring at Wandou. This kind of man was too shameless!

Initially, Luo Fanchuan did not care much about Wandou. But since the other party had promised to help him stay and deal with his mother, he ought to return the favor, right?

He consciously became the “current boyfriend” and started to act before the former.

“Doudou, try this. It tastes great!”

Wandou was stunned by Luo Fanchuan's sudden “hospitality.” She saw him winking at her and understood that he was trying to help her gain face.

Wandou had never thought of using such a method to provoke Mu Chenguang. But at this moment, she felt hot-headed and actually opened her mouth to eat the food Luo Fanchuan had fed her.

“How is it? Is it good?” Luo Fanchuan asked considerately.

“Yes, it's delicious.”

Wandou took her time to eat. She only wanted to end the dinner as soon as possible because she felt that the air was much thinner wherever Mu Chenguang was.

And she always felt like she was sitting on pins and needles when she was stared at by his sharp and gloomy eyes.

“I'll send you,” Luo Fanchuan said when Wandou suggested leaving.

The two of them left the restaurant together, and Wan Dou separated from Luo Fanchuan. Relatively speaking, their cooperation had been “pleasant.”

With Luo Fanchuan's mother's help, Wandou would not lose face in front of Mu Chenguang and that woman.

But on the way back alone, Wandou still felt very sad.

He thought of the pretty girl beside Mu Chenguang. He could tell from her clothes that she must have a good family background.

Unlike her, who was born in an ordinary family and did not have any achievements, Mu Chenguang's father would not look down on her and force her to leave Mu Chenguang.

When she entered the neighborhood and turned the corner to enter the apartment, Wandou felt that she was being followed. She suddenly felt a little scared and quickened her pace.

As a single girl, it was indeed a big problem to be safe outside. She wanted to run into the elevator as fast as she could and quickly return to her residence.

After pressing the button for a few times, the elevator finally arrived. Wandou went in and quickly pressed the "close" button.

Just as the elevator was about to close, a hand blocked the elevator's gap, preventing it from closing. Wandou could only see a black shadow through the gap, and she was so frightened that she wanted to hide.

Chapter 2099: Reckless Possession

The elevator was forced to separate and a black shadow flashed in. When Wandou reached out to press the alarm button, he immediately grabbed her wrist and pushed her against the wall.

"Ahh... Help..."

Wandou broke down and shouted. At this time, the shadow pulled back the black hat on his head and revealed his head.

The man was still wearing sunglasses and a mask, but his familiar face and aura told Wandou that he was not a hooligan following her, but Mu Chenguang.

"It's me! Don't scream!"

Mu Chenguang looked down at her and ordered in a low voice. He took off his sunglasses and mask and let her have a good look.

Wandou recognized Mu Chenguang and struggled even harder. "Let me go, you pervert..."

In Wan Dou's case, Mu Chenguang was the most dangerous hooligan. He could appear at any time, take over her heart, and take her at any time. He was simply the number one hooligan in the world.

But now, they had already broken up. They could not be involved anymore.

"Who are you calling a hooligan? You disobedient woman..."

Mu Chenguang pressed his lips against hers to stop her from breathing.

When the elevator reached Wan Dou's floor, the door opened automatically. Mu Chenguang grabbed Wan Dou and forced her out.

The elevator door closed again. Mu Chenguang did not let go of the woman in his arms. Instead, he ordered in a low voice, "Open the door!"

“No! Leave!”

Wandou tried hard to push him away, not wanting him to enter her house.

“If you don't, I don't mind having you here!”

The man pressed her against the wall again and tried to tear her clothes. Wandou had no choice but to compromise. “Not here!”

Mu Chenguang opened the door and carried the petite Wan Dou into the house. What followed was a crazy plunder without any explanation.

Wandou was forced to accept his love and felt exhausted. When did he become like this?

He completely disregarded her feelings and did not care if they had broken up. He was always like this, reckless and possessive.

Only Mu Chenguang knew how much he loved Wandou.

That day, he had waited for her for the whole night. They had agreed to not leave until they met, but she had stood him up.

He had meticulously prepared the proposal venue. The last rain had drenched him. He had stood in the rain alone and waited for her for so long, but she had not appeared.

Later, when he saw her holding another man's arm, he was greeted with the words “Let's break up.”

How could Mu Chenguang accept that she wanted to break up with him and leave with another man?

All of his male pride had been trampled on by her. Even his heart had been abandoned by her.

It was also from then on that he changed. In order to make her stay, he did everything he could, even using all kinds of means to make her stay, but he could not win her heart back.

Mu Chenguang was furious to see her having dinner with a man.

She could easily find a new boyfriend, but her being there with another man made him lose his appetite and be unable to compose music.

Why did he have to give her his blessings when she was with another man?

He just didn't want her to be with someone else!

Even if they could not get married, he would not allow her to marry anyone else!

She asked for it many times throughout the night. Mu Chenguang did not let Wandou go even after she had passed out.

The night was still long. He had plenty of time to slowly work on her!

Chapter 2100: There Is No Way Out

The phone in Wandou's bag rang, but Mu Chenguang ignored it.

The call was from Fang Xiaocheng. She wanted to ask if her blind date was over and how the situation was, but no one picked up.

Forget it. Fang Xiaocheng decided to ask Wandou about it the next time they met.

After dinner, Fang Xiaocheng and Yi Xiao took Yi Bei back to Shengshi Yujing.

Little Yibei was finally home. He was very happy to have his father and mother at home.

Yi Xiao took his son and put him down. But Yi Bei also wanted his mother to carry him. Yi Xiao pulled the child over and said to him seriously, "Beibei, you can't let Mommy carry you anymore!"

"Why?"

"Because Mommy has a baby in her belly now. Soon, you will have a little brother or little sister. So from now on, you are a big brother and a man. You have to protect Mommy and the baby with Daddy, understand?"

Yi Xiao explained patiently to his son.

Yi Bei was confused. He looked at his mother's flat belly and came over to touch it. He asked, "Mommy, is there really a baby inside?"

"Yes!" Fang Xiaocheng nodded.

"Will they respond if I call them?" Yi Bei asked innocently.

"Haha... Baby is still young and can't talk. Let's wait a little longer!"

"Okay. I'll play with little sis or bro when they come out."

"Beibei is so sensible."

Fang Xiaocheng patted her son's head and kissed his little face.

After settling down and putting their son to bed, the couple began to discuss who they should treat tomorrow.

They chatted until it was late.

Wandou woke up the next morning and realized that Mu Chenguang had already left.

Wandou could not help but curse when she saw the bruises all over her body. "Damn you, Mu Chenguang!"

They had already broken up for so long and she had heard that he was about to get engaged. Why was he still harassing her?

She gritted through the pain as she dragged her sore body out of bed. She tidied herself up and found the bag that she had dropped last night. She took out her phone and saw that there was a missed call.

It was Fang Xiaocheng. Wandou called her back. "Hello, Sister Orange! You called me?"

Fang Xiaocheng's voice came from the other side of the phone. "Yeah, I wanted to ask you how your blind date went yesterday."

"Hehe, not bad."

Wandou said against her will. She couldn't tell Fang Xiaocheng that she had failed her blind date last night and had gotten together with Mu Chenguang again, right?

"Then why don't you bring him over for dinner tonight? Let us meet him and help you get some experience," Fang Xiaocheng said.

"Huh? I don't think that's a good idea. I don't even know him well."

Wandou did not even ask for Luo Fanchuan's number. Moreover, they had no intention of continuing their relationship. Now that Fang Xiaocheng had invited her, she could not possibly agree to it.

"It's okay. It's because you haven't gotten to know him well enough. Bring him here! And let me tell you, Chenguang is coming too. He will bring his girlfriend. You have to bring a male companion to help you out. It's settled!"

"No, Sister Orange, I..."

Wandou wanted to say something more, but Fang Xiaocheng had already hung up.

This is bad. Where am I supposed to find a male partner now?

As the saying goes, there is always a way out. Wandou was worried that President Yi and his wife would treat her to dinner tonight. She wondered if she should go or if she should just find an excuse to not go. In the end, her mother called her considerately and said that the Luo family, who had a blind date last night, had a good impression of her and wanted Luo Fanchuan to continue developing his relationship with her.
