

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 1016 Innocent or Deserved It

The woman's voice was a little mournful, and it gave people goosebumps. Xie Qiao was silent for a moment.

"If you need to suffer all kinds of humiliation for your younger brother to become successful, he can forget it. If your father knew that he needed to use your life to make money for his medical treatment and medicine, I'm afraid he would rather die than wanting you to do so much. I know that your fate is pitiful, but since you're already living in the mud, you either die or live. I wonder how your father and brothers will feel when they see your current state. "Instead of seeking life, you seek death but live in resentment. If you have resentment and harm people's lives, doesn't that mean that you have gone from being innocent to deserving it?"

When the woman heard that, her eyes turned red, as if she wanted to swallow Xie Qiao alive. "Your husband is detestable. He is greedy and violent. I'm afraid that the woman who was killed by your husband also intended to seduce him on purpose. She deserved it that she died. However, you are not decisive enough. You couldn't bear to throw away your wealth, and couldn't muster your courage. You are weak by nature, and it is wrong to be weak. In the end, this is the path you chose. Those who harmed you are all dead. Who else do you want to blame?"

There was something fishy about the show just now.

Zhao Xuanjing said that one of the ten brides smiled while watching the show and panicked when the old master was ambushed. She felt that something was wrong.

She thought... Back then, the old master had some fetishes. As he had a lot of money, it was easy for him to hook up with some frivolous women.

He invited that woman home to watch the show, and even...

He even played a “role-playing” game, making that woman wear a bride’s dress and pretend to be holding a wedding...

The old master wanted to be a groom every day.

However, he did not expect that he would actually go overboard on his “wedding night”.

He had accidentally tortured someone to death.

Thinking back to those people who came looking for trouble...

Since they were able to lay their hands on the madam of the house and cause her to miscarry, it could be seen that these people were unreasonable scoundrels. They said that they wanted to seek justice for their dead relative, but in fact, they wanted something else as well...

Xie Qiao’s words were undoubtedly provoking the woman in front of her.

“Men! Kill them all with a cane!” The woman suddenly howled and the steward immediately brought people over. In this illusion, there was no way to escape. Even if the ghouls in the illusion died, they would fake their deaths. Once the scene changed, they could start again at any time. Therefore, it was useless to escape and it would be a waste of effort.

The only way was to find a way to break this illusion.

“Are you angry out of embarrassment?” Xie Qiao laughed sarcastically. “If you had the ability to kill people with a cane when you were alive, you wouldn’t have ended up like this. The funny thing is, you’re already dead and you still want to create such an illusion.

“What’s the use of abusing and venting when you’re in this fake scene? These ghouls are just putting on an act. If they keep doing it over and over again, the most they’ll do is suffer a little.

“Meanwhile, you have to keep thinking about what happened back then. What’s the point?

“I think you’re pregnant, right? When your child was dying, the moon was still young and the ghouls weren’t formed yet. I’m afraid even you won’t be able to find him. But I can help you find him.

“I believe that no one other than me can do such a thing,” Xie Qiao said again.

She kept talking. At first, the woman was very upset, but after she heard what Xie Qiao said, her arrogance faded a lot.

“Don’t lie to me!” Even the Taoist master who came to find her earlier could not do it!

“Why would I lie to you? Soul searching is my specialty. All I need is your bone and some good tools to attract that soul. However, your child is still young and might have disappeared long ago. I have to make this clear.

“Also, if you are lucky and the child is still around, even if his soul is found, he won’t be as lively and powerful as a complete ghoul. Even if he’s sent to reincarnation in the future, I’m afraid he won’t be able to be a human, right?” Xie Qiao added.

Who knew if he might become a butterfly, bird, or grasshopper in his next life... Who knew?
