

Priceless Baby 981

Chapter 981: He's Too Attractive

"I'm sorry for causing the trouble," Ni Xuelin quickly apologized once they returned to their room.

She regretted causing the scene which could've been avoided.

"Don't blame yourself for standing up. Everything went smoothly in the end, right?" Xu Xiyan said, noticing the blood that was still on Ni Xuelin's lips. "Here, let me put some medicine on that. If Ye Xun knows that you were bullied on my watch, he will kill me."

"I won't tell him, don't worry," Ni Xuelin laughed. "But I'm worried about that Shen Mengyuan. Do you think she will just let it slide?"

"What's done is done. We'll just have to be careful of her in the future."

Xu Xiyan was mentally prepared for anything that Shen Mengyuan would throw at her.

Not long after that, the hotel's manager knocked on their door and informed them that Li Zhonghao had upgraded their room for them.

Their room went from the standard double room to the sea view suite while maintaining the same price.

Xu Xiyan went to Hengshan Studios the next day with the crews.

Since the movie Scenery was shot in secret, not many people knew what they were filming in the city.

They learned that there was another studio filming another movie next to them. They were filming a city romance titled Lovely Rival.

After checking the studio out, they realized that the protagonist was played by Shen Mengyuan.

After learning that, Xu Xiyan hoped that they could stay out of each other's way.

The filming proceeded throughout the whole morning smoothly, and there weren't many cuts on the scenes with Su Jimo.

The crews from the two studios met when they were having lunch in the cafeteria.

Shen Mengyuan was in the cafeteria when Xu Xiyan entered with Ni Xuelin.

The former had prepared another set of table and chairs just for herself while being accompanied by two assistants and five bodyguards.

Xu Xiyan and Ni Xuelin sat at another corner waiting for the staff to get them their takeout.

It was Mary who first realized that Jing Xi was also present in the huge cafeteria and she whispered something into Shen Mengyuan's ear. Shen Mengyuan turned around and rolled her eyes when she noticed Jing Xi.

Since Xu Xiyan and Shen Mengyuan did not like each other, they just pretended one other didn't exist.

Just as Xu Xiyan was waiting for her food, she took out her phone and messaged her husband.

Huo Yunshen was present at the Summit when he received Xu Xiyan's message.

[Hubby, I want to see how you look today.]

[Why? Miss me?]

[Yes! Hurry up!]

After a few seconds, Xu Xiyan received a photo with Huo Yunshen facing the camera, probably taken by Yi Xiao.

In the picture, Huo Yunshen stood in the center of a huge conference room where the stage was, as if he was making a report.

He wore a white military uniform, and his hair was pulled back. He had his mask on, and it made him look more mysterious.

The uniform traced his body as if they were trying to outline his muscles.

The man was too attractive, and it made Xu Xiyan blush just by looking at the photo while her heart itched.

Priceless Baby's Super Daddy 982 She Really Felt Like Throwing Herself Onto Him

Xu Xiyan: [Husband, you're so handsome! I really feel like throwing myself onto you and giving you a bite.]

Huo Yunshen: [You little devil! You dare tease me again? Wait till I come back and see how I shall take care of you!]

Xu Xiyan boldly replied: [Okay! Go ahead then! I'm waiting!]

Huo Yunshen sent a sticker over. It was an animated sticker of a rabbit hugging another rabbit—it then pushed the other rabbit to the ground and began to kiss it wildly.

Oh my...

Xu Xiyan's face turned red. Her husband was really so dirty!

But, she liked it. Heheh...

From time to time Shen Mengyuan would occasionally glance over from the opposite side. She saw Jing Xi hugging her phone, giggling like an idiot. She snorted.

She had lost some face in the morning and she felt like making up for it. After calling up Li Zonghao on her phone, she waited, feeling smug.

Sure enough and without having to wait too long, a procession of luxury cars stopped outside the hall where the film crew was resting. Someone shouted, "Mr. Li is here!"

When Shen Mengyuan heard it, she felt even more pleased. She had called Li Zonghao to come visit her so he could give her face.

Li Zonghao treated her very well. Every time he came to visit her at work, he would treat everyone in the film crew to an extravagant feast. Everyone would envy Shen Mengyuan for managing to find such a handsome and wealthy boyfriend.

Shen Mengyuan's vanity had always grown bigger and bigger this way.

"Zonghao!"

Li Zonghao was dressed smartly in a business suit. When Shen Mengyuan saw him, she immediately went up to him and nestled in his arms like a baby bird nestling to its mother.

However, Shen Mengyuan was a model and she was very tall. No matter how she tried to nestle to him like a baby bird, she simply looked so big.

But one cannot blame her for being tall either; Li Zonghao himself was not very tall anyway. When the two stood together, their height difference was not obvious.

They were unlike Xu Xiyuan and Huo Yunshen, whose body heights were suitably matched for each other. When they were together, they were simply the perfect pair.

After Li Zonghao arrived, his assistant informed Shen Mengyuan's film crew, "Mr. Li invites everyone to lunch and each of you will have one."

The film crew opposite Xu Xiyuan's crew received a sumptuous lunch as well as snacks, fruits, and yogurt. Shen Mengyuan's table was the most abundant; there were about seven or eight dishes of meat and vegetables on her table.

It could be said that Li Zonghao had given her great face.

Shen Mengyuan glanced smugly over at Jing Xi who was at the opposite side. She wondered what kind of treatment she was getting.

Her crew didn't look like they had much money; even their lunches had yet to be delivered now.

Though it was said that Huo Yunshen was so rich and loving of his wife, she didn't see him giving his wife any special treatment!

It seemed like stories about how loving the couple was were just myths. Maybe the love they displayed in public was only just for show.

Not long after, outside where the film crews were, a group of people came in. They were delivering lunch to Jing Xi's crew.

The stage manager received the lunch boxes. When he looked inside, he realized there was a mistake. "This is not the lunch we've ordered! Is there a mistake with the delivery?"

The person who delivered the lunches said assuredly, "There's no mistake. This is what Mr. Li has prepared for everyone."

"What Mr. Li?"

"It is the Mr. Li Zonghao over there. He especially prepared these as an apology to Miss Jing Xi."

It was Li Zonghao who had prepared these as an apology to Jing Xi?

Nobody knew what had caused the hotel chain tycoon to apologize to Jing Xi.

Xu Xiyan heard her name being mentioned and raised her head. She saw a lunch box in front of her; it was basically the same one as Shen Mengyuan's.

Furthermore, everyone's lunch was also the same as what the film crew opposite of them had received.

Xu Xiyan looked toward where everyone was looking. She saw Li Zonghao smiling as he glanced over and nodded at her.

...

Chapter 983: Stirring Up Trouble

Xu Xiyan frowned as she found Li Zhonghao's action to be inappropriate.

Xu Xiyan did accept his apologies by having her room upgraded, but Li Zhonghao did not stop there and continued to give her benefits that Shen Mengyuan also had.

His intention was so clear that Shen Mengyuan would not notice.

After the waiter served them their food, he left.

Huang Guoqiang thanked Li Zhonghao before he turned to Xu Xiyan and gave her a doubtful look.

It was as if he was trying to ask Xu Xiyan what would happen if Huo Yunshen found out that Li Zhonghao was making a move on her.

Xu Xiyan could only shrug and give him an innocent look.

On the other hand, Shen Mengyuan could not believe what Li Zhonghao had just done.

"Zhonghao, why are you giving them free food?" Shen Mengyuan asked.

"They are our guests, I'll have to show them my best hospitality, shouldn't I?" Li Zhonghao replied while he kept peeking at Xu Xiyan.

Shen Mengyuan also noticed where his eyes were at and scolded, "Then why didn't my crew get the same hospitality too? Could it be that you have eyes for someone else?"

"Come on, don't overthink it," Li Zhonghao said. "Here, let me feed you."

And him feeding her proved to be useful, as Shen Mengyuan quieted down.

But her heart still ached as she knew that Li Zhonghao was clearly into Xu Xiyan.

Then again, it should be normal for a man to stare at a beautiful woman. Shen Mengyuan deeply believed that Li Zhonghao would not make any moves against Xu Xiyan as she was Huo Yunshen's wife.

The title of Mrs. Huo was something that could keep most men away.

But ever since Li Zhonghao gave the crew a free meal, the gifts for Xu Xiyan had increased.

Good food and flowers would always appear in Xu Xiyan's room.

And when Xu Xiyan wanted to have a stroll in the city, a car would be waiting for her outside the hotel.

Even the crew began to notice the over-hospitality towards Xu Xiyan that Li Zhonghao was showing.

Some even began to talk about it.

“Hey, could it be that Mr. Li is interested in Jing Xi?”

“But I thought he has a fiancé?”

“You're right, but I still refuse to believe that he doesn't have something for Jing Xi. Look, another gift came.”

The hotel manager came in and handed tickets to their spa to the crew and said, “Miss Jing, this is a promotion ticket to use our hotel's spa for free. It's on the 15th floor.”

“I don't need it, thank you,” Xu Xiyan refused, not taking any interest in Li Zhonghao's gifts as she did not want another scandal to surface.

“But... We'll be troubled if we go back with these tickets.”

“Then we'll take these tickets in Jing Xi's place,” one of the girls from the crew said. Even if Xu Xiyan did not want them, it did not mean that the other girls weren't interested.

After the manager left, one of the girls asked Xu Xiyan, “Why don't we go together? It's free, after all.”

“No thanks, I'm a bit worn out. You girls can go without me.”

Xu Xiyan would rather go and lie in her bed than go to the free spa.

Chapter 984: Do Something Inappropriate To Her

If she did not guess it wrong, she might even meet up with Li Zonghao himself “coincidentally” if she were to go to the spa.

A man like him must be up to no good for offering so much to her for no reason. Better to avoid him whenever she could!

Indeed, it was just as Xu Xiyan had guessed: Li Zonghao was lying on a lounge chair by the pool outside the spa entrance on the 15th floor, calmly waiting for Jing Xi and the others.

But he only saw the girls from Jing Xi's film crew. He couldn't help but stop them and ask, “Why didn't Miss Jing Xi come?”

“She said she is tired and went back to her room to rest. Thank you for your free trial vouchers, Mr. Li!”

The girls entered the spa. Li Zonghao rubbed his chin and began to ponder.

He was thinking about Jing Xi.

Jing Xi's charming face. Jing Xi's curvy body. They had become a lingering dream in his mind.

If he could get Jing Xi and enjoy one night with her to his heart's content, it would be really worth it!

Li Zonghao pondered this until 1 am. Usually, at this time, most people had already gone to bed and it was a time where they were soundly asleep.

Li Zonghao came to the door of the luxury suite where Jing Xi was in. He quietly opened the door with a room card and quickly slid into the room.

He came into the suite room secretly. With the light from the ceiling lights near the door, he could faintly see a woman lying on the big bed.

Her black hair was spread out like a waterfall and her facial features were prominent and perfect from the side. The woman was only wearing a sling nightdress, exposing her smooth and round shoulders. There was more to be seen, but it was sexy enough to evoke his lust inside.

Li Zonghao's heart fluttered rapidly, his heart filled with the exciting adrenaline of sneaking furtively around.

As long as he thought of pressing Jing Xi under his body and do whatever he wanted to her, he felt his blood began to flow back to the top of his head.

His body's reaction was stronger and wilder than he imagined.

As lust took over his mind, he took off his clothes as fast as he could and quietly climbed onto the bed and lifted the blanket lightly from the corner.

Soon, the woman's perfect body was completely exposed before his eyes. Her skin was smooth and delicate like suet white jade; she was so beautiful that he almost stopped breathing in awe.

No matter what happens tonight, he must have Jing Xi.

Li Zonghao decided to take her by force. He reckoned that after he had raped Jing Xi, she would not tell anyone about it.

If Jing Xi was subdued by him, she could only submit to him obediently.

To Li Zonghao, a married young woman such as Jing Xi was most sexually starved. Once she was aroused, she was guaranteed to be fiercely passionate.

As the man thought of this, his itching hand could not help but fell onto Xu Xiyan's leg.

Xu Xiyan had spent the whole day shooting and shopping. She had been so tired that she had immediately fallen asleep as soon she touched the bed.

Blearily in her sleep, she felt a tickling sensation on her body. Then she felt herself sinking into the bed as though something heavy had fallen upon her. She opened her eyes and saw someone on top of her. She screamed in terror.

“Aaaaaaaaaaah—”

“Don't scream!”

Li Zonghao held down her hand with one hand, covering her mouth with the other.

“Mm...mm...”

After recognizing the man's voice, Xu Xiyan became even more panicked and started to struggle, trying to push him away.

“Jing Xi, Jing Xi...it's me! I'm Li Zonghao!”

Damn you, Li Zonghao!

You and your ancestors can go to hell!

Never in Xu Xiyan's dreams did she think that Li Zonghao had actually snuck into her room in the middle of the night, wanting to do something inappropriate to her.

Xu Xiyan would never allow a pervert like him to get what he wanted even if it cost her life.

But at this moment, Xu Xiyan was at a disadvantage. The man was quite strong and in her unprepared state, it was difficult to push him away when he was on top pressing down onto her.

Chapter 985: Willingly

Xu Xiyan could feel the danger coming from Li Zhonghao, and she kept moving around, finally finding an opening and biting his hand.

“Ouch!” Li Zhonghao screamed as he pulled his hand back.

Xu Xiyan took the chance and pushed him away. She rolled down the bed and took the lamp from the bedside as a weapon.

“How did you get in here?” Xu Xiyan scolded while pointing the lamp at Li Zhonghao.

“Of course with the keycard,” Li Zhonghao replied while he slowly stood up and stared at Xu Xiyao.

“How dare you intrude in someone's room in the middle of the night!”

“Come on, don't get angry. Do you know how long I've waited for you? I wanted to meet you so much, and this is the only way I could do so. Would you forgive my rudeness?”

“Are you really asking for forgiveness even after what you've done?”

“I have no choice. I've fallen for you! Didn't you notice it?”

“Oh, really? I only noticed that you want to have sex with me!”

Xu Xiyao forced herself to calm down. She knew that she would not be an opponent to Li Zhonghao, the only path that she could take was a fight of wits.

“Looks like you aren't that stupid after all. I like that,” Li Zhonghao said and began to walk towards Xu Xiyao, completely naked.

“Stay away from me!” Xu Xiyao screamed as she turned her head away. “Don't you know I'm married?”

“Of course, I know. But you have no idea how attractive you are. I've fallen for you ever since I first saw you at the LK Charity Award Gala. All I could think of after that was making out with you.”

Xu Xiyao did not say anything, and Li Zhonghao continued, “I can give you whatever Huo Yunshen couldn't give. I can fulfill your soul and body like never before. And you don't have to worry about anything, I won't tell anyone about this.”

Xu Xiyao stared at Li Zhonghao, unable to believe why most people still thought Huo Yunshen was incapable of making out.

“So, you want me to be your mistress?” Xu Xiyao asked as she smiled.

“That's one way to put it.”

“What if I refuse?”

“What can you do?” Li Zhonghao asked as he raised an eyebrow. “If word got out, I could just say that you were the one who took the initiative because you were lonely and needed someone to fill you up.”

Despicable! Xu Xiyao scolded in her head over a thousand times.

After Huo Sanyan had done a background check on Li Zhonghao, Xu Xiyao learned that he was a boxing enthusiast and held a black-belt in karate.

Xu Xiyao had no confidence in winning against him if they were to fight, and the outcome would be bad for her.

The only option left for Xu Xiyao was to charm her way through the situation.

Chapter 986: I Wanted To Kill You

Xu Xiyan put down the lampshade. She brushed her hair with her fingers, smiling seductively. “Mr. Li, you have to understand: It's not going to be cheap if you want to sleep with me.”

Li Zonghao heard what she said. Things are getting interesting, he thought. “I know. No matter what conditions you have, I'll agree to it!”

“I want this much!”

Xu Xiyan extended a hand and made a gesture.

“500 thousand?”

Xu Xiyan smiled, shaking her head. Li Zonghao made another bold guess, “5 million?”

Xu Xiyan shook her head again. Li Zonghao guessed once again, “Could it be... 50 million?”

“What? Think it's too expensive? Or do you think that... I'm not worth the price?”

Xu Xiyan deliberately hugged her own shoulders, looking at him with charming eyes. Li Zonghao's mouth went dry as he looked at her. His impulse took over and he immediately agreed, “Okay! I'll pay!”

Li Zonghao immediately groped for his jacket by the bed and took out a checkbook from its pocket. He signed a check of 50 million yuan and placed it on the table.

Then eagerly, he began to throw himself onto Xu Xiyan, but she stopped him in time and said to him seductively, “Mr. Li, you're such an extravagant man who is willing to pay so much money. I should give you good treatment no matter what. Tell you what, I'm actually quite wild. How about a round of S-M?”

When Li Zonghao heard this, he was so excited that he almost had a nosebleed. “Sure, sure, sure! Let's do it!”

“Then lie down first, Mr. Li!”

Li Zonghao's head was completely up in the clouds with lust. He dropped all his guard and did what he was told and lay down on the bed.

Xu Xiyan picked up his tie from the ground and pulled out his belt. She also found a few curtain straps and bound Li Zonghao's arms and legs to the bedposts with them.

Then, she folded the belt in her hand and traced it across his body.

Li Zonghao was very excited. He looked at her with eager eyes, looking forward to her next move.

Whack!

Xu Xiyan whipped his body savagely with the belt. She asked, “Does it feel good?”

“Good! Good-good-good...” Li Zongxi replied shamelessly.

Xu Xiyan gave him a few more whips in succession. Li Zonghao thought that she having foreplay with him, and he enjoyed the pain—it was so disgusting to look at.

The enjoyment stopped when the belt in Xu Xiyan's hand was replaced by a silver needle. She pierced it into the flesh between his ribs with precision. Li Zonghao noticed the sudden prickling pain.

“What...what are you doing?”

“I wanted to... kill you of course!”

Xu Xiyan laughed maniacally and stabbed more needles into his body with lightning speed.

After that, she dusted her hands and started to take photos of the scummy man with her mobile phone. When she was done taking the photos, she put on her clothes, tidied herself, then put the 50-million-yuan check in her pocket.

“Hey, Jing Xi... Jing Xi, you...”

Li Zonghao looked up and realized that he'd been deceived. He roared in rage.

“Mr. Li, take your sweet time with the game! I'm not going to accompany you anymore.”

“You dare deceive me?! Don't let me catch you!”

Xu Xiyan was leaving. Li Zonghao struggled to break free from the restraints around his wrists and ankles. After breaking his binds, he got up to catch her. Unfortunately, as soon as he stood up, he fell back onto the bed in pain.

He wanted to move but could not. Every time he moved—even a single muscle—the pain affected his whole body.

Xu Xiyan turned around, sneered at him for a moment, then walked out of the door unhesitatingly.

Li Zonghao was so angry that he felt like murdering someone. He endured the pain and chased after her. When the door opened, Jing Xi was already gone. Instead, several big and tall bodyguards appeared at the door, and every one of them was staring at him icily.

Horrified, Li Zonghao backed away. “What do you all want to do? I warn you! Don't mess with me! This is my territory! If you dare touch me, I'll make sure you suffer the consequences! Aaaaaaaah!”

A pig-in-the-slaughterhouse scream came from the room, shaking the ceiling...

Chapter 987: Revenge

The crew had their breakfast at the hotel. Xu Xiyan and Ni Xuelin joined them like nothing had happened the night before.

The news was on, and the reporter spoke in a clear voice.

[A man was found tied to the back of a tour bus in our city...]

Even though the news did not mention who the man was, from the picture, people could notice that it was Li Zhonghao.

Everyone had their eyes on the news where it showed a fully naked man tied to the back of a bus with a sign hanging from his neck.

[I'm a pervert!] was written on the sign.

Because Li Zhonghao had been trying to court Xu Xiyan for the past few days, the crew could instantly recognize that the "pervert" was indeed Li Zhonghao.

"Why is Mr. Li tied to the bus? And without anything on?" one of the crew members asked.

"Maybe someone took their revenge on him?" the other replied.

"I don't think that's the case, though. A person as rich as he must've had bodyguards with him all the time. And he was an amateur boxing champion with a black belt in karate. There are not many people in this world that could do that to him."

"You're right. Is he just trying to make a show?"

Ni Xuelin was probably the only one beside Xu Xiyan who knew what really happened. She almost laughed out loud when she heard the conversation.

Xu Xiyan knocked on Ni Xuelin's door the night before and begged to stay in her room for one night. That was how Ni Xuelin learned that Li Zhonghao was trying to force his way with Xu Xiyan.

Ni Xuelin turned to look at Xu Xiyan as the latter chowed down on her food like nothing had happened, as if the vigilante last night was another person.

After the breakfast, Xu Xiyan and Ni Xuelin went to Yu Jing and handed her the 50 million dollar check.

Yu Jing had seen the news, and when she got the check, she instantly knew what had really happened.

She quickly kneeled down and thanked Xu Xiyan.

"Jing Xi, thank you so much! I don't even know how to repay you..."

"What are you doing? Get up. Just think of it as me doing a good deed for the people," Xu Xiyan said while helping Yu Jing up. "But you have to get away from Hengshan as soon as possible. If they continue to investigate Li Zhonghao, you might get found out too."

"I know. I'll leave as soon as I can."

There was nothing there left for Yu Jing. She had gone to Hengshan because she needed someone to take care of the child. Now that she'd gotten the money from Xu Xiyan, the problem was solved for her.

"All right," Xu Xiyan nodded and turned to Ni Xuelin. "Xuelin, please accompany Miss Yu to withdraw the cash and help her leave Hengshan."

"Noted," Ni Xuelin replied.

After taking care of everything, Xu Xiyan returned to the studio.

As soon as she arrived at the studio, she was stopped by Shen Mengyuan with a group of people.

Shen Mengyuan held her hands on her waist and scolded, "Jing Xi! Are you responsible for what happened to Zhonghao?"

"And what happened to Mr. Li?" Xu Xiyan asked back.

"I'm sure of it! You're the one! I never thought that you were such a vicious bitch! Did you try to destroy him because you failed to get his attention?"

"I'm just defending myself. Mr. Li was the indecent one."

Chapter 988: He Only Had Himself To Blame

Xu Xiyan had to admit that she was really impressed with Shen Mengyuan's fine ability to reverse the facts.

Unreconciled, Shen Mengyuan said, "How could he have thoughts about you? Zonghao is a faithful man. He is very loyal to me."

"Haha! Seems that only you can be deceived by these lies. You think you're the only woman by his side? How naive! Also, you think that he is loyal to you? Where did you get that kind of confidence?"

Shen Mengyuan's face turned dark. "You just can't bear to see others being better than you! It must be because I hit your assistant that day that you despise me and plan to retaliate against me. You ruined Zonghao because you wanted to destroy my future."

Xu Xiyan smiled even more radiantly. "Think of whatever you want then! Only Li Zonghao knows best what he has done. I believe that the law will not tolerate criminals. I can only give you some words of wisdom: misfortune will always fall onto those who keep doing wicked deeds!"

After finishing her words, Xu Xiyan shouldered past Shen Mengyuan and went into the set. Her arrogance made Shen Mengyuan's mouth twist in anger.

In fact, after learning of Li Zonghao's accident, she had gone to ask him herself. When he told her that it was Jing Xi's doing, she had already figured something out.

These days, Li Zonghao had been trying to gain Jing Xi's favor behind her back—his intention was to bed her.

Now that Li Zonghao had been ruthlessly punished, it could be said that he only had himself to blame.

But she had never dared imagine that such a powerful person like Li Zonghao could end up being subdued by a little woman.

That Jing Xi was really not that simple!

As soon she arrived at Hengshan, she had managed to ruin her backer. This was simply unacceptable!

Shen Mengyuan hated her with all her heart. In short, this score would not be easily settled!

Xu Xiyan was not afraid of Li Zonghao and Shen Mengyuan and the others. She reckoned Li Zonghao would not have the guts to sue her!

She had already asked Huo Sanyan to hand over the information she had collected about Li Zonghao's criminal deeds to the police. The police would naturally detain Li Zonghao for a thorough interrogation.

Once his crimes of illegal trading, bribery, false accounting, tax evasion, et cetera were verified, the prisoners of Hengshan Prison would definitely welcome him warmly.

After finishing the day's shoot, Xu Xiyuan left the set. She couldn't help but curve her lips when she saw Huo Yunshen's message on her mobile phone.

The man told her that he was coming back to Zstan and that he was flying directly to Hengshan from abroad.

He also told her to take a good bath in the evening and be ready to receive him.

Xu Xiyuan blushed as she left Hengshan Studios. The girls from the film crew dragged her along to Hengshan City to eat famous local street food.

These days she had been eating the buffet food in the hotel; she had enough of it and she felt like eating something else.

So Xu Xiyuan took Ni Xuelin and the others and left for town together.

After enjoying grilled food at the Hengshan Food Street, their group decided to go for karaoke. Xu Xiyuan remembered that Huo Yunshen was coming back at night, so she told them that she had to go first.

Ni Xuelin also wanted to go back with her, but Xu Xiyuan told her, "They're asking you to join them for karaoke and you should go. I still have other matters at night."

"Well, okay then! Please be careful."

They went their separate ways. Xu Xiyuan planned to go out of the alley to look for her bodyguards' car. But as soon as she arrived at the mouth of the alley, a group of people came in front of her, blocking her way.

Someone whistled, and another called out, "Hey, pretty, are you alone?"

Xu Xiyuan immediately looked up and saw that they were obviously a group of local hooligans. One of them was holding a beer bottle, and another was even gnawing on a chicken drumstick.

Some of them were rubbing their bellies contentedly as though they had just eaten and drunk. In short, they were a group of nasty people and this area must be their turf.

Chapter 989: Exhausted

The drunkards noticed that Xu Xiyuan was alone and blocked her path.

Xu Xiyuan did not want to get into more trouble and tried to leave, but they continued to block her path, asking her to spend some quality time with them.

Annoyed by the group of men, Xu Xiyuan kicked one of the drunkards' crotches and tried to run.

“Catch that bitch!” the one leading the drunkards shouted.

Xu Xiyan turned and ran but came to a dead end.

“Let's see where you can run to now!” the leader scolded as they closed in on Xu Xiyan.

“What are you guys trying to do?” Xu Xiyan scolded. “Is it money you want? I can give you a lot of it if you guys let me go.”

Yet their target wasn't the money because they were hired by someone to ruin Xu Xiyan's life.

They'd already gotten their pay, so money would not garner their attention.

“We don't want money,” the leader said with a lewd face. “We'll let you go once you've satisfied all of us.”

Xu Xiyan looked behind the leader where more than 100 people were waiting in line. Even if she could defeat the people in front, she would be overwhelmed in just a few seconds.

She began to panic as she looked for ways to escape.

Yet her opponents weren't going to give her time to think as a few began to advance towards her.

All Xu Xiyan could do was defeat as many people as he could, but she could feel her body begin to be worn out as time passed by.

She was kicked in the stomach and thrown to the wall where a man hit her on her head, and the world in front of her spun.

Xu Xiyan fell to the ground the next second, completely unconscious.

She had no idea that when the drunkards were trying to strip her clothes off, a group of mercenaries dropped from above and saved her.

When Xu Xiyan woke up, she was in a hotel room, but not hers or Ni Xuelin's.

She sat up while her head still hurt and tried to recall what had happened.

Once she remembered everything, she quickly looked at her clothes and noticed they were still intact. There wasn't any discomfort with her body, and she felt relieved that she wasn't raped.

She turned and noticed that a tall man was standing by the window and was smoking.

She thought that it was Huo Yunshen and called out, “Hubby.”

The man slowly turned around, and Xu Xiyan was shocked when she saw his face.

“Mo Yutian?”

After making sure of his identity, Xu Xiyan could feel a chill down her spine.

After learning that Mo Yutian was the boss of the Dark Zone, a devil who would kill without flinching, her views on him changed.

“What? Aren't you going to thank me for saving you?” Mo Yutian asked while he walked towards Xu Xiyuan after putting out his cigarette.

Xu Xiyuan knew that if Mo Yutian had not saved her in time, she would've fallen into the hands of the drunkards. But anywhere near Mo Yutian was not a place that she should stay for long.

“Thank you for saving me. I should get going now,” Xu Xiyuan said.

Chapter 990: I Only Want You!

She looked at the clock on the wall. Huo Yunshen's plane was about to land. She had to go check in a new room and wait for him.

“Don't go, Jing Xi!”

Mo Yutian grabbed her wrist in time, trying to retain her.

Xu Xiyuan pulled her hand away and took two steps back, keeping a safe distance from him. “Mr. Mo, I'm very grateful that you've saved me, but I need to go now. I hope you can release me.”

Xu Xiyuan really felt like she had stumbled into a tiger's den just after getting out of a wolf's den.

Being with Mo Yutian was even more terrifying, okay!

“Can you stay with me at night and not leave?” Mo Yutian expressed his request in a straightforward manner.

Xu Xiyuan knew that Mo Yutian was up to no good and his appearance was not just a coincidence.

“You want me to stay and accompany you? Who do you think I am? If Mr. Mo wanted escorts, there are plenty of night clubs. I can even help call some up for you.”

Mo Yutian stepped towards her again, his eyes staring straight at her. “But I only want you!”

What he said was true; he really only wanted her alone.

Although there were many, many women in the world, none of them could occupy his heart like her.

Even if he made love with the clone Alice, it was very meaningless. He had to depend entirely on his fantasy of Jing Xi to have a reaction.

After all, the clone could never be better than the real Jing Xi in the blood and flesh. She was still the one he wanted.

“Mr. Mo, what do I have that is worth not forgetting? Don't you mind that I'm a married woman with a child?”

Xu Xiyuan really wanted to know: what was it about her that he was so obsessed about?

Whatever he said, she would change.

"I don't mind. What does it have anything to do with me?" Mo Yutian eyes were full of danger and his voice was cold, "Jing Xi, don't you know? The purpose of men conquering the world is to conquer territories, women, and everything. You're the one I want to conquer the most!"

"You impudent man!" Xu Xiyan cursed.

She was really speechless now. She really wanted to know what was wrong with the world.

Why are men like animals?

Why do they always think about violating women?

"Jing Xi, I don't care how you scold me. You look so charming even when you're scolding."

Mo Yutian closed in and trapped her against the wall with his arms. Xu Xiyan suddenly felt like suffocating; the pressure was too strong.

She wanted to escape under his arms, but he grabbed both of her hands, staring straight at her.

"You better let me go, my husband will come looking for me! If he knows what you've dared to do to me, he will definitely not let you get away with it!"

Mo Yutian was not daunted at all. He smiled lightly and said, "I'm afraid your husband is not going to come back. You might as well stay with me."

"What do you mean?"

Xu Xiyan's heart clenched tight. Her heart was overcome by a sudden ominous premonition.

"It's very simple. Huo Yunshen's flight CNXXX will land at Hengshan Airport at 9:50 pm. However, there is a time bomb on the plane that will go off on time at 9:49 pm. It is now 9:46 pm Peijing time."

Mo Yutian explained the terrorist attack calmly as though he was talking about today's fine weather.

After listening to his words, Xu Xiyan felt goosebumps rising all over her body.

Her heart also tightened in an instant. The plane was about to explode in just three minutes.

Her husband was on the flight...

"Did you do that on purpose? Let me go! If you don't release me, I will bite my own tongue and kill myself!"
