

THE PRINCESS CONSORT HAS A LETHAL DESTINY

Chapter 1095 How Does She Know?!

Yu Xian heaved a sigh of relief when she saw that Xie Qiao did not take it to heart.

Together with Feng Yingying, they asked her how she was doing in the palace after marrying the Crown Prince.

No matter how thick-skinned Xie Qiao was, she could not tell the truth. She could only say that the Crown Prince was not bad.

Feng Yingying was also married. Seeing how shy she was, what else could she not understand? If it was not for the fact that the little sister of the Xie family was still present, she would have tried to persuade her to take care of her body and not put her body in danger for the please the Crown Prince, putting her own body at risk..,

She was too embarrassed to say that.

After chatting for a while, Yu Xian wanted to say something but hesitated. "Young Lady Xie, can I have a few words with you in private?"

"Sure." Xie Qiao nodded.

Although Feng Yingying was curious, she did not ask much. She held Xie Xi's hand and went out to guard the door.

After they left, Yu Xian said awkwardly, "Master, I know your secret..."

Xie Qiao's face stiffened. "What secret? Why don't I know it?"

"I called you master... And you still don't know it..." Yu Xian scratched her head. "I know it, and I didn't want to keep it from you, but I didn't tell anyone about it. I'll keep it a secret from now on."

Xie Qiao wanted to cry, but no tears came out.

Another person know about it?

How did she know?! Could it be that her disguise was not perfect enough?

She looked confused, and she had taken a huge blow. Seeing how pitiful she was, Yu Xian quickly said, "Master is really amazing. I won't doubt your ability just because of your age! In my heart, Master is both my good friend and my benefactor. There is no conflict at all!"

Xie Qiao's gaze was still a little lost.

She was actually mentally prepared that the Crown Prince knew, and she could accept it.

However, how long had Yu Xian known that?! Especially with Master Mo's face, she had only met Yu Xian a few times, but she had been exposed?!

This was an insult to her profession, a doubt about her appearance, and a blow to her long future career!

“You...” Xie Qiao wanted to cry, but no tears came out. “How did you know...”

“It’s a coincidence. When Master fainted, I saw that Master’s Chin was a little dirty, so I wiped it, but the more I wiped it, the more it was off. I realized that your skin is delicate, like that of a young girl in her late teens. Then I thought about how you and Young Lady Xie never existed at the same time, so I had some doubts... and then I slowly confirmed it,” Yu Xian explained to Xie Qiao.

Xie Qiao could not laugh.

She... was too miserable!

She had been exposed again!

In reality, Yu Xian still had many things that she was curious about.

For instance, why were these two people with such different statuses able to acknowledge a master? Did His Highness the Crown Prince know, and did Old Master Li know?

However, curiosity was just curiosity. She could think about it herself and would not ask too many questions.

Now, she could only tell Xie Qiao the truth that she knew, and be an honest and good girl.

Xie Qiao suddenly thought of something very important and hurriedly asked, “My eldest brother...”

“I didn’t tell him,” Yu Xian immediately replied, “But... Brother Xie really respects and admires Master. If he knew, you would probably have to run far away. I’m afraid that he wouldn’t be able to take the stimulation and hit someone.”

“That’s right...” Xie Qiao heaved a sigh of relief.

‘Don’t be nervous, don’t be nervous.

‘Only Yu Xian knew about it. It’s fine...’

It was just a careless mistake. It would never happen again in the future.

She was fine... really fine!

Xie Qiao composed herself and said, “Let’s keep it a secret together. If I accidentally expose myself in front of my eldest brother one day, Master Yu, you must save me!”
