

## Priceless Baby 691

### Chapter 691: Enough As A Punishment

Xu Xiyang could feel her heart throbbing as if she was about to meet the sibling she never met.

Yet Xu Jinshan's answer made her want to choke him to death.

"It was a boy who came out first. I sold it to someone who offered 10,000 yuan for him. Your mother had no idea about it..." Xu Jinshan said.

It meant that Xu Xiyang had a twin elder brother.

She scolded Xu Jinshan for being worse than an animal in her head for selling her brother for a mere 10,000 yuan.

"Why don't you just go to hell?" Xu Xiyang scolded and kicked Xu Jinshan, sending him flying to the wall as he spat blood onto the floor.

Xu Xiyang stared at Xu Jinshan angrily and asked, "Speak! Who did you sell him to?"

"I have no idea... The person who bought him had a mask over her face. All I can remember was that she had a white camellia embroidered onto her shirt. Everyone called her Mdm. White Camellia. That's all I know. I swear..."

Xu Jinshan fainted after explaining.

Xu Xiyang believed that Xu Jinshan was telling the truth, that her mother did give birth to a twin

No one knew who her brother was sold to after he was born.

It was Xu Xiyang's first time hearing someone called Mdm. White Camellia.

There was no way she could find someone with such a vague clue, it was normal to have flowers embroidered on one's shirt.

My poor brother... Where are you now?

Xu Xiyang left since there was nothing more she could learn from Xu Jinshan.

After that, Xu Xiyang found a private hospital that was good at keeping their lips shut and contacted Xue Yating.

Xu Xiyang drove her car to pick Xue Yating up herself.

Xue Yating and Ni Xuelin both got into the car, and Xu Xiyang asked, "All done?"

"Yup," Xue Yating answered. "I told my dad that we're going on a trip."

Xue Yating told her father that she wanted some time off after the performance and would be gone for quite some time. Xue Zhengrong did not suspect anything her daughter told him.

She could use the time to complete the surgery and take some time to rest her body.

“Jing Xi...” Ni Xuelin said. “I'm really sorry for what happened last time...”

“Don't worry about it. Let's leave it in the past.”

Xu Xiyan had heard from Xue Yating that Ni Xuelin was the one responsible for what happened at the performance.

She also heard about what happened to Ni Xuelin, how she caught her boyfriend having fun with another girl. The shock from that should be enough as a punishment.

Instead, Xu Xiyan should thank Ni Xuelin. If Ni Xuelin had not exposed her identity, she would've never found the masterpiece that her mother wrote.

Probably because they were both women, Xu Xiyan was more sympathetic with Ni Xuelin's story. Hearing about Ni Xuelin deciding to go through the surgery with Xue Yating meant that she had already thought it through.

Xu Xiyan suddenly noticed that there was a car following them and was afraid that it was paparazzi.

“Sit tight. I'll try to lose our tail,” Xu Xiyan said.

Xu Xiyan stepped on the pedal and lost the car tailing them after a few turns.

Chapter 692: Unspeakable Trouble

The three of them arrived at the private hospital, and Xu Xiyan escorted the other two to the preparation rooms.

“Are you two sure about this? Do any of you want some more time to think about it?” Xu Xiyan asked as they were about to sign the agreement for the surgery.

Both of them assured her that it was what they wanted.

They had troubles that were hidden deep in their hearts.

Xue Yating could never give birth to a stranger's kid because of her family.

While Ni Xuelin would never risk giving birth to the child of an asshole. She was afraid that he would use her child to threaten her.

There weren't many women in this world that would dare to be pregnant for 9 months and give birth to a child on their own.

Examples like Xu Xiyan who could do that were almost like something that would only appear in fiction.

They signed the agreement and proceeded to the surgery room.

At that moment, a car quickly stopped in front of the hospital, and a man rushed out of it.

He frowned and walked into the hospital at a fast pace as if the floor was on fire.

He asked for directions to the abortion section and ran towards it.

A sign saying “No men allowed” was hung outside the gynecology and obstetrics surgery room.

And yet the man broke through the door.

“I’m really sorry...” An Xianming apologized to a nurse as he had knocked her things over. His heart was racing at the fastest pace of his life.

He went through the rooms one by one, looking for a girl that he was familiar with.

Because of his actions, the nurses had already alerted the security.

Just as he was about to push open the door to the surgery room, he was stopped by nurses and guards.

“Let me go!” An Xianming shouted. “I have to go in! Let me in...”

No one realized that he was a world famous Chinese director, and only treated him as someone who had broken the law.

The guards and nurses tried their best to throw him out of the hospital.

It was at that moment when Xu Xiyan escorted Xue Yating out of the bathroom.

Xue Yating instantly recognized An Xianming and asked Xu Xiyan, “Hey, is that my uncle?”

“It looks like him,” Xu Xiyan said.

An Xianming was like a beast trying to escape the people surrounding him. Veins on his forehead and arms were popping out.

They were curious as to why An Xianming would suddenly appear in the hospital and was causing a scene.

“Uncle!”

An Xianming suddenly heard a voice that he was familiar with and his body shook.

He stopped fighting and turned his head, looking at Xue Yating and Xu Xiyan who were staring at him.

“Please let him go, he’s my family,” Xue Yating said, and the guards and nurses left.

An Xianming stood still, staring at Xue Yating’s pale and thin face with his reddened eyes. At that moment, he could feel his heart tightening up.

“Uncle, are you all right? Why are you here?”

Chapter 693: Proved Her Speculation

Xue Yating raised her head and looked at An Xianming, her eyes filled with concern.

Yet, the thing she was more interested in was why he was at the hospital.

What was more was that he was in the childbirth section.

An Xianming could not care less about anything else and pulled Xue Yating into his arms and hugged her tightly.

He hugged her so tightly that it was as if he was trying to merge with her, afraid that she would fly away if he let go of his arms.

Xue Yating was not used to the strong hug of An Xianming, and she found it hard to breathe.

“Uncle... What...”

She raised her head in his arms. Even though she could not see his face clearly, she could feel drops of water dripping on her face.

Is he crying? What's going on?

“Tingting, I'm so sorry... I'm so sorry... I'm not a human... I've hurt you...”

An Xianming thought that the surgery was completed. His heart broke when he thought that the girl he grew up with was hurt because of him.

He blamed it all on himself for not showing restraint and for being timid. If he'd told her sooner, he could've stopped her from going into the surgery room.

Xue Yating listened to An Xianming's cries and was completely confused by it. She could not help but wonder what was wrong with her uncle.

Xu Xiyan suddenly realized something and guessed that it was An Xianming who was tailing them on their way to the hospital.

With how he chased them to the hospital and how he kept apologizing to Xue Yating, saying that he'd hurt her, there was only one possibility.

Xu Xiyan guessed that the child in Xue Yating's belly was likely to belong to An Xianming.

Xu Xiyan could not help but feel a chill run down her spine. If word about it got out, not only would it ruin Xue Yating, but also An Xianming.

Yang Qiong and Yang Biao was a good example. They could never clear their name of performing incest.

The first thing that Xu Xiyan had to do was to keep it a secret.

“Director An, Tingting, this is not the place to talk about this. Follow me,” Xu Xiyan said and guided them to a VIP resting room where they could sort their problems out.

Xu Xiyan stood at the door, not knowing what they were talking about until a nurse called Xue Yating's name.

Just as Xu Xiyan was about to talk to the nurse, An Xianming led Xue Yating out of the room.

Xue Yating looked at Xu Xiyan while she was breathing heavily and said, “Sis, I have something to attend to. Can you take care of things here for me.”

“Oh, all right.”

Xu Xiyan watched as An Xianming pulled Xue Yating away, which only proved that her speculation was true.

That the child in Xue Yating's belly belonged to An Xianming.

An Xianming was not the type of man who would not take responsibility, but Xu Xiyan was worried about how they would handle the situation.

Xue Yating's father, Xue Zhengrong, was An Xianming's brother. She wondered if he would agree with their relationship.

Xu Xiyan waited until Ni Xuelin came out from surgery.

They stayed in the post-surgery room until Ni Xuelin was ready to leave and Xu Xiyan took her back.

"Xuelin, is there anyone that can take care of you back at home?" Xu Xiyan asked on her way back home.

She was worried since performing abortion was the same as a miscarriage. If Ni Xuelin did not take care of her body, she'd be haunted by many illnesses in the future.

Chapter 694: How Could Such Scum Exist?

She didn't have anyone to take care of her. She had been renting a house alone and Chu Tian was the only person who would usually visit her.

She was a war orphan who had been trafficked to Zstan by a human trafficker. Her adoptive father was a famous biological scientist, Ni Jianghe. However, he had disappeared a few years ago. Now after dumping Chu Tian, she lived alone.

Ni Xuelin knew that Xu Xiyan was concerned about her. "No, I am an orphan, but you don't have to worry about me, I can take care of myself."

Xu Xiyan didn't think that she was an orphan. Poor girl.

After all, they were only acquaintances, and Xu Xiyan could not help her too much. Not long after, they arrived at a community.

Xu Xiyan stopped her car in front of a mid-rise apartment. Ni Xuelin got out of the car and thanked her. "Jing Xi, thank you for sending me home, really thank you so much. Please drive safely when you go back."

Xu Xiyan noticed that Ni Xuelin looked particularly weak and pale and could faint any moment. Instead of driving away, she got out of the car and took the bag from Ni Xuelin's hand. "Let me escort you upstairs, I'll leave after you get into your house."

Ni Xuelin could not describe how moved she felt towards Xu Xiyan's goodwill and her offer to help. She felt guilty but also grateful at the same time.

She owed two people in her life now: one was Xue Yating, and the other was Jing Xi.

If the two ever needed her help in the future, she would not hesitate to repay their kindness and help them even if she had to leap into a fire to do so.

Xu Xiyan escorted Ni Xuelin to the front door of her apartment on the fourth floor. She did not go into the apartment. She put Ni Xuelin's bag on the ground, then turned to go downstairs after bidding Ni Xuelin goodbye.

When she got down a floor, she suddenly heard Ni Xuelin's scream coming from the floor above.

What happened?

Xu Xiyan's heart skipped a beat. She immediately turned and rushed back up to the fourth floor.

The door of the fourth-floor apartment unit was opened. Ni Xuelin's ear-piercing screams came out from it.

Xu Xiyan rushed into the apartment and saw such a scene:

Ni Xuelin had fallen to the ground and curled herself up. A furious man was kicking at her, brutally beating her up.

And he was cursing through his gritted teeth, "You stinking whore! Rotten thing! How dare you splash me with cold water! It's your fault that I couldn't get an erection. I'm going to kill you now!"

Xu Xiyan didn't realize that he was the man who had deceived Ni Xuelin—Chu Tian.

When Chu Tian was caught cheating and got splashed with water by Ni Xuelin back at D-City that day, he could not achieve an erection anymore after that when he resumed his love-making with the other woman. He put all the blame onto Ni Xuelin.

Now he had come back and waited in her apartment in advance so he could teach her a lesson and have his revenge.

Ni Xuelin had just had a surgery and she was still weak. She could not withstand his punches and kicks.

She had fallen to the ground and blood seeped out from her lower body, her pants staining red.

He was simply a wicked monster!

After seeing this scene, Xu Xiyan's anger flared. Without a second thought, she went straight up to him and delivered a swift kick towards Chu Tian's face.

The kick sent Chu Tian flying backward. He hit the wall and fell to the ground.

When he got up, he glared at Xu Xiyan hatefully and said, "Who the f\*\*k are you? How dare you kick me?"

"That's right, I kicked you!"

Xu Xiyan swung her feet up again at Chu Tian and sent him crashing onto the coffee table. Craaaaash. The glass surface of the coffee table shattered under him. Sharp glass fragments pierced into Chu Tian's face and blood oozed out from his handsome face in an instant.

How he had beaten Ni Xuelin up, Xu Xiyuan would repay it three times over.

Chu Tian howled in pain as Xu Xiyuan gave him a good wallop. He begged Ni Xuelin for help over and over, "Linlin, please save me..."

How could such scum exist in this world?

Chapter 695: A Taste Of Her Wrath

How could such scum exist in the world?

He would become ruthless whenever he beat a woman. However, when he was being beaten by a woman, he still had the audacity to shamelessly ask another woman for help.

Ni Xuelin was already heartbroken to the point of despair by Chu Tian. When he had beaten her just now, she came to a complete understanding of something.

That man was more terrible than a man-eating wolf when he loses his temper.

He wanted her to save him?

Hmph... in his dreams!

Ni Xuelin had already picked herself up from the ground. She limped towards him and stood in front of him, looking down at him with cold eyes. "Chu Tian, we have nothing to do with each other anymore. You're the one who came to retaliate against me first. You've brought this on yourself. Even God won't save you now!"

At this point, Xu Xiyuan finally realized that the scum Ni Xuelin had loved before was called Chu Tian.

Hmph, another scumbag with the surname Chu!

The name seemed a bit familiar as if she had heard it somewhere before.

When the last punch was about to land on Chu Tian's face, Chu Tian covered his head with his arms and begged for mercy. "Don't hit me, don't hit me, don't hit my face..."

He had been relying on his face to survive. If his handsome face was ruined, then his career was over.

Xu Xiyuan's fist stopped inches above the bridge of his nose. She remembered. The name Chu Tian seemed to belong to one of the members of the band "MAX."

"Weren't you formerly in MAX? Do you know Xiao Yuche?" Xu Xiyuan asked.

Chu Tian was scared by her beatings. At this moment, when the superwoman in front of him asked him about the band, he replied quickly, "Yes, yes, yes... I'm from MAX. Xiao Yuche was our lead singer."

"Do you know how Xiao Yuche died in the past? If you can tell me what you know, I might consider letting you go. If you don't tell the truth, then I'll throw you out of the window and make sure you land face first," Xu Xiyuan threatened him grimly.

Chu Tian had gotten a taste of her wrath and knew better than to provoke her. In order to keep his life at this time, he had no choice but to tell her, "Okay, okay... I will tell you everything!"

In fact, Xu Xiyao had only asked incidentally and she did not hold any high hopes of getting information out of him, but what surprised her was the shocking information that came out from Chu Tian's mouth.

That is the cause of Xiao Yucheng's death.

It was related to the misunderstanding between Ma Haodong and Xiao Yuqian. If Chu Tian could be used as a firsthand witness, could the misunderstanding between them be cleanly resolved?

Was there a chance for their relationship to take a turn?

Xu Xiyao was excited as she thought of this. She found a rope and tied Chu Tian like a roast, then taped his mouth and threw him into the trunk of the car.

She turned back to help Ni Xuelin. She was severely bleeding from her lower body after getting beaten up by that scumbag. She had to go to the hospital.

Xu Xiyao sent Ni Xuelin to the hospital and helped her pay for the registration fees. After Ni Xuelin was hospitalized, Xu Xiyao drove to Jingyue Entertainment.

Looking at Ni Xuelin's situation, she may have to be hospitalized for a few days. Xu Xiyao would come back and visit her later.

After speeding her way to Jingyue Entertainment, Xu Xiyao dragged Chu Tian out from the trunk and directly into the Jingyue Building.

Along the way, Jing Xi greeted her fellow artist colleagues warmly with a smile as if nothing had happened before arriving at the front desk. Wandou noticed that she had dragged in a man tied up like a roast and quickly went up to her. "What's going on, Miss Jing Xi? Who is this person?" she asked.

"A scumbag!" Xu Xiyao said simply, then asked, "Is President Xiao in?"

"Y-yes! She's in her office."

"Okay, please contact her for me. I need to talk to her," Xu Xiyao said.

"No need, President Xiao said before that you can just go into her office directly if you want to see her

Chapter 696: Show Off His Sexiness

The wife of her boss had come; why the need to call up the president's office first anyway? Wandou directly took Xu Xiyao to Xiao Yuqian's office.

She knocked on the door then opened it. Wooah! They saw an outrageous scene in the office.

Ma Haodong was also present. The first few buttons of his shirt were undone, exposing a vast piece of sexy honey-colored skin. He had trapped Xiao Yuqian with both of his arms firmly in her seat. They were so close that they could breathe in each other's breaths.

Was he trying to show off his sexiness to Xiao Yuqian?

“President Xiao!” Wandou called out to her.

After Xiao Yuqian heard her voice, she regained her wits and kicked Ma Haodong away as though she saw a ghost.

Ma Haodong was so close in seducing Xiao Yuqian but Wandou had ruined his chance. Furthermore, his little Qianqian had kicked him. He was so frustrated that he felt like killing someone now!

“Is something the matter?” Xiao Yuqian asked as she sat up straight and recomposed herself, completely ignoring Ma Haodong as though he was air.

Since the expiration of Ma Haodong's contract with Huayin, he no longer belonged to any company. Every day he would pester Xiao Yuqian to let him join Jingyue Entertainment and come hang out in her office. He was really annoying.

If it was possible, she really felt like sending him to outer space.

“Miss Jing Xi is looking for you.”

After reporting the matter, Wandou left the office.

Xu Xiyan poked her head in and smiled cheekily, “So sorry, did I come at a bad time? Have I disturbed you two in sharing a good time?”

“What are you talking about? Come in and talk.” Xiao Yuqian waved at her, then said to Ma Haodong, “Alright, I have to work now. Get lost from my sight now!”

“Heartless woman!” Ma Haodong muttered as he walked away. As much as he didn't want to leave, he still had to obey her.

Anyway, he sensed that Xiao Yuqian was not as hateful towards him as she'd been in the beginning. This meant that his persistent stalking was still very effective.

Yup, he should remain determined and continue to stick with her until she accepted him.

Just as Ma Haodong was leaving, Xu Xiyan dragged and flung Chu Tian into the office. “Brother Dong, don't go just yet. This has something to do with you too,” she said.

Ma Haodong raised an eyebrow at her. Aha! He knew it! His revolutionary friendship with Jing Xi was no bluster. He knew she would always try to create opportunities for him.

Oh, Jing Xi is really such lovely girl!

Ma Haodong naturally stayed behind. He looked at the man on the ground and asked Jing Xi, “What happened? What did this person do? Is he a hooligan?” Ma Haodong gave Chu Tian a kick on his butt as he spoke.

Xu Xiyan went straight to business. She looked at Ma Haodong, then at Xiao Yuqian, asking them seriously, “Brother Dong, Sister Qianqian, do you still remember the band ‘MAX?’”

“We remember,” The two almost answered in unison, an unprecedented tacit understanding between them.

The two of them could clearly remember MAX, not because the band was famous, but because the band's founder was Xiao Yuqian's brother, Xiao Yuche.

Six years ago, MAX had gained some fame around Peijing city. Xiao Yuche, the lead singer and leader of the band, often took the band to various major pubs or malls to perform. They were quite popular at that time.

However, because of Xiao Yuche's sudden death six years ago, the band naturally disbanded. Why did Jing Xi ask about the band now? “This man is Chu Tian. He used to be MAX's bassist. He knows the real cause of Brother Yuche's death. Want to hear what he has to say?”

When this was said, Xiao Yuqian and Ma Haodong were shocked. They did not expect that the man Jing Xi had brought in would know the inside story of Xiao Yuche's death.

Could it be that there was another person who was responsible for Xiao Yuche's death in the past?

Chapter 697: It Had Been Really Tiring Being A Scapegoat

Xu Xiyan kicked Chu Tian, rolling him onto his back. She tore the tape off his mouth and then stepped on his throat with a foot. “Speak! Tell everyone what you know! If you dare to lie to us, I'll castrate you,” she said sternly.

“I'll talk! I'll talk! Please have mercy, madam...”

Chu Tian sweated in fear. Right now in his current situation, he was not far from being castrated if he did not comply with her.

Flustered, he confessed everything he had seen with his own eyes in the past. “It was Xiao Yuxin. She faked her molestation. In order to trick Ma Haodong and lure him over to her, she had deliberately created a misunderstanding between him and Ah Che. Ma Haodong beat up Ah Che because of it. After he left, Xiao Yuxin got someone else to beat Ah Che to death and blamed it on Ma Haodong. I only know this much, only this much...”

The “Xiao Yuxin” Chu Tian mentioned was Xiao Yuqian's half-sister, who had later changed her name to “Ning Xin” as her stage name.

Because Chu Tian had witnessed the incident himself in the past, he had power over Ning Xin. In these few years, whenever he had no money to spend, he would ask Ning Xin for money.

Not only had he extorted a lot of money from Ning Xin, but he had also engaged and maintained an illicit relationship with Ning Xin. Ning Xin had no choice but to obey him if she wanted him to keep the secret.

The truth of the matter had finally come to light.

That time, Ma Haodong did not know that the man he was beating up was Xiao Yuche, but he did not beat him to death.

This was all Ning Xin's doing and she had caused Xiao Yuqian to misunderstand him. Xiao Yuqian had always thought that he was the one who had killed Xiao Yuche and thus she hated him. For so many years, she had always been unwilling to forgive him.

It had been really tiring being a scapegoat for someone else.

Ma Haodong turned to look at Xiao Yuqian, a bitter smile on his face. "Qianqian, will you now believe that I'm innocent?"

Xiao Yuqian had been fighting hard to control her emotions, but at this moment, her tears fell like a river bursting out from a dam. She could no longer restrain herself and tears streamed down her face nonstop.

She was distressed and saddened by her brother's tragic death.

She was angered and disgusted by Ning Xin's sinful deeds.

She had misunderstood the man who once loved her the most because of a vile person's conspiracy. She could not describe the pain her heart was feeling now.

Six years. She had hated Ma Haodong for six years. She had spent all that time of her life holding a grudge against him.

Now when she thought about it, she could only sigh in regret. Oh, the time they had missed out was really too much.

After the misunderstanding was clarified, Xu Xiyao took Chu Tian away. She left Ma Haodong and Xiao Yuqian alone to give them time for themselves and let them decide how to resolve the matter between them.

She did not let Chu Tian go but sent him to the police station instead. She reported him for molesting a woman and other crimes like blackmail.

After a thorough investigation, the police followed clues as they appeared in their investigation and found out that Chu Tian was using his identity as a pub singer to swindle women, and at the same time, he had maintained illicit relationships with as many as 17 women.

The list actress Ning Xin and several wealthy women with social status were among the women involved. The amount of money defrauded from them had accumulated over 100 million yuan.

Through the media, the police disclosed the criminal behavior of Chu Tian as a reminder to the general public, especially women, that they should be cautious when making friends.

After the matter had concluded, Xu Xiyao went to the hospital to visit Ni Xuelin. Ni Xuelin told her that Xue Yating had employed a maternity matron to take care of her after she was discharged from the hospital, and she shouldn't worry about her for the time being.

As for Huayin's list actress, Ning Xin: she had completely disappeared from public view. Her days of glory were gone and her situation looked very bleak.

Because Chu Tian's case had been exposed, the police had marked her as the suspect of the murder six years ago.

#### Chapter 698: So Sweet That It Warmed His Heart

According to Chu Tian's statement, he confessed how Ning Xi had hired killers to murder Xiao Yuche. The police had arrested her according to law.

The truth of Xiao Yuche's death had finally come to light. The murderer had also received the punishment he deserved, and Xiao Yuqian could finally put down the burden of her heart she had carried for many years.

She stood before her younger brother's grave and placed a bouquet of white flowers on it, representing her grief for her brother.

Someone came over and placed a hand on Xiao Yuqian's shoulder from behind. The man said to the youth in the grave, "Yuche, you can rest assured that from now on, I'll take good care of your sister for you. You can rest in peace in heaven."

Xiao Yuqian glanced at the hand on her shoulder. For the first time, she did not push him away. Right now, she was at a loss as to what kind of mentality she should face Ma Haodong with.

Could all the time lost wallowing in hatred in those six years be redeemed?

How was she going to choose between Ma Haodong and Guan Hao now?

Furthermore, even if she gave Ma Haodong a chance, how could his family accept her?

There were still many problems entangled between them. She was no longer young anymore. How was she going to get into the mood to burden herself with matters of love and romance?

It was September and it was the beginning of a new school semester.

Xu Xiyan and Huo Yunshen had fully prepared everything for their daughter Ying Bao's admission to school.

Ying Bao was going to attend a kindergarten which was in affiliation with the Peijing Experimental Primary School. The teachers and reputation of this school were the best in the whole of Peijing. The environment was also very good and it was also not far from home.

Tang Feimo had been in this school for first grade. Now that the new semester was starting, he was going to start second grade. Ying Bao was directly starting from pre-kindergarten due to her age.

Today was the first day of school.

The family had woken early in the morning. Huo Yunshen was preparing a hearty breakfast for his wife and daughter. Xu Xiyan helped her daughter to put on a beautiful new dress and tied her hair into a cute little braid.

Xu Xiyan leaned her face close to her daughter's as they looked in the mirror together. She couldn't help but praise her, "Wow, our little Princess Cherry is really beautiful!"

"Thank you, Mommy, you are very beautiful too!" Ying Bao tilted her head and kissed her mother on her cheek.

After spending some time exchanging affections with her daughter, she took her daughter's hand and led her out of the room. "Come Baby, let's see what delicious foods Daddy has made."

In the dining room, Huo Yunshen was setting breakfast on the table. He looked up and saw both mother and daughter wearing a matching parent-child outfit. The big one was bright-eyed and indescribably beautiful, and the little one was so cute and tender, the smile on her face so sweet that it warmed his heart.

Whenever Huo Yunshen saw his wife and daughter, his heart would melt into a soft goo. His lips curved naturally as he beckoned them over for breakfast.

They had just sat down when the doorbell rang. Before the adults could react, Ying Bao had already jumped off her seat. She said while running towards the door, "It must be Brother Feimo! He has come to look for Baby! Baby will open the door."

"Ying Bao, don't run too fast!"

The two adults watched their daughter taking off on her short legs, worried that she might trip.

Ying Bao stood up on her toes and reached for the doorknob. When she opened the door, she realized that it was not Tang Feimo, but an unfamiliar man with a cap on his head.

After a while, Xu Xiyan and Huo Yunshen saw their daughter returning, her lips pursed in a frown. "What's wrong? Where's your Big Brother Feimo?" they asked.

Ying Bao was a little disappointed as she said, "It's not Brother Feimo outside. It's an uncle I didn't recognize. He's looking for Mommy."

"Looking for me?"

Xu Xiyan was a bit curious. Who was the uncle the little girl did not recognize?

Who else knew that she lived here?

"You guys have your breakfast first, let me go have a look." Xu Xiyan got up and left the dining room.

After she left, Ying Bao gave her father some words of precaution, "Daddy, you have to be vigilant. Don't let Mommy be taken away by other uncles!"

Chapter 699: Fall Head Over Heels In Love

"Daddy, you have to be vigilant. Don't let Mommy be taken away by other uncles!"

"She won't be," Huo Yunshen was already standing up as he said that. He stroked his daughter's head and said, "Take your time to finish your meal, Baby. Daddy is going to see who was looking for your mommy."

When he got to the living room, Xu Xiyan had returned. She was holding a large bouquet of beautiful arum-lilies in her arms.

He could tell that she was in a particularly good mood after receiving the flowers. The corners of her mouth were curved upwards and her eyebrows were even smiling. When she saw Huo Yunshen, she said bashfully to him, "Oh, just look at you. Sending flowers to me this early in the morning. Aren't the flowers in our garden beautiful enough?"

"..." After hearing her words, Huo Yunshen's face darkened.

Today was not a holiday, and he had not ordered flowers for his wife. Who had sent her these flowers?

Huo Yunshen said nothing and directly took the bouquet from Xu Xiyan's arms. He turned and looked over the bouquet before pulling out a small card that read:

[Dear Miss Yim, do you have time tonight? Would you care to join me for dinner? This is my private number: xxxxxxx. I look forward to your reply.]

There was a signature at the bottom corner of the card: Mo.

It was Mo Yutian!

Huo Yunshen did not expect that Mo Yutian had already found out about their place of residence. It seemed that his rival had resorted to some means for this information.

"The flowers weren't from you?"

Xu Xiyan noticed that something was not right from his expression. She reached out and took the card from him. "What's written on it?"

Huo Yunshen did not show her the contents of the card and crumpled it into a ball. He then strode out of the door with the flowers.

"Thump!" The door slammed shut as he went out. Before a minute had passed, he returned.

Xu Xiyan saw that his hands were empty. "Where are the flowers?"

"I've thrown them away."

"Why did you throw them away? It was such a big bouquet of flowers."

Xu Xiyan had already guessed who had sent the flowers. It was most likely Mo Yutian.

She did not expect that Mo Yutian would send her flowers, but she just felt that there was nothing wrong with the flowers. What a waste to throw them away!

"If you like flowers, I can give you flowers every day." His thick and ink-dark eyebrows scrunched up tight together as he shouldered past her. Then, he added, "From now on, you will not accept any flowers from anyone except for me."

He was really getting more and more domineering!

Xu Xiyan watched him exude bitterness as he turned his back on her. She jogged up to him. "Hey, what's wrong with you? Are you jealous?"

Huo Yunshen shot her a cold look, then reached out to grab her wrist. His tone was not pleasant. "Yes, that's right. So what if I'm jealous? Tell me, did you know him first, or did you know me first?"

Gosh...

Was it necessary to fight over who came first too?

Xu Xiyan stifled a giggle, then placated him gently, "Of course I knew you first. He can't compare to you. He was just one of my clients. You're different."

"How am I different?"

Huo Yunshen looked down at her with dark eyes. He was feeling very insecure now. His wife was too beautiful that he feared that other men would covet her.

"You're gentle and considerate, talented and handsome without compare. Also, you have such great cooking skills. In this world, I will never find a second Huo Yunshen who could make me fall head over heels in love with him," Xu Xiyan praised her own man unambiguously. She found that it was also necessary to coax and placate men.

If he ever became jealous, all she had to do was to coax him!

Huo Yunshen felt very pleased after listening to her praises and his mood improved. He wrapped an arm around her and asked, "Am I only a great cook?"

Chapter 700: Already Seducing Her This Early In The Morning

Xu Xiyan realized what he was subtly implying and her face flushed red. She said bashfully as she was nestled in his arms, "Oh you! How could I say it!"

"Say it! I want to hear it!"

The man closed in towards her unyieldingly, forcing her back to a wall and finally trapping her in a kadedon.

"I don't think this is a good idea, our daughter's watching!"

Their positions looked very suggestive. He was already seducing her this early in the morning.

Xu Xiyan was worried that they would be seen by their daughter. She quickly pushed him away and ran away from his arms bashfully.

Huo Yunshen curved his lips in delight as she watched the delicate woman walking away, feeling very embarrassed. Even if his looks were factored out, he was still extremely confident when it came to his skills in bed.

Loving her, spoiling her, and satisfying her—these were the driving forces of his life.

After breakfast, someone came knocking at the door.

This time, it was Tang Feimo who had knocked on the door. The little boy was sporting a brand-new school uniform, looking handsome. He saw Xu Xiyan at the door and said sweetly, “Mama Jing, is Cherry at home? I've come to go to school with her.”

Oh my, he had even started to call her Mama Jing.

Xu Xiyan let out a long sigh inwardly. Children these days are really precocious. The boy already knew how to build a good relationship with his future mother-in-law. What was their future going to be like?

“Ying Bao is home. Come on in!”

Xu Xiyan led Tang Feimo into the house and shouted into the house, “Ying Bao, look who's here!”

Ying Bao had been waiting for Tang Feimo. She had thought that he was not coming for her and she was idly passing the time playing with her little pet turtle alone.

When she heard that Tang Feimo had come, she shot up to her feet and toddled over to them happily, calling out to him in a babyish voice, “Big Brother Feimo! Baby thought you were not coming!”

“How could I not! I'm a man of my word. I've already promised that I would definitely come for you,” Tang Feimo said as he thumped at his chest, acting just like a small adult.

Ying Bao took Tang Feimo's hand and said happily to him, “Big Brother Feimo, from this day onwards, Baby is a kindergartener. You have to call Baby by her official name. You can't call Baby by her nickname anymore!”

“Your official name is Huo Yinyin?”

“Yup! My Daddy gave the name to me,” Ying Bao said very proudly.

Tang Feimo scratched his head, then said reluctantly, “But I still prefer to call you Cherry. The name Cherry is so cute. Whenever I hear it I feel like eating you up in one go.”

Since Tang Feimo preferred to call her by her nickname, Ying Bao readily agreed to it. “Oh alright, Baby gives you permission to call me by my nickname.”

“Thank you,” Tang Feimo said happily.

“Let's go, it's time to go to school.”

Xu Xiyan escorted the two children out. Outside, Huo Yunshen and Tang Yichen had already prepared the car and were ready to depart anytime.

At the Peijing Experimental Primary School.

In order to avoid trouble, Xu Xiyan and Huo Yunshen had disguised themselves today. Huo Yunshen wore a pair of ripped jeans, a wig over his head, a pair of black-rimmed glasses and a fake beard stuck along his jawline. At first glance, he looked particularly like a pretentious hipster upstart.

Xu Xiyan had slightly groomed herself. She had given her face a makeover and she didn't look one bit like the actress Jing Xi. She looked just like an ordinary looking wife of an upstart.

When the couple appeared, Tang Yichen burst into laughter.

Oh my god. They looked so ridiculous. Please allow me to laugh for three minutes.

The parents of both kids escorted their children into the campus. Tang Feimo took Ying Bao's hand and began to introduce her to her new campus.

He showed her the locations of the elementary school department, their classes, and the kindergarten. Tang Feimo was just like a little tour guide, giving Cherry a tour around the place.
