

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 1027 Distant Relatives

It was also because Xie Qiao was really not in good spirits today.

Her clothes did not have many patterns, and she did not wear a good-looking hairpin on her head, which made her look shabby.

Yesterday, Xie Qiao had gone to the suburbs to dig up bones, and her shoes were also stained with some dirt. After working all night, she did not change her shoes.

Unlike Young Lady Zhou and the others, whose feet were not stained with dirt.

Yu Xian did not want to talk to her.

Xie Qiao fainted, but she did not sleep for long. In less than an hour, she woke up while rubbing her head.

When she saw Yu Xian, she was still a little dazed. "Why are you here?"

"Master, have you forgotten? You saw me before you fainted." Yu Xian stared at her nervously, "How do you feel now? Master, you really are not well. Why were you out alone? You should bring a young Taoist with you. Otherwise, what if you faint again on the way?"

"This penniless master's body is much better now. It's probably because I've been too tired recently. I'm fine. Thank you for your concern." Xie Qiao knew her current status, so she was very polite.

“Pfft.” Zhou Sijin smiled sarcastically. “You’re quite good at pretending.”

“Who is this?” Xie Qiao looked at her and had an impression of her.

It was not the impression she had before she fainted, but when she had seen this young lady with the princess of the Prince Yong Lin’s Residence in the past. At that time, this young lady looked like a lackey.

She was not familiar with her either. She did not know what she did to be so agitated.

“This is my cousin’s younger cousin, a distant relative,” Yu Xian said bluntly.

Zhou Sijin glared at Yu Xian. She did not know what was good for her. Their Zhou family had a noble title! Yu Xian’s parents were gone, and she said this as if their Zhou family would not let go of the Yu family!

When Xie Qiao heard that, she only nodded. “Sorry to trouble you today, but I’m much better now and my body is fine. I won’t keep you any longer.”

“You’re still shameless,” Zhou Sijin said sarcastically.

Xie Qiao was stunned for a moment. Just as she was about to speak, Yu Xian immediately scolded her back. “You’re really shameless. I’ve chased you away so many times, but you still have the cheek to stay here. Those who don’t know better would think that you mom is lying on the bed!”

Xie Qiao turned around to look at her, then she nodded seriously, “That’s not right. I wouldn’t have given birth to such a shameless young lady. Don’t insult me.”

“That’s right, Master. I was angry and spouted nonsense,” Yu Xian hurriedly replied in embarrassment.

In reality, she did not want to target this cousin of the Zhou family.

After all, she was a lady younger than she was, and they were relatives. They had to leave some face between each other. It was not good to go overboard, but this cousin was really a little annoying

She was a blabbermouth. It was one thing for her to tell the old madam of the Zhou family about her, but within the Zhou family, she was also a shrewd person.

When an ordinary matter came to this cousin, she would twist it many times. It was truly unpleasant!

Today, she had even offended her a few times.

Zhou Sijin had never been scolded like this before, and her eyes turned red on the spot.

She immediately cried, tears flowed down her cheeks. “Cousin Yu, I’m doing this for your own good. How can you bully me like this? For such an unimportant fraud, you actually insulted me. How can you be so rude to your deceased parents?!”

There were many patients in the medicine hall as well.

Although Yu Xian had asked for a “single bed”, in reality, there was only a screen between them. If there was any commotion, the people nearby could hear it clearly.
