

# THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 1063 Do You Believe It Now?

After Yan Kebao finished speaking, the Fu family's parents were shocked. If not for the fact that they wanted to listen to what he had to say, they would have rushed up to him right now and cut him into pieces!

"But I didn't expect my cousin to love you so much. No matter how much I tried to persuade her, she had to have you!"

"The Pan family got this post from the Octagon Garden... They didn't think about me, and they gave it to you..." At this point, Yan Kebao was also filled with despair and unwillingness.

He only had his aunt, uncle, and cousin's family left.

He was also a scholar, and he also wanted to visit the Octagon Garden. However, he never thought that he would ask Fu Hanwen and his cousin to go together. As for him... Today, he shamelessly followed behind a rich young master. He could only enter after saying all sorts of nice things..,

He finally managed to get a seat and saw the famous Old Master Li...

He even saw...

That painting.

"It's you two... who don't know your place! You're not even married yet and you're already so intimate! It's you who deserves to die! You seduced my cousin!" Yan Kebao shouted in a reserved manner.

Everyone said that in that painting, there was a golden couple, saying that they were a match made in heaven!

He could not take it anymore.

Xie Qiao did not expect to hear such words.

Was it her painting that triggered Yan Kebao's killing intent?!

"Yan Kebao!" Master Fu's eyes were red as he scolded, "Your father... drowned in the river and died, but... he deserved it. I didn't hurt him!"

Yan Kebao looked at him angrily.

"Your father kept a mistress, and that woman was beautiful. I didn't expect that a local gangster took a fancy to her. He took her away, and that's why people targeted him. They wouldn't stop until he was dead! But I thought that if you, an orphan and your widowed mother heard such news, you guys would probably feel bad, so I hid the truth!"

As long as one paid money, they could do business smoothly.

The reason for the accident was that he had offended others first!

Yan Kebao was stunned.

Liar... impossible!

Master Fu also did not expect that Yan Kebao would hate his family for so long just because of this incident. A little misunderstanding, accumulated resentment over the years, took his son's life!

On the other side, Madam Pan also cried, "I did intend for you to marry my daughter, but your mother wasn't willing! When the two of you were young, your mother found out that I had this intention and was much harsher toward my daughter. She thought that she was too naive, and in between the words, she thought she wasn't worthy of you! It ended after my discussion with your father!

"You don't know anything, you never bothered to find out. You actually caused Hanwen's death, and you've destroyed your cousin's life!" Madam Pan was really disappointed and resentful toward her nephew.

Yan Kebao was dumbfounded on the spot.

"Impossible! You lied to me!" He was like a mad man, "You lied to me, right?! My father wouldn't have an affair. My mother knew that I liked my cousin, and she wouldn't refuse the marriage on my behalf! You lied to me!"

"Hanwen is dead, why would we lie to you?!" Madam Pan was so angry that she rushed up and slapped him. "If I lie, your cousin and I will die without a complete corpse! Do you believe it now?!"

Yan Kebao trembled twice.

He knelt on the ground, holding his head and crying bitterly.

Although Fu Hanwen had become a ghou, he had never harmed anyone. At this moment, seeing Yan Kebao in this state, he did not attack again.

“Master... I want to see my son...” The Fu parents pleaded.

Xie Qiao shook her head. “Your bodies are not suitable to do that now.”

Using cow’s tears had repercussions.
