

Priceless Baby 801

Chapter 801: Unable to Avert His Eyes

Li Ruochu turned her face and let the soldier have a better look. After making sure that it was an old woman, the soldier let them pass.

After the car made a turn, Xu Xiyang asked, "Ruochu, what's happening here? Are they here for you?"

Li Ruochu nodded and smiled awkwardly. The soldiers were looking for her, but she did not expect it at such a large scale.

"Are you like some fugitive or something?" Xu Xiyang joked, as she was curious about her identity.

Since Li Ruochu did not explain, Xu Xiyang stopped pursuing.

When they arrived at the studio for "Sceneries," the male protagonist, Su Jimo, was already there.

Xu Xiyang was excited as she saw him. Su Jimo was the actor that Xiao Yuqian brought up six years ago.

As he expanded his career internationally, he became the second Chinese International Movie King after Elvis.

Xu Xiyang could not believe that they were able to get such a huge star to play a role in her movie.

The fame that Xu Xiyang had was not even enough for her to stand on the same set with Su Jimo. She was really grateful for the chance that Xiao Yuqian and Huang Guoqiang was giving her.

When Xu Xiyang handed the script for "Sceneries" to Xiao Yuqian, she joked about how good it would be if they could get Su Jimo to play the leading role. She never thought that Xiao Yuqian would take it seriously.

"Mr. Su, nice to meet you!" Xu Xiyang greeted like a little fan of his.

Su Jimo was a handsome man with perfect facial features. His skin was soft with an attractive sideburn, and he moved elegantly. The most attractive part of him was when he wore a pair of slacks.

"So you're little Jing Xi?" Su Jimo asked with a smile.

"Yup, is there a big Jing Xi here?" Xu Xiyang joked, and Su Jimo laughed.

Su Jimo was almost in his 40's while Jing Xi was only 23 years old. She was still like a little kid to him.

What was more was that Su Jimo was a huge fan of Jing Ruyue.

As she scanned Jing Xi's face, he noticed that she really looked like the goddess he looked up to.

His eyes fell onto Xu Xiyang's pretty hands, and he could not avert his eyes any further.

She has pretty hands.

No one really knew that Su Jimo was the kind of person who favored pretty hands.

Like how he fell for Jing Ruyue's hands in the past, too.

He accepted the offer to be a part of the movie because it was the work of Jing Ruyue.

It was a surprise to him when he learned that he would be in the movie with Jing Ruyue's daughter, and it felt like he was shooting the movie with his goddess, herself.

As the recording began, the tension between Xu Xiyuan and Su Jimo began to disappear.

Su Jimo would always try to teach Xu Xiyuan more about acting techniques and skills, and she learned a lot from him.

After the recording for that day had ended, Xu Xiyuan left in the van with Li Ruochu and Wan Dou.

But they did not expect to get into trouble on their way back.

Their van was stopped once again as a dozen people were pointing guns at their van.

Xu Xiyuan looked through the window and noticed it was still the same soldiers that were looking for Li Ruochu.

Priceless Baby's Super Daddy 802 So Bold To Abduct Someone

Not only did they not go away, but they managed to find the precise coordinates of Li Ruochu's location and stop her in time.

Li Ruochu did not expect that those soldiers would still stay at the same place. Before she could even do her makeup and disguise herself as a grandmother, the door of the celebrity van was opened by the soldiers by force.

The soldiers stood in two lines with their guns pointed at them. Between them, the young officer they had seen in the morning walked up to them and said, "Miss Li, we've finally found you. Please go back with our young master Qing!"

Li Ruochu braced herself and looked outside. Behind the adjutant Rong Wei stood a tall and handsome figure. The man was wearing a military uniform and had a dark look on his face. There was a strong and domineering air about him.

They could not help but gasp at the sight of him.

He had actually come to catch her in person?

Seeing that Li Ruochu did not budge, the man who was called "young master Qing" stepped forward himself. He glared at Li Ruochu like a fierce tiger, a trace of anger flashing in his eyes.

"Get out of the van!"

This was his order.

"I don't want to get off."

Li Ruochu refused to get out from the van, but the man directly grabbed her wrist, attempting to pull her out from the van by force.

Xu Xiyan could not just sit idly by and watch. Are these people robbers? Who are they who are so bold to abduct someone in the middle of the night?

"Let her go!" Xu Xiyan took Li Ruochu's arm in time and pulled her to her side. "Who are you people? Why are you capturing her?"

That voice...

After suddenly hearing Xu Xiyan's voice, Helian Qingyu raised his eyebrows and turned around to look at her incredulously.

His cold and sharp eyes fell on the girl's beautiful face. As he met her beautiful gem-like eyes, Helian Qingyu was shocked speechless.

Xu Xiyan furrowed her brow as she snatched Li Ruochu's arm back from the man's grip. She warned him, "This is Peijing, a peaceful society ruled by law. If you dare take her away, we will call the police!"

Xu Xiyan did not call the police, but she had secretly contacted Huo Yunshen.

Helian Qingyu's tightly pursed lips now curled into an icy frown. He immediately ordered his adjutant, "Take them all away!"

"Hey, you guys..."

She was utterly helpless. There were many soldiers and every one of them had a gun. Xu Xiyan, Li Ruochu, and Wandou were directly taken away.

Fortunately, the soldiers did not harm them; the three of them were brought to the 806 Hotel in the Peijing Military District.

Xu Xiyan knew about the 806 Hotel. This was the hotel the country used to specially receive military and political figures. Those who were not soldiers or had no business were not allowed to come near the hotel.

She was very curious now. She wondered who exactly this man called "Young Master Qing" was.

He was obviously wearing the military uniform of Estant, but was he staying in the hotel in Peijing's Military District?

Is Li Ruochu really a cross-border fugitive or a spy or something?

They were locked up in a luxurious room and their mobile phones and other belongings were confiscated. Li Ruochu was the most anxious and she felt very sorry for involving her friends in this.

Xu Xiyan was still rather calm, but Wandou was completely terrified to the extreme.

"What should we do, Sister Jing Xi? Sister Ruochu, are they terrorists? What do they want with us? I saw the news on TV that these terrorists would gangrape their captives after capturing them. What should we do? How are we going to escape?"

"No, they won't do that," Li Ruochu comforted her. When she saw the adjutant Wei Rong coming in, she immediately said, "Hey! Wei Rong! Tell him to let go of my friends! He can keep me! Please don't hurt them!"

...

Chapter 803: A Powerful Man

"Don't worry, the young master would not hurt them," Rong Wei said as he gave them back their stuff. "Ladies, could you please come with us?"

The girls looked at each other and followed Rong Wei out.

They were invited to a VIP dining room in a hotel, where luxury foods were placed on the table.

Wan Dou was intimidated by it and grabbed Xu Xiyan's arm.

"Are they going to kill us after we eat? Is this going to be our last meal?" Wan Dou asked.

"Don't worry, Ruochu is still here, we should be all right," Xu Xiyan said.

Xu Xiyan could not help but commend Wan Dou for her imagination.

Xu Xiyan believed that the soldiers weren't bad people, they were only here for Li Ruochu.

Soon after they sat, the door opened, and soldiers lined up to form a passage.

Then a tall man slowly walked into the room.

Xu Xiyan took the chance to take a good look at the man. Good looking, muscular body, sexy eyebrows, and attractive lips.

Yet his stare was cold.

With her understanding of Estan, Xu Xiyan knew that the man held a high position in Estan's army.

He was a powerful man.

He Lianqing sat down and looked at the three girls sitting in front of him. He stared at Xu Xiyan longer and then turned to Li Ruochu.

"Aren't you going to introduce us?" Helian Qingyu asked.

"These are my friends, Jing Xi and Wan Dao." Li Ruochu introduced them like she had no choice.

Helian Qingyu had been looking for the girl who saved his life, but he never found her.

And now she was sitting in front of him, and her name was Jing Xi.

Even though he could not remember what she looked like, he still remembered her voice.

The moment she spoke in the car, he instantly recognized it.

"Jing Xi, Wan Dou, this is the general of all three Estan's military groups, Helian Qingyu," Li Ruochu continued to introduce.

"..." The girls could only stare at the man. They'd guessed that he was powerful, but not that powerful.

The man was the person with the highest military power in Estan.

Even though the girls weren't interested in power, they were curious as to why Helian Qingyu was looking for Li Ruochu.

"What's your relationship with him?" Xu Xiyan asked in a low voice as she pulled Li Ruochu to her side.

"He's... he's my debtee," Li Ruochu said.

It wasn't the truth as she was afraid that the other girls would abandon her if they knew the truth.

Xu Xiyan did not pressure any further. The only thing that Li Ruochu could owe him was either money or favor.

And since it would be near to impossible for such a powerful person to come personally for money, Xu Xiyan guessed that something must be going on between them.

Helian Qingyu let out a cough and asked, "Miss Jing Xi, is it? Have you ever been to Estan?"

Priceless Baby's Super Daddy 804 She Already Had A Lover

Xu Xiyan did not know why he had suddenly asked her this question.

"Do you know there was a terrorist attack in the small town of Likee? At Vikio Bar?"

"Yes, I know. It seems that you were attacked during your tour of the south. I just happened to be there at that time. But, why do you ask?"

Xu Xiyan not only knew about the attack, but she had also experienced a terrifying life and death situation there herself.

At that time, there were so many casualties because of the attack on Helian Qingyu's tour.

Since Helian Qingyu was asking her this question, was he investigating and collecting evidence relating to the terrorist attack?

"Military investigation purposes." Helian Qingyu gave a straightforward answer. He rested his perfectly angled jaw on one hand and gazed at the girl's fair face, listening to her intently. "Can you elaborate more?"

That's right, it was her who had saved him—Jing Xi.

He wanted to listen to her explanation personally. He wanted to know how a girl had put her life in danger and boldly saved his life at that time.

Xu Xiyan thought this was a real military investigation, so she told him everything she had gone through at that time. "So that was what happened and after that, I returned to Zstan."

"Jing Xi, do you know who the person you saved at the time was?"

Xu Xiyan shook her head.

She only knew that General Helian Qingyu was attacked during his tour, but she did not know that the soldier she had saved was actually him.

"That person was me."

Xu Xiyan: "... This is too much of a coincidence, isn't it?"

Helian Qingyu rejoiced inside that he had finally found her. He raised his glass to her. "Thank you. If you hadn't saved me at that time, I may be dead now."

"No, it's okay. It's really nothing. No matter who was in that situation, I would not just stand idly by and watch."

A general of a country was giving her a toast!

Xu Xiyan felt honored. She stood up and touched her glass with his, then took a sip of her wine before sitting down.

What she was thinking was: She really didn't need his gratitude; she was only being a good doctor and saving him wasn't hard work at all.

Li Ruochu, who was sitting between them, inadvertently stole a glance at Helian Qingyu. She noticed that Helian Qingyu's eyes were full of sincerity and gratitude, but there was also a hint of ambiguous emotion behind those eyes, as though he had discovered a secret.

Could he be...

Li Ruochu leaned into Helian Qingyu's ear and whispered a reminder, "You have no chance! She already has a lover!"

The man's eyebrows suddenly tightened. His dark eyes darted sideways at Li Ruochu for a moment, then looked at Jing Xi. She already has a boyfriend?

Helian Qingyu had just recognized her and hadn't had time to investigate her background, so he had not known whether she was still single.

But when Li Ruochu said that she already had a lover, his heart clenched up.

What a pity!

It was really a pity!

It was rare that he was able to meet a girl he admired.

As a noble general of his country, Helian Qingyu was not the kind of person who would take someone else's woman by force. If that was the case, he could only swallow down his pain, and said, "In any case, you've saved my life. Next time, as long as you have need of my help, I will do my best to repay your kindness."

"Oh, no, no. You've prepared such a rich feast and it is already a very good favor to me."

Xu Xiyan really didn't want him to repay her a favor or do anything like that. Now her tummy was growling with hunger; it would be most practical if she could start eating as soon as possible.

"Please help yourselves!" Helian Qingyu invited them to dine.

Xu Xiyan exchanged looks with the other two girls, then picked up the chopsticks.

She plucked some food with her chopsticks, but before she could even lift them to her mouth, someone had kicked the door of the private dining room open.

...

Chapter 805: Ruined the Atmosphere

Before they could even react, the table broke and was thrown to one side.

With the chopsticks still in their hands ready to get some food, the table was gone.

They raised their head only to see the room being stormed by bodyguards in black suits and guns in their hands. The soldiers in the room also took out their guns ready to defend their general.

As both parties were in a stalemate, a man came in and scanned the room with his cold eyes.

The man swore that if anyone dared to hurt his wife, he would tear them apart.

As soon as Huo Yunshen got the SOS call from Xu Xiyan, he brought his men to rescue her right away.

He'd already thought of the worst thing that could happen, but he was stunned by the scene when he kicked the door open.

The people in the room were ready to have their food when Huo Yunshen ruined the mood.

His eyes landed on Xu Xiyan's face and he asked, "Jing Xi?"

Xu Xiyan threw away the chopsticks in her hand and ran to Huo Yunshen.

"Hubby! You're here!" Xu Xiyan said as she grabbed his arm.

"Yes. Are you okay? Did they hurt you?" Huo Yunshen asked as he frowned.

"No, it's just all a misunderstanding. Let me introduce you to someone."

Yet before she could introduce Helian Qingyu to Huo Yunshen, Helian Qingyu stood up and greeted, "We meet again, Mr. Huo."

"So, it's General He," Huo Yunshen greeted back, recognizing who he was.

Since the Huo Group had traded with Estan, they'd already met and could even be considered friends. Yet, Helian Qingyu had no idea who Huo Yunshen really was.

"We met last time when I was patrolling at the South. We really are fated, huh?" Helian Qingyu laughed.

"I think I should buy you a drink."

Helian Qingyu had learned that he was sent to the hospital with Huo Yunshen's help. He did try to visit Huo Yunshen at the hospital, but Huo Yunshen had already left.

"You're right, but I should be the one buying since I was the one who ruined this meal," Huo Yunshen offered.

Huo Yunshen quickly ordered another round of food.

Xu Xiyan stared at Huo Yunshen as the two men talked and asked, "You two knew each other?"

"Yup," Huo Yunshen nodded.

"Mr. Huo, are you Miss Jing Xi's boyfriend?" Helian Qingyu asked as he noticed that they were close.

"No," Huo Yunshen said as he pulled Xu Xiyan into his arm. "I'm her husband."

"You two are married?" Helian Qingyu asked in surprise, as they looked young.

"Not only are they married, they even have a six years old kid," Li Ruochu said just to hurt him.

"..." Helian Qingyu was really shocked by the news, but one of his flames died with the shock.

So what if I could find the girl that saved me?

Chapter 806: What A Melodramatic Person

She was already married and had a child. Furthermore, both husband and wife seemed very loving toward each other. He would not do anything to her anymore because he knew to do the right thing by not snatching the wife of a friend.

"I had no idea. Mr. Huo is really blessed!"

"Thank you."

The two men valiantly downed their wine in one go.

Only admiration and envy lingered in Helian Qingyu's eyes. He envied Huo Yunshen's good fortune. Compared to him, his situation was a bit sad.

All because of the woman beside him: Li Ruochu.

He had told her to stay in Estan obediently, but she did not listen and came to Zstan in secret.

This girl was simply naughty. Wait til he teaches her a lesson tonight!

They had a harmonious dinner. Helian Qingyu had made an appointment in advance: The next time Huo Yunshen and Xu Xiyan come over to Estan, he would definitely invite them over to his residence.

After the meal, Huo Yunshen got someone to send Wandou home before taking his wife home.

Helian Qingyu stayed at the hotel, detaining Li Ruochu with him.

Li Ruochu saw that they were leaving and shouted for help, "Jing Xi, don't leave me! Help me!"

She didn't want to stay with this devilish man!

Xu Xiyan had long figured out what the deal was between the two. She had to let them solve their relationship problems by themselves. Furthermore, General Helian had come from thousands of miles away just to pursue her. She had better not interfere in their affairs.

"Sister Ruochu, since General Helian has something important to discuss with you, you should stay. See you tomorrow morning."

Xu Xiyan left with Huo Yunshen. Li Ruochu looked at Helian Qingyu with horrified eyes. The expression on the face of the man was not right.

"You! Come with me!" Helian Qingyu grabbed her wrist and dragged her into his room.

The door slammed shut with a loud thump. Li Ruochu was flung onto the big soft bed, her body bouncing up and down on it upon impact. Her mind was fuzzy.

The man in front of the bed unfastened the belt of his military uniform, and then the collar hook of his coat...

After the man took off his coat, he threw it carelessly onto the sofa.

He loomed over her, glaring at her icily and imposingly like an emperor. Li Ruochu felt her heart skip a beat.

She cried inwardly: It's over.

Li Ruochu pulled the blanket up to cover herself. She said, terrified, "Helian Qingyu, I warn you! Don't try to mess with me! We are in Zstan and this is not a place you can do whatever you want. If you dare touch a single hair on me, I'll sue you for intending to rape me! I'll see how you are going face the consequences as the supreme commander of the three armed forces!"

A look of disdain flashed across the man's eyes as though he was mocking her. What a melodramatic person, he thought.

After undoing the buttons and the cufflinks of his shirt, he snorted, "Don't tell me it's also illegal to take a shower in Zstan?"

Li Ruochu almost bit her own tongue. What... he... he was just going to take a bath? He's not going to do "that" to her?

Oh boy, it turned out that she was overthinking it.

The man opened his white shirt, revealing his bare and sexy chest. Faintly visible at his abdomen was a set of well-defined eight-pack abs, his muscles firm and powerful.

Oh my god, he was so hot. How is a woman like her going to live with a big strong man with such a fine body!

"Seen enough? If you dare peek again, I'll dig your eyes out," Helian Qingyu sneered at her. Li Ruochu almost choked.

Who's peeking anyway?

Can't she admire the view openly?

He was the flasher, and yet he didn't want her to look at him. What kind of logic is that?

Chapter 807: A Vicious Mouth

“If you are not here after my shower, I'm gonna pluck all 4 of your claws,” Helian Qingyu threatened and went into the bathroom.

What claws? Li Ruochu scolded in her head. Only you have claws!

Li Ruochu was never a person who would listen to orders. As soon as Helian Qingyu left, she quickly jumped down from the bed, looking for a way to escape.

The moment she opened the door, she was met with Rong Wei's face, and two other guards beside him.

Li Ruochu closed the door angrily and looked for other ways to escape.

She went to the window and looked down.

The room she was in was on the 16th floor. She wouldn't mind if she might not make it, but she hated the fact her pretty face would be ruined from the fall.

Option two wasn't looking good for her either. As she was pondering what to do next, the man came out from the bathroom.

“Li Ruochu! How dare you try to escape again!” Helian Qingyu scolded as he noticed Li Ruochu was next to an open window.

Shocked by his voice, Li Ruochu almost fell out the window.

She turned around and was met with the man's cold stare.

“Of course I wouldn't dare to do that. I'm just looking at the stars,” Li Ruochu explained.

The man walked over, looked at the dark sky, and scolded, “What stars? There's clouds everywhere! Please use your brain next time if you want to find an excuse.”

What a vicious mouth he has! Li Ruochu scolded. Would it kill him to show some respect?

The man closed the curtain and picked Li Ruochu off the window sill and threw her down next to the bathroom.

“You've got five minutes to shower,” Helian Qingyu said.

“But I don't want to...”

“Then I'll do it for you.”

Li Ruochu bit her own lips and ran into the bathroom faster than a rabbit.

Helian Qingyu could not help but smile when he looked at the girl's back.

She wasn't as plain as he thought she was.

After showering, Li Ruochu stayed in the room worried all night. Yet, Helian Qingyu did not do anything to her.

Helian Qingyu hurried back to Estante the next day and took Li Ruochu with him.

Li Ruochu sighed, thinking about her bad luck. She thought that, after finding a job in Zstant, she would be able to get away from him, but she was wrong.

She couldn't even say goodbye to Jing Xi face to face and could only send her a message.

A message notification woke Xu Xiyan from her dreams, and she tried to poke her head out from the man's arms to get her phone.

But before she could check the message, the man snatched the phone away and pulled her back.

"What are you doing?" the man asked in his usual sexy voice as his hand grabbed her waist.

"I want to check my message," Xu Xiyan said. The alarm had already rang once but was turned off by the man, and Xu Xiyan thought that it was time to get up.

She recalled the activities they did the night before.

She couldn't help but wonder why men would not feel tired from it.

They did it until the sun was almost up and now his thing was up again.

Chapter 808: Yearned For By Other Men

"Tell me! If Helian Qingyu pursues you, would you be tempted?"

Huo Yunshen felt very worried. His wife was too charming and she would always attract all kinds of men unwittingly.

And, each one more formidable than the last.

First, it was Mo Yutian, then came Helian Qingyu.

If the two men took turns sabotaging their relationship, how was he going to live his days?

Fortunately, he and Helian Qingyu were friends. Last night he had promptly clarified his relationship with Jing Xi. Otherwise, knowing Helian Qingyu's temper, he would definitely not let go of Jing Xi easily.

He was already informed by Nightfall long ago. Nightfall had told him that after Helian Qingyu's recovery from his injuries, the general had been sending his men to look for the girl who had saved him.

If he hadn't given a strict command and told Nightfall not to reveal anything about her, perhaps Helian Qingyu would have already come knocking at their door.

As long he thought of his beloved woman being yearned for by other men, Huo Yunshen could not help but want to hold her tight; he didn't want to be separated from her, not even for a single second.

"I... I'm going to be suffocated if you continue to hug me this tight."

Xu Xiyan managed to peek her head out from his arms, raised her head and nibbled his smooth and sexy chin. "Helian Qingyu? Pursuing me? Are you being jealous again? Don't you know that I only have you in my heart?"

"But what if he wanted to repay his debt to you with love?" The man pressed on.

Is he this insecure? Xu Xiyan thought.

"I don't remember how many people I've helped. If every one of them wanted to repay me with their love, then what would I become? Your love for me is already enough."

The man was so cute while being jealous and Xu Xiyan felt like laughing. "Also, didn't you see that Helian Qingyu and Sister Ruochu are a couple? Could you please stop overthinking it? Just think about me, think about Ying Bao, and think about how our family of three will always stay together and no one can break us apart. How wonderful is that?"

"Okay, I'll only think of you."

Now that his daughter had Tang Feimo thinking of her every day without giving her father a chance to think of her, he would just think about this "big baby" here.

The man turned over and pressed her down to the bed again, starting a morning "aerobic exercise" session.

After Xu Xiyan finally got up and looked at her mobile phone, she realized that it was Li Ruochu who had sent her a message.

In the text message, Li Ruochu said that she had returned to Estan. Regarding her job as Xu Xiyan's manager, she could only put it on hold for the time being and she was very sorry for it.

Xu Xiyan felt that Li Ruochu was a very good person. Although her time with her was not long, she still liked her character very much.

She only wondered how her relationship with General Helian would develop. She hoped that it would go smoothly!

After continuously shooting "Landscape" for a week, Xu Xiyan once again returned to the "Beauty of the World" production crew to continue her shoot as the second female lead.

After Xu Xinrou had mourned for her daughter's passing, Yang Qiong persuaded her to return to the shoot. This time, after everything that had happened, Xu Xinrou had completely changed into a different person. She had become even dark and hateful, her hatred for Jing Xi even stronger.

It was Yang Qiong who had deliberately stirred up more trouble. She had told her that Chu Youyou's death was not an accident; it was Jing Xi who had seen through their schemes in advance and turned them against her daughter.

Thus, Xu Xinrou simply saw Xu Xiyan as a thorn in her flesh.

She hated her to the bones.

After returning to the shoot and in order to seek revenge for her daughter's death, she struggled to fight down her anger just to wait for a suitable opportunity to retaliate against Xu Xiyan.

During a break, Yang Qiong asked, "Xinrou, did you notice that Yunhai Entertainment has been backing a newcomer called Qin Linlin recently?"

"No. What about it?"

Chapter 809: People are Angry

"I noticed that this Qin Linlin really looks like Jing Xi," Yang Qiong explained. "I was even shocked when I first saw her on the news."

"She even has a fake version of her now?" Xu Xinrou scolded. "How funny!"

"And that's why we can use her," Yang Qiong said. "Why don't we use her to make a scandal saying Jing Xi has cheated?"

"This is a great idea! It'll be interesting to watch!" Xu Xinrou smiled slyly.

Xu Xinrou had no idea that her hatred towards Xu Xiyan would also affect her job.

Xu Xinrou would always stare at Xu Xiyan with hatred and jealousy, even during the recording.

After Huang Guoqiang checked the videos, he had a feeling that Yun Qingchen was slowly turning into the antagonist.

He scratched his chin and wondered if it would best if he changed the script.

Since Huang Guoqiang had experience in modifying the script during the shooting period, he planned to do the same to "Beauty of the World."

When the drama was shooting the 250th scene, the first five chapters began to air online.

Because of how Huo Zhiliu died at the beginning of the drama, the viewers could not find themselves hating the female antagonist.

The discussion online all pointed out that Yun Qingge looked more like the main character instead.

The netizens all liked the fact that Yun Qingge would fight for her love, and most of them supported the character.

They liked how she was going to take her revenge on the emperor.

For that, Huang Guoqiang did a poll like the one he did for "Root of Evil" last time.

The title of the poll was {Who's the better main character? Yun Qingchen or Yun Qingge?} If Yun Qingchen won the poll, then they would continue as planned.

If Yun Qingge won, then he just had to turn Yun Qingchen into the antagonist instead.

Xu Xinrou saw the poll online and knew that danger was closing in.

What are they doing? Xu Xinrou scolded. Are they trying to give the main character to Xu Xiyan? How could they do that?

Xu Xinrou quickly made a hate comment on Jing Xi.

[Jing Xi is just a bitch! All boobs and no brains! Her acting sucks, and she only knows how to attract men with her face!]

She did not expect the people to get angry at her as soon as she commented.

Since she forgot to change out of the main account, she posted the comment under her own name.

As soon as Jing Xi's fans noticed that Xu Xinrou was talking about Jing Xi online, they quickly refuted her, writing down worse comments than the one she wrote.

[How shameless can you be? How dare you talk bad about Little Xixi online! Die!]

[Do you even have a brain? You're the worst shit out there! A public toilet for men!]

[I hope that you'll have worse luck than having a miscarriage!]

[You're such a whore!]

[Do you know why Chu Yuhe and your kid had to die? It's called retribution!]

More than 1,000 comments were left under Xu Xinrou's comment, and she quickly deleted it.

Chapter 810: Whoever Dared Touch His Woman

But what she did not expect was the clash between their fans as a result of her words.

Xu Xinrou had accumulated her fans for many years and she had more than 10 million fans on Weibo. But because of the public's poor opinions about her, many of her fans had become anti-fans.

Whereas, Xu Xiyan's Weibo account, Jing Gongzi, had accumulated about five or six hundred thousand fans shortly after her debut.

These fans were all accumulated after her singing performance with Ni Yun and her scandal with Huo Yunshen.

Although it was not a large number, the quality of her fans was very high. The fans who loved her stood up for her and viciously criticized Xu Xinrou. It was very satisfying.

One day, a week later, Xu Xiyan suddenly received a message from LK, informing her to go to the LK Tower.

It was near evening when her shoot ended. Xu Xiyan was going to take Wandou home, but Wandou had eaten something bad that gave her a stomach ache and she needed to go to the bathroom immediately.

Xu Xiyan informed Wandou that she had to go off and left, but her celebrity van broke down and could not drive her home.

So Xu Xiyan had no choice but to hail a taxi and go directly to the LK Tower.

Xu Xiyan walked into the elevator of LK Tower. When the elevator was going up, it suddenly stopped; the power was cut off and she was stuck inside.

She immediately pressed the emergency button but the alarm did not sound. She tried to call someone on her mobile phone, but the elevator was completely enclosed and there was no signal inside.

Doggone it. Is there anyone unluckier than her?

Xu Xiyan could only wait patiently. There should always be somebody needing to take the elevator, right?

As long there was someone who discovered that the elevator was out of order, they would definitely report it.

However, Xu Xiyan could have never imagined that the security guard in the lobby had placed an "Under Maintenance" sign in front of the elevator.

Meanwhile, a reporter had photographed Jing Xi getting a room with a wealthy businessman at a highly rated hotel.

The news quickly spread onto the Internet with the title:

[Popular actress Jing Xi commits adultery with wealthy businessman, the pair going directly to the hotel together for a room after her shoot]

This scandal came out quickly and spread even faster. Within half an hour, the news was all over the internet.

Furthermore, a group of paid posters appeared specially to post negative comments; all of them were written with the intention of tainting Jing Xi's name.

This caused Jing Xi's real fans to feel like they had been slapped in their faces after seeing the news.

Fortunately, they were calm enough and waited for an official explanation.

The reason was they did not believe that Jing Xi was such a woman. Not to mention that she already had such a great and handsome prince charming like Huo Yunshen. Why would she cheat on him and go for another man?

After the scandal was out, the first to see it was Huo Sanyan, who immediately passed the link of the news to her own brother.

Others such as Yi Xiao, Xiao Yuqian, Tang Yichen, et cetera had also reported the situation to Huo Yunshen in a timely manner.

Jing Xi was cheating on me?

Huo Yunshen looked at the message notifications that appeared on his mobile phone and open the links. They were all about Jing Xi's adultery scandal.

The photo showed the backs of Jing Xi and the wealthy businessman as they entered the hotel room together. There were no signs of the photo being photoshopped, and the woman's silhouette in the photo looked really like Jing Xi; she was even wearing the same clothes she had worn in the morning.

How could she possibly...?

His eyes became darker as dark and ominous light gathered in them, a faint murderous aura exuding from him.

Huo Yunshen gritted his teeth, his hand almost crushing the screen of his mobile phone.

His first reaction was: Whoever dared to touch his woman, they're dead!

He believed that Jing Xi would never betray him.

The best way to verify the matter was to call the person it concerned directly.

Huo Yunshen called Jing Xi's phone, but a mechanical voice came from the speakers: Sorry, the number you have dialed is temporarily unavailable...
