

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 1064 No More

She had once used cow's tears on a pair of parents, but it was also because the two of them were in good health and their daughter had died a long time ago. They had already endured the most difficult times and their spirits were still stable, so there would not be any accidents.

However, the two of them were too sad now. If they used the cow's tears, they would probably suffer.

Moreover...

Although Fu Hanwen looked better than most ghouls, he was still far from what he looked like when he was alive.

His whole body was cold and pitiful. As his parents, it would be even harder for them to get over this.

"Life and death are determined by fate. I'm sorry for your loss," Xie Qiao said with a sigh.

After saying that, Xie Qiao looked at Pan Jiao and said apologetically, "I was forced to say something inappropriate just now... I'm really sorry."

Pan Jiao cried and shook her head.

"That painting..." Xie Qiao choked as if she had swallowed a stone. "This penniless master... At that time, I only saw the two of you together in a beautiful scene, so I put you in the painting without permission. I didn't expect that it would provoke Yan Kebao..."

Xie Qiao felt very guilty.

She bowed and cupped her hands at the Fu parents and bowed in shame.

The Fu parents cried again, Master Fu quickly helped her up. "Master, it was just a coincidence. This child... already has resentment in his heart. Even if he doesn't do this evil thing today, in the future... I'm afraid he won't be able to avoid it..."

Mother Fu also cried and nodded.

They were not ignorant people.

Their son had a good relationship with Ms. Jiao and often had to get together. They were supposed to get married in the future.

Yan Kebao had a good relationship with both families, and he would have to move around in the future. If he had the intention to kill, he could hide it now, but he could not hide it forever.

"Now that things have come to this, this penniless master can only try other ways to make up for my mistakes... Young Master Fu is trapped in this lake, and this penniless master will take him away to nourish his soul and burn more incense for him. I hope that he will have good fortune in his next life..."

This was the only way.

The Fu parents could only nod their heads helplessly.

"When his soul is nourished, you should also try your best to make yourself stronger. After a period of time, if you still want to see him again, that's fine too. However... you have also seen Yan Kebao's current appearance. These eyes, seeing things that shouldn't be seen, you will more or less have to pay

a price. Apart from being a little frightened, your body will also be weak for a while,” Xie Qiao explained seriously.

With that said, the Fu family’s parents and the others hurriedly nodded. “Good! We’ll definitely take good care of our bodies! As long as we can see our son... We’ll do anything!”

Xie Qiao nodded. “And Young Lady Pan, you can do that too.”

Three people, that was all... There really were not any more cow’s tears.

As she counted...

It had reached the bottom.

When she was done with the matters at hand, she had to look for cow tears.

Why was life so hard?

Xie Qiao sighed. At this time, Yan Kebao kept pulling at his hair as if he had gone crazy. However, his pitiful appearance could not change his current situation, Xie Pinggang had people take him away.

Xie Pinggang also chased away all the random people in this area.

Only then did Xie Qiao start to collect his soul.

Zhao Xuanjing looked a little distant and did not seem to be in a good mood, which made people panic.

Today, he had intended for Xie Qiao to come out and relax. He wanted her to take a look at the scenery of the Octagon Garden and listen to some poems and songs to cultivate her body and mind. It was ruined again.

He could only watch as she started to expend her energy to collect the soul.
