

Priceless Baby 881

Chapter 881: Nothing Better Than That

Xu Xiyan took the script excitedly and briefly read it.

"This is great! I knew you had the talent in doing this!" Xu Xiyan praised.

"I still have many things to learn," Fang Xiaocheng said. "It's all thanks to you that I get to have this chance."

At first, giving Fang Xiaocheng the opportunity to edit the script was only a way to help her get out from her sadness.

But after reading the script, Xu Xiyan felt that it was already good enough to turn into a movie.

"I think you should just join our studio and become our scriptwriter," Xu Xiyan suggested.

"Really? Thank you! With this, I can make some money to feed the child!"

"Wait, isn't it about time to get your prenatal care?"

"Yup, tomorrow marks the fourth month."

"All right, I'll ask Yi Xiao to go with you," Xu Xiyan said.

"It's fine. I can go by myself. I don't really need someone to accompany me. Look, I can move as swift as a bird now."

But in truth, Fang Xiaocheng wanted to keep her distance from Yi Xiao as much as possible. She was already causing him enough trouble by living with him.

She had been telling herself that she had to live on, even without Dazhi by her side.

"As swift as a bird? More like a skeleton walking," Xu Xiyan joked. "You should gain more weight!"

Because of Dazhi's sudden departure, Fang Xiaocheng had lost more than 15 kilograms.

"I'll try my best to eat more."

Fang Xiaocheng had begun to take supplements for the baby in her belly.

"But time sure flies. We'll be able to see your baby in a few more months!"

Xu Xiyan could not wait to see the baby.

It was as if babies were angels sent by God to treat people's sadness.

Fang Xiaocheng returned after they finished talking and Xu Xiyan continued to go through the script.

She called Lu Zeyan and said, "Hey, did you get any good stories after our first movie?"

"Not really," Lu Zeyan replied.

“Great. I got a script in my hands now, I'll get it to you as soon as I can. If you think it's good, then we'll begin with the new film.”

“Okay! Anything you say, boss.”

Lu Zeyan was excited, as he was eager to continue to utilize his gifts in directing.

Huo Yunshen was standing outside Xu Xiyan's room with Ying Bao.

“Mummy is sick right now, and she needs to rest,” Huo Yunshen told Ying Bao. “Keep your voice down when we go in, okay?”

“Okay! I'll be soft.”

Ying Bao crouched down to the floor and tip-toed into Xu Xiyan's room.

When they went in, Huo Yunshen noticed that Xu Xiyan had fallen asleep with a pile of papers in her hand.

Huo Yunshen pulled the papers out from her hand and adjusted her pillow for her.

The father and daughter sat on the couch, waiting for Xu Xiyan to wake. Ying Bao drew on her drawing book while Huo Yunshen read the papers that Xu Xiyan had.

It was a script for a film.

The title was: Deep in the Shadow of the Stars.

On the first page was the information about the script.

Author: Jinxi.

Scriptwriter: Fang Xiaocheng.

After peeking at the details, Huo Yunshen noticed that the script was adapted from Jinxi's online novel with the same title.

Chapter 882: Tailor-made For Him

Wasn't the story between the male main character, Qin Yishen, and the female main character, Lin Ruyi, the story between him and Jing Xi?

Huo Yunshen remembered something. He often saw his own little wife typing at the computer at night. Whenever he came up to her, she would mysteriously switch screens, preventing him from looking at what she had typed.

So, it turned out that she had been secretly writing their story as a novel!

What a big surprise. Huo Yunshen was so happy. To be able to become the main male character of his wife's novel was a great honor.

Now that the novel had been adapted into a screenplay by Fang Xiaocheng, did it mean that they were going to make it into a film?

Huo Yunshen suddenly remembered what Xu Xiyan had said to him before. She had said that she hoped that he could return to the screen one day.

Could it be said that... this script was tailor-made for him?

As Huo Yunshen held the script in his hands, a completely new decision came to his mind.

Xu Xiyan woke up and opened her eyes. She saw her husband and daughter accompanying her in the ward.

“What's that smell? It smells really good!”

Xu Xiyan had caught a whiff of the fragrance of food.

“Hungry? I've made delicious food.”

Huo Yunshen unfolded the overbed table, then took out the food from a thermos jar and placed it in front of her.

Seeing the exquisite and delicious food made by her husband, Xu Xiyan's appetite was worked up. “Oh, my! Don't you know? These few days in the countryside, I've missed your cooking the most.”

Xu Xiyan took a pair of chopsticks from him and took a big mouthful of food. She praised the food non-stop, “Mmm-mmm, good, good! This is so good! My husband's cooking is still the best.”

The food was so delicious that she couldn't help but eat faster and faster. Seeing that she was gorging on the food, Huo Yunshen said to her worriedly, “Slow down, don't choke. I've made plenty.”

Before he could even finish his words, Xu Xiyan had already choked and she was thumping her chest.

“See! What did I say? I told you to slow down but you did not listen!”

Huo Yunshen hastily brought her water to drink and helped thump her back at the same time. Ying Bao imitated her father and helped her mother to thump her back too.

After Xu Xiyan drank some water, Ying Bao raised her little head and asked, “Are you feeling better, Mommy?”

“Yeah, I'm okay now. I'll slow down next time.”

Though that was what came out of her mouth, she automatically started to speed up eating again when she picked up her rice bowl again. She was really, really hungry!

As Ying Bao observed the way her mother was eating, she remarked, “Mommy is eating so fast, just like Auntie Three-Eyes! Whenever Uncle Tree-Leaf sees her eating like that, he would say, 'Oh! Is this a pig I'm feeding?'”

The little girl had even imitated Ye Xun's tone and movements and the two adults exploded into laughter.

With the company of her husband and daughter, Xu Xiyan was in a good mood. Before she had even stayed in the hospital for two days, she was already whining to go home.

After Huo Yunshen settled the discharge procedure for his wife, he took her out of the hospital but did not take her home straight away. Instead, he took her to a holiday resort.

He had reserved the whole resort and hosted a friends-and-family gathering. Their good friends were invited.

Tang Yichen, who had just survived a kidnapping, had come with his wife and son. Huo Yunshen's eldest sister, Huo Yijing, had also come with her husband and son.

In addition, Huo Sanyan, Ye Xun, Fang Xiaocheng, Yi Xiao, Wandou, Ni Xuelin, Mu Chenguang, Ma Haodong, and Xiao Yuqian were also there. Even Huang Guoqiang and Qi Liya had come.

The gathering this time was held to help Xu Xiyan and Tang Yichen get over their shock. It was also an opportunity to bond with friends.

After enjoying two days of leisure time here, everyone had to go back to their jobs.

Huo Yijing told Xu Xiyan that the review for *Those Beautiful Bygone Days* had been passed and the movie was scheduled to be fully launched in late November.

What surprised Xu Xiyan was that Huo Yijing had helped her repackage *Those Beautiful Bygone Days*. From the interesting behind-the-scenes, to the post-production and visual effects, everything had been improved meticulously.

Chapter 883: A Challenging Condition

Even though the studio planned for *Those Beautiful Bygone Days* to be an online film, Huo Yijing had turned it into a film that could be shown in theaters.

A lot of netizens left comments saying that they were eager to see the film after watching the preview.

Before Xu Xiyan went back to the set, she went to Jinxi Studio to hand the new script to Lu Zeyan.

"This would definitely be a huge hit if we can make it! I'm sure of it," Lu Zeyan said excitedly after reading the script.

"Then you can proceed with it!" Xu Xiyan agreed. "Let me know if you need anything."

"Do you have any actors in mind to play the protagonist?" Lu Zeyan asked.

A very handsome face appeared in Xu Xiyan's face, but she quickly dismissed it.

"I'll leave that to you too," she said.

"All right. I'll contact you when I've decided who will take the role."

After Xu Xiyan had left, Lu Zeyan went through the script again and felt like the protagonist had huge similarities to Huo Yunshen.

They were both movie kings, both had disabilities, and they both fell into despair too.

It would be best if Huo Yunshen could play the role, but Lu Zeyan believed that it would be impossible, as he had already stepped down from acting.

What Lu Zeyan did not know was that the story was written for Huo Yunshen.

Lu Zeyan also hoped that his boss could take on the leading female role herself because the female protagonist was a perfect mirror of her.

Just as he was deciding on which actors he should invite for an audition, his assistant came rushing in and told him that someone had requested an audience with him.

Lu Zeyan told his assistant to bring the guest in and was surprised when Yi Xiao walked through the door.

He knew that Yi Xiao was Huo Yunshen's most trusted assistant, and his actions represented Huo Yunshen's intentions.

"Can I help you, Mr. Yi?" Lu Zeyan asked.

"Nice to meet you, Director Lu," Yi Xiao greeted and went straight to the point. "Did Mrs. Huo hand you a script today?"

"Yes."

"Have you found an actor to play the protagonist?"

"No, not yet."

"Then, may I ask, is our president suited for the role?"

"Wait, are you telling me... that Mr. Huo wants to take on the role?"

"Yes. Our president has volunteered to play the protagonist. If it's okay with you, then it's decided."

"Of course I'm okay with it!"

Lu Zeyan was very excited. Huo Yunshen was the first person that came to his mind when he was deciding, but he had to think of other actors because of Huo Yunshen's status.

He never thought that Huo Yunshen would volunteer for the job.

"But our president has two conditions," Yi Xiao said.

"What are they?"

"One is that you're to keep a secret that he's going to play the role. And two, Mrs. Huo has to take on the leading female role."

Lu Zeyan was almost thrown back by the near-impossible condition, but it did not mean that it was impossible.

"I'll do my best!"

Chapter 884: Guessed Something Unimaginable

So, it was settled. In addition to offering himself to play the first male lead, Huo Yunshen would also bring funding into the production, sponsoring all the expenses of the production crew.

This was probably the first time Huo Yunshen had humbled himself to ask for a role in a movie since his debut.

It was all for his own little wife. How laudable!

At Jingyue Entertainment.

After returning from the mountain areas, Xu Xiyan took time to drop by the company to meet with Xiao Yuqian.

“President Xiao, I want to cancel my product endorsement with ROSUE. Please help me settle this!”

“You want to cancel ROSUE's?” Xiao Yuqian was so shocked that her jaw almost fell to the ground.

“Why? You've just canceled LK's, and now you want to cancel ROSUE's?”

“Yes, please help me settle this.”

Xu Xiyan had only taken a total of two advertising and endorsing contracts. But these two advertising and endorsing contracts were both obtained after many difficulties and they were both excellent endorsements which would greatly help with her reputation.

LK's endorsement contract was terminated because Xiao Yuqian had received instructions from her boss to do so. But right now, her boss had not given her any instructions to terminate ROSUE's.

Only Xu Xiyan and Huo Yunshen knew the reasons very well, and Xu Xiyan had thought it through thoroughly before coming to this decision.

Now, ROSUE had become Mo Yutian's company. If Xu Xiyan did not want to have anything to do with Mo Yutian, then the best thing to do was to withdraw from being ROSUE's endorser.

Although Huo Yunshen had yet to have time to settle this for her after bringing her back from the mountains, she could only do so much as his wife.

It was because she loved him, cared about him, and she didn't want to cause any more trouble. So Xu Xiyan had firmly decided to give up the endorsement.

If it wasn't for Mo Yutian, she actually liked the ROSUE brand very much.

“Well, okay then. Leave this matter to me.”

Since Xu Xiyan had already decided, Xiao Yuqian believed that her boss would respect his wife's decision. Xiao Yuqian would handle this matter with full authority.

At this moment, Xiao Yuqian's phone rang. She picked up her phone, but her finger had accidentally pressed the “Answer” button before she saw the caller ID.

“Mommy! What're you doing?”

A cute and childish voice suddenly came out from the phone speakers, startling Xiao Yuqian. She hastily pressed the screen of the phone in a fluster to end the call. After the call was terminated, she breathed a sigh of relief.

When she looked up, she saw Xu Xiyan staring at her unblinkingly. Xiao Yuqian broke into an awkward smile.

Xu Xiyan had already heard the voice and she could tell it was that of a child. Furthermore, the child had called Xiao Yuqian “Mommy.” Don't tell her that... the thing Xiao Yuqian had been hiding all along was this?

“Sister Qianqian, that voice just now...”

Before Xu Xiyan could finish, Xiao Yuqian interrupted her, “You were mistaken. It was just my ringtone.”

Before Xiao Yuqian could finish her words, the same number called her phone again. Xiao Yuqian could only brace herself and answer the call, pretending to be business-like in her tone, “Hello, I'm busy now. I'll call you back later. Be good!”

After the call had ended, she picked up her glass and drank some water, trying to hide the panic in her heart.

Generally speaking, you usually tell a child to “be good.”

Being a shrewd person, Xu Xiyan quickly guessed something unimaginable. “Sister Qianqian, don't tell me that you already have a child?”

“Guh... Cough...”

Xu Xiyan's question had caused Xiao Yuqian, who was drinking her water, to choke and cough.

Xu Xiyan stared at her. Xiao Yuqian finally could not take it anymore and said seriously, “Fine, I'll tell you only. I have a child, but I forbid you to tell anyone, especially that Ma Haodong.”

“So, the child is Brother Dong's?”

Chapter 885: Ship Them

“Just stop asking.” Xiao Yuqian stopped Xu Xiyan as she did not feel like talking about the kid.

It was a matter between Xiao Yuqian and Ma Haodong, Xu Xiyan felt that it was best if she left the matter to them.

Xu Xiyan believed that the matter would be settled one day.

Xu Xiyan went back to the Beauty of the World's set after she left Jingyue Entertainment.

The filming continued after the two main cast members returned.

The first scene they were going to shoot in the morning was between Xu Xiyan and Mu Chenguang's characters. Wen Zhenting was going to confess to Yun Qingge.

The story had come to the part where Yin Qingge poisons the emperor and leaves him lying in bed, unable to move.

While the emperor is ill, Yun Qingge takes over the administration, and the prime minister, Wen Zhenting, offers his assistance to her.

Even though Yun Qingge is after the emperor's life, she still cares about the people of the empire and does not have the heart to destroy their lives.

Because of this, she has the chance to show her ability in managing a country, and she attracts Wen Zhenting's attention.

Wen Zhenting has already learned about her original intention. She enters the palace because she wants revenge for the man she loved, even if it means getting blood on her hands and ending up a traitor.

And that garners Wen Zhenting's attention towards her.

Yun Qingge is going through documents in the night, and Wen Zhenting lays a robe over her.

"The night is cold, you should keep yourself warm," Wen Zhenting says.

"Thank you, Mr. Prime Minister."

"Qingge..."

"Yes?" Yun Qingge replies without thinking and raises her head, looking at Wen Zhenting in surprise.

"What..."

She wonders why Wen Zhenting called her by her name.

"Do you remember the green teenager that was with you at the West Mountain Lake?"

It was a long time ago, but Yun Qingge still remembers vividly the boy that she saved from drowning years ago and nods.

"Wait, don't tell me..."

"Yes. I'm that boy. My life is yours. I only have one wish in this life, and that is when you decided to leave all these behinds, I'm willing to abandon all the fame and fortune and live with you forever," Wen Zhenting confesses.

Yun Qingge is stunned by the sudden confession and remains silent until Wen Zhenting continues, "Are you willing to spend the rest of your life with me?"

"Cut!" Huang Guoqiang shouted.

Xu Xiyan went back to her resting room, and Mu Chenguang caught up with her.

"What's wrong, Mr. Prime Minister? Are you lost?" Xu Xiyan asked.

"No, I need a favor," Mu Chenguang said as he pulled up a chair for himself.

“What's that?”

“Can you lend me Little Wan Dou?”

“What? Come again?”

“Your assistant, Wan Dou. Can she become my assistant?” Mu Chenguang asked again while he scratched his head awkwardly. “You have two yourself, give me one.”

Xu Xiyan finally realized Mu Chenguang's intention. He'd fallen for Wan Dou.

Them being together was something Xu Xiyan shipped and said, “Sure thing. I'll discuss it with her when she's here.”

Wan Dou came into the resting room with bottles of water as soon as Xu Xiyan finished her sentence.

“Wan Dou, come! I have something to talk with you about,” Xu Xiyan said.

Wan Dou noticed that Mu Chenguang was also there and knew something was wrong with the way he was looking at her.

“What's wrong?”

Chapter 886: Very Opposed To Him

“It's like this. Prince Charming Mu here is lacking a...”

Before she could finish, Wandou said rejectingly, “I don't agree!”

Xu Xiyan was stunned. She hadn't finished talking yet, and yet Wandou already knew what she wanted to say and disagreed?

Mu Chenguang's face immediately darkened. That girl was indeed very opposed to him!

No, no, no. After two days of getting along at the resort, he felt more and more interested in the girl. He had to get her over to his side, no matter what.

“You knew what I was going to say? And you disagree?” Xu Xiyan asked, laughing.

Wandou pouted her little lips and said, “As long it has something to do with Mr. Mu, I don't agree.”

Xu Xiyan looked over at Mu Chenguang with an I-am-helpless-and-you-two-should-just-discuss-this-among-yourselves-first face.

“Wan Xiaodou!” Mu Chenguang called her name unhappily and stood up. He grabbed her wrist and took her out of the dressing room. “Let's talk.”

“Hey... let go...”

Wandou was forcibly dragged out of the room.

Xu Xiyan shook her head with a smile as she watched them leave. Looked like they were going to be a pair of quarrelsome lovers.

After touching up her makeup, it was time for Xu Xiyan to resume her shoot.

After reading the script, Xu Xiyan learned that she still had forty more scenes with Lan Ling-Er before she could wrap up her shoot.

Due to the incident in the countryside before, she had delayed a lot of her scenes. As long as she hurried up with the shooting progress, she could finish them in a week.

Xu Xiyan thought that as long as Lan Ling-Er wrapped up her shoot, Lan Ling-Er could leave Zstan and Mo Yutian would definitely release her grandfather.

Therefore, she went to look for Director Huang Guoqiang herself and requested for him to reschedule and bring forward the shooting of Lan Ling-Er's scenes so she would finish her scenes earlier.

But it was also because of this that Lan Ling-Er was angered. Her scenes were brought forward in schedule, and there were so many scenes, she had to shoot in a short time and she couldn't memorize her lines in time. Only after she had inquired about it did she find out that it was Jing Xi who had requested that the director do so.

When it was finally time for Xu Xiyan to leave the set and take a break, Lan Ling-Er came to Xu Xiyan with her assistant, blocking her way angrily.

Xu Xiyan caught a glimpse of Lan Ling-Er raising her hand in time and subconsciously stepped back, avoiding her slap, then grabbed her wrist in return.

"What are you trying to do?"

"What am I trying to do? Jing Xi, you're really mean! It was you who met with the director and asked him to adjust my shooting schedule! You're taking advantage of the shoot to retaliate against me privately!" Lan Ling-Er said in a domineering tone.

"That's right! It was I who met with the director and asked him to adjust your schedule. So what?" Xu Xiyan said, releasing Lan Ling-Er's hand harshly.

At this time, the members of the production crew heard their quarrel and they all came over to watch the drama.

Many of them were whispering among themselves. "Oh, my! The first and the second female lead have just quarreled in the play, and now they are quarreling after the shoot too?"

"Who do you guys think will win?"

"I bet Jing Xi will win! She should teach that Lan Ling-Er a good lesson. She's too arrogant!"

"That's right! She's a foreigner who is being arrogant and unruly in Zstan. Doesn't she want to keep her career?"

"But Lan Ling-Er has a backer. The President of Tianyu Group, Mo Yutian, is her brother. Who would dare to provoke her?"

"What are you afraid of? Jing Xi has Mr. Huo's support!"

Knowing that her brother would protect her, Lan Ling-Er continued in a patronizing manner. "What right do you have that the director has to listen to whatever you say? Don't tell me he favors you because you've slept with him just like what the rumors say outside? Otherwise, why should the director listen to you?"

Everyone gasped after listening to what Lan Ling-Er had said, feeling very uneasy because of her lack of intelligence.

There is a saying that goes: It is not what goes into the mouth that defiles a person, but it is what comes out of the mouth that defiles!

All this while, Jing Xi and Huo Yunshen had been a very devoted and loving couple, and everyone knew it and they were regarded as the golden couple of the entertainment circle. Lan Ling-Er said that Jing Xi had slept with the director? Does she even have proof?

Chapter 887: To Satisfy Their Anger

"How illogical can you be?" Xu Xiyuan scolded. "Do you need me to slap your mind back into place?"

If talking logically wasn't a choice, then Xu Xiyuan could only resort to violence.

"Trying to scare me, are you? Try and do that then!" Lan Ling'er bit back.

Lan Ling'er thought that Xu Xiyuan would not dare to do so because she had her bodyguards with guns backing her up.

But since Lan Ling'er asked for it, Xu Xiyuan thought that it would be bad to refuse her invitation.

Without any hesitation, Xu Xiyuan grabbed Lan Ling'er by her collar and slapped her left and right for a total of four times.

"The people in Zstan always said that even numbers are lucky. These four slaps are our gift to you!" Xu Xiyuan said.

Even though the crowd was stunned by Xu Xiyuan's action, they couldn't help but admire Xu Xiyuan for her courage.

The four slaps were for everyone in the studio.

Lan Ling'er was furious; it was her first time being hit ever since she was born.

Being loved by both of her brothers, no one ever dared to touch her, even when she was acting.

Xu Xiyuan was just asking to be killed.

"How dare you slap me! Do you think you can do that because I'm a foreigner?" Lan Ling'er scolded.

"So what? This is Zstan, and you have no say here!" Xu Xiyuan said. "Do you even know why I asked the director to make changes? Because I want you to get out of my sight so that I can get my grandfather back as soon as I can. That is my reason!"

That might be the worst collision that Xu Xiyan and Lan Ling'er had.

“What are you guys doing?” Lan Ling'er shouted at her bodyguards. “Get her! Let her know what happens to people who insult me!”

All six foreign bodyguards surrounded Xu Xiyan to grab her.

Yet, Xu Xiyan wasn't someone that would go down easily. In just an instant, they began to fight on the set.

No one dared to step up and stop them.

On the other side, Wan Dou and Mu Chenguang returned, only to see Xu Xiyan fighting with six men.

Wan Dou quickly took out her phone and called her boss while Mu Chenguang rushed into the fight in his costume and kicked one of the bodyguards away.

It was two against six, and the props were being destroyed one by one from the fight.

When the director and crew arrived, most of the set was gone.

The bodyguards were losing, and they were forced to take their guns out, pointing at Xu Xiyan. Most of the people ran as soon as they saw guns being drawn.

Xu Xiyan and Mu Chenguang had their backs to each other. Even though they were doing okay in the fight, they weren't able to do anything with guns pointing at them.

“Afraid now, are we?” Lan Ling'er smirked. “Tie Jing Xi up!”

Chapter 888: You're Really Savage, Sis!

The bodyguard with the gun came over with a comrade to arrest Xu Xiyan.

When he was almost in front of her, Xu Xiyan suddenly grabbed the barrel of his gun with one hand and leaped, somersaulting over him, then executed a beautiful shoulder throw, the muzzle of the gun now pointing right between the bodyguard's eyes.

Her movements were too fast!

Everyone could not catch what had happened and Xu Xiyan had already taken control of the situation.

Xu Xiyan grabbed the bodyguard in a headlock with her arm and twisted his neck. The bodyguard immediately passed out.

The gun was now pointing at Lan Ling-Er. Xu Xiyan stood up, pointing the gun at Lan Ling-Er's eye.

Lan Ling-Er had celebrated too early. She did not expect to be counter-attacked by Jing Xi successfully. Right now, she looked at the gun that was pointed to herself and said in horror, “Don't... don't mess with me!”

Xu Xiyan's lips curved up into a sneer. “I really feel like firing this gun and seeing whether there are bullets in it!”

Of course, there must be bullets. If Jing Xi really pulled the trigger, things would become serious!

Xu Xiyuan did not speak, but walked towards Lan Ling-Er slowly, step by step. Lan Ling-Er kept backing away until her back finally hit the wall and there was no retreat.

“Jing Xi! Put down the gun! If you dare shoot me, my brother will not let you get away with it!”

Xu Xiyuan cocked the gun. Lan Ling-Er became even more terrified.

“Is that so?”

After spitting out these three words, Xu Xiyuan lowered her arms. She suddenly jerked them up again, and fired three shots at Lan Ling-Er's heart. Bang! Bang! Bang!

Everyone around them screamed in terror, but Lan Ling-Er's scream was the loudest and shrillest. “Aaaaaaahhh!”

After she finished screaming, Lan Ling-Er fell to the ground with a loud thud, passing out in shock.

“She's dead! Jing Xi has killed her!”

“Is Lan Ling-Er dead?”

“It's a real gun! How terrifying!”

Those who were brave peeked into the room; they were curious to see how the situation inside had ended.

Mu Chenguang had already dealt with the other bodyguards. He came over and asked, “You shot her to death?”

“Nah, she has only fainted in shock.”

Xu Xiyuan shook her head and tossed the gun away. In her spread-out hand, three golden bullets lay quietly on her palm.

When she was lowering her arms just now, she had quickly removed the bullets from the gun.

If she could not kill Lan Ling-Er, she had to use her to redeem her grandfather!

Mu Chenguang had once again witnessed the power and the wrath of his good bro's wife. He could not help but give her a big thumbs up. “You're really savage, Sis!”

Wandou ran in from outside and immediately hugged Xu Xiyuan. She said to her worriedly, “Sister Jing Xi! I was so scared! Luckily you're okay!”

Wandou had already contacted her boss privately, but her boss was now carrying out a special task with his staff out of the company and he could not make it back in time. Anyway, her lady boss had already taken care of Lan Ling-Er and the others by herself, fortunately.

Mu Chenguang saw Wandou's dramatic act of throwing herself at Xu Xiyuan and hugging her. He found it funny. “Hey! You've hugged the wrong person! Come here! Let me comfort you!”

“Get lost!” Wandou replied to him, then asked her lady boss, “Sister Jing Xi, what should we do now?”

“Call our men and tell them to take Lan Ling-Er back!” Xu Xiyan told her.

“Okay, I know what to do now!”

Wandou went off to call Xu Xiyan's bodyguards to deal with the scene.

Director Huang Guoqiang and the others hurried over to ask about the situation. Xu Xiyan explained to them apologetically everything that had happened. “I'm sorry, it was I who had created trouble for the crew. I'll be responsible for all the damages!”

Their fight just now had destroyed many props in the studio.

“Forget it. As long you're fine, everything will be okay. These props are nothing.”

Huang Guoqiang himself could not stand Lan Ling-Er since long ago. He knew that she liked stirring up trouble, but he did not expect that she would stir up such a storm today.

Even guns had been involved and blood almost spilled at the studio. How dangerous!

Chapter 889: The Consequence of Taking Pleasure in Others' Misfortune

“Thank you,” Xu Xiyan said.

“Don't worry about it. That's all for today, you should go back.”

Because of the fight, Huang Guoqiang had to cancel the schedule for the night. He also made all of the witnesses keep everything that happened that day a secret.

With everything settled, Xu Xiyan was exhausted.

She noticed Wan Dou was back and ordered her, “From today onwards, you will follow Mu Chenguang as his assistant. Xuelin alone should be fine for me.”

Wan Dou replied with a simple, “Oh,” and noticed that the viciousness in Xu Xiyan still remained even though the fight had ended.

Even though she did not want to work for Mu Chenguang, she couldn't refuse with how Xu Xiyan was.

She took a peek at Mu Chenguang and noticed he was laughing joyfully.

Xu Xiyan took her phone from Ni Xueling and noticed there were a few messages from Huo Yunshen and Ye Xun.

The messages were the same; they both mentioned that they had something to do in the afternoon and needed Xu Xiyan to fetch Ying Bao back from school.

She was curious as to what they were going to do, but Ying Bao's class was almost coming to an end.

“Xuelin, let's go to fetch Ying Bao.”

Just as the van was heading towards Peijing Experimental Primary School, Huo Yunshen was leading JS's special forces to attack a chemistry facility in Peijing's Development Area.

After a few months of investigation, they had found out the source of the new drug.

When the special forces raided the facility with the police, they noticed that it was very well equipped.

From the exterior, the facility looked like all others. But after they went through the building, they found a secret laboratory under the facility.

The chemists responsible for the drug caught word of the raid happening above them and tried to escape through a secret tunnel.

But almost 20 of them were caught, and the special forces found more than 16 kilograms worth of the new IK-99 drug with a lot more that was in the middle of the process of being made.

They even found the doctor that was responsible for inventing the drug lying unconscious on the floor.

After confirming his identity, they realized that the doctor was Ni Jianghe from Z Hospital who had been reported missing years ago.

The chemists were all brought back to the precinct while Ni Jianghe was sent to the hospital because he was poisoned.

When Xu Xiyan and Ni Xuelin learned about the raid from the news, Ni Xuelin was shocked that they found Ni Jianghe in the raid.

Ni Jianghe was Ni Xuelin's foster father.

He had gone missing a few years back and he was finally found, in a factory developing drugs.

Chapter 890: Settle Some Things Together

After hearing the news reporting that Ni Jianghe was sent to the First People's Hospital for emergency treatment due to poisoning, Ni Xuelin requested tearfully, "Jing Xi, can you please send me to the hospital?"

Xu Xiyan had yet to know the relationship between Ni Xuelin and the Ni Jianghe whom the news had just reported about. Noticing that she was anxious and teary-eyed, she asked her curiously, "Sure, I can take you there. What happened? Why do you suddenly want to go to the hospital?"

"Just now in the news... Ni Jianghe... he is my adoptive father..." Ni Xuelin cried as she explained.

So, that explained it.

As Xu Xiyan suddenly realized the truth of the matter, she promptly ordered the driver to turn around. She held Ni Xuelin's hand and comforted her. "Don't worry, we are going there now. Your father should be fine."

At the First People's Hospital, Emergency Department.

Xu Xiyan came to the hospital with her daughter and Ni Xuelin. Coincidentally, she met Ye Xun here too.

"Why are you here, Second Senior?" Xu Xiyan asked.

"I'm on a mission."

Ye Xun's task was to watch over Dr. Ni Jianghe and interrogate him for valuable information after he woke up.

"Do you know where Dr. Ni Jianghe is?" Xu Xiyao asked.

"Why do you want to look for him?" Ye Xun asked, puzzled.

"I'm not the one who wants to look for him, but Sister Xuelin does. He is Sister Xuelin's father," Xu Xiyao explained.

Ye Xun glanced over at Ni Xuelin and saw that her eyes were red with tears. He could understand her feelings. "Understood. You can wait until his surgery is over."

Ni Xuelin would definitely want to wait here in the hospital, but Xu Xiyao still had to go back to deal with Lan Ling-Er. She told Ye Xun, "I'm going to take my daughter home first. I'll leave the matter here to you, Second Senior. In case Sister Xuelin needs any help, please help her out."

"Okay," Ye Xun promised her.

After saying a few words to Ni Xuelin too, Xu Xiyao left the hospital with Ying Bao.

Xu Xiyao returned to Shengshi Yujing. When she arrived home, she noticed Huo Yunshen's slippers on the ground. She guessed that he had probably yet to come home.

Where did the man go?

Ye Xun said that he was carrying out a mission. Could it be Huo Yunshen who had tasked him with it?

They had agreed to go out together to settle some things in the afternoon?

Was it related to the news about the raid on the drug factory just now?

Xu Xiyao had a lot of questions, but she had to wait for her husband to come home first and ask him herself. She stroked her daughter on her little head and said, "Baby, go change your shoes and play with your toys for a while. Mommy is going to prepare dinner."

Ying Bao was a bit upset. "Why is Mommy cooking? Where's Daddy? Where did he go today? Why didn't he come pick up Baby after school?"

"Daddy is very busy today. He has a very, very important mission to perform."

In Ying Bao's mind, a "mission" means to fight monsters. She asked naively, "Is there a monster coming to destroy Earth?"

Xu Xiyao nodded. "Yup, it's a super big monster."

"Then Mommy should go help Daddy! Don't worry about Baby! Baby can go look for Brother Feimo."

Ying Bao had not even put down her little schoolbag nor changed her shoes. She spun her little body around and walked out of the door. She was really going to look for Tang Feimo.

"Hey... Baby..."

Despite having short and stubby legs, the little rascal still moved very fast. By the time Xu Xiyan had put on her shoes and chased after her daughter, Ying Bao was already nearing Tang Feimo's house.

Ying Bao knocked on the door of Tang Feimo's house, and Tang Feimo just happened to appear when the door opened. After Ying Bao saw him, she said, "Brother Feimo, my daddy and mommy are going to fight monsters. Can Baby stay at your house for a while?"

"Sure!" Tang Feimo invited her into his house happily.

Xu Xiyan chased after Ying Bao, panting, "Ying Bao, Feimo..."
